PROXY STATEMENT

The Board of Directors of BankAtlantic Bancorp, Inc. (the Company) is soliciting proxies to be used at the Annual Meeting of Shareholders of the Company (the Annual Meeting) to be held at the Westin Fort Lauderdale, 400 Corporate Drive, Fort Lauderdale, FL 33334 on May 15, 2007, at 11:00 a.m. local time and at any and all postponements or adjournments of the Annual Meeting, for the purposes set forth in the accompanying Notice of Meeting.

This Proxy Statement, Notice of Meeting and accompanying proxy card are being mailed to shareholders on or about April 11, 2007.

**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS
AND THE ANNUAL MEETING**

What is the purpose of the meeting?

At our Annual Meeting, shareholders will act upon the matters outlined in the notice of meeting on the cover page of this Proxy Statement, including the election of directors, as well as any other matters which may properly be brought before the meeting. Also, management will report on the Company's performance during the last fiscal year and respond to appropriate questions from shareholders.

Who is entitled to vote at the meeting?

Record holders of the Company's Class A Common Stock (Class A Stock) and record holders of the Company's Class B Common Stock (Class B Stock) at the close of business on March 20, 2007 may vote at the meeting.

On March 20, 2007, 55,074,920 shares of Class A Stock and 4,876,124 shares of Class B Stock were outstanding and, thus, are eligible to vote at the meeting.

What are the voting rights of the holders of Class A Stock and Class B Stock?

Holders of Class A Stock and the holder of Class B Stock will vote as one class of common stock on the matters to be voted upon at the meeting. Holders of Class A Stock are entitled to one vote per share, with all holders of Class A Stock having in the aggregate 53% of the general voting power. The number of votes represented by each share of Class B Stock, which represent in the aggregate 47% of the general voting power, is calculated each year in accordance with the Company's Amended and Restated Articles of Incorporation. At this year's meeting, each outstanding share of Class B Stock will be entitled to 10.02 votes on each matter.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of shares representing a majority of the aggregate voting power (as described above) of the Company's common stock outstanding on the record date will constitute a quorum, permitting the conduct of business at the meeting.

Table of Contents

What is the difference between a shareholder of record and a street name holder?

If your shares are registered directly in your name with American Stock Transfer & Trust Company, the Company's stock transfer agent, you are considered the shareholder of record with respect to those shares. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of these shares but not the shareholder of record, and your shares are held in street name.

How do I vote my shares?

If you are a shareholder of record, you can give a proxy to be voted at the meeting by mailing in the enclosed proxy card.

If you hold your shares in street name, you must vote your shares in the manner prescribed by your broker or nominee. Your broker or nominee has enclosed or provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares.

Can I vote my shares in person at the meeting?

Yes. If you are a shareholder of record, you may vote your shares at the meeting by completing a ballot at the meeting.

However, if you are a street name holder, you may vote your shares in person only if you obtain a signed proxy from your broker or nominee giving you the right to vote the shares.

Even if you currently plan to attend the meeting, we recommend that you also submit your vote by proxy or by giving instructions to your broker or nominee, as described above, so that your vote will be counted if you later decide not to attend the meeting.

What are my choices when voting?

In the election of directors, you may vote for all nominees, or your vote may be withheld with respect to one or more nominees. The proposal related to the election of directors is described in this Proxy Statement beginning on page 6.

What is the Board's recommendation?

The Board of Directors recommends a vote **FOR** all of the nominees for director.

What if I do not specify how I want my shares voted?

If you do not specify on your proxy card how you want to vote your shares, we will vote them **FOR** all of the nominees for director.

Can I change my vote?

Yes. You can revoke your proxy at any time before it is exercised in any of three ways:

by submitting written notice of revocation to the Company's Secretary;

by submitting another proxy by mail that is dated later and is properly signed; or

if you are a shareholder of record, by voting in person at the meeting.

What vote is required for a proposal to be approved?

For the election of directors, the affirmative vote of a plurality of the votes cast at the meeting is required. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Table of Contents

If you hold your shares in street name through a broker or other nominee, whether the broker may vote your shares in its discretion depends on the proposals before the meeting. Under the rules of the New York Stock Exchange, your broker may vote your shares in its discretion on routine matters. The election of directors is a routine matter on which brokers will be permitted to vote your shares if no voting instructions are furnished. On non-routine matters, if your broker has not received your voting instructions, your broker cannot vote your shares on such matter. This is called a broker non-vote. Broker non-votes will have no effect on the election of directors.

Are there any other matters to be acted upon at the meeting?

We do not know of any other matters to be presented or acted upon at the meeting. If any other matter is presented at the meeting on which a vote may properly be taken, the shares represented by proxies will be voted in accordance with the judgment of the person or persons voting those shares.

CORPORATE GOVERNANCE

Pursuant to the Company's bylaws and the Florida Business Corporation Act, the Company's business and affairs are managed under the direction of the Board of Directors. Directors are kept informed of the Company's business through discussions with management, including the Chief Executive Officer and other senior officers, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

Determination of Director Independence

The full Board undertook a review of each director's independence and the facts underlying those determinations on February 13, 2007. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates, including those reported below under *Certain Relationships and Related Transactions*. They also examined transactions and relationships between directors or their affiliates and members of the Company's senior management or their affiliates. The purpose of these reviews was to determine whether any relationship or transaction was inconsistent with a determination that the director is independent under applicable laws and regulations and the New York Stock Exchange listing standards. As permitted by the listing standards of the New York Stock Exchange, the Board has determined that the following categories of relationships will not constitute material relationships that impair a director's independence: (i) banking relationships with BankAtlantic in the ordinary course of BankAtlantic's business, (ii) serving on third party boards of directors with other members of the Board, (iii) payments or charitable gifts by the Company to entities with which a director is an executive officer or employee where such payments do not exceed the greater of \$1 million or 2% of such company's or charity's consolidated gross revenues, and (iv) investments by directors in common with each other or the Company. As a result of its review of the relationships of each of the members of the Board, and considering these categorical standards, and in accordance with the recommendations of the Nominating/Corporate Governance Committee, the Board has affirmatively determined that a majority of the Company's Board members, including D. Keith Cobb, Steven M. Coldren, Bruno L. DiGiulian, Mary E. Ginestra, Willis N. Holcombe, David A. Lieberman and Charlie C. Winningham, II, are independent directors within the meaning of the listing standards of the New York Stock Exchange and applicable law.

Committees of the Board of Directors and Meeting Attendance

The Company's Board of Directors has established Audit, Compensation and Nominating/Corporate Governance Committees. The Board has adopted a written charter for each of these three committees and Corporate Governance Guidelines that address the make-up and functioning of the Board. The Board has also adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees. The committee charters, Corporate

Governance Guidelines and Code of Business Conduct and Ethics are posted in the Investor Relations section of our website at www.bankatlanticbancorp.com, and each is available in print without charge to any shareholder.

The Board of Directors met 12 times during 2006. Each member of the Board of Directors attended at least 75% of the meetings of the Board and Committees on which he or she served, and all of the then serving members of

Table of Contents

the Board attended the Annual Meeting of the Company's Shareholders in 2006, although the Company has no formal policy requiring them to do so.

The Audit Committee

The Audit Committee consists of D. Keith Cobb, Chairman, Steven M. Coldren and David A. Lieberman. Mr. Lieberman joined the Audit Committee on March 14, 2006. Jonathan D. Mariner served on the Audit Committee until the Company's 2006 Annual Meeting on May 16, 2006, when his term as a Board member expired and, at his request, he was not nominated for re-election. The Board has determined that all current members of the Audit Committee are financially literate and independent within the meaning of the listing standards of the New York Stock Exchange and applicable SEC regulations. Mr. Cobb, the chair of this committee, and Mr. Lieberman are each qualified as audit committee financial experts within the meaning of SEC regulations, and the Board has determined that each of them has accounting and related financial management expertise within the meaning of the listing standards of the New York Stock Exchange. The Audit Committee met 13 times during 2006 either in person or telephonically. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the independent auditor. Additionally, the Audit Committee assists Board oversight of: (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the qualifications, performance and independence of the Company's independent auditor, and (iv) the performance of the Company's internal audit function. In connection with these oversight functions, the Audit Committee receives reports from the Company's internal audit group, periodically meets with management and the Company's independent auditors to receive information concerning internal controls over financial reporting and any deficiencies in such controls, and has adopted a complaint monitoring procedure that enables confidential and anonymous reporting to the Audit Committee of concerns regarding questionable accounting or auditing matters. A report from the Audit Committee is included on page 23.

The Compensation Committee

The Compensation Committee consists of Steven M. Coldren, Chairman, Mary E. Ginestra, Charlie C. Winningham, II and Willis N. Holcombe. All of the members of the Compensation Committee are independent within the meaning of the listing standards of the New York Stock Exchange. The Compensation Committee met nine times during 2006. The Compensation Committee provides assistance to the Board in fulfilling its responsibilities relating to compensation of the Company's executive officers. It reviews and determines the compensation of the Chief Executive Officer and determines or makes recommendations with respect to the compensation of the Company's other executive officers. It also administers the Company's equity-based compensation plans. A report from the Compensation Committee is included on page 14.

The Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee consists of Steven M. Coldren, Chairman, D. Keith Cobb, Bruno L. DiGiulian, Mary E. Ginestra and Charlie C. Winningham, II. All of the members of the Nominating/Corporate Governance Committee are independent within the meaning of the listing standards of the New York Stock Exchange. The Nominating/Corporate Governance Committee is responsible for assisting the Board of Directors in identifying individuals qualified to become directors, making recommendations of candidates for directorships, developing and recommending to the Board a set of corporate governance principles for the Company, overseeing the evaluation of the Board and management, overseeing the selection, composition and evaluation of Board committees and overseeing the management continuity and succession planning process.

Generally, the Committee will identify candidates through the business and other organization networks of the directors and management. Candidates for director will be selected on the basis of the contributions the Committee

believes that those candidates can make to the Board and to management and on such other qualifications and factors as the Committee considers appropriate. In assessing potential new directors, the Committee will seek individuals from diverse professional backgrounds who provide a broad range of experience and expertise. Board candidates should have a reputation for honesty and integrity, strength of character, mature judgment and experience in positions with a high degree of responsibility. In addition to reviewing a candidate's background and accomplishments, candidates for director nominees are reviewed in the context of the current composition of

Table of Contents

the Board and the evolving needs of the Company. The Company also requires that its Board members be able to dedicate the time and resources sufficient to ensure the diligent performance of their duties on the Company's behalf, including attending Board and applicable committee meetings. If the Committee believes a candidate would be a valuable addition to the Board, it will recommend the candidate's election to the full Board.

Under the Company's bylaws, nominations for directors may be made only by or at the direction of our Board of Directors, or by a shareholder entitled to vote who delivers written notice (along with certain additional information specified in our bylaws) not less than 90 nor more than 120 days prior to the first anniversary of the preceding year's annual meeting. For the Company's 2008 Annual Meeting, we must receive this notice between January 16 and February 15, 2008.

Executive Sessions of Non-Management and Independent Directors

On February 14, 2006 and July 11, 2006, the non-management directors of the Company met in executive sessions of the Board in which management directors and other members of management did not participate. D. Keith Cobb was selected to be the presiding director for these sessions. The non-management directors have scheduled future meetings to be held semi-annually, and may schedule additional meetings without management present as they determine to be necessary.

Director and Management Indebtedness

While the Company does not make loans to its executive officers or directors, BankAtlantic may make such loans in accordance with applicable law, which requires that all loans or extensions of credit by BankAtlantic to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. All loans made by BankAtlantic to directors or executive officers have been made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

Communications with the Board of Directors and Non-Management Directors

Interested parties who wish to communicate with the Board of Directors, any individual director or the non-management directors as a group can write to the Corporate Secretary, BankAtlantic Bancorp, Inc., 2100 West Cypress Creek Road, Fort Lauderdale, Florida 33309. If the person submitting the letter is a shareholder of the Company, the letter should include a statement indicating such. Depending on the subject matter, an officer of the Company will:

forward the letter to the director or directors to whom it is addressed;

attempt to handle the inquiry directly if it relates to routine or ministerial matters, including requests for information; or

not forward the letter if it is primarily commercial in nature or if it is determined to relate to an improper or irrelevant topic.

A member of management will, at each meeting of the Board, present a summary of all letters received since the last meeting that were not forwarded to the Board and will make those letters available to the Board upon request.

Code of Ethics

The Company has a Code of Business Conduct and Ethics that applies to all directors, officers and employees of the Company, including its principal executive officer, principal financial officer and principal accounting officer. The Code of Ethics is available on the Company's website at www.bankatlanticbancorp.com. The Company will post amendments to or waivers from its Code of Ethics (to the extent applicable to the Company's principal

Table of Contents

executive officer, principal financial officer or principal accounting officer) on its website. There were no such waivers from or amendments to the Company's Code of Ethics in 2006.

Compensation Committee Interlocks and Insider Participation

The Board of Directors has designated Directors Winningham, Coldren, Ginestra and Holcombe, none of whom are employees of the Company or any of its subsidiaries, to serve on the Compensation Committee. The Company's executive officers are also executive officers of its subsidiary, BankAtlantic. All of the Company's executive officers are compensated by BankAtlantic except Alan B. Levan, John E. Abdo, James A. White and Valerie C. Toalson, who are compensated by the Company, and Susan D. McGregor, who is compensated by BFC Financial Corporation (BFC), the Company's controlling shareholder. A portion of Ms. McGregor's compensation is charged to the Company pursuant to its shared services arrangement with BFC, which is described in more detail below under *Certain Relationships and Related Transactions*. Officers compensated by BankAtlantic receive no additional compensation from the Company for services performed on behalf of BankAtlantic except in the form of Company stock or stock options. Director D. Keith Cobb also serves as a director of BFC and receives compensation for his services on that Board and its committees, including the Audit, Compensation, and Nominating/Corporate Governance Committees.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of the copies of the forms furnished to the Company and written representations that no other reports were required, the Company believes that during the year ended December 31, 2006, all filing requirements under Section 16(a) of the Securities Exchange Act of 1934 applicable to its officers, directors and greater than 10% beneficial owners were complied with on a timely basis, except that one Form 4 reporting three transactions occurring on February 24, 2006 by Marcia K. Snyder, BankAtlantic's Executive Vice President of Commercial Lending, was filed on March 2, 2006.

Certain Relationships and Related Transactions

The Company has a policy for the review and approval of transactions in which the Company is to be a participant and any of the Company's directors or executive officers, or their immediate family members, will have a direct or indirect material interest. Any such related party transaction is to be for the benefit of the Company and upon terms no less favorable to the Company than if the related party transaction was with an unrelated party. Under this policy, any new related party transaction is to be reviewed in advance by a committee of the Board of Directors composed of independent directors. The Company's Chief Financial Officer is responsible for reviewing any proposed related party

transactions and presenting them for approval. The Chief Financial Officer's review includes, among other things, an evaluation of the terms of the related party transaction and an assessment of the arms-length nature of the terms. The committee then reviews the terms of the related party transaction and the Chief Financial Officer's review and evaluation of the related party transaction and ultimately makes a decision as to whether the proposed related party transaction is approved. The committee's decisions are reported to the Company's Board of Directors at the next meeting. The Chief Financial Officer is responsible for maintaining a list of all existing related party transactions and reviewing such list on a quarterly basis with the Board of Directors. Additionally, this policy and the Company's practices with respect to related party transactions are

Table of Contents

reviewed by the Company's outsourced internal audit department as part of the Company's assessment on internal controls and corporate governance. During 2006, no related party transactions occurred where this policy was not followed.

Alan B. Levan, the Company's Chairman and Chief Executive Officer, and John E. Abdo, the Company's Vice Chairman, serve as executive officers and directors of BFC and Levitt and may be deemed to control BFC through their direct and indirect interests in and voting control over BFC. BFC is the controlling shareholder of the Company and Levitt. Levitt owns 31% of the outstanding common stock of Bluegreen Corporation (Bluegreen). Additionally, Mr. Levan is Chairman and Mr. Abdo is Vice Chairman of Bluegreen. Mr. Levan and Mr. Abdo receive compensation from BFC and Levitt, and were granted stock options and paid \$100 by Bluegreen.

The Company, BFC, Levitt and Bluegreen share various office premises and employee services, pursuant to the arrangements described below.

BFC leases office space in premises owned by BankAtlantic on a month-to-month basis. For the year ended December 31, 2006, BFC paid \$380,000 as rent for such facilities. A portion of this office space was subleased by BFC to Levitt for a portion of 2006.

The Company, BFC, Levitt and Bluegreen have entered into a shared services arrangement, pursuant to which BFC provides the Company, Levitt and Bluegreen with various executive and administrative services. Effective January 1, 2006, certain of the Company's human resources, risk management and investor relations employees were hired by BFC and BFC began providing the services and back-office support functions previously provided by these employees to the Company and Levitt. The Company was billed \$1.2 million during 2006 for risk management, investor relations and human resources services provided to the Company by BFC. During the year ended December 31, 2006, the Company issued to BFC employees that perform services for the Company options to acquire 50,300 shares of the Company's Class A Stock at an exercise price of \$14.69. These options vest in five years and expire ten years from the grant date.

Levitt and BFC each maintain securities sold under repurchase agreements at BankAtlantic. The balance in those accounts at December 31, 2006 was \$4.6 million and \$0.9 million, respectively, and BankAtlantic paid interest to Levitt and BFC on those accounts in 2006 of \$436,000 and \$43,000, respectively.

The amounts that the Company paid to or received from its affiliates in connection with transactions described above may not, in some cases, be representative of the amounts that would be paid or received in arm's length transactions.

During 2006, BankAtlantic utilized the legal services of Ruden, McClosky, Smith, Schuster & Russell, P.A. (Ruden McClosky), a law firm to which Company director Bruno DiGiulian was of counsel until September 30, 2006. BankAtlantic paid Ruden McClosky fees of approximately \$526,000 in 2006.

The BankAtlantic Foundation is a non-profit foundation established by BankAtlantic. During 2006, the Foundation and BankAtlantic together made donations aggregating approximately \$1.2 million, including \$27,500 to the Broward Community College Foundation (including \$25,000 as the fourth installment of a 4-year commitment of \$100,000 to the Will and Jo Holcombe Institute for Teaching and Learning), \$16,000 to the Leadership Broward Foundation, \$12,000 to Nova Southeastern University (including \$5,000 as the fourth installment of a 5-year commitment of \$25,000 to the Wayne Huizinga School of Business; and \$6,000 to Nova Southeastern University Libraries), \$15,000 to the Museum of Art of Fort Lauderdale (including \$10,000 as the third installment of a 3-year \$30,000 commitment), \$10,000 to the YMCA of Broward County East Family Branch, \$7,500 to ArtServe, \$5,000 to Boys & Girls Club of Broward County, and \$2,500 to West Broward Family YMCA.

Holcombe sits on the Board of Broward Community College Foundation; Charlie C. Winningham, II, sits on the Board of Boys & Girls Club of Broward County; and Lloyd B. DeVaux sits on the Boards of West Broward Family YMCA and YMCA of Broward County.

compensation was approximately \$487,000 during 2006. Mr. Alan B. Levan's daughter, Shelley Levan Margolis, served as executive director of the BankAtlantic Foundation, receiving a base salary and bonus of approximately \$64,600, and benefits provided to all salaried employees generally, during 2006.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

The Compensation Committee administers the compensation program for the Company's executive officers and the executive officers of the Company's subsidiary BankAtlantic. All of the Company's executive officers also serve as members of the Executive Management Council of BankAtlantic, together with the other executive officers of BankAtlantic. The Compensation Committee reviews and determines all executive officer compensation, administers the Company's equity incentive plans (including reviewing and approving grants to the Company's executive officers), makes recommendations to shareholders with respect to proposals related to compensation matters and generally consults with management regarding employee compensation programs.

The Compensation Committee's charter reflects these responsibilities, and the Compensation Committee and the Board periodically review and, if appropriate, revise the charter. The Board determines the Compensation Committee's membership, which is composed entirely of independent directors. The Compensation Committee meets at regularly scheduled times during the year, and it may also hold specially scheduled meetings and take action by written consent. At Board meetings, the Chairman of the Compensation Committee reports on Compensation Committee actions and recommendations.

Throughout this Proxy Statement, the term "named executive officers" is used to refer collectively to the individuals included in the Summary Compensation Table on page 15.

Compensation Philosophy and Objectives

The Company's compensation program for executive officers consists of a base salary, an annual cash incentive program, periodic grants of restricted stock or stock options, and health and welfare benefits. The Compensation Committee believes that the most effective executive officer compensation program is one that is designed to align the interests of the executive officers with those of shareholders by compensating the executive officers in a manner that advances both the short- and long-term interests of the Company and its shareholders. The Compensation Committee believes that the Company's compensation program for executive officers is appropriately based upon the performance of the Company, the performance and level of responsibility of the executive officer, and market data regarding the value of the executive officer's position at comparable companies.

Messrs. Alan Levan and Abdo hold senior positions in BFC, the controlling shareholder of the Company, and Levitt, an affiliate of the Company that is also controlled by BFC. During 2006, Messrs. Alan Levan and Abdo also received compensation from BFC and Levitt. The Company's Compensation Committee is aware that both allocate a portion of their time to those companies but does not determine the compensation paid to Messrs. Alan Levan and Abdo from the Company's controlling shareholder or affiliates.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all compensation decisions for the named executive officers, the Company's other executive officers and the executive officers of BankAtlantic, and approves recommendations regarding equity awards to all employees of the Company. The Compensation Committee reviews the performance of and establishes the compensation of the Chief Executive Officer. With respect to other named executive officers, as well as other

members of the Executive Management Council of BankAtlantic, the Chief Executive Officer conducts reviews. The conclusions reached and recommendations based on the Chief Executive Officer's reviews, including those with respect to setting and adjusting base salary, annual cash incentive awards and stock option awards, are presented to the Compensation Committee. In approving compensation for such officers, the Compensation Committee can exercise its discretion in modifying upward or downward any recommended amounts or awards to executive officers. In 2006, the Compensation Committee did not exercise this discretion.

Table of Contents

Executive Officer Compensation Components

Based on the objectives outlined in the Compensation Philosophy and Objectives section above, the Compensation Committee has structured the Company's compensation program for executive officers to motivate the executive officers to achieve the business goals set by the Company and reward the executive officers upon achievement of such goals. For the fiscal year ended December 31, 2006, the principal components of compensation for the named executive officers were:

base salary;

annual incentive program; and

long-term equity incentive compensation.

Base Salary

The Compensation Committee believes that the base salaries offered by the Company are competitive based on a review of market practices and the duties and responsibilities of each executive officer. In setting base salaries, the Compensation Committee periodically examines market compensation levels and trends observed in the market for executives of comparable experience and skills. Market information is used as an initial frame of reference for establishing and adjusting base salaries. The Compensation Committee believes that the named executive officers' base salaries should be competitive with those of other executives with comparable experience at similarly complex organizations.

In addition to examining market compensation levels and trends, the Compensation Committee makes base salary decisions for the named executive officers based on an annual review by the Compensation Committee with input and recommendations from the Chief Executive Officer. The Compensation Committee's review includes, among other things, the functional and decision-making responsibilities of each position, the significance of the executive officer's specific area of individual responsibility to the Company's financial performance and achievement of overall goals, and the contribution, experience and work performance of each executive officer.

With respect to base salary decisions for the Chief Executive Officer, the Compensation Committee made an assessment of Mr. Alan Levan's past performance as Chief Executive Officer and its expectations as to his future contributions to the Company, as well as the factors described above for the other named executive officers, including examining market compensation levels and trends and evaluating his individual performance and the Company's financial condition, operating results and attainment of strategic objectives. In evaluating the performance of Mr. Alan Levan for purposes of not only his base salary, but also his cash bonus under the Company's annual incentive program and stock option awards under the Company's long-term equity incentive compensation program, the Compensation Committee considered the Company's 2006 operating results and its financial condition. In its review, the Compensation Committee noted several specific items relative to Mr. Alan Levan's performance, including the Company's strategic decision to sell its investment in Ryan Beck Holdings, Inc. (initiated in 2006, and concluded on February 28, 2007), the Company's achievement of successful continued growth in core deposits in an environment of intense competition for these deposits, which are shrinking nationally, and the Company's success with its new store program.

The Chief Executive Officer's 2006 base salary increased 4% from 2005 and the other named executive officers' 2006 base salaries increased in the range of 4% to 23% from 2005. For 2007, the Compensation Committee has approved an increase of 4% in the Chief Executive Officer's base salary from 2006 and increases ranging from 4% to 8% in the

base salaries of the other named executive officers.

Annual Incentive Program

The Company's annual incentive program is a cash bonus plan which includes elements tied to the achievement of pre-established, objective individual and Company-wide annual financial performance goals as well as a discretionary element tied to a subjective evaluation of overall performance in areas outside those that can be objectively measured from financial results. These goals are established each year during the Company's annual budget cycle. The annual incentive program is designed to promote high performance and achievement of

Table of Contents

shorter-term corporate strategic goals and initiatives, encourage the growth of shareholder value, and allow executives, including named executive officers, to participate in the growth and profitability of the Company.

The portion of an executive officer's cash bonus under the Company's annual incentive program that is related to financial performance goals varies upon the impact that he or she has on the overall corporate and respective division financial performance. Each executive officer's bonus is intended to take into account corporate and individual components, which are weighted according to the executive officer's responsibilities. In 2006, approximately 95% of the Chief Executive Officer's cash bonus and approximately 70% to 100% of the other named executive officers' cash bonuses were tied to financial performance goals, while the balance was tied a subjective evaluation of overall performance in areas outside those that can be objectively measured from specific financial goals. The financial performance goals included growth of core deposits, changes in BankAtlantic's net income, fee income, and operating expenses, and change in the Company's net income. The components of the subjective evaluation included the success of BankAtlantic's new store program.

The Compensation Committee provided for the cash bonus under the Company's annual incentive program to represent up to 50% of the total compensation for the Chief Executive Officer and established ranges from approximately 40% to 50% of the total compensation for each of the other named executive officers. In 2006, the Compensation Committee established a cash bonus range of 0% to 100% of base salary for the Chief Executive Officer, and a cash bonus range of 0% to 60% of base salary for the other named executive officers. In 2006, a total of \$806,211 in cash bonuses were awarded to the named executive officers under the Company's annual incentive program (including both the component tied to financial performance goals and the component tied to a subjective evaluation) as follows:

Alan B. Levan	\$ 228,800
John E. Abdo	\$ 160,000
Lloyd B. DeVaux	\$ 156,000
Jay R. Fuchs	\$ 124,536
James A. White	\$ 136,875

As discussed in further detail below on page 17, Mr. Fuchs entered into an agreement with BankAtlantic, dated February 9, 2007 and effective February 16, 2007, in connection with the Company's prior disclosure that Mr. Fuchs, formerly Executive Vice President of Community Banking Division of BankAtlantic, was no longer employed as an executive officer of BankAtlantic.

In 2007, the Compensation Committee modified the Company's annual incentive program to provide that cash bonuses will be based solely upon the achievement of the financial performance goals established in the Company's annual budget for BankAtlantic. All members of the Executive Management Council of BankAtlantic, including the named executive officers, are expected to have the same potential for a cash bonus under the Company's annual incentive program, ranging from 0% to 200% of base salary, depending on the financial performance of BankAtlantic as compared to its annual budget for 2007.

In addition to being eligible for a cash bonus under the Company's annual incentive program, the named executive officers are eligible for a cash award under the BankAtlantic Profit Sharing Stretch Plan (the Profit Sharing Plan). The Profit Sharing Plan provides a quarterly payout to all BankAtlantic employees, including the named executive officers, in an amount equal to a percentage of annual base salary based upon the achievement of certain pre-established goals each quarter. In 2006, a total of \$124,900 in cash was awarded to the named executive officers under the Profit Sharing Plan.

Long-Term Equity Incentive Compensation

The Company's long-term equity incentive compensation program provides an opportunity for the named executive officers, and the other executive officers, to increase their stake in the Company through grants of options to purchase shares of the Company's Common Stock and encourages executive officers to focus on long-term Company performance by aligning the executive officers' interests with those of the Company's shareholders, since the ultimate value of such compensation is directly dependent on the stock price.

Table of Contents

The Compensation Committee's grant of stock options to executive officers is entirely discretionary based on an assessment of the individual executive officer's contribution to the success and growth of the Company. Decisions by the Compensation Committee regarding grants of stock options to executive officers other than the Chief Executive Officer are generally made based upon the recommendation of the Chief Executive Officer, the level of the executive officer's position with the Company, an evaluation of the executive officer's past and expected future performance, the number of outstanding and previously granted stock options to the executive officer, and discussions with the executive officer.

In 2006, all of the executive officers, including the named executive officers, were granted options to purchase shares of Class A Stock, with an exercise price equal to the market value of the Class A Stock on the date of grant, and which vest on the fifth anniversary of the date of grant. The Compensation Committee believes that such stock options serve as a significant aid in the retention of the executive officers, since these stock option awards do not vest until five years after the grant date.

Internal Revenue Code Limits on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met.

The Compensation Committee believes that it is generally in the Company's best interest to attempt to structure performance-based compensation, including stock option grants or performance-based restricted stock awards and annual bonuses, to executive officers who may be subject to Section 162(m) in a manner that satisfies the statute's requirements for full tax deductibility for the compensation. In an effort to meet these objectives, among others, the Company adopted the 2006 annual incentive program to provide performance based goals and pursuant to which \$217,112 of Mr. Alan Levan's cash bonus was paid to him in 2006. The Compensation Committee also recognizes the need to retain flexibility to make compensation decisions that may not meet Section 162(m) standards when necessary to enable the Company to meet its overall objectives, even if the Company may not deduct all of the compensation. Accordingly, there is no assurance that compensation will meet the requirements for deductibility under Section 162(m).

COMPENSATION COMMITTEE REPORT

The following Report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The Compensation Committee has reviewed and discussed the Company's Compensation Discussion and Analysis with management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Company's Compensation Discussion and Analysis be included in this Proxy Statement.

Table of Contents**Retirement Plan**

Alan B. Levan and John E. Abdo are participants in the Retirement Plan for Employees of BankAtlantic (the Retirement Plan), which is a defined benefit plan. Effective December 31, 1998, the Company froze the benefits under the Retirement Plan. Participants who were employed at December 1, 1998, became fully vested in their benefits under the Retirement Plan. While the Retirement Plan is frozen, there will be no future benefit accruals. None of the other individuals named in the Summary Compensation Table is a participant in the Retirement Plan. The Retirement Plan was designed to provide retirement income based on an employee's salary and years of active service, determined as of December 31, 1998. The cost of the Retirement Plan is paid by BankAtlantic and all contributions are actuarially determined.

In general, the Retirement Plan provides for monthly payments to or on behalf of each covered employee upon such employee's retirement (with provisions for early or postponed retirement), death or disability. As a result of the freezing of future benefit accruals, the amount of the monthly payments is based generally upon two factors: (1) the employee's average regular monthly compensation for the five consecutive years out of the last ten years ended December 31, 1998, or prior retirement, death or disability, that produces the highest average monthly rate of regular compensation and (2) upon the employee's years of service with BankAtlantic at December 31, 1998. Benefits are payable for the retiree's life, with ten years' worth of payments guaranteed. The benefits are not subject to any reduction for Social Security or any other external benefits.

In 1996, BankAtlantic amended the Retirement Plan and adopted a supplemental benefit for certain executives, as permitted by the Employee Retirement Income Security Act of 1974 and the Internal Revenue Code (the Code). This was done because of a change in the Code that operated to restrict the amount of the executive's compensation that may be taken into account for Plan purposes, regardless of the executive's actual compensation. The intent of the supplemental benefit, when added to the regular Plan benefit, was to provide to certain executives the same retirement benefits that they would have received had the Code limits not been enacted, subject to other requirements of the Code. The approximate targeted percentage of pre-retirement compensation for which Mr. Alan B. Levan will be eligible under the Retirement Plan as a result of the supplemental benefit at age 65 is 33%. No other individuals named in the Summary Compensation Table are entitled to the supplemental benefit. The supplemental benefit also was frozen as of December 31, 1998. Because the percentage of pre-retirement compensation payable from the Retirement Plan to Mr. Alan B. Levan, including the Plan's supplemental benefit, fell short of the benefit that Mr. Alan B. Levan would have received under the Plan absent the Code limits, BankAtlantic adopted the BankAtlantic Split-Dollar Life Insurance Plan, an employee benefit plan described below.

The following table illustrates annual pension benefits at age 65 for various levels of compensation and years of service at December 31, 1998, the date on which Retirement Plan benefits were frozen.

Average Five Year Compensation at December 31, 1998	Estimated Annual Benefits

Split-Dollar Plan

BankAtlantic adopted the Split-Dollar Life Insurance Plan (the Split-Dollar Plan) in 1996 to provide additional retirement benefits to Alan B. Levan, whose monthly benefits under the Retirement Plan were limited by changes to the Code. Under the Split-Dollar Plan and its accompanying agreement with Mr. Alan B. Levan, BankAtlantic arranged for the purchase of an insurance policy (the Policy) insuring the life of Mr. Alan B. Levan. Pursuant to its agreement with Mr. Alan B. Levan, BankAtlantic will make premium payments for the Policy. The Policy is anticipated to accumulate significant cash value over time, which cash value is expected to supplement Mr. Alan B. Levan s retirement benefit payable from the Retirement Plan. Mr. Alan B. Levan owns the Policy but BankAtlantic will be reimbursed for the amount of premiums that BankAtlantic pays for the Policy upon the earlier of his retirement or death. The portion of the amount paid in prior years attributable to the 2006 premium for the Policy that is considered compensation to Mr. Alan B. Levan is included under All Other Compensation in the

Summary Compensation Table. The Split-Dollar Plan was not included in the freezing of the Retirement Plan and BankAtlantic has continued to make premium payments for the Policy since 1998.

Potential Payments upon Termination or Change-in-Control

The following table sets forth certain information with respect to compensation that would become payable if the named executive officers had ceased employment under the various circumstances below. The amounts shown assume that such cessation of employment was effective as of December 31, 2006. The actual amounts to be paid can only be determined at the time of such executive's separation from the Company.

- (1) Pursuant to the letter agreement between Mr. DeVaux, the Company's Executive Vice President and Chief Operating Officer, and BankAtlantic, dated April 18, 2001 and effective June 4, 2001, in the event of a change-in-control of BankAtlantic (which is defined as 50% or more of BankAtlantic's stock being acquired by a third party which did not, as of the date of his employment, hold such stock), any of his unvested restricted shares of the Company's Class A Stock vest immediately and, if Mr. DeVaux resigns within one year after such change of control, he will be entitled to a payment equal to two times his annual salary plus two times the higher of his preceding two years' cash incentive compensation. Notwithstanding any change-in-control of BankAtlantic, if Mr. DeVaux's employment is terminated without cause, then he will be entitled to a payment equal to his annual salary plus the higher of his preceding two years' cash incentive compensation, and 39,000 restricted shares (in addition to those which have theretofore vested) will immediately vest.
- (2) Mr. Fuchs entered into an agreement with BankAtlantic, dated February 9, 2007 and effective February 16, 2007, in connection with the Company's prior disclosure that Mr. Fuchs, formerly Executive Vice President of Community Banking Division of BankAtlantic, was no longer employed as an executive officer of BankAtlantic. Under the terms of this agreement, Mr. Fuchs agreed to, among other things, grant a general release to BankAtlantic and its affiliates and abide by a covenant-not-to-solicit and covenant-not-to-compete. In exchange, BankAtlantic agreed to, among other things, continue to pay Mr. Fuchs his regular annual base salary

of \$543,057 through January 9, 2008, pay Mr. Fuchs his bonus of \$124,536 for the year ended December 31, 2006, continue Mr. Fuchs' medical/health/vision coverage in accordance with COBRA, extend the exercise period of all of Mr. Fuchs' vested stock options through May 15, 2007 and vest all of Mr. Fuchs' unvested stock options with a pro-rata date of January 9, 2008.

Compensation of Directors

The Company's Compensation Committee recommends director compensation to the Board based on factors it considers appropriate and based on the recommendations of management. Each non-employee director receives \$100,000 for service on the Board of Directors, payable in cash, restricted stock or non-qualified stock options, in such combinations as the directors may elect, provided that no more than \$50,000 may be paid in cash. The restricted stock and stock options are granted in Class A Common Stock under the Company's 2005 Restricted Stock and Option Plan. Restricted stock vests monthly over a 12-month service period beginning on July 1 of each

Table of Contents

year and stock options are fully vested on the date of grant, have a ten-year term and have an exercise price equal to the closing market price of the Class A Common Stock on the date of grant. The number of stock options and restricted stock granted is determined by the Company based on assumptions and formulas typically used to value these types of securities. No director receives additional compensation for attendance at Board of Directors meetings or meetings of committees on which he or she serves except as follows. Members of the Audit Committee receive an additional \$4,000 per quarter for their service on that committee. The Chairman of the Audit Committee receives an additional fee of \$1,000 per quarter for service as Chairman. The Chairmen of the Compensation Committee and the Nominating/Corporate Governance Committee receive an annual cash fee of \$3,500. Other than the Chairmen, members of the Compensation Committee and the Nominating/Corporate Governance Committee do not receive additional compensation for service on those committees. Directors Abdo, DiGiulian and Ginestra serve as trustees of the Company's pension plan, for which they are compensated directly by the pension plan in the amount of \$9,000 per year. Except as noted with respect to serving as trustee of the Company's pension plan, directors who are also officers of the Company or its subsidiaries do not receive additional compensation for their service as directors or for attendance at Board of Directors meetings or committee meetings.
