On April 5, 2010, Satyam Computer Services Limited (the Company or Mahindra Satyam ) announced that it had reached a settlement with the US Securities and Exchange Commission ( SEC ) in connection with the ongoing SEC investigation previously disclosed in our SEC reports. The Company concluded that it was in the best interests of Mahindra Satyam and its shareholders to achieve a complete and final resolution of this matter on the basis announced today.

This settlement relates to an accounting fraud perpetrated by the Company s former management from at least 2003 through September 2008. All of the misconduct transpired under previous management prior to the nomination and appointment by the Government of India of new directors for the Company on January 11, 2009, and prior to the strategic investment by Venturbay Consultants Private Limited, a subsidiary controlled by Tech Mahindra Limited, that was completed in July 2009.

Under the terms of the settlement, the Company consented to the entry of a judgment requiring it to pay a civil penalty of \$10 million, comply with the US federal securities laws, hire an independent consultant, and comply with certain undertakings. In entering into the settlement agreement, the Company did not admit or deny the allegations.

Mahindra Satyam cooperated with the SEC in its investigation. In its press release, the SEC referred to the unique and significant remediation efforts made after the fraud became public in 2009 and stated that Mahindra Satyam had been transformed into a new company with new management, directors and investors and state-of-the art controls.
