PROXY STATEMENT

Annual Meeting of Shareholders
to be held on June 13, 2006

This proxy statement and the accompanying form of proxy is furnished to shareholders of CPI Aerostructures, Inc. in connection with the solicitation of proxies by our board of directors for use in voting at our annual meeting of shareholders to be held at our principal executive offices, located at 60 Heartland Blvd. Edgewood, New York 11717, on Tuesday, June 13, 2006, at 9:00 a.m., and at any and all postponements or adjournments.

This proxy statement, the accompanying notice of meeting of shareholders, the proxy and the annual report to shareholders for the year ended December 31, 2005 are being mailed on or about May 1, 2006 to shareholders of record on April 25, 2006. We are bearing all costs of this solicitation.

What matters am I voting on?

You are being asked to vote on the following matters:

- to elect two Class II directors to serve for the ensuing three-year period until their successors are elected and qualified; and
- any other business that may properly come before the meeting and any and all postponements or adjournments.

Who is entitled to vote?

Holders of our common stock as of the close of business on April 25, 2006, the record date, are entitled to vote at the meeting. As of that date, we had issued and outstanding 5,447,042 shares of common stock, our only class of voting securities outstanding. Each holder of our common stock is entitled to one vote for each share held on the record date.

What is the effect of giving a proxy?

Proxies in the form enclosed are solicited by and on behalf of our board. The persons named in the proxy have been designated as proxies by our board. If you sign and return the proxy in accordance with the procedures set forth in this proxy statement, the persons designated as proxies by the board will vote your shares at the meeting as specified in your proxy.

If you sign and return your proxy in accordance with the procedures set forth in this proxy statement but you do not provide any instructions as to how your shares should be voted, your shares will be voted FOR the election of the nominees listed below under Proposal 1.

If you give your proxy, your shares also will be voted in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the meeting and any postponements or adjournments. If any other matters are properly brought before the meeting, the persons named in the proxy will vote the proxies in accordance with their best judgment.

May I change my vote after I return my proxy card?

You may revoke your proxy at any time before it is exercised by:

- delivering written notification of your revocation to our secretary;
- voting in person at the meeting; or
- delivering another proxy bearing a later date.

Please note that your attendance at the meeting will not alone serve to revoke your proxy.

Table of Contents

What is a quorum?

A quorum is the minimum number of shares required to be present at the meeting for the meeting to be properly held under our bylaws and New York law. The presence, in person or by proxy, of a majority of the votes entitled to be cast at the meeting will constitute a quorum at the meeting. A proxy submitted by a shareholder may indicate that all or a portion of the shares represented by the proxy are not being voted (“shareholder withholding”) with respect to a particular matter. Similarly, a broker may not be permitted to vote stock (“broker non-vote”) held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either shareholder withholding or broker non-vote will not be considered shares present and entitled to vote on that matter. These shares, however, may be considered present and entitled to vote on other matters and will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the meeting. If the proxy indicates that the shares are not being voted on any matter at the meeting, the shares will not be counted for purposes of determining the presence of a quorum. Abstentions are voted neither “for” nor “against” a matter, but are counted in the determination of a quorum.

How many votes are needed for the election of directors?

The election of directors requires a plurality vote of the votes cast at the meeting. “Plurality” means that the individuals who receive the largest number of votes cast “FOR” are elected as directors. Consequently, any shares not voted “FOR” a particular nominee, whether as a result of a direction of the shareholder to withhold authority, abstentions or a broker non-vote, will not be counted in the nominee’s favor.

How do I vote?

You may vote your shares in one of three ways: by mail, facsimile or in person at the meeting. The prompt return of the completed proxy card vote will assist us in preparing for the meeting. Date, sign and return the accompanying proxy in the postage-prepaid envelope enclosed for that purpose. You can specify your choices by marking the appropriate boxes on the proxy card. If you attend the meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied to you. If you wish to fax your proxy, please copy both the front and back of the signed proxy and fax same to American Stock Transfer & Trust Co. at (718) 234-2287 (phone: (718) 921-8278).

Independence of Directors

Our common stock is listed on the American Stock Exchange. As a result, we follow the rules of the American Stock Exchange in determining whether a director is independent. The board of directors also consults with our counsel to ensure that the board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. Consistent with these considerations, the board of directors affirmatively has determined that Kenneth McSweeney, Walter Paulick, A.C. Code of Ethics

Board of Directors Meetings and Committees

Our board of directors held four meetings in 2005 and acted by unanimous written consent on two occasions. All directors attended the 2005 annual shareholder meeting. Although we do not have any formal policy regarding director attendance at annual shareholder meetings, we attempt to schedule our annual meetings so that all of our directors can attend. In addition, we expect our directors to attend all board and committee meetings and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. No member of our board of directors attended fewer than 75% of the total number of meetings of the board and committees thereof upon which he served during 2005. We have standing compensation, audit, nominating and strategic planning committees.

Strategic Planning Committee Information

Our strategic planning committee is currently comprised of Eric Rosenfeld (chairman), Arthur August and Edward J. Fred. The main role of the strategic planning committee is to evaluate and analyze strategic options for the company, including potential merger or acquisition partners. The strategic planning committee held two meetings during 2005.

Nominating Committee Information and Report

General

In March 2004, the board of directors established a nominating committee comprised of Messrs. Paulick (chairman), McSweeney and Rosenfeld, each an independent director under the American Stock Exchange listing standards. The nominating committee is responsible for overseeing the selection of persons to be nominated to serve on our board of directors. The nominating committee considers persons identified by its members, management, shareholders, investment bankers and others.

In June 2004, the board of directors adopted a written charter and established guidelines for selecting nominees and a method by which shareholders may propose to the nominating committee candidates for selection as nominees for directors. The nominating committee charter and guidelines were filed as an exhibit to our Quarterly Report on Form 10-QSB for the quarter ended June 30, 2004.

Guidelines for Selecting Director Nominees

The guidelines for selecting nominees generally provide that persons to be nominated should be actively engaged in business endeavors, have an understanding of financial statements, corporate budgeting and capital structure, be familiar with the requirements of a publicly traded company, be familiar with industries relevant to our business endeavors, be willing to devote significant time to the oversight duties of the board of directors of a public company, and be able to promote a diversity of views based on the person's education, experience and professional employment. The nominating committee evaluates each individual in the context of the board as a whole, with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent shareholder interests. The nominating committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time. The nominating committee does not distinguish among nominees recommended by shareholders and other persons.

Procedure for Shareholders to Recommend Director Candidates

Shareholders and others who wish to recommend candidates to the nominating committee for consideration as directors must submit their written recommendations to the nominating committee and include all of the information described in the section "Shareholder Proposals and Recommendations".

Table of Contents

The nominating committee recommended to the board to nominate Walter Paulick and Eric Rosenfeld as directors for re-election as the two Class II directors. The nominating committee did not receive proposals from any shareholders or others for suggested director candidates.

Meetings and Attendance

The nominating committee held one meeting during 2005.

Audit Committee Information and Report

General

Our audit committee is currently comprised of Messrs. Providenti (chairman), McSweeney and Paulick. All of the members of the audit committee are “independent directors” and are “financially literate” as defined under the American Stock Exchange listing standards. The current Amex listing standards define an “independent director” generally as a person, other than an officer of the company, who does not have a relationship with the company that would interfere with the director’s exercise of independent judgment. The Amex’s listing standards define “financially literate” as being able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement.

Financial Expert on Audit Committee

The board of directors believes that the audit committee has at least one “audit committee financial expert” (as defined in Regulation 228.401(h) of Regulation S-K) serving on its audit committee, such “audit committee financial expert” being A.C. Providenti. The board of directors also believes that Mr. Providenti would be considered an “independent” director under Item 7(d)(3)(iv) of Schedule 14A of the Securities Exchange Act of 1934.

Meetings and Attendance

During the year ended December 31, 2005, the audit committee held six meetings.

Management has reviewed the audited financial statements in the company's annual report on Form 10-K with the audit committee, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant accounting judgments and estimates, and the clarity of disclosures in the financial statements. In addressing the quality of management's accounting judgments, members of the audit committee asked for management's representations and reviewed certifications prepared by the chief executive officer and chief financial officer that the unaudited quarterly and audited consolidated financial statements of the company fairly present, in all material respects, the financial condition and results of operations of the company.

In performing all of these functions, the audit committee acts only in an oversight capacity. The committee reviews the company's annual reports and generally reviews its quarterly reports prior to filing with the Securities and Exchange Commission. Compensation Committee Information and Report on Executive Compensation

General

Our compensation committee is currently comprised of Messrs. McSweeney (chairman), Paulick and Rosenfeld, each an independent director under the American Stock Exchange listing standards. The compensation committee held two meetings during 2005.

Compensation Committee Report on Executive Compensation

This report is made by the compensation committee, which currently consists of three non-employee directors. The responsibilities of the compensation committee include:

- establishing the general compensation policy for the company's executive officers, including the chief executive officer;
- administering the company's 1992 Employee Stock Option Plan, 1995 Stock Option Plan, 1998 Performance Equity Plan and Performance Equity Plan 2000; and
- in administering each of these plans, determining who participates in the plans, establishing performance goals, if any, and determining specific grants and bonuses to the participants.

The compensation committee's executive compensation policies are generally designed to provide competitive levels of compensation that integrate pay with the company's annual performance and long-term business objectives, reward above average corporate performance, recognize individual initiative and achievements, and assist the company in attracting and retaining qualified executives.

11

Table of Contents

Salaries are generally determined based on the compensation committee's assessment of the value of each executive's contribution to the company, the results of recent past fiscal years in light of prevailing business conditions, the company's goals for the ensuing fiscal year and, to a lesser extent, prevailing levels at companies considered to be comparable to, and competitors of, the company.

The company's option plans were adopted by the company's shareholders and generally provide for grants of stock options, stock appreciation rights, restricted stock awards and other stock based awards to the company's officers, directors, key employees and consultants. The company may make grants to such individuals upon their employment or at subsequent dates based on recommendations made by the company's senior management to the compensation committee. No options were granted to any company employees during the year ended December 31, 2005.

Compensation of Chief Executive Officer and Chief Financial Officer

In February 2005, the company entered into amended and restated employment agreements with each of Edward Fred, the company's chief executive officer, and Vincent Palazzolo, the company's chief financial officer. The amended agreements were the result of the decision of the company's board of directors to redesign the bonus structure for the company's senior executive officers to be based on the company's growth in revenues and earnings instead of a straight

percentage of the company's net income.

Chief Executive Officer. In addition to incorporating the company's revised executive bonus structure, which was implemented beginning with the year ended December 31, 2005, Mr. Fred's amended employment agreement extended his employment term for two additional years from December 31, 2005 until December 31, 2007. A 6% salary increase has been implemented in each of 2006 and 2007. For the year ended December 31, 2004, Mr. Fred received an annual bonus equal to 4% of the company's consolidated net income, which was the bonus calculation in Mr. Fred's prior agreement. For the year ended December 31, 2005 and the years ending December 31, 2006 and 2007, Mr. Fred is eligible to receive an annual bonus based on changes in the company's revenues and earnings before interest, taxes, depreciation and amortization ("EBITDA") from the prior year. 25% of the bonus amount is determined by revenues and 75% by EBITDA. To the extent that a 10% annual increase in revenues and EBITDA from the prior year is achieved, Mr. Fred is entitled to a target annual bonus equal to 65% of his annual base salary. Should the revenue and/or EBITDA levels fall short of or exceed a 10% increase from the prior year, Mr. Fred's bonus will decrease or increase by predetermined percentages. If there is more than a 15% annual decrease in EBITDA or revenues, no EBITDA bonus or revenue bonus will be paid. If there is an annual increase of 100% or more in EBITDA or revenues, Mr. Fred's EBITDA bonus or revenue bonus will be 75% more than the target annual bonus. Both bonuses will be adjusted pro rata if EBITDA and/or revenues fall in between two designated percentages. The first \$140,000 of bonus, if any, will be paid in cash and the balance will be paid half in cash and half in shares of the company's common stock. The shares of common stock will be valued at the average of the last sale prices of the common stock for five consecutive trading days ending two trading days before issuance. Based on this revised bonus structure, Mr. Fred did not receive a bonus for the year ended December 31, 2005.

Chief Financial Officer. In addition to incorporating the company's revised executive bonus structure, Mr. Palazzolo's amended employment agreement reflects a 5% salary increase, which was implemented in August 2005. For the year ended December 31, 2004, Mr. Palazzolo received an annual bonus equal to 1% of the company's consolidated net income, which was the bonus calculation in Mr. Palazzolo's prior agreement. For the year ended December 31, 2005 and the year ending December 31, 2006, Mr. Palazzolo is eligible to receive an annual bonus based on changes in the company's revenues and EBITDA from the prior year. Mr. Palazzolo's bonus structure is identical to Mr. Fred's except that to the extent that a 10% annual increase in revenues and EBITDA from the prior year is achieved, Mr. Palazzolo will be entitled to a target annual bonus equal to 45% of his annual base salary (as opposed to Mr. Fred's 65%). Another difference from Mr. Fred's bonus structure is that the first \$75,000 of Mr. Palazzolo's bonus (instead of \$140,000 for Mr. Fred) will be paid in cash and the balance will be paid half in cash and half in shares of the Company's common stock. Based on this revised bonus structure, Mr. Palazzolo did not receive a bonus for the year ended December 31, 2005.

Compensation Arrangements for Executive Officers

Edward J. Fred

In February 2005, we entered into an amended and restated employment agreement with Edward J. Fred, which provides for Mr. Fred to serve as our President and Chief Executive Officer until December 31, 2007. Mr. Fred's annual base salary was \$252,000 for 2005 and increased to \$267,120 on January 1, 2006 and will increase to \$283,150 on January 1, 2007. In addition, Mr. Fred is eligible to receive an annual bonus, calculated based on changes in our revenues and earnings before interest, taxes, depreciation and amortization ("EBITDA") from the prior year. 25% of the bonus amount is determined by revenues and 75% by EBITDA. To the extent that a 10% annual increase in revenues and EBITDA from the prior year is achieved, Mr. Fred is entitled to a target annual bonus equal to 65% of his annual base salary. The shares of common stock will be valued at the average of the last sale prices of the common stock for five consecutive trading days ending two trading days before issuance. For the year ended December 31, 2005, Mr. Fred did not receive a bonus. Pursuant to the terms of Mr. Fred's employment agreement, if a change of control (as such term is defined in the agreement) occurs prior to a termination by us without "cause" or by Mr. Fred for "good reason" (as such terms are defined in the agreement), we must pay him a lump sum equal to three times the total compensation (including salary and bonus) earned by him during the last full calendar year of his employment. Mr. Fred also has agreed not to compete with us during the term of his employment and for two years thereafter.

Arthur August

Under the terms of Mr. August's employment agreement, as amended, effective January 2005, he became our chairman emeritus and will serve in that position until December 31, 2006 and receive an annual base salary of \$60,000. For the year ended December 31, 2004, Mr. August received an annual bonus equal to 2% of our consolidated net income. Mr. August was not entitled to receive any bonus for the year ended December 31, 2005 and is not entitled to receive a bonus for the year ending December 31, 2006. Mr. August is required to devote only such time to our business as he, in his sole discretion, deems necessary. Pursuant to the terms of Mr. August's employment agreement, if a change of control (as such term is defined in the agreement) occurs prior to a termination by us without "cause" or by Mr. August for "good reason" (as such terms are defined in the agreement), we must pay him a lump sum equal to three times the total compensation (including salary and bonus) earned by him during the last full calendar year of his employment. Mr. August has agreed not to compete with us during the term of his employment and for five years thereafter. Vincent Palazzolo

In February 2005, we entered into an amended and restated employment agreement with Vincent Palazzolo, which provides for Mr. Palazzolo to serve as our Chief Financial Officer until December 31, 2006. Mr. Palazzolo's annual base salary was \$175,000 until July 31, 2005 and then increased to \$183,750 on August 1, 2005. In addition, Mr. Palazzolo is eligible to receive an annual bonus, calculated based on changes in our revenues and EBITDA from the prior year. 25% of the bonus amount is determined by revenues and 75% by EBITDA. To the extent that a 10% annual increase in revenues and EBITDA from the prior year is achieved, Mr. Palazzolo will be entitled to a target annual bonus equal to 45% of his annual base salary. Should the revenue and/or EBITDA levels fall short of or exceed a 10% increase from the prior year, Mr. Palazzolo's bonus will decrease or increase by predetermined percentages. If there is more than a 15% annual decrease in EBITDA or revenues, no EBITDA bonus or revenue bonus will be paid. If there is an annual increase of 100% or more in EBITDA or revenues, Mr. Palazzolo's EBITDA bonus or revenue bonus will be 75% more than the target annual bonus. Both bonuses will be adjusted pro rata if EBITDA and/or revenues fall in between two designated percentages. The first \$75,000 of bonus will be paid in cash and the balance will be paid half in cash and half in shares of our common stock. The shares of common stock will be valued at the average of the last sale prices of the common stock for five consecutive trading days ending two trading days before issuance. For the year ended December 31, 2005, Mr. Palazzolo did not receive a bonus. Pursuant to the terms of Mr. Palazzolo's employment agreement, if a change of control (as such term is defined in the agreement) occurs prior to a termination by us without "cause" or by Mr. Palazzolo for "good reason" (as such terms are defined in the agreement), Mr. Palazzolo may elect to receive a lump sum equal to \$50,000 within 10 days of such election in lieu of his compensation and benefits under the employment agreement. Mr. Palazzolo also has agreed not to compete with us during the term of his employment and for two years thereafter.

Employee Benefit Plans

In October 2000, we adopted the Greit Plan for the purpose of offering senior management a deferred compensation death benefit plan that would provide a tax-free benefit for senior management and which would be tax-neutral to us. Pursuant to the plan, we made a non-interest bearing loan to Arthur August in the amount of \$150,000, which Mr. August used to purchase a Greit Plan. This plan has since been terminated and the surrender value of the Greit Plan has been returned to Mr. August. Mr. August has placed the proceeds from the surrender value in an annuity in our name, which will appreciate to at least \$150,000 by September 2011 in order to repay the loan made to him. Mr. August also assigned to us an insurance policy on his life in the amount of \$150,000 and agreed to maintain it until the date upon which the annuity matures. Accordingly, the loan to Mr. August will be repaid upon the maturity date of the annuity or upon the death of Mr. August, whichever occurs first.
