**Item 2.02. Results of Operations and Financial Condition**

On February 27, 2007, ViaCell, Inc. issued a press release announcing its results of operations and financial condition for the full year and the fourth quarter of 2006. The press release (attached as Exhibit 99.1) includes information with respect to ViaCell's pro forma basic and diluted net loss per common share in 2005. These are non-GAAP financial measures. These non-GAAP financial measures are utilized by the Company's management to gain an understanding of the Company's comparative financial performance. Management believes that these non-GAAP financial measures are useful because they include all outstanding shares of the Company, whether common or preferred, in the calculation of basic and diluted earnings per share. The presentation of this information is not meant to be considered in isolation or as a substitute for GAAP financial measures.

The information furnished herewith pursuant to Item 2.02 of this Current Report shall not be deemed to be filed for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, and shall not be incorporated by reference into any registration statement or other document under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
