PROXY STATEMENT

INTRODUCTION

This Proxy Statement is furnished on or about April 20, 2007 to stockholders of Bay National Corporation in connection with the solicitation of proxies by Bay National Corporation's Board of Directors to be used at the annual meeting of stockholders described in the accompanying notice (the "Annual Meeting") and at any adjournments or postponements thereof. The purposes of the Annual Meeting are set forth in the accompanying notice of annual meeting of stockholders.

This proxy material is being sent to Bay National Corporation's stockholders on or about April 20, 2007. Bay National Corporation's annual report, including financial statements for the year ended December 31, 2006, has been mailed to all stockholders with this proxy material.

SOLICITATION AND REVOCATION OF PROXIES

The enclosed proxy is solicited by the Board of Directors of Bay National Corporation. The Board of Directors selected Warren F. Boutilier and Hugh L. Robinson II, or either of them, to act as proxies with full power of substitution at the Annual Meeting. The proxy is revocable at any time prior to or at the Annual Meeting by written notice to Bay National Corporation, by executing a proxy bearing a later date, or by attending the Annual Meeting and voting in person. A written notice of revocation of a proxy should be sent to the Secretary, Bay National Corporation, 2328 West Joppa Road, Suite 325, Lutherville, MD 21093, and will be effective if received by the Secretary prior to the Annual Meeting. The presence of a stockholder at the Annual Meeting alone will not automatically revoke such stockholder's proxy.

In addition to solicitation by mail, officers and directors of Bay National Corporation may solicit proxies personally or by telephone. Bay National Corporation will not specifically compensate these persons for soliciting such proxies. Bay National Corporation will bear the cost of soliciting proxies. These costs may include reasonable out-of-pocket expenses in forwarding proxy materials to beneficial owners. Bay National Corporation will reimburse brokers and other persons for their reasonable expenses in forwarding proxy materials to customers who are beneficial owners of the common stock of Bay National Corporation registered in the name of nominees.

OUTSTANDING SHARES AND VOTING RIGHTS

Stockholders of record at the close of business on March 27, 2007 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of the close of business on that date, there were outstanding and entitled to vote 1,935,369 shares of common stock, \$0.01 par value per share, each of which is entitled to one vote.

The presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting will be necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting.

For the election of directors, which requires a plurality of the votes cast, only proxies and ballots indicating votes "FOR" a nominee or "WITHHOLD AUTHORITY" for a nominee are counted to determine the total number of votes cast, and abstentions and broker non-votes have no effect on the outcome of the election.

Assuming a quorum is present; the affirmative vote of a plurality of the shares cast in person or represented by proxy at the Annual Meeting is required to elect the director nominees. In other words, the nominees to receive the greatest

number of votes cast, up to the number of nominees up for election, will be elected. Withheld votes and broker non-votes will not affect the outcome of the election of directors.

Bay National Corporation

1

The affirmative vote of at least a majority of all votes cast in person or by proxy at the Annual Meeting and entitled to vote on the matter is necessary to approve the 2007 Stock Incentive Plan and ratify the appointment of Stegman & Company as our independent registered public accountants. An abstention or broker non-vote is not included in calculating votes cast with respect to these proposals and will have no effect on the outcome of these proposals.

A broker “non-vote” is a proxy received from a broker or nominee indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary power to vote.

All proxies will be voted as directed by the stockholder on the proxy form. A proxy, if executed and not revoked, will be voted in the following manner (unless it contains instructions to the contrary, in which event it will be voted in accordance with such instructions):

FOR the nominees for directors named below.

FOR ratification of the appointment of Stegman & Company as independent public accountants for 2007.

FOR approval of the 2007 Stock Incentive Plan.

Proxies will be voted in the discretion of the holder on such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

It is anticipated that Bay National Corporation’s directors and officers will vote their shares of common stock in favor of the nominees for election to the Board of Directors listed herein, for the ratification of the appointment of Stegman and Company and for the approval of the 2007 Stock Incentive Plan.

BOARD MEETINGS AND COMMITTEES

Bay National Corporation's Board of Directors convenes at regularly-scheduled meetings nine times per year (usually the fourth Tuesday of each month with the exception of February, August and December) and such special meeting as circumstances may require. The Board of Directors of Bay National Corporation and Bay National Bank met nine times during 2006. Each director attended at least 79% of the total number of meetings of the Board of Directors and the Board committees of Bay National Corporation and Bay National Bank of which he or she was a member during 2006.

The Board of Directors of Bay National Corporation has standing Audit, Nominating and Compensation Committees. The Board of Directors of Bay National Bank also has a number of standing committees, including the Asset & Liability Committee, Audit Committee, Capital Committee, Compensation Committee, Executive Committee, Nominating Committee, Governance Committee, Business Development & Marketing Committee and Strategic Planning Committee. The members of Bay National Corporation's and Bay National Bank's Audit, Compensation and Nominating Committees are the same, and these committees typically hold joint meetings.

Bay National Corporation's policy requires that, in the absence of an unavoidable conflict, all directors are expected to attend the annual meeting of Bay National Corporation's stockholders. Nine of the members of the Board of Directors of Bay National Corporation attended the 2006 annual meeting.

Audit Committee. Bay National Corporation's Audit Committee members are Edwin A. Rommel, III, Chairman, James P. O'Connor, Henry H. Stansbury and Kenneth H. Trout. The Board of Directors has determined that each of these individuals is "independent," as defined under the applicable rules and listing standards of the NASDAQ Stock Market LLC and the rules and regulations of the Securities and Exchange Commission. In addition, the Board of Directors has determined that each committee member is able to read and understand fundamental financial statements, including Bay National Corporation's consolidated balance sheet, income statement and cash flow statement. In addition, the Board of Directors has determined that Edwin A. Rommel, III is an "audit committee financial expert" as that term is defined by the rules and regulations of the Securities and Exchange Commission.

The Audit Committee of Bay National Corporation and Bay National Bank held four meetings in 2006. The Audit Committee's primary responsibilities are to assist the Board by monitoring (i) the integrity of Bay National Corporation's financial statements; (ii) the independent auditors' qualifications and independence; (iii) the performance of Bay National Corporation's independent auditors and internal audit firm; (iv) Bay National Corporation's system of internal controls; (v) Bay National Corporation's financial reporting and system of disclosure controls; and (vi) Bay National Corporation's compliance with legal and regulatory requirements.

In addition, the Audit Committee was appointed to oversee treatment of, and any necessary investigation concerning, any employee complaints or concerns regarding Bay National Corporation's accounting and auditing matters. Pursuant to procedures adopted by Bay National Corporation, any employee with such complaints or concerns is encouraged to report them, anonymously if they desire, to the Chair of the Audit Committee for investigation, and appropriate corrective action, by the Audit Committee.

The Audit Committee has adopted a written charter, a copy of which is available on our website at www.baynational.com.

Nominating Committee. Bay National Corporation's Nominating Committee members are Carl A.J. Wright, Chairman, Donald G. McClure, Jr., Robert L. Moore, H. Victor Rieger, Jr. and Edwin A. Rommel, III. The Board of Directors has determined that each of these individuals is "independent," as defined under the applicable rules and listing standards of the NASDAQ Stock Market LLC. The Nominating Committee has adopted a written charter, a copy of which is available on our website at www.baynational.com.

The Nominating Committee determines whether the incumbent directors should stand for reelection to the Board of Directors and identifies and evaluates candidates for membership on the Board of Directors. In the case of a director nominated to fill a vacancy on the Board of Directors due to an increase in the size of the Board of Directors, the Nominating Committee recommends to the Board of Directors the class of directors in which the director-nominee should serve. The Nominating Committee also conducts appropriate inquiries into the backgrounds and qualifications of possible director candidates and reviews and makes recommendations regarding the composition and size of the Board of Directors.

The Nominating Committee also evaluates candidates for nomination to the Board of Directors who are recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating Committee to become nominees for election to the Board may do so by submitting a written recommendation to the Secretary of Bay National Corporation at 2328 West Joppa Road, Suite 325, Lutherville, MD 21093. Submissions must include sufficient biographical information concerning the recommended individual, including age, five year employment history with employer names and a description of the employer's business, whether such individual can read and understand basic financial statements and board memberships for the Nominating Committee to consider. A written consent of the individual to stand for election if nominated and to serve if elected by the stockholders must accompany the submission. The Nominating Committee will consider recommendations received by a date not later than 120 calendar days before the date the Proxy Statement was released to stockholders in connection with the prior year's annual meeting for nomination at that annual meeting. The Nominating Committee will consider nominations received beyond that date at the annual meeting subsequent to the next annual meeting.

In addition to candidates recommended by stockholders, the Nominating Committee identifies potential candidates through various methods, including but not limited to, recommendations from existing directors, customers and employees. In identifying and evaluating candidates for membership on the Board of Directors, the Nominating Committee takes into account all factors it considers appropriate. These factors may include, without limitation:

- Ensuring that the Board of Directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including, if

determined by the Committee to be appropriate, expertise that could qualify a director as an “audit committee financial expert,” as that term is defined by the rules of the Securities and Exchange Commission), local or community ties; and

- Minimum individual qualifications, including high moral character, mature judgment, familiarity with the Company’s business and industry, independence of thought and an ability to work collegially.

Bay National Corporation

12

The selection process for new members on the Board of Directors is as follows:

- Full Board of Directors identifies a need to add new Board member with specific criteria or to fill a vacancy on the Board.
- Chair of Committee or other designated Committee member initiates search seeking input from Board members and Company management, and hiring a search firm, if necessary.
- Candidate or slate of candidates that will satisfy specific criteria and/or otherwise qualify for membership on the Board, based on the factors described above, are identified and presented to the Committee.
- Chairman of the Board, the Company's CEO and all or at least one member of the Committee interviews prospective candidate(s). Chair of Nominating Committee will keep the full Board of Directors informed of progress.
- Committee meets to consider and approve final candidate(s) (and conduct additional interview if deemed necessary) or recommend candidate(s) to the full Board of Directors.

Compensation Committee. Bay National Corporation's Compensation Committee members are Henry H. Stansbury, Chairman, Edwin A. Rommel, III and Carl A.J. Wright. The Board of Directors has determined that each of these individuals is "independent," as defined under the applicable rules and listing standards of the NASDAQ Stock Market LLC. The Compensation Committee has adopted a written charter, a copy of which is included in this proxy statement as Appendix A. The Compensation Committee of Bay National Corporation and Bay National Bank held two meetings in 2006.

The Compensation Committee evaluates the performance of the President and Chief Executive Officer and makes recommendations to the Board of Directors regarding the President and Chief Executive Officer's compensation. The Compensation Committee also reviews the current industry practices regarding compensation packages provided to executive management and the Board of Directors, including salary, bonus, stock options and other perquisites. Based on recommendations from the President and Chief Executive Officer, the Compensation Committee approves compensation provided to members of executive management, excluding the President and Chief Executive Officer. The Compensation Committee also develops a recommendation for compensation of the President and Chief Executive Officer and presents the recommendations to the Board of Directors for approval. The Compensation Committee also evaluates and recommends to the Board of Directors fees for non-employee board members.

EMPLOYMENT AGREEMENTS

On June 1, 2006, Bay National Bank (the “Bank”) and Hugh W. Mohler entered into an Amended and Restated Employment Agreement (the “Restated Agreement”), pursuant to which Mr. Mohler will continue to serve as President and Chief Executive Officer of the Bank and the Company.

The Restated Agreement provides for an initial annual base salary of \$225,000. In addition, Mr. Mohler is eligible for annual incentive compensation bonuses as determined by the Bank’s board of directors and is entitled to participate in any bonus, incentive and other executive compensation program available to senior management.

The Restated Agreement has an initial three-year term that, unless written notice that the Restated Agreement will not be renewed is provided to Mr. Mohler, is renewed for an additional year on the anniversary of its effective date, such that the remaining term at each such anniversary date will be three years. The Restated Agreement provides for earlier termination in certain circumstances.

If Mr. Mohler’s employment is terminated by the Bank without Cause or upon Mr. Mohler’s Permanent Disability, by Mr. Mohler for Good Reason or upon his Permanent Disability (all as defined in the Restated Agreement), or upon Mr. Mohler’s death, Mr. Mohler (or his personal representative) will be entitled to receive an amount equal to his current base salary plus all benefits he is then receiving for a period equal to the remaining term of the Restated Agreement plus any incentive compensation already accrued for that year.

If the Bank does not renew the Restated Agreement by providing the notice of nonrenewal, then, assuming a Change of Control (as defined in the Restated Agreement) has not occurred, Mr. Mohler will be entitled to receive at the end of the then-current term of employment an amount equal to 50% of his base salary for the preceding 12-month period either in a lump sum or in six equal monthly installments, at his option, as well as continuation of employee benefits substantially similar to those he is then receiving for a period of six months.

If, within 12 months following a Change in Control, the Restated Agreement is terminated by Mr. Mohler for any reason or by the Bank without Cause, then, instead of the payments provided for above, Mr. Mohler will be entitled to (i) a lump sum payment equal to the sum of (a) 2.99 times his average annual taxable compensation during the last five years minus the aggregate present value of any other payments he receives that are treated as contingent upon the Change in Control and (b) a pro-rated bonus; (ii) immediate vesting of all stock awards; (iii) immediate exercisability of any unexercised stock options; and (iv) continued medical coverage for two years as available to the Bank’s other employees.

If any severance payment or distribution made to Mr. Mohler is determined to be subject to the limitations of Section 280G of the Internal Revenue Code of 1986, as amended (the “Code”) (a “Parachute Payment”), Mr. Mohler will be entitled to a full tax “gross-up” to cover any excise taxes on such amount, unless the total value of all such payments and benefits (as measured for purposes of Section 280G) exceeds the taxable threshold by ten percent or less, in which event the payments and benefits will instead be reduced so as to fall below the taxable threshold.

Under the Restated Agreement, Mr. Mohler is bound by confidentiality and proprietary information covenants during his employment and for three years thereafter. He is also prohibited, during the period that any payments in connection with the termination or non-renewal of the Restated Agreement are being made, from competing with the Bank, soliciting its customers, and soliciting, recruiting or hiring its employees (other than his administrative assistant).

Bay National Corporation

18

If the change of control severance payment were required to be paid in 2007, Mr. Mohler would receive approximately \$645,000.

Bay National Bank has purchased "key man" life insurance on Mr. Mohler.

On June 1, 2006, the Bank entered into an employment agreement with Richard C. Springer to serve as Executive Vice President of the Bank.

The Agreement provides for (i) an initial annual base salary of \$200,000; (ii) a potential maximum annual bonus of 60% of base salary as determined by the Board; (iii) subject to certain vesting requirements and continued employment, a grant of 12,000 shares of the Company's common stock; (iv) \$30,000 paid to Mr. Springer on June 1, 2006; and (v) \$30,000 payable to Mr. Springer on December 1, 2006 if he is then employed with the Bank pursuant to the Agreement and is not then suspended without pay as provided for in the Agreement. Mr. Springer also is entitled to participate in any bonus, incentive and other executive compensation program available to senior management.

The Agreement has an initial three-year term that, unless written notice that the Agreement will not be renewed is provided to Mr. Springer, is renewed for an additional year on the anniversary of its effective date, such that the remaining term at each such anniversary date will be three years. The Agreement provides for earlier termination in certain circumstances.

If Mr. Springer's employment is terminated by the Bank without Cause or upon Mr. Springer's Permanent Disability or by Mr. Springer for Good Reason (all as defined in the Agreement), Mr. Springer will be entitled to receive an amount equal to his current base salary plus all benefits he is then receiving for a period equal to the remaining term of the Agreement plus any incentive compensation already accrued for that year. In addition, all of Mr. Springer's stock awards and stock options will immediately vest.

If the Bank does not renew the Agreement by providing the notice of nonrenewal, then, assuming a Change in Control has not occurred, Mr. Springer will be entitled to receive at the end of the then-current term of employment an amount equal to 50% of his base salary for the preceding 12-month period either in a lump sum or in six equal monthly installments, at his option, as well as continuation of employee benefits substantially similar to those he is then receiving for a period of six months.

If the Agreement is terminated by the Bank without Cause within 12 months following a Change in Control, then, instead of the payments and benefits provided for above, Mr. Springer will be entitled to (i) a lump sum payment equal to the sum of (a) 2.99 times his average annual taxable compensation during the last five years minus the aggregate present value of any other payments he receives that are treated as payments contingent on the Change in Control and (b) a pro-rated bonus; (ii) immediate vesting of all stock awards; (iii) immediate exercisability of any unexercised stock options; and (iv) continued medical coverage for two years as available to the Bank's other employees.

If any severance payment or distribution made to Mr. Springer is determined to be subject to the limitations of Section 280G of the Code (a "Parachute Payment"), Mr. Springer will be entitled to a full tax "gross-up" to cover any excise taxes on such amount, unless the total value of all such payments and benefits (as measured for purposes of Section 280G) exceeds the taxable threshold by ten percent or less, in which event the payments and benefits will instead be reduced so as to fall below the taxable threshold.

Under the Agreement, Mr. Springer is bound by confidentiality and proprietary information covenants during his employment and for three years thereafter. In addition, while any payments in connection with the termination or non-renewal of the Agreement are being made (the payment of which may be waived by Mr. Springer), Mr. Springer is prohibited from competing with the Bank. He is also prohibited from soliciting the Bank's customers and soliciting, recruiting or hiring its employees (other than his administrative assistant) for one year after termination of his

employment.
