**INDENTURE SECURITIES****8. Analysis of Indenture Provisions**

The New Notes will be issued under the Indenture to be dated as of the consummation of the Exchange Offer and entered into between the Company and U.S. Bank National Association, as trustee (the "Trustee"). The following analysis is not a complete description of the Indenture provisions discussed and is qualified in its entirety by reference to the terms of the Indenture, a form of which is attached as Exhibit T3C hereto and incorporated by reference herein. The Company has not entered into the Indenture as of the date of this filing, and the terms of the Indenture are subject to change prior to its execution. Capitalized terms used below but not defined herein have the meanings assigned to them in the Indenture.

(a) Events of Default; Withholding of Notice

Each of the following is an Event of Default :

(1) a default in the payment of any interest upon any of the New Notes when due and payable, continued for a period of thirty (30) days;

(2) a default in the payment of the principal of and premium, if any, on any of the New Notes when due, including on a redemption date;

(3) failure to pay when due the principal of or interest on indebtedness for money borrowed by the Company or the Company's subsidiaries in excess of \$20.0 million, or the acceleration of that indebtedness that is not withdrawn within fifteen (15) days after the date of written notice to the Company by the trustee or to the Company and the trustee by the holders of at least 25% in principal amount of the outstanding New Notes;

**Table of Contents**

(4) a default by the Company in the performance, or breach, of any of our other covenants in the Indenture which are not remedied by the end of a period of sixty (60) days after written notice to the Company by the trustee or to the Company and the trustee by the holders of at least 25% in principal amount of the outstanding New Notes; or

(5) events of bankruptcy, insolvency or reorganization of Waste Connections or any Significant Subsidiary, as defined in Regulation S-X under the Exchange Act, of Waste Connections.

If an Event of Default described in clauses (1), (2), (3) or (4) occurs and is continuing, either the trustee or the holders of at least 25% in principal amount of the outstanding New Notes may declare the principal amount of, and accrued interest on, all New Notes to be immediately due and payable. This declaration may be rescinded if the conditions described in the Indenture are satisfied. If an Event of Default of the type referred to in clause (5) occurs, the principal amount of and accrued interest on the outstanding New Notes will automatically become immediately due and payable.

Within ninety (90) days after a default, the trustee must give to the registered holders of New Notes notice of all uncured defaults known to it. The trustee will be protected in withholding the notice if it in good faith determines that the withholding of the notice is in the best interests of the registered holders, except in the case of a default in the payment of the principal of, or premium, if any, or interest on, any of the New Notes when due or in the payment of any redemption obligation.

The holders of not less than a majority in principal amount of the outstanding New Notes may direct the time, method and place of conducting any proceedings for any remedy available to the trustee, or exercising any trust or power conferred on the trustee. Subject to the provisions of the Indenture relating to the duties of the trustee, if an Event of Default occurs and is continuing, the trustee will be under no obligation to exercise any of the rights or powers under the Indenture at the request or direction of any of the holders of the New Notes unless the holders have offered to the trustee reasonable indemnity or security against any loss, liability or expense. Except to enforce the right to receive payment of principal, premium, if any, or interest when due or the right to convert a New Note in accordance with the Indenture, no holder may institute a proceeding or pursue any remedy with respect to the Indenture or the New Notes unless it complies with the conditions provided in the Indenture, including: (i) holders of at least 25% in principal amount of the outstanding New Notes have requested the trustee to pursue the remedy and (ii) holders have offered the trustee security or indemnity satisfactory, to the trustee against any loss, liability or expense.

(b) Authentication and Delivery of New Notes; Use of Proceeds

The New Notes to be issued under the Indenture may be executed by manual or facsimile signature on behalf of the Company by any two of the following officers of the Company: the Chairman of the Board of Directors, the President, the Chief Executive Officer, the Chief Financial Officer, the General Counsel, the Treasurer or the Secretary (individually, an Officer), and delivered to the Trustee.

The Trustee will authenticate and make available for delivery New Notes for original issue, upon a written order or orders of the Company signed by two Officers or by an Officer and an Assistant Treasurer or Assistant Secretary of the Company. Such order of the Company must specify the amount of Securities to be authenticated and the date on which the original issue of New Notes is to be authenticated.

The New Notes will not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the New Notes. The signature will be conclusive evidence that the New Notes have been authenticated under the Indenture.

There will be no proceeds from the issuance of the New Notes because the New Notes are being issued in exchange for the Old Notes.

(c) Release and Substitution of Property Subject to the Lien of the Indenture

The New Notes are unsecured obligations of the Company. As such, the new Notes are not secured by any lien on any property.

(d) Satisfaction and Discharge of the Indenture

**Table of Contents**

The Company may terminate all of its obligations under the New Notes and the Indenture if all New Notes previously authenticated and delivered (other than destroyed, lost or stolen New Notes which have been replaced or paid or New Notes for whose payment money has been held in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation and the Company has paid all sums payable by it hereunder, or if the Company irrevocably deposits in trust with the Trustee money or U.S. Government Obligations maturing as to principal and interest in such amounts and at such times as are sufficient, without consideration of any reinvestment of such interest, to pay the principal of and premium, if any, and interest on the New Notes then outstanding to maturity or to the date fixed for redemption and to pay all other sums payable by it hereunder. The Company may make an irrevocable deposit only if at such time it is not prohibited from doing so under the provisions of Article 5 (Subordination) of the Indenture and the Company will have delivered to the Trustee an officers certificate and opinion of counsel to that effect and that all other conditions to such deposit have been complied with.

The Company's obligations in paragraphs 8 (Conversion) and 12 (Unclaimed Money) of the New Notes, in Sections 6.1 (Payment of Securities), 6.2 (SEC Reports), 9.7 (Compensation and Indemnity), 9.8 (Replacement of Trustee) and 10.4 (Reinstatement), and in Articles 2 (The Securities) and 4 (Conversion) of the Indenture will survive until the Securities are no longer outstanding. Thereafter, the Company's obligations in such paragraph 12 and in Sections 3.8 (Conversion Arrangement on Call for Redemption) and 9.7 will survive.

After such irrevocable deposit, the Trustee upon request will acknowledge in writing the discharge of the Company's obligations under the New Notes and this Indenture, except for those surviving obligations specified above.

(e) Evidence Required to be Furnished by the Company to the Trustee as to Compliance with the Conditions and Covenants Provided for in the Indenture

The Company is required to deliver to the Trustee within 105 days after the end of each fiscal year of the Company, an officers certificate as to the signer's knowledge of the Company's compliance with all conditions and covenants on its part contained in the Indenture and stating whether or not the signer knows of any default or Event of Default. If such signer knows of such a default or Event of Default, the officers certificate must describe the default or Event of Default and the efforts to remedy the same.
