The common stock of Kraton Performance Polymers, Inc. (“Kraton”) is listed for trading on the New York Stock Exchange (“NYSE”). Section 303A.07(a) of the NYSE Listed Company Manual provides that if an audit committee member simultaneously serves on the audit committees of more than three public companies, the board of directors of the listed company must determine that such simultaneous service would not impair the ability of such member to effectively serve on the listed company’s audit committee and must disclose such determination either on the listed company’s website or in its proxy statement for its annual meeting of stockholders. Please see “Director Biographies,” which is located in the Board of Directors subsection in the *Our Company* section on Kraton’s website, www.kraton.com for a brief biography of Mr. Kalman.
