LANDAMERICA FINANCIAL GROUP, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(In thousands of dollars except per share amounts)

1. Interim Financial Information

The unaudited consolidated financial information included in this report has been prepared in conformity with the accounting principles and practices reflected in the consolidated financial statements included in the Annual Report on Form 10-K for the year ended December 31, 2001 filed with the Securities and Exchange Commission under the Securities Exchange Act of 1934. This report should be read in conjunction with the aforementioned Form 10-K. In the opinion of management, all adjustments (consisting of normal recurring accruals) necessary for a fair presentation of this information have been made. The results of operations for the interim periods are not necessarily indicative of results for a full year.

Certain 2001 amounts have been reclassified to conform to the 2002 presentation.

3. Commitments and Contingencies

For additional information, see Pending Legal Proceedings on pages F-29 and F-30 and Legal Proceedings on pages 12 and 13 of the Form 10-K for the fiscal year ended December 31, 2001 and Legal Proceedings on page 16 of this Form 10-Q.

4. New Accounting Standards

In June 2001, the Financial Accounting Standards Board issued Statements of Financial Accounting Standards (SFAS) No. 141, Business Combinations and SFAS No. 142, Goodwill and Other Intangible Assets. SFAS No. 141 requires that the purchase method of accounting be used for all business combinations initiated after June 30, 2001 and included guidance on the initial recognition and measurement of goodwill and other intangible assets arising from business combinations completed after June 30, 2001. Under SFAS No. 142, goodwill and other intangible assets with indefinite lives will no longer be amortized but will be subject to annual impairment tests. Other intangible assets with indefinite lives consist of the Company's title plants.

On January 1, 2002, the Company adopted SFAS No. 142 which is expected to increase annual net earnings by approximately \$6.9 million in 2002. The Company tested goodwill for impairment using the process prescribed in SFAS No. 142. The test performed indicated that no goodwill impairment existed at January 1, 2002.

The following table provides comparative earnings and earnings per share had the non-amortization provisions of SFAS No. 142 been adopted for the periods presented:

9

On January 1, 2002, the Company adopted SFAS No. 144, Accounting for the Impairment or Disposal of Long Lived Assets, which addresses financial accounting and reporting for the impairment or disposal of long-lived assets. The adoption of the Statement did not have a material impact on the Company's financial position and results of operations.

5. Exit and Termination Costs

On May 31, 2002, the Company entered into a joint venture agreement with The First American Corporation to combine their real estate valuation operations. Under the terms of the agreement, the Company contributed its former Primis (currently operating as "OneStop") residential appraisal production division, which it acquired in 2000, to First American's eAppraiseIT subsidiary. In connection with the transaction, the Company exited the residential appraisal production business which had been unprofitable and recorded a second quarter charge of \$14,132 for exit, termination and other costs. This amount was comprised of \$4,635 related to lease termination costs, \$2,209 related to employee severance costs and \$7,288 related to the write down to estimated net realizable value of assets determined not to be redeployable and other miscellaneous exit costs. In the first quarter of 2002, the Company recorded \$3,190 of exit and termination costs related to the closing of certain offices and reduction in workforce of its real estate valuation operations. Of the amounts accrued, \$3,764 had been paid as of September 30, 2002, leaving \$7,598 which the Company expects to be substantially paid by December 31, 2006.

Edgar Filing: LANDAMERICA FINANCIAL GROUP INC - Form 10-Q

6. Minimum Pension Liability

In the nine months ended September 30, 2002, two factors affected the Company's pension plan. Equity markets have declined which resulted in a decrease in the fair value of plan assets. In addition, the discount rate decreased during the year which resulted in an increase in the pension liability. As a result of these facts, in accordance with Financial Accounting Standards Board (FASB) Statement No. 87, Employer's Accounting for Pensions, the Company has recorded an additional minimum pension liability adjustment of \$26.5 million, net of tax at September 30, 2002. The adjustment is included in other comprehensive loss and is a direct charge to stockholders' equity with no effect on net income.

7. Subsequent Event

On October 8, 2002 the Company reached a final settlement with the State of California in the defendant class action lawsuit filed in the Sacramento County Superior Court by the California Attorney General against the Company and the Company's principal competitors in California. Pursuant to the settlement, the Company will pay \$1.6 million to the California Attorney General and a total of \$8.0 million in the form of (i) cash payments to former escrow customers that meet certain eligibility requirements and file

10

timely claims and (ii) discounts on future escrow and title insurance services to eligible customers as agreed to in the settlement.

The Company recorded a reserve for the \$1.6 million payment in prior periods as the case developed. A charge of \$660,000 was recorded in the third quarter of 2002 for estimated cash refund payments to former customers. Discounts on future escrow and title services will be treated as reductions of revenue during the period in which they occur.

11

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Results of Operations

Operating Revenues

Operating revenues for the third quarter of 2002 were \$615.4 million compared to \$528.0 million in the third quarter of 2001, an increase of 16.6%. Direct revenues increased 13.1% and agency revenues increased 19.7% in the third quarter of 2002 compared to the same period in 2001. Revenue increases reflected a continued strength in the level of refinancing transactions as a result of a favorable mortgage rate environment.

Operating revenues for the nine-month period ended September 30, 2002 increased 18.4% to \$1.8 billion from \$1.5 billion in the comparable period of 2001. The factors discussed under the quarterly discussion above also affected the first nine months of 2002 compared to the same period of 2001.

Edgar Filing: LANDAMERICA FINANCIAL GROUP INC - Form 10-Q

Direct orders opened in company offices totaled 352,900 and 830,600 in the third quarter and first nine months of 2002 compared to 250,400 and 761,700 in the comparable periods of 2001. Direct orders closed in company offices totaled 202,900 and 543,900 in the third quarter and first nine months of 2002 compared to 176,600 and 521,600 in the comparable periods of 2001.

Investment Income

Investment income in the first nine months of 2002 was \$39.0 million compared to \$38.3 million in the first nine months of 2001. Although the reported amounts were similar, the 2002 amount reflects a lower yield in a higher investment base compared to 2001.

Expenses

Operating expenses for the third quarter of 2002 were \$567.3 million compared to \$511.8 million for the third quarter of 2001 and were \$1.7 billion in the first nine months of 2002 compared to \$1.5 billion in the first nine months of 2001. Salaries and employee benefits increased slightly in the 2002 periods over the prior year periods principally as a result of continued high staffing levels required by higher business volumes and higher levels of variable pay associated with the increased revenue and improved profitability. Operating expenses excluding one-time charges of \$17.3 million for exit and termination costs were \$1.7 billion in the first nine months of 2002 compared to \$1.5 billion in the first nine months of 2001. This increase of \$215.5 million was composed primarily of an increase of \$180.2 million in agents' commissions. Other expenses increasing in the first nine months of 2002 compared to the same period of 2001 were largely related to the increased business volume and included salary and related expense and premium tax. On January 1, 2002, the Company adopted SFAS 142 Goodwill and Other Intangible Assets which provided that goodwill no longer be amortized, resulting in a \$6.6 million decrease in expense for the first nine months of 2002 compared to the first nine months of 2001.

12

Effective May 31, 2002, the Company entered into a joint venture with The First American Corporation, contributing its residential appraisal production division to the venture. The venture is expected to be the nation's largest provider of real estate valuation services. In connection with this transaction, the Company recorded a one time charge of \$14.1 million as discussed in Note 5 to the Consolidated Financial Statements included elsewhere in this report.

The provision for policy and contract claims was \$25.7 million in the third quarter of 2002 compared to \$20.8 million in the third quarter of 2001. In the nine months ended September 30, 2002 this provision was \$72.1 million compared to \$58.8 million in the comparable period of 2001. These increases are primarily the result of a higher level of business written in the 2002 periods compared to the 2001 periods.

Net Income

LandAmerica reported net income of \$39.9 million, or \$2.15 per share on a diluted basis, for the third quarter of 2002, compared to net income of \$18.8 million, or \$1.01 per share on a diluted basis, for the third quarter of 2001. On a pretax basis, the 2002 quarter was benefited by the reduction in goodwill amortization of \$2.1 million.

For the nine months ended September 30, 2002, net income was \$83.0 million, or \$4.45 per share on a diluted basis, compared to \$53.9 million, or \$2.91 per share on a diluted basis, for the first nine months of 2001. On a pretax basis, the 2002 period reflected \$17.3 million for exit and termination costs and a

Edgar Filing: LANDAMERICA FINANCIAL GROUP INC - Form 10-Q

reduction of goodwill amortization of \$6.6 million.

Liquidity and Capital Resources

Cash provided by operations in the nine-month periods ended September 30, 2002 and 2001 were \$100.7 million and \$37.0 million, respectively. As of September 30, 2002, the Company held cash and invested cash of \$119.8 million, fixed maturity securities of \$992.9 million and equity securities of \$11.1 million.

In December 2001 the board of directors approved a program allocating \$25.0 million to repurchase up to 1.25 million shares or 7% of the Company's outstanding common stock over the following twelve months. Through September 30, 2002, 449,450 shares at a cost of \$14.3 million had been repurchased.

In view of the historic ability of the Company to generate strong, positive cash flows and its strong cash position and relatively conservative capitalization structure, management believes that the Company will have sufficient liquidity and adequate capital resources to meet both its short- and long-term capital needs. In addition, the Company has \$114.5 million available under a credit facility which was unused at September 30, 2002.

13

Interest Rate Risk

The following table provides information about the Company's financial instruments that are sensitive to changes in interest rates. For investment securities, the table presents principal cash flows and related weighted interest rates by expected maturity dates. Actual cash flows could differ from the expected amounts.

The Company also has long-term debt of \$187.6 million bearing weighted average interest at 6.4% at September 30, 2002. A .25% change in the interest rate would affect income before income taxes by approximately \$0.5 million annually.

Forward-Looking and Cautionary Statements

Certain information contained in this Quarterly Report on Form 10-Q includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Among other things, these statements relate to the financial condition, results of operation and business of the Company. In addition, the Company and its representatives may from time to time make written or oral forward-looking statements, including statements contained in other filings with the Securities and Exchange Commission and in its reports to shareholders. These forward-looking statements are generally identified by phrases such as "the Company expects," "the Company believes" or words of similar import. These forward-looking statements involve certain risks and uncertainties and other factors that may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking

14

statements. Further, any such statement is specifically qualified in its entirety by the cautionary statements set forth in the following paragraph.

In connection with the title insurance industry in general, factors that may cause actual results to differ materially from those contemplated by such forward-looking statements include the following: (i) the costs of producing title evidence are relatively high, whereas premium revenues are subject to regulatory and competitive restraints; (ii) real estate activity levels have historically been cyclical and are influenced by such factors as interest rates and the condition of the overall economy; (iii) the value of the Company's investment portfolio is subject to fluctuation based on similar factors; (iv) the title insurance industry may be exposed to substantial claims by large classes of claimants and (v) the industry is regulated by state laws that require the maintenance of minimum levels of capital and surplus and that restrict the amount of dividends that may be paid by the Company's insurance subsidiaries without prior regulatory approval.

The Company cautions that the foregoing list of important factors is not exclusive. The Company does not undertake to update any forward-looking statement that may be made from time to time by or on behalf of the Company.

Item 3. Quantitative and Qualitative Disclosures about Market Risk

The information required by this Item is set forth under the caption "Management's Discussion and Analysis of Financial Condition and Results of Operations - Interest Rate Risk" in Item 2 of this report.

Item 4. Controls and Procedures

The Company maintains disclosure controls and procedures that are designed to provide assurance that information required to be disclosed by the Company in

Edgar Filing: LANDAMERICA FINANCIAL GROUP INC - Form 10-Q

the reports that it files or submits under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported within the time periods required by the Securities and Exchange Commission. Within the 90 day period prior to the filing of this report, an evaluation of the effectiveness of the design and operation of the Company's disclosure controls and procedures was carried out under the supervision and with the participation of management, including the Company's Chief Executive Officer and Chief Financial Officer. Based on and as of the date of such evaluation, the aforementioned officers concluded that the Company's disclosure controls and procedures were effective. There have been no significant changes in the Company's internal controls or in other factors that could significantly affect internal controls subsequent to the date of this evaluation.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

On or about September 5, 2002, Thomas Branick and Andra Campbell filed a representative suit on behalf of the public in the Superior Court of Los Angeles, California, Central District (Case No. BC 2811015) against Lawyers Title Company, a subsidiary of the Company. The complaint pleads causes of action for unfair competition (Cal. Bus. & Prof. Codess.17200, et seq.) and unfair business practices (Cal. Bus. & Prof. Codess.17500 et. seq.) and generally alleges that Lawyers Title Company improperly charged its customers for recording documents incident to real estate transactions and overcharged its customers for administrative fees. Plaintiffs seek injunctive relief and restitution. Lawyers Title Company has filed a demurrer and a motion to strike the complaint. At this early stage in the litigation, no estimate of the amount or range of loss that could result from an unfavorable outcome can be made.

Lawyers Title Insurance Corporation, Commonwealth Land Title Company and two other subsidiaries of the Company are named as defendants in a complaint filed on October 24, 2002 in the Superior Court of Los Angeles, California (Case No. BC 284006), by Charles R. L. Anderson against Greenpoint Financial Corporation and numerous others. The complaint alleges, on behalf of the plaintiff and all others similarly situated, that the defendant mortgage lenders and title companies have committed acts of unfair competition (Cal. Bus. & Prof. Code Section 17200 et seq.) by charging reconveyance fees in excess of the amount permitted under California law (Cal. Civ. Code Section 2941). Plaintiff seeks injunctive relief, restitution, costs of suit and attorneys' fees. As of the filing of this Form 10-Q, the Company's subsidiaries have not been served with the complaint. The suit is still in its initial stages, and at this time no estimate of the amount or range of loss that could result from an unfavorable outcome can be made.

For additional information on legal proceedings, see Note 7 of Notes to Consolidated Financial Statements included in Part I, Item 1 of this report and the description of the Company's Form 8-K, dated October 8, 2002, included in Part II, Item 6(b) of this report.
