Item 8.01 - Other Events.

On January 31, 2019, Advanced Credit Technologies, Inc. (the “Company”) entered into an agreement with The Diabetic Help Centers LLC (“TDHC”) to provide TDHC with an interactive database for use in the keeping and safeguarding of medical records. The Company will also be developing and attaching a private blockchain to the SQL database and further securing the database through use of the Company’s CyberloQ™ technology.

The blockchain being developed by the Company is a private blockchain and is an invitation-only network governed by a single entity. Entrants to the network require permission to read, write or audit the blockchain. The combination of CyberloQ™ with the private blockchain will provide TDHC and potential future customers with enhanced security for their confidential data.
