**ITEM 1.01. Entry into a Material Definitive Agreement.**

On November 6, 2013, The St. Joe Company, a Florida corporation (the Company ) and AgReserves Inc., a Utah corporation (the Purchaser ) entered into a purchase and sale agreement (the Sale Agreement ). Upon the terms and subject to the conditions set forth in the Sale Agreement, the Company has agreed to sell (the Transaction ) approximately 382,834 acres of land located in Northwest Florida owned by the Company or certain wholly-owned or controlled affiliates (the Subject Lands ), along with certain other assets and inventory and rights under certain continuing leases and contracts, to Purchaser for \$565 million subject to adjustment as set forth in the Sale Agreement. The acreage to be included in the Subject Lands is subject to limited adjustments based on title and environmental diligence and casualty events between signing and closing.

The Subject Lands include substantially all of the Company s land designated for forestry operations as well as other land (i) that is not utilized in the Company s residential or commercial real estate segments or its resorts, leisure and leasing segment or (ii) that is not part of the Company s current development plans. Following the consummation of the Transaction, the Company expects to continue to be the owner of approximately 184,000 acres of land concentrated primarily in Northwest Florida which includes land used or intended to be used in its real estate development operations.

In connection with the execution of the Sale Agreement, the Purchaser will deliver a deposit of \$37.5 million (the Deposit ). The balance of the purchase price is payable at closing in cash and/or in installment notes that will be fully secured by irrevocable letters of credit (the Timber Notes ) as determined by the Company, in the Company s sole discretion, at least 20 days prior to the closing.

The Sale Agreement contains terms and conditions customary to real estate purchase agreements, including representations, warranties and covenants regarding title matters, environmental conditions, and leases and other real estate related contracts. The Sale Agreement also requires the Company to conduct its business on the Subject Lands in the ordinary course, and not to engage in certain kinds of transactions, during the period between the execution of the Sale Agreement and the completion of the Transaction.

The closing of the Transaction is subject to a number of conditions, including: (i) approval of the Transaction by the Company s shareholders, (ii) the expiration or termination of all waiting periods under regulatory law applicable to the Transaction and neither the Department of Justice nor the Federal Trade Commission having taken any action to enjoin or delay (for more than 90 days) the consummation of the Transaction, (iii) no injunction, restraining order or court or governmental authority restraining, prohibiting or conditioning the consummation of the Transaction; (iv) the Purchase Price not being reduced by more than \$40 million as a result of any reduced acreage; (v) obtaining all governmental and other material consents, authorizations, registrations or approvals required in connection with the consummation of the Transaction; (vi) subject to certain exceptions, the accuracy of the representations and warranties of the parties; (ix) compliance by the parties in all material respects with their respective obligations and covenants; (x) and the delivery of certain items as provided by the Sale Agreement, including title policies and letters of credit securing the Timber Notes complying with the terms of the Sale Agreement.

The Sale Agreement contains certain termination rights, including if the Transaction is not completed on or before January 31, 2014 (which date may be extended by the Company or Purchaser for a period not to exceed 90 days in the aggregate) or if the approval of the Company s shareholders is not obtained. Upon termination of the Sale Agreement under certain circumstances, the Company may be required to pay the Purchaser certain fees and expenses, including: (i) a termination fee of approximately \$21 million if: (a) in certain cases, the Company s shareholders do not approve the Transaction, (b) the Company enters into a definitive transaction agreement providing for the consummation of the transaction contemplated by a Superior Proposal (as defined in the Sale Agreement), or (c) the Company s Board makes a Recommendation Change (as defined in the Sale Agreement) or fails to recommend that the Company s shareholders approve the Transaction, or (ii) the Purchaser s transaction costs and expenses which in some cases are limited to \$1.5 million. Except in certain limited cases as set forth in the Sale Agreement, the Company is required to

return the Deposit to Purchaser if the Sale Agreement is terminated.

Pursuant to the Sale Agreement, the Purchaser has also agreed, subject to the terms and conditions contained in the Sale Agreement, to: (i) a 15-year restriction on development of approximately 318,636 acres of the Subject Lands identified by the Company, and (ii) grant the Company a 15-year right of first refusal with respect to the purchase, ground lease (for a term in excess of 20 years) or other transfer of 17,321 acres located on St James Island.

If the closing occurs, and subject to the terms, conditions and limitations set forth in the Sale Agreement, the Company has agreed to indemnify, defend and hold the Purchaser and its affiliates, representatives and agents harmless from certain losses, including those as a result or arising out of breaches of the Company's representations, warranties, covenants or other agreements and, subject to certain exceptions, third-party personal injury or tort claims regarding the Company's use, ownership and/or operation of the Subject Lands (or any party thereof) prior to the closing of the Transaction and claims arising from assumed contracts relating to any act or omission prior to such closing date.

In connection with the Sale Agreement, on November 6, 2013, Fairholme Funds, Inc., on behalf of The Fairholme Fund, owner of approximately 27% of the Company's outstanding shares of common stock, entered into an irrevocable proxy (the Irrevocable Proxy) pursuant to which such shareholder has agreed to grant the Purchaser a proxy to vote to approve the Transaction.

The board of directors of the Company has approved the execution, delivery and performance of the Sale Agreement and recommends that the Company's shareholders approve the adoption of the Sale Agreement. The Company has agreed not to (i) initiate, solicit, knowingly encourage (including by providing information), induce or knowingly facilitate any inquiries, proposals or offers with respect to, or the making or completion of, an Alternative Proposal (as defined in the Sale Agreement) or (ii) subject to certain exceptions, engage or participate in any discussions or negotiations or provide non-public information in connection with an actual or potential Alternative Proposal, or otherwise knowingly encourage or knowingly facilitate any effort or attempt to make or implement an Alternative Proposal.

The foregoing descriptions of the Sale Agreement, the Irrevocable Proxy and the Transaction do not purport to be complete and are qualified in their entirety by reference to the Sale Agreement, which is filed as Exhibit 10.53 hereto, and the Irrevocable Proxy, which is filed as Exhibit 10.54 hereto, both of which are incorporated herein by reference.
