PROXY STATEMENT - MEETING, April 24, 2003

## Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

To All Shareholders:

The accompanying Proxy is solicited by the Board of Directors of the Company for use at the Annual Meeting of Shareholders to be held on April 24, 2003, and, if properly executed, shares represented thereby will be voted by the named Proxies at such Meeting. The cost of soliciting proxies will be borne by the Company. The Company has engaged D.F. King & Co., Inc. ("King") to assist in the solicitation of proxies for a fee of \$7,500 plus reimbursement for out-of-pocket expenses and certain additional fees for services rendered by King in connection with such solicitation. Certain Officers and employees of the Company may also solicit proxies by mail, telephone, facsimile or in person without any extra compensation. Any Shareholder giving a Proxy has the power to revoke it at any time before it is voted by giving written notice of revocation to the Secretary of the Company, by executing and delivering a later-dated Proxy, or by voting in person at the Meeting.

The persons named as Proxies were selected by the Board of Directors of the Company, and all are Officers of the Company.

The Annual Report for the year ended December 31, 2002, containing audited financial statements, is being mailed to Shareholders contemporaneously with this Proxy Statement, i.e., on or about March 21, 2003.

On February 28, 2003, there were 164,882,835 outstanding shares of Common Stock, par value \$5.00 per share ("Common Stock").

Shareholders of Common Stock of record as of March 11, 2003 are entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote. The presence, in person or by proxy, of Shareholders entitled to cast a majority of votes will be necessary to constitute a quorum for the transaction of business. Proxies solicited herein will be voted, and, if the person solicited specifies by means of the ballot provided in the Proxy a choice with respect to matters to be acted upon, the shares will be voted in accordance with such specification. Votes withheld from Director nominees, abstentions and broker non-votes will be counted in determining the presence of a quorum. Under Pennsylvania law and the Company's By-Laws, votes withheld from Director nominees, abstentions and broker non-votes are not considered to be "votes" and, therefore, will not be given effect either as affirmative or negative votes. Directors are elected by plurality vote. Other matters are determined by a majority of the votes cast.

Other than as listed below, the Company has, to its knowledge, no other beneficial owner of more than 5 percent of the Common Stock outstanding as of February 28, 2003.

### ELECTION OF DIRECTORS

The persons named in the Proxy shall vote the shares for the nominees listed below, all of whom are now Directors of the Company, to serve as Directors for the ensuing year or until their successors shall be elected. None of the persons named as a nominee for Director has indicated that he or she will be unable or will decline to serve. The By-Laws of the Company provide for a variable number of Directors from 10 to 18. The Board of Directors has currently fixed the number of Directors at 10. It is intended that the Proxies will be voted for the election of the 10 nominees named below as Directors. None of the nominees, during the last five years, was involved as a defendant in any legal proceedings that could adversely affect his or her capacity to serve as a member of the Board of Directors. The principal occupations stated below are the occupations which the nominees have had during the last five years.

The Board of Directors recommends that Shareholders vote FOR election of each of the nominees named below. The names of the nominees and information concerning them and their associations as of February 28, 2003, as furnished by the nominees, follow. The Directors and Executive Officers of the Company have sole voting and investment power in respect to the securities of the Company listed in the table above, except as to the shares held in the aforementioned trust, with respect to which the trustees have shared voting and investment power, and except as otherwise noted.

The Company and its subsidiaries utilized the services of Dechert LLP during 2002. Thomas A. Ralph, a Director of the Company, is a partner in that law firm.

### BOARD MEETINGS AND COMMITTEES

In 2002, there were seven meetings of the Board of Directors and one meeting of the Executive Committee. Each incumbent Director of the Company attended at least 75% of the aggregate meetings held by the Board of Directors and by the Committees on which he or she served.

Directors who are not employees of the Company are paid \$77,000 annually as base Director's fees (of which \$50,000 is paid in Company Common Stock valued at market price when paid) and \$1,000 per meeting attended. In addition, a non-employee Director who is Chairperson of a Committee is paid \$10,000 annually, while non-employee Director Committee members are paid \$7,000 annually, with an attendance fee of \$1,000 per meeting. In addition, each non-employee Director first elected to the Board of Directors on or before April 26, 2001 has been granted 3,000 shares of Company Common Stock subject to certain restrictions which lapse as to one-fifth of such shares each year over a five-year period. The Company discontinued the Pension Plan for Outside Directors as to future Directors elected after July 24, 1997. Non-employee Directors first elected to the Board of Directors on or before July 24, 1997 continue to participate in the Company's Pension Plan for Outside Directors which provides monthly retirement benefits equal to 1/12 of the sum of (x) 50% of the base annual Director's fees paid to non-employee Directors and (y) 10% of the base annual Director's fees for each full year of service in excess of five, up to an annual maximum benefit of 100% of the base annual Director's fee. Non-employee Directors may also participate in the Company's Deferred Compensation Plan for Directors which permits Directors to defer receipt of all, or any part, of their Director's fees, which deferred fees accrue interest at a rate equal to the current interest rate on the Company's commercial paper.

In 2002, the Audit Committee had eight meetings. The Audit Committee provides assistance to the Board of Directors in discharging its responsibilities in connection with the oversight of the financial accounting practices of the Company and the internal controls related thereto and represents the Board of Directors in connection with the services rendered by the Company's independent accountants. The Board of Directors has determined in

## Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

its business judgment that the Directors who serve on the Audit Committee are all "Independent" as defined in the listing standards of the New York Stock Exchange. The Board of Directors has adopted a written Audit Committee Charter.

The Audit Committee reviewed the fees of PricewaterhouseCoopers LLP, the Company's independent accountants, for the fiscal years ended December 31, 2002 and December 31, 2001. (1) Audit Fees totaled \$6,243,000 and \$4,347,000 for the years 2002 and 2001, respectively. These fees represent professional services rendered for the audits of the consolidated financial statements of the Company, statutory and subsidiary audits, issuance of comfort letters, consents and assistance with

6

review of documents filed with the Securities and Exchange Commission. (2) Audit Related Fees totaled \$458,000 and \$1,216,000 for the years 2002 and 2001, respectively. These fees were for assurance and related services for employee benefit plan audits, accounting consultations and audits in connection with business divestitures. (3) Tax Fees totaled \$1,233,000 and \$766,000 for the years 2002 and 2001, respectively. These fees were for tax compliance, including the preparation of tax returns and claims for refunds; tax planning and advice, including assistance with and representation in tax audits and appeals; and advice related to divestitures. (4) All Other Fees totaled \$158,000 and \$161,000 for the years 2002 and 2001, respectively, and were for services rendered for internal audit advice and systems security assessments. There were no fees associated with financial information systems design and implementation for either of the years 2002 or 2001. The Audit Committee has considered whether the non-audit fees paid to PricewaterhouseCoopers LLP are compatible with maintaining their independence as accountants.

In 2002, the Executive Compensation Committee met two times. The Executive Compensation Committee is responsible for the review of the executive compensation program.

There were no meetings of the Nominating Committee in 2002. The Nominating Committee is responsible for recruiting and recommending for membership on the Board of Directors candidates to fill vacancies that may occur. In recommending candidates to the Board of Directors, the Nominating Committee seeks persons of proven judgment and experience. Shareholders who wish to suggest qualified candidates may write, via Certified Mail-Return Receipt Requested, to the Office of the Secretary, Crown Holdings, Inc., One Crown Way, Philadelphia, PA 19154, stating in detail the qualifications of the persons they recommend. Shareholders must include a letter from each nominee affirming that he or she will agree to serve as a director of the Company if elected by Shareholders. However, through its own resources, the Committee expects to be able to identify an ample number of qualified candidates. See "Proposals of Shareholders" for information on bringing nominations for the Board of Directors at the 2004 Annual Meeting.

Effective January 3, 2000, the Company entered into employment agreements with John W. Conway and Alan W. Rutherford (the "Executives") which provided for them to serve in their positions at their annual base salaries in effect in 2000. In each case, the base salary is reviewed and may be increased in accordance with the Company's regular compensation review policy. The agreements are for a continuous five-year period with automatic one-year extensions each year and will terminate at age 65. Each of the Executives shall have the opportunity to receive an annual bonus under the Company's Management Incentive Plan and awards under the Company's Stock-Based Incentive Compensation Plans commensurate with each Executive's position with the Company. The agreements also entitle each of the Executives to participate in the Company's qualified retirement plans, Senior Executive Retirement Plan and other employee benefit plans and programs in accordance with the terms of those plans and programs.

Each of the Executives agreed that, during his employment and for two years thereafter, he shall not compete with the Company or solicit Company employees to terminate employment with the Company. The Company may waive the

## Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

Executive's non-competition restriction if the Executive gives up his right to certain payments payable upon the termination of his employment under the employment agreement.

Under the agreements, if an Executive's employment is terminated because of death or disability, the Company shall pay the Executive (or his estate, if applicable), his base salary through the date of termination, continued base salary through the calendar year in which the termination occurs, and any vested retirement, incentive or other benefits. If an Executive's employment terminates because of his retirement, the Company shall pay to the Executive his base salary through his date of retirement and any vested retirement, incentive or other benefits. If an Executive's employment with the Company is terminated for "Cause" (as defined in the employment agreements), the Company shall pay to the Executive only the base salary owed through his date of termination and his vested retirement, incentive or other benefits. If an Executive's employment is terminated by the Company without Cause or by the Executive for "Good Reason" prior to a "Change in Control" (as defined in the employment agreements), in addition to the Executive's base salary through the date of termination, the Company shall pay to the Executive a lump sum payment equal to the sum of (i) his expected annual bonus payment, (ii) any previously earned bonus payment and (iii) an amount equal to three times the sum of the Executive's base salary and his average bonus over the prior three years. The Company shall also pay to the Executive any vested retirement, incentive or other benefits and shall continue to provide the Executive with health benefits. If an Executive's employment is terminated by the Company without Cause or by the Executive for Good Reason during the one year period following a Change in Control, the Executive will be entitled to the same payments and benefits described in the two preceding sentences, and all stock options granted to such Executive by the Company will become fully vested and immediately exercisable. If an Executive voluntarily terminates his employment without Good Reason, the Company shall pay to the Executive his base salary through his date of termination, a pro-rated annual bonus for the year of termination, and any vested retirement, incentive or other benefits.

To the extent an Executive would be subject to the excise tax under Section 4999 of the Internal Revenue Code on the amounts or benefits to be received from the Company and required to be included in the calculation of parachute payments for purposes of Sections 280G and 4999 of the Internal Revenue Code, the Company will pay to the Executive an additional amount so that the Executive will receive the full amount owed to him under his employment agreement, without regard to the excise tax or any other taxes imposed on the additional payment.

Frank J. Mechura borrowed \$50,000 on June 19, 1997 and \$65,000 on June 3, 2002 from the Company in connection with relocation and housing. The loans are payable on demand and accrue interest at the prime rate. Principal and accrued interest totaled \$138,574 as of February 28, 2003.

Retirement Program

The Company maintains a Salaried Pension Plan ("Pension Plan") for certain eligible employees in the United States meeting minimum eligibility requirements in which four Named Executive Officers (Messrs. Conway, Rutherford, Mechura and Voss) participate. The Pension Plan is designed and administered to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended. The Pension Plan provides normal retirement benefits at age 65 based on the average of the five highest consecutive years of earnings in the last ten years. For purposes of the Pension Plan, earnings consist of salary excluding any bonus. These average earnings are multiplied by 1.25%. This result is then multiplied by years of service, which yields the annual Company-funded pension benefit. Under federal law for 2003, benefits from a qualified retirement plan are limited to \$160,000 per year and may be based only on the first \$200,000 of an employee's annual earnings. The benefits payable under the Pension Plan are generally not subject to reduction for Social Security or other offset amounts.

For illustration purposes, the following table shows estimated maximum annual Company-funded retirement benefits payable from the Pension Plan to employees who retire at age 65, assuming the employees receive their benefit as a single life annuity, without survivor benefits:

Final Average Earnings	Years of Service			
	25	30	35	40
\$50,000	\$15,625	\$18,750	\$21,875	\$ 25,000
100,000	31,250	37,500	43,750	50,000
150,000	46,875	56,250	65,625	75,000
200,000 and above	62,500	75,000	87,500	100,000

The Company also maintains the Senior Executive Retirement Plan ("SERP") in which nine key executives, including the five above-Named Executive Officers, participate. In general, the annual benefit for executives eligible to participate in the SERP is based upon a formula equal to (i) 2.25% of the average of the five highest consecutive years of earnings times years of service up to twenty years plus (ii) 1.67% of such earnings for the next fifteen years plus (iii) 1% of such earnings for years of service beyond thirty-five less (iv) Social Security old-age benefits and the Company-funded portion of the executive's Pension Plan benefits and 401(k) Retirement Savings Plan benefits.

## Edgar Filing: CROWN HOLDINGS INC - Form DEF 14A

Based upon the above, the annual benefit, estimated as of December 31, 2002, under the SERP at retirement at age 65, assuming annual salary increases of 5%, would be \$1,412,401 for Mr. Conway, \$689,444 for Mr. Rutherford, \$391,509 for Mr. Apted, \$487,606 for Mr. Mechura and \$309,646 for Mr. Voss.

Participants in the SERP may elect to take all or part of their annual retirement benefit in a lump sum at retirement, the amount of which is determined by present valuing the actuarially determined future annual payments. The SERP also provides a lump-sum death benefit of five times the annual retirement benefit and subsidized survivor benefits.

13

SERP participants vest in their benefits at the earliest of five years of participation, specified retirement dates, total disability or employment termination (other than for cause) after a change in control of the Company. A "change in control" under the SERP occurs if: 1) a person (other than a Company employee benefit plan) becomes the beneficial owner of 25% or more of the voting power of the Company; 2) over a two year period Directors at the beginning of the period and new Directors approved by such Directors cease to constitute a majority of the Board; or 3) the Shareholders approve certain mergers or consolidations, a sale of substantially all of the Company's assets or a complete liquidation of the Company.

Years of service credited under the Pension Plan and the SERP for the above-Named Executive Officers are: Mr. Conway - 28 years, Mr. Rutherford - 29 years, Mr. Apted - 6 years, Mr. Mechura - 35 years and Mr. Voss - 33 years.

### EXECUTIVE COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Executive Compensation Committee of the Board of Directors is composed entirely of independent directors and is responsible for establishing and administering the executive compensation program at Crown Holdings, Inc. We submit this report to Shareholders describing both the principles under which the program is administered and the decisions that directly impacted the Chief Executive Officer during 2002.

#### Principles

Our guiding principle is to provide a program that enables the Company to retain and motivate a team of high quality executives who will create long-term value for the Shareholders. We do this by:

- o developing an ownership-oriented program that rewards for long-term improvement in total Shareholder return;
- o integrating all facets of the executive compensation program with the Company's short and long-term objectives and strategies;
- o regularly commissioning studies of competitive pay practices within the container industry and other manufacturing companies to ensure pay opportunities are generally within competitive norms; and
- o working with independent management consultants to monitor the effectiveness of the entire program.

In order to improve the Company's performance and shareholder value, we must continue to motivate existing management as well as attract and retain experienced managers at all levels in the Company. We believe our program is closely aligned with sustained improvement in Company performance and increased Shareholder value in all economic conditions. The specific components of the program are described below.

**Base Salaries** - In order to attract and retain high quality executives, we endeavor to maintain senior executive salaries within the competitive market rates as defined by the container and manufacturing industries. The competitive market includes, but is not limited to, companies of Crown Holdings' size in the container, non-durable manufacturing and general industry segments.

**Annual Incentive Bonus Awards** - The Management Incentive Plan calls for the achievement of the Company's targets. In 2002, the Plan called for the

Company to achieve substantially improved free cash flow to reduce debt levels in the Company.

Long Term Incentives - The Committee believes that stock options, and other stock-based incentives, are an important link between the executive and Shareholder interests, and it is for that reason that grants have always been a part of the executive compensation program. The program administered by the Committee offers annual grants that vary in size based on the Company's and the executive's performance. As part of its ongoing review of the competitiveness and effectiveness of the Company's executive compensation programs, the Committee annually evaluates the components of the compensation system as well as the desired mix of compensation among these components. The Committee believes that a substantial portion of the compensation paid to the Company's executives should be at risk contingent on the Company's operating and market performance. Consistent with this philosophy, the Committee will continue to place significant emphasis on stock-based compensation and performance measures, in an effort to more closely align compensation with Shareholder interests and to increase executives' focus on the Company's long-term performance.

16

In summary, the Committee believes that its role in administering the executive compensation program is critical to the objective of driving performances to the ultimate benefit of the Shareholders. Base salaries need to be within competitive norms so that executives will be attracted, retained and motivated to fulfill their roles and responsibilities over the long-term. Annual incentive bonus awards deliver the message that competitive pay is received only when earnings and other strategic goals are achieved. In addition, benefits realized from long term incentives, in the form of annual stock option grants, require continuous improvement in value created for the Shareholder.

### Specific Decisions Impacting Compensation for the Chairman and Chief Executive Officer

Based on the policies and practices described above, Mr. Conway's base salary was increased to \$765,000 on March 1, 2001 and remained the same during 2002; a bonus of \$826,200 was earned as a part of the 2002 Management Incentive Plan; and options to purchase 350,000 shares of Common Stock were granted during the year.

Mr. Conway continued to implement the plans which were initiated in 2001 and 2002 with great success. Profitability improved in all divisions due to pricing initiatives which became effective during the year. The Company continued with its asset disposal program and completed a successful initial public offering for the Company's plastic-bottle subsidiary Constar International in November 2002. This, along with other divestitures earlier in the year, raised net proceeds of \$661 million which went to reduce debt. The Company continued to reduce working capital during 2002 and improved free cash flow as a result. All these actions resulted in net debt being reduced by \$1.2 billion or almost 25% in the year 2002. In early 2003 the Company was able to successfully return to the financial markets and refinanced its debt giving the Company a stable capital structure with no significant near-term maturities.

Section 162(m) of the Internal Revenue Code generally disallows a deduction for annual compensation to a public company's chief executive officer and any of the four other most highly compensated officers in excess of \$1,000,000, unless such compensation is "performance based" as defined under Section 162(m). A portion of Mr. Conway's 2002 compensation exceeded the threshold. Because the Company's costs in realizing tax benefits under Section 162(m) may outweigh those benefits, the Committee intends to maintain

flexibility to pay compensation that is not entirely deductible when sound direction of the Company would make that advisable. All stock options granted in 2002 to Crown executive officers are "performance based."

This report is respectfully submitted by the members of the Executive Compensation Committee of the Board of Directors.
