Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Currently, Terex Corporation (the “Company”) and certain of its named executive officers, other than its Chief Executive Officer, and a very limited number of other executive officers of the Company, are parties to Change in Control and Severance Agreements (the “Agreements”). The Agreements were amended and restated on March 29, 2011 to remove the provision providing for a gross up payment if an excise tax is imposed on the change of control payments and benefits under Sections 280G and 4999 of the Internal Revenue Code of 1986, as amended. This change was consistent with the Company’s Board of Directors’ determination in December 2009 that any Change in Control and Severance Agreements that the Company enters into in the future will not contain any excise tax gross up payments. In addition, certain other minor changes were made including clarifying the calculation of payments for past service.

Copies of the forms of the Agreements are filed as Exhibits 10.1 and 10.2 to this Form 8-K. The primary difference between the two forms of the Agreements is whether the severance payments and certain other benefits received by the executive are based upon a two year time period or a one year time period. The foregoing summary of the changes to the Agreements is qualified in its entirety by reference to the attached forms of Agreements.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits

10.1 Form of Change in Control and Severance Agreement between Terex Corporation and certain executive officers.

10.2 Form of Change in Control and Severance Agreement between Terex Corporation and certain executive officers.
