PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the board of directors (which we refer to in this Proxy Statement as the Board of Directors or the Board) of Bluefly, Inc., a Delaware corporation (which we refer to in this Proxy Statement as the Company, we, us or our), of proxies to be voted at the annual meeting of stockholders of the Company to be held at 9:00 a.m., local time, on June 10, 2010 at the Company's offices at 42 West 39th Street, 9th Floor, New York, New York, and at any adjournment thereof. The purposes of the meeting are:

1. To elect four Class 1 directors of the Company to the Board of Directors to hold office until the 2013 annual meeting of stockholders.
2. To approve an amendment to the Amended and Restated Bluefly, Inc. 2005 Stock Incentive Plan (which we refer to in this Proxy Statement as the Plan) to increase the aggregate number of shares of Common Stock that may be the subject of stock-based awards granted pursuant to the Plan by 1,586,392 shares (which we refer to in this Proxy Statement as the Plan Amendment).
3. To transact such other business as may properly come before the meeting.

If proxy cards in the accompanying form are properly executed and returned by a stockholder of record, the shares of the Company's Common Stock, \$.01 par value per share (which we refer to in this Proxy Statement as the Common Stock), held by such stockholder will be voted as instructed on the proxy card. If no instructions are given, such shares will be voted (i) for the election as Class 1 directors of the nominees of the Board of Directors named below; (ii) for the approval of the Plan Amendment and (iii) in the discretion of the proxies named in the proxy card on any other proposals to properly come before the meeting or any adjournment thereof. Any proxy may be revoked by a stockholder of record prior to its exercise upon written notice to the Secretary of the Company, or by the vote of such stockholder cast in person at the meeting. The approximate date of mailing of this Proxy Statement and accompanying form of proxy card is May 11, 2010.

VOTING

Holders of record of Common Stock as of the close of business on April 28, 2010 (which we refer to in this Proxy Statement as the Record Date), the record date for the solicitation of proxies pursuant to this Proxy Statement, will be entitled to vote at the meeting or any adjournment thereof. Each share of Common Stock entitles the holder thereof to one vote on all matters to come before the stockholders at the meeting. The holders of our Common Stock are not entitled to cumulative voting.

Holders of a majority of the votes entitled to be cast at the meeting will constitute a quorum for the transaction of business. As of the Record Date, there were 24,604,892 shares of Common Stock outstanding, each entitled to one vote. The total number of votes entitled to be cast at the meeting is, therefore, 24,604,892. Abstentions and so-called "broker non-votes" (instances in which brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned a proxy) are counted for purposes of determining the presence or absence of a quorum for the transaction of business.

The favorable vote of a plurality of the votes cast by holders of shares of Common Stock, present in person or represented by proxy at the meeting, is necessary to elect the Class 1 directors of the Company. Effective January 1, 2010, a broker is no longer permitted to vote on a stockholder's behalf with respect to the election of directors unless the stockholder has provided specific voting instructions to the broker. For your vote to be counted, you now will need to communicate your voting instructions to your broker, bank or other financial institution before the date of the meeting. Withheld votes and broker non-votes will not be counted as votes cast with respect to, and therefore will have no effect on, the election of the Class 1 directors.

The favorable vote of holders of a majority of the shares of Common Stock, present in person or represented by proxy at the meeting, and entitled to vote is required for the approval of the Plan Amendment. Abstentions and broker non-votes will have the same effect as a vote against the approval of the Plan Amendment.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors currently consists of nine directors. Our amended and restated certificate of incorporation classifies the Board of Directors into three classes, each having a staggered term expiring at successive annual meetings. Four Class 1 directors are to be elected at the annual meeting to serve a three-year term expiring at the 2013 annual meeting of stockholders. The term of our Class 2 directors shall expire at the 2011 annual meeting of stockholders and the term of our Class 3 directors shall expire at the 2012 annual meeting of stockholders.

The Board of Directors has nominated the persons named in the table below for election as Class 1 directors. All such persons are presently directors of the Company, and each has consented to being named as a nominee for election as a Class 1 director and has agreed to serve if elected. Unless otherwise specified in the accompanying proxy, the shares voted pursuant to it will be voted for the persons named below as nominees for election as Class 1 directors. If, for any reason, at the time of the election, any of the nominees should be unable or unwilling to accept election, such proxy will be voted for the election, in such nominee's place, of a substitute nominee recommended by the Board of Directors to the extent that such substitute nominee exists. However, the Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve as a director.

Also listed are the remaining five directors whom will continue to serve their respective terms.

In addition, pursuant to the Amended and Restated Voting Agreement (which we refer to in this Proxy Statement as the Voting Agreement) entered into by and among us, Rho Ventures VI, L.P. (which we refer to in this Proxy Statement as Rho), Quantum Industrial Partners LDC (which we refer to in this Proxy Statement as QIP), SFM Domestic Investments LLC (which we refer to in this Proxy Statement as SFM and, together with QIP, as the "Soros Parties"), Maverick Fund USA, Ltd. (which we refer to in this Proxy Statement as Maverick USA), Maverick Fund, L.D.C. (which we refer to in this Proxy Statement as Maverick Fund), and Maverick Fund II, Ltd. (which we refer to in this Proxy Statement as Maverick Fund II and, together with Maverick USA and Maverick Fund, as the "Maverick Parties") and certain funds affiliated with Prentice Capital Management, L.P. (which we refer to in this Proxy Statement as Prentice), Rho has the right to nominate an additional director to the Board but has not yet done so. If Rho nominates a second director to the Board pursuant to the Voting Agreement, such director will be appointed to serve as a Class 2 director of the Company.

CORPORATE GOVERNANCE

The Board reviewed the independence of each of our directors on the basis of the standards adopted by NASDAQ. During this review, the Board considered transactions and relationships between the Company, on the one hand, and each director, members of his or her immediate family, and other entities with which he or she is affiliated, on the other hand. The purpose of this review was to determine which of such transactions or relationships were inconsistent with a determination that the director is independent under applicable NASDAQ rules. As a result of this review, the Board affirmatively determined that each of our directors other than Ms. Payner is an “independent director” within the meaning of applicable NASDAQ rules.

During the fiscal year ended December 31, 2009, the Board met nine times and acted by unanimous written consent one time. Each of the directors participated in 75% or more of the aggregate number of meetings and/or written consents of the Board and committee(s) on which he or she served during the 2009 fiscal year, except for Mr. Moszkowski, who participated in approximately 71% of the total meetings and actions by written consent. The Company does not have a policy with regard to the attendance by directors at our annual meeting of stockholders. Ms. Payner and Mr. Wassong attended last year’s annual meeting of stockholders.

The Board has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is comprised of Anthony Plesner, Michael Helfand and Martin Miller. Mr. Plesner acts as Chairman of the Audit Committee. The Audit Committee is responsible for the appointment of the Company’s independent registered public accountants, examining the results of audits, reviewing internal accounting controls and reviewing related party transactions. The duties of the Audit Committee are fully set forth in the charter adopted by that committee, a copy of which is available on our website at www.bluefly.com. The Board has determined that Mr. Plesner is an “audit committee financial expert,” as defined by Item 407(d) of Regulation S-K of the Exchange Act, and that each member of the Audit Committee is “independent,” as required by the Exchange Act and applicable NASDAQ rules. During the fiscal year ended December 31, 2009, the Audit Committee met five times and acted by unanimous written consent one time.

The Board has established a Compensation Committee. The Compensation Committee has three members, consisting of Neal Moszkowski, David Janke and Mario Ciampi, and met five times and acted by unanimous written consent four times in fiscal 2009. The Compensation Committee is comprised solely of non-employee directors, all of whom the Board has determined are “independent” in accordance with applicable NASDAQ rules. The Compensation Committee does not have a written charter.

The Compensation Committee’s responsibilities include, among other duties, the responsibility to:

- establish the base salary, incentive compensation and any other compensation for the officers of the Company;
- monitor the Company’s management incentive and stock based compensation, retirement and welfare plans and discharge the duties imposed on the Compensation Committee by the terms of those plans; and
- perform other functions or duties deemed appropriate by the Board.

The agenda for meetings of the Compensation Committee is determined by its Chairman. The Compensation Committee reports directly to the Board. The Compensation Committee has the authority to engage and from time to time has engaged independent consultants to advise on particular aspects of compensation. The Compensation Committee has authority to retain, terminate and approve fees for advisors, consultants and agents as it deems necessary to assist in the fulfillment of its responsibilities. The Compensation Committee reviews the total fees paid

to outside consultants by the Company to ensure that the consultant maintains its objectivity and independence when rendering advice to the Compensation Committee. In determining the compensation levels of the Company's executive officers, the Compensation Committee considers proposals from the Company's Chief Executive Officer with respect to the appropriate levels of bonus and equity compensation for the Company's executive officers (other than the Chief Executive Officer).

The Board also established a Nominating and Governance Committee, consisting of David Wassong and Anthony Plesner. The purposes of the Nominating Committee are to assist the Board by identifying individuals qualified to become directors, and setting criteria for, and evaluating, candidates for director nominees, and recommend to the Board the director nominees for election at the annual meetings of stockholders or for appointments to fill vacancies; recommend to the Board nominees for each committee of the Board; advise the Board about appropriate composition of the Board and its committees; advise the Board about and recommend to the Board appropriate corporate governance practices and assist the Board in implementing those practices; lead the Board in its annual review of the performance of the Board and its committees; and perform such other functions as the Board may assign to it from time to time. The duties of the Nominating Committee are fully set forth in the charter adopted by that committee, a copy of which is available on our website at www.bluefly.com. The Nominating Committee met three times during 2009 and did not act by unanimous written consent during fiscal 2009.

The Nominating Committee will consider many factors when evaluating candidates for the nomination to the Board, with the goal of fostering a Board comprised of directors with a variety of experience and backgrounds. While the Nominating Committee does not have a formal policy with respect to diversity, the Board and the Nominating Committee believe that it is essential that Board members represent diverse backgrounds and experience. Important factors that will be considered as part of the Nominating Committee's evaluation include (without limitation) skill, specialized expertise, experience, business acumen and an understanding of strategy and policy-setting. Depending upon the Company's then-current needs, certain factors may be weighed more or less heavily. In considering candidates for the Board, the Nominating Committee will consider the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met. However, the Nominating Committee does believe that all members of the Board should have the highest character and integrity and sufficient time to devote to Company matters.

The Nominating Committee will consider persons recommended by stockholders as candidates for nomination as a director. In evaluating such nominations, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees. Recommendations should be submitted to the Secretary of the Company. Each recommendation should include a personal biography of the suggested candidate, an indication of the background or experience that qualifies such person for consideration, and a statement that such person has agreed to serve if nominated and elected. Stockholders who wish to nominate a person for election to the Board themselves, rather than recommending a candidate to the Nominating Committee for potential nomination by the Board, must comply with applicable law.

Communication by stockholders may be made to any or all of the members of the Board by writing directly to them c/o Bluefly, Inc., 42 West 39th Street, New York, New York 10018. All such communications will be relayed to the appropriate members of the Board.

We have adopted a Code of Ethics applicable to all directors, officers and employees which meets the requirements of a "code of ethics" as defined in Item 406 of Regulation S-K, and we maintain procedures for the confidential, anonymous submission by employees of complaints regarding our accounting, internal accounting controls, auditing matters and other issues. A copy of our code of ethics is available on our website at www.bluefly.com. Any amendment to or waiver of a provision of the code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, controller or persons performing similar functions and relates to elements of the code specified in the rules of the SEC will be posted on our website.

Management is responsible for the day-to-day management of risks the Company faces, while the Board of Directors, as a whole and through its committees, has the ultimate responsibility for the oversight of risk management. Senior officers attend meetings of the Board of Directors, provide presentations on operations including significant risks, and are available to address any questions or concerns raised by the Board of Directors. Additionally, our three Board committees assist the Board of Directors in fulfilling its oversight responsibilities in certain areas of risk. Pursuant to its charter, the Audit Committee coordinates the Board of Directors' oversight of the Company's internal control over financial reporting, disclosure controls and procedures and code of conduct. Management regularly reports to the Audit Committee on these areas. The Compensation Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Corporate Governance Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning for our directors and corporate governance. When any of the Compensation Committees receives a report related to material risk oversight, the Chairman of the relevant committee reports on the discussion to the full Board of Directors.

As noted above, our Board is currently comprised of eight independent non-employee directors and one employee director who is the Company's Chief Executive Officer. The Company divides the leadership role between an independent Chairman of the Board and the Chief Executive Officer. Mr. Wassong has served as interim Chairman of the Board since February 2007. We believe that the number of independent, experienced directors that make up our Board, along with the oversight of our Chairman, benefits the Company and its stockholders.

We recognize that different board leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. We believe our current Board leadership structure is optimal for us because it demonstrates to our employees, suppliers, customers and other stakeholders that the Company is under strong leadership, with the Chairman maintaining an effective working relationship with management and other Board members and the Chief Executive Officer. We believe that the Company, like many U.S. companies, has been well-served by this leadership structure.

The Chairman has the responsibility to: (1) coordinate with the Chief Executive Officer in establishing the agenda for the annual meeting of stockholders as well as the agenda for Board meetings; (2) provide management with direction and input regarding Board priorities, mandates and suggestions; and (3) perform such other functions as the directors may designate from time to time.

Our Chief Executive Officer has authority regarding day to day operations of the Company, oversight over all other officers of the Company and responsibility for executing strategies approved by the Board. The Chief Executive Officer reports to the Chairman and to the Board.

Our Board conducts an annual evaluation in order to determine whether it and its committees are functioning effectively. As part of this annual self-evaluation, the Board evaluates whether the current leadership structure continues to be optimal for the Company and its stockholders.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee met and held discussions with management and Weiser LLP. The Audit Committee reviewed and discussed the audited financial statements for fiscal 2009 with management and has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 114, "The Auditor's Communication With Those Charged With Governance."

The Audit Committee also discussed with the independent registered public accounting firm their independence from the Company.

Based on the Audit Committee's review and discussions described above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements for fiscal 2009 be included in the Company's Annual Report on Form 10-K for fiscal 2009 filed with the SEC.

Bonus Plan

On October 5, 2009, the Compensation Committee approved the adoption of a cash bonus plan for fiscal year 2009 (which we refer to in this Proxy Statement as the Bonus Plan) for Ms. Melissa Payner-Gregor, the Company's Chief Executive Officer, and Ms. Kara Jenny, the Company's Chief Financial Officer. The Bonus Plan provided for the payment of a cash bonus to Ms. Payner-Gregor in the amount of \$125,000, which amount was paid to Ms. Payner-Gregor in October 2009, and cash bonuses of \$75,000 to Ms. Payner-Gregor and \$33,000 to Ms. Jenny, which amounts were paid to Ms. Payner-Gregor and Ms. Jenny, respectively, in January 2010. The Bonus Plan also provided for contingent bonus payments to Ms. Payner-Gregor and Ms. Jenny if we achieved specified adjusted EBITDA target levels for fiscal year 2009. The range of the contingent bonuses payable under the Bonus Plan was originally between zero and \$180,000 for Ms. Payner-Gregor and between zero and \$60,000 for Ms. Jenny. The Bonus Plan was not in limitation of additional discretionary bonuses for performance above the specified target levels. In January 2010, the Compensation Committee modified the plan regarding the contingent bonuses to increase the bonus levels which could be earned by Ms. Payner-Gregor and Ms. Jenny if we exceeded the previously established adjusted EBITDA target levels for fiscal year 2009 by specified amounts. As amended, the range of contingent bonuses which could have become payable to Ms. Payner-Gregor under the Bonus Plan was between zero and \$600,000 (inclusive of the \$125,000 and \$75,000 cash bonuses paid to Ms. Payner-Gregor in October 2009 and January 2010 respectively). The amount of the contingent bonus payable to Ms. Jenny, based upon the same formula, was generally between 27% and 30% of the amount payable to Ms. Payner, but was not subject to a cap.

On February 17, 2010, the Compensation Committee approved a discretionary cash bonus of \$150,000 for Ms. Payner-Gregor, for 2009 performance. This bonus was awarded in recognition of the Company's 2009 performance, which significantly exceeded the expectations of the Compensation Committee. This bonus was awarded as a supplement to the formulaic bonus previously approved by the Compensation Committee, based upon adjusted EBITDA target levels, which resulted in total cash bonus payments to Ms. Payner-Gregor under the Bonus Plan of \$600,000 (inclusive of the \$125,000 and \$75,000 cash bonuses paid to Ms. Payner-Gregor in October 2009 and January 2010 respectively) and total cash bonus payments to Ms. Jenny under the Bonus Plan of \$240,000 (inclusive of the \$33,000 cash bonus paid to Ms. Jenny in October 2009).

Employment Agreements

Melissa Payner-Gregor

On November 14, 2006, we entered into a 36 month employment agreement (which we refer to in this Proxy Statement as the Payner Agreement) with Melissa Payner-Gregor providing for her continued service as our Chief Executive Officer and a member of our Board. The Payner Agreement was effective as of July 1, 2006 and replaced Ms. Payner's prior employment agreement, which would have expired on March 1, 2007. If we do not provide Ms. Payner with written notice of our desire to renew the Payner Agreement at least 90 days prior to the end of the then-current term (including any one year renewal term), the Payner Agreement shall automatically extend for one year from the end of the then-current term (which we refer to in this Proxy Statement as an Evergreen Extension). We did not provide such notice to Ms. Payner at least 90 days prior to July 1, 2009 and, therefore, the Payner Agreement automatically extended for a one year period following July 1, 2009. Under the Payner Agreement, Ms. Payner is entitled to an annual base salary of \$500,000, subject to increases in the sole discretion of the Compensation Committee. She is also eligible to receive an annual performance bonus based upon the achievement of certain targets to be set for each fiscal year by the Compensation Committee in its sole discretion. The terms applicable to Ms. Payner's annual performance bonus for fiscal 2009 are described above under the caption "Bonus Plan."

If Ms. Payner's employment is terminated without cause (as defined in the Payner Agreement) or as a result of a constructive termination (as defined in the Payner Agreement), all equity benefits previously granted, including stock options, restricted stock awards and deferred stock unit awards shall be deemed fully vested as of the date of termination, and she would be entitled to receive her base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as her then-current base salary for a period of 12 months from the date of termination and the reimbursement of the cost of maintaining (or the Company shall maintain) in effect the medical and dental insurance, disability and hospitalization plans, and life insurance policies in which Ms. Payner participates for a period of one-year from the date of termination.

In the event of a change of control (as defined in the Payner Agreement) any unvested stock options, restricted stock awards and one-half of any deferred stock unit awards granted to Ms. Payner which are outstanding as of the date of the change of control and have not yet vested (the "Payner COC Unvested DSUs") shall be deemed fully vested as of the date of the change of control. The remaining one-half of the Payner COC Unvested DSUs shall vest on the earliest to occur of: (a) the scheduled vesting date and (b) 12 months from the date of the change of control. In the event that Ms. Payner would be subject to tax under Section 4999 of the Internal Revenue Code of 1986, as amended (the "Code"), the payments to her under the Payner Agreement will be reduced to the maximum amount that she could receive without being subject to such tax.

The Payner Agreement provides Ms. Payner with a monthly housing allowance of \$4,000 and an annual allowance of approximately \$27,500 for life insurance and supplemental disability insurance. Ms. Payner is subject to certain covenants under the Payner Agreement, including a non-competition covenant covering the term of her employment and an additional period of 18 months thereafter.

On April 27, 2010, we amended the Payner Agreement to provide for:

- a term of 36 months beginning on January 1, 2010 and subject to an Evergreen Extension;
- annual cost of living adjustments to Ms. Payner's annual base salary thereunder, based on adjustments to the United States Consumer Price Index, beginning on January 1, 2011;
- payment of an annual performance bonus based upon the achievement of one or more targets to be set for each fiscal year by the Compensation Committee in its sole discretion, and subject to a pro rata adjustment for underachievement or overachievement of the targets within limits determined by the Compensation Committee in its sole discretion, provided that such bonus shall not be in limitation of additional discretionary bonuses; and
- the immediate vesting of one-half of any unvested stock options granted to Ms. Payner which are outstanding as of the date of a change of control (as defined in the Payner Agreement) and have not yet vested, with the remaining one-half of such unvested stock options vesting on the earliest to occur of: (a) the scheduled vesting date and (b) 12 months from the date of the change of control.

Kara B. Jenny

On March 19, 2008, we entered into an amended and restated employment agreement (which we refer to in this Proxy Statement as the Jenny Agreement) with Kara Jenny providing for her service as our Chief Financial Officer. The Jenny Agreement amends and restates the earlier employment agreement between us and Ms. Jenny, which covered her service as our Vice President of Finance and was set to expire in June 2008.

Pursuant to the Jenny Agreement, Ms. Jenny is entitled to an annual base salary of \$250,000, subject to increases in the sole discretion of the Compensation Committee. Ms. Jenny is eligible to receive an annual performance bonus in

an amount determined by the Compensation Committee in its sole discretion. The terms applicable to Ms. Jenny's annual performance bonus for fiscal 2009 are described above under the caption "Bonus Plan." During the term of the Jenny Agreement, Ms. Jenny shall be eligible to participate in all of our medical and other employee benefit plans on the same terms and conditions as those offered to our other senior executive officers; additionally, we shall provide Ms. Jenny with an annual allowance of \$10,000 for the purchase of life insurance and disability insurance. The Jenny Agreement provided for a one-time grant to Ms. Jenny of incentive stock options under our 2005 Stock Incentive Plan to purchase 20,000 shares of Common Stock at an exercise price equal to the fair market value on the date of grant. Such options vest in 36 equal monthly installments, subject to accelerated vesting in the event that her employment is terminated following a Change of Control (as defined in the Jenny Agreement).

Pursuant to the Jenny Agreement, if Ms. Jenny's employment is terminated without cause (as defined in the Jenny Agreement) or as a result of a constructive termination (as defined in the Jenny Agreement), she would be entitled to receive her base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not

yet paid, as well as her then-current base salary for 180 days from the date of termination. In addition, if Ms. Jenny's employment is terminated without cause or as a result of a constructive termination, we shall maintain in effect any of our medical and dental insurance and hospitalization plans as well as any Company sponsored life insurance policy in which Ms. Jenny participates as of the date of such termination for one year from the date of termination.

In the event that Ms. Jenny would be subject to tax under Section 4999 of the Code, the payments to her under the Jenny Agreement will be reduced to the maximum amount that she could receive without being subject to such tax. Ms. Jenny is subject to certain covenants under the Jenny Agreement, including a non-competition and non-solicitation covenant covering the term of her employment and an additional period of two years thereafter.

On April 27, 2010, we amended the Jenny Agreement to provide for:

- a term of 36 months beginning on January 1, 2010 and subject to an Evergreen Extension;
- an increase to Ms. Jenny's annual base salary from \$250,000 to \$300,000;
- the immediate vesting of one-half of any unvested stock options granted to Ms. Jenny which are outstanding as of the date of a change of control (as defined in the Jenny Agreement) and have not yet vested, with the remaining one-half of such unvested stock options vesting on the earliest to occur of: (a) the scheduled vesting date and (b) 12 months from the date of the change of control.

Bradford Matson

On August 31, 2009, we entered into an employment agreement (which we refer to in this Proxy Statement as the Matson Agreement) with Bradford Matson providing for his service as our Chief Marketing Officer. The Matson Agreement has a term ending on September 30, 2012.

Pursuant to the Matson Agreement, Mr. Matson is entitled to an annual base salary of \$350,000, subject to increases in the sole discretion of the Compensation Committee. Mr. Matson is eligible to receive an annual performance bonus in an amount determined by the Compensation Committee in its sole discretion. During the term of the Matson Agreement, Mr. Matson shall be eligible to participate in all of our medical and other employee benefit plans on the same terms and conditions as those offered to other senior executive officers of the Company. The Matson Agreement provided for a one-time grant to Mr. Matson of incentive stock options under the Company's 2005 Stock Incentive Plan to purchase 10,000 shares of Common Stock at an exercise price equal to the fair market value on the date of grant. Such options vest in 36 equal monthly installments, subject to accelerated vesting in the event that his employment is terminated without cause or as a result of a constructive termination (as each such term is defined in the Matson Agreement).

Pursuant to the Matson Agreement, if Mr. Matson's employment is terminated without cause (as defined in the Matson Agreement) or as a result of a constructive termination (as defined in the Matson Agreement), he would be entitled to receive his base salary through the date of termination, plus unreimbursed business expenses and bonuses that have been earned and awarded but not yet paid, as well as his then-current base salary for 180 days from the date of termination. In addition, if Mr. Matson's employment is terminated without cause or as a result of a constructive termination, we shall maintain in effect our medical and dental insurance and hospitalization plans as well as any Company sponsored life insurance policy in which Mr. Matson participates as of the date of such termination for one year from the date of termination.

In the event that Mr. Matson would be subject to tax under Section 4999 of the Code, the payments to him under the Matson Agreement will be reduced to the maximum amount that he could receive without being subject to such

tax. Mr. Matson is subject to certain covenants under the Matson Agreement, including a non-competition and non-solicitation covenant covering the term of his employment and an additional period of two years thereafter.

(5) Mr. Kairouz was appointed to the Board in December 2009.

(6) Includes a one-time bonus of \$10,000 approved by the Compensation Committee in January 2010, as described below.

Our independent, outside non-employee directors (other than Messrs. Ciampi, Janke, Kairouz, Moszkowski and Wassong who are designated under the Voting Agreement and Mr. Erdos who is a former employee of the Company) are paid a cash stipend of \$1,500 for each board or committee meeting attended in person (and, in the case of the

Audit Committee Chairman, \$2,000 per audit committee meeting) and are reimbursed for expenses incurred on behalf of the Company. In addition, each such director is paid an annual retainer of \$10,000 at the first regularly scheduled Board meeting of each fiscal year. The maximum aggregate stipend and retainer paid to any such director in a year is \$16,000 (or, in the case of the Audit Committee Chairman, \$18,000). In March 2009, in order to assist our efforts to maintain the best liquidity position possible, the Board unanimously agreed that annual retainers would be suspended (other than the retainer paid to Mr. Helfand for 2009) until such time as the Board deemed appropriate. In January 2010, the Compensation Committee approved the payment of a one-time bonus of \$10,000 to each of our independent directors that did not receive an annual retainer for 2009 (i.e., Ms. Jackson and Messrs. Miller and Plesner). In March 2010, the Board reinstated the annual retainers, but provided that such retainers would be paid in four quarterly installments at each of the four regularly scheduled meetings of the Board during the year. In addition, the Board approved the payment of a one-time bonus of \$7,500 to Mr. Miller in recognition of his years of service to the Company.

Under the terms of the 2005 Stock Incentive Plan, each non-employee director (including Messrs. Ciampi, Janke, Kairouz, Moszkowski and Wassong but excluding Mr. Erdos, who is a former employee of the Company) receives a one-time grant of 1,125

shares of Restricted Stock (1,875 shares in the case of the Chairman of the Board and 1,500 shares in the case of the Chairman of the Audit Committee) at the time of the first regularly scheduled Board meeting after such director is appointed to the Board and an annual restricted stock grant of 750 shares of Restricted Stock (1,500 shares in the case of the Chairman of the Board and 937 shares in the case of the Chairman of the Audit Committee) at the first regularly scheduled Board meeting of each fiscal year (even if such director is receiving a restricted stock grant in connection with his or her appointment at such meeting). All such restricted stock grants vest on the one year anniversary of the date of grant.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten-percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) reports they file. Based solely on a review of the copies of such reports furnished to us during or with respect to fiscal 2009, or written representations that no Forms 5 were required, we believe that during the fiscal year ended December 31, 2009 all Section 16(a) filing requirements applicable to our officers, directors and greater than ten-percent beneficial owners were complied with.

PROPOSAL NO. 2

APPROVAL OF THE PLAN AMENDMENT

On April 16, 2010, the Board of Directors approved the Plan Amendment, an amendment to the Plan, subject to stockholder approval, which would increase the aggregate number of shares of Common Stock that may be the subject of stock-based awards granted pursuant to the Plan (which we refer to in this Proxy Statement as the Authorized Equity Award Shares) by an additional 1,586,392 shares.

The Company currently has 39 officers and key employees and 10 non-employee directors participating in the Plan. As of April 28, 2010, awards with respect to 1,978,239 shares of Common Stock had been granted and remain outstanding under the Plan, and Options to purchase 438,294 shares of Common Stock under the Plan had been exercised resulting in 917,325 shares remain available for future issuance under the Plan.

The Board of Directors recommended that the Plan Amendment be presented to the Company's stockholders for approval. The Board of Directors adopted the Plan Amendment to allow future grants under the Plan necessary for the Company to remain competitive in its recruiting efforts and for the Company to retain existing executives and other key employees and directors. In determining the appropriate size of the increase to the number of shares issuable under the Plan, the Board of Directors took into account the current awards outstanding as well as the Company's future hiring plans.

If the stockholders fail to approve the Plan Amendment, the Company would likely be severely constrained in its ability to attract and retain executives, other key employees, consultants and directors, and in motivating and retaining skilled management personnel and directors necessary for the Company's success.

A copy of the Amendment No. 2 to the Amended and Restated 2005 Stock Incentive Plan, to take effect if the Plan Amendment is approved, is attached hereto as Annex A.

Summary of the Plan

The following is a summary of the material provisions of the Plan.

Administration; Eligibility; Shares Available for Issuance; Limitations on Issuance. The Plan is administered by the Compensation Committee. The Compensation Committee is authorized from time to time to select and to grant awards under the Plan to such key employees, non-employee directors, contractors and consultants of the Company and its subsidiaries as the Compensation Committee, in its discretion, selects. The Compensation Committee is authorized to delegate any of its authority under the Plan (including the authority to grant awards) to such executive officers of the Company as it thinks appropriate and is permitted by Rule 16b-3 of the Exchange Act and Section 162(m) of the Code.

Shares granted under the Plan will be made available from unissued Common Stock or from Common Stock held in treasury. The aggregate number of shares of Common Stock presently authorized for issuance under the Plan is equal to 2,431,103 shares of Common Stock, plus any shares that became available after February 17, 2005 under the Prior Plans as a result of awards that lapsed or were terminated. The Plan, as currently in effect, also imposes the following limitations on awards issued under the Plan: (i) the maximum number of shares of Common Stock that may be granted as awards granted to any participant in any fiscal year shall not exceed 5,000,000 shares; (ii) the maximum amount of cash or cash payments that may be granted as awards in any fiscal year shall not exceed \$2,000,000; and (iii) the maximum number of dividend rights that may be granted as awards to any participant in any

fiscal year shall not exceed dividend rights with respect to 2,000,000 shares. The shares of Common Stock subject to the Plan and each limit are subject to adjustment in the event of certain changes of capitalization as set forth in Section 8(a) of the Plan.

Options. The Plan authorizes the Compensation Committee to grant to participants options to purchase Common Stock, which may be in the form of a non-statutory stock option or, if granted to an employee, in the form of an Incentive Stock Option (which we refer to in this Proxy Statement as an ISO). The terms of all ISOs issued under the Plan will comply with the requirements of Section 422 of the Code. The exercise price of options granted under the Plan may not be less than 100% of the fair market value of the Common Stock at the time the option is granted. The Compensation Committee will determine the time an option may be exercised in whole or in part, the method of exercise, method of settlement, form of consideration payable, method of delivery and whether a stock appreciation right will be granted in tandem with other awards.

Stock Appreciation Rights. The Plan authorizes the Compensation Committee to grant to participants stock appreciation rights. A stock appreciation right entitles the grantee to receive upon exercise, the excess of (a) the fair market value of a specified number of shares of Common Stock at the time of exercise over (b) the fair market value of the Common Stock at the time the stock appreciation right was granted. The Compensation Committee will determine the time a stock appreciation right may be exercised in whole or in part, the method of exercise, method of settlement, form of consideration payable, method of delivery and whether a stock appreciation right will be granted in tandem with other awards.

Deferred Stock Units. The Plan authorizes the Compensation Committee to grant to participants deferred stock units. A deferred stock unit is an award that entitles a participant to elect, at the discretion of the Compensation Committee, to defer receipt of all or a portion of a bonus, or a stock-based award or cash payment made pursuant to the Plan. No Common Stock will be issued at the time a deferred stock unit is granted. Rather, the Company will establish an account for the participant and will record in such account the number of deferred stock units granted to such participant (which units will be valued initially based upon the then-fair market value of the Common Stock). The Compensation Committee will also determine whether and to what extent to credit to the account of, or to pay currently to, each recipient of a deferred stock unit, an amount equal to any dividends paid by the Company during the period of deferral with respect to the corresponding number of shares of Common Stock.

Restricted Stock. The Plan authorizes the Compensation Committee to grant to participants restricted Common Stock with such restriction periods, restrictions on transferability, and performance goals as the Compensation Committee may designate at the time of grant. Restricted stock may not be sold, assigned, transferred, pledged or otherwise encumbered during the restriction period. Other than the restrictions on transfer, a participant will have all the rights of a holder of the shares of Common Stock, representing the restricted stock, including the rights to all distributions (including regular cash dividends) made or declared with respect to the restricted stock. If any such dividends are distributed in stock, the stock will be subject to restrictions and a risk of forfeiture to the same extent as the restricted stock with respect to which the stock has been distributed. Restricted stock will be forfeitable to the Company upon a participant's termination of employment during the applicable restricted period. The Compensation Committee, in its discretion, may accelerate the time at which restrictions or forfeiture conditions will lapse, or may remove any performance goal requirement upon the death, disability, retirement or otherwise of a participant.

Non-Employee Director Restricted Stock Awards. Under the Plan, each non-employee director receives a one-time grant of 1,125 shares of Restricted Stock (1,875 shares in the case of the Chairman of the Board and 1,500 shares in the case of the Chairman of the Audit Committee) at the time of the first regularly scheduled Board meeting after such director is appointed to the Board and an annual restricted stock grant of 750 shares of Common Stock (1,500 shares in the case of the Chairman of the Board and 937 shares in the case of the Chairman of the Audit Committee) at the first regularly scheduled Board meeting of each fiscal year (even if such director is receiving a restricted stock grant in connection with his or her appointment at such meeting). The Plan also permits the Compensation Committee to substitute an award of equivalent fair market value for any award that a non-employee director would otherwise receive pursuant to the formula grants described above.

Cash Payments. The Plan authorizes the Compensation Committee, subject to limitations under applicable law, to grant cash payments to participants. These may be granted separately or as a supplement to any stock-based award.

Dividend Rights. The Plan authorizes the Compensation Committee to grant dividend rights to participants, which rights entitle a participant to receive the dividends on Common Stock to which the participant would be entitled if the participant owned the number of shares of Common Stock represented by the dividend rights. Dividend rights may be granted separately or in tandem with any other awards. If a dividend right is granted in tandem with another award, it will lapse, expire or be forfeited simultaneously with the lapse, expiration or forfeiture of the tandem award.

award. If the dividend right is granted separately, it will lapse, expire or be forfeited as the Compensation Committee determines.

Other Stock-Based Awards. To permit the Compensation Committee the flexibility to respond to future changes in compensation arrangements, the Plan authorizes the Compensation Committee, subject to limitations under applicable law, to grant to participants such other stock-based awards as deemed by the Compensation Committee to be consistent with the purposes of the Plan. The Compensation Committee may determine the terms and conditions of such stock-based awards.

Loans. Subject at all times to laws and regulations and other binding obligations or provisions applicable to the Company, including but not limited to the Sarbanes-Oxley Act of 2002, the Plan authorizes the Compensation Committee, on behalf of the Company, to make, guarantee or arrange for a loan or loans to participants with respect to the exercise of any option or other payment in connection with any award, including the payment by a participant of any or all federal, state or local income or other taxes due in connection with any award. The terms and conditions of each loan, including the interest rates, maturity date and whether the loan will be secured or unsecured will be established by the Compensation Committee.

Terms of Awards. The term of each award will be determined by the Compensation Committee at the time each award is granted, provided that the terms of options, stock appreciation rights and dividend rights may not exceed ten years. Awards granted

under the Plan generally will not be transferable, except by will and the laws of descent and distribution. However, the Compensation Committee may grant awards to participants (other than ISOs) that may be transferable without consideration to immediate family members (i.e., children, grandchildren or spouse), to trust for the benefit of such immediate family members and to partnerships in which such family members are the only partners.

Award Agreements. All awards granted under the Plan will be evidenced by a written agreement that may include such additional terms and conditions not inconsistent with the Plan as the Compensation Committee may specify. Award agreements are not required to contain uniform terms or provisions.

Term of the Plan; Amendment and Adjustment. No awards may be granted under the Plan after February 16, 2015. The Plan may be terminated by the Board of Directors at any time, but the termination of the Plan will not adversely affect awards that have previously been granted. In addition, the Board of Directors may amend, alter, suspend, discontinue or terminate the Plan or the Compensation Committee's authority to grant awards under the Plan without the consent of the Company's stockholders or participants, except that any such amendment, alteration, suspension, discontinuation or termination shall be subject to the approval of the Company's stockholders within one year after such Board action if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Common Stock may then be listed or quoted. The Plan may be considered to be a "nonqualified deferred compensation plan" under newly enacted Section 409A of the Code. Therefore, it is expected that the Board of Directors will exercise its authority to amend the Plan to comply with forthcoming rules implementing Section 409A of the Code, and those amendments are not likely to require approval by the Company's stockholders.

New Plan Benefits

The benefits to be received by or allocated to our executive officers, non-employee directors and key employees as a result of the increase in the number of Authorized Benefit Shares are not determinable since the Compensation Committee has made no decisions regarding the allocation of the Management Option Pool or the issuance of any other awards from such increase.

Federal Income Tax Consequences

The following discussion is intended to provide only a general outline of the federal income tax consequences of participation in the Plan and the receipt of equity awards or payments thereunder to participants subject to U.S. income taxes. It does not address any other taxes imposed by the United States, taxes imposed by any state or political subdivision thereof or foreign jurisdiction, or the tax consequences applicable to participants who are not subject to U.S. income taxes. As a consequence, the discussion does not purport to be a complete analysis of all potential tax consequences relevant to participants and the Company, and is based on federal income tax law and interpretational authorities as of the date of this Proxy Statement, which are subject to change at any time.

Options. The grant of an option to purchase Common Stock will have no tax consequences for the participant or the Company. A participant will have no taxable income upon exercise of an ISO, except that the alternative minimum tax may apply. Upon the exercise of a non-statutory stock option, a participant generally must recognize ordinary income equal to the fair market value of the Common Stock acquired upon exercise of the option minus the exercise price.

Gain realized upon a disposition of the Common Stock acquired pursuant to the exercise of an ISO will be taxed as long-term capital gain if the participant holds the shares of Common Stock for at least two years after the date the ISO was granted and for one year after the date of the ISO was exercised. Upon a disposition of Common Stock acquired by exercise of an ISO before the end of the applicable ISO holding periods, the participant generally must recognize ordinary income equal to the lesser of (1) the fair market value of the Common Stock at the date of exercise of the ISO minus the exercise price or (2) the amount realized upon the disposition of the Common Stock acquired upon exercise of the ISO minus the exercise price.

The Company will not be entitled to any tax deduction with respect to an ISO if the participant holds the Common Stock acquired pursuant to the exercise of the ISO for the ISO holding periods.

Stock Appreciation Rights. As with an option, the grant of a stock appreciation right will have no tax consequences for the participant or the Company. Upon exercise of a stock appreciation right, a participant generally must recognize ordinary income equal to the fair market value of the Common Stock acquired over the grant price of the stock appreciation right at the time the stock appreciation right was granted.

Deferred Stock Units. A participant who is granted a deferred stock unit will not recognize any compensation income upon the grant or the vesting of the deferred stock unit, although if the deferred stock unit vests prior to delivery of such award, the deferred stock unit will be subject to employment tax, but not federal income tax, on the applicable vesting dates. The participant will recognize ordinary income equal to the amount of cash and the fair market value of the Common Stock delivered to the participant in settlement of the deferred stock units.

Restricted Stock. A participant normally will not recognize taxable income and the Company will not be entitled to a deduction upon the grant of restricted Common Stock. When the Common Stock vests, the participant will recognize ordinary income in an amount equal to the fair market value of the Common Stock that vests at that time less the amount, if any, paid for the Common Stock. However, a participant may elect to recognize ordinary income in the year the Common Stock is granted in an amount equal to the excess of the fair market value of the Common Stock at the grant date, determined without regard to certain restrictions, over the amount, if any, paid for the Common Stock. Any gain or loss recognized by the participant upon the subsequent disposition of the Common Stock will be taxed as short-term or long-term capital gain but will not result in any further deduction for the Company.

Cash and Dividend Payments. A participant will recognize ordinary income upon receipt of any cash pursuant to any award, including as a dividend right.

Generally, and except as noted above with respect to ISOs, the Company should be able to claim an income tax deduction at the time the participant recognizes the income attributable to an award in an amount equal to the income recognized by the participant, subject to Section 162(m) of the Code applicable to awards payable to covered employees and awards which vest or become payable to a participant who is a “disqualified individual” and that constitute an “excess parachute payment” within the meaning of Section 280G of the Code by reason of a change of control.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE PLAN AMENDMENT.

Interest Of Certain Persons In Matters To Be Acted Upon

Each of Messrs. Helfand, Moszkowski and Plesner, the Company's non-employee directors who were not designated pursuant to the Voting Agreement, is entitled to an annual restricted stock grant pursuant to the Plan as described under the caption "Executive Compensation – Compensation of Directors." Therefore, these directors have an interest in the approval of the Plan Amendment as the issuance of any such grant in the future will be subject to the availability of a sufficient number of shares of Common Stock authorized for issuance (but not yet issued) under the Plan. Further, although the Company cannot currently determine the number of shares subject to awards that may be granted in the future to executive officers or non-employee directors, each of the Company's executive officers and non-employee directors has an interest in the approval of the Plan Amendment in so far as they are likely to be recipients of future stock-based awards under the Plan.

Certain Relationships and Related Transactions

Review and Approval of Related Person Transactions

Our Code of Ethics and Standards of Business Conduct applies to all directors and employees (including our named executive officers). Under the Code of Ethics and Standards of Business Conduct, all employees are required to take all reasonable efforts to identify actual or potential conflicts of interest between Company interests and their personal or professional relationships and to bring such conflicts to the attention of our counsel. Members of the Board who have any personal interest in a transaction upon which the Board passes are required to disclose such interest to the other directors and to recuse themselves from participation in any decision in which there is a conflict between their personal interests and our interests.

Our Audit Committee reviews any related party transaction and transactions involving conflicts of interest with officers and directors whenever possible in advance of the creation of such transaction or conflict, unless either the Compensation Committee or a another committee of the Board, consisting of independent directors has previously reviewed such transaction.

Related Person Transactions

Except as described below, we are not aware of any transactions since the beginning of our last fiscal year or any proposed transactions in which the Company was or is a party, in which the amount involved exceeded \$120,000 and in which a director, director nominee, executive officer, holder of more than 5% of our Common Stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

Private Placement Transaction

Habib Kairouz, one of the managing members of Rho Capital Partners, LLC, the managing member of RMV of which is the general partner of Rho, is a member of our Board. In December 2009, Rho entered into the Securities Purchase Agreement pursuant to which Rho purchased 2,786,337 shares of our Common Stock from us at the Initial Closing for an aggregate purchase price of approximately \$4,737,000. Pursuant to the terms of the Securities Purchase Agreement, we sold an additional 6,037,192 shares of our Common Stock to Rho at the Second Closing of the Private Placement for an aggregate purchase price of approximately \$10,263,000. The Review and Approval procedures relating to Related Person Transactions do not apply to the approval of the issuance of securities to Rho in the Private Placement transactions as such issuances were approved by the Board prior to Rho becoming a 5% stockholder and Mr. Kairouz's election to the Board.

Conversion of Notes

The Soros Parties and the Maverick Parties are holders of greater than 5% of our Common Stock. In March 2008, we entered into an agreement (which we refer to in this Proxy Statement as the Commitment) with the Soros Parties and the Maverick Parties pursuant to which they agreed to provide up to \$3 million of debt financing to us, on a standby basis, during fiscal 2008, provided that the commitment amount would be reduced by the gross proceeds of any equity financing consummated by us during that year. We drew down the Commitment in July 2008, which was evidenced by the issuance of the Notes. The Notes were converted into an aggregate of 1,764,706 shares of Common Stock at the Initial Closing and as a condition thereto. Pursuant to the conversion of the Notes, the Soros Parties converted Notes with an aggregate principal amount of approximately \$1,869,000 into 1,099,235 shares of Common Stock and the Maverick Parties converted Notes with an aggregate principal amount of approximately \$1,131,000 into 665,471 shares of Common Stock. The Soros Parties beneficially owned approximately 38% of the outstanding Common Stock prior to the Initial Closing and currently own approximately 25% of the outstanding Common Stock. The Maverick Parties beneficially owned approximately 24% of the outstanding Common Stock prior to the Initial Closing and currently own approximately 15% of the outstanding Common Stock. The Soros Parties have designated two members of the Board and the Maverick Parties have designated one member of the Board. The Soros Parties and the Maverick Parties will continue to have Board designation rights following the

Second Closing, subject to certain conditions. The issuance of the Notes to the Soros Parties and the Maverick Parties, and the conversion provisions thereof, were previously approved by the independent directors of the Board.

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has selected Weiser LLP (which we refer to in this Proxy Statement as Weiser) as the independent registered public accounting firm for the fiscal year ending December 31, 2010. The Company's financial statements for the 2009 fiscal year were audited by Weiser. The Company's financial statements for the 2008 fiscal year were audited by PricewaterhouseCoopers LLP (which we refer to in this Proxy Statement as PwC).

A representative from Weiser will be present at the meeting, will be provided the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions from stockholders.

Changes In Certifying Accountant

Previous Independent Registered Public Accounting Firm

On June 3, 2009, the Company dismissed PwC as the Company's independent registered public accounting firm. The Audit Committee approved the dismissal of PwC on that date.

During the years ended December 31, 2008 and 2007 and through June 3, 2009, there were no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused them to make reference thereto in their reports on the financial statements for such years.

In addition, for the years ended December 31, 2008 and 2007, the reports of PwC on the Company's financial statements did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principle. There were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K) for the years ended December 31, 2008 and 2007 and through June 3, 2009.

The Company requested that PwC furnish it with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements under the caption "Previous Independent Registered Public Accounting Firm." PwC furnished such a letter, dated June 16, 2009, a copy of which was filed as Exhibit 16.1 to the Company's Form 8-K/A filed on June 16, 2009.

New Independent Registered Public Accounting Firm

On June 3, 2009, the Audit Committee approved the appointment of Weiser as the Company's independent registered public accounting firm for the year ending December 31, 2009 and Weiser was subsequently engaged as the Company's independent registered public accounting firm on June 4, 2009.
