The boards of directors of Marshall & Ilsley Corporation and Century Bancshares, Inc. have agreed that Century Bancshares will merge with and into Marshall & Ilsley, with Marshall & Ilsley being the surviving corporation. If the merger is completed, each share of Century Bancshares common stock will be converted into shares of Marshall & Ilsley common stock having a value of approximately \$7.40, although Century Bancshares shareholders may elect to receive cash for their shares, up to an aggregate amount of approximately \$22.82 million. We will determine the exact exchange ratio with a formula based on the trading price of Marshall & Ilsley common stock during the 10 trading days up to and including the second trading day prior to the merger. The exchange ratio is intended to provide a value of approximately \$7.40 per share of Century Bancshares common stock. Cash will be paid in lieu of issuing fractional shares.

Based on the \$61.11 average price per share of Marshall & Ilsley common stock during the 10 trading days up to and including the second trading day prior to January 18, 2002, the exchange ratio would equal 0.121 of a share of Marshall & Ilsley common stock for each share of your Century Bancshares common stock.

The merger cannot be completed unless the shareholders of Century Bancshares approve the merger and the agreement and plan of merger, including the form of plan of merger constituting a part thereof. QUESTIONS AND ANSWERS ABOUT THIS DOCUMENT AND THE MERGER

Q. What is the purpose of this document?

A. This document serves as both a proxy statement of Century Bancshares and prospectus of Marshall & Ilsley for the issuance of its common stock in the merger. As a proxy statement, this document is being provided to you by Century Bancshares because the board of directors of Century Bancshares is soliciting your proxy for use at the special meeting of shareholders called to vote on the proposed merger of Century Bancshares with and into Marshall & Ilsley. When we use the term merger agreement in this document, we are referring, collectively, to the agreement and plan of merger, a copy of which is included in this document as Appendix A, and the form of plan of merger constituting a part thereof, a copy of which is included in this document as Appendix B.

As a prospectus, this document is being provided to you by Marshall & Ilsley because Marshall & Ilsley is offering shares of its common stock in exchange for your shares of Century Bancshares common stock in connection with the merger.

Q. Why do Century Bancshares and Marshall & Ilsley want to merge?

A. The Century Bancshares board of directors believes that the merger is consistent with Century Bancshares's goal of achieving superior shareholder returns and will create a more competitive company better able to serve its customers. The Marshall & Ilsley board of directors believes that the merger will enable Marshall & Ilsley to expand its operations in the Minneapolis, Minnesota area and strengthen its banking franchise through Century Bancshares's strong commercial and retail banking presence in the Minneapolis area.

Q. What will I receive for my Century Bancshares shares of common stock?

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

- A. You will receive a fraction of a share of Marshall & Ilsley common stock having a total value of approximately \$7.40 for each share of Century Bancshares common stock you own at the effective time of the merger. The exact number of shares of Marshall & Ilsley common stock you will receive in exchange for your shares of Century Bancshares common stock will be determined at the time of the merger based on the average trading price of Marshall & Ilsley common stock during a measurement period of 10 trading days up to and including the second trading day before the merger. Marshall & Ilsley will not issue any fractional shares. Instead, you will receive cash in lieu of any fractional share owed to you.

You may also elect to receive cash in exchange for your shares of Century Bancshares common stock. If you make such an election, then you will receive a cash amount of approximately \$7.40 for each of your shares of Century Bancshares common stock. If you make such an election and if the amount of cash that holders of shares of Century Bancshares common stock elect to receive in exchange for their shares exceeds a total of approximately \$22.82 million, then the amount of cash that you will receive for each share will be subject to a pro rata reduction, and you will receive a number of shares of Marshall & Ilsley common stock with a value equal to the amount of that reduction.

Each previously issued and outstanding share of Marshall & Ilsley common stock will remain issued and outstanding and will not be converted or exchanged in the merger.

Q. How do I elect to receive cash for my shares?

- A. A form of election has been included with this proxy statement/prospectus. You may elect to receive cash for your shares of Century Bancshares common stock by completing and signing the enclosed form of election and submitting it as instructed by the election deadline, which is 5:00 p.m., Minneapolis time, on Monday, February 25, 2002. If you have made an election to receive cash for your shares, you may at any time change or withdraw your election by written notice as instructed prior to the election deadline. If you do not submit a properly completed and signed form of election prior to the election deadline, then your shares will be converted into the right to receive Marshall & Ilsley common stock at the effective time.

1

Q. When do you expect the merger to be completed?

- A. We hope to complete the merger as soon as possible after Century Bancshares's special meeting of shareholders, assuming the required shareholder approval is obtained, together with federal regulatory approval and the satisfaction of other closing conditions.

Q. When and where will the special meeting take place?

- A. Century Bancshares's special meeting of shareholders will be held at 10:00 a.m., Minneapolis time, on Tuesday, February 26, 2002, at 11455 Viking Drive, Eden Prairie, Minnesota, 55344.

Q. Who must approve the proposal at the special meeting?

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

- A. Holders of a majority of the outstanding Series A and Series B shares of Century Bancshares common stock as of the close of business on January 14, 2002, voting together as a single class, must approve the merger and the merger agreement.

Approval of the proposed merger by Marshall & Ilsley's shareholders is not required.

Q. What do I need to do now?

- A. After reviewing this document, submit your proxy by promptly executing and returning the enclosed proxy card. By submitting your proxy, you authorize the individuals named in the proxy to represent you and to vote your shares at the special meeting of shareholders in accordance with your instructions. These persons also may vote your shares to adjourn the special meeting and will be authorized to vote your shares at any adjournments or postponements of the special meeting.

Your vote is important. Whether or not you plan to attend the special meeting, please promptly submit your proxy in the enclosed envelope.

Q. How will my shares be voted if I return a blank proxy card?

- A. If you sign, date and send in your proxy card and do not indicate how you want to vote, your proxy will be counted as a vote in favor of the merger and the merger agreement and will be voted in the discretion of the persons named as proxies in any other matters properly presented for a vote at the special meeting.

Q. What will be the effect if I do not vote?

- A. If you abstain or do not return your proxy card or otherwise do not vote at the special meeting, your failure to vote will have the same effect as if you voted against the merger and the merger agreement. Therefore, the board of directors of Century Bancshares encourages you to vote in favor of the proposed merger and merger agreement as soon as possible.

Q. Can I vote my shares in person?

- A. Yes, if you own your shares registered in your own name. You may attend the special meeting and vote your shares in person rather than signing and mailing your proxy card. However, in order to ensure that your vote is counted at the special meeting, we recommend that you sign, date and promptly mail the enclosed proxy card.

Q. Can I change my mind and revoke my proxy?

- A. Yes, you may revoke your proxy and change your vote at any time before the polls close at the special meeting by:

. signing another proxy with a later date and filing it with an officer of Century Bancshares, or

. filing written notice of the revocation of your proxy with an officer of Century Bancshares.

Q. Should I send in my stock certificates now?

- A. No--please do not send in your certificates at this time. Once the merger is completed we will send you written instructions for exchanging your Century

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Bancshares common stock certificates.

Q. Who can answer my questions about the merger?

Century Bancshares--Share Prices and Dividends

There is no established public trading market for Century Bancshares common stock. Transfers of Century Bancshares common stock have been made previously through private transactions within families and related estates.

The last sales of Century Bancshares stock of which Century Bancshares is aware occurred on August 1, 2000, at a price of \$5.00 per share, and in July 2001, at a price of \$7.00 per share. During calendar years 1999, 2000 and 2001, Century Bancshares did not pay any dividends.

The timing and amount of future dividends paid by Marshall & Ilsley and

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Century Bancshares are subject to determination by the applicable board of directors in their discretion and will depend upon earnings, cash requirements and the financial condition of the respective companies and their subsidiaries, applicable government regulations and other factors deemed relevant by the applicable company's board of directors. Various U.S. state and federal laws limit the ability of affiliate banks to pay dividends to Marshall & Ilsley and Century Bancshares. The merger agreement restricts the cash dividends that may be paid on Century Bancshares common stock pending consummation of the merger. Century Bancshares has agreed not to declare or pay any dividends with respect to its common stock, except that Century Bancshares may declare and pay a cash dividend not to exceed \$300,000 in aggregate if the merger has not become effective on or prior to April 19, 2002. See "The Terms of the Merger Agreement--Conduct of Business Pending the Merger."

Comparison of Unaudited Per Share Data

The following table shows information about Marshall & Ilsley's and Century Bancshares's net income per share, cash dividends per share and book value per share, and similar information after giving effect to the merger. This information is referred to below as "pro forma" information. In presenting the pro forma information, Marshall & Ilsley and Century Bancshares assumed that we had been merged as of the beginning of the earliest period presented. The pro forma information gives effect to the merger under the purchase method of accounting in accordance with currently existing accounting principles generally accepted in the United States.

Marshall & Ilsley used the exchange ratio of 0.1185 in computing the pro forma combined and equivalent pro forma combined per share data. This exchange ratio is intended to provide a value of approximately \$7.40 per share of Century Bancshares common stock, which includes an adjustment for the decrease in the total merger consideration described above. We calculated the exchange ratio by dividing \$7.40 by the average of the average high and low sale price per share of Marshall & Ilsley common stock on the NYSE for the 10 trading days ending on and including the second trading day preceding December 19, 2001. As of January 18, 2002, such average price of Marshall & Ilsley common stock was \$61.11.

Marshall & Ilsley expects that it will incur merger and integration charges as a result of combining our companies. The pro forma information is helpful in illustrating the financial characteristics of the combined company under one set of assumptions. However, it does not reflect these merger and integration charges and, accordingly, does not attempt to predict or suggest future results. Also, it does not necessarily reflect what the historical results of the combined company would have been had our companies been combined for the periods presented.

You should read the information in the following table together with the historical financial information that Marshall & Ilsley has included in its prior filings with the United States Securities and Exchange Commission. This material has been incorporated into this document by reference to those filings. See "Where You Can Find More Information" on page 52.

RISK FACTORS

In making your determination as to how to vote on the merger, you should consider the following factors:

Risks Relating to the Merger

You will not know the exact number of Marshall & Ilsley shares you will receive until the time of the merger.

If you receive shares of Marshall & Ilsley common stock in exchange for your shares of Century Bancshares common stock, we will calculate the number of shares of Marshall & Ilsley common stock you will receive in exchange for each

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

of your shares of Century Bancshares common stock based on a formula provided in the merger agreement. The number of Marshall & Ilsley shares you will receive will depend, in part, on the average trading price of Marshall & Ilsley's common stock during the 10 trading days up to and including the second trading day prior to the effective time of the merger. The exact number of Marshall & Ilsley shares you will receive for each of your shares of Century Bancshares common stock will depend on the result of dividing approximately \$7.40 by the average trading price of Marshall & Ilsley common stock before the merger. As a result, you must decide whether to approve the merger without knowing the exact number of Marshall & Ilsley shares you will receive.

For a complete description of how the number of Marshall & Ilsley shares you will receive in the merger will be determined, see "The Merger--Merger Consideration."

The number of Marshall & Ilsley shares you receive will depend on the average trading price of Marshall & Ilsley common stock during the measurement period prior to the merger.

If you receive shares of Marshall & Ilsley common stock in exchange for your shares of Century Bancshares common stock, changes in the market price of Marshall & Ilsley common stock before the merger will affect the exact number of Marshall & Ilsley shares you will receive in exchange for your shares of Century Bancshares common stock. The exchange ratio is intended to provide a value of approximately \$7.40 per share of Century Bancshares common stock. We cannot predict the price at which Marshall & Ilsley common stock will trade before the merger. Any number of factors could cause the market price of Marshall & Ilsley common stock to change, including changes in general market and economic conditions, changes in Marshall & Ilsley's business, operations and prospects and changes in the regulatory environment. Many of these factors are beyond our control. There are no "walk away" or termination rights in the merger agreement that would permit Century Bancshares to terminate the merger based on declines in the value of Marshall & Ilsley common stock.

The value of the Marshall & Ilsley common stock you receive may be substantially lower than anticipated.

The average trading price used to calculate the exchange ratio is likely to be different from the closing price per share of Marshall & Ilsley common stock at the effective time of the merger. As a result, if you receive shares of Marshall & Ilsley common stock in exchange for your shares of Century Bancshares common stock, the value of the Marshall & Ilsley common stock you will be entitled to receive for each of your shares of Century Bancshares common stock may be substantially lower than \$7.40.

Century Bancshares Shareholders will be diluted by the merger.

The merger will dilute the ownership position of the present shareholders of Century Bancshares. Based on the number of shares of Century Bancshares common stock outstanding on the record dates of the special meeting and an average trading price of \$61.11 per share of Marshall & Ilsley common stock on January 18, 2002, Marshall & Ilsley will issue to Century Bancshares shareholders approximately 961,986 shares of Marshall & Ilsley common stock in the merger (assuming no cash elections are made). As a result, Century Bancshares shareholders will hold approximately 1.0 percent of the Marshall & Ilsley common stock outstanding immediately after the completion of the merger based on the number of shares of Marshall & Ilsley common stock outstanding as of September 30, 2001.

Omitted Industry Financial Information

Century Bancshares has excluded certain financial disclosures required of bank holding companies under rules promulgated by the Securities and Exchange Commission from the Management's Discussion and Analysis of Financial Condition and Results of Operations of Century Bancshares attached to this Proxy Statement/Prospectus as Appendix D. The omitted industry financial information relates to, among other things, certain disclosures as to Century Bancshares investments and deposits. Marshall & Ilsley and Century Bancshares have determined since Century Bancshares has not been required to make such disclosures in the past to its shareholders, it has not compiled and would be unable to create such financial information from existing financial records without incurring considerable expense, effort and delay. Marshall & Ilsley and Century Bancshares have determined the omission of certain bank holding company financial disclosures is not material to the shareholders of Century Bancshares.

Post Merger Risks

Share Price Fluctuation

The share price of Marshall & Ilsley common stock on the New York Stock Exchange is by its nature subject to the general price fluctuations in the market for publicly traded equity securities. Such fluctuations are not necessarily related to a change in the financial performance or condition of Marshall & Ilsley.

Marshall & Ilsley's future acquisitions will dilute your ownership of Marshall & Ilsley and may cause Marshall & Ilsley to become more susceptible to adverse economic events.

Marshall & Ilsley has acquired other businesses with its common stock in the past and intends to acquire or make investments in complementary businesses with its common stock in the future. Future business acquisitions could be material to Marshall & Ilsley. Marshall & Ilsley may issue additional shares of common stock to pay for those acquisitions, which would dilute your ownership interest in Marshall & Ilsley. Acquisitions also could require Marshall & Ilsley to use substantial cash or other liquid assets or to incur debt. In those events, Marshall & Ilsley could become more susceptible to economic downturns and competitive pressures.

If Marshall & Ilsley does not adjust to rapid changes in the financial services industry, then its financial performance may suffer.

Marshall & Ilsley's ability to maintain its history of strong financial performance and return on investment to shareholders will depend in part on Marshall & Ilsley's ability to expand its scope of available financial services as required to meet the needs and demands of its customers. In addition to the challenge of attracting and retaining customers for traditional banking services, Marshall & Ilsley's competitors now include securities dealers, brokers, mortgage bankers, investment advisors and finance and insurance companies that seek to offer one-stop financial services to their customers that may include services that banks have not been able or allowed to offer to their customers in the past. The increasingly competitive environment is primarily a result of changes in regulation, changes in technology and product delivery systems and the accelerating pace of consolidation among financial service providers.

Difficulties in combining the operations of acquired entities, including Century Bancshares, with Marshall & Ilsley's own operations may prevent

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Marshall & Ilsley from achieving the expected benefits from its acquisitions.

Marshall & Ilsley may not be able to achieve fully the strategic objectives and operating efficiencies in its various acquisitions, including Century Bancshares. Inherent uncertainties exist in integrating the operations of an acquired company into Marshall & Ilsley. In addition, the markets and industries in which Marshall & Ilsley

12

operates are highly competitive. Marshall & Ilsley also may lose key personnel, either from the acquired entities or from itself, as a result of acquisitions. These factors could contribute to Marshall & Ilsley not achieving the expected benefits from its acquisitions within the desired time frames, if at all.

Changes in interest rates could reduce Marshall & Ilsley's income and cash flows.

Marshall & Ilsley's income and cash flows depend to a great extent on the difference between the interest rates earned on interest-earning assets such as loans and investment securities, and the interest rates paid on interest-bearing liabilities such as deposits and borrowings. These rates are highly sensitive to many factors which are beyond Marshall & Ilsley's control, including general economic conditions and the policies of various governmental and regulatory agencies, including, in particular, the Federal Reserve Board. Changes in monetary policy, including changes in interest rates, will influence the origination of loans, the purchase of investments, the generation of deposits and the rates received on loans and investment securities and paid on deposits. Fluctuations in these areas may adversely affect Marshall & Ilsley.

Future governmental regulation and legislation could limit Marshall & Ilsley's future growth.

Marshall & Ilsley and its subsidiaries are subject to extensive state and federal regulation, supervision and legislation that govern almost all aspects of the operations of Marshall & Ilsley and its subsidiaries. These laws may change from time to time and are primarily intended for the protection of consumers, depositors and the deposit insurance funds. Any changes to these laws may negatively affect Marshall & Ilsley's ability to expand its services and to increase the value of its business. While we cannot predict what effect any presently contemplated or future changes in the laws or regulations or their interpretations would have on Marshall & Ilsley, these changes could be materially adverse to Marshall & Ilsley's shareholders.

The long-term economic effects of recent terrorist attacks on the United States and an economic slowdown could negatively affect Marshall & Ilsley's financial condition.

On September 11, 2001, New York City and Washington, D.C. suffered serious terrorist attacks. The long-term economic impact of these acts has yet to be determined, and the ultimate cost associated with these attacks and related incidents may place significant burdens on the United States economy as a whole. In addition, an overall economic slowdown could negatively impact the purchasing and decision making activities of the financial institution customers of Marshall & Ilsley's data processing subsidiary, Metavante Corporation. If these acts or additional terrorist attacks or other factors cause an overall economic decline, the financial condition and operating results of Marshall & Ilsley could be materially adversely affected.

This document and the accompanying proxy card are being furnished to you in connection with the solicitation by the board of directors of Century Bancshares of proxies to be used at the Century Bancshares special meeting of shareholders to be held at 10:00 a.m., Minneapolis time, on Tuesday, February 26, 2002, at 11455 Viking Drive, Eden Prairie, Minnesota, 55344, and at any adjournments thereof. This document, the notice of Century Bancshares's special meeting and proxy card are first being sent to you on or about January 25, 2002.

Purpose of the Meeting

The meeting is being held so that Century Bancshares shareholders may consider and vote upon a proposal to approve the agreement and plan of merger with Marshall & Ilsley, including the form of plan of merger constituting a part thereof, and the merger of Century Bancshares with and into Marshall & Ilsley contemplated by that agreement, and to transact any other business that may properly come before the meeting or any adjournment or postponement of the meeting. Approval of the proposal will constitute approval of the agreement and plan of merger, the plan of merger and the transactions contemplated by that agreement and plan, including the merger. A copy of the merger agreement and plan of merger is contained in Appendix A and a copy of the plan of merger is contained in Appendix B. When we use the term merger agreement in this document, we are referring, collectively, to the agreement and plan of merger and the form of plan of merger.

Record Date

Only holders of record on Century Bancshares shares at the close of business on January 14, 2002, are entitled to receive notice of and to vote at the Century Bancshares special meeting or any adjournments or postponements of the meeting. At the close of business on January 14, 2002, there were 2,499,709 Series A and 5,450,590 Series B, or, in aggregate, 7,950,299 shares of Century Bancshares common stock outstanding, held by approximately 85 record holders.

Required Vote

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

The affirmative vote of the holders of a majority of the Series A and Series B shares of Century Bancshares common stock entitled to vote at the Century Bancshares special meeting, voting together as a single class, is required to approve the merger agreement and the merger. For each Series A or Series B Century Bancshares share you held on the record date, you are entitled to one vote on each proposal to be presented to shareholders at the meeting. Abstentions and broker non-votes will have the effect of a vote against approval of the merger and the merger agreement.

Century Bancshares's board of directors believes that the merger is fair to and in the best interests of Century Bancshares and its shareholders and has unanimously approved the merger and the merger agreement. Century Bancshares's board unanimously recommends that the Century Bancshares shareholders vote "FOR" approval of the merger and the merger agreement.

Proxies

The persons named on the enclosed proxy card will vote all Century Bancshares shares represented by properly executed proxies that have not been revoked. If no instructions are indicated, the persons named will vote the shares "FOR" approval of the merger and the merger agreement. The affirmative vote of a majority of the shares entitled to vote is required to approve the merger and the merger agreement. Proxies which are marked "ABSTAIN" will have the effect of a vote "AGAINST" approval of the merger and the merger agreement.

14

If your shares are held in an account at a brokerage firm or bank, you must instruct it on how to vote your shares. Your broker or bank will vote your shares only if you provide instructions on how to vote by following the information provided to you by your broker or bank.

Because approval of the merger and the merger agreement requires the affirmative vote of at least a majority of all votes entitled to be cast, abstentions, failures to vote and broker non-votes will have the same effect as a vote against approval of the merger and the merger agreement.

Century Bancshares does not know of any matter not described in the notice of meeting that is expected to come before the meeting. If, however, any other matters are properly presented for action at the meeting, the persons named as proxies will vote the proxies in their discretion, unless authority is withheld.

A shareholder may revoke a proxy at any time prior to its exercise by filing written notice with an officer of Century Bancshares or by signing and filing with an officer of Century Bancshares a later dated proxy. Neither attendance at the meeting or attempting to vote the shares in person at the meeting will revoke a proxy.

Do NOT send in your Century Bancshares stock certificates with your proxy card. As soon as practicable after the completion of the merger, the exchange agent will mail to you transmittal forms with instructions for exchanging your Century Bancshares stock certificates for the merger consideration.

Solicitation of Proxies

Century Bancshares will pay all the costs of soliciting proxies, except that Marshall & Ilsley will share equally in the expense of printing and filing this document and all SEC, NYSE and other regulatory filing fees in connection with this document. Century Bancshares will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses, if any, incurred

by them in sending proxy materials to the beneficial owners of Century Bancshares common stock. In addition to solicitations by mail, directors, officers and employees of Century Bancshares may solicit proxies personally or by telephone without additional compensation.

15

THE MERGER

The following description summarizes the material terms of the merger agreement. We urge you to read the agreement and plan of merger, a copy of which is attached as Appendix A to this document and is incorporated by reference into this document, and the form of plan of merger, a copy of which is attached as Appendix B to this document and is incorporated by reference into this document.

Structure of the Merger

Pursuant to the terms of the merger agreement, Century Bancshares will merge with and into Marshall & Ilsley. The separate legal existence of Century Bancshares will cease. Marshall & Ilsley will continue to exist as the surviving corporation. Marshall & Ilsley will exchange shares of its common stock and up to approximately \$22.82 million in cash for shares of Century Bancshares common stock. Century Bancshares shareholders who do not perfect their dissenters' rights under Minnesota law and who do not receive cash for all of their shares will become Marshall & Ilsley shareholders, with their rights governed by Wisconsin law and Marshall & Ilsley's restated articles of incorporation and bylaws.

Background of the Merger

In early 2001, the Board of Directors of Century Bancshares resolved to seek out potential buyers and merger partners. Sheldon Wert, Chairman of the Board, was authorized and directed to contact RBC Capital Markets concerning the prospects for a merger or sale transaction involving Century Bancshares, Inc.

In July of 2001, the dialogue between representatives of Century Bancshares and RBC Capital Markets resulted in Century Bancshares engaging RBC Capital Markets to develop an information package and presentation materials for use in eliciting prospective potential buyers and merger partners for Century Bancshares. While the information package was being prepared, Mark Furlong, Chief Financial Officer of Marshall & Ilsley, solicited a meeting with Mr. Wert to discuss a potential business combination.

At the parties' meeting in August 2001, Mr. Wert advised Mr. Furlong that Century Bancshares was soliciting indications of interest from several potential suitors. Mr. Wert agreed to provide M&I with the information package under development by Century Bancshares and RBC Capital Markets upon its completion.

Indications of interest were received from several parties, including M&I, at the end of October 2001. Senior representatives of M&I and Century Bancshares met in November 2001 to discuss terms of a potential merger transaction. As a result of that meeting, the parties and M&I accepted the responsibility for preparing a draft of a merger agreement. During the remainder of November 2001, the parties and their legal counsel negotiated the various provisions of the merger agreement.

On December 3, 2001, the Board of Directors of Century Bancshares met with representatives of RBC Capital Markets to review a presentation concerning the

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

fairness of the proposed merger transaction, from a financial point of view, to the shareholders of Century Bancshares. Following the RBC Capital Markets presentation, the Board of Directors unanimously approved the final draft of the merger agreement and directed Mr. Wert to execute the merger agreement on behalf of Century Bancshares. Mr. Wigdale executed the merger agreement on behalf of M&I on the same day.

Management and Operations after the Merger

After the merger is completed, the directors and officers of Marshall & Ilsley who were in office prior to the effective time of the merger will continue to serve as the directors and officers of Marshall & Ilsley for the term for which they were elected, subject to Marshall & Ilsley's restated articles of incorporation and bylaws and in accordance with applicable law.

16

Merger Consideration

The total consideration for the merger will be \$58,819,946. An additional \$7,180,054 is expected to be paid to holders of options to acquire Century Bancshares common stock. Unless you elect to receive cash for your shares of Century Bancshares common stock as described below, at the effective time of the merger, each share of issued and outstanding Century Bancshares common stock will be converted to a fraction of a share of Marshall & Ilsley common stock with a value of approximately \$7.40. The number of Marshall & Ilsley shares you receive will be equal to (i) approximately \$7.40, divided by (ii) the average of the average high and low sale price per share of Marshall & Ilsley common stock on the NYSE for the 10 trading days ending on and including the second trading day preceding the effective time of the merger, rounded to the nearest one-thousandth of a share.

For example, if you do not elect to receive cash in exchange for your shares of Century Bancshares common stock, and if you hold 100 shares of Century Bancshares common stock, then assuming the average trading price of Marshall & Ilsley common stock is \$60.00 per share, you will receive approximately 12 shares of Marshall & Ilsley common stock and \$20.00 in cash in lieu of a fractional share of Marshall & Ilsley common stock.

The average trading price used to calculate the exchange ratio is likely to be different from the closing price per share of Marshall & Ilsley common stock at the time of merger. As a result, the value of the Marshall & Ilsley common stock that you are entitled to receive may be different from \$7.40.

You may also elect to receive cash in exchange for your shares of Century Bancshares common stock. If you make such an election then the cash amount you will receive for each share of your Century Bancshares common stock will be an amount equal to approximately \$7.40. If you make such an election and if the amount of cash that holders of shares of Century Bancshares common stock elect to receive in exchange for their shares exceeds a total of approximately \$22.82 million, the amount of cash that you will receive for each share will be subject to a pro rata reduction, and you will receive a number of shares of Marshall & Ilsley common stock with a value equal to the amount of that reduction.

A form of election has been included with this proxy statement/prospectus. You may elect to receive cash for your shares of Century Bancshares common

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

stock by completing and signing the enclosed form of election and submitting it as instructed in the form of election by the election deadline, which is 5:00 p.m., Minneapolis time, on Monday, February 25, 2002. If you have made an election to receive cash for your shares, you may at any time change or withdraw your election by written notice prior to the election deadline. If you do not submit a properly completed and signed form of election prior to the election deadline, then your shares shall be converted into the right to receive Marshall & Ilsley common stock at the effective time.

No Fractional Shares

Only whole shares of Marshall & Ilsley common stock will be issued in connection with the merger. In lieu of fractional shares, each holder of Century Bancshares common stock otherwise entitled to a fractional share of Marshall & Ilsley common stock will be paid, without interest, an amount of cash equal to the amount of this fraction multiplied by the average trading price of a share of Marshall & Ilsley common stock for the 10 trading days ending on and including the second trading day preceding the merger. No shareholder will be entitled to interest, dividends, voting rights or other rights with respect to any fractional share.

Effective Time of the Merger

Unless Century Bancshares and Marshall & Ilsley agree otherwise, the effective time of the merger will be as soon as practicable after all conditions contained in the merger agreement have been met or waived, including the expiration of all applicable waiting periods. Century Bancshares and Marshall & Ilsley each will have the right, but not the obligation, to terminate the merger agreement if the effective time of the merger does not occur

17

on or before June 30, 2002, unless the failure of the merger to occur by such date is due to the failure of the party seeking such termination to comply with its obligations under the merger agreement.

Exchange of Certificates

As of the effective time of the merger, Marshall & Ilsley will deposit, or cause to be deposited, from time to time, with the exchange agent, Continental Stock Transfer & Trust Company, certificates representing the shares of Marshall & Ilsley common stock and cash to be issued pursuant to the merger in exchange for outstanding shares of Century Bancshares common stock. Continental Stock Transfer & Trust Company will act as the exchange agent for the benefit of the holders of certificates of Century Bancshares common stock.

After the effective time of the merger, you will cease to have any rights as a holder of Century Bancshares common stock, and your sole right will be your right to receive the merger consideration, including cash in lieu of fractional shares, if any, into which your shares of Century Bancshares common stock will have been converted by virtue of the merger, or to perfect your dissenter's rights if you have validly exercised and not withdrawn or lost such rights.

As soon as practicable after the effective time of the merger, the exchange agent will send to you a letter of transmittal and instructions for use in submitting to the exchange agent certificates formerly representing shares of your Century Bancshares common stock to be exchanged for certificates representing shares of Marshall & Ilsley common stock and, to the extent

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

applicable, cash which you elected to receive for your shares of Century Bancshares common stock and cash in lieu of fractional shares of Marshall & Ilsley common stock, that you are entitled to receive as a result of the merger. You will also receive instructions for handling share certificates which have been lost, stolen or destroyed. You will not be entitled to receive any dividends or other distributions which may be payable to holders of record of Marshall & Ilsley common stock following the effective time of the merger until you have surrendered and exchanged your Century Bancshares common stock certificates, or, in the case of lost, stolen or destroyed share certificates, such documentation as is reasonably required by Marshall & Ilsley. Any dividends with a record date after the effective time of the merger payable on Marshall & Ilsley common stock after the effective time of the merger will be paid to the exchange agent and, upon receipt of the Century Bancshares common stock certificates or, in the case of lost, stolen or destroyed share certificates, such documentation as is required by Marshall & Ilsley, subject to any applicable abandoned property, escheat or similar laws, the exchange agent will forward to you the following as applicable:

- . certificates representing your shares of Marshall & Ilsley common stock;
- . cash, if any, which you elected to receive in exchange for your shares of Century Bancshares common stock;
- . dividends declared on your shares of Marshall & Ilsley common stock with a record date after the effective time of the merger, without interest; and
- . the cash value of any fractional shares, without interest.

Please DO NOT return your Century Bancshares stock certificates with the enclosed proxy card. You should not submit your Century Bancshares stock certificates until you have received written instructions from the exchange agent to do so.

At the effective time of the merger, the stock transfer books of Century Bancshares will be closed and no transfer of Century Bancshares common stock will thereafter be made on Century Bancshares's stock transfer books. If a certificate formerly representing Century Bancshares common stock is presented to Century Bancshares or Marshall & Ilsley, it will be forwarded to the exchange agent for cancellation and exchange for the merger consideration.

Interests of Certain Persons

In addition to being shareholders of Century Bancshares, certain members of the management of Century Bancshares have interests in the proposed merger transaction.

In connection with the proposed merger transaction, each of the executive officers and directors identified below entered into agreements with Century Bancshares, pursuant to which all non-qualified stock options held by such persons were cancelled in exchange for cash payments equal to \$7.398 less the applicable exercise price for each share covered under the cancelled option agreements. The number of shares covered under cancelled option agreements and the resulting gain realized by each of these persons is as follows:

In December 2001, Century Bank entered into a Consulting and Noncompetition Agreement (the "Consulting Agreement") with Sheldon Wert, Chairman of the Board of Directors of Century Bancshares. The Consulting Agreement, which has a term of three years commencing upon date of the Merger, provides Mr. Wert with various benefits, including medical and dental insurance, office and secretarial assistance, reimbursement of country club dues, use of an automobile and the right to purchase certain assets (including office furniture, an automobile and a life insurance policy) at their book value as set forth on the books and records of Century Bank. In exchange for such compensation, Mr. Wert has agreed to provide Century Bank with consulting services as required throughout the term of the Consulting Agreement, to refrain from competing with Century Bank and from soliciting its customers and employees, and not to disclose to third parties any confidential information possessed by Mr. Wert with respect to Century Bank or Century Bancshares.

In October 2001, Century Bank entered into executive retention agreements with each of Kim Culp, Kenneth Brooks and Leif Syverson. Each agreement provides the executive with financial incentives to remain in the employ of Century Bank at the time of, and following the Merger, as follows:

- . \$50,000 payment to the executive on the date of the closing of the merger;
- . \$100,000 payment to the executive on the six-month anniversary of the closing of the merger; and
- . \$100,000 payment to the executive on the one-year anniversary of the closing of the merger;

Assuming the executive is employed by Century Bank on the date of the merger, the agreements obligate Century Bank to continue the executive's employment for a two-year period thereafter. However, the executive's employment may be terminated for "just cause" (as defined), in which event the executive would not be entitled to receive any further incentive payments or other employment compensation for the remainder of the two-year period.

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

On December 3, 2001, the Century Bancshares board of directors unanimously determined that the merger agreement and the transactions contemplated by the merger agreement were advisable and fair to and in the best interests of Century Bancshares and its shareholders. In reaching its decision to approve the merger agreement and the transactions contemplated by the merger agreement, the Century Bancshares board consulted with its financial advisor, RBC National Markets, and its legal counsel, Maslon Edelman Borman & Brand, LLP, and with senior management of Century Bank. The Century Bancshares board concluded that the price per share being paid for the common stock of Century Bancshares and other terms and conditions of the proposed merger transaction are favorable to the shareholders of Century Bancshares and comparable to transactions similar in size and nature that have recently occurred in Century Bancshares market.

Marshall & Ilsley's Reasons for the Merger

In reaching its decision to approve the merger agreement, Marshall & Ilsley considered a variety of factors, including the following:

- . Marshall & Ilsley's familiarity with and review of Century Bancshares's business, operations, management, markets, competitors, financial condition, earnings and prospects;
- . Century Bancshares's financial strength, stable credit quality and concentration in an attractive Midwestern metropolitan area;
- . The business, operations, financial condition, earnings and prospects of each of Marshall & Ilsley and Century Bancshares;
- . Century Bancshares's compatible risk philosophy, credit culture, shareholder focus and operating philosophy;
- . Marshall & Ilsley's belief that after the merger the combined company will be able to continue to generate high revenue growth rates;
- . The merger will allow Marshall & Ilsley to expand its operations in the Minneapolis, Minnesota area;
- . Century Bancshares's market is contiguous and similar to Marshall & Ilsley's Midwest markets;
- . The merger is intended to qualify as a transaction of a type that is generally tax-free for federal income tax purposes; and
- . The merger is expected to qualify as a purchase for accounting purposes.

The foregoing discussion of the information and factors considered by Marshall & Ilsley is not intended to be exhaustive but is believed to include all material factors considered by Marshall & Ilsley. In reaching its determination to enter into the merger agreement, Marshall & Ilsley did not assign any relative or specific weights to the foregoing factors.

Material Federal Income Tax Consequences

As a condition to the consummation of the merger, Century Bancshares will receive from Maslon Edelman Borman & Brand, LLP, and Marshall & Ilsley will receive from Godfrey & Kahn, S.C., an opinion that, for federal income tax purposes, the merger will constitute a "reorganization" within the meaning of Section 368(a) of the Internal Revenue Code.

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

The opinions will be based on factors, assumptions and representations set forth in the opinions, including representations contained in certificates of officers of Century Bancshares and Marshall & Ilsley. An opinion of counsel represents only counsel's best legal judgment on the matters addressed in the opinion, and has no binding effect on the Internal Revenue Service or any court, and no assurance can be given that contrary positions may not be taken by the Internal Revenue Service or a court considering the issues. Neither Century Bancshares nor Marshall & Ilsley has requested or will request a ruling from the Internal Revenue Service with regard to any of the federal income tax consequences of the merger.

As discussed below, the federal income tax consequences of the merger to a Century Bancshares shareholder will depend on whether the shareholder exchanges the Century Bancshares common stock for Marshall & Ilsley common stock, cash or a combination thereof.

Exchange Solely for Marshall & Ilsley Common Stock. If, pursuant to the merger, a shareholder exchanges all of the shares of Century Bancshares common stock actually owned by such shareholder solely for shares of Marshall & Ilsley common stock, such shareholder will not recognize any gain or loss except cash received in lieu of a fractional share of Marshall & Ilsley common stock (as discussed below). The aggregate adjusted tax basis of the shares of Marshall & Ilsley common stock received in the exchange will be equal to the aggregate adjusted tax basis of the shares of Century Bancshares common stock surrendered therefore (adjusted for fractional shares), and the holding period of such Marshall & Ilsley common stock will include the period during which such shares of Century Bancshares common stock were held.

Cash Received in Lieu of a Fractional Share. Cash received by a Century Bancshares common stockholder in lieu of a fractional share of Marshall & Ilsley common stock will be treated as received in exchange for such fractional share, and gain or loss will be recognized, measured by the difference between the amount of cash received and the portion of the basis of the share of Century Bancshares common stock allocable to such fractional interest. Such gain or loss should be long-term capital gain or loss if the holding period for such share of Century Bancshares common stock was more than one year.

Exchange Solely for Cash. In general, if, pursuant to the merger, a shareholder exchanges all of the shares of Century Bancshares common stock actually owned by such shareholder solely for cash, such shareholder will generally recognize capital gain or loss equal to the difference between the amount of cash received and its adjusted tax basis in the shares of Century Bancshares common stock surrendered. The gain or loss will be long-term capital gain or loss if the shareholder's holding period with respect to the shares of Century Bancshares common stock surrendered is more than one year. If, however, any such shareholder constructively owns shares of Century Bancshares common stock that are exchanged for shares of Marshall & Ilsley common stock in the merger or owns shares of Marshall & Ilsley common stock actually or constructively after the merger, the consequences to such shareholder may be similar to the consequences described below. In addition, the amount of consideration, if any, treated as a dividend may not be limited to the amount of such shareholder's gain.

Exchange for Marshall & Ilsley Common Stock and Cash. If, pursuant to the merger, a shareholder exchanges all of the shares of Century Bancshares common stock actually owned by it for a combination of Marshall & Ilsley common stock and cash, the shareholder will generally recognize gain, but not loss, with respect to Century Bancshares common stock surrendered in an amount equal to the lesser of (i) the amount of gain realized (i.e., the excess of the sum of the amount of cash and the fair market value of Marshall & Ilsley common stock received over the adjusted tax basis of Century Bancshares Common Stock) and (ii) the amount of cash received. For this purpose, gain or loss must be

calculated separately for each identifiable block of shares surrendered in the exchange, and a loss realized on one block of shares may not be used to offset a gain realized on another block of shares. Any recognized gain will generally be long-term capital gain if the shareholder's holding period with respect to the stock is more than one year. If, however, the cash received has the effect of the distribution of a dividend, the gain would be treated as a dividend to the extent of the shareholder's ratable share of Century Bancshares's accumulated earnings and profits.

21

The aggregate tax basis of Marshall & Ilsley common stock received by a shareholder that exchanges its shares of Century Bancshares common stock for a combination of Marshall & Ilsley common stock and cash pursuant to the merger will be the same as the aggregate adjusted tax basis of the shares of Century Bancshares common stock surrendered therefor, decreased by the cash received and increased by any recognized gain (whether capital gain or ordinary income). The holding period of such Marshall & Ilsley common stock will include the holding period of the shares of Century Bancshares common stock surrendered therefor.

Possible Treatment of Cash as a Dividend. In general, the determination of whether the gain recognized in the exchange will be treated as capital gain or has the effect of a distribution of a dividend depends upon whether, and to what extent, the exchange reduces the shareholder's deemed percentage stock ownership of Marshall & Ilsley. For purposes of this determination, the shareholder is treated as if such shareholder first exchanged all of such shareholder's shares of Century Bancshares common stock solely for Marshall & Ilsley common stock and then Marshall & Ilsley immediately redeemed a portion of such Marshall & Ilsley common stock in exchange for the cash the shareholder actually received. The gain recognized in the exchange followed by a deemed redemption will be treated as capital gain if the deemed redemption is (i) "substantially disproportionate" with respect to the shareholder, or (ii) not essentially equivalent to a dividend.

The deemed redemption, generally, will be "substantially disproportionate" with respect to a shareholder if the percentage described in (ii) below is less than 80% of the percentage described in (i) below. Whether the deemed redemption is "not essentially equivalent to a dividend" with respect to a shareholder will depend upon the shareholder's particular circumstances. At a minimum, however, in order for the deemed redemption to be "not essentially equivalent to a dividend," the deemed redemption must result in a "meaningful reduction" in the shareholder's actual and constructive percentage stock ownership of Marshall & Ilsley. In general, that determination requires a comparison of (i) the percentage of the outstanding stock of Marshall & Ilsley the shareholder is deemed actually and constructively to own immediately before the deemed redemption and (ii) the percentage of the outstanding stock of Marshall & Ilsley the shareholder actually and constructively owns immediately after the deemed redemption. In applying the foregoing tests, a shareholder is deemed to own stock owned and, in some cases, constructively owned, by certain family members, by certain estates and trusts of which the shareholder is a beneficiary, and by certain affiliated entities. As these rules are complex, each shareholder that may be subject to these rules should consult such shareholder's tax advisor. The Service has ruled that a relatively minor reduction in the percentage stock ownership of a minority shareholder in a publicly held corporation whose relative stock interest is minimal and who exercises no control with respect to corporate affairs is a "meaningful reduction."

The foregoing discussion is intended only as a summary of the material federal income tax consequences of the merger. The foregoing discussion does not address the tax consequences that may be relevant to particular taxpayers in light of their personal circumstances or to taxpayers subject to special treatment under the Internal Revenue Code.

No information is provided in this document with respect to the tax consequences, if any, of the merger under applicable state, local, foreign and other tax laws. The foregoing discussion is based upon the provisions of the Internal Revenue Code, applicable Treasury regulations thereunder, Internal Revenue Service rulings, and judicial decisions as in effect as of the date of this document. We cannot assure you that future legislative, administrative or judicial changes or interpretations will not affect the accuracy of the statements or conclusions set forth in this document. Any such change could apply retroactively and could affect the accuracy of such discussion.

You are urged to consult your own tax advisor as to the specific tax consequences to you of the merger, including the application of federal, state, local, foreign and other tax laws.

22

Regulatory Approvals

The merger is subject to prior approval by the Federal Reserve Board under Section 3 of the Bank Holding Company Act of 1956, or BHCA. The BHCA requires the Federal Reserve Board, when considering a transaction such as this merger, to take into consideration the financial and managerial resources, including the competence, experience and integrity of the officers, directors and principal shareholders, and future prospects of the institutions and the convenience and needs of the communities to be served. In addition, under the Community Reinvestment Act of 1977, as amended, the Federal Reserve Board must take into account the record of performance of the acquiring institution in meeting the credit needs of the entire community, including low- and moderate-income neighborhoods, served by the institution.

The BHCA also prohibits the Federal Reserve Board from approving a merger if it would result in a monopoly or be in furtherance of any combination or conspiracy to monopolize or attempt to monopolize the business of banking in any part of the United States, or if its effect in any section of the country would be substantially to lessen competition or to tend to create a monopoly, or if it would in any other manner result in a restraint of trade, unless the Federal Reserve Board finds that the anticompetitive effects of the merger are clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the communities to be served.

Pursuant to the BHCA, the merger may not be consummated until 30 days after Federal Reserve Board approval, during which time the United States Department of Justice may challenge the merger on antitrust grounds. The commencement of an antitrust action would stay the effectiveness of the Federal Reserve Board's approval unless a court specifically ordered otherwise. With the approval of the Federal Reserve Board and the concurrence of the Department of Justice, the waiting period may be reduced to not less than 15 days. Marshall & Ilsley and Century Bancshares believe that the merger does not raise substantial antitrust or other significant regulatory concerns and that they will be able to obtain all requisite regulatory approvals on a timely basis without the imposition of any condition that would have a material adverse effect on Marshall & Ilsley and Century Bancshares.

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Other Requisite Approvals and Consents. Approvals or notices are also required from or to the New York Stock Exchange and other self-regulatory organizations and may be required from or to certain other regulatory agencies.

Status of Regulatory Approvals. Marshall & Ilsley filed an application with the Federal Reserve Board for approval of the merger on December 31, 2001.

The merger cannot proceed in the absence of the requisite regulatory approvals. We do not know if or when all of these regulatory approvals will be obtained. Also, these approvals may contain a condition, restriction or requirement that causes these approvals to fail to satisfy the conditions for the merger.

Accounting Treatment

Marshall & Ilsley expects to account for the merger for accounting and financial reporting purposes as a "purchase," as that term is used under accounting principles generally accepted in the United States. Under purchase accounting, the assets and liabilities of Century Bancshares as of the effective time will be recorded at their fair values and added to those of Marshall & Ilsley. Any excess of the value of Marshall & Ilsley common stock issued for Century Bancshares common stock over the fair value of Century Bancshares's identifiable net assets will be recorded as goodwill. Financial statements of Marshall & Ilsley issued after the effective time will reflect these values and will not be restated retroactively to reflect the historical financial position or results of operations of Century Bancshares.

The Financial Accounting Standards Board has issued several statements of Financial Accounting Standards that eliminate the pooling-of-interests method of accounting for business combinations and require that goodwill and certain intangible assets not be amortized. Instead, these assets will be reviewed for impairment annually with any

23

related losses recognized in earnings when incurred. These statements are effective for Marshall & Ilsley for business combinations completed after July 1, 2001 and will be effective for existing goodwill and intangible assets on December 31, 2001.

Resales of Marshall & Ilsley Common Stock

The shares of Marshall & Ilsley common stock to be issued in the merger will be freely transferable under the Securities Act of 1933, as amended. However, this will not be the case for shares issued to any shareholder who may be deemed to be an "affiliate" of Century Bancshares for purposes of Rule 145 under the Securities Act as of the date of the special meeting. "Affiliates" generally include directors, certain executive officers, and beneficial owners of 10 percent or more of any class of capital stock. These affiliates may not sell their shares of Marshall & Ilsley common stock acquired in the merger except pursuant to an effective registration statement under the securities laws or other applicable securities law exemptions from the registration requirements of the securities laws.

This proxy statement/prospectus does not cover resales of Marshall & Ilsley common stock received by any person who may be deemed to be an affiliate of Century Bancshares. Century Bancshares has agreed in the merger agreement to use its reasonable efforts to cause each person who may be deemed to be an affiliate of Century Bancshares to execute and deliver to Marshall & Ilsley an affiliate agreement. As provided for in these agreements, Century Bancshares's

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

affiliates agree not to offer to sell, transfer or otherwise dispose of any of the shares of Marshall & Ilsley common stock distributed to them pursuant to the merger except in compliance with Rule 145, or in a transaction that is otherwise exempt from the registration requirements of, or in an offering which is registered under, the Securities Act. Marshall & Ilsley may place restrictive legends on certificates representing Marshall & Ilsley common stock issued to all persons who are deemed to be affiliates of Century Bancshares under Rule 145.

Dissenters' Rights

Shareholders of Century Bancshares are entitled to dissenters' rights in connection with the merger. The procedures for preserving and exercising dissenters' rights are set forth in the provisions of Sections 302A.471 and 302A.473 of the Minnesota Business Corporation Act. The following is a description of those provisions. It is not complete and is qualified by reference to the actual provisions, copies of which are included in Appendix C to this document. Appendix C is incorporated by reference into this document.

Notice of Dissenters' Rights. Century Bancshares is required to notify its shareholders of their dissenters' rights and to provide them with a copy of Sections 302A.471 and 302A.473 of the Minnesota Business Corporation Act. This document, including the notice of special meeting of Century Bancshares shareholders, constitutes the required notice to shareholders of Century Bancshares. A copy of Sections 302A.471 and 302A.473 of the Minnesota Business Corporation Act is included in Appendix C to this document.

Preserving Dissenters' Rights. To preserve your dissenters' rights, you must do each of the following:

- . deliver to Century Bancshares, before the vote is taken at the special meeting of shareholders, written notice of your intent to demand the fair value of your shares if the merger is completed; and
- . not vote your shares of Century Bancshares common stock in favor of the merger agreement and the merger.

If you sign and return your proxy without voting instructions, and do not revoke the proxy, the proxy will be voted for the merger and merger agreement and you will have waived your dissenters' rights.

Beneficial Owners. Beneficial owners of shares who desire to exercise statutory dissenters' rights must obtain and submit to Century Bancshares the registered shareholder's written consent at or before the time the notice of intent to demand fair value is due. A shareholder may not assert dissenters' rights with respect to less

24

than all of the shares registered in the shareholder's name, unless the shareholder dissents with respect to all shares beneficially owned by another person and discloses the name and address of such other person.

Notice of Merger Approval. If the merger and merger agreement are approved by Century Bancshares's shareholders, Century Bancshares must deliver a written dissenters' notice to all shareholders who preserved their dissenters' rights. The notice must do all of the following:

- . state where and by what date the payment demand must be sent and where and by what date certificates for certificated shares must be deposited;

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

- . inform holders of uncertificated shares to what extent transfer of the shares will be restricted after the payment demand is received;
- . supply a form for demanding payment and for certifying the date on which the shareholder, or the beneficial owner on whose behalf the shareholder dissents, acquired the shares or an interest in the shares; and
- . be accompanied by a copy of Sections 302A.471 and 302A.473 of the Minnesota Business Corporation Act and a brief description of the procedures to be followed under those Sections.

Duty to Demand Payment. A shareholder who is sent a dissenters' notice must demand payment and deposit the shareholder's certificates or comply with any restrictions on transfer of uncertificated shares within 30 days after the dissenter's notice is given. Under Minnesota law, notice by mail is given when deposited in the mail. A shareholder who so demands payment and so deposits the shareholder's certificates or so complies with any restrictions on transfer of uncertificated shares retains all other rights of a shareholder until these rights are canceled or modified by the merger. A shareholder who does not so demand payment or who does not so deposit the shareholder's certificate or so comply with any restrictions on transfer of uncertificated shares is only entitled to receive the merger consideration for the shareholder's shares.

Share Restrictions. Century Bancshares may restrict the transfer of uncertificated shares from the date the demand for their payment is received until the merger is completed or until the restrictions are released because the merger is not completed.

Payment. Except as to after-acquired shares as discussed below, at the time the merger is completed, or upon receipt of a payment demand, whichever occurs later, Century Bancshares must pay to each dissenter who demanded payment in the manner required the amount Century Bancshares estimates to be the fair value of the dissenter's shares immediately before the effective time of the merger plus interest accrued from fifth day after the date of the merger. The payment must be accompanied by all of the following:

- . Century Bancshares's balance sheet and income statement as of and for a fiscal year ended not more than 16 months before the effective time of the merger, and the latest available interim financial statements, if any;
- . a statement of Century Bancshares's estimate of the fair value of the shares and a brief description of the method used to reach the estimate;
- . a description of the procedure the dissenter must follow to demand supplemental payment if the dissenter is dissatisfied with Century Bancshares's payment offer; and
- . a copy of Sections 302A.471 and 302A.473 of the Minnesota Business Corporation Act and a brief description of the procedure to be followed in demanding supplemental payment.

Failure of Century Bancshares to Remit Payment. If Century Bancshares does not remit payment within 60 days after the deposit of share certificates or the imposition of transfer restrictions on uncertificated shares, Century Bancshares must return the deposited certificates and release the transfer restrictions on uncertificated shares. Century Bancshares may again give notice under the statute and require deposit or restrict transfer at a later time.

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

After Acquired Shares. Century Bancshares may elect to withhold payment to a dissenting shareholder if the dissenter, or person on whose behalf such dissenter acts, was not the beneficial owner of the shares on the date of the first announcement to the public of the terms of the merger. The terms of the merger were first announced to the public on December 4, 2001. If Century Bancshares elects to withhold payment and the dissenter has complied with the terms of the statute, it must forward the materials described above to the dissenter along with a statement of the reason for withholding the payment and an offer to pay the dissenter the amount listed in the materials if the dissenter agrees to accept that amount in full satisfaction.

Procedure if Dissatisfied with Payment or Offer. A dissenter may notify Century Bancshares in writing of the dissenter's own estimate of the fair value of the dissenter's shares and the amount of interest due, and demand payment of the dissenter's estimate, less any payment made by Century Bancshares.

A dissenter waives the dissenter's rights to demand payment, and is entitled only to the amount remitted or offered, unless the dissenter notifies Century Bancshares of the dissenter's estimate and demand in writing within 30 days after Century Bancshares mailed payment, or in the case of after-acquired shares offered payment, for the dissenter's shares.

Court Action. Within 60 days after receiving the payment demand, Century Bancshares will either petition the court to determine the fair value of the shares and accrued interest or pay to the dissenter the amount demanded or agreed to by the dissenter after discussion with the corporation. Century Bancshares must make all dissenters, whether or not residents of Minnesota, whose demands remain unsettled, parties to the proceeding and must serve them all with a copy of the petition. The court may appoint one or more appraisers to receive evidence and recommend decision on the question of fair value. Each dissenter made a party to the proceeding is entitled to a judgment for the amount, if any, by which the court finds the fair value of the dissenter's shares, plus interest, exceeds the amount paid by Century Bancshares. However, a dissenter is not liable to Century Bancshares for the amount, if any, by which the payments remitted by Century Bancshares exceed the fair value of the dissenter's shares determined by the court, plus interest.

Court Costs and Counsel Fees. The court will determine all costs of the appraisal proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court will assess the costs against Century Bancshares, except that the court may assess costs against all or some of the dissenters to the extent the court finds the dissenters acted arbitrarily, vexatiously, or not in good faith in demanding payment. Also, the court may assess the fees and expenses of counsel and experts for the respective parties as follows:

- . against Century Bancshares and in favor of any or all dissenters if the court finds Century Bancshares did not substantially comply with the requirements of Section 302A.473 of the Minnesota Business Corporation Act; or
- . against either Century Bancshares or a dissenter, in favor of the other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith in bringing the proceeding.

The court has the discretion to award fees and expenses to an attorney for the dissenters out of the amount awarded to the dissenters, if any.

- . operate its business in the usual, regular and ordinary course consistent with past practices;
- . use all reasonable efforts to preserve intact its business organization and assets, maintain its rights and franchises, retain the services of its officers and key employees and maintain its relationships with customers;
- . use all reasonable efforts to maintain and keep its properties in as good repair and condition as at present, ordinary wear and tear excepted;

Except as expressly contemplated by the merger agreement or as disclosed prior to the signing of the merger agreement, Century Bancshares has further agreed that, without the prior written consent of Marshall & Ilsley, it and its subsidiaries will not, among other things:

- . except as required by applicable law or to maintain qualification under the Internal Revenue Code, adopt, amend, renew or terminate any employee benefit plan or any agreement with any of its or its subsidiaries' current or former directors, officers or employees;

- . declare or pay any dividends or make any distributions in any amount on Century Bancshares common stock, except for dividends by a subsidiary of Century Bancshares solely to Century Bancshares; provided, however, that Century Bancshares may declare and pay a cash dividend not to exceed \$300,000 in aggregate if the merger has not become effective on or prior to April 19, 2002;

28

- . redeem or repurchase shares of its capital stock or limited liability company interests or any securities convertible into its capital stock or limited liability company interests;
- . merge with or into any other corporation or bank, or effect any reorganization or recapitalization or statutory share exchange;
- . acquire or dispose of assets, other than in the ordinary course of business consistent with past practice;
- . issue any shares of its capital stock or any rights, warrants or options to acquire shares of its capital stock;
- . amend its articles of incorporation, bylaws, articles of organization or operating agreement in a manner adverse to Marshall & Ilsley;
- . change any of its methods of accounting or reporting of income and

deductions, except as required by law or accounting principles generally accepted in the United States; or

- . change in any material manner any lending, investment, liability management or other material policies concerning its business or operations.

Except as expressly contemplated by the merger agreement or as disclosed prior to the signing of the merger agreement, Marshall & Ilsley has further agreed that, without the prior written consent of Century Bancshares, it and its subsidiaries will not, among other things:

- . amend its articles of incorporation or bylaws in a manner that would adversely affect the terms of its common stock or its ability to consummate the merger;
- . take any action that would adversely affect or delay its ability to obtain necessary regulatory approvals;
- . take any action that would adversely affect or delay its ability to perform its covenants under the merger agreement;
- . take any action that would adversely affect or delay its ability to consummate the merger; or
- . take any action in violation of Regulation M under the Securities Exchange Act of 1934.

No Solicitation of Transactions

Century Bancshares agreed to immediately cease any existing discussions or negotiations relating to a competing proposal, not to solicit any competing proposals and to promptly inform Marshall & Ilsley if any competing proposal is made.

For purposes of the merger agreement, we agreed that the term "competing proposal" would mean, with respect to Century Bancshares, any inquiry, proposal or offer from any person relating to:

- . any direct or indirect acquisition or purchase of a business that constitutes 15 percent or more of the net revenues, net income or the assets of Century Bancshares and its subsidiaries taken as a whole;
- . any direct or indirect acquisition or purchase of 15 percent or more of any class of equity securities of Century Bancshares or any of its subsidiaries;
- . any tender offer or exchange offer that if consummated would result in any person beneficially owning 15 percent or more of any class of equity securities of Century Bancshares or any of its subsidiaries; or

29

- . any merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving Century Bancshares or any of its subsidiaries, other than the transactions contemplated by the merger agreement.

For purposes of the merger agreement, we agreed that the term "superior competing transaction" would mean any proposal made by a third party to

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

acquire, directly or indirectly, more than 50 percent of the combined voting power of the shares of Century Bancshares common stock then outstanding or all or substantially all of the assets of Century Bancshares and its subsidiaries, taken as a whole, on terms which the board of directors of Century Bancshares determines in its good faith judgment, taking into consideration the opinion of a financial advisor of nationally recognized reputation, to be more favorable to its shareholders than the merger and for which financing, to the extent required, is then committed or, in the good faith and judgment of the board of directors of Century Bancshares, is reasonably capable of being obtained by such third party.

Marshall & Ilsley and Century Bancshares have also agreed that the limitations discussed above would not prohibit Century Bancshares's board of directors, prior to approval of this merger and the merger agreement by the shareholders of Century Bancshares, from entering into discussions or negotiations relating to an unsolicited superior competing transaction. Prior to entering into such discussions or negotiations, however, Century Bancshares's board of directors must have determined in good faith and after consultation with and taking into consideration the advice of counsel that such action is required to fulfill its fiduciary duties to Century Bancshares's shareholders. In addition, Century Bancshares must provide prior written notice to Marshall & Ilsley that it is entering into such discussions or negotiations and receive a confidentiality agreement from the person proposing the superior competing transaction. Century Bancshares has also agreed to keep Marshall & Ilsley informed of the status and details of such discussions or negotiations.

Employee Benefit Matters

Marshall & Ilsley has agreed that it will give employees of Century Bancshares who become employees of Marshall & Ilsley, whom we refer to as transferred employees, full credit for their prior service with Century Bancshares for purposes of eligibility and vesting under retirement plans in which the transferred employees may be eligible to participate and for all purposes under any welfare benefit plans, "cafeteria" plans, vacation plans and similar arrangements maintained by Marshall & Ilsley. However, Marshall & Ilsley will not give prior service credit in connection with the Marshall & Ilsley retiree health plan.

Marshall & Ilsley has also agreed to waive all preexisting conditions and waiting periods with respect to participation and coverage requirements applicable to transferred employees under any welfare benefit plans maintained by Marshall & Ilsley in which transferred employees may be eligible to participate. Marshall & Ilsley is not required to waive limitations or waiting periods that are currently in effect and that have not been satisfied as of the effective time of the merger under any welfare plan maintained for the transferred employees prior to the effective time of the merger.

Transferred employees will be integrated into Marshall & Ilsley's welfare benefit plans at a time determined on a plan-by-plan basis by Marshall & Ilsley, but no later than January 1, 2003. Century Bancshares's respective plans will remain in effect until each integration date. Century Bancshares's 401(k) plan will be frozen as of the effective time of the merger and all accounts in the plan will be fully vested at that time. Transferred employees who are eligible to participate in Marshall & Ilsley's qualified retirement program (taking into account prior service credit) will participate with respect to compensation paid after the effective time of the merger.

Century Bancshares employees terminated at or after the effective time of the merger will be eligible to receive severance benefits under Marshall & Ilsley severance plan, except for employees who have rights under key executive retention or consulting or certain other agreements with Century Bancshares that they have not been waived.

Conditions to Completion of the Merger

Marshall & Ilsley's and Century Bancshares's obligations to complete the merger are subject to the satisfaction or written waiver, where permissible, of a number of conditions including, among others, the following:

- . the merger agreement must be approved by the holders of a majority of the outstanding shares of common stock of Century Bancshares;
- . the approval of the Federal Reserve Board must have been obtained without any materially burdensome condition that would significantly adversely affect Marshall & Ilsley, all conditions to such approvals must have been satisfied and any statutory waiting periods required by law must have expired;
- . the Marshall & Ilsley common stock that is to be issued in the merger must be approved for listing on the NYSE and the registration statement filed with the SEC concurrently with this document must be effective;
- . the representations and warranties of each party contained in the merger agreement must be true and correct in all respects;
- . each party must have performed or complied with in all material respects all of its agreements and covenants in the merger agreement;
- . all required consents, approvals and authorizations must be obtained by the parties;
- . no challenge to the merger or the right of Marshall & Ilsley to own or operate the business of Century Bancshares shall be pending;
- . Century Bancshares must have delivered to Marshall & Ilsley evidence that the total out-of-pocket expenses incurred by or on behalf of Century Bancshares in connection with the merger agreement do not exceed \$750,000;
- . all holders of Century Bancshares options must have entered into amendment agreements that are satisfactory to Marshall & Ilsley, and Marshall & Ilsley must have received a certificate of the Secretary of Century Bancshares setting forth the aggregate number of shares of Century Bancshares subject to options immediately prior to the effective time of the merger and the aggregate exercise price for those options;
- . Century Bancshares must have obtained the consent of landlords under the leases for certain branches of Century Bank, National Association with respect to the transactions contemplated in the merger agreement;
- . Century Bancshares must have obtained the approval of its shareholders of each of the Key Executive Retention Agreements to which its subsidiary is a party in accordance with applicable Treasury Regulations, and Marshall & Ilsley must have obtained a certificate of the Secretary of Century Bancshares to that effect;
- . the parties must have received legal opinions relating to the merger and tax opinions stating that the merger will be treated as a tax-free reorganization under federal tax laws and no gain or loss will be

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

recognized by Century Bancshares shareholders who receive only Marshall & Ilsley shares in exchange for their Century Bancshares shares, except with respect to cash received in lieu of fractional shares; and

- . since the date of the merger agreement, there shall not have been any change in the financial condition, results of operations or businesses of either party that would have a material adverse effect on such party and its subsidiaries, taken as a whole.

We cannot assure you that the required regulatory approvals necessary to consummate the merger will be obtained, when they will be obtained, or whether all of the other conditions to the merger will be satisfied or waived by the party permitted to do so. As discussed below, if the merger is not completed on or before June 30, 2002, either Marshall & Ilsley or Century Bancshares may terminate the merger agreement, unless the failure to

31

effect the merger by that date is due to the failure of the party seeking to terminate the merger agreement to comply with its obligations under the merger agreement.

Termination of the Merger Agreement

The merger agreement may be terminated at any time whether before or after approval of the merger agreement by the Century Bancshares shareholders:

- . by mutual consent of the parties by a vote of a majority of each party's board of directors;
- . by either party if there has been a material breach of any representation, warranty, covenant or agreement contained in the merger agreement, except that the breaching party may not terminate the merger agreement for this reason;
- . by either party if a final and non-appealable permanent injunction has been issued preventing the merger;
- . by either party if the merger has not been consummated by June 30, 2002 for a reason other than the failure of the party seeking termination to comply with its obligations under the merger agreement;
- . by either party if the Federal Reserve Board has denied approval of the merger;
- . by either party if Century Bancshares's shareholders do not approve the merger and the merger agreement;
- . by Marshall & Ilsley if there is a proposal for a superior competing transaction and the board of directors of Century Bancshares withdraws or modifies in a manner adverse to Marshall & Ilsley its approval or recommendation of the merger or approves or recommends the superior competing transaction; or
- . by Marshall & Ilsley if record or beneficial holders of more than five percent of Century Bancshares's common stock in the aggregate exercise dissenters' rights.

Waiver and Amendment of the Merger Agreement

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

At any time before completion of the merger, either Marshall & Ilsley or Century Bancshares may waive compliance by the other party with any provision contained in the merger agreement. We may also amend the merger agreement by a written agreement at any time before or after Century Bancshares shareholders approve the merger agreement, except that after the Century Bancshares shareholders have given their approval, we may not amend the merger agreement in any manner that would reduce the amount or change the type of consideration into which each share of Century Bancshares common stock will be converted in the merger or which by law would require the further approval of the shareholders of Century Bancshares, in each case without further approval of those shareholders.

Shareholder Voting Agreement

In order to induce Marshall & Ilsley to enter into the merger agreement, shareholders who own, in aggregate, approximately 54 percent of the outstanding Century Bancshares common stock have each agreed that at any meeting of the shareholders of Century Bancshares or in connection with any written consent of the shareholders of Century Bancshares, such shareholder will vote all shares of Century Bancshares common stock held of record or beneficially owned by such shareholder:

- . in favor of the merger and the merger agreement; and
- . against any proposal relating to a competing proposal and against any action or agreement that would impede or frustrate the shareholder voting agreement or result in a breach in any respect of any obligation or agreement of Century Bancshares under the merger agreement or which would result in any of the conditions to the parties' obligations to effect the merger described in the merger agreement not being fulfilled.

32

Each shareholder has agreed that, except as provided by the merger agreement and the shareholder voting agreement, such shareholder will not:

- . offer to transfer, transfer or consent to transfer any or all shares of Century Bancshares common stock held of record or beneficially owned by such shareholder;
- . enter into any contract, option or other agreement or understanding with respect to any transfer of any or all shares of Century Bancshares common stock held of record or beneficially owned by such shareholder;
- . grant any proxy, power-of-attorney or other authorization or consent with respect to any or all shares of Century Bancshares common stock held of record or beneficially owned by such shareholder; or
- . deposit into a voting trust or enter into a voting agreement or arrangement with respect to any or all shares of Century Bancshares common stock held of record or beneficially owned by such shareholder.

Each shareholder has agreed that such shareholder shall not encourage, solicit, initiate or participate in any way in any discussions or negotiations with, or provide information or otherwise take any action to assist or facilitate, any person concerning any competing proposal. Each shareholder has agreed to cease any such existing activities and to immediately communicate to Marshall & Ilsley the terms of any competing proposal.

Each shareholder has waived any rights of appraisal or rights to dissent

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

from the merger.

The shareholder voting agreement with respect to each shareholder shall terminate upon the earliest of:

- . the effective time of the merger; or
- . the termination of the merger agreement.

The MBCA provides that, unless different rules for filling vacancies are provided for in the articles or bylaws, (i) vacancies on the board resulting from death, resignation, removal, or disqualification of a director may be filled by the affirmative vote of the majority of the remaining directors, even though less than a quorum; and (ii) vacancies on the board resulting from newly created directorships may be filled by the affirmative vote of a majority of the directors serving at the time of the increase. Directors elected under this provision of the MBCA hold office until a qualified successor is elected by the shareholders at the next regular or special meeting of the shareholders. Century Bancshares's bylaws provide that the vacancy created by the resignation or removal of a director shall be filled by a director selected by a majority of the remaining directors.

The WBCL provides that unless the articles of incorporation provide otherwise, if there is a vacancy on the board of directors it may be filled in the following manner: (i) the shareholders; (ii) the remaining directors; or (iii) if the directors constitute fewer than a quorum of the board, by an affirmative vote of the majority of the directors remaining in office. If the vacancy is held by a director elected by a vote of the shareholders, only the holders of shares of the same class as that of the director are entitled to vote to fill the vacancy. A vacancy that occurs on a specific later date may be filled by the shareholders, but the new director will not take office until that vacancy occurs.

Removal of Directors

Century Bancshares

Marshall & Ilsley

The MBCA provides that, unless otherwise provided in the articles, the bylaws or in a shareholder control agreement, a director may be removed at any time, with or without cause, if, (i) the director was named by the board to fill a vacancy; (ii) the

Under Wisconsin corporate law, shareholders of a corporation may remove a director without cause, unless the corporation's articles of incorporation or bylaws provide that a director may only be removed for cause. Marshall &

shareholders have not elected directors in the interval between the time of the appointment to fill a vacancy and the time of the removal; and (iii) a majority of the remaining directors present affirmatively vote to remove the director. Any one or all of the directors may be removed at any time by the affirmative vote of the holders of a majority of the voting power of all shares entitled to vote at an election of directors. However, if cumulative voting is authorized, which is not the case with Century Bancshares, unless the entire board is removed simultaneously, a director may not be removed if the number of votes sufficient to elect that director under cumulative voting is voted against the director's removal. Century Bancshares's articles of incorporation and bylaws do not contain provisions relating to the removal of directors.

articles of incorporation provide that a director may only be removed for cause and by an affirmative vote of two-thirds of the outstanding shares. "Cause" means solely malfeasance arising from the performance of a director's duties which has a material adverse effect on Marshall & Ilsley's business. Directors, if any, elected to hold Marshall & Ilsley preferred stock may be removed in accordance with the terms of that stock.

Nomination of Directors for Election

Century Bancshares

No procedure is set forth under Century Bancshares's articles of incorporation or bylaws for the nomination of directors for election.

Marshall & Ilsley

Marshall & Ilsley's bylaws provide that if a shareholder wishes to nominate a person to serve as a director, then the shareholder must give written notice of the nomination to Marshall & Ilsley. In order to be timely, a notice must be given to Marshall & Ilsley not less than 90 days before the anniversary date of the annual meeting of the shareholders in the immediately preceding year.

Notices given by shareholders must contain information regarding the name of the person to be nominated to the board of directors, the shareholder's name, address, and the number of shares owned, and other information specified in Marshall & Ilsley's bylaws.

Anti-Takeover Provisions

Century Bancshares

The MBCA protects certain corporations incorporated in Minnesota from hostile takeovers and abusive takeover tactics by preventing a person from engaging in specific transactions with the corporation or taking certain actions after that person has acquired a significant portion of the corporation's shares. These protections fall into three categories:

Marshall & Ilsley

Wisconsin corporate law protects corporations from hostile takeovers and abusive takeover tactics by preventing a person from engaging in specified transactions with the corporation or taking specific actions after that person has acquired a significant portion of the corporation's shares. These protections fall into three categories:

- . the business combination statute, which regulates specific types of transactions between issuing public corporations and interested shareholders;
- . the fair price statute, which regulates the price at which large shareholders may acquire additional shares of a publicly held corporation; and
- . the control share statute, which regulates the voting power of shares held by specified large shareholders of an issuing public corporation.

Century Bancshares is not a "publicly held corporation" because its shares are not registered pursuant to or subject to the Securities Exchange Act of 1934, and does not qualify as an "issuing public corporation" under the MBCA because it is not a "publicly held corporation," it has fewer than 100 shareholders and it has not elected to be an "issuing public corporation" by express amendment contained in its articles or bylaws. The protections afforded by the MBCA's anti-takeover provisions are therefore not applicable to Century Bancshares for purposes of this transaction.

- . the business combination statute, specified types of transactions with stockholders;
- . the fair price statute, which regulates the price at which large shareholders may acquire remaining shares of the corporation;
- . the control share statute, which regulates the voting power of shares held by specified shareholders.

The following section summarizes the relevant statutes.

Business combination statute. Wisconsin corporate law prohibits business combinations between some Wisconsin corporations, Marshall & Ilsley, and a person who is an interested stockholder. This prohibition lasts for three years after the date on which that person becomes an interested stockholder. Business combination prohibitions apply to mergers, share exchanges, sales of a corporation, liquidations, dissolutions, and specified transactions and stock issuances. An interested stockholder is a person who owns at least 10 percent of a corporation's outstanding shares, or is an affiliate or associate of the corporation who owns at least 10 percent of the corporation's shares at any time within the prior three-year period. The prohibition on business combinations does not apply if the corporation's board of directors approves either the business combination or the acquisition that caused the person to become an interested stockholder. The board's approval must be given before the date that the person becomes an interested stockholder. The prohibition on business combinations does not apply during the initial three-year period unless

- . the corporation's board of directors approves the share acquisition that caused the person to become an interested stockholder;
- . a majority of the corporation's board of directors, excluding the interested stockholder, approves the business combination;
- . the interested stockholder pays a price for the shares defined in the statute, for the shares acquired in the business combination; or
- . the business combination is specified in the statute.

from the prohibition on business combinations.

The business combination statutes do not apply to the merger, because the merger is not a business combination with an interested stockholder within the meaning of the business combination statutes.

Fair price statute. Wisconsin corporate law requires that business combinations between some Wisconsin corporations, including Marshall & Ilsley, and a person designated as a significant shareholder must be approved by 80 percent of all of the corporation's shareholders and two-thirds of all of the corporation's shareholders other than the significant shareholder. This requirement does not apply if the corporation's shareholders receive a fair price, as defined in the statute, for their shares from the significant shareholder in the business combination. A significant shareholder is a person who owns 10 percent or more of the corporation's outstanding shares or who is an affiliate of the corporation and owned at least 10 percent of the corporation's outstanding shares at any time within the prior two-year period.

The fair price statutes do not apply to the merger, because the merger is not a business combination with a significant shareholder within the meaning of the fair price statutes.

Control share statute. Under Wisconsin corporate law, if a person holds more than 20 percent of the outstanding shares of some Wisconsin corporations, including Marshall & Ilsley, then the voting power of the shares held by that person in excess of 20 percent of the corporation's outstanding shares is reduced to 10 percent of the voting power the excess shares would otherwise have had. The full voting power of the excess shares may be restored by a vote of a majority of the corporation's shares. The person seeking restoration of full voting power may vote on this resolution.

In addition to any other approvals required by law and by the articles of incorporation and bylaws, Marshall & Ilsley's articles of incorporation require that business combinations between Marshall & Ilsley and an interested stockholder be approved by:

- . the holders of 80 percent of Marshall & Ilsley's shares; or
- . the holders of two-thirds of Marshall & Ilsley's shares, other than the interested stockholder.

This requirement does not apply if business

combination with an interested stockholder is approved by a majority of disinterested directors or the shareholders receive a fair price, as defined in the articles of incorporation, for their shares and certain other conditions are satisfied.

Business combinations under Marshall & Ilsley's articles of incorporation generally include mergers, consolidations, sales of \$25,000,000 or more in assets, the issuance or transfer of \$25,000,000 or more in securities, liquidations, dissolutions, and reclassifications, recapitalizations and other transactions that have the effect of increasing the proportionate ownership interest of an interested stockholder. An interested stockholder is a person who owns at least 10 percent of Marshall & Ilsley's shares or who is an affiliate or associate of Marshall & Ilsley and owned at least 10 percent of Marshall & Ilsley's shares at any time within the prior two-year period. A disinterested director means a director who is not affiliated with the interested stockholder and who was either a director before the person became an interested stockholder or was elected or recommended for election by a majority of disinterested directors.

Shareholder Action Without a Meeting

Century Bancshares

In accordance with Section 302A.441 of the MBCA, Century Bancshares's bylaws provide that any action required or permitted to be taken at a shareholders' meeting may be taken without a meeting by written action signed by all of the shareholders entitled to vote on that action.

Marshall & Ilsley

Under Wisconsin corporate law, shareholders may take action required or permitted to be taken at a meeting without a meeting if a written consent is signed by all of the corporation's shareholders entitled to vote on the action, unless the corporation's articles of incorporation provide otherwise. Marshall & Ilsley's articles of incorporation do not provide otherwise.

Calling Special Meetings of Shareholders

Century Bancshares

Under the MBCA, special meetings of the shareholders may be called for any purpose at any time by (i) the chief executive officer; (ii) the chief financial officer; (iii) two or more directors; (iv) a person authorized in the articles or bylaws to do so; or (v) holders of 10% or more of the voting power of all shares entitled to vote. However, a special meeting for the purpose of considering any action to effect a business combination must be called by 25% or more of the voting power of all shares entitled to vote. The bylaws of Century Bancshares provide that a special meeting may be called in accordance with the provisions of the MBCA as described above.

Marshall & Ilsley

Under Wisconsin corporate law, a special meeting of shareholders may be called by the board of directors, by any person authorized in the corporation's articles of incorporation or bylaws to call a special meeting or upon the written demand of the holders of 10 percent of the votes entitled to be cast on the proposed to be considered at the special meeting. Marshall & Ilsley's bylaws provide that a special meeting of the shareholders may be called by the chief executive officer or the president of the corporation to a resolution approved by at least two-thirds of the board, except as otherwise provided in the Wisconsin Business Corporation Law (WBCL).

Submission of Shareholder Proposals

Century Bancshares

Marshall & Ilsley

The Century Bancshares bylaws do not set forth a procedure to be followed by a shareholder who wishes to bring business before the annual meeting.

Marshall & Ilsley's bylaws provide that a shareholder wishes to bring business before the annual meeting, then the shareholder must give timely notice of the business to Marshall & Ilsley. In order for the notice to be timely, a notice must:

- . be received by Marshall & Ilsley not less than 10 days before the anniversary date of the meeting of shareholders in the immediate preceding year; and
- . contain specified information, including a description of the business to be brought before the meeting and information about the shareholder making the proposal.

Notices given by shareholders must be in writing.

Notice of Shareholder Meetings

Century Bancshares

Marshall & Ilsley

The MBCA generally provides that notice of the date, time, and place of all meetings of shareholders must be given to every holder of shares entitled to vote at least 10 days before the date of the meeting, or a shorter time provided in the articles or bylaws, and not more than 60 days before the date of the meeting. If shareholders are entitled to vote on a plan of merger or exchange notice must be given at least 14 days before the date of the meeting. Century Bancshares's bylaws provide for written notice to be given to every holder of voting shares at least 14, but not more than 60, days before the date of all meeting of shareholders, except that written notice of a meeting at which an agreement of merger is to be considered must be given to all shareholders, no matter whether entitled to vote, at least 14 days prior to the meeting.

Under Wisconsin corporate law, a Wisconsin corporation must notify its shareholders of an annual or special meeting not less than 10 nor more than 60 days before the meeting, unless the corporation's articles of incorporation or bylaws provide otherwise. Marshall & Ilsley's bylaws provide that notice of an annual meeting or a special meeting must be delivered not less than 10 nor more than 14 days before the date of the meeting. Marshall & Ilsley's bylaws require that notice of a meeting must state the place, date and time of the meeting and the purposes for which the meeting is called. Notice of a special meeting must also state the purposes for which the meeting is called. Notice must be communicated in person, by telephone, by teletype, facsimile or other forms of electronic communication, by mail or private carrier or by electronic transmission.

Shareholder Vote Required for Mergers

Century Bancshares

Marshall & Ilsley

Under the MBCA, the board of directors of the corporation must approve a plan of merger and the shareholders entitled to vote must approve the plan of merger by the affirmative vote of the holders of a majority of the shares entitled to vote on the merger. Approval of this merger will, therefore, require an affirmative vote by the holders, in aggregate, of at

The WBCL provides that a merger to which a Wisconsin corporation is a party must be approved by the affirmative vote of the holders of a majority of the shares entitled to vote on the merger and the affirmative vote of the holders of a majority of the shares of each class or series entitled to vote separately on the merger, if any.

least 3,975,150 shares of Century Bancshares common stock. A class or series of shares is generally entitled to vote as a class or series if any provision of the plan, if contained in a proposed amendment to the articles, would entitle the class or series to vote as a class or series. However, a class or series of shares is not entitled to vote as a class or series solely because the plan effects a cancellation or exchange of the shares of that class or series if all outstanding shares of the corporation of all classes or series are cancelled or exchanged and the holders of that class or series are entitled to dissenters' rights, as is the case with the merger. Under Century Bancshares's bylaws, the holders of Series A and Series B shares of Century Bancshares common stock shall vote together, without regard to Series, in all matters, other than election of directors, to which shareholders are entitled to vote or give consent.

Approval of a plan of merger by the shareholders of the surviving corporation is not required.

. the articles of incorporation of the surviving corporation will not differ, except for the changes;

. the number of shares and the rights attached to the shares held by the surviving corporation's shareholders prior to the merger will not be changed immediately after the merger; and

. the number of shares of stock of the surviving corporation outstanding immediately after the merger plus the number of shares issued as a result of the merger will not be greater than 100 percent of the total number of shares of the surviving corporation outstanding immediately before the merger.

Because each of the requirements above is satisfied, approval of the merger by the shareholders of Marshall & Ilsley is not required.

A Minnesota corporation may not make a distribution if either: (i) the corporation will not be able to pay its debts in the ordinary course of business after making the distribution; (ii) all amounts payable to preferential shareholders are not paid; or (iii) the distribution would reduce the remaining net assets of the corporation below the amount payable to preferential shareholders in the event of liquidation. Century Bancshares's articles of incorporation do not authorize the issuance of a class of stock with preferential dividend rights. The corporation may therefore make a distribution if the distribution will not render Century Bancshares unable to pay its debts in the ordinary course of

Under the WBCL, distributions are made at the discretion of the board of directors of the corporation. The board may authorize, in its discretion, the corporation may make distributions to its shareholders, including in connection with the repurchase of the corporation's shares, in an amount determined by the board, unless:

Dissenters' Rights

Century Bancshares

The MBCA provides that shareholders of a corporation are generally entitled to dissent from, and obtain payment of the fair value of their shares in the event of, any of the following corporate actions: Neither the articles of incorporation nor the bylaws of Century Bancshares provide for any other actions which would entitle shareholders to additional dissenters' rights.

- . an amendment of the articles that materially and adversely affects the dissenting shareholders' preferential rights, right to redemption of the shares, preemptive right to acquire shares or other securities, or right to vote on a matter or to cumulate votes;
- . a sale, lease, transfer or other disposition of all or substantially all of the property and assets of the corporation if the shareholder is entitled to vote on the disposition, except in the case of a dissolution, a disposition pursuant to a court order, or a disposition for cash the net proceeds of which will be distributed to the shareholders within one year;

Marshall & Ilsley

Under Wisconsin corporate law, a shareholder may dissent from, and obtain payment of the fair value of his or her shares in the event of, any of the following corporate actions: the sale of all or substantially all of the property other than in the usual and ordinary course of business. However, dissenters' rights are not available to holders of shares, including Ilsley shares, that are registered on a securities exchange or quoted on the NASDAQ National Association of Securities Dealers, Inc. Quotations System, unless the transaction is a business combination involving a significant acquisition of a shareholder or the corporation's articles of incorporation provide otherwise.

Because Marshall & Ilsley shareholders do not have the right to vote on the merger, they do not have dissenters' rights with respect to the merger under Wisconsin corporate law. Ilsley's articles of incorporation do not provide for dissenters' rights with respect to the merger.

Neither the articles of incorporation nor the bylaws of Century Bancshares provide for any other actions which would entitle shareholders to additional dissenters' rights.

Because Century Bancshares is not the surviving corporation in the merger, dissenters' rights are available. See "The Merger-Dissenters' Rights."

Shareholder Preemptive Rights

Century Bancshares

Marshall & Ilsley

Under the MBCA, unless denied or limited in the articles of incorporation, a shareholder has a preemptive right whenever the corporation proposes to issue new or additional shares or rights to purchase shares of the same series or class held by the shareholder, with, unless otherwise provided in the articles, the following exceptions:

- . shares or rights to purchase shares issued for a consideration other than money;
- . shares or rights to purchase shares issued pursuant to a plan of merger or exchange;
- . shares or rights to purchase shares issued pursuant to an employee or incentive benefit plan approved by the shareholders;
- . shares or rights to purchase shares issued upon exercise of previously issued rights to purchase securities of the corporation;
- . shares or rights to purchase shares issued pursuant to a public offering of the corporation's securities or rights to purchase securities; or
- . shares or rights to purchase shares issued pursuant to a court approved plan of reorganization.

The articles of incorporation of Century Bancshares do not deny, limit, or otherwise provide for preemptive rights. Thus, according to the MBCA as described above, Century Bancshares's

Under Wisconsin corporate law, subject to specified limitations, holders of shares authorized before 1991 have preemptive rights to acquire a corporation's unissued shares. Shareholder Class Voting Rights

Century Bancshares

Marshall & Ilsley

Under the MBCA, holders of a particular class or series of shares are entitled to vote as a separate class or series on certain amendments to the articles of incorporation that uniquely affect the rights of the holders of that class or series or the attributes of that class or series, and, as described above, on certain plans of merger. The MBCA provides that in any case where a class or series of shares is entitled by the MBCA, the articles of incorporation or the terms of the shares to vote as a class or series, the matter being voted upon must also receive the affirmative vote of the holders of the same proportion of the shares represented of that class or series, or the total outstanding shares of that class or series, as required for approval by all of the voting shareholders of the corporation.

The outstanding Series A and Series B shares of Century Bancshares common stock will vote on the merger as a single series. No shares of Century Bancshares capital stock have the right to vote on the merger as a separate class or series.

Under Sections 180.1004 and 180.1005, WBCCL, holders of a particular class or series of shares are entitled to vote as a separate class or series on certain amendments to the articles of incorporation. Under Section 180.1005, the presence or absence of a dissenting voting group affects the right of the holders of shares to vote on amendments to a corporation's articles of incorporation. If a voting group would exercise dissenters' rights as a result of the amendments, a majority of the votes entitled to be cast by the voting group is required for adoption of the amendments.

Indemnification

Century Bancshares

Marshall & Ilsley

Unless limited by the articles of incorporation or bylaws, the MBCA provides for mandatory indemnification of a director, officer, committee member or employee made or threatened to be made a party to a proceeding by reason of that person's former or present official capacity in the corporation against certain liabilities and expenses if all of the following apply:

- . the individual has not otherwise been indemnified against the same liabilities or expenses;
- . the individual acted in good faith;
- . the individual received no improper personal benefit and, if applicable, the MBCA's

Wisconsin corporate law requires a corporation to indemnify a director or officer to the extent that he or she has been successful on the merits or in the defense of a proceeding for all expenses that he or she incurred in that proceeding if the director or officer was a party to the proceeding and is or was a director or officer of the corporation. Indemnification is also required in other cases unless the director or officer is precluded from performing a duty that he or she owes to the corporation and the breach or failure to perform a duty is one of the following:

- . a willful failure to deal fairly with the corporation or its shareholders in connection with

requirements with respect to conflicts of interest were satisfied;

. in the case of a criminal proceeding, the individual had no reasonable cause to believe that the conduct was unlawful; and depending on the capacity in which the individual is serving, the individual

which the director or officer has a of interest;

. a violation of criminal law, unless officer had reasonable cause to believe her conduct was lawful or no reasonable cause to believe that his or her conduct was

. a transaction from which the director or officer derived an improper personal benefit

. willful misconduct.

. depending on the capacity in which the individual is serving, the individual either reasonably believed the conduct was in the best interests of the corporation or reasonably believed that the conduct was not opposed to the best of interests of the corporation.

A person requesting indemnification is entitled to the payment or reimbursement by the corporation for reasonable expenses in advance of the final disposition of the proceeding if (i) he or she provides to the corporation a written affirmation of his or her good faith belief that the criteria for indemnification have been satisfied and a written undertaking to repay all amounts so advanced if it is ultimately determined that the criteria for indemnification have not been satisfied; (ii) a determination is made that indemnification is not precluded based on the facts then known; and (iii) such advances are not prohibited by article or bylaw provisions equally applicable to all members of such person's class.

Century Bancshares's bylaws provide that the company will indemnify its directors, officers and employees for expenses and liabilities to the extent provided in the MBCA, as described above.

Limitations on Directors' Liability

Century Bancshares

The MBCA provides that the articles of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its shareholders for monetary damages for breach of fiduciary duty as a director, provided that the provision does not eliminate or limit the liability of a director for:

Wisconsin corporate law allows a corporation to limit its obligation to indemnify directors and officers, but Marshall & Ilsley's articles of incorporation do not limit Marshall & Ilsley's obligation to indemnify its directors

Wisconsin corporate law also permits a corporation to provide directors and officers with additional rights of indemnification, including the conduct described above, in the articles of incorporation or bylaws, by a resolution of the board of directors or a majority vote of the shareholders or by written agreement. Marshall & Ilsley's bylaws provide for indemnification of directors and officers to the fullest extent permitted by law and set forth procedural requirements for requesting indemnification. If a director or officer provides Marshall & Ilsley with a written affirmation of his or her good faith belief that he or she has not breached or failed to perform his or her duties in the manner listed above and a written undertaking to repay Marshall & Ilsley if he or she is found liable for indemnification, then Marshall & Ilsley will pay or reimburse the director or officer for reasonable expenses as incurred.

Marshall & Ilsley

Under Wisconsin corporate law, a director or officer is liable to the corporation, its shareholders and its creditors for monetary damages or monetary liabilities arising from a breach of fiduciary duty or failure to perform any duty resulting solely from or her status as a director, unless the bylaws

- . a breach of the director's duty of loyalty to the corporation or its shareholders;
- . acts or omissions not in good faith or which involved intentional misconduct or a knowing violation of law;

constitutes:

- . a willful failure to deal fairly with the corporation or its shareholders in connection with a transaction in which the director has a material conflict of interest;
- . a violation of criminal law, unless there was reasonable cause to believe that his or her conduct was lawful or no reasonable cause to believe that his or her conduct was unlawful;

- . a transaction from which the director derived an improper personal benefit;
- . an unlawful sale of a security or an unlawful distribution to shareholders; or
- . an act or omission occurring prior to the date when the provision in the articles of incorporation became effective.

- . a transaction from which the director derived an improper personal profit; or
- . willful misconduct.

Century Bancshares articles of incorporation limit the liability of directors for breach of fiduciary duty as a director to the full extent allowed under the MBCA, as described above.

Under Wisconsin corporate law, a director, in discharging his or her duties to the corporation and determining what he or she is in the best interests of the corporation, in addition to considering the effects of the action on the shareholders, consider:

Under the MBCA, a director, in determining what is in the best interests of the corporation, may consider the following interests:

- . the effects of the action on employees, suppliers, and customers of the corporation;
- . the effects of the action on the community in which the corporation operates; and
- . any other factors that the director considers pertinent.

- . the corporation's employees, suppliers, creditors and customers;
- . the economy of the state and nation;
- . community and societal considerations; and
- . the long-term, as well as short-term, interests of the corporation and its shareholders, including the possibility that these interests may be best served by the continued independence of the corporation.

Amendment of Articles of Incorporation

Century Bancshares

Marshall & Ilsley

Under the MBCA, an amendment of the articles of incorporation must be approved by the affirmative vote of the majority of the directors present at a duly held board meeting or proposed by a shareholder

Under Wisconsin corporate law, the directors of a corporation may propose to amend a corporation's articles of incorporation to establish conditions for the submission of

The proposed or approved resolution must then be submitted to a shareholder vote at the next regular meeting or special meeting of the shareholders, except that certain amendments effected in connection with stock dividends, stock splits and reverse stock splits require only board approval. Generally, a proposed amendment to the articles requiring shareholder approval is adopted if approved by the affirmative vote of a majority of the voting power of the shares present and entitled to vote, or by a larger percentage if required by the articles. For a corporation having more than 35 shareholders, if the articles provide for a larger percentage to transact a specified type of business, the vote of that larger percentage is required to amend the articles to decrease percentage is required to amend the articles to decrease the percentage necessary to transact that business. Under circumstances, Wisconsin corporate law requires amendments to a corporation's articles of incorporation must be approved by both the directors of the corporation and its shareholders. However, any amendment to the articles of incorporation of a corporation organized under Wisconsin law on or after January 1, 1973 which did not expressly provide for a greater voting requirement must be approved by the affirmative vote of two-thirds of the voting power at a meeting called for that purpose. The articles of incorporation of Ilsley's articles of incorporation were amended prior to January 1, 1991 to reduce the voting requirement to amend its articles of incorporation to

Amendment of Bylaws

Century Bancshares

Marshall & Ilsley

Under the MBCA, the power to adopt, amend or repeal the bylaws is vested in the board unless reserved by the articles of incorporation to the shareholders. The power of the board is subject to the power of a shareholder or shareholders holding 3% or more of the voting power of the shares entitled to vote to propose a resolution for action by the shareholders to adopt, amend or repeal bylaws adopted, amended or repealed by the board. The board may not adopt, amend or repeal a bylaw fixing a quorum for meetings of shareholders, prescribing procedures for removing directors or filling vacancies in the board, or fixing the number of directors or their classifications, qualifications or terms of office, but may adopt or amend a bylaw to increase the number of directors. The articles of incorporation of Century Bancshares provide that the board of directors has the authority to make or alter the bylaws of the corporation, except to the extent otherwise limited by the MBCA.

AGREEMENT AND PLAN OF MERGER, dated as of December 3, 2001 (the "Agreement"), between Century Bancshares, Inc., a Minnesota corporation (the "Seller") and Marshall & Ilsley Corporation, a Wisconsin corporation (the "Company").

WHEREAS, the Boards of Directors of the Company and the Seller have each determined that it is fair to and in the best interests of their respective shareholders for the Seller to merge with and into the Company (the "Merger") upon the terms and subject to the conditions set forth herein and in accordance with the Minnesota Business Corporation Act (the "MBCA") and the Wisconsin Business Corporation Law (the "WBCL");

WHEREAS, the respective Boards of Directors of the Company and the Seller have each approved the Merger of the Seller with and into the Company, upon the terms and subject to the conditions set forth herein, and adopted and approved this Agreement and the Plan of Merger (as hereafter defined);

WHEREAS, subsequent to the approval of this Agreement and the Plan of Merger by Seller's Board of Directors and concurrently with the execution of this Agreement and as a condition and an inducement to the willingness of the Company to enter into this Agreement, the Company and certain shareholders of the Seller have entered into an agreement pursuant to which each such shareholder has agreed to vote his or her shares of Seller Common Stock in favor of the Merger;

WHEREAS, for federal income tax purposes, it is intended that the Merger shall qualify as a reorganization under the provisions of Section 368 of the Internal Revenue Code of 1986, as amended (the "Code"), and this Agreement shall constitute the plan of reorganization;

WHEREAS, for financial accounting purposes it is intended that the Merger shall be accounted for as a purchase.

NOW, THEREFORE, in consideration of the foregoing premises and the representations, warranties and agreements contained herein, and subject to the terms and conditions set forth herein, the parties hereto hereby agree as follows:

ARTICLE I--THE MERGER

SECTION 1.1 The Merger. Upon the terms and subject to the conditions set forth in this Agreement, and in accordance with the MBCA, the WBCL and the Plan of Merger attached hereto as Exhibit 1.1 (the "Plan of Merger"), at the Effective Time (as defined in Section 1.2) Seller shall be merged with and into the Company. As a result of the Merger, the separate corporate existence of Seller shall cease and the Company shall continue as the surviving corporation of the Merger (the "Surviving Corporation").

SECTION 1.2 Effective Time. As promptly as practicable after the satisfaction or, if permissible, waiver of the conditions set forth in Article VII, the parties hereto shall cause the Merger to be consummated by filing articles of merger (the "Articles of Merger") with the Secretary of State of the State of Minnesota (the "Minnesota Secretary of State") and the Department of Financial Institutions of the State of Wisconsin (the "DFI"), in such form as required by, and executed in accordance with the relevant provisions of, the MBCA and the WBCL (the date and time of the later of such filing with the Minnesota Secretary of State or the DFI is referred to herein as the "Effective

Time").

SECTION 1.3 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in this Agreement and the applicable provisions of the MBCA and the WBCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, except as otherwise provided herein, all the property, rights, privileges, immunities, powers and franchises of the Company and the Seller shall vest in the Surviving

Corporation, and all debts, liabilities and duties of the Company and the Seller shall become the debts, liabilities and duties of the Surviving Corporation.

SECTION 1.4 Articles of Incorporation; By-Laws. At the Effective Time, the Articles of Incorporation, as amended, of the Company (the "Company Articles") and the By-Laws, as amended, of the Company (the "Company By-Laws"), as in effect immediately prior to the Effective Time, shall be the Articles of Incorporation and the By-Laws of the Surviving Corporation.

SECTION 1.5 Directors and Officers. At the Effective Time, the directors of the Company immediately prior to the Effective Time shall be the initial directors of the Surviving Corporation, each to hold office in accordance with the Articles of Incorporation and By-Laws of the Surviving Corporation and to be assigned to the class previously assigned. At the Effective Time, the officers of the Company immediately prior to the Effective Time, shall be the initial officers of the Surviving Corporation, in each case until their respective successors are duly elected or appointed.

SECTION 1.6 Merger Consideration

(a) The aggregate dollar value of the merger consideration shall be \$66,000,000 minus the Option Payment Amount as defined in (c) below (the "Merger Consideration"). The Merger Consideration shall consist of shares of common stock, par value \$1.00 per share, of the Company ("Company Common Stock"); provided, however, that up to \$30,000,000 minus the Option Payment Amount (the "Cash Amount") of the Merger Consideration may be payable in cash at the election of holders of the Seller Common Stock (as hereinafter defined). For purposes of valuing the Company Common Stock as part of the Merger Consideration, one share of Company Common Stock will be deemed to have a value equal to the average of the average high and low sale price per share of Company Common Stock on the New York Stock Exchange (the "NYSE") as reported in the Midwest Edition of The Wall Street Journal for the ten (10) consecutive trading days ending on and including the second trading day preceding the Effective Time (the "Average Trading Price"). The Company agrees that all of the Company's purchases of Company Common Stock shall be in accordance with Regulation M of the Exchange Act.

(b) The "Per Share Merger Consideration" shall be an amount equal to the aggregate value of the Merger Consideration divided by the total number of shares of Series A common stock, \$.01 par value, and Series B common stock, \$.01 par value, of the Seller (collectively, the "Seller Common Stock") issued and outstanding immediately prior to the Effective Time (the "Outstanding Seller Common Stock").

(c) The "Option Payment Amount" shall be an amount equal to (A) the number of shares of Seller Common Stock subject to options immediately prior to the Effective Time (such options are referred to collectively as the "Outstanding Options") multiplied by \$7.398 (such product to be rounded to the nearest whole

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

cent), minus (B) the aggregate exercise price of all Outstanding Options.

SECTION 1.7 Conversion of Securities; Dissenting Shares. Subject to Section 1.7(h) regarding fractional shares, at the Effective Time, by virtue of the Merger and without action on the part of the Company, the Seller or the holders of the Seller's securities:

(a) Each share of Seller Common Stock issued and outstanding immediately prior to the Effective Time, other than Shares owned by the Company or any direct or indirect wholly owned Company Subsidiary or Seller Subsidiary for its own account (all such shares of Seller Common Stock issued and outstanding immediately prior to the Effective Time being referred to herein as the "Shares") and other than Dissenting Shares (as defined in Section 1.7(j)), shall be converted into the right to receive a number of shares of Company Common Stock, determined by dividing the Per Share Merger Consideration by the Average Trading Price and rounding the result to the nearest one thousandth of a share (the "Stock Consideration"); provided, however, that, subject to the election and allocation procedures set forth in this Section 1.7, each holder of such Shares will be entitled,

A-2

with respect to the Merger Consideration to be received for each such Share held by the holder, to elect to receive cash from the Company, without interest (a "Cash Election"), in an amount equal to the Per Share Merger Consideration (the "Cash Consideration").

(b) The number of Shares which may be converted into the right to receive the Cash Consideration in the Merger shall be no more than (i) the Cash Amount divided by the Per Share Merger Consideration (rounded down to the nearest whole number) minus (ii) the total number of Dissenting Shares, if any (the "Cash Election Number").

(c) If the aggregate number of Shares covered by Cash Elections (the "Cash Election Shares") exceeds the Cash Election Number, each Cash Election Share shall be converted, at the Effective Time, into the right to receive (i) an amount in cash, without interest, equal to the product of (x) the Per Share Merger Consideration and (y) a fraction (the "Cash Fraction"), the numerator of which shall be the Cash Election Number and the denominator of which shall be the total number of Cash Election Shares, and (ii) a number of shares of Company Common Stock equal to the product of (x) the Stock Consideration and (y) a fraction equal to one minus the Cash Fraction.

(d) In the event that Section 1.7(c) above is inapplicable, all Cash Election Shares shall be converted, at the Effective Time, into the right to receive the Cash Consideration and all other Shares, other than Dissenting Shares, shall be converted, at the Effective Time, into the right to receive the Stock Consideration.

(e) All Cash Elections shall be made on a form designed for that purpose and mutually acceptable to the Company and Seller (a "Form of Election") and mailed to holders of record of Shares as of the record date for the Seller Shareholders' Meeting (as defined below) or such other date as the Company and the Seller shall mutually agree (the "Election Form Record Date"). The Company and the Seller shall make available one or more Election Forms as may be reasonably requested by all persons who become holders of record of Shares between the Election Form Record Date and the Election Deadline (as defined below). Elections shall be made by submitting to the Exchange Agent (as defined below) a duly completed Form of Election. To be effective, a Form of Election must be properly completed, signed and submitted to the Exchange Agent in

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

accordance with Section 1.7(f). The Company will have the discretion, which it may delegate in whole or in part to the Exchange Agent, to reasonably determine whether Forms of Election have been properly completed, signed and submitted or revoked and to disregard immaterial defects in Forms of Election. The decision of the Company (or the Exchange Agent) shall be conclusive and binding. Neither the Company nor the Exchange Agent will be under any obligation to notify any person of any defect in a Form of Election submitted to the Exchange Agent. The Exchange Agent shall also make all computations contemplated by this Section 1.7 and all computations shall be conclusive and binding on the holders of Shares.

(f) A Form of Election must be received by the Exchange Agent by the close of business of the last business day prior to the date of the Seller Shareholders' Meeting in order to be effective. Such time on such date shall hereinafter be referred to as the "Election Deadline." Any holder of Shares who has made an election may at any time prior to the Election Deadline change or withdraw its election by written notice to the Exchange Agent prior to the Election Deadline. As soon as practicable after the Election Deadline, the Exchange Agent shall determine the allocation of the cash portion of the Merger Consideration and the stock portion of the Merger Consideration and shall notify the Company of its determination.

(g) The Shares of a holder who does not submit a Form of Election which is received by the Exchange Agent prior to the Election Deadline (other than Dissenting Shares) shall be converted into the right to receive the Stock Consideration at the Effective Time. If the Company or the Exchange Agent shall determine that any purported Cash Election was not properly made, the purported Cash Election shall be deemed to be of no force and effect and the Shares of the holder making such purported Cash Election shall be converted into the right to receive the Stock Consideration at the Effective Time.

A-3

(h) No fractional shares of Company Common Stock shall be issued in the Merger. All fractional shares of Company Common Stock that a holder of any Shares would otherwise be entitled to receive as a result of the Merger shall be aggregated. If a fractional share of Company Common Stock results from the aggregation, the holder shall be entitled to receive, in lieu thereof, a cash amount, without interest, determined by multiplying the Average Trading Price by the fraction of a share of Company Common Stock to which the holder would otherwise have been entitled. As promptly as practicable after the determination of the amount of cash, if any, to be paid to holders of fractional share interests, the Exchange Agent shall so notify the Company, and the Company shall deposit that amount with the Exchange Agent and shall cause the Exchange Agent to forward payments to the holders of fractional share interests, subject to and in accordance with the terms of this Section 1.7.

(i) Each share of Seller Common Stock held by the Company or any direct or indirect wholly owned Company Subsidiary or Seller Subsidiary for its own account shall be canceled and extinguished at the Effective Time without conversion thereof into the Merger Consideration or payment therefor.

(j) Notwithstanding anything in this Agreement to the contrary, shares of Seller Common Stock which are issued and outstanding immediately prior to the Effective Time and which are held by shareholders or beneficial owners who have validly exercised and perfected dissenter's rights with respect to those Shares under Sections 302A.471 and 302A.473 of the MBCA and have not withdrawn or lost such rights (the "Dissenting Shares") shall not be converted into or be exchangeable for the right to receive the Merger Consideration in accordance with this Section 1.7, unless and until such holders or beneficial owners shall

have failed to perfect or shall have effectively withdrawn or lost their dissenter's rights with respect to such Dissenting Shares under the MBCA. Dissenting Shares shall be treated in accordance with Sections 302A.471 and 302A.473 of the MBCA, if and to the extent applicable. If, after the Effective Time, any such holder or beneficial owner shall have failed to perfect or shall have effectively withdrawn or lost such right to dissent with respect to any Dissenting Shares, such Dissenting Shares shall thereupon be treated as if they had been converted into and become exchangeable only for the right to receive, as of the Effective Time, the Stock Consideration in accordance with this Section 1.7, without any interest thereon. Seller shall give the Company (a) prompt notice of each and every notice of a shareholder's or beneficial owner's intent to demand payment of the "fair value" of the shareholder's or beneficial owner's Shares, attempted withdrawals of such demands, and any other instruments served pursuant to the MBCA and received by the Seller relating to rights to be paid the "fair value" of Shares, as provided in Sections 302A.471 and 302A.473 of the MBCA and (b) the opportunity to direct all negotiations and proceedings with respect to such demands for "fair value." Seller shall not, except with the prior written consent of the Company, voluntarily make any payment with respect to, offer to settle or settle, or approve any withdrawal of any such demands for "fair value."

(k) Each option to purchase shares of Seller Common Stock (each, a "Seller Option") outstanding under any stock option plan immediately prior to the Effective Time, whether or not vested or exercisable, shall be converted into the right to receive cash from the Company in an amount equal to (A) the number of shares of Seller Common Stock subject to such Seller Option multiplied by (B) \$7.398 (the product of (A) and (B) shall be rounded to the nearest whole cent), minus (C) the aggregate exercise price for such Seller Option. After the Effective Time, each Seller Option shall represent only the right to receive the cash amount described above and shall not represent a right to receive any securities of the Company.

SECTION 1.8 Exchange of Certificates.

(a) Exchange Agent. The Company shall deposit, or shall cause to be deposited, from time to time, with a bank or trust company designated by the Company and which may be an affiliate of the Company (the "Exchange Agent"), for the benefit of the holders of Shares, for exchange in accordance with this Article I, through the Exchange Agent, the Merger Consideration, together with any dividends or distributions with respect thereto, if any, to be paid in respect of Shares pursuant to this Article I (the "Exchange Fund"). Such deposits shall be made after the Effective Time as requested by the Exchange Agent in order for the Exchange Agent to promptly deliver the Merger Consideration.

A-4

(b) Exchange Procedures. As soon as reasonably practicable after the Effective Time, the Exchange Agent shall mail to each holder of record of a certificate representing Shares which were converted into the right to receive the Merger Consideration pursuant to Section 1.7 (each, a "Certificate" and collectively, the "Certificates"), (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and shall be in such form and have such other provisions as the Company may reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration. Upon surrender of a Certificate for cancellation to the Exchange Agent together with such letter of transmittal, duly executed, the holder of such Certificate shall be entitled to receive in exchange therefor the Merger Consideration and any

unpaid dividends and distributions thereon as provided in this Article I, which such holder has the right to receive in respect of the Certificate surrendered pursuant to the provisions of this Article I, and the Certificate so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Shares which is not registered in the transfer records of the Seller, a transferee may exchange the Certificate representing such Shares for the Merger Consideration and any unpaid dividends and distributions thereon as provided in this Article I if the Certificate representing such Shares is presented to the Exchange Agent, accompanied by all documents required to evidence and effect such transfer and by evidence that any applicable stock transfer taxes have been paid. In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and the posting by such person of a bond in such amount as the Company may direct as indemnity against any claim that may be made against it or the Exchange Agent with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration and any unpaid dividends and distributions thereon as provided in this Article I, which such holder would have had the right to receive in respect of such lost, stolen or destroyed Certificate. Until surrendered as contemplated by this Section 1.8, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration and any unpaid dividends and distributions thereon as provided in this Article I.

(c) Distributions with Respect to Unexchanged Shares. No dividends or other distributions declared or made after the Effective Time with respect to Company Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of Company Common Stock issuable in exchange for the Shares represented thereby, and no cash payment in lieu of fractional shares shall be paid to any such holder pursuant to Section 1.7(h), until the holder of such Certificate shall surrender such Certificate. Subject to the effect of applicable laws, following surrender of any such Certificate, there shall be paid to the holder of the certificates representing whole shares of Company Common Stock issued in exchange therefor, without interest, (i) promptly, the amount of any cash payable with respect to a fractional share of Company Common Stock to which such holder is entitled pursuant to Section 1.7(h) and the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole shares of Company Common Stock, and (ii) at the appropriate payment date, the amount of dividends or other distributions, with a record date after the Effective Time but prior to surrender and a payment date occurring after surrender, payable with respect to such whole shares of Company Common Stock.

(d) No Further Rights in the Shares. All Merger Consideration issued or paid upon conversion of the Shares in accordance with the terms hereof (including any cash paid pursuant to Section 1.7(h)) shall be deemed to have been issued or paid in full satisfaction of all rights pertaining to such Shares.

(e) Termination of Exchange Fund. Any portion of the Exchange Fund which remains undistributed to the former shareholders of Seller for six (6) months after the Effective Time shall be delivered to the Company, upon demand, and any former shareholders of Seller who have not theretofore complied with this Article I shall thereafter look only to the Company to claim the Merger Consideration to which they are entitled, any cash in lieu of fractional shares of Company Common Stock and any dividends or distributions with respect to Company Common Stock, in each case without interest thereon, and subject to Section 1.8(f).

(f) No Liability. Neither the Company nor the Seller shall be liable to any former holder of Shares for any shares of Company Common Stock (or dividends or distributions with respect thereto) or cash or other payment delivered to a public official pursuant to any abandoned property, escheat or similar laws.

(g) Withholding Rights. The Company shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any former holder of Shares or any holder of Seller Options such amounts as the Company is required to deduct and withhold with respect to the making of such payment under the Code, or any provision of state, local or foreign tax law. To the extent that amounts are so withheld by the Company, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the former holder of the Shares or the former holder of Seller Options, as the case may be, in respect of which such deduction and withholding was made by the Company.

SECTION 1.9 Stock Transfer Books. At the Effective Time, the stock transfer books of Seller shall be closed and there shall be no further registration of transfers of shares of Seller Common Stock thereafter on the records of Seller. From and after the Effective Time, the holders of certificates evidencing ownership of shares of Seller Common Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Shares except as otherwise provided herein or by law. On or after the Effective Time, any Certificates presented to the Exchange Agent or the Company for any reason shall be converted into the Merger Consideration in accordance with this Article I.

SECTION 1.10 Adjustments for Dilution and Other Matters. If, after the date of this Agreement and during the period in which the Average Trading Price is determined, the Company shall declare a stock dividend or distribution upon or subdivide, split up, reclassify or combine the Company Common Stock or declare a dividend or make a distribution on the Company Common Stock in any security convertible into Company Common Stock, appropriate adjustment or adjustments, if any, will be made to the Merger Consideration and the Stock Consideration determined pursuant to Sections 1.6(a) and 1.7(a).

SECTION 1.11 Company Common Stock. The shares of Company Common Stock issued and outstanding immediately prior to the Effective Time shall be unaffected by the Merger and, at the Effective Time, such shares shall remain issued and outstanding.

ARTICLE II--REPRESENTATIONS AND WARRANTIES OF SELLER

Except as set forth in the Disclosure Schedule delivered by Seller to the Company prior to the execution of this Agreement (the "Seller Disclosure Schedule"), which shall identify exceptions by specific Section references, Seller hereby represents and warrants to the Company that:

SECTION 2.1 Organization and Qualification; Subsidiaries.

(a) Seller is a corporation duly organized, validly existing and in good standing under the laws of the State of Minnesota, and is a registered financial holding company under the Bank Holding Company Act of 1956, as amended (the "BHCA"). Each subsidiary of Seller ("Seller Subsidiary," or collectively the "Seller Subsidiaries") is a federally chartered national bank or a corporation duly organized, validly existing and in good standing under the laws of the state of its incorporation or organization. Each of Seller and the Seller Subsidiaries has the requisite corporate power and authority and is in possession of all franchises, grants, authorizations, licenses, permits,

easements, consents, certificates, approvals and orders ("Seller Approvals") necessary to own, lease and operate its properties and to carry on its business as it is now being conducted, including appropriate authorizations from the Board of Governors of the Federal Reserve System (the "Federal Reserve Board"), the Office of the Comptroller of the Currency (the "OCC"), the Federal Deposit Insurance Corporation (the "FDIC"), the Minnesota Secretary of State and the Minnesota Department of Commerce, and neither Seller nor any Seller Subsidiary has received any notice of proceedings relating to the revocation or modification of any Seller

Approvals, except in each case where the revocations or modifications, or the failure to have such power, authority and Seller Approvals would not, individually or in the aggregate, have a Material Adverse Effect (as defined in Section 2.1(d)) on Seller and Seller Subsidiaries, taken as a whole.

(b) Seller and each Seller Subsidiary is duly qualified or licensed as a foreign corporation or foreign limited liability company to do business, and is in good standing, in each jurisdiction where the character of its properties owned, leased or operated by it or the nature of its activities makes such qualification or licensing necessary, except for such failures to be so duly qualified or licensed and in good standing that would not, either individually or in the aggregate, have a Material Adverse Effect on Seller or Seller Subsidiaries, taken as a whole.

(c) A true and complete list of all of the Seller Subsidiaries, together with (i) the Seller's percentage ownership of each Seller Subsidiary and (ii) laws under which the Seller Subsidiary is incorporated or organized is set forth on Annex A. Except as set forth on Annex A, Seller and/or one or more of the Seller Subsidiaries owns beneficially and of record all of the outstanding shares of capital stock or limited liability company interests of each of the Seller Subsidiaries. Except for the subsidiaries set forth on Annex A, Seller does not directly or indirectly own any equity or similar interests in, or any interests convertible into or exchangeable or exercisable for any equity or similar interest in, any corporation, partnership, joint venture or other business association or entity other than in the ordinary course of business, and in no event in excess of 5% of the outstanding equity securities of such entity.

(d) As used in this Agreement, the term "Material Adverse Effect" means, with respect to the Company or the Seller, as the case may be, any effect that (i) is material and adverse to the business, assets, liabilities, results of operations or financial condition of the Company and the Company Subsidiaries (as defined in Section 3.1(a)) taken as a whole or the Seller and Seller Subsidiaries taken as a whole, respectively, or (ii) materially impairs the ability of the Company or Seller, respectively, to consummate the transactions contemplated hereby; provided, however, that Material Adverse Effect shall not be deemed to include the impact of (a) compliance with the terms of, or the taking of actions contemplated by, this Agreement, (b) changes in laws and regulations or interpretations thereof that are generally applicable to the banking industry, (c) changes in generally accepted accounting principles that are generally applicable to the banking industry, (d) reasonable expenses incurred in connection with the transactions contemplated hereby, and (e) changes attributable to or resulting from changes in general economic conditions affecting banks or their holding companies generally, including changes in the prevailing level of interest rates.

(e) The minute books of the Seller and each of the Seller Subsidiaries contain true, complete and accurate records in all material respects of all

meetings and other corporate actions held or taken since January 1, 1998, of their respective shareholders and Boards of Directors (including committees of their respective Boards of Directors).

SECTION 2.2 Articles of Incorporation and By-Laws. Seller has heretofore furnished to the Company a complete and correct copy of the Articles of Incorporation and the By-Laws, as amended or restated, of Seller ("Seller Articles" and "Seller By-Laws," respectively) and the Articles of Incorporation and the By-Laws of each Seller Subsidiary (the "Subsidiary Organizational Documents"). The Seller Articles, the Seller By-Laws and the Subsidiary Organizational Documents are in full force and effect. Neither Seller nor any Seller Subsidiary is in violation of any of the provisions of the Seller Articles, the Seller By-Laws or the Subsidiary Organizational Documents.

SECTION 2.3 Capitalization. The authorized capital stock of Seller consists of 5,000,000 shares of Series A Seller Common Stock and 15,000,000 shares of Series B Seller Common Stock. As of the date of this Agreement, (i) 2,499,709 shares of Series A Seller Common Stock and 5,450,590 shares of Series B Seller Common Stock are issued and outstanding, all of which are duly authorized, validly issued, fully paid and non-assessable, and not issued in violation of any preemptive right of any Seller shareholder and (ii) 1,310,425 shares

A-7

of Seller Common Stock are reserved for future issuance pursuant to outstanding stock options issued pursuant to Seller's stock option plans. Except as set forth in clause (ii), above, there are no outstanding options, warrants or other rights, agreements, arrangements or commitments of any character, including without limitation voting agreements or arrangements, relating to the issued or unissued capital stock or limited liability company interests of Seller or any Seller Subsidiary or obligating Seller or any Seller Subsidiary to issue or sell any shares of capital stock or limited liability company interests of, or other equity interests in, Seller or any Seller Subsidiary. All shares of Seller Common Stock subject to issuance as aforesaid, upon issuance on the terms and conditions specified in the instruments pursuant to which they are issuable, shall be duly authorized, validly issued, fully paid and non-assessable. There are no obligations, contingent or otherwise, of Seller or any Seller Subsidiary to repurchase, redeem or otherwise acquire any shares of Seller Common Stock or the capital stock or limited liability company interests of any Seller Subsidiary or to provide funds to or make any investment (in the form of a loan, capital contribution or otherwise) in any Seller Subsidiary or any other entity, except for loan commitments and other funding obligations entered into in the ordinary course of business. Except as set forth on the Seller Disclosure Schedule, each of the outstanding shares of capital stock or limited liability company interests of each Seller Subsidiary are duly authorized, validly issued, fully paid and non-assessable, and not issued in violation of any preemptive rights of any Seller Subsidiary shareholder, and such shares or limited liability company interests owned by Seller or another Seller Subsidiary are owned free and clear of all security interests, liens, claims, pledges, agreements, limitations of Seller's voting rights, charges or other encumbrances of any nature whatsoever.

SECTION 2.4 Authority. Seller has the requisite corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby (other than, with respect to the Merger, the approval and adoption of this Agreement by Seller's shareholders in accordance with the MBCA and the Seller Articles and Seller By-Laws). The execution and delivery of this Agreement by Seller and the consummation by Seller of the transactions contemplated hereby have been duly

and validly authorized by all necessary corporate action, including without limitation Seller's Board of Directors, and no other corporate proceedings on the part of Seller are necessary to authorize this Agreement or to consummate the transactions so contemplated hereby (other than, with respect to the Merger, the approval and adoption of this Agreement and the Plan of Merger by Seller's shareholders in accordance with the MBCA and the Seller Articles and Seller By-Laws). This Agreement has been duly executed and delivered by Seller, and assuming the due authorization, execution and delivery by Company, constitutes a valid and binding obligation of Seller enforceable against Seller in accordance with its terms, except as enforcement may be limited by laws affecting insured depository institutions, general principles of equity whether applied in a court of law or a court of equity and by bankruptcy, insolvency and similar laws affecting creditors' rights and remedies generally.

SECTION 2.5 No Conflict; Required Filings and Consents.

(a) The execution and delivery of this Agreement by Seller do not, and the performance of this Agreement and the transactions contemplated hereby by Seller shall not, (i) conflict with or violate the Seller Articles or Seller By-Laws or the Subsidiary Organizational Documents, (ii) conflict with or violate any domestic (federal, state or local) or foreign law, statute, ordinance, rule, regulation, order, judgment or decree (collectively, "Laws") applicable to Seller or any Seller Subsidiary or by which its or any of their respective properties is bound or affected, or (iii) result in any breach of or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a lien or encumbrance on any of the properties or assets of Seller or any Seller Subsidiary pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which Seller or any Seller Subsidiary is a party or by which Seller or any Seller Subsidiary or its or any of their respective properties is bound or affected, except in the case of clauses (ii) and (iii) for any such conflicts, violations, breaches, defaults or other occurrences that would not, individually or in the aggregate, have a Material Adverse Effect on Seller and the Seller Subsidiaries, taken as a whole. Sections 302A.671, 302A.673 and 302A.675 of the MBCA are inapplicable to the Merger, this Agreement and the transactions contemplated hereby or entered into in connection herewith (including without

A-8

limitation the execution of that certain Shareholder Voting Agreement dated as of the date hereof among the Company and certain shareholders of the Seller). Without limiting, the generality of the foregoing, the Seller is not an "issuing public corporation," as such term is defined in Section 302A.011 Subd. 39 of the MBCA. No other "control share acquisition," "fair price" (other than Sections 302A.471 and 302A.473 of the MBCA) or other anti-takeover laws or regulations enacted under state or federal laws in the United States apply to the Merger, this Agreement or any of the transactions contemplated hereby or entered into in connection herewith (including, without limitation, the execution of the Shareholder Voting Agreement).

(b) The execution and delivery of this Agreement by Seller do not, and the performance of this Agreement by Seller shall not, require any consent, approval, authorization or permit of, or filing with or notification to, any governmental or regulatory authority, domestic or foreign, except (i) for applicable requirements, if any, of the Securities Act of 1933, as amended (the "Securities Act"), the Securities Exchange Act of 1934, as amended (the "Exchange Act"), state securities or blue sky laws ("Blue Sky Laws"), the BHCA,

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

the banking laws and regulations of the United States of America (the "USBL"), and the filing and recordation of appropriate merger or other documents as required by the MBCA and the WBCL and (ii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not prevent or delay consummation of the Merger or otherwise prevent Seller from performing its obligations under this Agreement, and would not have a Material Adverse Effect on Seller or Seller Subsidiaries, taken as a whole.

SECTION 2.6 Compliance; Permits. Neither Seller nor any Seller Subsidiary is in conflict with, or in default or violation of, (i) any Law applicable to Seller or any Seller Subsidiary or by which its or any of their respective properties is bound or affected, or (ii) any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which Seller or any Seller Subsidiary is a party or by which Seller or any Seller Subsidiary or its or any of their respective properties is bound or affected, except for any such conflicts, defaults or violations which would not, individually or in the aggregate, have a Material Adverse Effect on Seller or Seller Subsidiaries, taken as a whole.

SECTION 2.7 Securities and Banking Reports; Financial Statements.

(a) Seller and each Seller Subsidiary have filed all forms, reports and documents required to be filed with the Federal Reserve Board, the Office of the Comptroller of the Currency, the Minnesota Department of Commerce and any other applicable federal or state securities or banking authorities (all such reports and statements are collectively referred to as the "Seller Reports"). The Seller Reports, including all Seller Reports filed after the date of this Agreement, (i) were or will be prepared in all material respects in accordance with the requirements of applicable Law and (ii) did not at the time they were filed, or will not at the time they are filed, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(b) Each of the consolidated financial statements (including, in each case, any related notes thereto) contained in the Seller Reports, including any Seller Reports filed since the date of this Agreement and prior to or on the Effective Time, have been prepared in accordance with generally accepted accounting principles applied on a consistent basis throughout the periods involved (except as may be indicated in the notes thereto) and each fairly presents the consolidated financial position of Seller and Seller Subsidiaries as of the respective dates thereof and the consolidated results of its operations and changes in financial position for the periods indicated, except that any unaudited interim financial statements were or are subject to normal and recurring year-end adjustments, which were not or are not expected to be material in amount.

(c) Except (i) for those liabilities that are fully reflected or reserved against on the consolidated balance sheet of the Seller for the fiscal year ended December 31, 2000, (ii) for liabilities incurred in the ordinary course of business consistent with past practice since December 31, 2000, and (iii) as set forth in Section 2.7 of the Seller Disclosure Schedule, neither Seller nor any Seller Subsidiary has incurred any liability of any nature

whatsoever (whether absolute, accrued, contingent or otherwise due or to become due), that, either alone or when combined with all similar liabilities, has had, or would reasonably be expected to have, a Material Adverse Effect on the

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Seller and the Seller Subsidiaries, taken as a whole.

SECTION 2.8 Absence of Certain Changes or Events. Except as set forth in Section 2.8 of the Seller Disclosure Schedule, since December 31, 2000 to the date of this Agreement, Seller and the Seller Subsidiaries have conducted their businesses only in the ordinary course and in a manner consistent with past practice and, since December 31, 2000, there has not been (i) any change in the financial condition, results of operations or business of Seller and any of the Seller Subsidiaries having a Material Adverse Effect on Seller or the Seller Subsidiaries, taken as a whole, (ii) any damage, destruction or loss (whether or not covered by insurance) with respect to any assets of Seller or any of the Seller Subsidiaries having a Material Adverse Effect on Seller and the Seller Subsidiaries, taken as a whole, (iii) any change by Seller in its accounting methods, principles or practices, (iv) any revaluation by Seller of any of its assets in any material respect, (v) except for regular quarterly cash dividends on Seller Common Stock with usual record and payment dates, to the date of this Agreement, any declaration, setting aside or payment of any dividends or distributions in respect of shares of Seller Common Stock or any redemption, purchase or other acquisition of any of its securities or any of the securities of any Seller Subsidiary, (vi) increased the wages, salaries, compensation, pension, or other fringe benefits or perquisites payable to any executive officer, employee, or director from the amount thereof in effect as of January 1, 2001 (which amounts have been previously disclosed to Company), granted any severance or termination pay, entered into any contract to make or grant any severance or termination pay, or paid any bonus, (vii) suffered any strike, work stoppage, slow-down or other labor disturbance, (viii) been a party to a collective bargaining agreement, contract or other agreement or understanding with a labor union or organization, or (ix) had any union organizing activities.

SECTION 2.9 Absence of Litigation.

(a) Except as set forth in Section 2.9 of the Seller Disclosure Schedule, neither the Seller nor any of the Seller Subsidiaries is a party to any, and there are no pending or, to the best of the Seller's knowledge, threatened, legal, administrative, arbitral or other proceedings, claims, actions or governmental or regulatory investigations of any nature against the Seller or any of the Seller Subsidiaries or challenging the validity or propriety of the transactions contemplated by this Agreement as to which there is reasonable probability of an adverse determination and which, if adversely determined, would, individually or in the aggregate, have a Material Adverse Effect on the Seller and the Seller Subsidiaries, taken as a whole.

(b) There is no injunction, order, judgment, decree or regulatory restriction imposed upon the Company, any of the Seller Subsidiaries or the assets of the Seller or any of the Seller Subsidiaries which has had a Material Adverse Effect on the Seller and the Seller Subsidiaries, taken as a whole.

SECTION 2.10 Employee Benefit Plans.

(a) Current Plans. Section 2.10(a) of the Seller Disclosure Schedule lists (i) all employee benefit plans (as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA")), and all bonus, stock option, stock purchase, restricted stock, incentive, deferred compensation, retiree medical or life insurance, supplemental retirement, severance or other benefit plans, programs or arrangements, and all material employment, termination, severance or other employment contracts or employment agreements, with respect to which Seller or any Seller Subsidiary has any obligation (collectively, the "Plans"). Seller has furnished or made available to the Company a complete and accurate copy of each Plan (or a description of the Plans, if the Plans are not in writing) and a complete and accurate copy of each material document prepared in connection with each such Plan, including, without limitation, and where applicable, a copy of (i) each trust or other

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

funding arrangement, (ii) each summary plan description and summary of material modifications, (iii) the three (3) most recently filed IRS Forms 5500 and related schedules, (iv) the most recently issued IRS determination letter for each such Plan and the materials submitted to obtain that letter and (v) the three (3) most recently prepared actuarial and financial statements with respect to each such Plan.

A-10

(b) Absence of Certain Types of Plans. Except as disclosed in the Seller Disclosure Schedule, no member of Seller's "controlled group," within the meaning of Section 4001(a)(14) of ERISA, maintains or contributes to, or within the five years preceding the Effective Time has maintained or contributed to, an employee pension benefit plan subject to Title IV of ERISA ("Title IV Plan"). No Title IV Plan is a "multiemployer pension plan" as defined in Section 3(37) of ERISA. Except as disclosed in the Seller Disclosure Schedule, none of the Plans obligates Seller or any of the Seller Subsidiaries to pay material separation, severance, termination or similar-type benefits solely as a result of any transaction contemplated by this Agreement or as a result of a "change in control," within the meaning of such term under Section 280G of the Code. Except as disclosed in the Seller Disclosure Schedule, or as required by COBRA, none of the Plans provides for or promises retiree medical, disability or life insurance benefits to any current or former employee, officer or director of Seller or any of the Seller Subsidiaries. Each of the Plans is subject only to the laws of the United States or a political subdivision thereof.

(c) Compliance with Applicable Law. Except as disclosed in the Seller Disclosure Schedule, each Plan has been operated in all respects in accordance with the requirements of all applicable Law and all persons who participate in the operation of such Plans and all Plan "fiduciaries" (within the meaning of Section 3(21) of ERISA) have acted in accordance with the provisions of all applicable Law, except where such violations of applicable Law would not, individually or in the aggregate, have a Material Adverse Effect on Seller and the Seller Subsidiaries, taken as a whole. Seller and the Seller Subsidiaries have performed all obligations required to be performed by any of them under, are not in any respect in default under or in violation of, and Seller and the Seller Subsidiaries have no knowledge of any default or violation by any party to, any Plan, except where such failures, defaults or violations would not, individually or in the aggregate, have a Material Adverse Effect on Seller and the Seller Subsidiaries, taken as a whole. No legal action, suit or claim is pending or, to the knowledge of Seller or the Seller Subsidiaries, threatened with respect to any Plan (other than claims for benefits in the ordinary course) and, except as disclosed in the Seller Disclosure Schedule, to the knowledge of Seller or the Seller Subsidiaries, no fact or event exists that could reasonably be expected to give rise to any such action, suit or claim. Except as disclosed in the Seller Disclosure Schedule, neither Seller nor any Seller Subsidiary has incurred any material liability under Section 302 of ERISA or Section 412 of the Code that has not been satisfied in full and no condition exists that presents a material risk of incurring any such liability.

(d) Qualification of Certain Plans. Each Plan that is intended to be qualified under Section 401(a) of the Code or Section 401(k) of the Code (including each trust established in connection with such a Plan that is intended to be exempt from Federal income taxation under Section 501(a) of the Code) has received a favorable determination letter from the IRS (as defined herein) that it is so qualified, and, except as disclosed in the Seller Disclosure Schedule, Seller is not aware of any fact or event that has occurred since the date of such determination letter from the IRS to adversely affect the qualified status of any such Plan. Except as disclosed on the Seller

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Disclosure Schedule, no trust maintained or contributed to by the Seller or any of the Seller Subsidiaries is intended to be qualified as a voluntary employees' beneficiary association or is intended to be exempt from federal income taxation under Section 501(c)(9) of the Code.

(e) Absence of Certain Liabilities and Events. Except for matters disclosed in the Seller Disclosure Schedule, there has been no non-exempt prohibited transaction (within the meaning of Section 406 of ERISA or Section 4975 of the Code) with respect to any Plan. Seller and each of the Seller Subsidiaries has not incurred any liability for any excise tax arising under Sections 4971 through 4980E of the Code that would individually or in the aggregate have a Material Adverse Effect on the Seller and the Seller Subsidiaries, taken as a whole, and, to the knowledge of Seller or the Seller Subsidiaries, no fact or event exists that could reasonably be expected to give rise to any such liability.

(f) Plan Contributions. All contributions, premiums or payments required to be made with respect to any Plan have been made on or before their due dates.

A-11

(g) Employment Contracts. Except for employment, severance, consulting or other similar contracts with any employees, consultants, officers or directors of Seller or any of the Seller Subsidiaries disclosed in Section 2.10(g) of the Seller Disclosure Schedule, neither Seller nor any Seller Subsidiary is a party to any such contracts. Neither Seller nor any Seller Subsidiary is a party to any collective bargaining agreements.

(h) Effect of Agreement. Except as disclosed on the Seller Disclosure Schedule, the consummation of the transactions contemplated by this Agreement will not, either alone or in conjunction with another event, entitle any current or former employee of Seller or any Seller Subsidiary to severance pay, unemployment compensation or any other payment, except as expressly provided herein, or accelerate the time of payment or vesting or increase the compensation due any such employee or former employee, in each case, except as expressly provided herein.

SECTION 2.11 Registration Statement; Proxy Statement/Prospectus. The information supplied by Seller for inclusion in the Registration Statement (as defined in Section 3.8) shall not at the time the Registration Statement is declared effective contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The information supplied by Seller for inclusion in the proxy statement/prospectus to be sent to the shareholders of Seller in connection with the meeting of Seller's shareholders to consider the approval of this Agreement, the Plan of Merger and the Merger (the "Seller Shareholders' Meeting") (such proxy statement/prospectus as amended or supplemented is referred to herein as the "Proxy Statement/Prospectus") shall not at the date the Proxy Statement/Prospectus (or any amendment thereof or supplement thereto) is first mailed to shareholders, at the time of the Seller Shareholders' Meeting and at the Effective Time, be false or misleading with respect to any material fact required to be stated herein, or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading. If at any time prior to the Effective Time any event relating to Seller or any of its affiliates, officers or directors should be discovered by Seller which should be set forth in an amendment to the Registration Statement or a supplement to the Proxy Statement/Prospectus, Seller shall promptly inform the Company. SECTION 2.12 Title to Property. Except as set forth in Section 2.12 of the Seller Disclosure Schedule, Seller and each of the Seller Subsidiaries has good and marketable title to all of their respective properties and assets, real and personal, free and clear of all mortgage liens, and free and clear of all other liens, charges and encumbrances except liens for taxes not yet due and payable, pledges to secure deposits and such minor imperfections of title, if any, as do not materially detract from the value of or interfere with the present use of the property affected thereby or which, individually or in the aggregate, would not have a Material Adverse Effect on Seller and the Seller Subsidiaries, taken as a whole; and all leases pursuant to which Seller or any of the Seller Subsidiaries lease from others material amounts of real or personal property are in good standing, valid and effective in accordance with their respective terms, and there is not, under any of such leases, any existing material default or event of default by Seller or any Seller Subsidiary (or event which with notice or lapse of time, or both, would constitute a material default by Seller or any Seller Subsidiary and in respect of which the Seller or such Seller Subsidiary has not taken adequate steps to prevent such a default from occurring). Substantially all of Seller's and each of the Seller Subsidiaries' buildings and equipment in regular use have been reasonably maintained and are in good and serviceable condition, reasonable wear and tear excepted.

SECTION 2.13 Environmental Matters. Except as set forth in Section 2.13 of the Seller Disclosure Schedule, Seller represents and warrants that to the best of Seller's knowledge: (i) each of the Seller, the Seller Subsidiaries, properties owned or operated by the Seller or the Seller Subsidiaries and the Participation Facilities (each as hereinafter defined) are and have been in compliance with all applicable federal, state and local laws

including common law, rules, guidance, regulations and ordinances and with all applicable decrees, orders, judgments, and contractual obligations relating to the environment, health, safety, natural resources, wildlife or "Hazardous Materials" which are hereinafter defined as chemicals, pollutants, contaminants, wastes, toxic substances, compounds, products, solid, liquid, gas, petroleum or other regulated substances or materials which are hazardous, toxic or otherwise harmful to health, safety, natural resources, or the environment ("Environmental Laws"), except for violations which, either individually or in the aggregate, would not have a Material Adverse Effect on Seller or Seller Subsidiaries; (ii) during and prior to the period of (a) the Seller's or any of the Seller Subsidiaries' ownership or operation of any of their respective current properties or (b) the Seller's or any of the Seller's Subsidiaries' participation in the management of any Participation Facility, Hazardous Materials have not been generated, treated, stored, transported, released or disposed of in, on, under, above, from or affecting any such property, except where such release, generation, treatment, storage, transportation, or disposal would not have, either individually or in the aggregate, a Material Adverse Effect on the Seller or Seller's Subsidiaries; (iii) there is no asbestos or any material amount of ureaformaldehyde materials in or on any property owned or operated by Seller or Seller's Subsidiaries or any or Participation Facility and no electrical transformers or capacitors, other than those owned by public utility companies, on any such properties contain any PCB's; (iv) there are no underground or aboveground storage tanks and there have never been any underground or aboveground storage tanks located

on, in or under any properties currently or formerly owned or operated by the Seller or any of Seller's Subsidiaries or any Participation Facility; (v) neither Seller nor Seller's Subsidiaries have received any notice from any governmental agency or third party notifying the Seller or Seller's Subsidiaries of any Environmental Claim; (vi) and there are no circumstances with respect to any properties currently owned or operated by the Seller or any of Seller's Subsidiaries or any Participation Facility that could reasonably be anticipated (a) to form the basis for an Environmental Claim against Seller or Seller's Subsidiaries or any properties currently or formerly owned or operated by the Seller or any of Seller's Subsidiaries or any Participation Facility or (b) to cause any properties currently owned or operated by the Seller or any of Seller's Subsidiaries or any Participation Facility to be subject to any restrictions on ownership, occupancy, use or transferability under any applicable Environmental Law or require notification to or consent of any Governmental Authority or third party pursuant to any Environmental Law.

The following definitions apply for purposes of this Section 2.13: (a) "Participation Facility" means any facility in which the Seller or any of the Seller's Subsidiaries participates in the management and, where required by the context, said term means the owner or operator of such property; (b) "Environmental Claims" shall mean any and all administrative, regulatory, judicial or private actions, suits, demands, demand letters, notices, claims, liens, notices of non-compliance or violation, investigations, allegations, injunctions or proceedings relating in any way to (i) any Environmental Law; (ii) any Hazardous Material including without limitation any abatements, removal, remedial, corrective or other response action in connection with any Hazardous Material, Environmental Law or order of a Governmental Authority; or (iii) any actual or alleged damage, injury, threat or harm to health, safety, natural resources, wildlife, or the environment, which individually or in the aggregate would have a Material Adverse Effect on Seller or Seller's Subsidiaries; and (c) "Governmental Authority" shall mean any applicable federal, state, regional, county or local person or body having governmental authority.

SECTION 2.14 Absence of Agreements. Neither Seller nor any Seller Subsidiary is a party to any agreement or memorandum of understanding with, or a party to any commitment letter or similar undertaking to, or is subject to any order or directive by, or is a recipient of any extraordinary supervisory letter which restricts materially the conduct of its business (including any contract containing covenants which limit the ability of Seller or of any Seller Subsidiary to compete in any line of business or with any person or which involve any restriction of the geographical area in which, or method by which, Seller or any Seller Subsidiary may carry on its business (other than as may be required by Law or applicable regulatory authorities)), or in any manner relates to its capital adequacy, its credit policies or its management, except as disclosed in the Seller Disclosure Schedule, nor has Seller been advised that any federal, state, or governmental agency is contemplating issuing or requesting (or is considering the appropriateness of issuing or requesting) any such order, decree, agreement, memorandum of understanding, extraordinary supervisory letter, commitment letter or similar submission, except as disclosed by Seller in Section 2.14 of the Seller Disclosure Schedule.

SECTION 2.15 Taxes. Seller and the Seller Subsidiaries have timely filed all material Tax Returns (as defined below) required to be filed by them, and Seller and the Seller Subsidiaries have timely paid and discharged all material Taxes (as defined below) due in connection with or with respect to the filing of such Tax Returns, except such as are being contested in good faith by appropriate proceedings and with respect to which Seller is maintaining

reserves adequate for their payment. To the best knowledge of the Seller, the liability for Taxes set forth on each such Tax Return adequately reflects the Taxes required to be reflected on such Tax Return. For purposes of this Agreement, "Tax" or "Taxes" shall mean taxes, charges, fees, levies, and other governmental assessments and impositions of any kind, payable to any federal, state, local or foreign governmental entity or taxing authority or agency, including, without limitation, (i) income, franchise, profits, gross receipts, estimated, ad valorem, value added, sales, use, service, real or personal property, capital stock, license, payroll, withholding, disability, employment, social security, workers compensation, unemployment compensation, utility, severance, production, excise, stamp, occupation, premiums, windfall profits, transfer and gains taxes, (ii) customs duties, imposts, charges, levies or other similar assessments of any kind, and (iii) interest, penalties and additions to tax imposed with respect thereto; and "Tax Returns" shall mean returns, reports, and information statements with respect to Taxes required to be filed with the United States Internal Revenue Service (the "IRS") or any other governmental entity or taxing authority or agency, domestic or foreign, including, without limitation, consolidated, combined and unitary tax returns. For the purposes of this Section 2.15, references to the Seller and the Seller Subsidiaries include former subsidiaries of Seller for the periods during which any such corporations were owned, directly or indirectly, by Seller. Except as otherwise disclosed in the Seller Disclosure Schedule, to the best knowledge of the Seller, neither the IRS nor any other governmental entity or taxing authority or agency is now asserting, either through audits, administrative proceedings or court proceedings, any deficiency or claim for additional Taxes. Except as otherwise disclosed, neither Seller nor any of the Seller Subsidiaries has granted any waiver of any statute of limitations with respect to, or any extension of a period for the assessment of, any Tax. Except as otherwise disclosed in the Seller Disclosure Schedule and except for statutory liens for current taxes not yet due, there are no material tax liens on any assets of Seller or any of the Seller Subsidiaries. Except as otherwise disclosed in the Seller Disclosure Schedule, neither Seller nor any of the Seller Subsidiaries has received a ruling or entered into an agreement with the IRS or any other taxing authority that would have a Material Adverse Effect on Seller or the Seller Subsidiaries, taken as a whole, after the Effective Time. Except as otherwise disclosed in the Seller Disclosure Schedule, no agreements relating to allocating or sharing of Taxes exist among Seller and the Seller Subsidiaries and no tax indemnities given by Seller or the Seller Subsidiaries in connection with a sale of stock or assets remain in effect. Neither the Seller nor any of the Seller Subsidiaries is required to include income either (i) any amount in respect of any adjustment under Section 481 of the Code, or (ii) any installment sale gain. Neither Seller nor any of the Seller Subsidiaries has made an election under Section 341(f) of the Code.

SECTION 2.16 Insurance. Section 2.16 of the Seller Disclosure Schedule lists all material policies of insurance of Seller and the Seller Subsidiaries currently in effect. Neither Seller nor any of the Seller Subsidiaries has any liability for unpaid premiums or premium adjustments not properly reflected on Seller's financial statements for the fiscal year ended December 31, 2000.

SECTION 2.17 Brokers. No broker, finder or investment banker (other than RBC Capital Markets) is entitled to any brokerage, finder's or other fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Seller. Prior to the date of this Agreement, Seller has furnished to the Company a complete and correct copy of all agreements between Seller and RBC Capital Markets pursuant to which such firm would be entitled to any payment relating to the transactions contemplated hereunder.

SECTION 2.18 Tax Matters. Neither Seller nor, to the best of Seller's knowledge, any of its affiliates has through the date of this Agreement taken or agreed to take any action that would prevent the Merger from qualifying as a

SECTION 2.19 Material Adverse Effect. Since December 31, 2000, there has been no Material Adverse Effect on Seller or the Seller Subsidiaries, taken as a whole.

SECTION 2.20 Material Contracts. Except as disclosed in the Seller Disclosure Schedule (which may reference other sections of such Schedule), neither the Seller nor any Seller Subsidiary is a party to or obligated under any contract, agreement or other instrument or understanding which is not terminable by Seller or the Seller Subsidiary without additional payment or penalty within 60 days and obligates Seller or any Seller Subsidiary for payments or other consideration with a value in excess of \$100,000.

Each of the Company and the Company Subsidiaries have the requisite corporate power and authority and are in possession of all franchises, grants, authorizations, licenses, permits, easements, consents, certificates, approvals and orders ("Company Approvals") necessary to own, lease and operate their respective properties and to carry on their respective business as now being conducted, including appropriate authorizations from the Federal Reserve Board, the FDIC, the DFI, the OCC or the Office of Thrift Supervision and neither Company nor any Company Subsidiary has received any notice of proceedings relating to the revocation or modification of any Company Approvals, except in each case where the revocations or modifications, or the failure to have such power, authority or Company Approvals would not, individually or in the aggregate, have a Material Adverse Effect on the Company and the Company Subsidiaries, taken as a whole.

(b) The Company and each Company Subsidiary is duly qualified or licensed as a foreign business entity to do business, and is in good standing, in each jurisdiction where the character of its properties owned, leased or operated by it or the nature of its activities makes such qualification or licensing necessary, except for such failures to be so duly qualified or licensed and in good standing that would not, either individually or in the aggregate, have a Material Adverse Effect on the Company and the Company Subsidiaries, taken as a whole.

(c) A true and complete list of all of the Company Subsidiaries as of February 28, 2001 is set forth in Exhibit 21 to the Company's Annual Report on Form 10-K for the year ended December 31, 2000, ("Exhibit 21") previously delivered to Seller. All of the outstanding shares of the Company's capital stock have been duly authorized and validly issued and are fully paid and non-assessable, except pursuant to Section 180.0622(2)(b) of the WBCL (such section, including judicial interpretations thereof and Section 180.40(6), its predecessor statute, are referred to herein as "Section 180.0622(2)(b) of the WBCL"). Except as set forth in clauses (i)-(ii), above, as of the date of this Agreement there are no options, warrants or other rights, agreements, arrangements or commitments of any character relating to the issued or unissued capital stock of the Company or obligating the Company to issue or sell any shares of capital stock of, or other equity interests in, the Company.

(b) The shares of Company Common Stock to be issued pursuant to the Merger will, upon issuance in accordance with the provisions of this Agreement, be duly authorized, validly issued, fully paid and non-assessable, except as otherwise provided by Section 180.0622(2)(b) of the WBCL.

The execution and delivery of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby have been duly and validly authorized by all necessary corporate action on the part of the Company, including without limitation, the Company's Board of Directors, and no other corporate proceedings on the part of the Company are necessary to authorize this Agreement or to consummate the transactions so contemplated hereby. This Agreement has been duly and validly executed and delivered by the Company, and assuming the due authorization, execution and delivery by the Seller,

SECTION 3.5 No Conflict; Required Filings and Consents.

(a) The execution and delivery of this Agreement by the Company does not, and the performance of this Agreement by the Company shall not, (i) conflict with or violate the Company Articles or Company By-Laws or the Articles of Incorporation or By-Laws of any Company Subsidiary, (ii) conflict with or violate any Laws applicable to the Company or any Company Subsidiary or by which any of their respective properties is bound or affected, or (iii) result in any breach of or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a lien or encumbrance on any of the properties or assets of the Company or any Company Subsidiary pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which the Company or any Company Subsidiary is a party or by which the Company or any Company Subsidiary or its or any of their respective

(b) The execution and delivery of this Agreement by the Company do not, and the performance of this Agreement by the Company shall not, require any consent, approval, authorization or permit of, or filing with or notification to, any governmental or regulatory authority, domestic or foreign, except (i) for applicable requirements, if any, of the Securities Act, the Exchange Act, Blue Sky Laws, the BHCA, and the filing and recordation of appropriate merger or other documents as required by Wisconsin law and Minnesota law and (ii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not prevent or delay consummation of the Merger, or otherwise prevent the Company from performing its obligations under this Agreement, and would not have a Material Adverse Effect on the Company or the Company Subsidiaries, taken as a whole.

SECTION 3.6 Securities and Banking Reports; Financial Statements.

(a) The Company and each Company Subsidiary have filed all forms, reports and documents required to be filed with (x) the SEC since December 31, 2000, and as of the date of this Agreement have delivered or made available to Seller through the SEC's EDGAR system, in the form filed with the SEC, (i) its Annual Reports on Form 10-K for the fiscal years ended December 31, 1998, 1999 and 2000, respectively, (ii) all proxy statements relating to the Company's meetings of shareholders (whether annual or special) held since December 31, 1998, (iii) all Reports on Form 8-K filed by the Company with the SEC since December 31, 1998, (iv) all other reports or registration statements filed by the Company with the SEC since December 31, 1998, and (v) all amendments and supplements to all such reports and registration statements filed by the Company with the SEC since December 31, 1998 (collectively, the "Company SEC Reports") and (y) the OCC, the Federal Reserve Board, the DFI and any other

(b) Each of the consolidated financial statements (including, in each case, any related notes thereto) contained in the Company SEC Reports, including any Company SEC Reports filed since the date of this Agreement and prior to or on the Effective Time, have been prepared in accordance with generally accepted accounting principles applied on a consistent basis throughout the periods involved (except as may be indicated in the notes thereto) and each fairly presents the consolidated financial position of the Company and the Company Subsidiaries as of the respective dates thereof and the consolidated results of its operations and changes in financial position for the periods indicated, except that any unaudited interim financial statements were or are subject to normal and recurring year-end adjustments, which were not or are not expected to be material in amount.

(c) Except (i) for those liabilities that are fully reflected or reserved against on the consolidated statement of condition of the Company included in the Company Form 10-K for the year ended December 31, 2000, as amended, (ii) for the liabilities incurred in the ordinary course of business consistent with past practice since December 31, 2000, and (iii) as set forth in Section 3.7 of the Company Disclosure Schedule, neither Company nor any Company Subsidiary has incurred any liability of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether due or to become due) that, either alone or when combined with all similar liabilities, has had, or would reasonably be expected to have, a Material Adverse Effect on the Company and the Company Subsidiaries, taken as a whole.

(h) agree in writing or otherwise to do any of the foregoing.

SECTION 4.3 Letter of Seller's Accountants. If requested in writing by the Company, Seller shall use its reasonable best efforts to cause to be delivered to the Company "comfort" letters of McGladrey & Pullen, LLP, Seller's independent public accountants, dated the date on which the Registration Statement shall become effective and the Effective Time, respectively, and addressed to the Company, in a form reasonably satisfactory to the Company and reasonably customary in scope and substance for letters delivered by independent public accountants in connection with registration statements similar to the Registration Statement and transactions such as those contemplated by this Agreement.

SECTION 4.4 No Solicitation of Transactions.

(a) Seller shall immediately cease and cause to be terminated any existing discussions or negotiations relating to a Competing Proposal (as defined below), other than with respect to the Merger, with any parties conducted heretofore. Seller will not, directly or indirectly, and will instruct its directors, officers, employees, accountants, consultants, legal counsel, agents, investment bankers, advisors and other representatives (collectively, "Representatives") not to, directly or indirectly, initiate, solicit or encourage (including by way of furnishing information or assistance), or take any other action or facilitate, any inquiries or the making of any proposal that constitutes, or may reasonably be expected to lead to, any Competing Proposal, or enter into or maintain discussions or negotiate with any person in furtherance of or relating to such inquiries or to obtain a Competing Proposal, or agree to or endorse any Competing Proposal, or authorize or permit any Representative of Seller or any of the Seller Subsidiaries to take any such action, and Seller shall use its reasonable efforts to cause the Representatives of Seller and the Seller Subsidiaries not to take any such action, and Seller shall promptly notify the Company if any such inquiries or proposals are made regarding a Competing Proposal, and Seller shall keep the Company informed, on a current basis, of the status and terms of any such proposals; provided, however, that prior to such time as the shareholders of

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Seller shall have adopted and approved this Agreement, the Plan of Merger, and the Merger in accordance with the MBCA, nothing contained in this Section 4.4 shall prohibit the Board of Directors of Seller from (i), in connection with a Superior Competing Transaction (as defined below), furnishing information to, or entering into discussions or negotiations with, any person that makes an unsolicited bona fide proposal to acquire Seller pursuant to a merger, consolidation, share exchange, business combination or other similar transaction, if, and only to the extent that, (A) the Board of Directors of Seller, after consultation with and taking into consideration the advice of independent legal counsel, determines

A-20

in good faith that such action is required for the Board of Directors of Seller to comply with its fiduciary duties to shareholders imposed by Minnesota law, (B) prior to furnishing such information to, or entering into discussions or negotiations with, such person, Seller provides written notice to the Company to the effect that it is furnishing information to, or entering into discussions or negotiations with, such person, (C) prior to furnishing such information to such person, Seller receives from such person an executed confidentiality agreement, and (D) Seller keeps the Company informed, on a current basis, of the status and details of any such discussions or negotiations, or (ii) complying with Rule 14e-2 promulgated under the Exchange Act.

(b) For purposes of this Agreement, "Competing Proposal" shall mean any of the following involving Seller or any Seller Subsidiary: any inquiry, proposal or offer from any person relating to any direct or indirect acquisition or purchase of a business that constitutes 15% or more of the net revenues, net income or the assets of Seller and the Seller Subsidiaries taken as a whole, or 15% or more of any class of equity securities of Seller or any of the Seller Subsidiaries, any tender offer or exchange offer that if consummated would result in any person beneficially owning 15% or more any class of equity securities of Seller or any of the Seller Subsidiaries, or any merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving Seller or any of the Seller Subsidiaries, other than the transactions contemplated by this Agreement.

(c) For purposes of this Agreement "Superior Competing Transaction" shall mean any of the following involving Seller or any Seller Subsidiary: any proposal made by a third party to acquire, directly or indirectly, including pursuant to a tender offer, exchange offer, merger, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction, for consideration consisting of cash and/or securities, more than 50% of the combined voting power of the shares of Seller Common Stock then outstanding or all or substantially all of the assets of Seller and the Seller Subsidiaries taken as a whole, and otherwise on terms which the Board of Directors of Seller determines in its good faith judgment (taking into consideration the opinion of a financial advisor of nationally recognized reputation) to be more favorable to its shareholders than the Merger and for which financing, to the extent required, is then committed or which if not committed is, in the good faith judgment of its Board of Directors, reasonably capable of being obtained by such third party.

SECTION 4.5 Update Disclosure; Breaches.

(a) From and after the date of this Agreement until the Effective Time, Seller shall update the Seller Disclosure Statement on a regular basis by written notice to the Company to reflect any matters which have occurred from and after the date of this Agreement which, if existing on the date of this

Agreement, would have been required to be described therein; provided that (i) to the extent that any information that would be required to be included in an update under this Section 4.5(a) would have in the past been contained in internal reports prepared by Seller or any Seller Subsidiary in the ordinary course, such update may occur by delivery of such internal reports prepared in accordance with past practice, with appropriate steps taken by Seller to identify relevant information contained therein, and (ii) to the extent that updating required under this Section is unduly burdensome to Seller, Seller and the Company will use their reasonable efforts to develop alternate updating procedures using, wherever possible, existing reporting systems.

(b) Seller shall, in the event it becomes aware of the impending or threatened occurrence of any event or condition which would cause or constitute a material breach (or would have caused or constituted a material breach had such event occurred or been known prior to the date of this Agreement) of any of its representations or agreements contained or referred to herein, give prompt written notice thereof to the Company and use its reasonable efforts to prevent or promptly remedy the same.

SECTION 4.6 Affiliates; Tax Treatment. Within thirty (30) days after the date of this Agreement (a) Seller shall deliver to the Company a letter identifying all persons who are then "affiliates" of Seller, including, without limitation, all directors and executive officers of Seller, for purposes of Rule 145 promulgated under the Securities Act (each a "Seller Affiliate") and (b) Seller shall advise the persons identified in such letter of the resale restrictions imposed by applicable securities laws. Seller shall use its reasonable efforts to obtain from

A-21

each person identified in such letter a written agreement, substantially in the form attached hereto as Exhibit 4.6. Seller shall use its reasonable efforts to obtain from any person who becomes an affiliate of Seller after Seller's delivery of the letter referred to above, on or prior to the Effective Time, a written agreement, substantially in the form attached hereto as Exhibit 4.6 as soon as practicable after such person attains such status. Seller will use its reasonable efforts to cause the Merger to qualify as a reorganization under Section 368(a)(1)(A) of the Code.

SECTION 4.7 Delivery of Shareholder List. Seller shall arrange to have its transfer agent deliver to the Company or its designee, from time to time prior to the Effective Time, a true and complete list setting forth the names and addresses of the Seller shareholders, their holdings of stock as of the latest practicable date, and such other shareholder information as the Company may reasonably request.

SECTION 4.8 Loan and Investment Policies. To the extent permitted by applicable law or regulations, the Company and Seller agree to establish, within 30 days of the date of this Agreement at Seller and any Seller Subsidiaries which make loans, loan and investment policies and procedures designed to insure safe and sound banking practices, which shall remain in effect, except as otherwise agreed in writing by the Company, for the period prior to the Effective Time. To the extent permitted by applicable law or regulations, such policies and procedures shall apply to, among other matters, the following: (i) making or renewing any commitments or loans, or purchase or renewals of any participations in loans, in excess of an amount to be agreed upon; (ii) making, committing to make or renewing any loan to any affiliate of Seller or the Seller Subsidiaries or any family member of such affiliate or any entity in which such affiliate has a material interest; (iii) making any investment or commitment to invest, or making any loan, in excess of an amount

to be agreed with respect to any commercial real estate or in or with respect to any commercial real estate development project; or (iv) entering into any contract, lease, or license under which Seller or any Seller Subsidiary will be bound to pay in excess of an amount to be agreed over the life of such agreement or voluntarily committing any act or omission which constitutes a breach or default by Seller or any Seller Subsidiary under any material contract, lease or license to which Seller or any Seller Subsidiary is a party or by which it or any of its properties are bound. To the extent permitted by applicable law or regulations, the Company shall have the right to designate at least two (2) observers to attend all meetings of Seller's (i) senior credit committee, or similar committee at any Seller Subsidiary designated by the Company, and (ii) investment committee or similar committee at any Seller Subsidiary, and Seller shall ensure that such representatives receive all information given by Seller or its agents to Seller's members of said committees.

SECTION 4.9 Access and Information. From the date hereof until the Effective Time, Seller will give the Company and its representatives, employees, counsel and accountants reasonable access to the properties, books and records of the Seller and any other information relating to Seller that is reasonably requested by the Company for purpose of permitting the Company, among other things, to: (a) conduct its due diligence review, (b) review the financial statements of Seller, (c) verify the accuracy of the representations and warranties of Seller contained in this Agreement, (d) confirm compliance by Seller with the terms of this Agreement, and (e) prepare for the consummation of the transactions contemplated by the Agreement. The parties hereto acknowledge and agree that any investigation by the Company pursuant to this Section 4.9 shall not unreasonably interfere with the business and operations of Seller. The Company shall not, without the consent of Seller (which consent shall not be unreasonably withheld), contact any customers or key employees of Seller. If the Merger contemplated hereby is not consummated, the Company shall maintain in confidentiality all non-public and all proprietary information acquired by the Company from the Seller in connection with its due diligence review.

SECTION 4.10 Confidentiality Letter. Seller agrees that the Confidentiality Letter entered into between the Company and the Seller dated as of October 8, 2001, shall remain in full force and effect and binding upon the Seller and shall survive termination of this Agreement.

A-22

ARTICLE V--COVENANTS OF THE COMPANY

SECTION 5.1 Affirmative Covenants. The Company hereby covenants and agrees with Seller that prior to the Effective Time, unless the prior written consent of Seller shall have been obtained and except as otherwise contemplated herein, it will:

(a) maintain its corporate existence in good standing and maintain all books and records in accordance with accounting principles and practices as used in the Company's financial statements applied on a consistent basis; and

(b) conduct its business in a manner that does not violate any Law, except for possible violations which individually or in the aggregate do not, and, insofar as reasonably can be foreseen, in the future will not, have a Material Adverse Effect on the Company and the Company Subsidiaries, taken as a whole.

SECTION 5.2 Negative Covenants. Except as set forth in Section 5.2 of the Company Disclosure Schedule or as otherwise contemplated by this Agreement,

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

from the date of this Agreement until the Effective Time, the Company shall not, or agree to commit to, or permit any Company Subsidiaries to, without the prior written consent of Seller, propose or adopt any amendments to its Articles of Incorporation or By-laws in a manner which would adversely affect in any manner the terms of the Company Common Stock or the ability of Company to consummate the transactions contemplated hereby, or agree in writing to do any of the foregoing; provided, however, that any such amendment to the Company Articles to increase the authorized number of shares of Company Common Stock shall not be deemed to have such an adverse effect.

SECTION 5.3 Breaches. The Company shall, in the event it becomes aware of the impending or threatened occurrence of any event or condition which would cause or constitute a material breach (or would have caused or constituted a material breach had such event occurred or been known prior to the date of this Agreement) of any of its representations or agreements contained or referred to herein, give prompt written notice thereof to the Seller and use its best efforts to prevent or promptly remedy the same.

SECTION 5.4 Stock Exchange Listing. The Company shall use all reasonable efforts to cause the shares of Company Common Stock to be issued in the Merger to be approved for listing on the NYSE prior to the Effective Time.

SECTION 5.5 Tax Treatment. The Company will use its reasonable best efforts to cause the Merger to qualify as a reorganization under Section 368(a)(1)(A) of the Code.

SECTION 5.6 Confidentiality Letter. The Company agrees that the Confidentiality Letter entered into between the Company and the Seller dated as of October 8, 2001, shall remain in full force and effect and binding upon the Company and shall survive termination of this Agreement.

ARTICLE VI--ADDITIONAL AGREEMENTS

SECTION 6.1 Proxy Statement/Prospectus; Registration Statement. As promptly as practicable after the execution of this Agreement, Seller and the Company shall prepare and file with the SEC the Proxy Statement/Prospectus and registration statement on Form S-4 promulgated under the Securities Act (or on such other form as shall be appropriate) relating to the approval of this Agreement, the Plan of Merger and the Merger by the shareholders of Seller and the registration with the SEC of the shares of Company Common Stock to be issued in the Merger, and shall use all reasonable efforts to cause the Registration Statement to become effective as soon thereafter as practicable. The Proxy Statement/Prospectus shall include the recommendation of the Board of Directors of Seller in favor of the Merger; provided, however, that in connection with the Seller's Board of Directors' recommendation to the Seller's shareholders in favor of a Superior Competing Transaction (as defined in Section 4.4), the Board of Directors of Seller may, at any time prior to such time as the shareholders of Seller

A-23

shall have adopted and approved this Agreement, the Plan of Merger and the Merger in accordance with the MBCA, withdraw, modify or change any such recommendation to the extent the Board of Directors of Seller determines in good faith, after consultation with and taking into consideration the advice of independent legal counsel, that the failure to so withdraw, modify or change its recommendation would cause the Board of Directors of Seller to breach its fiduciary duties to Seller's shareholders under applicable Law.

SECTION 6.2 Meeting of Seller's Shareholders. Seller shall promptly after

the date of this Agreement take all action necessary in accordance with the MBCA and the Seller Articles and the Seller By-Laws to convene and hold the Seller Shareholders' Meeting (regardless of whether or not the Board of Directors of Seller has withdrawn, modified or changed its recommendation in favor of the Merger). Seller shall use its reasonable efforts to solicit from shareholders of Seller proxies in favor of the Merger and approval of this Agreement and the Plan of Merger and shall take all other action necessary or advisable to secure the vote or consent of shareholders required by the MBCA to approve the Merger and this Agreement and the Plan of Merger, unless the Board of Directors of Seller shall have determined in good faith after consultation with and taking into consideration the advice of counsel, that such actions would violate its fiduciary duty to Seller's Shareholders under applicable Law.

SECTION 6.3 Appropriate Action; Consents; Filings. Seller and the Company shall use all reasonable efforts to (i) take, or cause to be taken, all appropriate action, and do, or cause to be done, all things necessary, proper or advisable under applicable Law to consummate and make effective the transactions contemplated by this Agreement, (ii) obtain all consents, licenses, permits, waivers, approvals, authorizations or orders required under Law (including, without limitation, all foreign and domestic (federal, state and local) governmental and regulatory rulings and approvals and parties to contracts) required in connection with the authorization, execution and delivery of this Agreement and the consummation by them of the transactions contemplated hereby, including, without limitation, the Merger, (iii) make all necessary filings, and thereafter make any other required submissions, with respect to this Agreement and the Merger required under (A) the Securities Act and the Exchange Act (to the extent applicable) and the rules and regulations thereunder, and any other applicable federal or state securities laws, (B) the BHCA, and any other applicable federal or state banking laws and (C) any other applicable Law; provided that, the Company and Seller shall cooperate with each other in connection with the making of all such filings, including providing copies of all such documents to the non-filing party and its advisors prior to filing and, if requested, to accept all reasonable additions, deletions or changes suggested in connection therewith. Seller and the Company shall furnish all information required for any application or other filing to be made pursuant to the rules and regulations of any applicable Law (including all information required to be included in the Proxy Statement/Prospectus and the Registration Statement) in connection with the transactions contemplated by this Agreement. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement, the proper officers and directors of each party to this Agreement shall use all reasonable efforts to take all such necessary action.

SECTION 6.4 Employee Benefit Matters. Annex B hereto sets forth certain agreements with respect to Seller's employee benefit matters.

SECTION 6.5 Directors' and Officers' Indemnification and Insurance.

(a) By virtue of the occurrence of the Merger, the Company shall from and after the Effective Time succeed to Seller's obligations with respect to indemnification or exculpation now existing in favor of the directors, officers, employees and agents of Seller and the Seller Subsidiaries as provided in the Seller Articles, Seller By-Laws, indemnification agreements of Seller or the Seller Subsidiaries or otherwise in effect as of the date of this Agreement with respect to matters occurring prior to the Effective Time. Section 6.5 of the Seller Disclosure Schedule contains a complete list of all indemnification arrangements to which Seller is a party to on the date of this Agreement. Seller agrees not to amend or enter into new arrangements or agreements from and after the date hereof.

(b) From and after the Effective Time, the Company agrees to use its reasonable efforts to maintain an insurance policy for directors' and officers' liabilities for all present and former directors and officers of Seller covered by Seller's current insurance policies on the date of this Agreement; provided, however, that the Company's obligation under this subsection (b) shall be completely satisfied at such time as the Company shall have satisfied either of the following conditions: (i) the Company shall have maintained an insurance policy in accordance with this subsection (b) for a period of three years from and after the Effective Time or (ii) the Company shall have incurred costs to maintain insurance in accordance with this subsection equal to or exceeding 150% of the annual premium in effect on the date of this Agreement.

(c) The provisions of this Section 6.5 are intended to be for the benefit of, and shall be enforceable by, each person who is now, or has been at any time prior to the date of this Agreement or who becomes prior to the Effective Time, an officer or director of Seller or any Seller Subsidiary (the "Indemnified Parties") and his or her heirs and representatives.

SECTION 6.6 Notification of Certain Matters. Seller shall give prompt notice to the Company, and the Company shall give prompt notice to Seller, of (i) the occurrence, or non-occurrence, of any event the occurrence, or non-occurrence, of which would be likely to cause any representation or warranty contained in this Agreement to be untrue or inaccurate and (ii) any failure of Seller or the Company, as the case may be, to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder; provided, however, that the delivery of any notice pursuant to this Section 6.6 shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice.

SECTION 6.7 Public Announcements. The Company and Seller shall consult with each other before issuing any press release or otherwise making any public statements with respect to the Merger and shall not issue any such press release or make any such public statement prior to such consultation, except as may be required by Law, including disclosures required under the federal securities laws.

SECTION 6.8 Customer Retention. To the extent permitted by law or applicable regulation, Seller shall use all reasonable efforts to assist the Company in its efforts to retain Seller's customers for the Surviving Corporation. Such efforts shall include making introductions of the Company's employees to such customers, assisting in the mailing of information prepared by the Company and reasonably acceptable to Seller to such customers and actively participating in any "transitional marketing programs" as the Company shall reasonably request.

SECTION 6.9 Expenses.

(a) All Expenses (as defined below) incurred by the Company and Seller shall be borne solely and entirely by the party which has incurred the same, except that the parties shall share equally in the expense of printing and filing the Registration Statement and the Proxy Statement/Prospectus and all SEC, NYSE and other regulatory filing fees incurred in connection herewith.

(b) "Expenses" as used in this Agreement shall include all reasonable out-of-pocket expenses (including, without limitation, all fees and expenses of counsel, accountants, investment bankers, experts and consultants to the party and its affiliates) incurred by a party or on its behalf in connection with or related to the authorization, preparation and execution of this Agreement, the solicitation of shareholder approvals and all other matters related to the closing of the transactions contemplated hereby.

(c) Seller hereby agrees that, if this Agreement is terminated, and at the time of such termination, there shall be a Superior Competing Transaction, Seller shall promptly (and in any event within two days after such termination) pay the Company all Expenses of the Company by same day funds pursuant to electronic funds transfer.

A-25

ARTICLE VII--CONDITIONS OF MERGER

SECTION 7.1 Conditions to Obligation of Each Party to Effect the Merger. The respective obligations of each party to effect the Merger shall be subject to the satisfaction at or prior to the Effective Time of the following conditions:

(a) Effectiveness of the Registration Statement. The Registration Statement shall have been declared effective by the SEC under the Securities Act. No stop order suspending the effectiveness of the Registration Statement shall have been issued by the SEC and no proceedings for that purpose shall, on or prior to the Effective Time, have been initiated or, to the knowledge of the Company or Seller, threatened by the SEC. The Company shall have received all other Federal or state securities permits and other authorizations necessary to issue Company Common Stock in exchange for Seller Common Stock and to consummate the Merger.

(b) Shareholder Approval. This Agreement, the Plan of Merger and the Merger shall have been approved and adopted by the requisite vote of the shareholders of Seller.

(c) Federal Reserve Board. The Merger shall have been approved by the Federal Reserve Board, which approval shall not contain any materially burdensome condition that would significantly adversely affect the Company, all conditions required to be satisfied prior to the Effective Time imposed by the terms of such approval shall have been satisfied and all waiting periods relating to such approval shall have expired.

(d) No Order. No federal or state governmental or regulatory authority or other agency or commission, or federal or state court of competent jurisdiction, shall have enacted, issued, promulgated, enforced or entered any statute, rule, regulation, executive order, decree, injunction or other order (whether temporary, preliminary or permanent) which is in effect restricting, preventing or prohibiting consummation of the transactions contemplated by this Agreement.

(e) NYSE Listing. The shares of Company Common Stock to be issued at the Effective Time shall have been authorized for listing on the NYSE subject to official notice of issuance.

SECTION 7.2 Additional Conditions to Obligations of the Company. The obligations of the Company to effect the Merger are also subject to the following conditions:

(a) Representations and Warranties. Each of the representations and warranties of Seller contained in this Agreement, without giving effect to any update to the Seller Disclosure Schedule or notice to the Company under Section 4.5 or 6.6, shall be true and correct in all respects as of the date of this Agreement and (except to the extent such representations and warranties speak as of an earlier date) as of the Effective Time as though made on and as of the Effective Time; provided, however, that for purposes of determining the

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

satisfaction of the condition contained in this clause, no effect shall be given to any exception in such representations and warranties relating to materiality or a Material Adverse Effect, and provided, further, however, that, for purposes of this clause, such representations and warranties shall be deemed to be true and correct in all material respects unless the failure or failures of such representations and warranties to be so true and correct, individually or in the aggregate, represent a Material Adverse Effect on the Seller and the Seller Subsidiaries, taken as a whole. Company shall have received a certificate signed on behalf of the Seller by the Chief Executive Officer and the Chief Financial Officer of the Seller to the foregoing effect.

(b) Agreements and Covenants. The Seller shall have performed or complied in all material respects with all agreements and covenants required by this Agreement to be performed or complied with by it on or prior to the Effective Time.

(c) Consents Obtained. All Seller Approvals and all filings required to be made by Seller for the authorization, execution and delivery of this Agreement and the consummation by it of the transactions contemplated hereby shall have been obtained and made by Seller.

A-26

(d) No Challenge. There shall not be pending any action, proceeding or investigation before any court or administrative agency or by a government agency or any other person (i) challenging or seeking material damages in connection with, the Merger or the conversion of Seller Common Stock into the Merger Consideration pursuant to the Merger or (ii) seeking to restrain, prohibit or limit the exercise of full rights of ownership or operation by the Company or the Company Subsidiaries of all or any portion of the business or assets of Seller, which in either case is reasonably likely to have a Material Adverse Effect on either Seller and the Seller Subsidiaries, taken as a whole, or the Company and the Company Subsidiaries, taken as a whole.

(e) Tax Opinion. An opinion of Godfrey & Kahn, S.C., independent counsel to the Company, dated as of the Effective Time, substantially to the effect that on the basis of facts, representations and assumptions set forth in such opinion which are consistent with the state of facts existing at the Effective Time, the Merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code, and accordingly that no gain or loss will be recognized by Seller as a result of the Merger. In rendering such opinion, Godfrey & Kahn may require and rely upon representations and covenants contained in certificates of officers of the Company, the Seller and others.

(f) Opinion of Counsel. The Company shall have received from Maslon Edelman Borman & Brand, or other independent counsel for Seller reasonably satisfactory to the Company, an opinion dated the Effective Time, in form and substance reasonably satisfactory to the Company, covering the matters set forth in Annex C hereto, which opinion shall be based on such assumptions and containing such qualifications and limitations as are appropriate and reasonably satisfactory to the Company.

(g) Comfort Letters. If requested by the Company as provided in Section 4.3, the Company shall have received from McGladrey & Pullen, LLP, the "comfort" letters referred to in Section 4.3.

(h) Affiliate Agreements. The Company shall have received from each person who is identified in the affiliate letter as an "affiliate" of Seller a signed affiliate agreement in the form attached hereto as Exhibit 4.6.

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

(i) Burdensome Condition. There shall not be any action taken, or any statute, rule, regulation or order enacted, entered, enforced or deemed applicable to the Merger, by any federal or state governmental entity which, in connection with the grant of any regulatory approval, imposes any condition or restriction upon the Company or Seller or their respective subsidiaries (or the Surviving Corporation or its subsidiaries after the Effective Time), which would materially adversely impact the economic or business benefits of the transactions contemplated by this Agreement in such a manner as to render inadvisable the consummation of the Merger.

(j) No Material Adverse Changes. Since the date of the Agreement, there has not been any change in the financial condition, results of operations or business of the Seller and the Seller Subsidiaries, taken as a whole, that either individually or in the aggregate would have a Material Adverse Effect on the Seller and the Seller Subsidiaries taken as a whole. The Company shall have received a certificate of the President and the Chief Financial Officer of the Seller to that effect.

(k) Seller Expenses. Seller shall have delivered to the Company evidence in form reasonably satisfactory to the Company that all out-of-pocket expenses (including, without limitation, all fees and expenses of counsel, accountants, investment bankers, experts and consultants to the Seller and its affiliates) incurred by the Seller or on its behalf in connection with or related to the authorization, preparation and execution of this Agreement, the Registration Statement and the Proxy Statement/Prospectus and all SEC and other regulatory filings, the solicitation of shareholder approvals and all other matters related to the closing of the transactions contemplated hereby are not in excess of \$750,000.

(l) Stock Options. With respect to Seller Options, (i) all holders of Seller Options shall have entered into amendment agreements in form and substance reasonably satisfactory to the Company, and (ii) the Company shall have received a certificate of the Secretary of the Seller setting forth the aggregate number of shares of

A-27

Seller Common Stock subject to Seller Options immediately prior to the Effective Time and the aggregate exercise price for such Seller Options.

(m) Lease Consents. Seller shall have obtained the consent of the landlords under leases for the St. Louis Park Branch (one lease and the landlord is Park Place OPCO, LLC) and the Eden Prairie Branch (three leases and the landlord is Century Bank Building Limited Partnership) with respect to the transactions contemplated in this Agreement.

(n) Retention Agreement Approval. Seller shall have obtained the approval of its shareholders of each of the Key Executive Retention Agreements to which its subsidiary is a party in accordance with the requirements of Q&A-7 of proposed Treasury Regulation Section 1.280G-1. The Company shall have received a certificate of the Secretary of the Seller to that effect.

SECTION 7.3 Additional Conditions to Obligations of Seller. The obligation of Seller to effect the Merger is also subject to the following conditions:

(a) Representations and Warranties. Each of the representations and warranties of the Company contained in this Agreement, without giving effect to any notice to Seller under Section 5.3 or 6.6, shall be true and correct in all respects as of the date of this Agreement and (except to the extent such

representations and warranties speak as of an earlier date) as of the Effective Time, as though made on and as of the Effective Time; provided, however, that for purposes of determining the satisfaction of the condition contained in this clause, no effect shall be given to any exception in such representations and warranties relating to materiality or a Material Adverse Effect, and provided, further, however, that, for purposes of this clause, such representations and warranties shall be deemed to be true and correct in all material respects unless the failure or failures of such representations and warranties to be so true and correct, individually or in the aggregate, represent a Material Adverse Effect on the Company. The Seller shall have received a certificate signed on behalf of the Company by the Chief Executive Officer and the Chief Financial Officer of the Company to the foregoing effect.

(b) Agreements and Covenants. The Company shall have performed or complied in all material respects with all agreements and covenants required by this Agreement to be performed or complied with by it on or prior to the Effective Time.

(c) Consents Obtained. All material consents, waivers, approvals, authorizations or orders required to be obtained, and all filings required to be made by the Company for the authorization, execution and delivery of this Agreement and the consummation by it of the transactions contemplated hereby shall have been obtained and made by the Company, except where the failure to obtain any consents, waivers, approvals, authorizations or orders required to be obtained or any filings required to be made would not have a Material Adverse Effect on the Company and the Company Subsidiaries, taken as a whole.

(d) Tax Opinion. The Seller shall have received an opinion of Maslon Edelman Borman & Brand, in form and substance reasonably satisfactory to the Seller, dated as of the Effective Time, substantially to the effect

that on the basis of facts, representations and assumptions set forth in such opinion which are consistent with the state of facts existing at the Effective Time, the Merger will be treated as a reorganization within the meaning of Section 368(a) of the Code, and that, accordingly, for federal income tax purposes:

(i) No gain or loss will be recognized by the Seller as a result of the Merger;

(ii) No gain or loss will be recognized by the shareholders of the Seller who exchange their Seller Common Stock solely for Company Common Stock pursuant to the Merger (except with respect to cash received in lieu of a fractional share interest in Company Common Stock); and

A-28

(iii) The aggregate tax basis of the Company Common Stock received by shareholders who exchange their Seller Common Stock solely for Company Common Stock pursuant to the Merger will be the same as the aggregate tax basis of the Seller Common Stock surrendered in exchange therefor (reduced by any amount allocable to a fractional share interest for which cash is received).

In rendering such opinion, the Seller's Counsel may require and rely upon representations and covenants contained in certificates of officers of Company, the Seller and others.

(e) Opinion of Counsel. Seller shall have received from Godfrey & Kahn, S.C., or other independent counsel for the Company reasonably satisfactory to Seller, opinions dated the Effective Time, in form and substance reasonably

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

satisfactory to Seller, covering the matters set forth in Annex D hereto, which opinion shall be based on such assumptions and contain such qualifications and limitations as are appropriate and reasonably satisfactory to Seller.

(f) No Material Adverse Changes. Since the date of the Agreement, there has not been any change in the financial condition, results of operations or business of the Company and the Company Subsidiaries, taken as a whole, that either individually or in the aggregate would have a Material Adverse Effect on the Company and the Company Subsidiaries taken as a whole. The Seller shall have received a certificate of the President and the Chief Financial Officer of the Company to that effect.

ARTICLE VIII--TERMINATION, AMENDMENT AND WAIVER

SECTION 8.1 Termination.

(a) This Agreement may be terminated at any time prior to the Effective Time, whether before or after approval of the matters presented in connection with the Merger by the shareholders of Seller:

(i) by mutual consent of the Company and Seller by a vote of majority of the members of the entire Board of Directors of both the Company and Seller;

(ii) by Seller or the Company (A) if there has been a breach in any material respect (except that where any statement in a representation or warranty expressly includes a standard of materiality, such statement shall have been breached in any respect) of any representation, warranty, covenant or agreement on the part of the Company, on the one hand, or the Seller, on the other hand, respectively, set forth in this Agreement, or (B) if any representation or warranty of the Company, on the one hand, or the Seller, on the other hand, respectively, shall be discovered to have become untrue in any material respect (except that where any statement in a representation or warranty expressly includes a standard of materiality, such statement shall have become untrue in any respect), in either case which breach or other condition has not been cured within 30 business days following receipt by the nonterminating party of notice of such breach or other condition, or which breach by its nature, cannot be cured prior to Closing; provided, however, neither party shall have the right to terminate this Agreement pursuant to this Section 8.1(a)(ii) unless the breach of any representation or warranty (but not breaches of covenants or agreements), together with all other such breaches, would entitle the party receiving such representation or warranty not to consummate the transactions contemplated hereby under Section 7.2(a) (in the case of a breach of a representation or warranty by the Seller) or Section 7.3(a) (in the case of a breach of representation or warranty by the Company); provided, further, this Agreement may not be terminated pursuant to this clause (ii) by the breaching party or party making any representation or warranty which shall have become untrue in any material respect;

(iii) by either the Company or Seller if any permanent injunction preventing the consummation of the Merger shall have become final and nonappealable;

A-29

(iv) by either the Company or Seller if the Merger shall not have been consummated by June 30, 2002, for a reason other than the failure of the party seeking termination to comply with its obligations under this Agreement; provided that if the Merger shall not have been consummated on or prior to June 30, 2002 as a result of proceedings of a governmental

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

authority or litigation, then the date on which either the Company or the Seller may terminate this Agreement under this Section 8.1(a)(iv) shall be extended to the earlier of (A) the lapse of a reasonable period of time necessary to consummate the Merger following the final termination of proceedings of a governmental authority or litigation or (B) September 30, 2002;

(v) by either the Company or Seller if the Federal Reserve Board has denied approval of the Merger, and neither the Company nor Seller has, within 30 days after the entry of such order denying approval, filed a petition seeking review of such order as provided by applicable law;

(vi) by either the Company or the Seller, if at the Seller Shareholders' Meeting, this Agreement, the Plan of Merger and the Merger shall fail to receive the requisite vote for approval and adoption by the Seller's Shareholders;

(vii) by the Company, if there shall exist a proposal for a Superior Competing Transaction with respect to the Seller and the Board of Directors of the Seller has withdrawn or modified in a manner adverse to the Company its approval and recommendation of this Agreement or the Plan of Merger or its approval or recommendation of the Merger or any other transaction contemplated hereby or if the Board of Directors of the Seller shall have approved or recommended such Superior Competing Transaction; or

(viii) by the Company if any person or persons holding of record or beneficially in the aggregate 5% or more of the outstanding shares of Seller Common Stock deliver a notice or notices of intent to demand payment in respect of such shares in accordance with Section 302A.473 of the MBCA.

SECTION 8.2 Effect of Termination. In the event of the termination of this Agreement pursuant to Section 8.1, this Agreement shall forthwith become void and all rights and obligations of any party hereto shall cease except: (i) as set forth in Section 9.1 of this Agreement and (ii) nothing herein shall relieve any party from liability for any willful breach of this Agreement or shall restrict either party's rights in the case thereof.

SECTION 8.3 Amendment. This Agreement may be amended by the parties hereto by action taken by or on behalf of their respective Boards of Directors at any time prior to the Effective Time; provided, however, that, after approval this Agreement and the Merger by the shareholders of Seller, no amendment may be made which would reduce the amount or change the type of consideration into which each Share shall be converted pursuant to this Agreement upon consummation of the Merger, or which by law would require the further approval of the shareholders of the Seller, in each case without the further approval of the shareholders of the Seller. This Agreement may not be amended except by an instrument in writing signed by the parties hereto.

SECTION 8.4 Waiver. At any time prior to the Effective Time, any party hereto may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other party hereto, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto and (c) waive compliance with any of the agreements or conditions contained herein. Any such extension or waiver shall be valid if set forth in an instrument in writing signed by the party or parties to be bound thereby, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent other failure.

ARTICLE IX--GENERAL PROVISIONS

SECTION 9.5 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. SECTION 9.6 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior agreements and undertakings, both written and oral, between the parties, or any of them, with respect to the subject matter hereof and, except as otherwise expressly provided herein, are not intended to confer upon any other person any rights or remedies hereunder.

SECTION 9.8 Parties in Interest. Except as provided in Section 9.7, this Agreement (including Annex B hereto) shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, other than Section 6.5 (which is intended to be for the benefit of the Indemnified Parties and may be enforced by such Indemnified Parties).

SECTION 9.10 Counterparts. This Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

SECTION 9.11 Time is of the Essence. Time is of the essence of this Agreement.

PLAN OF MERGER

Merging

CENTURY BANCSHARES, INC.
(a Minnesota Corporation)

with and into

MARSHALL & ILSLEY CORPORATION
(a Wisconsin corporation)

Background

Marshall & Ilsley Corporation, a Wisconsin corporation (the "Company"), and Century Bancshares, Inc., a Minnesota corporation (the "Seller"), are parties to an Agreement and Plan of Merger dated as of December 3, 2001 (the "Merger Agreement"), providing for the merger of the Seller with and into the Company (the "Merger") upon the terms and conditions set forth in this Plan of Merger and pursuant to the Minnesota Business Corporation Act (the "MBCA") and the Wisconsin Business Corporation Law (the "WBCL"). The Company and the Seller are sometimes hereinafter together referred to as the "Constituent Corporations." Terms used herein that are not defined herein shall have the meanings ascribed thereto in the Merger Agreement.

Terms and Conditions

1. Merger. The Constituent Corporations shall effect the Merger upon the terms and subject to the conditions set forth in this Plan of Merger.

1.1 The Merger. Upon the terms and subject to the conditions set forth in this Plan of Merger, and in accordance with the MBCA and the WBCL, at the Effective Time (as defined in Section 1.2) Seller shall be merged with and into the Company. As a result of the Merger, the separate corporate existence of Seller shall cease and the Company shall continue as the surviving corporation of the Merger (the "Surviving Corporation").

1.2 Effective Time. As promptly as practicable after the satisfaction or, if permissible, waiver of the conditions set forth in Article VII of the Merger Agreement, the parties hereto shall cause the Merger to be consummated by filing articles of merger (the "Articles of Merger") with the Secretary of State of the State of Minnesota (the "Minnesota Secretary of State") and the Department of Financial Institutions of the State of Wisconsin (the "DFI"), in such form as required by, and executed in accordance with the relevant provisions of, the MBCA and the WBCL (the date and time of the later of such filing with the Minnesota Secretary of State or the DFI is referred to herein as the "Effective Time").

1.3 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in the Merger Agreement and the applicable provisions of the MBCA and the WBCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time, except as otherwise provided herein, all the property, rights, privileges, immunities, powers and franchises of the Company and the Seller shall vest in the Surviving Corporation, and all debts, liabilities and duties of the Company and the Seller shall become the debts, liabilities and duties of the Surviving Corporation.

1.4 Articles of Incorporation; By-Laws. At the Effective Time, the Articles of Incorporation, as amended, of the Company (the "Company Articles") and the By-Laws, as amended, of the Company (the "Company By-Laws"), as in

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

effect immediately prior to the Effective Time, shall be the Articles of Incorporation and the By-Laws of the Surviving Corporation.

B-1

1.5 Directors and Officers. At the Effective Time, the directors of the Company immediately prior to the Effective Time shall be the initial directors of the Surviving Corporation, each to hold office in accordance with the Articles of Incorporation and By-Laws of the Surviving Corporation and to be assigned to the class previously assigned. At the Effective Time, the officers of the Company immediately prior to the Effective Time, shall be the initial officers of the Surviving Corporation, in each case until their respective successors are duly elected or appointed.

1.6 Merger Consideration

(a) The aggregate dollar value of the merger consideration shall be \$66,000,000 minus the Option Payment Amount as defined in (c) below (the "Merger Consideration"). The Merger Consideration shall consist of shares of common stock, par value \$1.00 per share, of the Company ("Company Common Stock"); provided, however, that up to \$30,000,000 minus the Option Payment Amount (the "Cash Amount") of the Merger Consideration may be payable in cash at the election of holders of the Seller Common Stock (as hereinafter defined). For purposes of valuing the Company Common Stock as part of the Merger Consideration, one share of Company Common Stock will be deemed to have a value equal to the average of the average high and low sale price per share of Company Common Stock on the New York Stock Exchange (the "NYSE") as reported in the Midwest Edition of The Wall Street Journal for the ten (10) consecutive trading days ending on and including the second trading day preceding the Effective Time (the "Average Trading Price"). The Company agrees that all of the Company's purchases of Company Common Stock shall be in accordance with Regulation M of the Exchange Act.

(b) The "Per Share Merger Consideration" shall be an amount equal to the aggregate value of the Merger Consideration divided by the total number of shares of Series A common stock, \$.01 par value, and Series B common stock, \$.01 par value, of the Seller (collectively, the "Seller Common Stock") issued and outstanding immediately prior to the Effective Time (the "Outstanding Seller Common Stock").

(c) The "Option Payment Amount" shall be an amount equal to (A) the number of shares of Seller Common Stock subject to options immediately prior to the Effective Time (such options are referred to collectively as the "Outstanding Options") multiplied by \$7.398 (such product to be rounded to the nearest whole cent), minus (B) the aggregate exercise price of all Outstanding Options.

1.7 Conversion of Securities; Dissenting Shares. Subject to Section 1.7(h) regarding fractional shares, at the Effective Time, by virtue of the Merger and without action on the part of the Company, the Seller or the holders of the Seller's securities:

(a) Each share of Seller Common Stock issued and outstanding immediately prior to the Effective Time, other than Shares owned by the Company or any direct or indirect wholly owned Company Subsidiary or Seller Subsidiary for its own account (all such shares of Seller Common Stock issued and outstanding immediately prior to the Effective Time being referred to herein as the "Shares") and other than Dissenting Shares (as defined in Section 1.7(j)), shall be converted into the right to receive a number of shares of Company Common Stock, determined by dividing the Per Share Merger

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Consideration by the Average Trading Price and rounding the result to the nearest one thousandth of a share (the "Stock Consideration"); provided, however, that, subject to the election and allocation procedures set forth in this Section 1.7, each holder of such Shares will be entitled, with respect to the Merger Consideration to be received for each such Share held by the holder, to elect to receive cash from the Company, without interest (a "Cash Election"), in an amount equal to the Per Share Merger Consideration (the "Cash Consideration").

(b) The number of Shares which may be converted into the right to receive the Cash Consideration in the Merger shall be no more than (i) the Cash Amount divided by the Per Share Merger Consideration (rounded down to the nearest whole number) minus (ii) the total number of Dissenting Shares, if any (the "Cash Election Number").

(c) If the aggregate number of Shares covered by Cash Elections (the "Cash Election Shares") exceeds the Cash Election Number, each Cash Election Share shall be converted, at the Effective Time, into the right

B-2

to receive (i) an amount in cash, without interest, equal to the product of (x) the Per Share Merger Consideration and (y) a fraction (the "Cash Fraction"), the numerator of which shall be the Cash Election Number and the denominator of which shall be the total number of Cash Election Shares, and (ii) a number of shares of Company Common Stock equal to the product of (x) the Stock Consideration and (y) a fraction equal to one minus the Cash Fraction.

(d) In the event that Section 1.7(c) above is inapplicable, all Cash Election Shares shall be converted, at the Effective Time, into the right to receive the Cash Consideration and all other Shares, other than Dissenting Shares, shall be converted, at the Effective Time, into the right to receive the Stock Consideration.

(e) All Cash Elections shall be made on a form designed for that purpose and mutually acceptable to the Company and Seller (a "Form of Election") and mailed to holders of record of Shares as of the record date for the Seller Shareholders' Meeting or such other date as the Company and the Seller shall mutually agree (the "Election Form Record Date"). The Company and the Seller shall make available one or more Election Forms as may be reasonably requested by all persons who become holders of record of Shares between the Election Form Record Date and the Election Deadline (as defined below). Elections shall be made by submitting to the Exchange Agent (as defined below) a duly completed Form of Election. To be effective, a Form of Election must be properly completed, signed and submitted to the Exchange Agent in accordance with Section 1.7(f). The Company will have the discretion, which it may delegate in whole or in part to the Exchange Agent, to reasonably determine whether Forms of Election have been properly completed, signed and submitted or revoked and to disregard immaterial defects in Forms of Election. The decision of the Company (or the Exchange Agent) shall be conclusive and binding. Neither the Company nor the Exchange Agent will be under any obligation to notify any person of any defect in a Form of Election submitted to the Exchange Agent. The Exchange Agent shall also make all computations contemplated by this Section 1.7 and all computations shall be conclusive and binding on the holders of Shares.

(f) A Form of Election must be received by the Exchange Agent by the close of business of the last business day prior to the date of the Seller Shareholders' Meeting in order to be effective. Such time on such date shall

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

hereinafter be referred to as the "Election Deadline." Any holder of Shares who has made an election may at any time prior to the Election Deadline change or withdraw its election by written notice to the Exchange Agent prior to the Election Deadline. As soon as practicable after the Election Deadline, the Exchange Agent shall determine the allocation of the cash portion of the Merger Consideration and the stock portion of the Merger Consideration and shall notify the Company of its determination.

(g) The Shares of a holder who does not submit a Form of Election which is received by the Exchange Agent prior to the Election Deadline (other than Dissenting Shares) shall be converted into the right to receive the Stock Consideration at the Effective Time. If the Company or the Exchange Agent shall determine that any purported Cash Election was not properly made, the purported Cash Election shall be deemed to be of no force and effect and the Shares of the holder making such purported Cash Election shall be converted into the right to receive the Stock Consideration at the Effective Time.

(h) No fractional shares of Company Common Stock shall be issued in the Merger. All fractional shares of Company Common Stock that a holder of any Shares would otherwise be entitled to receive as a result of the Merger shall be aggregated. If a fractional share of Company Common Stock results from the aggregation, the holder shall be entitled to receive, in lieu thereof, a cash amount, without interest, determined by multiplying the Average Trading Price by the fraction of a share of Company Common Stock to which the holder would otherwise have been entitled. As promptly as practicable after the determination of the amount of cash, if any, to be paid to holders of fractional share interests, the Exchange Agent shall so notify the Company, and the Company shall deposit that amount with the Exchange Agent and shall cause the Exchange Agent to forward payments to the holders of fractional share interests, subject to and in accordance with the terms of this Section 1.7.

B-3

(i) Each share of Seller Common Stock held by the Company or any direct or indirect wholly owned Company Subsidiary or Seller Subsidiary for its own account shall be canceled and extinguished at the Effective Time without conversion thereof into the Merger Consideration or payment therefor.

(j) Notwithstanding anything in this Plan of Merger to the contrary, shares of Seller Common Stock which are issued and outstanding immediately prior to the Effective Time and which are held by shareholders or beneficial owners who have validly exercised and perfected dissenter's rights with respect to those Shares under Sections 302A.471 and 302A.473 of the MBCA and have not withdrawn or lost such rights (the "Dissenting Shares") shall not be converted into or be exchangeable for the right to receive the Merger Consideration in accordance with this Section 1.7, unless and until such holders or beneficial owners shall have failed to perfect or shall have effectively withdrawn or lost their dissenter's rights with respect to such Dissenting Shares under the MBCA. Dissenting Shares shall be treated in accordance with Sections 302A.471 and 302A.473 of the MBCA, if and to the extent applicable. If, after the Effective Time, any such holder or beneficial owner shall have failed to perfect or shall have effectively withdrawn or lost such right to dissent with respect to any Dissenting Shares, such Dissenting Shares shall thereupon be treated as if they had been converted into and become exchangeable only for the right to receive, as of the Effective Time, the Stock Consideration in accordance with this Section 1.7, without any interest thereon. Seller shall give the Company (a) prompt notice of each and every notice of a shareholder's or beneficial owner's intent to demand payment of the "fair value" of the shareholder's or

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

beneficial owner's Shares, attempted withdrawals of such demands, and any other instruments served pursuant to the MBCA and received by the Seller relating to rights to be paid the "fair value" of Shares, as provided in Sections 302A.471 and 302A.473 of the MBCA and (b) the opportunity to direct all negotiations and proceedings with respect to such demands for "fair value." Seller shall not, except with the prior written consent of the Company, voluntarily make any payment with respect to, offer to settle or settle, or approve any withdrawal of any such demands for "fair value."

(k) Each option to purchase shares of Seller Common Stock (each, a "Seller Option") outstanding under any stock option plan immediately prior to the Effective Time, whether or not vested or exercisable, shall be converted into the right to receive cash from the Company in an amount equal to (A) the number of shares of Seller Common Stock subject to such Seller Option multiplied by (B) \$7.398 (the product of (A) and (B) shall be rounded to the nearest whole cent), minus (C) the aggregate exercise price for such Seller Option. After the Effective Time, each Seller Option shall represent only the right to receive the cash amount described above and shall not represent a right to receive any securities of the Company.

1.8 Exchange of Certificates.

(a) Exchange Agent. The Company shall deposit, or shall cause to be deposited, from time to time, with a bank or trust company designated by the Company and which may be an affiliate of the Company (the "Exchange Agent"), for the benefit of the holders of Shares, for exchange in accordance with this Section 1, through the Exchange Agent, the Merger Consideration, together with any dividends or distributions with respect thereto, if any, to be paid in respect of Shares pursuant to this Section 1 (the "Exchange Fund"). Such deposits shall be made after the Effective Time as requested by the Exchange Agent in order for the Exchange Agent to promptly deliver the Merger Consideration.

(b) Exchange Procedures. As soon as reasonably practicable after the Effective Time, the Exchange Agent shall mail to each holder of record of a certificate representing Shares which were converted into the right to receive the Merger Consideration pursuant to Section 1.7 (each, a "Certificate" and collectively, the "Certificates"), (i) a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent and shall be in such form and have such other provisions as the Company may reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration. Upon surrender of a Certificate for cancellation to the Exchange Agent together with such letter of transmittal, duly executed, the holder of such Certificate shall be entitled to receive in exchange therefor the Merger Consideration and any unpaid dividends and distributions thereon as provided in this Section 1,

B-4

which such holder has the right to receive in respect of the Certificate surrendered pursuant to the provisions of this Section 1, and the Certificate so surrendered shall forthwith be canceled. In the event of a transfer of ownership of Shares which is not registered in the transfer records of the Seller, a transferee may exchange the Certificate representing such Shares for the Merger Consideration and any unpaid dividends and distributions thereon as provided in this Section 1 if the Certificate representing such Shares is presented to the Exchange Agent, accompanied by all documents required to evidence and effect such transfer

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

and by evidence that any applicable stock transfer taxes have been paid. In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and the posting by such person of a bond in such amount as the Company may direct as indemnity against any claim that may be made against it or the Exchange Agent with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration and any unpaid dividends and distributions thereon as provided in this Section 1, which such holder would have had the right to receive in respect of such lost, stolen or destroyed Certificate. Until surrendered as contemplated by this Section 1.8, each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Consideration and any unpaid dividends and distributions thereon as provided in this Section 1.

(c) Distributions with Respect to Unexchanged Shares. No dividends or other distributions declared or made after the Effective Time with respect to Company Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of Company Common Stock issuable in exchange for the Shares represented thereby, and no cash payment in lieu of fractional shares shall be paid to any such holder pursuant to Section 1.7(h), until the holder of such Certificate shall surrender such Certificate. Subject to the effect of applicable laws, following surrender of any such Certificate, there shall be paid to the holder of the certificates representing whole shares of Company Common Stock issued in exchange therefor, without interest, (i) promptly, the amount of any cash payable with respect to a fractional share of Company Common Stock to which such holder is entitled pursuant to Section 1.7(h) and the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole shares of Company Common Stock, and (ii) at the appropriate payment date, the amount of dividends or other distributions, with a record date after the Effective Time but prior to surrender and a payment date occurring after surrender, payable with respect to such whole shares of Company Common Stock.

(d) No Further Rights in the Shares. All Merger Consideration issued or paid upon conversion of the Shares in accordance with the terms hereof (including any cash paid pursuant to Section 1.7(h)) shall be deemed to have been issued or paid in full satisfaction of all rights pertaining to such Shares.

(e) Termination of Exchange Fund. Any portion of the Exchange Fund which remains undistributed to the former shareholders of Seller for six (6) months after the Effective Time shall be delivered to the Company, upon demand, and any former shareholders of Seller who have not theretofore complied with this Section 1 shall thereafter look only to the Company to claim the Merger Consideration to which they are entitled, any cash in lieu of fractional shares of Company Common Stock and any dividends or distributions with respect to Company Common Stock, in each case without interest thereon, and subject to Section 1.8(f).

(f) No Liability. Neither the Company nor the Seller shall be liable to any former holder of Shares for any shares of Company Common Stock (or dividends or distributions with respect thereto) or cash or other payment delivered to a public official pursuant to any abandoned property, escheat or similar laws.

(g) Withholding Rights. The Company shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Plan of Merger to any former holder of Shares or any holder of Seller Options such amounts as the Company is required to deduct and withhold with respect to

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

the making of such payment under the Code, or any provision of state, local or foreign tax law. To the extent that amounts are so withheld by the Company, such withheld amounts shall be treated for all purposes of this Plan of Merger as having been paid to the former holder of the Shares or the former holder of Seller Options, as the case may be, in respect of which such deduction and withholding was made by the Company.

B-5

1.9 Stock Transfer Books. At the Effective Time, the stock transfer books of Seller shall be closed and there shall be no further registration of transfers of shares of Seller Common Stock thereafter on the records of Seller. From and after the Effective Time, the holders of certificates evidencing ownership of shares of Seller Common Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Shares except as otherwise provided herein or by law. On or after the Effective Time, any Certificates presented to the Exchange Agent or the Company for any reason shall be converted into the Merger Consideration in accordance with this Section 1.

1.10 Adjustments for Dilution and Other Matters. If, after the date of the Merger Agreement and during the period in which the Average Trading Price is determined, the Company shall declare a stock dividend or distribution upon or subdivide, split up, reclassify or combine the Company Common Stock or declare a dividend or make a distribution on the Company Common Stock in any security convertible into Company Common Stock, appropriate adjustment or adjustments, if any, will be made to the Merger Consideration and the Stock Consideration determined pursuant to Sections 1.6(a) and 1.7(a).

1.11 Company Common Stock. The shares of Company Common Stock issued and outstanding immediately prior to the Effective Time shall be unaffected by the Merger and at the Effective Time, such shares shall remain issued and outstanding.

APPENDIX C

MINNESOTA BUSINESS CORPORATION ACT DISSENTERS' RIGHTS

302A.471 RIGHTS OF DISSENTING SHAREHOLDERS.--Subdivision 1. Actions creating rights. A shareholder of a corporation may dissent from, and obtain payment for the fair value of the shareholder's shares in the event of, any of the following corporate actions:

(a) An amendment of the articles that materially and adversely affects the rights or preferences of the shares of the dissenting shareholder in that it:

(1) alters or abolishes a preferential right of the shares;

(2) creates, alters, or abolishes a right in respect of the redemption of

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

the shares, including a provision respecting a sinking fund for the redemption or repurchase of the shares;

(3) alters or abolishes a preemptive right of the holder of the shares to acquire shares, securities other than shares, or rights to purchase shares or securities other than shares;

(4) excludes or limits the right of a shareholder to vote on a matter, or to cumulate votes, except as the right may be excluded or limited through the authorization or issuance of securities of an existing or new class or series with similar or different voting rights; excepts that an amendment to the articles of an issuing public corporation that provides that section 302A.671 does not apply to a control share acquisition does not give rise to the right to obtain payment under this section;

(b) A sale, lease, transfer, or other disposition of all or substantially all of the property and assets of the corporation, but not including a transaction permitted without shareholder approval in section 302A.661, subdivision 1, or a disposition in dissolution described in section 302A.725, subdivision 2, or a disposition pursuant to an order of a court, or a disposition for cash on terms requiring that all or substantially all of the net proceeds of disposition be distributed to the shareholders in accordance with their respective interests within one year after the date of disposition;

(c) A plan of merger, whether under this chapter or under chapter 322B, to which the corporation is a constituent organization, except as provided in subdivision 3;

(d) A plan of exchange, whether under this chapter or under chapter 322B, to which the corporation is a party as the corporation whose shares will be acquired by the acquiring corporation, except as provided in subdivision 3; or

(e) Any other corporate action taken pursuant to a shareholder vote with respect to which the articles, the bylaws, or a resolution approved by the board directs that dissenting shareholders may obtain payment for their shares.

Subdivision 2. Beneficial owners.

(a) A shareholder shall not assert dissenters' rights as to less than all of the shares registered in the name of the shareholder, unless the shareholder dissents with respect to all the shares that are beneficially owned by another person but registered in the name of the shareholder and discloses the name and address of each beneficial owner on whose behalf the shareholder dissents. In that event, the rights of the dissenter shall be determined as if the shares as to which the shareholder has dissented and the other shares were registered in the names of different shareholders.

C-1

(b) A beneficial owner of shares who is not the shareholder may assert dissenters' rights with respect to shares held on behalf of the beneficial owner, and shall be treated as a dissenting shareholder under the terms of this section and section 302A.473, if the beneficial owner submits to the corporation at the time of or before the assertion of the rights a written consent of the shareholder.

Subdivision 3. Rights not to apply.

(a) Unless the articles, the bylaws, or a resolution approved by the board otherwise provide, the right to obtain payment under this section does not

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

apply to a shareholder of (1) the surviving corporation in a merger with respect to shares of the shareholder that are not entitled to be voted on the merger and are not canceled or exchanged in the merger or (2) the corporation whose shares will be acquired by the acquiring corporation in a plan of exchange with respect to shares of the shareholder that are not entitled to be voted on the plan of exchange and are not exchanged in the plan of exchange.

(b) If a date is fixed according to section 302A.445, subdivision 1, for the determination of shareholders entitled to receive notice of and to vote on an action described in subdivision 1, only shareholders as of the date fixed, and beneficial owners as of the date fixed who hold through shareholders, as provided in subdivision 2, may exercise dissenters' rights.

Subdivision 4. Other rights. The shareholders of a corporation who have a right under this section to obtain payment for their shares do not have a right at law or in equity to have a corporate action described in subdivision 1 set aside or rescinded, except when the corporate action is fraudulent with regard to the complaining shareholder or the corporation. (Last amended by Ch. 264, L. '00, eff. 8-1-00.)

302A.473 PROCEDURES FOR ASSERTING DISSENTERS' RIGHTS.--Subdivision 1. Definitions.

(a) For purposes of this section, the terms defined in this subdivision have the meanings given them.

(b) "Corporation" means the issuer of the shares held by a dissenter before the corporate action referred to in section 302A.471, subdivision 1 or the successor by merger of that issuer.

(c) "Fair value of the shares" means the value of the shares of a corporation immediately before the effective date of the corporate action referred to in section 302A.471, subdivision 1.

(d) "Interest" means interest commencing five days after the effective date of the corporate action referred to in section 302A.471, subdivision 1, up to and including the date of payment, calculated at the rate provided in Section 549.09 for interest on verdicts and judgments.

Subdivision 2. Notice of action. If a corporation calls a shareholder meeting at which any action described in section 302A.471, subdivision 1 is to be voted upon, the notice of the meeting shall inform each shareholder of the right to dissent and shall include a copy of Section 302A.471 and this section and a brief description of the procedure to be followed under these sections.

Subdivision 3. Notice of dissent. If the proposed action must be approved by the shareholders, a shareholder who is entitled to dissent under Section 302A.471 and who wishes to exercise dissenters' rights must file with the corporation before the vote on the proposed action a written notice of intent to demand the fair value of the shares owned by the shareholder and must not vote the shares in favor of the proposed action.

Subdivision 4. Notice of procedure; deposit of shares.

(a) After the proposed action has been approved by the board and, if necessary, the shareholders, the corporation shall send to all shareholders who have complied with subdivision 3 and to all shareholders entitled to dissent if no shareholder vote was required, a notice that contains:

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

(1) the address to which a demand for payment and certificates of certificated shares must be sent in order to obtain payment and the date by which they must be received;

(2) any restrictions on transfer of uncertificated shares that will apply after the demand for payment is received;

(3) a form to be used to certify the date on which the shareholder, or the beneficial owner on whose behalf the shareholder dissents, acquired the shares or an interest in them and to demand payment; and

(4) a copy of section 302A.471 and this section and a brief description of the procedures to be followed under these sections.

(b) In order to receive the fair value of the shares, a dissenting shareholder must demand payment and deposit certificated shares or comply with any restrictions on transfer of uncertificated shares within 30 days after the notice required by paragraph (a) was given, but the dissenter retains all other rights of a shareholder until the proposed action takes effect.

Subdivision 5. Payment; return of shares.

(a) After the corporate action takes effect, or after the corporation receives a valid demand for payment, whichever is later, the corporation shall remit to each dissenting shareholder who has complied with subdivisions 3 and 4 the amount the corporation estimates to be the fair value of the shares, plus interest, accompanied by:

(1) the corporation's closing balance sheet and statement of income for a fiscal year ending not more than 16 months before the effective date of the corporate action, together with the latest available interim financial statements;

(2) an estimate by the corporation of the fair value of the shares and a brief description of the method used to reach the estimate; and

(3) a copy of section 302A.471 and this section, and a brief description of the procedure to be followed in demanding supplemental payment.

(b) The corporation may withhold the remittance described in paragraph (a) from a person who was not a shareholder on the date the action dissented from was first announced to the public or who is dissenting on behalf of a person who was not a beneficial owner on that date. If the dissenter has complied with subdivisions 3 and 4, the corporation shall forward to the dissenter the materials described in paragraph (a), a statement of the reason for withholding the remittance, and an offer to pay to the dissenter the amount listed in the materials if the dissenter agrees to accept that amount in full satisfaction. The dissenter may decline the offer and demand payment under subdivision 6. Failure to do so entitles the dissenter only to the amount offered. If the dissenter makes demand, subdivisions 7 and 8 apply.

(c) If the corporation fails to remit payment within 60 days of the deposit of certificates or the imposition of transfer restrictions on uncertificated shares, it shall return all deposited certificates and cancel all transfer restrictions. However, the corporation may again give notice under subdivision 4 and require deposit or restrict transfer at a later time.

Subdivision 6. Supplemental payment; demand. If a dissenter believes that the amount remitted under subdivision 5 is less than the fair value of the shares plus interest, the dissenter may give written notice to the corporation

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

of the dissenter's own estimate of the fair value of the shares, plus interest, within 30 days after the corporation mails the remittance under subdivision 5, and demand payment of the difference. Otherwise, a dissenter is entitled only to the amount remitted by the corporation.

Subdivision 7. Petition; determination. If the corporation receives a demand under subdivision 6, it shall, within 60 days after receiving the demand, either pay to the dissenter the amount demanded or agreed to by the

C-3

dissenter after discussion with the corporation or file in court a petition requesting that the court determine the fair value of the shares, plus interest. The petition shall be filed in the county in which the registered office of the corporation is located, except that a surviving foreign corporation that receives a demand relating to the shares of a constituent domestic corporation shall file the petition in the county in this state in which the last registered office of the constituent corporation was located. The petition shall name as parties all dissenters who have demanded payment under subdivision 6 and who have not reached agreement with the corporation. The corporation shall, after filing the petition, serve all parties with a summons and copy of the petition under the rules of civil procedure. Nonresidents of this state may be served by registered or certified mail or by publication as provided by law. Except as otherwise provided, the rules of civil procedure apply to this proceeding. The jurisdiction of the court is plenary and exclusive. The court may appoint appraisers, with powers and authorities the court deems proper, to receive evidence on and recommend the amount of the fair value of the shares. The court shall determine whether the shareholder or shareholders in question have fully complied with the requirements of this section, and shall determine the fair value of the shares, taking into account any and all factors the court finds relevant, computed by any method or combination of methods that the court, in its discretion, sees fit to use, whether or not used by the corporation or by a dissenter. The fair value of the shares as determined by the court is binding on all shareholders, wherever located. A dissenter is entitled to judgment in cash for the amount by which the fair value of the shares as determined by the court, plus interest, exceeds the amount, if any, remitted under subdivision 5, but shall not be liable to the corporation for the amount, if any, by which the amount, if any, remitted to the dissenter under subdivision 5 exceeds the fair value of the shares as determined by the court, plus interest.

Subdivision 8. Costs; fees; expenses.

(a) The court shall determine the costs and expenses of a proceeding under subdivision 7, including the reasonable expenses and compensation of any appraisers appointed by the court, and shall assess those costs and expenses against the corporation, except that the court may assess part or all of those costs and expenses against a dissenter whose action in demanding payment under subdivision 6 is found to be arbitrary, vexatious, or not in good faith.

(b) If the court finds that the corporation has failed to comply substantially with this section, the court may assess all fees and expenses of any experts or attorneys as the court deems equitable. These fees and expenses may also be assessed against a person who has acted arbitrarily, vexatiously, or not in good faith in bringing the proceeding, and may be awarded to a party injured by those actions.

(c) The court may award, in its discretion, fees and expenses to an attorney for the dissenters out of the amount awarded to the dissenters, if any. (Last amended by Ch. 10, L. '97, eff. 8-1-97.)

CENTURY BANCSHARES, INC. AND SUBSIDIARIES

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF
OPERATIONS
SELECTED FINANCIAL DATA

Changes in Financial Condition

Total Century Bancshares, Inc. and subsidiaries (the Company) assets at year end 2000 were \$278,050,000. During 2000, assets increased by \$49,448,000 or 21.6%. The majority of this increase was in gross loans, which increased by \$46,730,000 or 24.8% to \$235,207,000. The loan growth experienced was primarily due to increased commercial and commercial real estate loan activity within the Minneapolis metropolitan market.

Most of the increased loan balances were funded by an increase in total deposits. Total deposits increased from \$200,318,000 at December 31, 1999 to \$238,956,000 at December 31, 2000, an increase of \$38,638,000, or 19.3%. The majority of the deposit growth was in additional certificates of deposits within the Company's Minneapolis metropolitan market area. There was also an increase in brokered certificates of deposit and Federal Home Loan Bank term notes. In order to meet the record loan demand, the Company needed to rely more heavily on non-core deposit funding throughout the year. These sources of funds however, remain at less than 10% of total assets. The Company refinanced its note payable and borrowed an additional \$665,000 through this financing.

Stockholders' equity increased by \$3,757,000 or 19.2% in 2000. This increase resulted from Company net income of \$3,970,000 and a \$372,000 increase in unrealized gains on securities available-for-sale. The Company also redeemed shares of stock held by a former employee. No dividends were declared or paid.

Total securities increased by \$4,891,000 in 2000. Cash and cash equivalents combined with federal funds sold decreased by \$619,000 in 2000.

During the period from December 31, 2000 to September 30, 2001, total assets grew by \$64,540,000, an increase of 23.2%; a significant portion of this increase was in the purchase of a non-bank subsidiary, Spectrum Commercial Services Company (Spectrum). Spectrum is an asset based lending company with total assets as of September 30, 2001 of \$20,154,000. On October 31, 2001, the Company sold its interest in Spectrum to an investor group comprised of certain officers and directors of the Company for an amount approximating carrying value.

In addition to the purchase of Spectrum, loan balances at the Company's subsidiary bank grew by \$22,672,000 or 9.6% during the nine-month period.

In September 2001, the Company sold its 60 percent limited partnership interest in Century Bank Building Partnership to certain officers of the Company. The sales price was based on the appraised fair value of the building less existing debt in the partnership and resulted in a gain to the Company of approximately \$1,271,000, of which, approximately \$338,000 was deferred. The Bank's lease with the building partnership was substantially unchanged.

Total deposits increased by \$36,223,000, or 15.2% during the period from December 31, 2000 to September 30, 2001. The Company continued its efforts to

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

expand depository relationships with its existing customer base. In addition, several new larger account relationships were initiated within the Twin Cities market. The growth in deposit balances was balanced in mix between the following deposit accounts: demand deposits and NOW accounts grew by \$11,465,000, money market savings grew by \$11,823,000 and certificates of deposits grew by \$12,935,000.

Notes payable increased \$27,612,000 during the nine months ended September 30, 2001. The increase is comprised of \$10,000,000 in FHLB advances at the subsidiary bank, \$2,000,000 to fund the purchase of Spectrum, and \$15,000,000 in borrowings at Spectrum to fund its asset based lending activities.

Stockholders' equity increased by \$4,208,000 from December 31, 2000 to September 30, 2001. The increase came from \$3,911,000 of net income and the remainder from the change in unrealized gains on available-for-sale securities. No dividends were declared or paid.

D-1

Results of Operations for the Nine Months Ended September 30, 2001 Compared with the Nine Months Ended September 30, 2000

For the nine months ended September 30, 2001, the Company's net income increased by \$808,000 or 26.0% over the same nine-month period in 2000. As discussed in further detail below, the increase primarily resulted from increased net interest income of \$1,004,000 and a gain on sale of the limited partnership of \$933,000.

Net interest income increased by \$1,004,000, or 9.7%, to \$11,308,000. While the Company's net interest margin declined to 5.16% from 5.81% for the nine month period ended September 30, 2001 and 2000, respectively, the primary component of this decrease was a drop in the prime lending rate of 350 basis points, an increase in volume of earning assets more than offset this decline. Another factor contributing to the decline in net interest margin is the increase in notes payable as a percentage of interest bearing liabilities.

The balance in the allowance for loan losses is based on management's evaluation of the loan portfolio. Management determines the adequacy of the allowance for loan losses based on past loan loss experience, current economic conditions, and composition of the loan portfolio and the potential for future loss. During the nine month period ended September 30, 2001, there were \$21,700 less in net charge-offs compared with the same period in 2000. As a result of this and due to an increase in the quality of the loan portfolio, the provision for loan losses decreased by \$199,000 to \$360,000 for the nine month period ended September 30, 2001 compared to this same period in 2000. Management believes the reserve is adequate to absorb estimated losses in the loan portfolio. The loan loss reserve to total loans was 1.57% as of September 30, 2001.

Other income increased by \$1,999,000, or 164% for the first nine months of 2001 compared to the first nine months of 2000. The increase was primarily due to the gain on sale of the limited partnership interest of \$933,000. Also, the addition of our non bank subsidiary, Spectrum contributed \$776,000 in other income for the period ending September 30, 2001. There was also an increase of \$200,000 in service release premiums and other fees related to Century Bank's mortgage department.

Operating expenses increased from \$5,975,000 to \$7,865,000, an increase of \$1,890,000, or 32% for the first nine months of 2001 compared to the same period in 2000. This increase was primarily related to the addition of

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Spectrum, whose total operating expenses were \$1,272,000 for the first nine months of 2001, and a \$469,000 increase in salaries and benefits at the subsidiary bank.

Income tax expense increased by \$503,000 in the first nine months of 2001 compared with the same period in 2000 due to an increase of approximately \$1,312,000 in pre-tax income. The effective tax rate was approximately 38% during both periods.

Results of Operations for the Years Ended December 31, 2000, 1999 and 1998

Net income in 2000 totaled \$3,969,000, an increase of \$745,000 or 23.1% over the \$3,224,000 earned in 1999. Net income in 1999 was \$762,000 or 31.0% over the 1998 level of \$2,462,000. The growth in net income was due largely to the growth in assets of the Company's subsidiary bank, increased loan fees and improved operating efficiency. At December 31, 2000, 1999 and 1998, the total assets per employee were approximately \$3.4 million, \$3.0 million and \$3.0 million, respectively.

Net interest income increased \$2,616,000, or 22.8% to \$14,084,000 in 2000 compared to \$11,468,000 in 1999. The 1999 total represented an increase of \$1,162,000, or 11.3% compared to 1998. The net interest margin for 2000 was 5.86% compared with 6.11% in 1999 and 5.68% in 1998. The margin has been compressed during the past year as a result of increasing competitive pressures. Loan yields increased by 73 basis points from 1999 compared to 2000, however, competitive pressures caused the effective rate paid on deposits to increase 95 basis points from 4.09% in 1999 to 5.04% in 2000. From 1998 to 1999, the yield on earning assets increased by 28 basis points, from 8.77% in 1998 to 9.05% in 1999. There was also a reduction in the cost of deposits by 55 basis points. The level of year to date average earning assets increased by \$4.7 million from 1998 to 1999 and by \$54.7 million from 1999 to 2000.

D-2

The provision for loan losses was \$1,053,000 for 2000, representing an increase of \$559,000 or 113.2% over the \$494,000 of loss provision charged to operations in 1999. The 1999 provision was \$159,000 or 24.4% less than the provision of \$653,000 incurred in 1998. Net charge-off activity has been minimal in comparison to total outstanding loans in all of the three comparison years. The percentage of the allowances for loan losses to total gross loans outstanding decreased from 1.50% to 1.47% from 1998 to 1999. The percentage of the allowances for loan losses to total gross loans outstanding increased from 1.47% to 1.59% from 1999 to 2000 due to an increase in credit risk and provisions made to loan loss reserve totaling \$1,053,000.

Other income consists primarily of deposit account service charges, related fee income, and the equity in earnings of the limited partnership. Other income increased by \$441,000 or 42.3% in 2000 compared to 1999 and by \$17,000 or 1.6% in 1999 compared to 1998. Increases in deposit volume attribute to this increase in fee income.

Other expenses increased \$1,341,000 or 19.6% in 2000 compared to a \$110,000 or 1.6% increase in 1999 over 1998 levels. Salary and related benefit expenses increased by \$885,000 or 22.4% in 2000 due to an increase in the number of full time equivalent employees and also to an increase in base compensation and individual performance incentives. Salary and benefits decreased by \$78,000 or 1.9% from 1998 to 1999. Occupancy expenses increased \$153,000 in 2000 and \$237,000 in 1999 primarily due to increases in office space under lease in the Eden Prairie location.

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Income tax expense increased by \$412,000 or 21.0% from 1999 to 2000 while the increase from 1998 to 1999 was \$466,000 or 31.1%. The effective income tax rates approximated 38% during each of these years.

Liquidity and Capital Resources

The concept of liquidity comprises the ability of an enterprise to maintain sufficient cash flow to meet its needs and obligations on a timely basis. Bank liquidity must be considered in terms of the nature and mix of the institution's sources and uses of funds. Bank liquidity is provided from several asset categories. The asset side of the balance sheet provides liquidity through maturities of investment securities and repayment of loans. Cash and amounts due from correspondent banks, investment securities available for sale and Federal funds sold are primarily sources of asset liquidity. At December 31, 2000, these categories totaled approximately \$39.0 million; these categories totaled approximately \$62.6 million at September 30, 2001.

The Company has no significant plans for major capital expenditures in 2002.

Management believes that, in the current economic environment, the Bank's liquidity position is adequate. There are no known trends, nor any known demands, commitments, events or uncertainties that will result or are reasonably likely to result in a material increase or decrease in the Bank's liquidity.

Effects of Inflation

The Company's consolidated financial statements and notes thereto have been prepared in accordance with generally accepted accounting principles, which require the measurement of financial position and operating results in terms of historical dollars without considering the changes in the relative purchasing power of money over time due to inflation. The impact of inflation is reflected in the increased cost of the Company's operations. Unlike most industrial companies, nearly all of the assets and liabilities of the Company are monetary in nature. As a result, interest rates have a greater impact on the Company's performance than do the effects of general levels of inflation. Interest rates do not necessarily move in the same direction or to the same extent as the price of goods and services.

Regulatory Capital Requirements

The Federal Reserve Board, the Company's primary regulator, has adopted risk-based capital regulations, which require the Company to maintain certain risk based capital/asset ratios. The Company's capital ratios and those of the Bank exceed the minimum ratios required by their respective regulators. The Office of the Comptroller of Currency (OCC) examines and regulates the Bank. Management is not aware of any pending regulatory requirements or recommendations that, if enacted, would have a material adverse impact on the Company's capital, liquidity, or results of operations.

Note 1. Summary of Significant Accounting Policies

Nature of business: Century Bancshares, Inc., is a bank holding company. Its wholly owned subsidiary, Century Bank, National Association (Bank), is a commercial bank with branch operations in Eden Prairie, St. Louis Park, and Coon Rapids, Minnesota. The Bank provides retail and commercial loan and deposit services principally to customers within the Minneapolis-St. Paul metropolitan area. Century Bancshares, Inc., purchased a 99 percent interest in Spectrum Commercial Services Company (Spectrum) in March 2001. Spectrum provides asset-based lending and factoring services to small to medium-sized businesses. The acquisition of Spectrum has been accounted for as a purchase, and results of operations of Spectrum since the date of acquisition have been included in the consolidated financial statements (see also Note 4).

Basis of financial statement presentation: The accompanying unaudited interim consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information. Accordingly, they do not include all information and disclosures required by generally accepted accounting principles for

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

complete financial statements. The accompanying condensed consolidated financial statements do not purport to contain all the necessary financial disclosures required by generally accepted accounting principles that might otherwise be necessary in the circumstances.

In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for fair presentations have been included. The results of operations for the nine-month periods ended September 30, 2001 and 2000, are not necessarily indicative of the results that may be expected for the entire fiscal years or any other interim periods.

Note 2. Comprehensive Income

Accumulated comprehensive income is composed of unrealized gains on available-for-sale securities, net of related deferred income taxes, the change in which is as follows:

	Nine Months End September 30	
	2001	2000
	(Unaudited)	(Unaudited)
Beginning balance.....	\$ 318,427	\$ (53,000)

Ending balance.....	\$ 614,475	\$ 95,000
Comprehensive income consists of the following:		
Net income.....	\$3,911,397	\$3,103,000
Other comprehensive income.....	296,048	148,000
Comprehensive income.....	\$4,207,445	\$3,251,000

Note 3. Century Bank Building Partnership

In September 2001, the Company sold its 60 percent limited partnership interest in Century Bank Building Partnership to certain officers of the Company. The sales price was based on the appraised fair value of the building less existing debt in the partnership and resulted in a gain to the Company of approximately \$1,271,000, of which approximately \$338,000 was deferred. The Bank's lease with the building partnership was substantially unchanged. The deferred gain is being amortized over the remaining lease term and will be immediately recognizable upon the related parties' sale of either the building or their ownership in the Company.

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

The acquisition has been accounted for as a purchase, and results of operations of Spectrum since the date of acquisition are included in the consolidated financial statements. A summary of the net assets acquired is as follows:

Receivables arising from asset-based lending and factored accounts, net of discount	\$ 14,905,000
Other assets.....	200,000
Revolving note payable.....	(11,605,000)

Cash payments.....	\$ 3,500,000
	=====

Note 5. Subsequent Events

The Company entered into a merger agreement on December 3, 2001, which will result in the merger of the Company with and into Marshall & Ilsley Corporation and the conversion of each outstanding share of common stock of the Company into an equivalent number of shares of common stock of Marshall & Ilsley and/or a cash payment with certain limitations of \$7.40, subject to certain closing conditions. The merger requires regulatory and shareholder approval and is anticipated to close in the first quarter of 2002.

On October 31, 2001, the Company sold all of its shares of Spectrum Commercial Services Company to an investor group comprised of certain officers, directors, and stockholders of the Company. The sales price approximated the carrying value.

ALLOCATION OF THE ALLOWANCE FOR LOAN LOSSES

DISCUSSION OF RISK ELEMENTS IN THE LOAN PORTFOLIO AND FACTORS CONSIDERED IN DETERMINING THE ALLOWANCE FOR LOAN LOSSES

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Bank management is responsible for recognizing, reporting, monitoring and controlling delinquencies at proper levels and for prompt, diligent follow-up of deteriorating credits. Regular procedures are established for routine follow-up of deteriorating credits and for routine follow-up and collection of delinquent loans. Immediate attention is given to personal or business loans when any difficulty becomes apparent in regard to interest payments or agreed-up principal reductions. Past dues are reviewed weekly. The status of business loans is monitored by Bank management on a continuing basis through interim financial statements, personal visits with the principals of the companies involved, and through other sources such as credit reports. As potential difficulties arise, management takes timely and appropriate action to assist the borrower in correcting these problems, if possible, and to protect the Bank from loss.

D-11

The Board is kept apprised of the status of all problem loans on a monthly basis. Delinquency reports on problem loans and a list of loans past due over 30 days are reviewed at the regular monthly meeting.

On a quarterly basis, bank management evaluates several external and internal factors when determining the adequacy of the Allowance for Loan Losses (ALL). The factors considered are local and national economic trends, loan concentrations, growth in particular concentration areas, past due loans and loans subject to classification in recent regulatory agency examinations or independent audits.

The ALL is maintained at a level adequate to provide for potential loan losses through provisions charged to operating expense. This adequacy is based upon a continuing review of loans which includes actual net loan loss experienced, identification of problem situations which may affect the borrower's ability to repay, an evaluation of current economic conditions, and changes in the size and character of the loan portfolio.

Loan losses are recognized through charges to the ALL.

The Bank has implemented a risk rating process and the Senior Lender is responsible for the overall accuracy of the risk ratings assigned to loans in the portfolio.

During the credit analysis process, the Bank will assign a risk rating based upon eight risk rating classifications. When in doubt as to which rating to assign, lenders are encouraged to use the lower risk rating. All risk ratings are reviewed by the internal loan committee when the credit is presented for approval and at the time of all subsequent reviews.

Each month, an ALL adequacy analysis is completed and reviewed by senior management and the Board of Directors. This report calculates a projected loan loss allowance based on a factor assigned to each risk rated loan category, standby letters of credit and undisbursed lines of credit. The risk rating categories assigned to loans and the related loss factors are as follows:

Risk Rating Category -----	Loss Factor -----
Standby Letters Of Credit.....	0.05%
Undisbursed Lines Of Credit.....	0.25%
Risk Rating Class 1.....	0.10%

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Risk Rating Class 2.....	0.50%
Risk Rating Class 3.....	0.75%
Risk Rating Class 4.....	1.00%
Risk Rating Class 5 (Special Mention)	2.50%
Risk Rating Class 6 (Substandard)....	15.00%
Risk Rating Class 7 (Doubtful).....	50.00%
Risk Rating Class 8 (Loss).....	100.00%

The Company's internal risk ratings of 6, 7 and 8 correspond with regulatory definitions of substandard, doubtful and loss. The ALL is maintained at a level that is greater than or equal to the adequacy calculation.

CHARGE-OFFS ANTICIPATED IN 2002

The management of Century Bank anticipates that loan charge-offs will be in line with historical numbers of approximately .10% of total loans. For 2002 budget purposes, net charge-offs of \$383,000 were planned. Bank management does not foresee that the changing economic conditions will impact the original budget.

CENTURY BANCSHARES, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies

Nature of business: Century Bancshares, Inc., is a one-bank holding company operating a single business segment. Its wholly owned subsidiary, Century Bank, National Association (Bank), is a commercial bank with branch operations in Eden Prairie, St. Louis Park, and Coon Rapids, Minnesota. The Bank provides retail and commercial loan and deposit services principally to customers within the Minneapolis-St. Paul metropolitan area.

Basis of financial statement presentation and accounting estimates: The consolidated financial statements have been prepared in conformity with generally accepted accounting principles. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the balance sheet and revenues and expenses for the period. Actual results could differ from those estimates. A material estimate that is particularly susceptible to significant change in the near term relates to the determination of the allowance for loan losses.

Principles of consolidation: The accompanying consolidated financial statements include the accounts of Century Bancshares, Inc., and its wholly owned subsidiary, Century Bank, National Association. These entities are collectively referred to herein as the Company. All significant intercompany balances and transactions have been eliminated in consolidation.

Cash, cash equivalents, and cash flows: For purposes of reporting cash flows, cash and cash equivalents includes cash on hand and amounts due from banks. Cash flows from loans, federal funds sold, deposits, and short-term borrowings are reported net.

Available-for-sale securities: Securities classified as available-for-sale are those debt securities that the Company intends to hold for an indefinite period of time, but not necessarily to maturity. Any decision to sell a security classified as available-for-sale would be based on various factors, including significant movements in interest rates, changes in the maturity mix of the Company's assets and liabilities, liquidity needs, regulatory capital considerations, and other similar factors. Securities available for sale are carried at fair value. Unrealized gains or losses, net of the related deferred tax effect, are reported as increases or decreases in accumulated other comprehensive income. Realized gains or losses, determined on the basis of the cost of specific securities sold, are included in earnings.

Loans held for sale: Loans that the Company has the intent to sell in the foreseeable future are carried at the lower of aggregate cost or market value. The market value calculation includes consideration of all open positions. Gains and losses on sales of loans are recognized at trade dates and are determined by the difference between the sales proceeds and the carrying value of the loans. All sales are made without recourse.

Loans and allowance for loan losses: Loans are stated at the amount of unpaid principal, reduced by an allowance for loan losses.

CENTURY BANCSHARES, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies (Continued)

The allowance for loan losses is established through a provision for loan losses charged to expense. Loans are charged against the allowance for loan losses when management believes that collectibility of the principal is unlikely. The allowance is an amount that management believes will be adequate to absorb estimated losses on existing loans that may become uncollectible, based on evaluation of the collectibility of loans and prior loan loss experience. This evaluation also takes into consideration such factors as changes in the nature and volume of the loan portfolio, overall portfolio quality, review of specific problem loans, and current economic conditions that may affect the borrower's ability to pay. While management uses the best information available to make its evaluation, future adjustments to the allowance may be necessary if there are significant changes in economic conditions.

A loan is impaired when it is probable the Company will be unable to collect all principal and interest payments due in accordance with the terms of the loan agreement. Impaired loans are measured based on the present value of expected future cash flows or, alternatively, the observable market price or the fair value of the collateral if the loan is collateral dependent. The amount of impairment, if any, and any subsequent changes are included in the allowance for loan losses.

Interest on loans is accrued daily on the outstanding balances. For impaired loans, accrual of interest is discontinued on a loan when management believes, after considering collection efforts and other factors, that the borrower's financial condition is such that collection of interest is doubtful. Interest on these loans is recognized only when actually paid by the borrower if collection of the principal is likely to occur.

Premises and equipment: Premises and equipment are stated at cost less accumulated depreciation. Depreciation is provided principally by the straight-line method over the estimated useful lives of the assets.

Investment in limited partnership: The Company accounts for its investment in a limited partnership using the equity method of accounting, under which the Company's equity in the net income of the limited partnership is recognized as other income in the Company's consolidated statement of income and added to the investment account, and distributions received from the limited partnership are treated as a reduction of the investment account (see also Note 18).

Income taxes: Deferred taxes are provided on an asset and liability method whereby deferred tax assets are recognized for deductible temporary differences and operating loss or tax credit carry forwards, and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the amounts of assets and liabilities recorded for income tax and financial reporting purposes. Deferred tax assets are reduced by a valuation allowance when management determines that it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies (Continued)

Employee benefit plan:

Salary reduction-401(k) plan: The Company provides a 401(k) plan which covers substantially all of the Company's employees who are eligible as to age and length of service. A participant may elect to make contributions of up to 15 percent of the participant's annual compensation. The Company makes contributions at the discretion of the Board of Directors and complies with the requirements of the plan agreement.

Fair value of financial instruments: The following methods and assumptions were used by the Company in estimating the fair value of its financial instruments:

The carrying amounts reported in the consolidated balance sheets for cash and cash equivalents, federal funds sold, available-for-sale securities, demand deposits, NOW and money market deposits, savings deposits, short-term borrowings, accrued interest receivable, and accrued interest payable approximate their fair values.

Fair values of variable-rate loans that reprice frequently and that have experienced no significant change in credit risk are based on carrying values. Fair values of all other loans are estimated based on discounted cash flows using interest rates currently being offered for loans with similar terms to borrowers with similar credit quality.

Fair values of loans held for sale are based on quoted market prices of similar loans sold on the secondary market.

Fair values of fixed-rate time certificates are estimated using a discounted cash flow calculation that applies interest rates currently being offered to a schedule of aggregate expected monthly maturities.

Fair values of fixed-rate notes payable are estimated using a discounted cash flow calculation that applies an interest rate for similar debt offerings to the expected maturity of the notes payable.

Note 2. Restrictions on Cash and Cash Equivalents

The Bank is required to maintain reserve balances, in cash or on deposit with the Federal Reserve Bank, based upon a percentage of deposits. The total required reserve balances as of December 31, 2000 and 1999, were approximately \$3,185,000 and \$1,712,000, respectively.

The Company has granted nonqualified stock options to Board members and certain employees of the Bank. These options allow for the purchase of common stock at the exercise price set forth in the stock option agreement. The options were accounted for under the provisions of APB Opinion No. 25 and related interpretations. Options granted in 2000, 1999, and 1998 had an exercise price approximating fair value at the date of grant; therefore, no compensation cost has been recognized for these grants. Compensation cost based on the grant date fair value of awards (the method described in FASB Statement No. 123) was not material in 2000, 1999, and 1998.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 12. Commitments, Contingencies, and Credit Risk

Contingencies: In the normal course of business, the Company is involved in various legal proceedings. In the opinion of management, any liability resulting from such proceedings would not have a material adverse effect on the consolidated financial statements.

Financial instruments with off-balance-sheet risk: The Company is party to financial instruments with off-balance-sheet risk in the normal course of business to meet the financing needs of its customers. These financial instruments include commitments to extend credit and standby letters of credit. They involve, to varying degrees, elements of credit risk in excess of amounts recognized on the consolidated balance sheets.

The Company's exposure to credit loss in the event of nonperformance by the other parties to the financial instruments for these commitments is represented by the contractual amounts of the instruments. The Company uses the same credit policies in making commitments as it does for on-balance-sheet instruments. These commitments were as follows:

	December 31	
	2000	1999
Undisbursed lines of credit	\$73,485,000	\$74,091,000
Standby letters of credit..	9,486,000	7,429,000
	\$82,971,000	\$81,520,000

Undisbursed lines of credit: Lines of credit are agreements to lend to a customer as long as there is no violation of any condition established in the contract. Since many of the lines of credit will not be fully drawn upon and some may expire without being drawn upon, the total commitment amounts do not necessarily represent future cash requirements. The Bank evaluates each customer's creditworthiness on a case-by-case basis. If deemed necessary upon extension of credit, the amount of collateral obtained is based on management's credit evaluation of the party. Collateral held varies, but may include accounts receivable, inventory, property and equipment, and income-producing commercial properties.

Standby letters of credit: Standby letters of credit are conditional commitments issued by the Bank to guarantee the performance of a customer to a third party. Those guarantees are primarily issued to support public and private borrowing arrangements. The credit risk involved in issuing letters of credit is essentially the same as that involved in extending loan facilities to customers. Collateral held varies as specified above and is required in instances which the Bank deems necessary.

Lease commitments: The following is a schedule of approximate future minimum base rental payments under all operating leases:

Years ending December 31:	
2001.....	\$ 495,000
2002.....	499,000
2003.....	503,000
2004.....	506,000
2005.....	510,000
Thereafter.....	835,000

	\$3,348,000
	=====

Total rent expense under these leases for the years ended December 31, 2000, 1999, and 1998, was approximately \$710,000, \$663,000, and \$567,000, respectively.

Financial instruments with concentrations of credit risk:

Concentration over insured limits: The nature of the Bank's business requires that it maintain amounts due from banks which, at times, may exceed federally insured limits. The Bank has not experienced any losses in such accounts.

Concentration by geographic location: The Bank makes commercial, residential, and consumer loans to its customers primarily in the Bank's primary trade areas of Eden Prairie, St. Louis Park, and Coon Rapids and also in the Bank's secondary trade area, which encompasses the entire Minneapolis-St. Paul metropolitan area. Although the Bank's loan portfolio is diversified, a substantial portion of the Bank's customers' ability to honor their contracts is dependent upon the local business economy, which is taken into consideration by management in determining the allowance for loan losses.

Concentration by industry: Included in the Company's loan portfolio are concentrations of loans secured by loans related to real estate. A summary of those concentrations at December 31, 2000, is as follows:

Loans secured by real estate:	
Construction and land development.	\$28,646,000
Investment real estate.....	37,039,000

Note 13. Benefit Plan

Salary reduction--401(k) plan: Company contributions to the plan were \$148,000, \$55,000, and \$50,000 in 2000, 1999, and 1998, respectively.

Note 14. Loans and Other Transactions With Related Parties

Shareholders of the Company, executive officers, and directors, including their families and companies of which they are principal owners, are considered to be related parties. These related parties were loan customers of and had other transactions with the Bank in the ordinary course of business. In management's opinion, these loans and transactions were on the same terms as those for comparable loans and transactions with nonrelated parties.

Loans: Total loans to related parties were approximately \$10,022,000 and \$5,841,000 at December 31, 2000 and 1999, respectively.

Leases: The Company leases its main office from a limited partnership in which the Company, as a limited partner, has a 60 percent ownership interest. The limited partnership and the Company share common ownership. The Company has a first-floor lease and a second-floor lease. Both leases have 11-year terms expiring in April 2011. In addition to the base rents, the Company pays operating costs (taxes, insurance, maintenance, and repairs). The monthly amounts for operating costs are adjusted annually based on the actual operating costs incurred. These leases are accounted for as operating leases (see also Note 18).

Note 15. Regulatory Capital Requirements

The Bank is subject to various regulatory capital requirements administered by the Bank's primary federal regulatory agency. Failure to meet minimum capital requirements can initiate certain mandatory and possibly additional discretionary actions by regulators that, if undertaken, could have a direct material effect on the Company's consolidated financial statements. Under capital adequacy guidelines and the regulatory framework for prompt corrective action, the Bank must meet specific capital guidelines that involve quantitative measures of assets and certain off-balance-sheet items as calculated under regulatory accounting practices. The Bank's capital amounts and classification are also subject to qualitative judgments by the regulators about components, risk weightings, and other factors.

Quantitative measures established by regulation to ensure capital adequacy require the Bank to maintain minimum ratios (set forth in the table below) of total and Tier I capital to risk-weighted assets, and of Tier I capital to average assets (all as defined in the regulations). Management believes, as of December 31, 2000, that the Bank meets all capital adequacy requirements to which it is subject.

Note 15. Regulatory Capital Requirements (Continued)

As of December 31, 2000, the most recent notification from the Bank's primary regulator (OCC) categorized the Bank as well capitalized under the

regulatory framework for prompt corrective action. To be categorized as well capitalized, the Bank must maintain minimum total risk-based, Tier I risk-based, and Tier I leverage ratios as set forth in the table below. There are no conditions or events since that notification that management believes have changed the Bank's category.

Fair value of commitments: The estimated fair value of fee income on letters of credit at December 31, 2000 and 1999, is insignificant. Loan commitments on which the committed interest rate is less than the current market rate are also insignificant at December 31, 2000 and 1999.

Interest rate risk: The Bank assumes interest rate risk (the risk that general interest rate levels will change) as a result of its normal operations. As a result, the fair values of the Bank's financial instruments will change when interest rate levels change, and that change may be either favorable or unfavorable to the Bank. Management attempts to match maturities of assets and liabilities to the extent believed necessary to minimize interest rate risk. However, borrowers with fixed-rate obligations are more likely to prepay in a falling-rate environment and less likely to prepay in a rising-rate environment. Conversely, depositors who are receiving fixed rates are more likely to withdraw funds before maturity in a rising-rate environment and less likely to do so in a falling-rate environment. Management monitors rates and maturities of assets and liabilities and attempts to minimize interest rate risk by adjusting terms of new loans and deposits and by investing in securities with terms that mitigate the Bank's overall interest rate risk.

Note 18. Subsequent Events

Merger: The Company entered into a merger agreement on December 3, 2001, which will result in the merger of the Company with and into Marshall & Ilesley Corporation and the conversion of each outstanding share of common stock of the Company into an equivalent number of shares of common stock of Marshall &

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

Ilsley and/or a cash payment with certain limitations of \$7.40, subject to certain closing conditions. The merger requires regulatory and shareholder approval and is anticipated to close in the first quarter of 2002.

Note 18. Subsequent Events (Continued)

Spectrum Commercial Services Company: In March 2001, the Company acquired certain loans approximating \$15 million of an asset-based lending and factoring company through a newly formed subsidiary, Spectrum Commercial Services Company (Spectrum). The loans were acquired by the assumption of approximately \$11.5 million of debt and payment of \$3.5 million of cash. Effective October 31, 2001, the Company sold all of its shares of Spectrum to an investor group comprised of certain officers, directors, and stockholders of the Company. The sales price approximated the carrying value.

Century Bank Building Partnership: In September 2001, the Company sold its 60 percent limited partnership interest in Century Bank Building Partnership to certain officers of the Company. The sales price was based on the appraised fair value of the building less existing debt in the partnership and resulted in a gain to the Company of approximately \$1,271,000, of which approximately \$338,000 was deferred. The Bank's lease with the building partnership was substantially unchanged. The deferred gain is being amortized over the remaining lease term and will be immediately recognizable upon the related parties' sale of either the building or their ownership in the Company.

PART II

INFORMATION NOT REQUIRED IN THE PROSPECTUS

Item 20. Indemnification of Directors and Officers.

Sections 180.0850 to 180.0859 of the Wisconsin Business Corporation Law require a corporation to indemnify a director or officer who is a party to any threatened, pending or completed civil, criminal, administrative or investigative action, suit, arbitration or other proceeding, whether formal or informal, which involves foreign, federal, state or local law and which is brought by or in the right of the corporation or by any other person. A corporation's obligation to indemnify any such person includes the obligation to pay any judgment, settlement, penalty, assessment, forfeiture or fine, including any excise tax assessed with respect to an employee benefit plan, and all reasonable expenses including fees, costs, charges, disbursements, attorneys' and other expenses, except in those cases in which liability was incurred as a result of the breach or failure to perform a duty which the director or officer owes to the corporation and the breach or failure to perform constitutes: (i) a willful failure to deal fairly with the corporation

Edgar Filing: MARSHALL & ILSLEY CORP/WI/ - Form S-4/A

or its shareholders in connection with a matter in which the director or officer has a material conflict of interest; (ii) a violation of criminal law, unless the person has reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct was unlawful; (iii) a transaction from which the person derived an improper personal profit; or (iv) willful misconduct.

Unless otherwise provided in a corporation's articles of incorporation or bylaws, or by written agreement, an officer or director seeking indemnification is entitled to indemnification if approved in any of the following manners: (i) by majority vote of a disinterested quorum of the board of directors, or if such quorum of disinterested directors cannot be obtained, by a majority vote of a committee of two or more disinterested directors; (ii) by independent legal counsel; (iii) by a panel of three arbitrators; (iv) by affirmative vote of shareholders; (v) by a court; or (vi) with respect to any additional right to indemnification granted, by any other method permitted in Section 180.0858 of the Wisconsin Business Corporation Law.

Reasonable expenses incurred by a director or officer who is a party to a proceeding may be reimbursed by a corporation at such time as the director or officer furnishes to the corporation a written affirmation of his good faith belief that he has not breached or failed to perform his duties and a written undertaking to repay any amounts advanced if it is determined that indemnification by the corporation is not required.

The indemnification provisions of Section 180.0850 to 180.0859 are not exclusive. A corporation may expand an officer's or director's rights to indemnification: (i) in its articles of incorporation or bylaws; (ii) by written agreement; (iii) by resolution of its board of directors; or (iv) by resolution of a majority of all of the corporation's voting shares then issued and outstanding.

As permitted by Section 180.0858, Marshall & Ilsley has adopted indemnification provisions in its bylaws which closely track the statutory indemnification provisions with certain exceptions. In particular, Section 7.1 of Marshall & Ilsley's bylaws, among other items, provides that (i) an individual shall be indemnified unless it is proven by a final judicial adjudication that indemnification is prohibited and (ii) payment or reimbursement of expenses, subject to certain limitations, will be mandatory rather than permissive. Marshall & Ilsley has purchased directors' and officers' liability insurance which insures Marshall & Ilsley's officers and directors against certain liabilities which may arise under the Securities Act of 1933.

ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if in the aggregate, the changes in volume and price represent no more than 20% change in the maximum offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of any employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) The undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed to be underwriters, in addition to the information called for by the other items of the applicable form.

(d) The registrant undertakes that every prospectus: (i) that is filed pursuant to paragraph (c) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(f) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(g) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
