Item 2. Acquisition of Assets.

On July 22, 2004, Triarc Companies, Inc. ("Triarc") completed its acquisition of a majority interest in Deerfield & Company LLC ("Deerfield"), a Chicago-based alternative asset manager, from Sachs Capital Management LLC ("SCM"), Deerfield Partners Fund II LLC ("DPF II"), Scott A. Roberts and Marvin Shrear. Deerfield, through Deerfield Capital Management LLC ("DCM"), its operating subsidiary, offers a diverse range of alternative fixed income strategies to institutional investors. As of July 1, 2004, DCM had over \$8.1 billion in assets under management. Deerfield generated revenues of

approximately \$36.9 million for the 12 months ended December 31, 2003.

The purchased interests represent as of the date hereof approximately 64% of the outstanding membership interests and in excess of 90% of the outstanding voting power of Deerfield. The remainder of the economic and voting interests in Deerfield will be retained or owned by senior management of Deerfield or their affiliates.

The purchase price for the acquisition was approximately \$86.5 million, which reflects an enterprise value of approximately \$145 million, subject to adjustment based on the amount of unrestricted cash on hand and indebtedness as of the closing date, as provided in the definitive purchase agreement. The purchase price was paid in cash at the closing from Triarc's cash on hand. The acquisition was the result of an arm's length negotiated transaction pursuant to a Purchase Agreement, dated as of June 26, 2004, by and among Triarc, SCM, DPF II, Mr. Roberts, Mr. Shrear and Gregory H. Sachs (as amended, the "Purchase Agreement").

As further described in the Fourth Amended and Restated Operating Agreement of Deerfield, dated as of June 26, 2004 (as amended, the "Operating Agreement"), Triarc will be entitled to designate a majority of the members of the board of directors of Deerfield. Deerfield's current management, including its Chairman and Chief Executive Officer Gregory H. Sachs, its President Scott Roberts and its Chief Investment Officer Jonathan Trutter, and portfolio management teams, will remain intact and will continue to oversee Deerfield's day-to-day operations.

The Operating Agreement further provides that, commencing on the fifth anniversary of the closing of the acquisition, Triarc will have certain rights to acquire the membership interests of Deerfield owned by Mr. Sachs (the "Sachs Interest") and Mr. Roberts (the "Roberts Interest"), which represent in the aggregate as of the date hereof approximately 35% of the outstanding membership interests. In addition, commencing on the third anniversary of the closing of the transaction, Messrs. Sachs and Roberts will have certain rights to require Triarc to acquire the Sachs Interest and the Roberts Interest. In each case, the rights are exercisable at a price equal to the then current fair market value of the Sachs Interest or the Roberts Interest (subject to certain exceptions in the case of the Sachs Interest). Triarc's right to acquire the Sachs Interest and the Roberts Interest, and Messrs. Sachs' and Roberts' rights to require Triarc to acquire such interests, may be accelerated in full upon the occurrence of certain specified events.

In connection with the acquisition, and as further described in a Commitment Agreement, dated as of June 26, 2004, among Triarc, SCM, Roberts and DCM (the "Commitment Agreement"), Triarc has also committed to invest \$100 million to seed a new multi-strategy hedge fund to be managed by Deerfield.

In addition, Mr. Sachs, the Chairman and Chief Executive Officer of DCM and Deerfield, entered into a new five year employment agreement with Deerfield and DCM (as amended, the "Sachs Employment Agreement"). As further described in the Sachs Employment Agreement, Mr. Sachs will be entitled to an annual base salary of \$1,000,000 and, commencing with the 2005 fiscal year, an annual bonus not to exceed \$5,000,000 based on the EBITDA (as defined therein) of Deerfield and its consolidated subsidiaries during the applicable fiscal year, subject in part to the adoption by Triarc's stockholders of an amendment to Triarc's 1999 Executive Bonus Plan.
