Item 1. Security and Issuer

This Schedule 13D relates to the Common Shares, \$0.001 par value (the “Shares”), of Spark Networks, Inc., a Delaware corporation (the “Issuer”). The address of the principal executive offices of the Issuer is 8383 Wilshire Boulevard, Suite 800, Beverly Hills, California, 90211.

Item 2. Identity and Background

(a) This Schedule 13D is being filed on behalf of Moab Capital Partners, LLC (“Moab LLC”); Moab Partners, L.P. (“Moab L.P.”); Mr. Michael M. Rothenberg and Mr. David A Sackler (collectively, the “Reporting Persons”, and each, a “Reporting Person”).

(b) The address of each Reporting Person is 15 East 62nd Street, New York, NY 10065.

(c) (i) The principal business of Moab LLC is to act as the investment manager for Moab, L.P. and its affiliated private investment funds.

(ii) The principal business of Moab L.P. is investing in event-driven securities, often as an activist shareholder or bondholder.

(iii) The principal occupation of each of Messrs. Rothenberg and Sackler is managing member of Moab LLC.

(d) None.

(e) None.

(f) (i) Moab LLC is a Delaware limited liability company.

(ii) Moab L.P. is a Delaware limited partnership.

(iii) Messrs. Rothenberg and Sackler are each United States citizens.

Item 3. Source and Amount of Funds or Other Consideration

Moab L.P. expended approximately \$5,407,089 (excluding commissions) of its investment capital to acquire the Shares it holds.

Moab L.P. effects purchases of securities primarily through margin accounts maintained with Bear, Stearns Securities Corp., which may extend margin credit to Moab L.P. as and when required to open or carry positions in the margin accounts, subject to applicable Federal margin regulations, stock exchange rules and the firm’s credit policies. In such instances, the positions held in the margin accounts are pledged as collateral security for the repayment of debit balances in the account.

Item 4. Purpose of Transaction

The purpose of the acquisition of the Shares was and is for investment purposes, and the acquisitions of the Shares by the Reporting Persons were made in the ordinary course of business and were not made for the purpose of acquiring control of the Issuer. Subject to market conditions and other factors, the Reporting Persons may purchase additional Shares, maintain their present ownership of Shares or sell some or all of the Shares.

All information and opinions herein are the sole views of the Reporting Persons as of November 29, 2007.

The Reporting Persons have purchased the Shares in open market transactions because in their opinion, the Shares are significantly undervalued as of November 29, 2007 based on the strong franchise and operating metrics of the Issuer's key asset JDATE®.com and the free cash flow per Share that the Issuer generates as a consolidated entity and the potential upside to the free cash flow per Share if the Issuer were to pursue any or all of the three following recommended initiatives.

1. Expense reductions

The Reporting Persons believe there is an opportunity to significantly reduce general and administrative expenses, as reported (which exclude direct marketing, sales and marketing, customer service, technical operations and development expenses) from \$22.6 million or 34% of net revenues in the latest twelve months ("LTM") period ended September 30, 2007. Management of the Issuer, lead by Adam Berger has outlined a number of initiatives to reduce these expenses as well as a number of one-time items which caused these expenses to be inflated in the LTM period. The Reporting Persons expect future results to show meaningful reductions in the general and administrative expense category.

2. Continued share repurchases

The Reporting Persons believe that the Issuer's ongoing share repurchases have created significant value for shareholders. Based on publicly available information, in 2007 the Issuer has so far repurchased nearly 5.4 million shares, representing 21% of the remaining shares outstanding at an average price near current levels. The Reporting Persons commend management's aggressiveness in repurchasing the Shares and believe that, given the stable free cash flow that the Issuer has demonstrated that it generates, management should continue to utilize excess cash to repurchase the Shares at or near current levels to the extent possible.

3. Potential for an Advertising revenue stream

The Reporting Persons believe that a new revenue stream could be developed if the Issuer further explored the possibility of collecting advertising revenue from outside businesses who might want access to the loyal members and users of the online personals websites that the Issuer operates. The Reporting Persons believe prior management has not sufficiently explored this opportunity.

Lastly, the Reporting Persons believe that significant shareholder value could be created through the evaluation of strategic alternatives which might involve the potential sale of some or all of the online personals businesses of the Issuer. The Reporting Persons believe that the Issuer's branded businesses would be particularly attractive and synergistic to related companies in the online personals industry such as the well capitalized IAC/ InteractiveCorp the operator of Match@.com, as well as ethnic media businesses in the various verticals operated by the Issuer and private equity investors.

Except as described above in this Item 4, the Reporting Persons do not have any plans or proposals that relate to, or would result in, any actions or events specified in clauses (a) through (j) of Item 4 to Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a) Moab L.P. owns 1,311,350 Shares. Because Moab LLC has sole voting and investment power over Moab L.P.'s security holdings, and Messrs. Rothenberg and Sackler, in their roles as the managers of Moab LLC, control its voting and investment decisions, each of Moab L.P., Moab LLC, and Messrs. Rothenberg and Sackler may be deemed to have beneficial ownership of the 1,311,350 Shares owned of record by Moab L.P., which represent approximately 5.0% of the outstanding Shares.

All ownership percentages are based on 26,122,789 Shares outstanding, which is calculated based on the amount of shares outstanding as of November 7, 2007 of 26,817,789, as reported in the Issuer's Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2007, as filed with the Securities and Exchange Commission on November 9, 2007, adjusted to reflect the Issuer's repurchase of 695,000 shares on November 29, 2007 as reported in the Issuer's Form 8-K as filed with the Securities and Exchange Commission on November 29, 2007.

Messrs. Rothenberg and Sackler disclaim beneficial ownership of such Shares.

(b) With respect to all of the Shares that are held by Moab L.P., Messrs. Rothenberg and Sackler have the sole power to vote and dispose or direct the disposition of the Shares.

(c) Transactions effected in Shares that have taken place in the past sixty days are attached as Exhibit A.

(d) Except as described above, no person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Other than as described herein, there are no contracts, arrangements, understandings or relationships among the Reporting Persons, or between the Reporting Persons and any other person, with respect to the securities of the Issuer.

Item 7. Material to Be Filed as Exhibits

Joint filing agreement pursuant to Rule 13d-1(k), attached as Exhibit B.
