Proxy Statement for Annual Meeting of

Shareholders to be Held on May 25, 2017

INTRODUCTION

Date, Time, and Place of Meeting

The Annual Meeting of Shareholders of The First Bancshares, Inc. (the "Company"), the holding company for The First, A National Banking Association (the "Bank") will be held at The University of Southern Mississippi, Scianna Hall, 118 College Drive, Hattiesburg, MS, on Thursday, May 25, 2017, at 11:30 a.m. Central Time, or any adjournment(s) thereof (the "Meeting"), for the purpose of considering and voting upon the matters set out in the foregoing Notice of Annual Meeting of Shareholders. This Proxy Statement is furnished to the shareholders of the Company in connection with the solicitation by the Board of Directors of proxies to be voted at the Meeting. This Proxy Statement summarizes the information that you need to know in order to cast your vote at the Meeting. You do not need to attend the Meeting in person to vote your shares of our common stock.

If you plan to attend the Meeting in person, please bring proper identification and, if your shares of our common stock are held in "street name", meaning a bank, broker, trustee or other nominee is the shareholder of record of your shares, please bring acceptable proof of ownership, which is either an account statement or a letter from your bank, broker, trustee or other nominee confirming that you beneficially owned shares of our common stock on the record date, March 31, 2017. You can obtain directions to the Meeting by contacting Chandra Kidd at 601-268-8998.

In accordance with the rules of the U.S. Securities and Exchange Commission (the SEC), we are permitted to furnish proxy materials, including this proxy statement and our 2016 annual report, to shareholders by providing access to these documents online instead of mailing printed copies. Most shareholders will not receive printed copies of the proxy materials unless requested. Instead, most shareholders will only receive a notice that provides instructions on how to access and review our proxy materials online. If you would like to receive a printed or emailed copy of our proxy materials free of charge, please follow the instructions set forth in the notice that was mailed to you to request

the materials. This Proxy Statement is available to you online at www.edocumentview.com/FBMS.

The mailing address of the principal executive office of the Company is Post Office Box 15549, Hattiesburg, Mississippi, 39404-5549.

The approximate date on which this Proxy Statement and form of proxy are first being mailed or made available to shareholders is April 12, 2017.

Record Date; Voting Rights; Quorum; Matters to Be Considered at the Meeting; Vote Required

The record date for determining holders of outstanding stock of the Company entitled to notice of and to attend and vote at the Meeting is March 31, 2017 (the "Record Date"). Only holders of our common stock of record on the books of the Company at the close of business on the Record Date are entitled to notice of and to attend and vote at the Meeting or at any adjournment or postponement thereof. As of the Record Date, there were 9,144,412 shares of our common stock issued and outstanding, each of which is entitled to one vote on all matters. Shareholders do not have cumulative voting rights.

Under Mississippi law and our by-laws, the holders of a majority of our common stock issued and outstanding and entitled to vote, present in person or represented by proxy, will constitute a quorum at the Meeting. The inspector of election will determine whether a quorum is present at the annual meeting. If you are a beneficial owner (as defined below) of shares of our common stock and you do not instruct your bank, broker, trustee or other nominee how to vote your shares on any of the proposals, and your bank, broker, trustee or nominee submits a proxy with respect to your shares on a matter with respect to which discretionary voting is permitted, your shares will be counted as present at the Meeting for purposes of determining whether a quorum exists. In addition, shareholders of record who are present at the annual meeting in person or by proxy will be counted as present at the Meeting for purposes of determining whether a quorum exists, whether or not such holder abstains from voting on any or all of the proposals. Also, a “withhold” vote with respect to the election of a director nominee will be counted for purposes of determining whether there is a quorum at the Meeting, but will not be considered to have been voted for the director nominee.

At the Meeting, you will be asked to (1) elect three Class I director nominees and one Class II director nominee; (2) ratify the appointment of the independent registered public accounting firm of the Company; (3) approve, on an advisory basis, the compensation of our named executive officers; (4) approve, on an advisory basis, the frequency of future votes on the compensation of our named executive officers; and (5) consider any other matter that properly comes before the Meeting.

The Board of Directors recommends that you vote:

- **FOR** the election of three Class I director nominees and one Class II director nominee recommended by the Board of Directors in this proxy statement;
- **FOR** the ratification of the appointment of the independent registered public accounting firm of the Company;
- **FOR** the approval, on an advisory basis, of the compensation of our named executive officers; and
- In favor of holding an advisory vote on the compensation of our named executive officers **EVERY YEAR**.

We do not expect any matters to be presented for action at the Meeting other than the matters described in this Proxy Statement. However, if any other matter does properly come before the annual meeting, each of the proxy holders will vote any shares of our common stock, for which he holds a proxy to vote at the annual meeting, in his discretion. However, by signing, dating and returning a proxy card or submitting your proxy and voting instructions via the Internet or telephone, you will give to the persons named as proxies discretionary voting authority with respect to any matter that may properly come before the Meeting, and they intend to vote on any such other matter in accordance with their best judgment.

Our directors are elected by a plurality of the votes cast. This means that the candidates receiving the highest number of “FOR” votes will be elected. Under our By-Laws, to decide any other matters that come before the Meeting the votes cast in favor of the matter must exceed the votes cast against the matter, unless a different vote is required by law, the Articles of Incorporation or the By-Laws. With respect to Proposal No. 4, although the vote is non-binding, the Board of Directors will consider the shareholders to have “approved” the frequency selected by a plurality of the votes cast; that is, the frequency receiving the highest number of affirmative votes.

Submitting Proxies and Voting Instructions

If your shares of our common stock are registered directly in your name with our transfer agent, Computershare Shareowner Services LLC, you are the shareholder of record of those shares and these proxy materials have been mailed to you by the Company, as applicable. You may submit your proxy and voting instructions via the Internet, telephone or by mail as further described below. Your proxy, whether submitted via the Internet, telephone or by mail, authorizes M. Ray (Hoppy) Cole, Jr. to act as your proxy at the Meeting, with the power to appoint his substitute, to represent and vote your shares of our common stock as you directed, if applicable.

Submit Your Proxy and Voting Instructions via the Internet or over the telephone

§ You may submit your proxy and voting instructions via the Internet or telephone until 1:00 a.m. Central Time on May 24, 2017.

§ Please have your proxy card available and follow the instructions on the proxy card.

Submit Your Proxy and Voting Instructions by Mail

§ Complete, date and sign your proxy card and return it in the postage-paid envelope provided.

§ If you are signing in a representative capacity (for example as guardian, executor, trustee, custodian, attorney or officer of a corporation), you should indicate your name and your title or capacity.

§ Your proxy card must be received prior to May 25, 2017 in order for your shares to be voted.

§ Proxy cards should be returned to Proxy Services, C/O Computershare Investor Services, P. O. Box 30202, College Station, TX 77842-9909.

If you submit your proxy and voting instructions via the Internet or telephone, you do not need to mail your proxy card. The proxies will vote your shares of our common stock at the Meeting as instructed by the latest dated proxy received from you, whether submitted via the Internet, telephone or by mail. You may also vote in person at the annual meeting.

If your shares of our common stock are held in a stock brokerage account by a bank, broker, trustee or other nominee, you are considered the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by your bank, broker, trustee or other nominee that is considered the shareholder of record of those shares. As the beneficial owner, you have the right to direct your bank, broker, trustee or other nominee on how to vote your shares of our common stock via the Internet or by telephone, if the bank, broker, trustee or other nominee offers these options or by completing, signing, dating and returning a voting instruction form. Your bank, broker, trustee or other nominee will send you instructions on how to submit your voting instructions for your shares of our common stock.

Shares of common stock represented by properly executed proxies, unless previously revoked, will be voted at the Meeting in accordance with the directions therein. If a properly executed proxy is submitted but no voting instruction are specified, such shares will be voted as the Board of Directors recommends, namely FOR each director nominee listed in this Proxy Statement, FOR the ratification of the appointment of the independent registered public accounting firm, FOR the approval, on an advisory basis, of the compensation of our named executive officers and in favor of holding an advisory vote on the compensation of our named executive officers EVERY YEAR, and in the discretion of the person named in the proxy with respect to any other business that may come before the Meeting.

Unless a new record date is fixed, your proxy will still be valid and may be used to vote shares of our common stock at the postponed or adjourned annual meeting.

A proxy may be revoked by a shareholder at any time prior to the exercise thereof by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a later date. A proxy shall also be revoked if the shareholder is present and elects to vote in person or notifies the Secretary of the Company in writing at the Meeting of your wish to revoke your proxy. Your attendance alone at the Meeting will not be enough to revoke your proxy.

Broker-Non-Votes

If you properly complete, sign, date and return a proxy card or voting instruction form, your shares of our common stock will be voted as you specify. If you are a shareholder of record and you make no specifications on your proxy card, your shares of our common stock will be voted in accordance with the recommendations of the Board of Directors, as provided above. If you are a beneficial owner and you do not provide voting instructions to your bank, broker, trustee or other nominee holding shares of our common stock for you, your shares of our common stock will not be voted with respect to any proposal for which the shareholder of record does not have discretionary authority to vote. Rules of the New York Stock Exchange (“NYSE”) determine whether proposals presented at shareholder meetings are “discretionary” or “non-discretionary.” If a proposal is determined to be discretionary, your bank, broker, trustee or other nominee is permitted under NYSE rules to vote on the proposal without receiving voting instructions from you. If a proposal is determined to be non-discretionary, your bank, broker, trustee or other nominee is not permitted under NYSE rules to vote on the proposal without receiving voting instructions from you. A “broker non-vote” occurs when a bank, broker, trustee or other nominee holding shares for a beneficial owner returns a valid proxy, but does not vote on a particular proposal because it does not have discretionary authority to vote on the matter and has not received voting instructions from the shareholder for whom it is holding shares.

Under the NYSE rules, the proposal relating to the ratification of the appointment of the independent registered public accounting firm of the Company is a discretionary proposal. If you are a beneficial owner and you do not provide voting instructions to your bank, broker, trustee or other nominee holding shares for you, your shares may be voted with respect to the ratification of the appointment of the independent registered public accounting firm.

Under the rules of the NYSE, the proposals relating to the election of directors, the compensation of our named executive officers and the frequency of future advisory votes on the compensation of our named executive officers are non-discretionary proposals. Accordingly, if you are a beneficial owner and you do not provide voting instructions to your bank, broker, trustee or other nominee holding shares for you, your shares will not be voted with respect to these proposals. Without your voting instructions, a broker non-vote will occur with respect to your shares on each non-discretionary proposal for which you have not provided voting instructions.

EXECUTIVE OFFICER COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program

The Compensation Committee (for purposes of this analysis, the "Committee") of the Board of Directors has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The Committee ensures that the total compensation paid to the named executive officers is fair, reasonable and competitive. Generally, the types of compensation and benefits provided to the named executive officers are similar to those provided to other executive officers in publicly traded financial institutions.

On February 6, 2009, the Company became a participant in the U.S. Treasury's Troubled Asset Relief Program ("TARP") by participating in the Capital Purchase Program. On September 29, 2010, the Company refinanced the

Company's Capital Purchase Program funding into Community Development Capital Initiative funding. The Community Development Capital Initiative is also a TARP program. On December 6, 2016, the Company entered into that certain Securities Purchase Agreement, dated December 6, 2016, pursuant to which the Company repurchased all 17,123 shares of its Series CD Preferred Stock from the United States Treasury Department. Therefore, as of December 6, 2016 the Company no longer has any shares of Series CD Preferred stock issued or outstanding and no longer participates in the TARP program. Although the limitations and restrictions imposed on the Company under TARP will no longer apply to the Company going forward, because the Series CD Preferred Stock was outstanding for nearly all of 2016, The First Bancshares, Inc. and certain of the Company's employees were subject to compensation related limitations and restrictions for the period that we continued to participate in TARP (referred to herein as the "TARP Period"). The TARP compensation limitations and restrictions included the following:

Except in limited circumstances, the Company's most highly compensated employee (as determined on an annual basis) is prohibited from receiving cash bonus payments during the TARP period. Mr. Cole was subject to this limitation during 2016.

Except in limited circumstances, the Company's Named Executive Officers (NEOs) and the Company's next five most highly compensated employees (each as determined on an annual basis) are prohibited from receiving any severance payments upon a termination of employment or any payments triggered by the occurrence of a change in control.

The Company's NEOs and next 20 most highly compensated employees are subject to a "clawback" of incentive compensation if that compensation is based on materially inaccurate financial statement or performance metrics. Further, no one in this group of employees may receive any tax gross-up payment during the TARP period.

The Company is limited to an annual tax deduction of \$500,000 with respect to the compensation paid to each of the Company's NEOs.

The TARP rules further required the Company to adopt an "Excessive or Luxury Expenditure Policy." The Company's Board of Directors has complied with this requirement and the policy is located on the Company's website, www.thefirstbank.com on the Investor Relations page. It is the intent of the Company's Board of Directors that the policy remain in full force and effect for the duration of the TARP period. The policy covers, in particular, entertainment or events, office and facility renovations, aviation or other transportation services and other similar items, activities or events for which the Company may reasonably anticipate such expenditures that are not reasonable expenditures for staff development, reasonable performance incentives, or other similar reasonable measures conducted in the normal course of the Company's business operations. All of the Company's employees are required to comply with the policy. The Company's Chief Executive Officer and Chief Financial Officer are primarily accountable for ensuring adherence to the policy and for certifying that prior approval for any expenditure requiring such prior approval was properly obtained.

In addition to the foregoing limitations and restrictions, the TARP rules and regulations require the Committee to undertake a semi-annual risk assessment with respect to certain of the compensation plans, programs and arrangements maintained by the Company, regardless of whether the individual employee(s) covered by the plan, program or arrangement is a NEO. The risk assessments are intended to reduce the chance that any employee will be incentivized to take unacceptable risks in order to maximize his or her compensation under such plans, programs and arrangements.

As the TARP final rules were implemented in 2009, the Committee regularly discussed its compliance obligations with respect to the Company's executive compensation programs at each committee meeting. The Committee has depended upon guidance from the Company's legal counsel to fully interpret the extent of the application of each of these requirements in the Company's executive compensation programs.

On a related note, in June 2010, federal banking regulators issued final interagency guidance that set forth a framework for assessing the soundness of incentive compensation plans, programs and arrangements maintained by financial institutions. The guidance focuses on balanced risk-taking incentives, compatibility with effective controls and risk management, and strong corporate governance.

The Compensation Committee believes that an awareness and assessment of the impact of risk has always been, and will continue to be, a component of its analysis of executive compensation. As such, the Committee recognizes the role of risk assessment in the overall processes and procedures for establishing such executive compensation. In this regard, the Committee believes that the TARP semi-annual risk assessment and the Federal Reserve's rules will serve as a framework for reconfirming the appropriateness of the process and procedure the Committee has previously followed in reaching its decisions with respect to compensation related matters.

Throughout this proxy statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during fiscal 2016 as well as the other individuals included in the Summary Compensation Table are referred to as the "named executive officers" or "NEOs".

Compensation Philosophy and Objectives

The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company, and which aligns the interests of the executive officers with the Company's overall business strategy, values and management initiatives. The Company's compensation policies are intended to reward executives for strategic management and the enhancement of shareholder value and support a performance-oriented environment that rewards achievement of internal goals. The Company has also adopted a Compensation Philosophy that provides guidance to the Committee when making decisions surrounding the compensation of the NEOs. Our philosophy generally targets near the market (peer) median for NEO base salaries with a strong emphasis on incentive compensation programs that provide an alignment between pay and performance.

The Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of peer companies. To that end, the Committee believes in rewarding the NEOs with reasonable incentive compensation awards if Company performance meets budget and is comparable to peer group data. This is a critical piece in the compensation plan design at the Company and is realized through the ability of the NEOs to annually earn both short-term (cash) and long-term (stock-based) incentive payouts when performance justifies such awards.

Role of Executive Officers in Compensation Decisions

The Committee makes all compensation decisions for the named executive officers and approves recommendations regarding equity awards to all named executive officers of the Company. Decisions regarding the non-equity compensation of other executive officers are made by the Committee and the Chief Executive Officer.

The Committee and the Chief Executive Officer annually review the performance of each of the named executive officers (other than the Chief Executive Officer whose performance is reviewed by the Committee). The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are presented to the Committee. The Committee can exercise its discretion in modifying any recommended adjustments or awards to executives.

Setting Executive Compensation

At our annual meeting of shareholders held in 2016 and as required by the “say-on-pay” rules of the Securities and Exchange Commission, we sought the approval, on an advisory basis, of our shareholders, concerning our executive compensation program as described in the proxy statement for that meeting. A vast majority (approximately 74%) of our shareholders whose shares were present at the 2016 annual meeting and who voted (or affirmatively abstained from voting (excluding broker non-votes)) on the say-on-pay proposal voted to approve such compensation. As a result, the Compensation Committee did not implement any specific changes to our executive compensation programs as a result of the 2016 shareholder advisory vote. The Compensation Committee intends to monitor the results of this year’s “say-on-pay” proposal vote and to incorporate such results as one of many factors considered in connection with the discharge of its responsibilities, although no such factor will likely be assigned a quantitative weighting.

Based on the foregoing objectives, the Committee has structured the Company’s annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Company and reward the executives for achieving such goals. To that end, the Committee has retained Blanchard Consulting Group, an independent third party consultant to provide research for benchmarking purposes related to executive compensation. Additionally, the Company subscribes to and participates in the Mississippi Bankers Association survey, which provides the Committee with comparative compensation data from the Company’s market areas and its peer groups. This information is used by the Committee to ensure that it is providing compensation opportunities comparable to its peer group, thereby allowing the Company to retain talented executive officers who contribute to the Company’s overall and long-term success.

The services provided by the independent third-party consultant, Blanchard Consulting Group, were used as the basis of comparison of compensation between the Company and the companies in the Compensation Peer Group. Blanchard Consulting Group had no conflicts of interests.

In 2013 the Committee engaged Blanchard Consulting Group to conduct an executive total compensation review. This review focused on salary, cash compensation (salary plus bonus and/or annual cash incentive), direct compensation (cash compensation plus long-term incentives), and total compensation (direct compensation plus retirement benefits and any other compensation) for the NEOs. Results from this 2013 study were reviewed by the Committee in considering salary adjustments and executive total compensation targets for 2013, 2014, 2015 and 2016. In 2016, the Committee again utilized Blanchard Consulting Group to assess CEO base salary as compared to a peer group of eight publicly traded banks. The peer companies include the following:

- 1MSL MidSouth Bancorp Inc.
- 2FFKT Farmers Capital Bank Corp.
- 3WBHC Wilson Bank Holding Company
- 4FGBI First Guaranty Bancshares Inc.
- 5HBOS Heritage Financial Group Inc.
- 6CBAN Colony Bankcorp Inc.
- 7FFMH First Farmers and Merchants Corporation
- 8CHFNC Charter Financial Corporation

Independent Compensation Consultant

Blanchard Consulting Group is a national firm with an exclusive focus on the banking and financial services industry. Blanchard Consulting Group does not provide any services to the Company besides compensation consulting services. Blanchard Consulting Group reports directly to the Compensation Committee. The Compensation Committee and executive management utilized Blanchard Consulting Group's reports and reviews to assist with decisions during 2016 but did not solely rely on them. The ultimate decisions made by the Committee and management were a balance between internal views and strategy along with the outside perspective of our independent consultant.

Compensation Policies and Practices as They Relate to Risk Management

As participants in TARP, during 2016, the Company was subject to the executive compensation requirements of the Emergency Economic Stabilization Act of 2008 ("EESA") and as amended by the American Recovery and Reinvestment Act of 2009 ("ARRA"). In compliance therewith the Committee of the Board of Directors of the Company meets at least semi-annually to discuss and evaluate employee compensation plans in light of its assessment

of risk posed to the Company from such plans and to ensure compliance with executive compensation rules and regulations implemented under EESA and ARRA. The Committee met twice in 2016 to review the Company's compensation plans and determined that the Company had no compensation plans that would encourage manipulation of reported earnings to enhance compensation or encourage unnecessary or excessive risk-taking. The compensation plans at the Bank also use a proper balance of profitability and strategic goals (such as core deposit growth, asset quality, and audit/compliance) to ensure the officers of the Bank are focusing both on profits and strategic goals that are linked to the long-term viability of the organization. The Committee has determined that there are no compensation policies or procedures that are likely to have a material adverse effect on the Company.

In addition, the Committee has incorporated restricted stock into the compensation package for the top executive officers to tie a portion of their total compensation package to the long-term performance of the Bank. The Committee utilizes a vesting provision with these equity grants to help retain key officers and allow these amounts to be eligible for any clawback policies implemented by the Board.

2016 Executive Compensation Components

Historically, and for the fiscal year ended December 31, 2016, the principal components of compensation for named executive officers were:

• base salary;

• performance-based cash incentive bonus compensation;

• equity incentive compensation;

• retirement and other benefits; and

• perquisites and other personal benefits.

Base Salary

The Company provides named executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. When determining salary increases, the Committee uses a Compensation Philosophy that targets the median (50th percentile) of the competitive market for executives that are meeting performance expectations and the upper quartile of market (or the base salary range) for executives that are high performers or exceeding performance expectations. Base salary ranges for named executive officers are determined for each executive using market research and based on his or her position and responsibility.

During its review of base salaries for executives, the Committee primarily considers: 1) performance of the Company; 2) market data provided by the Company's outside consultants; 3) internal review of the executive's compensation, both individually and relative to other officers; and 4) individual performance of the executive. Salary levels are typically

considered annually as part of the Company's performance review process as well as upon a promotion or other change in job responsibility. Merit based increases to salaries of the named executive officers are based on the Committee's assessment of the individual's performance. The Committee recommended to the Board that the CEO's and each named executive officer's 2016 salary be disclosed in the Summary Compensation Table (shown later in this document), and the Board accepted this recommendation. The base salary adjustments for each named executive officer for 2016 (as compared to their base salaries in 2015) ranged from approximately 3.00% to 7.02% of salary.

Performance-Based Cash Incentive Bonus Compensation

The Company has established an incentive bonus compensation plan that is based upon individual performance as well as team and corporate performance. All named executive officers, except for the Chief Executive Officer, as he did not have a cash incentive plan for 2016, in the Company have unique performance goals in up to seven (7) categories. The incentive plan provides each eligible officer with a "balanced scorecard" for their short-term cash incentive award. The "balanced scorecard" establishes specific corporate and shareholder-related performance goals balanced by the officer's area of responsibility, his or her business unit, and his or her expected individual level of contribution to the Company's achievement of its corporate goals. Cash incentive payments that are authorized to be paid to eligible officers under the performance incentive plan are payable on an annual basis during the year following the year in which the services were performed and are contingent only upon such executive officer's continued employment with the Company through the date of payment.

During the first quarter of 2016, the Board (by the vote of the members of the Board who are not "interested directors" within the meaning of NASDAQ's independence rules, and at the recommendation of the Committee) established short-term cash incentive awards for executive officers as percentages of their 2016 base salary (with maximum earning opportunities that ranged from 10% to 30% of base salary, depending upon the executive). The individual measures utilized in the plan design include a balance of profitability and strategic bank goals that relate primarily to sales, service quality, regulatory compliance, timeliness, and financial goals. The particular measures on an individual's performance depend on the actions that are determined to be most important for that individual to achieve for the current year. The estimated bonus payouts are accrued throughout the year. Cash bonuses may be granted to executives at each year end depending on the achievement of performance targets that include growth, profitability, and quality control measures. The Company's Chief Executive Officer did not have a cash incentive plan during 2016. Performance goals for the NEOs included in the cash-based incentive plan for 2016 include Bank net income, loan growth, deposit growth, credit quality, audit results, compliance results, and individual performance. The Bank exceeded profitability goals and met or exceeded a majority of the department and individual goals in 2016; therefore, the cash-based annual incentive payouts for the NEOs were near the maximum payout levels for most officers.

For the year ended December 31, 2016, the following cash bonuses were awarded:

M. Ray (Hoppy) Cole, Jr.	\$0.00
Donna (Dee Dee) Lowery	27,450.00
W. Wade Neth (1)	17,039.34
Ray L. Wesson, Jr. (1)	15,759.00
Douglas Eric Waldron (1)	16,623.00

(1) W. Wade Neth, Ray L. Wesson, Jr. and Douglas Eric Waldron are executive officers of the bank and not the holding company.

Equity Incentive Compensation

2007 Stock Incentive Plan

In 2007, the Company adopted The First Bancshares, Inc. 2007 Stock Incentive Plan (the "2007 Plan"), and in 2014, the plan was amended to add an additional 300,000 shares. The 2007 Plan provides for the issuance of up to 615,000 shares of Company Common Stock, \$1.00 par value per share. Shares issued under the 2007 Plan may consist in whole or in part of authorized but unissued shares or treasury shares.

Awards of Company Common Stock under the 2007 Plan may take the form of a stock option, including an incentive stock option (a stock option which meets the applicable requirements of the Internal Revenue Code), stock appreciation rights (an award entitling a holder to receive an amount in cash, Company Common Stock, or a combination of both determined by reference to the excess of the fair market value of a specified number of shares of Company Common Stock over a specified price which shall not be less than the fair market value of such shares as of the date of the grant), restricted stock awards (a transfer of shares subject to certain restrictions on transfer or other incidents of ownership or subject to specified performance standards), dividend equivalent rights (an award entitling a holder to receive an amount in cash, Company Common Stock, or a combination of both determined by reference to the cash dividends paid on a specified number of shares of Company Common Stock from the date of grant), performance unit awards, restricted stock units or other stock-based awards (including without limitation, awards entitling recipients to receive shares of Company Common Stock to be delivered in the future) (collectively referred to as "Awards").

During the first quarter of 2016, the Board (by the vote of the members of the Board who are not "interested directors" within the meaning of NASDAQ's independence rules, and at the recommendation of the Committee) established long-term equity incentive awards for executive officers using shares of restricted stock (with maximum earning opportunities that ranged from up to 10,717 shares for the CEO and up to 4,000 shares for the other NEOs). The Committee utilized restricted stock to help preserve shares in the 2007 Plan as compared to using stock options and to have a stronger immediate retention vehicle for key officers. Similar to the cash-based annual incentive plan, a pay-for-performance approach is used to determine the amount of equity awards granted to each plan participant. The performance goals utilized in the long-term plan design are linked to both corporate and shareholder performance criteria and include bank net income, asset growth and credit quality. For each of these criteria, the maximum performance level was achieved in 2016; therefore, based upon the recommendation from the Committee, the Board approved the maximum amount of shares to be granted to each officer.

For the year ended December 31, 2016, the following restricted stock grants were awarded:

	Granted for 2016
M. Ray (Hoppy) Cole, Jr.	10,717
Donna (Dee Dee) Lowery	4,000
W. Wade Neth (1)	4,000
Ray L. Wesson, Jr. (1)	4,000
Douglas Eric Waldron (1)	4,000

As of December 31, 2016, there were a total of 197,145 restricted stock awards which have been granted under the 2007 Plan and no other type awards have been granted under the 2007 Plan.

Vesting and Retention Provisions Applicable to Equity Awards

The Company has implemented a policy that all shares granted through the 2007 Plan will include at least a three year vesting provision, unless extraordinary circumstances are determined by the Board. The Equity Awards earned beginning in 2014 (consisting of the Restricted Stock Awards) will vest and be paid, assuming the continued service of each of the holders through such vesting date, as follows: Awards will vest five years from date of grant. Vesting of such Equity Awards will be accelerated in the event of the holder's death or disability while in the service of the Company or upon such other event as determined by the Committee in its sole discretion. The Company has also implemented a double trigger change-in-control provision in the 2007 Plan where unvested shares of stock granted through the plan will be accelerated upon a change in control if the executive is terminated without cause as a result of the transaction (as long as the shares granted remain part of the Company or are transferred into the shares of the new company). Unvested shares issued as Restricted Stock Awards must be retained by the executive officer subject to the clawback and forfeiture provisions applicable to such shares, and therefore may not be sold, pledged or otherwise transferred or hedged during the vesting periods.

In addition, the Committee has established expectations for ownership of our common stock by our CEO and Corporate Officers. Under these guidelines, our CEO is expected to attain an investment position in our common shares equal to two times his or her base salary and our Corporate Officers are expected to attain an investment position in our common shares equal to one times his or her base salary. Exceptions to these ownership guidelines may be approved by Compensation Committee for good reason.

Clawback, Repricing, Underwater Grant Buyback and Hedging Policies

As a matter of policy, we expect incentive awards of executive compensation that are made on the basis of financial metrics to be structured with “clawback” provisions that would allow the Company to recoup awards under certain circumstances such as a material misstatement of financial performance. The Committee plans to include “clawback” provisions in all short-term and long-term incentives utilized in 2017.

We also have a philosophy that we will not reprice options, stock appreciation rights, or other equity awards, the value of which derives from the value of our common shares, on account of declines in our stock price, or buy back “underwater” stock options from those who hold option grants for cash. The Company’s Board has approved an amendment to the 2007 Plan to prohibit repricing of equity awards granted under the plan and to prohibit the cash buyback or exchange for other stock awards of underwater options and stock appreciation rights.

Certain transactions in the Company’s equity securities, or which are linked to the value of the Company’s equity securities, may be considered “short term” or “speculative” in nature. These transactions may create the appearance that they were based on non-public information or that the incentives of the employees are no longer aligned with, and may in fact be opposed to, the interests of the Company and its shareholders. As a result, the Board of Directors has implemented a policy that prohibits Directors and Corporate Officers from undertaking these types of transactions, including hedging, holding stock in a margin account, or pledging stock as collateral for a loan.

Retirement and Other Benefits

All employees of the Company, including named executive officers, are eligible to participate in the The First Bancshares, Inc. 401K Plan and Trust. We adopted the 401(k) plan to enable employees to save for retirement through a tax-advantaged combination of employee and Company contributions and to provide employees the opportunity to directly manage their retirement plan assets through a variety of investment options. The 401(k) plan allows eligible employees to elect to contribute up to 100% of their eligible compensation, up to the annual IRS dollar limit. Eligible compensation generally means all wages, salaries and fees for services paid by us. We contribute 50% of employee’s deferral (up to a maximum of 6%) for each eligible employee per year to their 401(k) plan. We may also elect to make a discretionary profit sharing contribution for each eligible employee. In 2016, our employer contribution was \$339,200.33, which was the employer matching contribution.

The Company sponsors an Employee Stock Ownership Plan (ESOP), which was established in 2006 for employees who have completed one year of service for the Company and attained age 21. Employees become fully vested after five years of service. Contributions to the plan are at the discretion of the Board of Directors. At December 31, 2016, the ESOP held 5,771 shares of Company common stock and had no debt obligation. In 2016 our contribution to the ESOP was \$3,000.

Supplemental Executive Retirement Plans

The named executives participate in a Supplemental Executive Retirement Plan (SERP) with the Company that provides for a supplemental retirement benefit in the fixed amount of \$164,110 for Mr. Cole, \$89,140 for Ms. Lowery,

and \$12,000 each for Mr. Neth, Mr. Wesson, and Mr. Waldron per year for fifteen years. Mr. Cole and Ms. Lowery are both 20% vested in the benefit and Mr. Neth, Mr. Wesson and Mr. Waldron are 0% vested. Amounts become payable upon their death, disability, termination of employment, or retirement. The arrangement constitutes a non-qualified deferred compensation plan. The benefit is forfeited in the event of termination for "Cause" as described in the agreement. Except in cases of death or disability, the benefit will commence on the first day of the month following their 65th birthday. This plan is in technical compliance with requirements of section 409A of the Internal Revenue Code of 1986.

Perquisites and Other Personal Benefits

The Company provides named executive officers with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers.

The named executive officers participate in the Company's broad-based employee benefit plans, such as medical, dental, supplemental disability and term life insurance programs. Some of the named executive officers are provided use of company automobiles. The vehicles are provided primarily for their business travel. Personal use is taxed through the Company's payroll process. Certain named executive officers and other members of senior management are entitled to receive a cash payment upon such executive's death through the split dollar death benefit funded by bank owned life insurance.

Attributed costs of the personal benefits described above for the named executive officers for the fiscal year ended December 31, 2016, are included in the "Summary Compensation Table".

The Company has entered into a change of control agreement as part of the Employment Agreement with its President and CEO, and the Company has agreed to take certain actions upon a change of control with respect to other key employees. The change of control provisions are designed to promote stability and continuity of senior management. Information regarding applicable payments under such agreements for the named executive officers is provided under the heading "Potential Payments Upon Termination or Change in Control".

Employment Agreement with Mr. Cole

In connection with his election as President and CEO of the Bank, the Bank and Mr. Cole entered into a new employment agreement, effective May 31, 2011 (the "Agreement"). The Agreement provides for Mr. Cole to serve as President and CEO of the Bank for a term of three years beginning January 1, 2011, with an automatic rolling three-year extension, unless either the Bank or Mr. Cole provides 90 days' notice of non-extension, in which case the Agreement would expire at the end of the then-current term. No prior notice is required in the case of termination for Cause.

Mr. Cole is paid a base salary currently of \$360,374.74 annually, subject to annual review as the Board of Directors may determine. Mr. Cole is eligible to earn an annual cash bonus, although Mr. Cole has not received a cash bonus while the Company has participated in the Community Development Capital Initiative under the TARP program. Mr. Cole is also eligible to receive equity compensation awards on such basis as the Board of Directors determines and is eligible to participate in any benefit plans or programs that are offered to senior executives generally.

On any cessation of employment, Mr. Cole will be entitled to his earned but unpaid base salary. Mr. Cole will be entitled to additional severance benefits in the event his employment ends as a result of his death or disability, or in the event his employment is terminated by the Bank without Cause whether in connection with a change in control of the Bank or not, or in the event Mr. Cole resigns for Good Reason whether in connection with a change in control of

the Bank or not.

Under the Agreement, Mr. Cole is subject to standard confidentiality, non-solicitation and non-competition obligations during the term of the Agreement and for at least one (1) year after his employment ends. As partial consideration for these obligations after his employment ends, if Mr. Cole's employment is terminated by the Bank without Cause or if he resigns for Good Reason, in addition to Mr. Cole's then accrued annual salary and bonus, he will be entitled to payments equal to the greater of (i) the remaining cumulative salary that would have been paid to Mr. Cole if he had remained employed by the Bank until the end of the then current term or (ii) one and one-half times Mr. Cole's then current annual salary.

If there is a change in control, Mr. Cole will be entitled to the following benefits: a lump sum payment equal to (i) two times his base salary, (ii) all payments, benefits, bonuses or incentives, subject to their plan document, that would ordinarily be available to other employees, and (iii) accelerated vesting of any unvested deferred compensation. If Mr. Cole's employment is terminated by the Bank without Cause or he resigns for Good Reason, he will be entitled to continuing medical, life and disability insurance coverage on the same basis as prior to termination for the remainder of the then current term.

If Mr. Cole's employment is terminated due to disability or if he dies during the term, he or his designated beneficiary, spouse or estate will be entitled to a lump sum payment of his earned compensation and pro-rata share of his annual bonus target amount for that year.

For purposes of the Agreement, "Good Reason" means (i) the failure to continue in effect any material benefit set forth in the Agreement (unless done on a Bank-wide basis), (ii) a material breach of the agreement by the Bank, or (iii) a Change in Control.

For purposes of the Agreement, "Change in Control" means (i) the acquisition by any person or group of the power to vote, or the acquisition of, more than 50% ownership of Bank's or the Company's voting stock, (ii) the acquisition by any person or group, during the twelve month period ending on the date of the most recent acquisition, of ownership of stock possessing fifty percent (50%) or more of the total voting power of the stock of the Company, (iii) the replacement during any twelve month period of a majority of the members of the Board of Directors of the Company by directors whose appointment or election is not endorsed by a majority of the members of the Board of Directors before the date of such appointment or election, or (iv) the acquisition by any person or group, during the twelve month period ending on the date of the most recent acquisition, of assets of the Bank having a total gross fair market value of more than eighty percent (80%) of the total gross fair market value of all of the assets of the Bank immediately prior to such acquisition.

The amounts which would have been payable to Mr. Cole assuming a termination event on December 31, 2016, are addressed in the Potential Payments Upon Termination or Change in Control section beginning on page 28.

Deductibility of Executive Compensation

As part of its role, the Committee reviews and considers the deductibility of executive compensation under Section 162(m)(5) of the Internal Revenue Code, which provides that the Company may not deduct compensation of more than \$500,000 that is paid to certain individuals. The Company believes that compensation paid under the incentive plans are generally fully deductible for federal income tax purposes.

Corporate Governance

Corporate Governance Guidelines. The Board of Directors’ Nominating Committee has enacted guidelines to determine director independence and qualifications for directors which conform to the independence requirements of the NASDAQ Stock Exchange listing standards. The Nominating Committee Charter is published at the Corporation’s website under the “*Corporate Governance*” at www.thefirstbank.com. The Board of Directors regularly reviews corporate governance developments and considers modifications to its governance charter to clarify and augment the Board of Directors’ processes, including those relating to risk oversight.

The Board’s Role in Risk Oversight. The Company believes that each member of the Company’s Board of Directors in his or her fiduciary capacity has a responsibility to monitor and manage risks faced by the Company. At a minimum, this requires the members of the Company’s Board of Directors to be actively engaged in board discussions, review materials provided to them, and know when it is appropriate to request further information from management and/or engage the assistance of outside advisors. Furthermore, because the banking industry is highly regulated, certain risks to the Company are monitored by the Board of Directors, and the Audit Committee and Risk Committee through the review of the Company’s and bank’s compliance with regulations set forth by its regulatory authorities and recommendations contained in regulatory examinations.

The Board of Directors of The First, A National Banking Association has a Risk Committee which is responsible for risk oversight and regularly reports to the Board of Directors on its findings. This Committee monitors compliance with regulations and policies. The other committees concentrate on specific risks for which they have an expertise, and each committee is required to regularly report to the Board of Directors on its findings. For example, the Audit Committee of the Board of Director of The First, A National Banking Association, and The First Bancshares, Inc. regularly monitors the Company's exposure to certain reputational risks by establishing and evaluating the effectiveness of company programs to report and monitor fraud and by monitoring the Company's internal controls over financial reporting. The Compensation Committee's role in monitoring the risks related to the Company's compensation structure is discussed in further detail below.

Director Independence. The First Bancshares, Inc. currently has eight independent directors out of nine. The independent directors are David W. Bomboy, E. Ricky Gibson, Charles R. Lightsey, Fred A. McMurry, Gregory H. Mitchell, Ted E. Parker, J. Douglas Seidenburg, and Andrew D. Stetelman. In addition, the two new director nominees have been determined by the Board of Directors to be independent. The Board of Directors has satisfied, and expects to continue to satisfy, its objective that at least a majority of the Board of Directors should consist of independent directors. For a director to be considered independent, the Board of Directors must determine that the director does not have any direct or indirect material relationship with the Company. The Board of Directors has established guidelines to assist it in determining director independence which conform to the independence requirements of the NASDAQ Stock Exchange listing standards. In addition to applying these guidelines, the Board of Directors will consider all relevant facts and circumstances in making an independence determination.

In the course of the Board of Director's determination regarding independence, it considers any transactions, relationships and arrangements as required by the Company's independence guidelines.

All members of the Audit Committee, Compensation Committee, and Nominating Committee must be independent directors as defined by NASDAQ. Members of the Audit Committee also must satisfy a separate Securities and Exchange Commission ("SEC") independence requirement, which provides that they may not accept directly or indirectly any consulting, advisory or other compensatory fee from the Company or its subsidiaries other than their compensation for serving as a director.

Director Candidates, Qualifications and Diversity. In considering whether to recommend any candidate for inclusion in the Board of Director's slate of recommended director nominees, including candidates recommended by shareholders, the Nominating Committee will consider a number of criteria, including, without limitation, financial, regulatory and business experience; familiarity with and participation in the local community; integrity, honesty and reputation; dedication to the Company and its shareholders; independence and any other factors the Nominating Committee deems relevant, including age, diversity, size of the Board of Directors and regulatory disclosure obligations. Although the Nominating Committee has no official policy regarding diversity, the Committee seeks well-qualified nominees, and believes its Board of Directors represents a wide variety of backgrounds.

Board Leadership Structure. The Board of Directors of the Company is currently made up of nine individuals, one of whom is an insider as an executive of the Company. The eight outside directors have a wide variety of business experience and bring that experience to bear in fulfilling their duties as directors of the Company. The Chairman and Chief Executive Officer positions are held separately. All independent directors have an equal voice in the business of the Company.

Standards of Conduct. All directors, officers and employees of The First Bancshares, Inc. must act ethically at all times and in accordance with the policies comprising of the Code of Ethics for Financial Officers, a copy of which can

be found at the Company's internet website, www.thefirstbank.com.

Communicating Concerns to Directors. The Audit Committee and the non-management directors have established procedures to enable any employee who has a concern about The First Bancshares' conduct, policies, accounting, internal accounting controls or auditing matters, to communicate that concern directly to the Board of Directors through written notification directed to the Chairman of the Audit Committee, Doug Seidenburg, at P. O. Box 1197, Laurel, MS 39441, or by email to DougS@sburgcpa.com. Such communications may be confidential or anonymous. The Company's Whistleblower Policy is available on the Company's website, www.thefirstbank.com. The status of any outstanding concern, if any, is reported to the non-management directors of the Board of Directors periodically by the Chairman of the Audit Committee.

Shareholder Communications. Shareholders may communicate with all or any member of the Board of Directors by addressing correspondence to the "Board of Directors" or to the individual director and addressing such communication to Chandra B. Kidd, Secretary, The First Bancshares, Inc., P. O. Box 15549, Hattiesburg, Mississippi, 39404. All communications so addressed will be forwarded to the Chairman of the Board of Directors (in case of correspondence addressed to the "Board of Directors") or to the individual director without exception.

Independent Registered Public Accounting Firm

The Board of Directors anticipates that representatives of T.E. Lott & Company will be in attendance at the Meeting, to make a statement or be available to respond to questions.

Although not required to do so, the Board of Directors has chosen to submit its appointment of T.E. Lott & Company for ratification by the Company's shareholders. If this proposal does not pass, the Board of Directors will reconsider the matter.

Vote Required to Ratify the Appointment of our Independent Registered Public Accounting Firm.

Proposal will be approved if votes cast in favor of the proposal exceeds votes cast against it.

Recommendation of the Board of Directors

OUR BOARD RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

PROPOSAL 3 – Advisory Vote on the Compensation of our Named Executive Officers

Pursuant to Section 14A of the Exchange Act, we provide our shareholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers, as disclosed in this Proxy Statement in accordance with the rules of the SEC. This vote does not address any specific item of compensation but rather the overall compensation of our named executive officers and our compensation philosophy and practices as disclosed in the section titled “Executive Officer Compensation.” This disclosure includes the “Compensation Discussion and Analysis” and the “Executive Compensation Tables,” including the accompanying narrative disclosures. At the 2016 annual meeting of shareholders, we provided our shareholders with the opportunity to cast a non-binding advisory vote regarding the compensation of our named executive officers as disclosed in our proxy statement for the 2016 annual meeting of shareholders. Our shareholders approved the “say-on-pay” proposal by approximately 74% of our shareholders whose shares were present at the 2016 annual meeting and who voted or affirmatively abstained from voting (excluding broker non-votes). We are again asking our shareholders to vote on the following resolution:

RESOLVED, that the shareholders of First Bancshares Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in the Proxy Statement for the Company’s 2017 Annual Meeting of Shareholders pursuant to Item 402 of Regulation S-K of the rules of the Securities and Exchange Commission.

We understand that executive compensation is an important matter for our shareholders. Our core executive compensation philosophy and objectives continue to be designed to reward the achievement of specific annual, long-term and strategic goals by the Company, and which aligns the interests of the executive officers with the Company’s overall business strategy, values and management initiatives intended to reward executives for strategic management and the enhancement of shareholder value and support a performance-oriented environment that rewards achievement of internal goals. In considering how to vote on this proposal, we encourage you to review all the relevant information in this Proxy Statement, including the “Compensation Discussion and Analysis”, the “Executive Compensation Tables,” and the rest of the narrative disclosures regarding our executive compensation program in the section titled “Executive Officer Compensation”.

While this advisory vote, commonly referred to as a “say-on-pay” vote, is not binding, the Board of Directors and the Compensation Committee value the opinion of our shareholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Vote Required to Approve, on an Advisory Basis, the Compensation of Our Named Executive Officers

Proposal will be approved if votes cast in favor of the proposal exceed votes cast against it.

Recommendation of the Board of Directors

OUR BOARD RECOMMENDS THAT YOU VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL 4 – Advisory Vote on the Frequency of Future Advisory Votes on the Compensation of Our Named Executive Officers

Section 14A of the Exchange Act provides that shareholders must be given the opportunity to vote, on a non-binding, advisory basis, as to their preference on how frequently we should seek future “say-on-pay” votes on the compensation of our named executive officers as disclosed in this Proxy Statement. Accordingly, we are asking our shareholders to indicate, on a non-binding, advisory basis, whether they would prefer a “say-on-pay” vote on the compensation of our named executive officers to occur every one, two or three years. Shareholders also may, if they wish, abstain from casting a vote on this proposal.

The Board of Directors recommends that we hold a “say-on-pay” vote on the compensation of our named executive officers every year. In formulating its recommendation, the Board of Directors considered that an annual advisory vote on executive compensation will allow our shareholders to provide us with real-time and direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement every year. The Board of Directors also believes that an annual vote enhances transparency and is consistent with our efforts to engage in an ongoing dialogue with our shareholders on executive compensation and corporate governance matters.

As an advisory vote, this proposal is not binding on the Company, the Board of Directors, or the Compensation Committee. However, the Compensation Committee and the Board of Directors value the opinions expressed by our shareholders in their votes on this proposal and will consider the outcome of the vote when making future decisions regarding the frequency of conducting the advisory vote on executive compensation.

Vote Required to Approve, on an Advisory Basis, the Frequency of Future Advisory Votes on the Compensation of Our Named Executive Officers

Shareholders have the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, shareholders will not be voting to approve or disapprove the recommendation of the board. Because this advisory vote has three possible substantive responses (every one year, every two years, or every three years), we will consider shareholders to have “approved” the frequency selected by a plurality of the votes cast.

Recommendation of the Board of Directors

OUR BOARD RECOMMENDS THAT YOU VOTE THAT WE HOLD AN ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS EVERY YEAR.

SOLICITATION OF PROXIES

The cost of soliciting proxies from shareholders will be borne by the Company. The initial solicitation will be by mail. Thereafter, proxies may be solicited by directors, officers and employees of the Company or the bank, by means of telephone, email or other electronic means, advertisements or personal contact, but without additional compensation therefore. The Company will reimburse brokers and other persons holding shares as nominees for their reasonable expenses in sending proxy soliciting material to the beneficial owners.

PROPOSALS OF SHAREHOLDERS

Any proposal of a shareholder to be presented for action at the annual meeting of shareholders to be held in the year 2018 must be received at the Company's principal executive office no later than December 13, 2017, if it is to be included in the Company's proxy statement. After this date, any proposal to be presented at the annual meeting but not included in the Company's proxy statement will be considered untimely if not delivered on a date on or before the later of: (1) 60 days prior to the 2018 annual meeting or (2) 10 days after a notice of the meeting is provided to the shareholders. To ensure prompt receipt by the Company, the proposal should be sent certified mail, return receipt requested. Proposals must comply with the Company's bylaws relating to shareholder proposals and certain Securities and Exchange Commission Regulations in order to be included in the Company's proxy materials.

The accompanying Proxy is being solicited by the Company.
