Item 1.01. Entry into a Material Definitive Agreement.
Agreement and Plan of Merger

On May 5, 2014, Forest Oil Corporation (*Forest Oil* or the *Company*) entered into an Agreement and Plan of Merger (the *Merger Agreement*) with Sabine Investor Holdings LLC (*New Sabine*), Sabine Oil & Gas Holdings LLC (*Sabine Holdings*), Sabine Oil & Gas Holdings II LLC (*SOGH II*), Sabine Oil & Gas LLC (*Sabine O&G*), New Forest Oil Inc., a wholly-owned subsidiary of Forest Oil (*Holdco*), and Forest Oil Merger Sub Inc., a wholly owned subsidiary of Holdco (*Merger Sub*). The Merger Agreement provides that Forest Oil and Sabine Holdings will combine under a new holding company, Holdco, in a transaction in which New Sabine and the shareholders of Forest Oil will receive stock in Holdco. After the closing of the transactions contemplated by the Merger Agreement, the former Forest Oil shareholders will own approximately 26.5% of the outstanding Holdco common stock and New Sabine will own approximately 73.5% of the outstanding Holdco common stock. Holdco will be renamed Sabine Oil & Gas Corporation concurrently with the closing of the transactions contemplated by the Merger Agreement (the *Transactions*).

The Transactions will occur through multiple steps. First, Merger Sub will merge with and into Forest Oil (the *Merger*), with Forest Oil surviving the Merger as a wholly owned subsidiary of Holdco. In the Merger, each issued and outstanding Forest Oil common share will convert into the right to receive 0.1 (the *Exchange Ratio*) of a share of common stock of Holdco.

Concurrently with the Merger, New Sabine will directly and indirectly contribute (the *Contribution*) to Holdco all of the outstanding equity of Sabine Holdings in exchange for 33,013,641 shares of Holdco common stock (the *Contribution Consideration*). As a result of the Contribution, Sabine Holdings will become a wholly owned subsidiary of Holdco. After the Merger and the Contribution, the parties will effect several restructuring steps, including the merger of Sabine O&G and Forest Oil.

In connection with the Transactions, each Forest Oil stock option will be cancelled in exchange for a cash payment equal to the product of (1) the excess, if any, of (a) the closing price of Forest Oil common stock on the New York Stock Exchange on the last trading day prior to closing date, over (b) the exercise price per share of such option, and (2) the number of shares of Forest Oil common stock underlying such option.

Each invested Forest Oil performance unit award will vest at the closing based on performance through the closing and be settled in accordance with its terms; provided that, if the terms of the award provide for settlement in shares of Forest Oil common stock, settlement will instead be made in a number of shares of Holdco common stock equal to the number of shares of Forest Oil common stock earned pursuant to the award, multiplied by the Exchange Ratio.

Each unvested Forest Oil phantom unit award will become vested at the closing and will be settled in accordance with its terms.

Each unvested share of Forest Oil restricted stock will become vested at the closing and be converted into the right to receive 0.1 of a share of common stock of Holdco.

The closing of the Transactions is conditioned on approval of the Merger Agreement by holders of two-thirds of the outstanding Forest Oil common shares, effectiveness of a registration statement that will contain the proxy statement sent to Forest Oil shareholders to approve the Merger Agreement, expiration of the waiting period under the Hart-Scott-Rodino Act and other customary conditions.

The board of directors of Forest Oil has unanimously approved and adopted the Merger Agreement and the Transactions and has agreed to recommend that Forest Oil shareholders approve and adopt the Merger Agreement, subject to certain exceptions set forth in the Merger Agreement. The foregoing summary of the Merger Agreement

and Transactions does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which is filed as Exhibit 2.1 to this Form 8-K.

The Merger Agreement and the above description have been included to provide investors and security holders with information regarding the terms of the Merger Agreement. They are not intended to provide any other factual information about Forest Oil, New Sabine, Sabine Holdings or their respective subsidiaries or affiliates or equityholders. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of those agreements and as of specific dates; were solely for the

benefit of the parties to the Merger Agreement; and may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. Investors should be aware that the representations, warranties and covenants or any description thereof may not reflect the actual state of facts or condition of Forest Oil, New Sabine, Sabine Holdings or any of their respective subsidiaries, affiliates, businesses, or equityholders. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by Forest Oil.

Stockholder s Agreement

In connection with the Merger Agreement, on May 5, 2014, Forest Oil entered into a Stockholder s Agreement (the *Stockholder s Agreement*) with New Sabine and Holdco.

Pursuant to the Stockholder s Agreement, New Sabine will have the right to designate a number of individuals to the Holdco board of directors equal to the percentage of Holdco common stock beneficially owned by New Sabine multiplied by the number of directors on the Board (or the number of members of any committee thereof), in each case, rounded to the nearest whole number. These rights will remain in effect as long as New Sabine beneficially owns fifteen percent (15%) or more of the outstanding shares of Holdco common stock. Until three (3) months after the effective time of the Merger, New Sabine will not be permitted to sell or transfer any shares of Holdco common stock and certain other derivative securities issued by Holdco, subject to certain exemptions.

The foregoing summary of the Stockholder s Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Stockholder s Agreement, which is filed as Exhibit 10.1 to this Form 8-K.

Registration Rights Agreement

In connection with the Merger Agreement, on May 5, 2014, Forest Oil entered into a Registration Rights Agreement (the *Registration Rights Agreement*) with New Sabine and Holdco.

Pursuant to the Registration Rights Agreement, First Reserve Fund XI, L.P. (*First Reserve*) will have certain registration rights, including demand registration rights, shelf registration rights and rights to request shelf take-downs (including marketed underwritten shelf take-downs). Holdco will not be obligated to effect, at the request of First Reserve, (a) more than four (4) demand registrations and/or marketed underwritten shelf take-downs or (b) more than one (1) marketed underwritten offering pursuant to the Registration Rights Agreement in any consecutive 90-day period.

The foregoing summary of the Registration Rights Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Registration Rights Agreement, which is filed as Exhibit 10.2 to this Form 8-K.
