VOTING PROCEDURES

Each proposal submitted to the Company's stockholders for a vote is deemed approved if a majority of the shares of Common Stock of the Company present in person or by proxy at a meeting at which a quorum is present votes in favor of the proposal. The presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting constitutes a quorum. A stockholder is entitled to one vote for each share owned.

Stockholder votes are tabulated by the Company's Registrar and Transfer Agent. Proxies received by the Registrar, if such proxy is properly executed and delivered, will be voted in accordance with the voting specifications made on such Proxy. Proxies received by the Registrar on which no voting specification has been made by the stockholder will be voted FOR all items discussed in the Proxy Statement, in the manner stated on the proxy card. Stockholders who execute and deliver proxies retain the right to revoke them by notice in writing delivered to the Company's Secretary at any time before such proxies are voted.

Under applicable Delaware corporate law and the Charter and By-Laws of the Company, proxies received by the Registrar specifying an abstention as to any proposal will cause the shares so represented to be counted toward a quorum, but are not counted as favorable votes and, therefore, have the same effect as a vote against the proposal. To the extent holders or brokers having the right to vote shares do not attend the meeting or return a proxy, such shares will not count toward a quorum, and if a quorum is otherwise achieved, will have no effect on the vote of the proposals considered at the meeting which shall be based solely upon the vote of the shares represented at the meeting.

-7-

2002 ANNUAL MEETING OF STOCKHOLDERS

If any stockholder intends to present a proposal for consideration at the 2002 Annual Meeting of Stockholders, such proposal must be received by the Company on or before September 1, 2002, in order to be included in the Company's Proxy Statement and form of proxy for such meeting. Nothing in this paragraph shall be deemed to require the Company to include in its proxy statement and form of proxy relating to the 2002 Annual Meeting of Stockholders any stockholder proposal which does not meet all of the requirements for such inclusion established by the Securities and Exchange Commission at that time in effect.

As of the date of this Proxy Statement, the Board of Directors knows of no matters, other than those stated above, that may be brought before the Meeting. However, if other matters do properly come before the Meeting, the persons named in the enclosed proxy will vote upon them in their discretion and in accordance with their best judgment.

AUDIT COMMITTEE REPORT

The Audit Committee reviews and supervises the Company's procedures for recording and reporting the financial results of its operations on behalf of the Board of Directors. The Company's management has primary responsibility for the consolidated financial statements and the reporting process, including the systems of internal controls.

Edgar Filing: SIENA HOLDINGS INC - Form DEF 14A

In addition, the Audit Committee received from the independent auditors the written disclosures required by the Independence Standards Board and has discussed with the independent auditors the independence of the Audit Committee from the Company's management.

Based on the reviews and discussion described above, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements for the fiscal year ended June 30, 2001 be included in the Company's Annual Report on Form 10-K for the year then ended to be filed with the Securities and Exchange Commission.

-8-

A copy of the Company's Form 10-K Annual Report as filed with the Securities and Exchange Commission, Washington, D.C., has been provided to each Stockholder of record in connection with the Notice of the Annual Meeting.

The cost of preparing and mailing the Notice of Meeting, Proxy Statement and form of proxy will be paid by the Company. The Company will request banks, brokers, fiduciaries, and similar persons to forward copies of such material to beneficial owners of the Company's common stock in a timely manner and to request authority for execution of proxies, and the Company will reimburse such persons and institutions for their reasonable out-of-pocket expenses incurred in connection therewith. To the extent necessary to assure sufficient representation, officers and regular employees of the Company may solicit the return of the proxies by telephone, telegram, or personal interview. The extent of this solicitation by personal contact will depend upon the response to the initial solicitation by mail. It is anticipated that the costs of such solicitation, if undertaken, will not exceed \$4000.
