Item 1. Security and Issuer

This Schedule 13D/A relates to the common stock, par value \$.00025 per share, of the Issuer (the "Common Stock"). The principal executive offices of the Issuer are located at 826 Newtown-Yardley Road, Newtown, Pennsylvania 18940-1721.

Item 2. Identity and Background

This statement is filed jointly pursuant to rule 13d-1(k)(1) on behalf of Pharma Services Holding, Inc. ("Pharma Services"); Pharma Services Intermediate Holding Corp. ("Intermediate Holding"), a wholly-owned subsidiary of Pharma Services; Quintiles Transnational Corp. ("QTRN"); and Quintiles, Inc. ("Quintiles"), a wholly-owned subsidiary of QTRN (collectively, the "Reporting Persons"). All of the outstanding common stock of QTRN is owned by Intermediate Holding and Pharma Services.

Pharma Services' principal business office address is c/o Quintiles Transnational Corp., 4709 Creekstone Drive, Suite 200, Durham, North Carolina 27703. Intermediate Holding's principal business office address is c/o Quintiles Transnational Corp., 4709 Creekstone Drive, Suite 200, Durham, North Carolina 27703. QTRN's principal business office is at 4709 Creekstone Drive, Suite 200, Durham, North Carolina 27703. Quintiles' principal business office address is c/o Quintiles Transnational Corp., 4709 Creekstone Drive, Suite 200, Durham, North Carolina 27703.

During the last five years, neither the Reporting Persons nor any of their respective executive officers or directors, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), nor has any Reporting Person been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and, as a result of such proceeding, been subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Please see Schedule I for information pertaining to Pharma Services, Intermediate Holding, QTRN and Quintiles' executive officers and directors.

Item 3. Source and Amount of Funds or Other Considerations

The Quintiles Shares beneficially owned by the Reporting Persons were acquired on October 25, 2001 (the "Closing Date") pursuant to an Asset Purchase Agreement (the "Agreement"), dated as of the Closing Date, between the Issuer and Quintiles. Pursuant to the Agreement, Quintiles sold certain of its assets in consideration for the Issuer's promissory note (the "Note") in the principal amount of \$1,000,000 with interest per annum equal to the three month LIBOR rate in effect on the last day of each quarter, plus three percent (3.0%), as reported in the Wall Street Journal.

The Note, which is payable in quarterly installments with respect to 50% of the aggregate principal amount together with all outstanding interest, matures thirty-six (36) months from the Closing Date and is convertible by Quintiles any time prior to maturity into shares of Common Stock.

Over time, the Issuer has made principal payments that have reduced the outstanding principal balance of the Note. The outstanding principal amount of the Note at December 31, 2003 is \$666,664. Such amount is convertible by Quintiles into the

CUSIP No. 09056N103000

Page 7 of 13

Issuer's Common Stock based on the Conversion Price as defined in such Agreement, subject to adjustment as set forth therein. The current Conversion Price is the greater of \$0.906 or 75% of the average closing price for the 10 days before conversion. Based on an assumed Conversion Price of \$0.906 per share and the outstanding loan amount, Quintiles has the right to acquire 735,832 shares of the Issuer's Common Stock. The number of shares of Common Stock into which the Note may be converted could be less than 735,832, depending on the market price per share of Common Stock on the date of conversion, and the outstanding principal balance as of any such conversion. For example, using the average price calculation, as of December 31, 2003, the Conversion Price is \$4.618 and Quintiles has the right to acquire 144,370 shares.

Under the Agreement, the Reporting Persons were entitled to acquire up to an additional 646,247 shares of Common Stock after January 1, 2003, to the extent that revenues between the Closing Date and December 31, 2002 arising from certain contracts transferred to the Issuer exceed a threshold amount. Pursuant to such provision, QFinance acquired 188,549 shares of Common Stock.

Item 4. Purpose of Transaction

Pursuant to the Agreement, the Issuer was required to use its Reasonable Efforts, as defined in the Agreement, to effect the election of one individual designated by Quintiles to the Issuer's Board of Directors. Such individual designated by Quintiles was elected to the Issuer's Board of Directors.

The Agreement is filed as an exhibit to the previously filed Schedule 13D and is incorporated herein by reference. The foregoing summary of the transaction is not intended to be complete and is qualified in its entirety by reference to such exhibit.

The Reporting Persons acquired beneficial ownership of the shares for the purpose of investment only and may elect to dispose or otherwise transfer such shares from time to time, as permitted under contract or applicable law. Except to the extent that it is customary for the director designated by Quintiles to do so, the Reporting Persons have no intention to influence or direct the Issuer's affairs, modify its corporate structure or interfere with the business decisions of its management. Except as may be set forth above, neither the Reporting Persons, nor to the best of their knowledge, any executive officer or director of the Reporting Persons, has any plans or proposals which relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer; (c) a sale or transfer of a material amount of assets of the Issuer; (d) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person; (h) a class of securities of the Issuer being delisted from a national securities exchange or ceasing to be authorized to be quoted in an interdealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or (j) any action similar to any of those enumerated above.
