PRECISION DRILLING CORPORATION PRICES EQUITY OFFERING

Calgary, Alberta, Canada July 20, 2004 - Precision Drilling Corporation ("Precision") is pleased to announce that it has entered into an underwriting agreement for an offering of 4,000,000 common shares ("Shares") at a price of US\$49.80 per Share, (C\$65.25 per Share), for gross proceeds of approximately US\$200,000,000. The Shares will be sold to a syndicate of underwriters led by TD Securities Inc. and RBC Capital Markets. Precision has also granted the Underwriters an option to purchase an additional 400,000 Shares at the offering price to cover over-allotments and for stabilization purposes, which if exercised, would result in total proceeds of approximately US\$220,000,000. The over-allotment option is exercisable at any time prior to 30 days after closing.

Precision expects to use the net proceeds from the offering to pay down indebtedness incurred in connection with the acquisitions of the land drilling assets of GlobalSanteFe Corporation and the acquisition of all of the issued and outstanding shares of Reeves Oilfield Services Limited. Closing of the offering is expected to be on or about July 26, 2004.

A shelf registration statement relating to the common shares of Precision has been filed with the Securities and Exchange Commission and has been declared effective. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in the United States prior to registration and any sale in the United States will be made by means of a prospectus that may be obtained from TD Securities Inc. at 222 Bay Street, Ernst & Young Tower, 7th Floor, Toronto, Ontario, M1K 1A2 or from RBC Capital Markets at 200 Bay Street, Royal Bank Plaza, 4th Floor,

Certain statements contained in this press release, including statements relating to matters that are not historical facts and statements relating to the intention to sell securities and the ultimate use of proceeds are forward-looking statements, including under the U.S. Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks and uncertainties which may cause the actual results, performances or achievements of Precision to be materially different from any future results, performances or achievements expressed or implied by such forward-looking statements. Such factors include fluctuations in the market for oil and gas and related products and services; competition; the ability to successfully carry out its intentions; political and economic conditions in countries in which Precision does business; the demand for services provided by Precision; changes in laws and regulations, including environmental, to which Precision is subject and other factors which are described in further detail in Precision's filings with the Securities and Exchange Commission.

Precision Drilling Corporation (TSX: PD and PDU; NYSE: PDS) is a global oilfield services company providing a broad range of drilling, production and evaluation services with focus on fulfilling customer needs through fit-for-purpose technologies for the maturing oilfields of the 21st century. With corporate offices in Calgary, Alberta, Canada and Houston, Texas, and research facilities in the U.S. and Europe, Precision employs more than 10,000 people conducting operations in more than 30 countries. Precision is committed to providing efficient and safe services to create value for our customers, our shareholders and our employees.
