By the Order of the Board of Directors

Annual Meeting of Shareholders

April 24, 2013

PROXY STATEMENT

GENERAL

The Annual Meeting of Shareholders of Winmark Corporation will be held on Wednesday, April 24, 2013, at 4:00 p.m., Central Daylight Time, at our corporate offices, 605 Highway 169 N, Suite 100, Minneapolis, Minnesota 55441, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

The enclosed proxy is solicited by our Board of Directors. Such solicitation is being made by mail and may also be made by directors, officers and regular employees of Winmark personally or by telephone. Any proxy given pursuant to such solicitation may be revoked by the shareholder at any time prior to the voting thereof by so notifying us in writing at the above address, attention: Corporate Secretary, or by appearing in person at the meeting. Shares represented by proxies will be voted as specified in such proxies, and if no choice is specified, will be voted in favor of the proposals set forth in the Notice of Meeting in favor of the number and slate of directors proposed by the Board of Directors and listed herein, in favor of the advisory vote to approve executive compensation and three (3) years on the frequency of advisory votes to approve executive compensation.

Shares voted as abstentions on any matter (or a withhold authority vote as to directors) will be counted as present and entitled to vote for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but will not be deemed to have been voted in favor of such matter. If a broker submits a non-vote proxy, indicating that the broker does not have discretionary authority to vote certain shares on a particular matter, those shares will be counted as present for purposes of determining a quorum, but will not be considered present and entitled to vote for purposes of calculating the vote with respect to such matter.

Effect of Not Casting Your Vote. If you hold your shares in street name it is critical that you cast your vote if you want it to count in the determination of the size of the Board, the election of eight directors, the advisory vote on executive compensation and the advisory vote on the frequency of advisory votes on executive compensation (Proposals 1, 2, 3 and 4 of this Proxy Statement). Your bank or broker is not permitted to vote your uninstructed shares in determining the size of the board, the election of directors, approval of executive compensation, or the frequency of an advisory vote on executive compensation on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, no votes will be cast on your behalf on Proposals 1, 2, 3 and 4. Your bank or broker will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of the Company's independent registered public accounting firm (Proposal 5 of this Proxy Statement). If you are a shareholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

Edgar Filing: WINMARK CORP - Form DEF 14A

Winmark may reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to beneficial owners of stock. OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors has fixed March 4, 2013, as the record date for determining shareholders entitled to vote at the Annual Meeting. Persons who were not shareholders on such date will not be allowed to vote at the Annual Meeting. At the close of business on March 4, 2013, 4,999,647 shares of our Common Stock were issued and outstanding. Common Stock is the only outstanding class of capital stock entitled to vote at the meeting. Each share of Common Stock is entitled to one vote on each matter to be voted on at the meeting. Shareholders are not entitled to cumulative voting rights.

Under applicable Minnesota law, approval of each of the proposals to be voted on at the meeting except the election of the nominees requires the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting. The election of the nominees requires the affirmative vote by a plurality of the voting power of the shares present and entitled to vote on the election of directors at a meeting at which a quorum is present.

ELECTION OF DIRECTORS

(Proposals #1 and #2)

At the meeting, the Board of Directors is to be elected to hold office until the 2014 Annual Meeting or until successors are elected and have qualified. Our Bylaws provide that the number of directors on our Board shall be fixed by the shareholders, subject to increase by the Board of Directors in an interim period between shareholder votes. The Nominating Committee recommended to the Board of Directors that the shareholders set the number of directors at eight. The Nominating Committee also recommended to the Board of Directors that the shareholders elect the nominees named below.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, to set the number of directors at eight and for the election of the nominees named below, unless one or more of such nominees should become unavailable for election, in which event such shares shall be voted for the election of such substitute nominees as the Board of Directors may propose. Each person nominated has agreed to serve if elected, and we know of no reason why any of the listed nominees would be unavailable to serve.

CORPORATE GOVERNANCE

Code of Ethics and Business Conduct

We have adopted the Winmark Corporation Code of Ethics and Business Conduct (the Code of Conduct), that applies to our directors, officers and employees. The Code of Conduct is publicly available on our web site at www.winmarkcorporation.com. If we make any substantive amendments to the Code of Conduct or grant any waiver, including any implicit waiver from a provision of the Code of Conduct to our directors or executive officers, we will disclose the nature of such amendments or waiver on our web site or in a report on Form 8-K.

Leadership Structure of the Board

In accordance with Winmark's bylaws, our Board of Directors elects our Chief Executive Officer and our Chairman, and each of these positions may be held by the same person or may be held by two persons. The Board does not have a policy regarding whether the role of the Chairman and Chief Executive Officer should be separate.

Because our Chief Executive Officer also serves as Chairman of the Board, Winmark has a Lead Director whom is nominated by the Governance and Nominating Committee and is elected by a majority of the independent directors. Our Lead Director presides over meetings of our independent directors and is an additional resource to the Board with respect to governance and financial matters.

After careful consideration, the Corporate Governance and Nominating Committee has determined that Winmark's current Board structure combining the principal executive officer and board chairman positions and utilizing a Lead Director is the most appropriate leadership structure for Winmark and its shareholders given its ownership and operating structure.

Majority of Independent Directors; Committees of Independent Directors

The Board of Directors has determined that Ms. Grassle and Messrs. Barbetta, MacKenzie, Phillips, Reyelts, and Wilson, constituting a majority of the Board of Directors, are independent directors in accordance with rules of the NASDAQ since none of them are believed to have any relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Mr. MacKenzie serves as a member of Rush River Group, LLC, who leases de minimis amount of office space from Winmark. The Board considered this relationship in determining that Mr. MacKenzie is independent. Messrs. Morgan and Zola are precluded from being considered independent by NASDAQ rules since they currently serve as executive officers of Winmark.

Each member of the Audit Committee, Compensation Committee and Nominating Committee has been determined, in the opinion of the Board of Directors, to be independent in accordance with NASDAQ rules.

Standing Committees

The Board of Directors has three standing committees, the Audit Committee, the Compensation Committee and the Nominating Committee. Each of these Committees' duties are set forth in a charter, which are available on our website at www.winmarkcorporation.com under the Investor Relations heading.

Audit Committee

The Audit Committee provides oversight by reviewing financial reports and other financial information of Winmark, reviewing our systems of internal control regarding finance, accounting, legal compliance and ethics, and reviewing our auditing, accounting and financial reporting process. The Audit Committee serves as an independent and objective party to monitor our financial reporting process and internal control system. The Audit Committee coordinates, reviews and appraises the audit efforts of our independent registered public accounting firm. Further, the Audit Committee communicates directly with the independent accountants, financial and senior management and Board of Directors regarding the matters related to the Committee's responsibilities and duties. The Board has determined that Paul C. Reyelts, an independent director, is the Audit Committee financial expert given, among other factors, his prior experience as a chief financial officer of a NYSE-listed public company. The current Audit Committee members are Paul C. Reyelts (Chairman), Lawrence A. Barbeta and Mark L. Wilson. Prior to Mr. Barbeta's election to the Audit Committee following the issuance of the Audit Committee Report on page 22, Dean B. Phillips served as the third member of the Audit Committee. The Audit Committee held four (4) meetings during fiscal 2012.

Compensation Committee

The Compensation Committee's purpose is to assist the Board of Directors in the discharge of its responsibilities relating to (a) fair, reasonable, and competitive compensation practices for our executive officers and other key employees which are consistent with our objectives; (b) oversight of broad-based employee compensation policies and programs; and (c) fair, reasonable and competitive compensation and benefit programs for our nonemployee directors. The Compensation Committee, which consists of Mark L. Wilson, Jenele C. Grassle, Dean B. Phillips and Paul C. Reyelts, held one (1) meeting during fiscal 2012. Mark L. Wilson has been appointed the Chairman of the Compensation Committee.

The Compensation Committee's responsibilities, which are discussed in detail in its charter, include, among other duties, the responsibility to:

- Review and approve annually appropriate incentive compensation goals and objectives for the CEO and other executive officers.

- Consider and approve the base salary, incentive and equity-based compensation awards and other compensation actions for the CEO based upon an evaluation of the CEO's performance, effectiveness and other relevant considerations.

- Review and approve base salaries, incentive and equity-based compensation awards and other compensation actions for all other executive officers, based upon an evaluation of such officer's performance, effectiveness, the recommendations of the CEO and other relevant considerations.

Compensation decisions for our executive officers and nonemployee members of the Board of Directors are made by the Compensation Committee. The Compensation Committee also makes decisions regarding the equity compensation of any other Winmark employees. The Compensation Committee has not elected to utilize the services of a compensation consultant in determining executive compensation, though they have the discretion to utilize the services of a consultant as outlined in the Compensation Committee's Charter. To the extent the Committee determines to expend in excess of \$5,000 during any fiscal year on consultants, it must seek pre-approval from the Board of such excess

expenditures.

Our Chief Executive Officer, with the input of other officers at his discretion, provides the Compensation Committee with recommendations for the compensation of all executive officers and nonemployee directors.

Nominating Committee

The purpose of the Nominating Committee is to advise the Board of Directors and provide oversight on matters related to (a) the selection and nomination of Board Members; and (b) the appointment of Board Committee Members. The Nominating Committee, which consists of Jenele C. Grassle, Dean B. Phillips, Paul C. Reyelts, and Mark L. Wilson, held one (1) meeting during fiscal 2012. Jenele C. Grassle has been appointed Chairperson of the Nominating Committee.

Winmark does not have a formal policy with regard to the consideration of director candidates recommended by shareholders since it is our practice to consider director recommendations from any source. The Board is comprised of a majority of independent directors, which ensures consideration of director candidates from any source based on the criteria set forth below. Each Nominating Committee member is independent. The Board will consider director candidates recommended by shareholders according to the following membership criteria.

Board Membership Criteria

In selecting the new directors, the Nominating Committee shall consider any requirements of applicable law or listing standards, a candidate's strength of character, judgment, business experience and specific area of expertise, factors relating to composition of the Board, principles of diversity and such other factors as the Committee shall deem important.

The Nominating Committee will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation.

Shareholder Nomination of Directors

A shareholder who wishes to recommend one or more directors must provide a written recommendation to our Corporate Secretary at the address below. Notice of a recommendation must include:

with respect to the shareholder:

- name, address, the class and number of shares such shareholder owns;

with respect to the nominee:

Edgar Filing: WINMARK CORP - Form DEF 14A

- name, age, business address, residence address,

- five year employment history with employer names and a description of the employer's business,
- the number of shares beneficially owned by the nominee,
- whether such nominee can read and understand basic financial statements, and
- membership on other boards, if any.

The recommendation must be accompanied by a written consent of the nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders. We may require any nominee to furnish additional information that may be needed, or interview a prospective candidate, to determine the eligibility of the nominee.

Risk Oversight

Our Board is charged with providing oversight of Winmark's risk management processes. Specifically, the Audit Committee is primarily responsible for overseeing the risk management function. In carrying out its responsibilities, the Audit Committee works closely with Winmark's Chief Financial Officer. The Audit Committee meets quarterly to discuss the financial affairs of the Company. In addition, at least annually, the Audit Committee reviews a risk assessment and an overview of the risk management processes of the Company.

Meeting Attendance

During fiscal 2012, the Board of Directors held five (5) meetings. All directors attended at least 75% of the meetings of the Board of Directors and committees of the Board of Directors on which they served.

We have not adopted a formal policy with regard to Board Members' attendance at annual meetings of shareholders, however, all directors are encouraged to attend such meetings. All of the directors attended the Annual Meeting last year.

Shareholder Communications

Shareholders may communicate directly with the Board of Directors. All communications should be directed to our Corporate Secretary at the address below and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or for non-management directors. If no director is specified, the communication will be forwarded to the entire Board. Shareholder communications to the Board should be sent to:

EXECUTIVE COMPENSATION TABLES

The table below summarizes the total compensation paid or earned by each of the Named Executive Officers (NEOs) for the fiscal year ended December 29, 2012. Winmark's compensation structure for NEOs emphasizes the collective accountability to our shareholders, employees, and to one another by examining the performance of the NEOs as a group. The overall success of our business was examined to determine NEO salary, bonus, and incentive compensation, including a variety of financial and nonfinancial factors such as the overall performance of the company against long-term financial and strategic objectives, cash flow, human resources management, earnings per share, and the effectiveness of the NEOs as a group. Although our philosophy is to compensate NEOs as a group, we believe it is important to retain the flexibility and discretion to modify all elements of compensation awarded to individuals based upon their general business and company experience, leadership, potential future contribution, and the performance of the businesses for which they are responsible. There are three primary components to NEOs compensation: (1) base pay, (2) annual incentive bonus, and (3) equity based compensation.

Base pay provides the NEOs with regular compensation for services performed during the fiscal year, and is used to establish a pay range for the annual incentive bonus. The NEOs' base pay is determined in part by examining awards from past years, both for NEOs as a group and for each individual NEO. The annual bonus for each NEO, awarded at the discretion of the Compensation Committee, may range in amount from 0% to 100% of that NEO's salary. The annual incentive bonus is designed to motivate and reward the NEOs as a group for furthering the achievement of the Company's short and long-term objectives during the fiscal year. The third primary component of compensation is long-term incentive compensation in the form of stock options. Options were granted to the NEOs by the Compensation Committee under our current employee stock option plans, with a four year vesting period beginning on the first anniversary of the grant date and a ten year term, both contingent upon the continued employment of the NEO. Although previous awards are considered, the amount of options a NEO receives depends primarily upon the NEOs performance as a group, the total number of option shares recommended for issuance, and the total number of people included in the annual stock option grants.

We entered into an employment agreement with John L. Morgan, CEO, in March 2000, which has been subsequently amended three times. The most recent amendment, in 2006, clarified that Mr. Morgan's base salary will be set annually by the Compensation Committee or a similar body of independent directors in its discretion. Pursuant to the agreement, Mr. Morgan may also receive a bonus determined by the Compensation Committee in its discretion. The agreement is terminable for any reason by either party upon 30 days written notice.

Potential Payments Upon Termination of Employment or Change-in-Control

All of our NEOs are at-will employees operating without employment contracts, with the exception of John Morgan, our Chief Executive Officer. Although we have in the past, and at our discretion may in the future, negotiate severance agreements with our NEOs, we are under no obligation to do so. We have not entered into contracts or agreements with the NEOs, individually or as a group, guaranteeing lump sum payments to them upon a change of control of Winmark. However, our 2001 Stock Option Plan (2001 Plan) and 2010 Stock Option Plan (2010 Plan), which provide option awards to our NEOs, provide that optionees are eligible for certain benefits when a Transaction occurs, as defined therein. A Transaction includes the acquisition of the Company through the sale of substantially all of our assets or through a merger, consolidation, exchange, reorganization, reclassification, extraordinary dividend, divestiture or liquidation. Generally speaking, all of the outstanding and unvested stock options granted under the 2001 Plan and 2010 Plan become immediately exercisable upon the occurrence of a Transaction unless the Board selects to either: (a) terminate the 2001 Plan and 2010 Plan and cancel outstanding options not exercised prior to reasonable exercise period; (b) pay optionees, either in cash or shares of the surviving corporation's stock, the difference between the Fair Market Value of the stock price and the stock option exercise price; or (c) continue the 2001 Plan and 2010 Plan and allow optionees the right to exercise their respective options for an equivalent number of shares of stock of the succeeding corporation.

As of December 29, 2012, the NEOs had the following outstanding and unvested options to purchase shares of our Common Stock that could accelerate upon a change in control:

Directors, officers and greater than ten percent shareholders are required by the regulations of the Commission to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely on review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 29, 2012, all Form 3, Form 4 and Form 5 filing requirements of our directors, executive officers and persons who own more than ten percent of our Common Stock were met.

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

(Proposal #3)

General

Section 14A of the Securities Exchange Act requires that Winmark seek a non-binding advisory vote from its shareholders to approve executive compensation. The Corporation has designed its executive compensation program to attract, motivate, reward and retain the senior management talent required to achieve our corporate objectives and to increase long-term shareholder value. As previously discussed, there are three primary components to NEO compensation: (1) base pay, (2) annual incentive bonus and (3) equity based compensation (see discussion in EXECUTIVE COMPENSATION TABLES, p. 11.)

Board Recommendation

The Board recommends that the shareholders approve the compensation awarded by the Company to the NEOs, as described in the tabular disclosures and other narrative executive compensation disclosures in this Proxy Statement (pp. 11-13) as required by the rules of the Securities and Exchange Commission. We believe that our compensation policies and practices are centered on a pay-for-performance philosophy and are strongly aligned with the long-term interests of our shareholders. This is particularly true, in light of the ownership of the NEOs as a group. As of December 29, 2012, the NEOs of Winmark owned 38% of the outstanding common stock, including a 34% ownership stake by our Chairman and Chief Executive Officer.

The advisory vote to approve executive compensation is non-binding. The approval or disapproval of this proposal by shareholders will not require the Board or the Committee to take any action regarding the Company's executive compensation practices. The final decision on the compensation and benefits of our NEOs remains with the Board of Directors.

**ADVISORY VOTE TO APPROVE THE FREQUENCY OF
ADVISORY VOTES ON EXECUTIVE COMPENSATION**

(Proposal #4)

General

Pursuant to Section 14A of the Securities Exchange Act, at least once every six years, the Company is required to submit for shareholder vote a non-binding resolution to determine whether the advisory shareholder vote on executive compensation described in Proposal #3 shall occur every one, two or three years.

Board Recommendation

After careful consideration of the various arguments supporting each frequency level, the Board believes that submitting the advisory vote on executive compensation to shareholders every three years is appropriate for Winmark and its shareholders at this time. The Board believes three years provides sufficient time for shareholders to evaluate the effectiveness of the Company's executive compensation program. The frequency vote is non-binding. Shareholder approval of a one, two, or three-year frequency vote will not require the Company to implement an advisory vote on executive compensation every one, two or three years. The final decision on the frequency of the advisory vote on approval of executive compensation remains with the Board of Directors.

RATIFICATION OF INDEPENDENT AUDITORS**(Proposal #5)****General**

The Audit Committee has the authority to appoint and discharge the independent registered public accounting firm and has chosen to retain GRANT THORNTON LLP to serve as independent registered public accounting firm for fiscal year 2013. The Board is submitting such appointment of GRANT THORNTON LLP to the shareholders for ratification. If the appointment of GRANT THORNTON LLP is not ratified, the Board of Directors will require the Audit Committee to reconsider its selection. Representatives from GRANT THORNTON LLP expect to be present at the meeting, will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions.

Principal Accounting Fees and Services

The following is a summary of the fees billed by GRANT THORNTON LLP for professional services rendered as our independent registered public accounting firm during the 2012 and 2011 fiscal years.

Fee Category	GRANT THORNTON LLP	
	Fiscal 2012 Fees	Fiscal 2011 Fees
Audit Fees	\$ 298,840	\$ 190,424
Audit-Related Fees	14,560	14,560
Tax Fees	0	0
All Other Fees	0	0
Total Fees	\$ 313,400	\$ 204,984

Audit Fees. Consists of fees billed for professional services rendered for the audit of our annual consolidated financial statements (and, for 2012, the audit of our internal control over financial reporting) and review of the interim consolidated financial statements included in quarterly reports, and services that are normally provided by the principal accountant in connection with statutory and regulatory filings or engagements.

Audit-Related Fees. Consists of fees billed for services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under Audit Fees. These services primarily consist of employee benefit plan audits and consultations concerning financial accounting and reporting standards for Grant Thornton.

Pursuant to its Audit Committee Charter, the Audit Committee is responsible for pre-approving all audit and permitted non-audit services to be performed for Winmark by its independent auditors or any other auditing or accounting firm.

AUDIT COMMITTEE REPORT

The Board of Directors maintains an Audit Committee comprised of three of Winmark's independent directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rule of the NASDAQ OMX Group, Inc. (NASDAQ) that governs audit committee composition, Rule IM-5605-4, including the requirement that audit committee members all be independent directors as that term is defined by NASDAQ Rule 5605(a)(2).

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of Winmark. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

(1) reviewed and discussed with management Winmark's consolidated audited financial statements as of and for the year ended December 29, 2012; and

(2) discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, *Professional Standards*, Vol. 1 AU Section 380, as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and

(3) received and reviewed the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and discussed with the independent auditors the independent auditor's independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Winmark's Annual Report on Form 10-K for the fiscal year ended December 29, 2012, as filed with the Securities and Exchange Commission.

Members of the Audit Committee:

Paul C. Reyelts, Chairman

Dean B. Phillips

Mark L. Wilson

Board Recommendation

Edgar Filing: WINMARK CORP - Form DEF 14A

The Board of Directors recommends that the shareholders vote FOR Proposal #5 to ratify GRANT THORNTON LLP as the independent registered public accounting firm for Winmark. Under applicable Minnesota law, approval of the proposal to be voted on at the meeting requires the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

SHAREHOLDER PROPOSALS FOR THE 2014 ANNUAL MEETING

Rule 14a-8 of the SEC permits shareholders of a company, after timely notice to the company, to present proposals for shareholder action in the company's proxy statement where such proposals are consistent with applicable law, pertain to matters appropriate for shareholder action and are not properly omitted by company action in accordance with the proxy rules.

The Winmark Corporation 2014 Annual Meeting of Shareholders is expected to be held on or about April 30, 2014. Proxy materials for that meeting are expected to be mailed on or about March 26, 2014. Under SEC Rule 14a-8, shareholder proposals to be included in the Winmark Corporation proxy statement for that meeting must be received by Winmark Corporation on or before November 26, 2013. Additionally, if Winmark Corporation receives notice of a shareholder proposal after February 9, 2014, the proposal will be considered untimely pursuant to SEC Rules 14a-4 and 14a-5(e) and the persons named in proxies solicited by the Board of Directors of Winmark Corporation, Inc. for its 2014 Annual Meeting of Shareholders may exercise discretionary voting power with respect to the proposal.
