### **Item 3.02 Unregistered Sales of Equity Securities**

In a private offering exempt by SEC Regulation D Rule 506 from registration under the Securities Act of 1933, Middlefield Banc Corp. is offering for sale up to 376,400 shares of common stock at the price of \$33 per share. The offering is to accredited investors only, without the use of a general solicitation or general advertising. We expect the private offering will be completed in a month.

We sold 60,606 shares to one accredited investor on May 2, 2016 and 90,909 to another on that date, for gross proceeds of \$5.0 million, before commissions of \$250,000 payable to the investment bank acting as placement agent. In addition to these two sales, we have received indications of interest from other accredited investors and commitments from directors, our CEO, and others for shares. The directors and our CEO have committed to purchase shares, but we give no assurance that the indications of interest from other accredited investors will lead to subscriptions by them. If they do, together with the commitments from our directors, our CEO, and others, the subscriptions would account for sales of approximately 200,500 additional shares, and potential additional gross proceeds of approximately \$6.6 million before commissions estimated at \$313,000. This is not an offer to sell securities or a solicitation of an offer to buy securities. Any such offers will be made only pursuant to offering materials to be distributed by Middlefield Banc Corp.

Because the shares are being sold by us in a private offering without registration under the Securities Act of 1933, the shares are restricted securities, as that term is defined in SEC Rule 144(a)(3). We have agreed to register investors resale of the shares, agreeing to file a registration statement with the SEC on Form S-3 within 30 days after completion of the private offering. By agreement with the placement agent, our directors and named executive officers have agreed not to sell any of their Middlefield shares for 90 days after completion of the private offering.
