As described in Item 3 above, the Reporting Person (i) has the right to acquire 176,834 shares of Common Stock upon the exercise of currently exercisable options pursuant to the Issuer's 1991 Stock Option Plan and the Issuer's 1998 Plan, and (ii) will have the right to acquire an additional 66,666 shares of Common Stock upon the exercise of options pursuant to the 1998 Plan, after such options vest and become exercisable.

In addition, pursuant to the Reporting Person's Employment Agreement, the

Edgar Filing: GABBARD ALAN BRADLEY - Form SC 13D

Issuer is required to establish an Incentive Compensation Fund, to be administered by the Compensation Committee of the Board of Directors of the Issuer, to provide for incentive compensation to be paid by each officer or employee (including the Reporting Person) deemed by the Compensation Committee to have made a substantial contribution to the Issuer in the event of a change of control of the Issuer or of the sale of substantially all of the assets of the Issuer or similar transactions. The total amounts of incentive compensation from the fund available for distribution will be determined by a formula based on the amount by which the Fair Market Value per share of the Common Stock exceeds \$10.08, multiplied by a factor ranging from 10-20% depending upon the ratio of the Fair Market Value to \$10.08. In the case of the sale of the significant subsidiary of the Issuer or substantially all of the assets of a significant subsidiary, a similar pro-rata distribution is required.

Except as set forth herein, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Person and any other person with respect to any securities of the Issuer, including but not limited to the transfer or voting of securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss or the giving or withholding of proxies or otherwise.
