Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of**Principal Officers; Compensatory Arrangements of Certain Officers**

On January 28, 2008, the Compensation Committee of the Board of Directors of Starent Networks, Corp. (the Company) approved 2008 annual base salaries and target bonus percentages for each of the Company's named executive officers (as used in Instruction 4 to Item 5.02 of Form 8-K) listed below and for the Company's chief financial officer. The following table sets forth information regarding each officer's (1) 2007 base salary (for comparison purposes only), (2) 2008 base salary and (3) target bonus percentage:

Name and Title	2007 Base Salary	2008 Base Salary(1)	2008 Target Bonus (As Percentage of 2008 Base Salary)
Ashraf M. Dahod <i>Chief Executive Officer</i>	\$ 275,000	\$ 320,000	60%
Paul J. Milbury <i>Vice President of Operations and Chief Financial Officer</i>	\$ 210,000	\$ 240,000	50%
Pierre G. Kahhale <i>Vice President, Worldwide Field Operations</i>	\$ 210,000	\$ 240,000	100%
Anthony P. Schoener <i>Vice President, Engineering</i>	\$ 210,000	\$ 240,000	50%
Gennady H. Sirota <i>Vice President, Product Management</i>	\$ 210,000	\$ 225,000	50%

(1) Base salary increases are effective as of January 1, 2008.

The 2008 target bonuses are based 50% on the achievement by the Company of specific 2008 bookings objectives and 50% on the achievement by the Company of specific 2008 operating profit objectives. There is no written plan for payment of these cash bonuses; however, the Company's offer letter to each executive officer at the outset of employment sets forth eligibility to receive cash bonuses.

The amount of each executive officer's 2008 bonus that is based on the Company's achievement of bookings objectives is subject to adjustment if the Company fails to meet or exceeds those objectives. The Company must achieve at least 87% of the target bookings objective for any portion of the target bonus based on the achievement of bookings to be paid. If 87% of the target bookings objective is achieved, 50% of the target bonus based on the achievement of bookings will be paid, and the portion of the target bonus based on the achievement of bookings will be adjusted proportionately if the actual bookings are between 87% and 100% of the target bookings objective. Except with respect to the 2008 bonus for Pierre Kahhale, the Company's Vice President, Worldwide Field Operations, the portion of the target bonus based on bookings will not be adjusted above 100% of the target bonus if the Company exceeds the target bookings objective. The portion of Mr. Kahhale's target bonus based on the achievement of bookings objective will be adjusted upwards proportionately, without a maximum amount, if the Company exceeds 100% of the target bookings objective.

Edgar Filing: Starent Networks, Corp. - Form 8-K

In addition, the Company must achieve at least 56% of the target operating profit objective for any portion of the target bonus based on the achievement of operating profit to be paid. If 56% of the target operating profit objective is achieved, 50% of the target bonus based on the achievement of operating profit will be paid, and the portion of the target bonus based on the achievement of operating profit will be adjusted proportionately if the actual operating profit is between 56% and 100% of the

target operating profit objective. If the target operating profit objective is exceeded, then 7.5% of the Company's operating profits above the target objective will be used to increase the portion of the target bonus based on the achievement of operating profit objectives. However, the maximum amount of the total bonus earned by each executive officer (other than Mr. Kahhale), including the portion of the bonus based on bookings objectives and the portion of the bonus based on operating profits, will be 200% of the total target bonus amount.

The actual amounts of the 2008 cash bonuses for the executive officers will be determined, and the bonus payments will be made, after the Company's financial results for 2008 are determined.
