Pursuant to an Agreement dated March 29, 2004 between TS Matrix BHD, a Malaysian company ( Seller ), and Trio Tech (Malaysia) SDN. BHD., a Malaysian company of which the registrant owns 55% of the outstanding equity interests ( Buyer ), Buyer has agreed to acquire certain assets of Seller utilized by the burn-in testing division of Seller for an aggregate cash purchase price of 3,500,000 Ringgit Malaysia (or approximately \$921,052 (US)). Buyer will also acquire additional assets currently under lease by Seller for a purchase price equal to the redemption value of those assets, which purchase price will be not less than 700,000 Ringgit Malaysia (or approximately \$184,211 (US)). The foregoing United States Dollar amounts were calculated based on the spot exchange rate published in Federal Reserve as of March 29, 2004. The completion of the Agreement and thus Buyer’s obligation to purchase such assets is subject to various conditions precedent including Buyer’s satisfactory due diligence examination and Buyer entering into a new business contract with the existing customer of the Seller. The conditions precedent must be satisfied within three calendar months from the date of the Agreement. The purchase price will be paid as follows: 10% upon execution of the Agreement as a deposit towards the aggregate purchase price (which deposit is refundable upon termination of the Agreement without completion), 1,650,000 Ringgit Malaysia (or approximately \$434,211 (US) based on the spot exchange rate published in Federal Reserve as of March 29, 2004) within the seven day period (the Completion Period ) following satisfaction of the conditions precedent (the Completion Date), and the balance of the aggregate purchase price (the Balance Sum ) no later than seven days from the Expiry Date (i.e., 6 calendar months following the Completion Date). The Balance Sum will be secured by a bankers’ guarantee delivered by Buyer to Seller within the Completion Period and Seller can call upon it if Buyer does not pay the Balance Sum within the time frames provided under the Agreement. The source of the funds for this acquisition will be the general working capital of Buyer.
