We cannot estimate the number of shares of our common stock that the Plan Trust will hold in the future.

**Plan of Distribution**

The Shareholder may offer the Plan Shares from time to time pursuant to the direction of the Investment Manager depending on market conditions and other factors considered to be important by the Investment Manager, in one or more transactions on the New York Stock Exchange or any other national securities exchange or automated interdealer quotation system on which shares of our common stock are listed, through negotiated transactions or otherwise. Subject to the terms of the Registration Rights Agreement, the Plan Shares may be offered in any manner permitted by law, including through underwriters, brokers, dealers or agents, and directly to one or more purchasers. Sales of the Plan Shares may involve:

purchases by a broker or dealer as principal and resale by the broker or dealer for its account; or

ordinary brokerage transactions and transactions in which a broker solicits purchasers.

Pursuant to the direction of the Investment Manager, the Shareholder and/or purchasers of the Plan Shares may pay brokers and dealers for selling Plan Shares. These payments may be in the form of underwriting discounts, concessions or commissions. The Shareholder and any broker dealer who sells or assists the Shareholder in selling Plan Shares may be deemed to be an underwriter within the meaning of the Securities Act of 1933, as amended (the Securities Act ). If they are deemed to be underwriters, any brokerage commissions or discounts may be deemed to be underwriting discounts and commissions under the Securities Act. We will file a prospectus supplement, if required, when the Shareholder notifies us that it has entered into an arrangement with an underwriter, broker or dealer for the sale of contributed shares. The prospectus supplement will disclose material terms of the offering, including:

number of Plan Shares being offered;

terms of the offering;

any discounts, commissions or other compensation paid to underwriters, brokers or dealers;

the public offering price; and

any discounts, commissions or concessions allowed or reallocated or paid by any underwriters to dealers.

As of the date of this prospectus, we are aware of no selling arrangements between the Shareholder and any underwriter, broker or dealer. The Shareholder may also sell Plan Shares in reliance upon Rule 144 of the Securities Act.

We will not receive any of the proceeds from the sale of the Plan Shares by the Shareholder. We will be responsible for the costs of registering the Plan Shares under the Securities Act and other related fees, but not for underwriting discounts, brokerage fees and commissions, if any, incurred by the Shareholder, the Plan Trust or the Plan in connection with the sale of Plan Shares.

Under the terms of the Registration Rights Agreement, the Company and the Investment Manager have agreed to indemnify each other and certain other related parties for, or contribute to payments the other may be required to make in respect of, certain liabilities in connection with the registration and sale of the Plan Shares. The indemnification provided by the Investment Manager is limited to the aggregate amount of fees received by the Investment Manager under the Investment Management Agreement. All of the Plan Shares are subject to the restrictions on transfer set forth in the Registration Rights Agreement. We have agreed to maintain the effectiveness of the registration statement of which this prospectus is a part until the earlier of (i) the date on which all Plan Shares are sold and (ii) March 3, 2006.

(a) **Indemnification.** The DTE Energy Company Amended and Restated Articles of Incorporation provide that, to the fullest extent permitted by the Michigan Business Corporation Act (the Act) or any other applicable law, no director of DTE Energy shall be personally liable to DTE Energy or its shareholders for or with respect to any acts or omissions in the performance of his or her duties as a director of DTE Energy.

DTE Energy's articles of incorporation further state that each person who is or was or had agreed to become a director or officer of DTE Energy, or each such person who is or was serving or who had agreed to serve at the request of DTE Energy's board of directors as an employee or agent of DTE Energy or as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise (including the heirs, executors, administrators or estate of such person), shall be indemnified by DTE Energy to the full extent permitted by the Act or by any other applicable law.

**Item 17. Undertakings**

1. The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; and

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(i) and (a)(ii) do not apply if the registration statement is on Form S-3, Form S-8, or Form F-3, and if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrants pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of DTE Energy's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

**Table of Contents**

**Signatures**

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this pre-effective amendment No. 1 to registration statement to be signed on its behalf by the undersigned, thereunto duly authorized in the City of Detroit, State of Michigan on the 31<sup>st</sup> day of March, 2004.
