Item 1.01 Entry Into a Material Definitive Agreement

Equity Line of Credit

On December 30, 2008, CEL-SCI entered into an equity line of credit agreement with Ascendant Capital Group, LLC in order to establish a possible source of funding for CEL-SCI. The equity line of credit agreement establishes what is sometimes also referred to as an equity drawdown facility.

Under the equity line of credit agreement, Ascendant has agreed to provide CEL-SCI with up to \$5,000,000 of funding prior to January 6, 2011. During this period, CEL-SCI may request a drawdown under the equity line of credit by selling shares of its common stock to Ascendant and Ascendant will be

Edgar Filing: CEL SCI CORP - Form 8-K

obligated to purchase the shares. CEL-SCI may request a drawdown once every ten trading days, although CEL-SCI is under no obligation to request any drawdowns under the equity line of credit. There must be a minimum of two trading days between each drawdown request.

During the ten trading days following a drawdown request, CEL-SCI will calculate the amount of shares it will sell to Ascendant and the purchase price per share. The purchase price per share of common stock will be based on the daily volume weighted average price of CEL-SCI's common stock during each of the ten trading days immediately following the drawdown date, less a discount of 9%.

CEL-SCI may request a drawdown by faxing a drawdown notice to Ascendant, stating the amount of the drawdown and the lowest price, if any, at which CEL-SCI is willing to sell the shares. The lowest price will be set by CEL-SCI's Chief Executive Officer in his sole and absolute discretion.

Calculation of Drawdown Amount, Purchase Price and Number of Shares Sold

There is no minimum amount CEL-SCI can draw down at any one time. The maximum amount CEL-SCI can draw down at any one time is an amount equal to:

- o 10% of the total trading volume of CEL-SCI's common stock for the ten trading days prior to the date of the drawdown request, multiplied by
- o the weighted average price of CEL-SCI's common stock for the same ten trading days,

or any other amount mutually agreed upon by CEL-SCI and Ascendant.

On the day following the delivery of the drawdown notice, a valuation period of ten trading days will start:

- o On each of the ten trading days during the valuation period, the number of shares to be sold to Ascendant will be determined by dividing 1/10 of the drawdown amount by the purchase price on each

2

trading day. The purchase price will be 91% of the volume weighted average price of CEL-SCI's common stock on that day.

- o If the purchase price on any trading day during the ten trading day calculation period is below the minimum price specified by CEL-SCI, then Ascendant will not purchase any shares on that day, and the drawdown amount will be reduced by 1/10.

Using the formula described above, if CEL-SCI had requested a drawdown on December 12, 2008, the maximum amount CEL-SCI could draw down during the subsequent ten trading days would have been approximately \$72,125. Based upon the volume weighted average of CEL-SCI's common stock during the ten trading days subsequent to December 12, 2008, CEL-SCI would have sold 258,000 shares of its common stock to Ascendant and would have received proceeds from the sale of these shares of approximately \$72,125.

If CEL-SCI sets a minimum price which is too high and CEL-SCI's stock price does not consistently meet that level during the ten trading days after its drawdown request, the amount CEL-SCI can draw and the number of shares CEL-SCI will sell to Ascendant will be reduced. On the other hand, if CEL-SCI sets a

Edgar Filing: CEL SCI CORP - Form 8-K

minimum price which is too low and its stock price falls significantly but stays above the minimum price, CEL-SCI will have to issue a greater number of shares to Ascendant based on the reduced market price.

Payment for Shares

The shares purchased on the ten trading days following a drawdown request will be issued and paid for on the 13th trading day following the drawdown request.

Termination of the Equity Line of Credit Agreement

The equity line of credit agreement will be terminated if:

- o CEL-SCI's common stock is de-listed from the American Stock Exchange unless the de-listing is in connection with CEL-SCI's subsequent listing of its common stock on the NASDAQ National Market, the NASDAQ SmallCap Market, the New York Stock Exchange, the OTC Bulletin Board,
- o CEL-SCI files for protection from its creditors under the Federal Bankruptcy laws,
- o The shares which are to be sold to Ascendant are not covered by an effective registration statement,
- o Ascendant fails to honor a drawdown notice, or
- o the equity line of credit agreement violates any other agreement to which CEL-SCI is a party.

3

General

On the trading day immediately prior to the date CEL-SCI sends its first drawdown notice to Ascendant, and in consideration for providing the equity drawdown facility, CEL-SCI will deliver to Ascendant shares of its common stock equal in number to the amount determined by:

- o dividing \$250,000 by
- o the greater of the weighted average price of CEL-SCI's common stock or the closing bid price of CEL-SCI's common stock on the second trading day immediately preceding the drawdown notice.

CEL-SCI paid \$20,000 to Feldman Weinstein Smith LLP, legal counsel to Ascendant, for Ascendant's legal expenses relating to the equity line of credit.

Ascendant is entitled to customary indemnification from CEL-SCI for any losses or liabilities it suffers as a result of any breach by CEL-SCI of any provisions of the equity line of credit agreement, or as a result of any lawsuit brought by any shareholder of CEL-SCI, provided the shareholder instituting the lawsuit is not an officer, director or principal shareholder of CEL-SCI.

(d) No Conflicts. The execution, delivery and performance of the Transaction Documents by the Company, the issuance and sale of the Shares and the consummation by the Company of the other transactions contemplated hereby and thereby do not and will not (i) conflict with or violate any provision of the Company's or any Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, or (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation

(e) Filings, Consents and Approvals. The Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by the Company of the Transaction

7

Documents, other than (i) filings required pursuant to Section 4.4 of this Agreement, (ii) the filing with the Commission of a prospectus supplement to the Registration Statement describing the transactions contemplated hereby, (iii) application(s) to each applicable Trading Market for the listing of the Securities for trading thereon in the time and manner required thereby, and (iv) such filings as are required to be made under applicable state securities laws (collectively, the "Required Approvals").

(f) Issuance of the Securities. The Securities are duly authorized and, when issued and paid for in accordance with the applicable Transaction Documents, will be duly and validly issued, fully paid and nonassessable, free and clear of all Liens imposed by the Company other than restrictions on transfer provided for in the Transaction Documents. Edgar Filing: CEL SCI CORP - Form 8-K

All of the outstanding shares of capital stock of the Company are validly issued, fully paid and nonassessable, have been issued in compliance with all federal and state securities laws, and none of such outstanding shares was issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. The Company does not have pending before the Commission any request for confidential treatment of information. Except for the issuance of the Securities contemplated by this Agreement or as set forth on Schedule 3.1(i), no event, liability or development has occurred or exists with respect to the Company or its Subsidiaries or their respective business, properties, operations or financial condition, that would be

Neither the Company nor any Subsidiary has received a notice (written or otherwise) that the Intellectual Property Rights used by the Company or any Subsidiary violates or infringes upon the rights of any Person. The Company's Common Stock is registered pursuant to Section 12(b) or 12(g) of the Exchange Act, and the Company has taken no action designed to, or which to its knowledge is likely to have the effect of, terminating the registration of the Common Stock under the Exchange Act nor has the Company received any notification that the Commission is contemplating terminating such registration. The Company has not, in the 12 months preceding the date hereof, received notice from any Trading Market on which the Common Stock is or has been listed or quoted to the effect that the Company is not in compliance with the listing or maintenance requirements of such Trading Market. The Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with all such listing and maintenance requirements.

(v) Application of Takeover Protections. The Company and its Board of Directors have taken all necessary action, if any, in order to render inapplicable any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the Company's Certificate of Incorporation (or similar charter documents) or the laws of its state of incorporation that is or could become applicable to the Purchaser as a result of the Purchaser and the Company fulfilling their obligations or exercising their rights under the Transaction Documents, including without limitation as a result of the Company's issuance of the Securities and the Purchaser's ownership of the Securities.

(w) Disclosure. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, the Company confirms that, neither it nor any other Person acting on its behalf has provided any of the Purchaser or their agents or counsel with any information that it believes constitutes or might constitute material, non-public information. The Company understands and confirms that the Purchaser will rely on the foregoing representation in effecting transactions in securities of the Company. The press releases disseminated by the Company

13

during the twelve months preceding the date of this Agreement taken as a whole do not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements, in light of the circumstances under which they were made and when made, not misleading. The Company acknowledges and agrees that no Purchaser makes or has made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 3.2 hereof.

(x) No Integrated Offering. Neither the Company, nor any of its affiliates, nor any Person acting on its or their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause this offering of the Securities to be integrated with prior offerings by the Company for purposes of any applicable shareholder approval provisions of any Trading Market on which any of the securities of the Company are listed or designated. -

(y) Solvency. Based on the financial condition of the Company as of the Closing Date, (i) the fair saleable value of the Company's assets exceeds the amount that will be required to be paid on or in respect of the Company's existing debts and other liabilities (including known contingent liabilities) as they mature; (ii) the Company's assets do not constitute unreasonably small capital to carry on its business as now conducted and as proposed to be conducted including its capital needs taking into account the particular capital requirements of the business conducted by the Company, and projected capital requirements and capital availability thereof; and (iii) the current cash flow of the Company, together with the proceeds the Company would receive, were it to liquidate all of its assets, after taking into account all anticipated uses of the cash, would be sufficient to pay all amounts on or in respect of its liabilities when such amounts are required to be paid. The Company does not intend to incur debts beyond its ability to pay such debts as they mature (taking into account the timing and amounts of cash to be payable on or in respect of its debt). The Company has no knowledge of any facts or circumstances which lead it to believe that it will file for reorganization or liquidation under the bankruptcy or reorganization laws of any jurisdiction within one year from the Closing Date. The SEC Reports set forth as of the dates thereof all outstanding secured and unsecured Indebtedness of the Company or any Subsidiary, or for which the Company or any Subsidiary has commitments. For the purposes of this Agreement, "Indebtedness" shall mean (a) any liabilities for borrowed money or amounts owed in excess of \$50,000 (other than trade accounts payable incurred in the ordinary course of business), (b) all guaranties, endorsements and other contingent obligations in respect of Indebtedness of others, whether or not the same are or should be reflected in the Company's balance sheet (or the notes thereto), except guaranties by endorsement of negotiable instruments for deposit or collection or similar transactions in the ordinary course of business; and (c) the present value of any lease payments in excess of \$50,000 due under leases required to be capitalized in accordance with GAAP. Neither the

Neither the Company, nor to the knowledge of the Company, any agent or other person acting on behalf of the Company, has (i) directly or indirectly, used any funds for unlawful contributions, gifts, entertainment or other unlawful expenses related to foreign or domestic political activity, (ii) made any unlawful payment to foreign or domestic government officials or employees or to any foreign or domestic political parties or campaigns from corporate funds, (iii) failed to disclose fully any contribution made by the Company (or made by any person acting on its behalf of which the Company is aware) which is in violation of law, or (iv) violated in any material respect any provision of the Foreign Corrupt Practices Act of 1977, as amended.

(bb) Accountants. The Company's accountants are set forth in the Registration Statement. To the knowledge of the Company, such accountants, who the Company expects will express their opinion with respect to the financial statements to be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2008, are a registered public accounting firm as required by the Exchange Act.

(cc) Acknowledgment Regarding Purchaser's Purchase of Securities. The Company acknowledges and agrees that each of the Purchaser is acting solely in the capacity of an arm's length purchaser with respect to the Transaction Documents and the transactions contemplated thereby. The Company further acknowledges that no Purchaser is acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated thereby and any advice given by any Purchaser or any of their respective representatives or agents in connection with the Transaction Documents and the transactions contemplated thereby is merely incidental to the Purchaser's purchase of the Securities. The Company further represents to the Purchaser that the Company's decision to enter into this Agreement and the other Transaction Documents has been based solely on the independent evaluation of the transactions contemplated hereby by the Company and its representatives.

(dd) Acknowledgement Regarding Purchaser's Trading Activity. Anything in this Agreement or elsewhere herein to the contrary notwithstanding, it is understood and acknowledged by the Company (i) that the Purchaser has not been asked to agree, nor has Purchaser agreed, to desist from purchasing or selling securities of the Company; and (ii) that past or future open market or other transactions by Purchaser before or after the closing of this Agreement or future private placement transactions, may negatively impact the market price of the Company's publicly-traded securities. The Company further understands and acknowledges that (a) the Purchaser may engage in selling activities at various times during the period that the Securities are outstanding, including, without limitation, during the periods that the value of the Draw Down Shares are being

Edgar Filing: CEL SCI CORP - Form 8-K

determined and (b) such selling activities could reduce the value of the existing stockholders' equity interests in the Company at and after the time that the selling activities are being conducted. The Company

15

acknowledges that such aforementioned selling activities do not constitute a breach of any of the Transaction Documents.

(ee) Regulation M Compliance. The Company has not, and will not during the term of this Agreement, and to its knowledge no one acting on its behalf has, or will during the term of this Agreement, (i) taken, directly or indirectly, any action designed to cause or to result in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any of the Securities, (ii) sold, bid for, purchased, or, paid any compensation for soliciting purchases of, any of the Securities, or (iii) paid or agreed to pay to any person any compensation for soliciting another to purchase any other securities of the Company, other than, in the case of clauses (ii) and (iii), compensation paid to the Company's placement agent in connection with the placement of the Securities.

(ff) FDA. As to each product subject to the jurisdiction of the U.S. Food and Drug Administration ("FDA") under the Federal Food, Drug and Cosmetic Act, as amended, and the regulations thereunder ("FDCA") that is manufactured, packaged, labeled, tested, distributed, sold, and/or marketed by the Company or any of its Subsidiaries (each such product, a "Pharmaceutical Product"), such Pharmaceutical Product is being manufactured, packaged, labeled, tested, distributed, sold and/or marketed by the Company in compliance with all applicable requirements under FDCA and similar laws, rules and regulations relating to registration, investigational use, premarket clearance, licensure, or application approval, good manufacturing practices, good laboratory practices, good clinical practices, product listing, quotas, labeling, advertising, record keeping and filing of reports, except where the failure to be in compliance would not have a Material Adverse Effect. There is no pending, completed or, to the Company's knowledge, threatened, action (including any lawsuit, arbitration, or legal or administrative or regulatory proceeding, charge, complaint, or investigation) against the Company or any of its Subsidiaries, and none of the Company or any of its Subsidiaries has received any notice, warning letter or other communication from the FDA or any other governmental entity, which (i) contests the premarket clearance, licensure, registration, or approval of, the uses of, the distribution of, the manufacturing or packaging of, the testing of, the sale of, or the labeling and promotion of any Pharmaceutical Product, (ii) withdraws its approval of, requests the recall, suspension, or seizure of, or withdraws or orders the withdrawal of advertising or sales promotional materials relating to, any Pharmaceutical Product, (iii) imposes a clinical hold on any clinical investigation by the Company or any of its Subsidiaries, (iv) enjoins production at any facility of the Company or any of its Subsidiaries, (v) enters or proposes to enter into a consent decree of permanent injunction with the Company or any of its Subsidiaries, or (vi) otherwise alleges any violation of any laws, rules or regulations by the Company or any of its Subsidiaries, and which, either individually or in the aggregate, would have a Material Adverse Effect. The properties, business and operations of the Company have been and are being conducted in all material respects in accordance with all applicable laws, rules and regulations of the FDA. The Company has not been informed by the FDA that the FDA will prohibit the marketing, sale, license or use in the United States of any product proposed to be developed, produced or marketed by the

Company nor has the FDA expressed any concern as to approving or clearing for marketing any product being developed or proposed to be developed by the Company.

The execution, delivery and performance by the Purchaser of the transactions contemplated by this Agreement have been duly authorized by all necessary corporate or similar action on the part of the Purchaser. Each Transaction Document to which it is a party has been duly executed by the Purchaser, and when delivered by the Purchaser in accordance with the terms hereof, will constitute the valid and legally binding obligation of the Purchaser, enforceable against it in accordance with its terms, except (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

4.2 Furnishing of Information. As long as Purchaser owns any Securities, the Company covenants to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to the Exchange Act. As long as the Purchaser owns any Securities, if the Company is not required to file reports pursuant to the Exchange Act, it will prepare and furnish to the Purchaser and make publicly available in accordance with Rule 144(c) such information as is required for the Purchaser to sell the Securities under Rule 144. The Company further covenants that it will take such further action as any holder of Securities may reasonably request, to the extent required from time to time to enable such Person to sell such Securities without registration under the Securities Act within the requirements of the exemption provided by Rule 144.

4.3 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the offer or sale of the Securities in a manner that would be integrated with the offer or sale of the Securities for purposes of the rules and regulations of any Trading Market such that it would require shareholder approval prior to the closing of such other transaction unless shareholder approval is obtained before the closing of such subsequent transaction.

4.4 Securities Laws Disclosure; Publicity. The Company shall, by 8:30 a.m. Eastern time on the second Trading Day immediately following the date hereof, issue a Current Report on Form 8-K, disclosing the material terms of the transactions contemplated hereby, and shall attach the Transaction Documents thereto, and, within the time periods required by Rule 424, file a prospectus supplement containing all information required to be contained therein. Other than as required by this Agreement, the Company and the Purchaser shall consult with each other in issuing any other press releases with respect to the transactions contemplated hereby, and neither the Company nor the Purchaser shall issue any such press release or otherwise make any such public statement without the prior consent of the Company, with respect to any press release of the Purchaser, or without the prior consent of the Purchaser, with respect to any press release of the Company, which consent shall not unreasonably be withheld or delayed, except if such disclosure is required by law, in which case the disclosing party shall promptly provide the other party with prior notice of such public statement or communication.

4.5 Shareholder Rights Plan. No claim will be made or enforced by the Company or, with the consent of the Company, any other Person, that the Purchaser is an "Acquiring Person" under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement in effect or hereafter adopted by the Company, or that the Purchaser could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents or under any other agreement between the Company and the Purchaser.

4.6 Non-Public Information. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, the Company covenants and agrees that neither it nor any other Person acting on its behalf will provide the Purchaser or its agents or counsel with any information that the Company believes constitutes material non-public information, unless prior thereto the Purchaser shall have executed a written agreement regarding

Edgar Filing: CEL SCI CORP - Form 8-K

the confidentiality and use of such information. The Company understands and confirms that the Purchaser shall be relying on the foregoing representations in effecting transactions in securities of the Company.

4.7 Indemnification of Purchaser. Subject to the provisions of this Section 4.7, the Company will indemnify and hold the Purchaser and its directors, officers, shareholders, members, partners, employees and agents (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title), each Person who controls the Purchaser (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, shareholders, agents, members, partners or employees (and any other Persons with a functionally equivalent role of a Person holding such titles notwithstanding a lack of such title or any other title) of such controlling persons (each, a "Purchaser Party") harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys' fees and costs of investigation that any the Purchaser Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents or (b) any action instituted against the Purchaser, or any of its Affiliates, by any stockholder of the Company who is not an Affiliate of the Purchaser, with respect to any of the transactions contemplated by the Transaction Documents (unless such action is based upon a breach of the Purchaser's representations, warranties or covenants under the Transaction Documents or any agreements or understandings the Purchaser may have with any such stockholder or any violations by the Purchaser of state or federal securities laws or any conduct by the Purchaser which constitutes fraud, gross negligence, willful misconduct or malfeasance). If any action shall be brought against any Purchaser Party in respect of which indemnity may be sought pursuant to this Agreement, the Purchaser Party shall promptly notify the Company in writing, and the Company shall have the right to assume the defense thereof with counsel of its own choosing reasonably acceptable to the Purchaser Party. Any Purchaser Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of the Purchaser Party except to the extent that (i) the employment thereof has been specifically authorized by the Company in writing, (ii) the Company has failed after a reasonable period of time to assume such defense and to employ counsel or (iii) in such action there is, in the reasonable opinion of such separate counsel, a material conflict on any material issue between the position of the Company and the position of the Purchaser Party, in which case the Company shall be responsible for the reasonable fees and expenses of no more than one such separate counsel for all Purchaser Parties. The Company will not be liable to any Purchaser Party under this Agreement (i) for any settlement by the Purchaser Party effected without the Company's prior written consent, which shall not be unreasonably withheld or delayed; or (ii) to the extent, but only to the extent that a loss, claim, damage or liability is attributable to any Purchaser Party's breach of any of the representations, warranties, covenants or agreements made by the Purchaser Party in this Agreement or in the other Transaction Documents.

4.8 Reservation of Common Stock. As of the date hereof, the Company has reserved and the Company shall continue to reserve and keep available at all times, free of preemptive rights, a sufficient number of shares of Common Stock for the purpose of enabling the Company to issue Draw Down Shares pursuant to this Agreement.

4.9 Listing of Common Stock. The Company hereby agrees to use best efforts

Edgar Filing: CEL SCI CORP - Form 8-K

to maintain the listing of the Common Stock on a Trading Market, and as soon as reasonably practicable following the Initial Closing to list all of the Shares on such Trading Market. The Company further agrees, if the Company applies to have the Common Stock traded on any other Trading Market, it will include in such application all of the Shares, and will take such other action as is necessary to cause all of the Shares to be listed on such other Trading Market as promptly as possible. The Company will take all action reasonably necessary to continue the listing and trading of its Common Stock on a Trading Market and will comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules of the Trading Market.

4.10 Blue Sky Filings. The Company shall take such action as the Company shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Securities for, sale to the Purchaser at the Closing under applicable securities or "Blue Sky" laws of the states of the United States, and shall provide evidence of such actions promptly upon request of Purchaser.

4.11 Accuracy of Registration Statement. On each Settlement Date, the Registration Statement and the prospectus therein (including any prospectus supplement) shall not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading in light of the circumstances under which they were made; and on such Settlement Date the Registration Statement and the prospectus included therein will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, the Company makes no representations or warranties as to the information contained in or omitted from the Registration Statement and the prospectus included therein in reliance upon and in conformity with the information furnished in writing to the Company by the Purchaser specifically for inclusion in the Registration Statement and the prospectus therein.

4.12 Notice of Certain Events Affecting Registration; Suspension of Right to Request a Draw Down. The Company will promptly notify the Purchaser in writing upon the occurrence of any of the following events: (a) when any Prospectus supplement or post-effective amendment to the Registration Statement is proposed to be filed; (b) of any request by the Commission or any other Federal or state governmental authority for amendments or supplements to the Registration Statement or prospectus or for additional information; (c) of the issuance by the Commission or any other federal or state governmental authority of any stop order suspending the effectiveness of a Registration Statement covering any or all of the Securities or the initiation of any Proceedings for that purpose; (d) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Securities for sale in any jurisdiction, or the initiation or threatening of any Proceeding for such purpose; (e) of the occurrence of any event or passage of time that makes the financial statements included in a Registration Statement ineligible for inclusion therein or any statement made in the Registration Statement or prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires any revisions to the Registration Statement, prospectus or other documents so that, in the case of the Registration Statement or the prospectus, as the case may be, it will not contain any untrue statement of a material fact

or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and (f) the occurrence or existence of any pending

Edgar Filing: CEL SCI CORP - Form 8-K

corporate development with respect to the Company that the Company believes may be material and that, in the determination of the Company, makes it not in the best interest of the Company to allow continued availability of the Registration Statement or prospectus; provided that the Company shall not disclose the substance of such corporate development to the Purchaser. The Company shall not deliver to the Purchaser any Draw Down Notice during the continuation of any of the foregoing events. The Company shall promptly make available to the Purchaser any such supplements or amendments to the prospectus, at which time, provided that the registration statement and any supplements and amendments thereto are then effective, the Company may recommence the delivery of Draw Down Notices.

(b) Performance by the Company. The Company shall have performed, satisfied and complied in all material respects with all material covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Company at or prior to the Initial Closing.

(c) No Injunction. (d) No Proceedings or Litigation. No material Action shall have been commenced, against the Purchaser or the Company or any subsidiary, or any of the officers, directors or affiliates of the Company or any subsidiary seeking to restrain, prevent or change the transactions contemplated by this Agreement, or seeking damages in connection with such transactions.

(f) AMEX Approval. The American Stock Exchange shall have approved an Additional Shares Listing Application in respect of all shares of Common Stock issuable hereunder, and the Company shall have delivered the Purchaser evidence thereof.

(g) Commitment Shares. On the Trading Day immediately prior to the commencement of the first Draw Down Pricing Period, in consideration for agreeing to the terms of this Agreement and no additional consideration at such time, the Company shall have delivered to the Purchaser a number of shares of Common Stock equal to \$250,000 divided by the greater of the VWAP or the closing bid price of the Common Stock on the second Trading Day immediately preceding the Draw Down Pricing Period. Such shares shall be delivered to the DTC account specified by the Purchaser in writing to the Company.

5.3 Conditions Precedent to the Obligation of the Purchaser to Accept a Draw Down and Purchase the Shares. The obligation hereunder of the Purchaser to accept a Draw Down request and to acquire and pay for the Shares is subject to the satisfaction at or before each Settlement Date, of each of the conditions set forth below.

22

(a) Satisfaction of Conditions to Initial Closing. The Company shall have satisfied at the Initial Closing, or the Purchaser shall have waived at the Initial Closing, the conditions set forth in Section 5.2 hereof.

(b) No Suspension. Trading in the Common Stock shall not have been suspended by the Commission or the Trading Market (except for any suspension of trading of limited duration agreed to by the Company, which suspension shall be terminated prior to the delivery of each Draw Down Notice), and, at any time prior to such Draw Down Notice, trading in securities generally as reported on the Trading Market shall not have been suspended or limited, or minimum prices shall not have been established on securities whose trades are reported on the Trading Market unless the general suspension or limitation shall have been terminated prior to the

Edgar Filing: CEL SCI CORP - Form 8-K

delivery of such Draw Down Notice.

(c) Material Adverse Effect. No Material Adverse Effect and no Consolidation Event where the successor entity has not agreed to deliver to the Purchaser such shares of stock and/or securities as the Purchaser is entitled to receive pursuant to this Agreement.

(d) Opinion of Counsel. The Purchaser shall have received an opinion of Company Counsel, substantially in the form of Exhibit B hereto.

(e) Equity Conditions. During the Draw Down Pricing Period through the Settlement Date, all of the Equity Conditions shall have been met.

ARTICLE VI. DRAW DOWN TERMS

6.1 Draw Down Terms. Subject to the satisfaction of the conditions set forth in this Agreement, the parties agree as follows:

(a) The Company may, in its sole discretion, issue and exercise draw downs against the Commitment Amount (each a "Draw Down") during the Commitment Period, which Draw Downs the Purchaser shall be obligated to accept, subject to the terms and conditions of this Agreement. Before the Company shall exercise a Draw Down, the Company shall have caused a sufficient number of shares of Common Stock to be registered to cover the Draw Down Shares to be issued in connection with such Draw Down.

(b) Only one Draw Down shall be allowed in each Draw Down Pricing Period and any subsequent Draw Down Pricing Period shall not commence until the Trading Cushion has elapsed since the end of the previous Draw Down Pricing Period. The number of shares of Common Stock purchased by the Purchaser with respect to each Draw Down shall be determined as set forth in Section 6.1(d) herein and settled on the second Trading Day immediately following the end of the applicable Draw Down Pricing period (each such settlement period and each such settlement date referred to as a "Settlement Period" and a "Settlement Date", respectively).

23

(c) The maximum Investment Amount as to each Draw Down shall be equal to A multiplied by B , where A equals a number of shares of Common Stock equal to 10% of the total trading volume during the 10 Trading Days immediately prior to the applicable Draw Down Pricing Period and B equals the average of each of the VWAPs during such 10 Trading Day period, or an amount mutually agreed upon in writing by the Company and the Purchaser.

(d) The number of Shares of Common Stock to be issued on each Settlement Date shall be a number of shares equal to the sum of the quotients (for each Trading Day within the Settlement Period) of (x) 10% of the Investment Amount divided by (y) the Purchase Price on each Trading Day within the Settlement Period, subject to the following adjustments:

(i) if the Purchase Price on a given Trading Day is less than the applicable Threshold Price, then such Trading Day shall be withdrawn from the Draw Down Pricing Period; and

(ii) if during any Trading Day during the Draw Down Pricing Period trading of the Common Stock on the Trading Market is suspended for more than 3 hours, in the aggregate, or if any Trading Day during the Draw Down Pricing Period is shortened because of a public holiday,

Edgar Filing: CEL SCI CORP - Form 8-K

then such Trading Day shall be withdrawn from the Draw Down Pricing Period; and

(iii) if during any Trading Day during the Draw Down Pricing Period sales of Draw Down Shares pursuant to the Registration Statement are suspended by the Company for more than three (3) hours, in the aggregate, then such Trading Day shall be withdrawn from the Draw Down Pricing Period.

(e) The Company must inform the Purchaser by delivering a draw down notice, in the form of Exhibit D hereto (the "Draw Down Notice"), via facsimile transmission in accordance with Section 8.3, as to the amount of the Draw Down (the "Investment Amount") the Company wishes to exercise. The Draw Down Notice shall also inform the Purchaser of the first day of the Draw Down Pricing Period, which, unless otherwise agreed to in writing by the parties, shall be the first Trading Day following the date such Draw Down Notice is received (the "Commencement Date"). At no time shall the Purchaser be required to purchase more than the maximum Investment Amount for a given Draw Down Pricing Period. The Company shall have the right to notify the Purchaser that Draw Downs shall be continuous pursuant to a Draw Down Notice until such time that the Company elects to suspend such Draw Down Notice. In the event of a continuous Draw Down Notice, the Company must give at least 2 Trading Days' written notice of suspension to the Purchaser and in no event shall a suspension of a Draw Down occur prior to the end of any pending Draw Down Pricing Periods. On or before any Trading Day that a Draw Down Notice is delivered or notice of suspension of Draw Downs is delivered, the Company shall have filed with the Commission a prospectus supplement pursuant to Rule 424 under the Securities Act setting forth the terms of the Draw Down Notice or suspension notice.

24

(f) On the Trading Day immediately following the last day of the Settlement Period, the Company shall deliver and the Purchaser shall acknowledge a settlement statement (the "Settlement Statement") setting forth the number of Draw Down Shares issuable and the aggregate Purchase Price as to such Settlement Period. On the Settlement Date as to such Draw Down, the Draw Down Shares purchased pursuant to such Settlement Statement shall be delivered to the Depository Trust Company ("DTC") account of the Purchaser, or its designees, as designated by the Purchaser in the Settlement Statement, via DTC's Deposit Withdrawal Agent Commission system ("DWAC"). Upon the Company electronically delivering such Draw Down Shares to the DTC account of the Purchaser, or its designees, via DWAC by 1:00 p.m. ET, the Purchaser shall, on the same day (or the next Business Day if such day is not a Business Day) wire transfer immediately available funds to the Company's bank account, as designated by the Company in the Settlement Statement, for the amount of the aggregate Purchase Price of such Draw Down Shares. Upon the Company electronically delivering the Draw Down Shares to the Purchaser or its designee's DTC account via DWAC after 1:00 p.m. ET, the Purchaser shall wire transfer next day available funds to the Company's designated account on such day. At the sole election of the Purchaser, the Purchaser may elect to pay any broker fees disclosed in the schedules attached to this Agreement directly to the brokers pursuant to written instructions from any such broker.

(g) The Company understands that a delay in the delivery of the Shares to the Purchaser beyond the Settlement Date could result in economic loss to the Purchaser. In addition to the Purchaser's other available remedies, the Company shall pay to the Purchaser, in cash, as partial liquidated damages and not as a penalty, for each \$1,000 of Shares (based on the

Edgar Filing: CEL SCI CORP - Form 8-K

Closing Price of the Common Stock on the applicable Settlement Date) required to be delivered on the Settlement Date, \$10 per Trading Day (increasing to \$20 per Trading Day five (5) Trading Days after such damages have begun to accrue) for each Trading Day after the Settlement Date until such Shares are delivered pursuant to this Article VI. Nothing herein shall limit the Purchaser's right to pursue actual damages for the Company's failure to deliver certificates representing any Securities as required by the Transaction Documents, and the Purchaser shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief.

ARTICLE VII.

TERMINATION

7.1 Term. The term of this Agreement shall begin on the date hereof and shall end 24 months from the date hereof or as otherwise set forth in Section 7.2.

7.2 Other Termination.

(a) This Agreement shall terminate if (i) the Common Stock is de-listed from the Trading Market unless such de-listing is in connection with a subsequent listing on another Trading Market, (ii) the Company files for protection from creditors under any applicable law or (iii) the Company withdraws the Registration Statement.

25

(b) The Company may terminate this Agreement upon 5 Trading Day's notice if the Purchaser shall fail to fund a properly noticed Draw Down within 5 Trading Days of the end of the applicable Settlement Period.

(c) The Company may terminate this Agreement upon one Trading Day's written notice to the Purchaser if this Agreement violates or may result in a breach of any other agreement to which the Company is party; provided, however, that no such termination shall be effective until after the full completion and settlement of any pending Draw Down Pricing Periods pursuant to the terms of this Agreement.

7.3 Effect of Termination. In the event of termination of this Agreement pursuant to Section 7.2 herein, written notice thereof shall forthwith be given to the other party and the transactions contemplated by this Agreement shall be terminated without further action by either party. If this Agreement is terminated as provided in Section 7.1 or 7.2 herein, this Agreement shall become void and of no further force and effect, except for Section 4.7 and Article 8 herein, which shall survive the termination of this Agreement. Nothing in this Section 7.3 shall be deemed to release the Company or the Purchaser from any liability for any breach under this Agreement, or to impair the rights of the Company or the Purchaser to compel specific performance by the other party of its obligations under this Agreement.

ARTICLE VIII.

MISCELLANEOUS

8.1 Fees and Expenses. At the Initial Closing, the Company has agreed to reimburse the Purchaser the non-accountable sum of \$20,000, for its legal fees and expenses, \$10,000 which has been paid prior to the Closing. Except as expressly set forth in the Transaction Documents to the contrary, each party shall pay the fees and expenses of its advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the

Edgar Filing: CEL SCI CORP - Form 8-K

negotiation, preparation, execution, delivery and performance of this Agreement. The Company shall pay all transfer agent fees, stamp taxes and other taxes and duties levied in connection with the delivery of any Securities to the Purchaser.

8.2 Entire Agreement. The Transaction Documents, together with the exhibits and schedules thereto, contain the entire understanding of the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, oral or written, with respect to such matters, which the parties acknowledge have been merged into such documents, exhibits and schedules.

8.3 Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earliest of (a) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number set forth on the signature pages attached hereto prior to 5:30 p.m. (New York City time) on a Trading Day, (b) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number set forth on the signature pages attached hereto on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (c) the 2nd Trading Day following the date of mailing, if sent by U.S.

26

nationally recognized overnight courier service, or (d) upon actual receipt by the party to whom such notice is required to be given. The address for such notices and communications shall be as set forth on the signature pages attached hereto.

8.4 Amendments; Waivers. No provision of this Agreement may be waived or amended except in a written instrument signed, in the case of an amendment, by the Company and the Purchaser or, in the case of a waiver, by the party against whom enforcement of any such waived provision is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right.

8.5 Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

8.6 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors. Neither party may assign this Agreement or any rights or obligations hereunder (other than by merger).

8.7 No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective successors and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other Person, except as otherwise set forth in Section 4.7.

8.8 Governing Law. All questions concerning the construction, validity, enforcement and interpretation of the Transaction Documents shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflicts of law thereof. Each party agrees that all legal proceedings concerning the interpretations, enforcement and defense of the transactions contemplated by this Agreement and any other Transaction Documents (whether brought against a party hereto or its respective affiliates, directors, officers, shareholders, employees or agents)

Edgar Filing: CEL SCI CORP - Form 8-K

shall be commenced exclusively in the state and federal courts sitting in the City of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York, borough of Manhattan for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper or is an inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. The parties hereby waive all rights to a trial by jury. If either party shall commence an action or proceeding to enforce any provisions of the Transaction Documents, then the

27

prevailing party in such action or proceeding shall be reimbursed by the other party for its reasonable attorneys' fees and other costs and expenses incurred with the investigation, preparation and prosecution of such action or proceeding.

8.9 Survival. The representations and warranties contained herein shall survive the Closing and the delivery of the Securities.

8.10 Execution. This Agreement may be executed in two or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party, it being understood that both parties need not sign the same counterpart. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

8.11 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their commercially reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

8.12 Replacement of Securities. If any certificate or instrument evidencing any Securities is mutilated, lost, stolen or destroyed, the Company shall issue or cause to be issued in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the

Edgar Filing: CEL SCI CORP - Form 8-K

issuance of such replacement Securities.

8.13 Remedies. In addition to being entitled to exercise all rights provided herein or granted by law, including recovery of damages, each of the Purchaser and the Company will be entitled to specific performance under the Transaction Documents. The parties agree that monetary damages may not be adequate compensation for any loss incurred by reason of any breach of obligations contained in the Transaction Documents and hereby agrees to waive and not to assert in any action for specific performance of any such obligation the defense that a remedy at law would be adequate.

8.14 Liquidated Damages. The Company's obligations to pay any partial liquidated damages or other amounts owing under the Transaction Documents is a continuing obligation of the Company and shall not terminate until all unpaid partial liquidated damages and other amounts have been paid notwithstanding the fact that the instrument or security pursuant to which such partial liquidated

28

damages or other amounts are due and payable shall have been canceled.

8.15 Construction. The parties agree that each of them and/or their respective counsel has reviewed and had an opportunity to revise the Transaction Documents and, therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of the Transaction Documents or any amendments hereto. In addition, each and every reference to share prices and shares of Common Stock in any Transaction Document shall be subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of this Agreement.

32

A. In April 2007, CEL-SCI sold 20,000,000 Units to Korral Partners, an institutional investor, for \$15,000,000. Each Unit was priced at \$0.75 and consisted of one share of CEL-SCI's common stock, one-half of a Series L warrant and one-half of a Series M warrant. Immediately after this sale Korral Partners sold the 20,000,000 shares of CEL-SCI's common stock and the 10,000,000 Series M warrants to 19 foreign investors. Korral Partners retained the 10,000,000 Series L warrants.

Pursuant to a previously granted right of participation two investors in CEL-SCI's August 2006 financing purchased 43,333 Units, which were identical to the Units sold to Korral Partners, at a price of \$0.75 per Unit.

Each Series L warrant allows the holder to purchase one share of CEL-SCI's

Edgar Filing: CEL SCI CORP - Form 8-K

common stock for \$0.75. Each Series M warrant allows the holder to purchase one share of CEL-SCI's common stock for \$2.00. The Series L and M warrants expire on April 17, 2012.

In September 2008, 2,250,000 of the Series L warrants were repriced to \$0.56 and their expiration date was extended one year to April 17, 2013.

B. In August 2006, CEL-SCI sold Series K convertible notes, plus Series K warrants, to independent private investors for \$8,300,000. The notes bear interest annually at the greater of 8% or 6 month LIBOR plus 3% per year. The Notes are due and payable on August 4, 2011 and are secured by substantially all of CEL-SCI's assets.

At the holder's option, the Series K notes are convertible into shares of CEL-SCI's common stock at a Conversion Price of \$0.75. The Series K warrants allow the holders to purchase up to 6,601,394 shares of CEL-SCI's common stock at a price of \$0.75 per share at any time prior to February 4, 2012.

If CEL-SCI sells any additional shares of common stock, or any securities convertible into common stock at a price below the then applicable Conversion Price, the Conversion Price will be lowered to the price at which the shares were sold or the lowest price at which the securities are convertible, as the case may be. If CEL-SCI sells any additional shares of common stock, or any securities convertible into common stock at a price above the Conversion Price, but below the average closing price of CEL-SCI's common stock over the five trading days prior to the sale of the shares, the Conversion Price will be lowered to a price determined by a formula contained in the Notes. The Conversion Price will also be proportionately adjusted in the event of any stock splits.

If CEL-SCI sells any additional shares of common stock, or any securities convertible into common stock at a price below the then applicable exercise price of the Series K warrants, the warrant exercise price will be lowered to the price at which the shares were sold or the lowest price at which the securities are convertible, as the case may be.

At CEL-SCI's election, and under certain conditions, CEL-SCI may use shares of its common stock to make interest or principal payments on the Series

33

K notes. The actual number of shares which may be issued as payment of interest or principal may increase if the price of CEL-SCI's common stock is below the then applicable conversion price of the Series K notes.

To the extent CEL-SCI uses its shares to make principal payments on the notes, the number of shares which may be issued upon the conversion of the notes may be less due to reduction in the outstanding principal balance of the notes.

The actual number of shares which will ultimately be issued upon the payment or conversion of the Series K notes (if any) will vary depending upon a number of factors, including CEL-SCI's election to use shares of its common stock to pay principal or interest on the Series K notes.

Since August 2006 the principal balance of the notes have been reduced as a result of conversions and payments by CEL-SCI. As of December 30, 2008 notes in the principal amount of \$1,875,716 were outstanding.

So long as the Series K notes are outstanding, the holders of the Series K notes have the right to participate in any subsequent financings involving

Edgar Filing: CEL SCI CORP - Form 8-K

CEL-SCI.

C. On August 18, 2008, CEL-SCI sold 1,383,389 shares of common stock and 2,075,084 Series N warrants in a private financing for \$1,037,500. The shares were sold at a price of \$0.75 per share. Each Series N warrant entitles the holder to purchase one share of CEL-SCI's common stock at a price of \$0.75 per share at any time prior to August 18, 2014. The securities sold in August 2008 are restricted securities and do not have any registration rights.

If CEL-SCI sells any additional shares of common stock, or any securities convertible into common stock at a price below the then applicable exercise price of the Series N warrants, the warrant exercise price will be lowered to the price at which the shares were sold or the lowest price at which the securities are convertible, as the case may be.

D. Between May 30, 2003 and August 18, 2008 CEL-SCI sold shares of its common stock in private transactions. In some cases warrants were issued as part of financings. As of December 30, 2008 warrants to purchase 8,764,272 shares of CEL-SCI's common stock were outstanding. The warrants are exercisable at prices ranging between \$0.47 and \$2.00 per share and expire at various dates between April 2009 and February 2015.

E. The options are exercisable at prices ranging from \$0.16 to \$4.50 per share. CEL-SCI may also grant options to purchase additional shares under its Incentive Stock Option and Non-Qualified Stock Option Plans.

Schedule 3.1(i): Between July 1, 2008 and December 30, 2008 CEL-SCI issued 5,745,595 shares of its common stock to various persons for \$500,000 in cash, payment of rent, payment of principal and interest on outstanding convertible notes, and for services provided to CEL-SCI. Of the shares issued since July 1, 2008, 334,448 shares were issued to Maximilian de Clara, the President and a director of CEL-SCI, in payment of salary.

34

In December 2008 CEL-SCI borrowed \$100,000 from Maximilian de Clara, CEL-SCI's President and a director. The loan bears interest at 15% per year and is payable on March 27, 2009.

Schedule 3.1(q): In December 2008 CEL-SCI borrowed \$100,000 from Maximilian de Clara, CEL-SCI's president and a director. The loan bears interest at 15% per year and is payable on March 27, 2009.
