On October 16, 2008, Basil M. Briggs retired and resigned as the Chairman of the Board and as a director of PowerSecure International, Inc., a Delaware corporation (the Company), for health related reasons, effective on that date. Mr. Briggs served as a member of the Board of Directors of the Company (the Board) since 1991, and as the non-executive Chairman of the Board of the Company since April 2007. Mr. Briggs had also served as a member of the Audit Committee and of the Compensation Committee of the Board, and had previously served as the Chairman of the Compensation Committee. Mr. Briggs' decision to retire was not the result of any disagreements with the Company on any matter relating to its operations, policies or practices.

Also on October 16, 2008, the Board elected Anthony D. Pell, who is an independent director of the Company, the Chairman of the Audit Committee and a member of the Compensation and Nominating and Corporate Governance Committees of the Board, as its new non-executive Chairman of the Board. As compensation for his services as Chairman of the Board, Mr. Pell will receive \$24,000 per year, which is the same rate of compensation as was paid to Mr. Briggs, in addition to standard retainer fees, meeting fees and equity grants made to non-employee directors of the Company. Mr. Pell will continue to serve on his existing Board committee positions.

In addition, on October 16, 2008, the Board appointed John A. (Andy) Miller, an independent director, to its Audit Committee.

After Mr. Briggs' retirement, the Board and its committees continue to satisfy the composition and independent director requirements of the Securities and Exchange Commission and of the NASDAQ Stock Market.

The Nominating and Corporate Governance Committee of the Board will consider candidates to fill the vacancy on the Board created by Mr. Briggs' retirement.

On October 16, 2008, the Company issued a press release announcing the foregoing retirement of Mr. Briggs and election of Mr. Pell. A copy of this press release is filed herewith as Exhibit 99.1 and incorporated herein by this reference.
