PROXY STATEMENT

GENERAL

The board of directors is soliciting proxies to be used at a special meeting of stockholders of Apache Corporation to be held on [December 18,] 2003. In this proxy statement "Apache," "the Company" and "we" refer to Apache Corporation. This proxy statement and the enclosed proxy card will be mailed on or about [November \_\_\_\_,] 2003.

PURPOSE OF THE SPECIAL MEETING

At the special meeting, stockholders will vote on whether to amend the Company's Restated Certificate of Incorporation to authorize additional shares of the Company's common stock, as outlined in the accompanying notice of meeting, and on any other business that properly comes before the meeting, including matters incident to the conduct of the meeting such as any motion for adjournment or postponement. As of the date of this proxy statement, the Company is not aware of any business to come before the meeting other than the approval of the proposed amendment to the Restated Certificate of Amendment. There are no rights of appraisal or similar rights of dissenters arising from matters to be acted on

at the meeting.

### WHO CAN VOTE

Only stockholders of record holding shares of Apache common stock at the close of business on the record date, [October 29,] 2003, are entitled to receive notice of the special meeting and to vote the shares of Apache common stock they held on that date. As of [October 29,] 2003, there were \_\_\_\_\_ shares of Apache common stock issued and outstanding. Holders of Apache common stock are entitled to one vote per share. The enclosed proxy card shows the number of shares that you are entitled to vote.

Apache currently has outstanding one series of preferred stock - the 5.68% Cumulative Preferred Stock, Series B (the "Series B Preferred Stock"). The holders of the depositary shares, each representing 1/10th of a share of Series B Preferred Stock, are not entitled to any voting rights, except under certain circumstances relating to non-payment of dividends on the Series B Preferred Stock. As of the date of this proxy statement, all dividend payments on the Series B Preferred Stock were current.

### HOW TO VOTE

If your shares of Apache common stock are held by a broker, bank or other nominee (in "street name"), you will receive instructions from them on how to vote your shares.

If you hold shares of Apache common stock in your own name (as a "stockholder of record"), you may give instructions on how your shares are to be voted by:

- marking, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided.

1

- using the toll-free telephone number or Internet voting site listed on the enclosed proxy card. Specific directions for using the telephone and Internet voting systems are shown on the proxy card.

When using telephone or Internet voting, the systems verify that you are a stockholder through the use of a company number for Apache and a unique control number for you. IF YOU VOTE BY TELEPHONE OR INTERNET, PLEASE DO NOT MAIL THE ENCLOSED PROXY CARD.

Whichever of these methods you use to transmit your instructions, your shares of Apache common stock will be voted as you direct. If you sign and return the enclosed proxy card or otherwise designate the proxies named on the proxy card to vote on your behalf, but do not specify how to vote, your shares will be voted FOR the proposed amendment. If other matters of business not presently known are properly raised at the meeting, the proxies will vote on the matters in accordance with their best judgment.

### VOTING 401(k) PLAN SHARES

If you are an employee or former employee participating in the Apache 401(k) Savings Plan and have shares of Apache common stock credited to your plan account as of the record date, such shares are shown on the enclosed proxy card and you have the right to direct the plan trustee regarding how to vote those shares. The trustee for the 401(k) plan is Fidelity Management Trust Company.

The trustee will vote the shares in your plan account in accordance with your instructions. If you do not send instructions (by voting your shares as provided above under "How to Vote") or if your proxy card is not received by [December

## Edgar Filing: APACHE CORP - Form PRE 14A

15,] 2003, the shares credited to your account will be voted by the trustee in the same proportion as it votes shares for which it did receive timely instructions.

### REVOKING A PROXY

You may revoke a proxy before it is voted by submitting a new proxy with a later date (by mail, telephone or Internet), by voting at the meeting, or by filing a written revocation with Apache's corporate secretary. Your attendance at the special meeting will not automatically revoke your proxy.

### QUORUM AND VOTES NEEDED

The presence at the special meeting, in person or by proxy, of the holders of a majority of the shares of Apache common stock outstanding on the record date will constitute a quorum, permitting the business of the meeting to be conducted. The affirmative vote of a plurality of the votes cast at the special meeting is required for the approval of the proposed amendment.

### HOW THE VOTES ARE COUNTED

Representatives of Wells Fargo Bank Minnesota, N.A. will tabulate the votes and act as inspectors of election. A properly signed proxy marked to "withhold" authority for the approval of the proposed amendment will be counted for quorum purposes but not for voting purposes. If you are present or represented by proxy at the special meeting and you abstain, your abstention, as well as broker non-votes, are not counted as votes cast on any matter to which they relate.

2

### APPROVAL OF AMENDMENT TO RESTATED CERTIFICATE OF INCORPORATION TO AUTHORIZE ADDITIONAL COMMON STOCK (PROPOSAL NO. 1 ON PROXY CARD)

### TERMS AND REASON FOR AMENDMENT

The authorized capital stock of the Company presently consists of 220,000,000 shares which are divided into 215,000,000 shares of common stock, par value of \$1.25 per share, and 5,000,000 shares of no par value preferred stock. On September 11, 2003, the board of directors conditionally approved a two-for-one stock split to be effected in the form of a stock dividend of one share of common stock for each currently issued share of common stock, payable on [January 14, 2004,] to stockholders of record of the Company on [December 31, 2003.] The Company does not currently have a sufficient number of authorized but unissued shares of common stock available to effectuate the stock split, so it is conditioned upon, and shall be due and payable only upon, approval by the stockholders of the proposed amendment, the filing of the necessary documents with the Delaware Secretary of State to amend the Restated Certificate of Incorporation, and compliance with all applicable laws, regulations, and rules of the New York and Chicago Stock Exchanges.

The board of directors has unanimously adopted a resolution setting forth a proposed amendment to Article Fourth of the Company's Restated Certificate of Incorporation that would double the number of authorized shares of common, with the authorized shares of common stock increased from 215,000,000 shares with a par value of \$1.25 per share to 430,000,000 shares with a par value of \$0.625 per share. The resolution adopted by the board of directors, which is being presented for approval by the stockholders at the special meeting, recommended that the Company's Restated Certificate of Incorporation be amended to replace the current first paragraph of Article Fourth with a new first paragraph of Article Fourth reading in its entirety as follows:

## Edgar Filing: APACHE CORP - Form PRE 14A

"FOURTH. The total number of shares of all classes of stock which this Company shall have authority to issue is 435,000,000 which shall be divided into (a) 430,000,000 shares of common stock having a par value of \$0.625 per share and (b) 5,000,000 shares of no par value preferred stock."

### BOARD RECOMMENDATION

The board of directors believes that the proposed amendment to increase the number of authorized shares of common stock is in the best interests of the Company and stockholders and recommends that stockholders vote FOR the proposed amendment.

### INFORMATION ON FUTURE ISSUANCE OF SHARES

Although shares authorized over and above the number required to fund the stock split described above would be available for issuance for other corporate purposes without further action by the stockholders, unless required by the Company's Restated Certificate of Incorporation or Bylaws, by the rules of any stock exchange on which the common stock may be listed, or by applicable law, the board of directors has no present plans to issue any additional shares of common stock, except for the funding of the stock split described above and routine issuances of reserved shares to employees and directors in connection with the exercise of stock options, the vesting of restricted stock, and the Company's deferred compensation plans.

3

In the event additional shares of common stock are issued by the Company, existing holders of shares of common stock would have no preemptive rights under the Company's Restated Certificate of Incorporation or otherwise to purchase any of such shares. It is possible that shares of common stock may be issued at a time and under circumstances that may dilute the voting power of existing stockholders, decrease earnings per share and decrease the book value per share of shares presently held.

### SECURITIES OWNERSHIP AND PRINCIPAL HOLDERS

The following tables set forth, as of [August 31,] 2003, the beneficial ownership of each director or nominee for director of the Company, the chief executive officer, the four other most highly compensated executive officers, and all directors and executive officers of the Company as a group. All ownership information is based upon filings made by those persons with the SEC and upon information provided to the Company. (All share numbers in the table and footnotes have been adjusted for the stock dividends.)
