PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As previously announced and as described most recently in the current report on Form 8-K of McAfee, Inc. (the Company) dated October 25, 2007, the Company has determined that it will need to restate its historical financial statements to record additional non-cash charges associated with past stock option grants and to reflect the related tax impact for stock-based compensation expense over a ten-year period. The Company currently expects that the aggregate non-cash charges that will result from the restatement will likely be in the range of \$100 million to \$150 million. In addition, the Company expects the restatement to include other adjustments to certain balance sheet and income statement accounts that will affect its previously reported results, as well as its preliminary results announced by the Company on October 25, 2007, which were presented without taking into account any adjustments required as a result of the restatement.

Due to the pending restatement, the Company is unable to file the Form 10-Q on or before the prescribed due date of November 9, 2007, or on or before the fifth calendar day following such filing date as prescribed in Rule 12b-25. The Company intends to file its Form 10-Q as soon as practicable after the completion of the restatement.

PART IV OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification:

Eric F. Brown
(Name)

(972)
(Area Code)

963-7966
(Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s). ☐ Yes ☒ No

Due to the Company's pending restatement discussed in Part III above, the Company has failed to timely file its quarterly reports on Form 10-Q for the fiscal quarters ended June 30, 2006 and September 30, 2006, its annual report on Form 10-K for the fiscal year ended December 31, 2006, and its quarterly reports on Form 10-Q for the fiscal quarters ended March 31, 2007 and June 30, 2007.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? ☐ Yes ☒ No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Due to the Company's pending restatement as discussed in Part III above, the Company cannot provide a reasonable estimate and comparison of operating results at this time, other than our unaudited and preliminary results of operations for the quarter ended September 30, 2007, disclosed in the current report on Form 8-K dated October 25, 2007. As disclosed in such filing, these unaudited and preliminary results do not take into account any adjustments required in connection with the restatement. The Company is not in a position to provide any additional information regarding the results of operations for the third quarter of 2007 pending the completion of the restatement.

Forward-Looking Statements: This notification of late filing on Form 12b-25 contains forward-looking statements, which include those regarding the expected non-cash charges for stock-based compensation, related tax impact and other adjustments to be recorded as a result of the restatement of the Company's historical financial statements, and the timing of the Company's filing of its quarterly report on Form 10-Q for the fiscal quarter ended September 30, 2007. Actual results could vary perhaps materially and the expected results may not occur. In particular, McAfee will be required to make adjustments to its unaudited preliminary third quarter 2007 results in addition to its financial results previously reported for prior periods, as a result of its investigation into its stock option grant practices. The forward-looking statements contained in this notification of late filing on Form 12b-25 are also subject to other risks and uncertainties, including those more fully described in the Company's filings with the SEC, including its annual report on Form 10-K for the year ended December 31, 2005 and its quarterly reports filed on Form 10-Q.
