In addition, this Report on Form 6-K may include forward-looking statements relating to the Company's potential exposure to various types of market risks, such as interest rate risk, foreign exchange rate risk and commodity price risk. Certain factors that may cause such differences include but are not limited to: the impact of the global economic downturn, the highly cyclical nature of the pulp and paper industry (and the factors that contribute to such cyclicity, such as levels of demand, production capacity, production, input costs including raw material, energy and employee costs, and pricing), adverse changes in the markets for the group's products, the emergence of new technologies and changes in consumer trends including increased preferences for digital media, consequences of substantial leverage, including as a result of adverse changes in credit markets that affect our ability to raise capital when needed, changing regulatory requirements, unanticipated production disruptions (including as a result of planned or unexpected power outages), economic and political conditions in international markets, the impact of restructurings, investments, acquisitions, dispositions and other strategic initiatives (including related financing), any delays, unexpected costs or other problems experienced in connection with dispositions or with integrating acquisitions or implementing restructurings or other strategic initiatives, and achieving expected savings and synergies, and currency fluctuations. Sappi Announces Upsizing of Pending Tender Offer

June 20, 2012

PE Paper Escrow GmbH (“PE Paper”) is upsizing the Offer to Purchase announced on June 20, 2012 (“Offer to Purchase”). The Maximum Tender Amount, consisting of the aggregate principal amount of U.S. dollar-denominated 12.00% Senior Secured Notes due 2014 (the “Dollar Notes”) and euro-denominated 11.75% Senior Secured Notes due 2014 (the “Euro Notes” and, together with the Dollar Notes, the “Notes”) offered to be purchased by PE Paper is being increased from US\$300,000,000 to US\$700,000,000.

PE Paper’s obligation to accept for purchase, and to pay the applicable Total Consideration or Tender Offer Consideration, as the case may be, for Notes validly tendered pursuant to the Tender Offer is conditioned upon the successful completion by Sappi Papier Holding GmbH (“SPH”) of the New Financing (defined below) and the satisfaction or waiver of certain other conditions. In connection with the Tender Offer, SPH intends to issue indebtedness in the capital markets in an aggregate principal amount of \$700,000,000 (“New Financing”) and use the proceeds thereof, in addition to cash on hand, to repay part of the amounts outstanding under the PE Paper Proceeds Loan and provide PE Paper with the funds required to consummate the Tender Offer.

On or about the date on which PE Paper makes an Early Settlement Election and assuming the New Financing has been consummated, to the extent that PE Paper has received valid tenders with respect to Notes having an aggregate principal amount less than the Maximum Tender Amount, PE Paper intends to issue a notice of redemption for Notes not accepted for purchase in the Tender Offer, in an aggregate principal amount corresponding to the Maximum Tender Amount minus the aggregate principal amount of Notes that have been tendered in the Tender Offer and not withdrawn as of the Early Tender Deadline, and redeem such Notes in accordance with the terms of the Indenture on or about the 30th day following the issuance of the redemption notice, at a redemption price of 106.000% of the principal amount of each Dollar Note and at a redemption price of 105.875% of the principal amount of each Euro Note, in each case plus accrued and unpaid interest to the date of redemption (subject to the rights of Holders of Notes on the relevant date to receive interest on the relevant interest payment date), with Dollar Notes redeemed in priority to any Euro Notes.

All other terms of the Offer, as previously announced, remain unchanged. The Offer is being made solely pursuant to the Offer to Purchase. The final results of the Tender Offer will not be available until after the Offer expires at midnight, New York City time, on July 18, 2012, unless extended (such date and time, as the same may be extended, the “Expiration Time”).

Registered holders of Notes (the “Holders”) validly tendered and not validly withdrawn at or prior to the Early Tender Deadline will be eligible to receive the “Total Consideration” listed in the table below. Holders who validly tender Notes after such time but at or prior to the Expiration Time will be eligible to receive the “Tender Offer Consideration” listed in the table below. Withdrawal rights for the Offers will expire on July 3, 2012 at 5:00 p.m., New York City time.

Payments for Notes purchased will include accrued and unpaid interest on the tendered Notes accepted for purchase from and including the last interest payment date applicable to such Notes to, but not including, the Early Settlement Time or the Settlement Time, as applicable.

As further explained in the Offer to Purchase, PE Paper will, subject to the terms and conditions of the Offer to Purchase, accept for purchase Notes in accordance with the “Acceptance Priority Level” set forth in the table below. If there are sufficient remaining funds to purchase some, but not all, of the Euro Notes, the amount of Euro Notes purchased will be prorated as further described in the Offer to Purchase.
