- 13.1.3 the maximum number of Shares to be awarded provisionally to each such Eligible Employee; and
- 13.1.4 the Performance Criteria applicable to each Conditional Contract.
- 13.2 As soon as practicable after a determination is made by the Board in terms of 13.1 or at such time as is specified by the Board, a written notice (“**Conditional Award Notice**”) shall be delivered to each Eligible Employee to whom the Board has determined that Shares are to be awarded pursuant to a Conditional Contract. The Conditional Awarded Notice shall -
- 13.2.1 be in writing in the form from time to time prescribed by the Board and shall specify such matters in relation to the Plan as the Board may determine;
- 13.2.2 specify the maximum number of Shares to which such Eligible Employee will become entitled if the Performance Criteria under the Conditional Contract are satisfied or exceeded;
- 13.2.3 specify the Allocation Date in respect thereof;
- 13.2.4 contain and stipulate Performance Criteria subject to which the award of the Conditional Contract is made and the manner in which the number of Shares referred to in 13.2.2 shall be adjusted downwards if the Performance Criteria are not satisfied (whether in whole or in part);
- 13.2.5 specify such other terms and conditions as the Board may determine.

13.3 Acceptance by an Eligible Applicant of a Conditional Contract shall be communicated to the Trustees, in writing, by not later than 30 days after the date of delivery of the relevant Conditional Award Notice to such Eligible Applicant and shall nominate a beneficiary for the purposes of receiving his Performance Shares (if any) in terms of 17.1.1. A Conditional Contract which is not accepted by an Eligible Applicant as aforesaid shall automatically lapse and be of no force or effect, subject to re-instatement or extension by the Board.

14 **PERFORMANCE SHARES**

14.1 Subject to 14.4, on the fourth anniversary of the Allocation Date, the Company shall in terms of such Conditional Contract allot and issue and/or procure the transfer to Participants of such number of Shares as is equal to the number of Provisional Shares specified in the Conditional Award Notice relating to the relevant Conditional Contract. A Participant shall not be required to pay any cash consideration in order to receive Shares as aforesaid.

14.2 Shares to be allotted and issued and/or transferred to Participants pursuant to the provisions of 14.1 (read with 14.4) shall be "Performance Shares".

14.3 Except to the extent a Conditional Award Notice provides that this 14.3 shall be inapplicable to the Conditional Contract specified therein, then notwithstanding anything to the contrary contained herein, the Board may by resolution, cause the four year period referred to in 14.1 to be anticipated or, with the consent of a Participant adversely affected thereby, postponed to such extent as the Board may determine. In the event of such acceleration or postponement the number which is D in the formula in 17.1.1 and the reference to the fourth anniversary of the Allocation Date shall be deemed to be varied appropriately.

14.4 If the Board, in its sole and absolute discretion, determines that the Performance Criteria embodied in a Conditional Contract have not been satisfied or exceeded, the number of Shares to be allotted and issued and/or transferred to a Participant under and in terms of such Conditional Contract shall be adjusted downwards in the manner set out in the Conditional Award Notice pertaining to such Conditional Contract; that is, the allotment and issue and/or transfer of Provisional Shares (or any portion thereof) specified in the Conditional Award Notice is conditional upon the Performance Criteria being satisfied or exceeded.

14.5 Notwithstanding any other provision of this Deed, the Board shall, in its sole and absolute discretion, be entitled to amend the

Performance Criteria embodied a Conditional Contract (including to take account of any change in circumstances which render such Performance Criteria inappropriate);

provided that no such amendment shall disadvantage and/or prejudice any Participant.

15 **RESTRICTION**

For the sake of clarity and the avoidance of any doubt, it is recorded that until such time as an Eligible Employee becomes entitled to have Shares allotted and issued and/or transferred to him (ie he has received Performance Shares), an Eligible Employee shall not have any ownership interest in, or receive any dividends and/or exercise any voting rights attached to, the Provisional Shares awarded to him.

16 **SHARE CERTIFICATES PURSUANT TO A CONDITIONAL CONTRACT**

16.1 Subject to 24, the Company shall issue share certificates for the Shares allotted and issued and/or transferred to a Participant as a result of the acquisition by such Participant of Shares in terms of 14 by not later than 60 days after such acquisition.

16.2 Shares allotted and issued and/or transferred to Participants in terms of 14 will rank pari passu with the then issued Shares.

PART 4 - GENERAL

17 **TERMINATION OF EMPLOYMENT**

17.1 Subject to 1.2.5, if the employment by any Group Member of any Participant who is a party to a Conditional Contract (and is therefore conditionally entitled to Provisional Shares) terminates as a result of -

17.1.1 (a) disability or ill health (as certified by an appropriate medical practitioner nominated by the Trustees); or (b) the transfer/sale of the undertaking or part undertaking in which such Participant is employed to a person which is not a Group Member other than pursuant to a Change of Control; or (c) his Lawful Dismissal for Operational Reasons; or (d) the Group Member by which he is employed ceasing to be a Group Member; or (e) death; or (f) his retirement on or after normal retirement in terms of the Group's retirement/pension fund; or (g) any other reason approved by the Board, then such Participant (or in the case of his death, the beneficiary nominated by him in terms of 13.3) shall be entitled, on the fourth anniversary of the Allocation Date (and not before then irrespective of the Date of Termination of Employment), to receive such number of Performance Shares as calculated in accordance with the following formula -

$$A = B \times C / D$$

where -

A = the number of Performance Shares to be allotted and issued or transferred (as the case may be) to the Participant as stipulated in 17.2;

B = a number equal to the number of Provisional Shares specified in the Conditional Award Notice relating to such Participant;

C = a number equal to the number of days that have passed from the Allocation Date until the Date of Termination of Employment of the Participant for any reason specified in 17.1.1; and

D = 1 460;

17.1.2 any reason other than a reason contemplated in 17.1.1 and which is not approved by the Board in terms of 17.1.1(g) (including his voluntary resignation or his early retirement or his lawful dismissal (eg his lawful dismissal for dishonest, fraudulent or grossly negligent conduct)), then his Conditional Contract shall automatically lapse and cease to be of any further force or effect and he shall forfeit all of his rights to Provisional Shares/Performance Shares.

17.2 Notwithstanding the Date of Termination of Employment, if a Participant ceases to be employed by any Group Member by reason of any of the circumstances contemplated in 17.1.1, the number of Performance Shares to be allotted and issued or transferred (as the case may be) to such Participant shall be the number determined mutatis mutandis in accordance with the provisions of 14 (including 14.4 and 14.5) on the assumption that such Participant is still in the employ of a Group Member on the fourth anniversary of the Allocation Date.

17.3 The Board shall be entitled, and shall have the widest possible powers (and shall be entitled to require the Trustees) to treat any Participant more favourably than is set out in the provisions of this 17 on the termination of his employment regardless of the reason for such termination of employment.

- 18 **LISTING, TAX, LEGAL REQUIREMENTS AND CASH ALTERNATIVE**
- 18.1 The Company shall procure the listing of any Shares allotted and issued and/or transferred to a Participant in terms of this Plan on the JSE (or other appropriate exchange) within a reasonable time (not exceeding 30 days) after the acquisition thereof.
- 18.2 Notwithstanding 18.1, if a Group Member or the Trustees are obliged (or would suffer a disadvantage of any nature if they were not) to account for, withhold or deduct any (a) tax in any jurisdiction which is payable in respect of, or in connection with, the making of any Conditional Award, the conclusion of a Conditional Contract and/or by virtue of any Provisional Shares becoming Performance Shares and/or otherwise in connection with this Plan and/or (b) any amount in respect of any social security or similar contributions which would be recoverable from a Participant in respect of the making of any Conditional Award, the conclusion of a Conditional Contract and/or by virtue of any Provisional Shares becoming Performance Shares and/or otherwise in connection with this Plan (the obligations referred to in (a) and (b) hereinafter referred to as a “**Tax/Social Liability**”), then the Company and/or the Trustees shall be relieved from the obligation to allot and issue and/or transfer Shares in accordance with 18.1 until that Participant has either -
- 18.2.1 made payment to the relevant Group Member or the Trustees of an amount equal to the Tax/Social Liability; or
- 18.2.2 entered into an arrangement which is acceptable to that Group Member or the Trustees to secure that such payment is made (whether by authorising the sale of some or all of the Shares acquired by him and the payment to the relevant person of the relevant amounts out of the proceeds of the sale or otherwise).
- 18.3 Notwithstanding anything to the contrary contained in this Plan but subject to 18.2, on any Provisional Shares becoming Performance Shares, the obligations of the Company and/or the Trust may be discharged by the Group Member by which the Participant is employed paying, in cash, an amount equal to the Fair Market Value of the Performance Shares as opposed to allotting and issuing and/or procuring the transfer of Shares to a Participant. If the Board determines that the obligations of the Company and/or Trust are to be discharged in cash, it shall not be necessary to allot and issue and/or transfer Shares to a Participant and the Group Member by which the Participant is employed shall instead be entitled to pay to such Participant, in cash, an amount equal to the Fair Market Value of such Shares on the date on which the Participant became entitled to receive such Shares.

18.4 Notwithstanding any other provision of this Plan, no Shares will be issued and/or transferred to any Participant pursuant to this Plan if the Board determines, in its sole discretion, that such issuance and/or transfer will or may violate any Applicable Laws or the listings requirements of any securities exchange on which the Shares are listed. The Company may condition the issuance and/or transfer of any Shares upon the delivery by the Participant to the Company of any certificates, representations, legal opinions and agreements that the Board, in its sole discretion, may deem necessary for such issuance and/or transfer to comply with any Applicable Laws or listings requirements.

19 **ADJUSTMENTS**

19.1 Notwithstanding anything to the contrary contained herein but subject to 19.2, if the Company restructures its capital in that it -

19.1.1 undertakes a rights offer; or

19.1.2 is placed in liquidation for purposes of reorganisation; or

19.1.3 is party to a scheme of arrangement affecting the structuring of its share capital; or

19.1.4 reduces its share capital (including by a share repurchase),

such adjustments shall be made to the rights of Participants as may be determined to be fair and reasonable to the Participants concerned by an independent firm of auditors of international repute or a merchant bank of international repute appointed by the Board; provided that any adjustments pursuant to this 19.1 should give a Participant the entitlement to the same proportion of the equity capital as he was previously entitled. No adjustments shall be required in terms of this 19.1 in the event of an issue by the Company of any other securities as convertible into shares as consideration for an acquisition.

19.2 If -

19.2.1 the Company undergoes a Change of Control after an Allocation Date other than a Change of Control initiated by the Board itself; or

19.2.2 the person/s (or those persons acting in concert) who has/have Control of the company as at an Allocation Date take/s any decision, pass/es any resolution and/or take/s any action the effect of which is to delist the Company from the JSE and the Company becomes aware of such decision, resolution and/or action,

the Company shall notify every Participant in writing in which event each Participant shall, within a period of one month (or such longer period as the Board may permit) of such notification, take delivery of all of his Performance Shares (ie all of his Provisional Shares shall be deemed to become Performance Shares as if the Performance Criteria in respect thereof had been satisfied in full).

19.3 Notwithstanding any other provision of this Deed, if any Participant (on the one hand) and the Trustees (on the other), with the approval of the Board, so agree in writing -

19.3.1 any transaction under which that Participant acquired Shares under this Plan may be cancelled; or

19.3.2 the Trust may purchase from that Participant any Shares acquired by him under this Plan at a price not exceeding the selling or acquisition price of those Shares to him,

provided that the Participant shall not receive or become entitled to receive, in consequence of such cancellation or acquisition, any compensation or consideration other than the repayment of any portion of the purchase or acquisition price actually paid by him.

20 **SALE AND ASSIGNMENT**

Save as otherwise expressly provided in this Deed, without the prior written consent of the Trustees, no Participant shall be entitled to cede or delegate any of his rights or obligations in terms of this Plan to any third party and/or to encumber any of his rights in terms of this Plan. Without derogating from the generality of the foregoing, no Participant may, without the prior written consent of the Trustees, sell, alienate or otherwise dispose of Provisional Shares and/or Conditional Contracts to any third party.

21 **AMENDMENT OF THE PLAN**

21.1 It shall be competent for the Board and the Trustees, with the approval of the JSE, to amend any of the provisions of this Plan; provided that no such amendment affecting any of the matters set out below shall be competent unless it is sanctioned by the Company in general meeting -

21.1.1 the eligibility of Participants under this Plan;

21.1.2 the calculation of the total number of Shares which may be acquired for the purpose of or pursuant to this Plan;

21.1.3 the maximum number of Shares which may be acquired by any Participant in terms of this Plan; and

21.1.4 the provisions of this 21.

21.2 Without derogating from 21.1 and provided that no amendment affecting any of the matters referred to in 21.1.1 to 21.1.4 (inclusive) are affected in which event the sanction of the Company in general meeting will be required, it shall be competent for the Board and the Trustees to -

21.2.1 establish further plans based on the Plan; or

21.2.2 to implement this Plan,

with such modifications as may be necessary or desirable to take account of the securities laws, exchange control laws and tax laws of foreign jurisdictions in which Participants are employed by Group Members. For the purposes of this 21.2 the term “foreign jurisdictions” shall mean jurisdictions other than the RSA.

22 **ADMINISTRATION**

22.1 Subject to the provisions of this Plan and to the approval of the Board, the Trustees shall be entitled to make and establish such rules and regulations, and to amend the same from time to time, as they may deem necessary or expedient for the proper implementation and administration of this Plan.

22.2 The Company shall -

22.2.1 bear all costs of and incidental to the implementation and administration of this Plan and shall, as and when necessary, provide all requisite funds and facilities for that purpose;

22.2.2 provide all secretarial, accounting, administrative, legal and financial advice and services, office accommodation, stationery and so forth for the purposes of this Plan;

22.2.3 be entitled to recover from the Trust all the abovementioned costs and, in addition, shall be entitled to be paid a fee to be determined by the Board, after consultation with the Trustees, for performing the duties and providing the services set out in 22.2.2.

23 **ANNUAL ACCOUNTS**

The Board shall ensure that a summary appears in the annual financial statements of the Company of the number of Provisional Shares awarded, any changes in such numbers during the financial year under review, the number of Shares held by the Trust which may be acquired by Eligible Employees and the number of Shares under the control of the Board for allotment and issue in terms of

this Plan.

24

STRATE

Notwithstanding any provision in this Deed, if share certificates of the Company are dematerialised, the Trustees shall not be obliged to deliver the Participant share certificates in respect of the Shares acquired by him in terms of this Deed but shall instead be obliged to procure such electronic transactions and/or entries and to deliver to the Participant such documents (if any) as may be required to reflect his rights in and to such Shares pursuant to the provisions of the Act, the Custody and Administration of Securities Act 85 of 1992, the Rules of the Central Securities Depository (being Share Transactions Totally Electronic Limited) and the requirements of the JSE.

25
