Statement on Schedule 13D

under the
Securities Exchange Act of 1934, as amended

Item 1. Security and Issuer.

This statement on Schedule 13D relates to shares of common stock, \$0.0001 par value per share (“Common Stock”) of Chart Acquisition Corp. (the “Company”), whose principal executive offices are located at 75 Rockefeller Plaza, 14th Floor, New York, NY 10019.

Item 2. Identity and Background.

Tempus Intermediate Holdings, LLC, a Delaware limited liability company (“Tempus”), John G. Gulbin III (“Gulbin”) and Benjamin Scott Terry (“Terry”) are jointly filing this statement. Gulbin and Terry are currently the sole managers and members of Tempus Intermediate Holdings, LLC. Tempus, Gulbin and Terry are collectively referred to herein as the “Reporting Persons”. The Reporting Persons have entered into a Joint Filing Agreement, dated July 25, 2014, a copy of which is filed with this Schedule 13D as Exhibit 1, pursuant to which the Reporting Persons have agreed to file this statement on Schedule 13D jointly in accordance with the provisions on Rule 13d-1(k)(1) under the Securities and Exchange Act of 1934, as amended.

Tempus is a Delaware limited liability company formed for the purpose of effecting the transactions contemplated by the Equity Transfer and Acquisition Agreement (and related transaction documents) described in Item 4 below. Tempus’ principal offices are located at 133 Waller Miller Road, Suite 400, Williamsburg, VA 23185.

The names, citizenship, business address, present principal occupation or employment and the name and principal business address of any corporation or other organization in which such employment is conducted, of all the current managers and members of Tempus are set forth in Schedule A hereto and incorporated herein by reference. Tempus currently has no directors or executive officers.

None of the Reporting Persons and none of the persons listed on Schedule A has during the past five years been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors); or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, as a result of which proceeding such person was or is subject to a judgment, decree or final order enjoining future violations of, prohibiting or mandating activities subject to, federal or state securities laws, or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

As described in Item 4 and Item 5, the shares of Common Stock to which this statement relates have not been purchased by the Reporting Persons. In connection with the Equity Transfer and Acquisition Agreement dated as of July 15, 2014 (the “ETAA”), by and among The Tempus Group Holdings, LLC (“Buyer”), Tempus, Gulbin and Terry and certain other persons to become members of Tempus in connection with transactions contemplated by the ETAA (collectively, the “Members”), Gulbin and Terry (acting together or individually as the Members’ Representative) (solely for purposes of Sections 1.3, 6.3, 6.5, 6.7, 6.11, 6.20, 6.21 and 8.6 and Articles II, IX, X, XI and XII), the Company and the Warrant Offerors named therein (the “Warrant Offerors”) (solely for purposes of Sections 6.14 and 6.15) (such parties collectively, the “ETAA Parties”), Tempus, Gulbin and Terry, along with Chart Acquisition Group LLC, The Chart Group, L.P., Christopher D. Brady, Joseph Wright and Cowen Overseas Investment LP (the “Stockholders”) entered into a Supporting Stockholder Agreement dated as of July 15, 2014 (the “SSA”) with respect to the voting of an aggregate of 1,766,250 shares of the Company’s Common Stock beneficially owned by the Stockholders with respect to the transactions contemplated by the ETAA described in Item 4.

The Reporting Persons have not paid, and do not expect to pay, additional consideration in connection with the execution and delivery of the SSA. For a description of the SSA, see Item 5 below, which description is incorporated herein by referred in response to this Item 3.

Item 4. Purpose of the Transaction.

As of July 15, 2014, the ETAA Parties entered into the ETAA, pursuant to which, among other things, the Members of Tempus will receive (i) membership interests (“Buyer Units”) in Buyer, the Company’s newly-formed, wholly-owned subsidiary and (ii) shares of Class B common stock of Company (the “Class B Shares”) in an amount equal to the Buyer Units issuable to each Member thereunder, in exchange for the transfer to Buyer of 100% of the membership interests of Tempus (the “Acquisition”), subject to the terms and conditions of the ETAA.

The Equity Transfer and Acquisition Agreement

Under the terms of the ETAA (and related transaction documents), the Members, who own all of the membership interests of Tempus, will receive (i) Buyer Units exchangeable (together with Class B Shares) into 10,000,000 shares of the Company’s Common Stock (after giving effect to the charter amendment described below, the “Class A Shares”, and subject to adjustment as provided in the ETAA), which would represent approximately 50.6% of the economic interest in Buyer and approximately 50.6% of the issued and outstanding Class A Shares upon full exchange thereof (assuming that none of the Company’s stockholders have exercised redemption rights prior to or in connection with the business combination, that none of the Company’s warrants have been exercised, and that there are no adjustments to the purchase price required by the terms of the ETAA) and (ii) an equal number of Class B Shares (which have voting rights but no other economic value). In exchange for the Company’s contribution to Buyer of the remaining balance of a trust account established for the benefit of the Company’s public stockholders (after giving effect to any stockholder redemptions prior to or concurrent with the consummation of the business combination and the satisfaction of certain other obligations of the Company), Buyer will issue to the Company a number of non-convertible Buyer Units equal to the number of issued and outstanding Class A Shares.

In exchange, Buyer will receive 100% of the membership interests of Tempus. The Class B Shares and Buyer Units held by the Members will be exchangeable into Class A Shares on the basis of one Class A Share for each Buyer Unit (together with accompanying Class B Share) tendered for exchange. Buyer will elect to be treated as a corporation for tax purposes. The ETAA provides that Tempus will have the option to change the structure of the transaction to an “Up-C” structure and have the Buyer elect to be treated as a partnership for tax purposes at any time before September 1, 2014. In addition, the transaction structure will automatically shift to an Up-C structure on or before August 15, 2014 upon delivery to Buyer of a tax analysis showing a level of tax exposure to the Members in excess of a specified threshold. In the event the transaction converts to an Up-C structure, the parties have agreed to, among other things, negotiate in good faith revised distribution provisions for Buyer’s operating agreement and other applicable revisions to the transaction documents.

The consummation of the transaction is subject to the satisfaction of certain conditions, including receipt of the Required Parent Stockholder Approval (as defined in the ETAA). Additionally, the consummation of the transaction is subject to Tempus effectuating a corporate reorganization pursuant to a Restructuring Agreement, dated as of July 15, 2014, by and among Tempus and certain of its affiliates (the “Reorganization”). A form of the Restructuring Agreement is attached as Exhibit D to the ETAA.

In addition, the consummation of the Acquisition is subject to the completion of the Warrant Offerors’ offer to purchase up to 3,750,000 warrants (subject to reduction as discussed below for warrants tendered in the Warrant Extension Tender Offer (as defined in “The Extension Proposal” below)) to purchase common stock of the Company at a purchase price of \$0.60 per warrant (the “Warrant Tender Offer”). The Warrant Offerors have deposited an aggregate

of \$2,250,000 with Continental Stock Transfer & Trust Company into a segregated escrow account pursuant to the terms of an escrow agreement (the “Escrow Agreement”), which funds will be used for the purchase of Company warrants validly tendered in the Warrant Tender Offer and the Warrant Extension Tender Offer.

The ETAA includes customary representations, warranties and covenants by the parties. The Company and Tempus have agreed, among other things, to operate their respective businesses in the ordinary course until the Acquisition is consummated. In addition, the Company and Tempus have agreed not to solicit or initiate certain discussions with third parties regarding other proposals to acquire (or be acquired by) any other person after the signing of the ETAA until consummation of the Acquisition and agreed to certain restrictions on their ability to respond to such proposals.

The ETAA includes customary termination provisions applicable to Tempus, the Buyer, the Members' Representative and the Company. Buyer and Tempus can jointly agree to terminate the ETAA at any time prior to the consummation of the Acquisition, and either party may terminate the ETAA if the closing has not occurred one hundred twenty days after the delivery to the Company of the audited financial statements of Tempus and its subsidiaries required to be delivered pursuant to the ETAA (the "Required Financial Statements"). In addition, Tempus will have the right to update its disclosure schedules to reflect certain information obtained in connection with the preparation of the Required Financial Statements. If Tempus exercises its right to update its disclosure schedules, the Buyer will have the right to terminate the ETAA or, if it does not terminate the ETAA, either waive or refuse to waive any of the matters disclosed in such update. If the Buyer does not terminate the ETAA and refuses to waive any of the matters disclosed in such update, Tempus will have the right to terminate the ETAA.

In the event that by the 90th day following date of the ETAA, either (i) the Required Financial Statements have not been delivered to the Company or (ii) the Reorganization has not been consummated, Buyer will have the right to terminate the ETAA.

The foregoing description of the ETAA does not purport to be complete and is qualified in its entirety by reference to the ETAA, a copy of which is filed as Exhibit 2 to this Schedule 13D and is incorporated herein by reference.

Upon consummation of the transactions contemplated by the ETAA, Gulbin and Terry, along with the other persons identified on Annex B to the ETAA will become officers and directors of the Company, until their respective successors are elected or appointed and qualified.

The ETAA has been included to provide investors and stockholders with information regarding its terms. It is not intended to provide any other factual information about the Company or Tempus. The ETAA contains representations and warranties that the parties made to and solely for the benefit of each other. The assertions embodied in the representations and warranties in the ETAA are qualified by information contained in the confidential disclosure letter that the Company and Tempus delivered in connection with signing the ETAA. Investors are not third-party beneficiaries under the ETAA and should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances, since they were only made as of the date of the ETAA and are modified in important part by the underlying disclosure letter. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the ETAA, which subsequent information may or may not be fully reflected in the Company's or Reporting Persons' public disclosures.

Registration Rights Agreement

On the closing date of the Acquisition and as a condition precedent for the closing, the Company will enter into a registration rights agreement (the "Registration Rights Agreement") with certain of the recipients of the Buyer Units (the "Registration Rights Holders"), pursuant to which the Company will grant certain registration rights to the Registration Rights Holders with respect to, among other things, the shares of Class A Shares to be issued upon conversion of the Buyer Units (the "Registrable Securities").

Under the Registration Rights Agreement, the Registration Rights Holders will have certain customary registration rights, including demand rights and piggyback rights, subject to certain underwriter cutbacks and issuer blackout periods. The Registration Rights Agreement will also establish a lock-up period following the closing, that, subject to certain exceptions, will restrict the rights of Registration Rights Holders to dispose of their Registrable Securities during such period. The Company agreed to pay certain fees and expenses relating to registrations under the Registration Rights Agreement.

The foregoing is only a summary of the material terms of the Registration Rights Agreement and does not purport to be complete, and is qualified in its entirety by reference to the form of such agreement, which is attached as Exhibit E to the ETAA.

Amendment to Amended and Restated Certificate of Incorporation

In connection with seeking stockholder approval of the ETAA, the Company intends to seek stockholder approval of an amendment to its Amended and Restated Certificate of Incorporation (the "Charter") to be adopted at the closing, which will, among other things, (i) change the name of the Company to The Tempus Group, Inc., (ii) designate the existing Common Stock as Class A common stock, (iii) create the Class B Shares referred to above, (iv) delete certain sections of the Charter that are only applicable to the Company prior to its consummation of an initial business combination, (v) provide that so long as the Members hold at least 45% of the voting power of all then outstanding shares of capital stock of the Company entitled to vote generally in the election of directors, the number of directors will be seven (7) unless otherwise consented to by the holders of a majority of the voting power held by the Members, and (vi) provide that for so long as the Members hold a majority of the voting power of all then outstanding shares of capital stock of the Company entitled to vote generally in the election of directors, any or all of the directors may be removed from office without cause and vacancies filled by the stockholders, including by written consent.

The foregoing is only a summary of the material terms of the Charter as proposed to be amended and does not purport to be complete, and is qualified in its entirety by reference to the form thereof, which is attached as Exhibit B to the ETAA.

Management of Buyer – LLC Operating Agreement

The Company will be the managing member of Buyer. However, so long as the Members beneficially own at least 45% of the issued and outstanding shares of the Company's common stock (i.e., the Class A Shares and Class B Shares), the approval of the Members holding a majority of the Buyer Units then held by all the Members will be required before Buyer or any of its subsidiaries may take certain significant actions as described in Buyer's operating agreement. Buyer will elect to be treated as a corporation for tax purposes.

The foregoing is only a summary of the material terms of the LLC Operating Agreement and does not purport to be complete, and is qualified in its entirety by reference to the form of such agreement, which is attached as Exhibit C to the ETAA.

The Extension Proposal

The consummation of the Acquisition described above is also contingent upon approval of the stockholders of the Company, to take place at a special meeting, of a proposal (the "Extension Proposal") to (i) amend the Company's Charter to extend the date before which the Company must complete a business combination from September 13, 2014 (the "Current Termination Date") to March 13, 2015 (the "Extended Termination Date") (the "Extension Amendment") and (ii) amend the Company's Charter and the trust account established in connection with the Company's initial public offering to reflect the Extended Termination Date and allow holders of its public shares to redeem their public shares

in connection with the Extension Amendment for a pro rata portion of the funds available in the trust account (the "Trust Amendment"). If the Extension Amendment and the Trust Amendment are approved (and not abandoned), the Company will afford the public stockholders the right to redeem their shares for a pro rata portion of the funds available in the trust account at the time the Extension Amendment and the Trust Amendment become effective.

If the Extension Amendment and the Trust Amendment are approved (and not abandoned), the Company will amend the terms of its outstanding warrants to extend the date for automatic termination of the warrants if the Company has not consummated a business combination from the Current Termination Date to the Extended Termination Date. Holders of public warrants will continue to have five years from the consummation of the Company's initial business combination to exercise such warrants.

If the Extension Amendment and the Trust Amendment are approved (and not abandoned), the Warrant Offerors have agreed with the other parties to the Escrow Agreement with respect to the Company's public warrants to amend the Escrow Agreement to provide that the termination event thereunder will be revised to reflect the Extended Termination Date rather than the Current Termination Date. The Warrant Purchasers will offer to purchase up to 7,500,000 public warrants at \$0.30 per warrant in a tender offer to close on or about the Current Termination Date (the "Warrant Extension Tender Offer"). In addition, the number of warrants subject to the Warrant Tender Offer that the Warrant Purchasers will conduct in connection with a business combination will be reduced at a ratio of one for every two warrants that are purchased in connection with the Warrant Extension Tender Offer.

The Reporting Persons are not parties to the foregoing agreements, but, as indicated above, the Extension Amendment and Trust Amendment, as well as completion of the Warrant Tender Offer, are provided for in the ETAA and conditions to the closing of the Acquisition.

Item 5. Interest in Securities of the Issuer.

As a result of the execution of the SSA, the Reporting Persons may be deemed to beneficially own the 1,766,250 shares of Common Stock beneficially owned by the Stockholders, which are subject to the SSA. As represented to the Reporting Persons in the SSA, (i) the aggregate number and percentage of shares of Common Stock beneficially owned by the Stockholders as of July 15, 2014, which are subject to the SSA, is 1,766,250 and 18.1%, respectively, based upon 9,750,000 shares of Common Stock outstanding as reported by the Company in its most recently available filing with the Commission.

As an inducement to the Reporting Persons to enter into the ETAA, the Stockholders entered into the SSA with the Reporting Persons pursuant to which, among other things, they agreed:

- (i) to vote all of the shares of Common Stock beneficially owned by them and over which they have voting control (a) in favor of the Extension Amendment and Trust Amendment (and any actions required in furtherance thereof), (b) in favor of the adoption of the Parent Voting Matters (as defined in the ETAA) (and any actions required in furtherance thereof), (c) against any action, proposal, transaction or agreement that would result in a breach in any respect of any covenant, representation, warranty or any other obligation or agreement of the Company or Buyer contained in the ETAA, and (d) against the following actions or proposals (other than the transactions contemplated by the ETAA (and other transaction documents) and the Extension Proposal): (A) any Parent Competing Transaction (as defined in the ETAA) (except as permitted by the ETAA); (B) any change in present capitalization of Company or any amendment of the certificate of incorporation or bylaws of Company; and (C) any change in Company's corporate structure or business;
- (ii) not to submit their shares for repurchase or redemption or cause its shares to be repurchased or redeemed, whether pursuant to the Redemption Offer (as defined in the ETAA), the right of holders of Common Stock to have the Company redeem such shares if a business combination is not completed by September 13, 2014, any redemption offer by Company in connection with the Extension Proposal, or otherwise;
- (iii) not to, without the Members' Representative's prior written consent, (x) offer for sale, sell (including short sales), transfer, tender, pledge, encumber, assign or otherwise dispose of (including by gift) (collectively, a "Transfer"),

or enter into any contract, option, derivative, hedging or other agreement or arrangement or understanding (including any profit-sharing arrangement) with respect to, or consent to, a Transfer of, any or all of the shares (subject to limited exceptions relating to compensation matters); (y) grant any proxies or powers of attorney with respect to any or all of the shares, except as provided in the SSA; or (z) take any action that would have the effect of preventing, impeding, interfering with or adversely affecting Stockholder's ability to perform its obligations under the SSA.

If and to the extent the Stockholders fail to fulfill their respective voting obligations as described above, the Stockholders have granted Members' Representative an irrevocable proxy to act for them solely with respect to the matters set forth in the SSA. The obligations of the Stockholders under the SSA terminate upon the earliest to occur of (a) the mutual written consent of the Members' Representative and the Stockholders, (b) the closing date for the transactions contemplated by the ETAA, and (c) the date of termination of the ETAA in accordance with its terms.

This foregoing description of the SSA does not purport to be complete and is qualified in its entirety by reference to the SSA, a copy of which is filed as Exhibit 3 to this Schedule 13D and is incorporated herein by reference.

By virtue of the SSA, the Reporting Persons may be deemed to share with the Stockholders the power to vote the shares of the Common Stock subject to the SSA, but only as to the matters specified in the SSA. Except as stated above, the Reporting Persons do not have the power to vote or direct the voting of such shares, nor do they have the sole or shared power to dispose or to direct the disposition of such shares. The Reporting Persons disclaim any beneficial ownership of such shares. Nothing herein shall be deemed to be an admission by the Reporting Persons as to the beneficial ownership of such shares, and no other shares of Common Stock are beneficially owned by the Reporting Persons as of the date hereof.

The Reporting Persons have not effected in any other transaction in the Common Stock during the past sixty days.

To the knowledge of the Reporting Persons, no person other than the Stockholders has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares of Common Stock subject to the SSA.

RECITALS

WHEREAS, the Company has been formed under the laws of the State of Delaware;

WHEREAS, prior to or concurrently herewith, the Company and the Members have entered into the Restructuring Agreement, which provides for a reorganization (the “Reorganization”) pursuant to which, subject to the receipt of certain consents as provided therein, the Members will contribute the Subsidiaries of the Company to the Company in exchange for all of the issued and outstanding Company Units;

WHEREAS, concurrently herewith, each of Chart Acquisition Group LLC, The Chart Group, L.P., Christopher D. Brady, Joseph Wright and Cowen Overseas Investment LP are entering into a Supporting Stockholder Agreement, in the form attached hereto as Exhibit A, with the Company, Benjamin Scott Terry and John G. Gulbin III pursuant to which each holder of Parent Common Stock party thereto agrees to vote in favor of the Parent Voting Matters, and to cause all Parent Common Stock held by such person not to be redeemed pursuant to the Redemption Offer, in each case on the terms and conditions set forth therein;

WHEREAS, upon the terms and subject to the conditions set forth herein, the Buyer desires to acquire from the Members, and each Member desires to transfer to the Buyer, all of such Member’s Company Units.

NOW, THEREFORE, in consideration of the premises and the mutual promises herein made, and in consideration of the representations, warranties and covenants herein contained, the Parties agree as follows:

ARTICLE I

TRANSFER OF UNITS

1.1 Equity Transfer. On the terms and subject to the conditions of this Agreement, for the consideration specified in Section 1.2, the Buyer agrees to acquire from each of the Members, and each Member agrees to transfer, assign and deliver to the Buyer, the Acquired Units owned by such Member, free and clear of all Encumbrances (the “Equity Transfer”).

1.2 Consideration.

(a) In exchange for the acquisition by the Buyer of the Acquired Units and the covenants of the Members hereunder each Member shall receive, in exchange for each Company Unit held by such Member immediately prior to the Closing the Per Company Unit Consideration, as may be adjusted pursuant to Section 1.3(e).

(b) Not less than three (3) Business Days prior to Closing, the Company shall prepare and deliver to the Buyer a closing statement setting forth the Company's good faith estimate of the Adjustment Amount (such estimate, the "Estimated Adjustment Amount") together with reasonably detailed back-up data to support such estimate of each item from which such amount is calculated. The Estimated Adjustment Amount shall be prepared in accordance with GAAP and, to the extent consistent with GAAP, in accordance with the practices and procedures of the Company and its Subsidiaries, in each case in accordance with the form, methodology and principles used in preparing the Balance Sheet. During the preparation and calculation of the Estimated Adjustment Amount, the Company shall, and shall cause its Subsidiaries, to afford the Buyer a reasonable opportunity to review and comment thereon.

(c) At the Closing, (A) (i) the Buyer shall issue to each Member, in exchange for each issued and outstanding Company Unit then held by such Member, the Per Company Unit Consideration, (ii) the Buyer shall admit each Member as a member of the Buyer holding the applicable number of Buyer Units, which shall be evidenced as provided in Article III of the Buyer LLC Agreement, and (iii) Parent shall issue to each Member a stock certificate (if applicable) evidencing the applicable number of Class B Parent Shares in accordance with the Third Amended and Restated Parent Certificate and the Buyer LLC Agreement and (B) in consideration for the Parent Contribution Amount the Buyer shall issue to Parent a number of Buyer Units, or a number of Buyer Units held by Parent shall be cancelled, as applicable, such that the number of Buyer Units held by Parent equals the number of shares of Parent Common Stock outstanding immediately after the Closing.

1.3 Transfer Price Adjustment.

(a) Within sixty (60) days following the Closing Date, the Buyer shall deliver to the Members' Representative a Closing statement (the "Closing Statement") setting forth the Buyer's good faith calculation of the Adjustment Amount, including, without limitation, Net Debt, together with reasonably detailed back-up data to support each item from which such amount is calculated. The Closing Statement shall be prepared in accordance with GAAP and, to the extent not inconsistent therewith, using the same methodologies used in preparing the Balance Sheet, taking into account information that becomes available after the Closing in accordance with GAAP. The Company shall cooperate with the Buyer in the preparation of the Closing Statement as reasonably requested by the Buyer.

(b) The Members' Representative shall have a period of thirty (30) days following the Buyer's delivery of the Closing Statement to notify the Buyer of the Members' Representative's election to dispute the Closing Statement or any portion thereof. During such thirty (30)-day period, the Buyer and Parent shall provide the Members' Representative and its agents and representatives with reasonable access to all books, records and employees of the Company and any of its Subsidiaries, Buyer and Parent (including supporting documents and working papers) to the extent relating to the preparation or review of the Closing Statement. If (i) at any time during such thirty (30)-day review period, the Members' Representative delivers written notice to the Buyer of its acceptance of the Closing Statement or (ii) prior to the expiration of such thirty (30)-day review period, the Members' Representative does not deliver to the Buyer written notice of its disagreement specifying the nature and amount of any disputed item (a "Notice of Disagreement"), then the Closing Statement and any required adjustments resulting therefrom shall be deemed final and binding on the Members and the Members' Representative. To the extent that the Members' Representative delivers a timely Notice of Disagreement, the Members, Buyer and Parent shall be deemed to have agreed with all items and amounts in the Closing Statement not specifically referenced in such Notice of Disagreement, and such items and amounts shall not be subject to review in accordance with this Section 1.3(b) or Section 1.3(d). Any Notice of Disagreement may reference only disagreements (i) based upon either mathematical errors or amounts reflected in the Closing Statement or (ii) that either the Closing Statement or the calculation of the Adjustment Amount, or any amount contained therein was not prepared in accordance with this Article I (together with any corresponding definitions).

(c) During the thirty (30)-day period following timely delivery of a Notice of Disagreement by the Members' Representative to the Buyer, the Buyer and the Members' Representative shall in good faith seek to resolve in writing any differences that they may have with respect to the matters identified therein, and all such discussions related thereto will (unless otherwise agreed by Buyer and the Members' Representative) be considered compromise negotiations under Rule 408 of the Federal Rules of Evidence and any applicable similar state rule. During such thirty (30)-day period, the Members' Representative shall provide the Buyer and its Representatives with reasonable access, during normal business hours and upon reasonable prior notice to the Members' Representative, to the working papers of the Members' Representative and its Representatives relating to such Notice of Disagreement. Any disputed items resolved in writing between the Members' Representative and the Buyer within such thirty (30)-day period shall be final and binding with respect to such items, and if the Members' Representative and the Buyer agree in writing on the resolution of all disputed items specified by the Members' Representative in the Notice of Disagreement, the Adjustment Amount as so determined shall be final and binding on the Parties.

(d) In the event that the Members' Representative and the Buyer are unable to resolve all disputed items in the Notice of Disagreement within thirty (30) days following the date upon which the Buyer received written notice from the Seller Parties disputing the Closing Statement, then within ten (10) days after the expiration of such thirty (30)-day period, the Buyer and the Members' Representative shall submit, in writing, to the Accounting Firm, their briefs detailing their views as to the nature and amount of each item remaining in dispute, and the Accounting Firm shall make a written determination as to each such disputed item, which determination shall be final and binding for purposes of this Agreement. The Accounting Firm shall be (i) engaged by the Buyer and the Members' Representative on a joint basis and (ii) authorized to resolve only those items remaining in dispute between the parties in accordance with the provisions of this Section 1.3 within the range of the difference between the Buyer's position with respect thereto and the Members' Representative's position with respect thereto. The determination of the Accounting Firm shall be accompanied by a certificate of the Accounting Firm that it reached such determination in accordance with the provisions of this Section 1.3. The Buyer and the Members' Representative shall request that the Accounting Firm render its determination prior to the expiration of sixty (60) days after the dispute is submitted to the Accounting Firm, and such determination and any required adjustments resulting therefrom shall be final and binding on all of the Parties and the Members' Representative. The fees and expenses of the Accounting Firm shall be paid by the Company.

(e) Following the final determination of the Adjustment Amount, (i)(A) if the Adjustment Amount is greater than the Estimated Adjustment Amount, the Schedule of Members (as defined in the Buyer LLC Agreement) shall be adjusted to reflect the cancellation of the number of Buyer Units held by the Members, and (B) if the Estimated Adjustment Amount is greater than the Adjustment Amount, the Schedule of Members (as defined in the Buyer LLC Agreement) shall be adjusted to reflect the issuance of the number of Buyer Units to the Members, in each case equal to the product of (x) such excess, divided by (y) \$10, and (ii) in accordance with Article IV of the Third Amended and Restated Parent Certificate and the Buyer LLC Agreement, Parent shall reacquire and cancel Class B Parent Shares held by the Members or issue additional Class B Parent Shares to the Members, as applicable (and Parent shall cancel and/or issue certificates representing such Class B Parent Shares as needed to evidence such issuances or cancellations of such Class B Parent Shares), such that the number of Class B Parent Shares held by a Member at all times equals the number of Buyer Units held by such Member. Any cancellation or issuance pursuant to the foregoing shall be pro rata among the Members in proportion to the number of issued and outstanding Company Units held by such Member immediately prior to the Closing as compared to the total number of Company Units held by all Members immediately prior to the Closing.

1.4 Withholding of Tax. The Buyer (or any other payor) shall be entitled (but not obligated) to deduct and withhold from the consideration otherwise payable to the Members pursuant to this Agreement such amounts as the Buyer shall determine in good faith are required to be deducted and withheld with respect to the making of such payment under the Code or any provision of federal, state, local or foreign Tax Law. To the extent that amounts are so withheld, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Members.

ARTICLE II

CLOSING

2.1 Time and Place of the Closing. The Closing shall take place at the offices of Morrison & Foerster LLP, 1650 Tysons Boulevard, Suite 400, McLean, Virginia, remotely via the exchange of documents and signatures by facsimile or electronic delivery, on the third (3rd) Business Day after the satisfaction or waiver of the conditions set forth in Article VII and Article VIII (other than those conditions that, by their nature, are to be satisfied at the Closing) or on such other date as the Buyer and the Members' Representative mutually agree.

2.2 Deliveries. At the time of the Closing, (a) each of the Seller Parties and the Members' Representative shall deliver to the Buyer the various certificates, instruments and documents referred to in Section 7.6 below to be delivered by it and (b) Parent and the Buyer shall deliver to each Member, in exchange for each issued and outstanding Company Unit then held by such Member, the Per Company Unit Consideration as set forth in Section 1.2(c) above and each of Parent and the Buyer shall deliver or cause to be delivered to the Members the certificates, instruments and documents referred to in Section 8.6 below to be delivered by it.

ARTICLE III

REPRESENTATIONS AND WARRANTIES RELATING TO THE COMPANY

As a material inducement to the Buyer to enter into this Agreement and to consummate the Transactions, except as set forth on the correspondingly numbered section or subsection of the Company Schedules (it being agreed that the disclosure of any item in one section or subsection thereof shall be deemed included on any other section or subsection and to modify each other representation or warranty (even if such representation or warranty does not reference the Company Schedules) to which the relevance of such item is reasonably apparent on its face), the Company represents and warrants to the Buyer, as of the date hereof and as of the Closing Date, as follows:

3.1 Organization and Corporate Power.

(a) The Company is a limited liability company duly organized, validly existing and in good standing under the Laws of the State of Delaware, and is qualified or registered to do business and in good standing in each jurisdiction where the nature of its activities makes such qualification or registration necessary, except where the failure to be so qualified, registered or in good standing is not reasonably expected to result in a Material Adverse Effect on the Company and its Subsidiaries (taken as a whole). Each of the Company's Subsidiaries is duly organized, validly existing and in good standing under the Laws of its jurisdiction of organization, and is qualified or registered to do business and in good standing in each jurisdiction where the nature of its activities makes such qualification or registration necessary, except where the failure to be so qualified, registered or in good standing is not reasonably expected to result in a Material Adverse Effect on the Company and its Subsidiaries (taken as a whole). The Company and each of its Subsidiaries has the full corporate or limited liability company (as applicable) power and authority necessary to own and operate its properties and to conduct its business as now conducted. Complete and accurate copies of the organizational documents of the Company and each of its Subsidiaries (as in effect prior to amendment in connection with the Reorganization) have been delivered to the Buyer prior to the date hereof and reflect all amendments made thereto at any time prior to the date of this Agreement. A complete and accurate copy of the limited liability company agreement of the Company is attached as Exhibit O to the Restructuring Agreement and, as of the Closing, the limited liability company agreement of each of Subsidiaries of the Company is substantially in the form attached as Exhibit P to the Restructuring Agreement. Neither the Company nor any of its Subsidiaries is in default under or in violation of any provision of its operating agreement or other organizational document or any resolution adopted by its members or managers.

(b) Schedule 3.1 lists each Subsidiary of the Company and sets forth all jurisdictions in which the Company and its Subsidiaries are qualified or registered to do business. The books of account and transfer ledgers of the Company and each of its Subsidiaries are accurate, up-to-date and complete, and have been maintained in accordance with prudent business practices and all applicable Laws. Following the completion of the 351 Exposure Statement, the Seller Parties shall cause to be delivered to Buyer a statement of the tax basis of the assets of the Company and its Subsidiaries that is complete and accurate in all material respects. There have been no meetings or other Proceedings or actions, resolutions or consents of the members of the Company or any of its Subsidiaries or the managers of the Company or any of its Subsidiaries that are not fully reflected in such minutes. Neither the Company nor any of its Subsidiaries has conducted any business under or otherwise used, for any purpose, any fictitious name, assumed name, trade name or other name, other than the names set forth on Schedule 3.1.

3.2 Authority for Agreement. The Company has full limited liability company power, authority and legal right to enter into and perform its obligations under the Transaction Documents to which it is or will be a party and to consummate the Transactions. The managers and the members of the Company have unanimously authorized the Company's execution, delivery and performance of the Transaction Documents and the consummation of the Transactions and the Company has provided the Buyer with a true, correct and complete copy of each such authorization. No other limited liability company proceedings on the part of the Company, or any member of the Company, are, or will be, necessary to approve and authorize the Company's execution, delivery and performance of the Transaction Documents or consummation of the Transactions. The Transaction Documents to which the Company is a party have been or will be duly executed and delivered by the Company and, assuming due execution and delivery by all counterparties thereto, are or will be legal, valid and binding obligations of the Company, enforceable against it in accordance with their respective terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting the enforcement of creditors' rights in general or the rules governing availability of specific performance, injunctive relief or other equitable remedies and general principals of equity, regardless of whether considered in a Proceeding in equity or at law (the "Bankruptcy and Equity Exceptions").

3.3 No Violation to Result. Other than with respect to the Securities Laws or as may be required by reason of Parent's or the Buyer's participation in the Transactions, and assuming all consents or filings set forth on Schedule 3.3 are obtained or made, the execution, delivery and performance by the Company of the Transaction Documents to which the Company is a party and the consummation by the Company of the Transactions and the fulfillment by the Company of the terms hereof and thereof, do not and will not, directly or indirectly (with or without notice or lapse of time, or both): (a) violate, breach, conflict with, constitute a default under, accelerate or permit the acceleration of the performance required by (i) any of the terms of the operating agreement or other organizational documents of the Company or any of its Subsidiaries or any resolution adopted by the managers or members of the Company or any of its Subsidiaries, (ii) any Material Contract to which the Company or any of its Subsidiaries is a party or by which they or their assets are bound, or (iii) any Law or other legal requirement of any Governmental Authority applicable to the Company or any of its Subsidiaries; (b) give any Person the right to declare a default or exercise any remedy or accelerate performance or maturity under any Material Contract or cancel, terminate or modify any Material Contract; (c) give any Governmental Authority the right to revoke, withdraw, suspend, cancel, terminate or modify, any material permit or license that is held by the Company or any of its Subsidiaries or that otherwise is used in or necessary for the Company's or any of its Subsidiaries' business or any of the assets owned or used by the Company or any of its Subsidiaries; or (d) result in the creation or imposition of any material Encumbrance or restriction (other than as expressly provided in the Transaction Documents) in favor of any Person (other than the Buyer) upon any of the Acquired Units or any of the properties or assets of the Company or any of its Subsidiaries under any Contract entered into by the Company or its Subsidiaries, except, in the case of each of (a)(ii), (a)(iii) and (b), where the failure of such representations and warranties to be so true and correct is not material to the Company and its Subsidiaries (taken as a whole). No notice to, filing with, or consent of any Governmental Authority under any Law or any Person under any Material Contract is necessary in connection with, and no "change of control" provision in any Material Contract is, or will be, triggered by, the authorization, approval, execution, delivery or performance by the Company or any of its Subsidiaries of the Transaction Documents or the consummation by the Company or any of its Subsidiaries of the Transactions pursuant thereto, except (x) as set forth on Schedule 3.3, (y) under the Exchange Act, the Securities Act or other federal or state securities, "blue sky" or takeover Laws and any rules or regulations promulgated thereunder (collectively, the "Securities Laws") or (z) any notice, filing or consent, the failure of which to be made or obtained, as applicable, is not material to the Company and its Subsidiaries (taken as a whole).

3.4 Capitalization.

(a) As of the date hereof (without giving effect to the Reorganization), the ownership of the issued and outstanding membership interests of each of the Company and its Subsidiaries are set forth on Schedule 3.4(a). Immediately following consummation of the Reorganization, the Members are the sole record and beneficial owners of all of the issued and outstanding membership interests of the Company.

(b) All of the issued and outstanding membership interests or other equity securities of the Company and each of its Subsidiaries have been duly authorized and validly issued, and are fully paid and non-assessable. Except as set forth on Schedule 3.4(b), following the consummation of the Reorganization, all of the outstanding membership interests or other equity securities of each Subsidiary of the Company will be owned, directly or indirectly, by the Company, free and clear of any Encumbrances other than applicable Securities Laws. Except as set forth on Schedule 3.4(b), no restrictions on transfer, repurchase option, right of redemption, preemptive rights, proxies, membership agreements, rights of first refusal or other similar agreements or rights exist with respect to the membership interests or other equity securities of the Company or any of its Subsidiaries and no such rights will arise by virtue of the Transactions, in each case, other than as set forth in the applicable operating agreement or other organizational documents of such entity, the Restructuring Agreement and the other agreements to be delivered in connection therewith and in the Transaction Documents.

(c) There is no: (i) outstanding subscription, option, call, warrant or right (whether or not currently exercisable) to acquire or sell or issue any membership interests or other equity securities of the Company or any of its Subsidiaries; (ii) outstanding security, instrument or obligation that is or may become convertible into or exercisable or exchangeable for any membership interests or other equity securities of the Company or any of its Subsidiaries; or (iii) Contract under which the Company or any of its Subsidiaries is or may become obligated to acquire, sell or otherwise issue any of its membership interests or other equity securities; in each case, other than as set forth in the applicable operating agreement or other organizational documents of such entity or the Restructuring Agreement and other agreements to be delivered in connection therewith. There are no outstanding restricted securities, phantom securities or other equity-based compensation arrangements, profit participation or other similar rights with respect to the Company or any of its Subsidiaries.

(d) All membership interests or other equity securities of the Company and each of its Subsidiaries have been issued in compliance with all applicable Securities Laws and other applicable legal requirements. Neither the Company nor any of its Subsidiaries is obligated to redeem or otherwise acquire any of its outstanding membership interests or other equity securities other than as set forth in the applicable operating agreement or other organizational documents of such entity.

(e) Except as set forth on Schedule 3.4(e), (i) neither the Company nor any of its Subsidiaries has with respect to any Person other than the Company and its Subsidiaries any direct or indirect debt, equity or other investment or interest in any Person or (ii) neither the Company nor any of its Subsidiaries has any commitments to contribute to the capital of, or make loans to or share losses of, any Person other than the Company and its Subsidiaries (either pursuant to a written Contract or a Contract in the process of being negotiated).

3.5 Financial Statements.

(a) Schedule 3.5(a) includes true, complete and correct copies of the Year-End Financials. The Year-End Financial Statements (i) were prepared consistent with the Company's and its Subsidiaries' books and records, (ii) present fairly in all material respects the combining financial position of the Company and its Subsidiaries as of the respective dates thereof and the combining results of the Company's and its Subsidiaries' operations and cash flows for the periods thereof, and (iii) have been prepared in accordance with GAAP.

(b) Following the completion of the Required Financial Statements, the Seller Parties shall, pursuant to Section 6.24, deliver to Parent and the Buyer as a supplement to Schedule 3.5(a) true, complete and correct copies of the Required Financial Statements. Each of the Required Financial Statements (including in all cases the notes thereto, if any) (i) was prepared consistent with the Company's and its Subsidiaries' books and records, (ii) presents fairly in all material respects the financial position of the Company and its Subsidiaries as of the respective dates thereof and the results of the Company's and its Subsidiaries' operations and cash flows for the periods thereof, (iii) has been prepared in accordance with GAAP (provided that any interim financial statements included in the Required Financial Statements will not include footnote disclosures and other presentation items not required by GAAP to be included in interim financial statements and will not include year-end adjustments) and (iv) to the extent required for inclusion in the Public Disclosure Documents, when filed, mailed or distributed, as applicable, shall comply, in all material respects, with the applicable requirements of the Exchange Act, Regulation S-X and the published general rules and regulations of the SEC.

(c) Except as set forth on Schedule 3.5(a), since the Balance Sheet Date, there has been no material change in the Company's or its Subsidiaries' accounting policies, except for any such change required because of a concurrent change in GAAP. The Company has delivered to the Buyer copies of each management letter or other letter delivered to the Company or any of its Subsidiaries by its accounting firm in connection with the Financial Statements or relating to any review by such accounting firm of the internal controls of the Company and its Subsidiaries.

(d) Any financial statements (and the notes thereto, if any) of the Company and its Subsidiaries delivered pursuant to the terms of this Agreement shall, when delivered, (i) be prepared consistent with the Company's and its Subsidiaries' books and records, (ii) present fairly in all material respects the financial position of the Company and its Subsidiaries as of the respective dates thereof and the results of the Company's and its Subsidiaries' operations and cash flows for the periods indicated (with respect to the Year-End Financial Statements, on a combining basis), (iii) be prepared in accordance with GAAP (provided that any unaudited financial statements included in the Required Financial Statements will not include footnote disclosures and other presentation items not required by GAAP to be included in interim financial statements and will not include year-end adjustments), and (iv) to the extent required for inclusion in the Public Disclosure Documents, when filed, mailed or distributed, as applicable, comply, in all material respects, with the applicable requirements of the Exchange Act, Regulation S-X and the published general rules and regulations of the SEC.

Schedule 3.13 sets forth all material licenses and material permits held by the Company and its Subsidiaries and designates such licenses and permits that terminate or become renewable at any time prior to the first anniversary of the date of this Agreement. To the Knowledge of the Company, there are no facts or circumstances in existence that are reasonably likely to prevent the Company or any of its Subsidiaries from renewing each such license and permit. Since December 31, 2012, neither the Company nor any of its Subsidiaries has received any written allegations from employees, consultants or independent contractors with respect to any material noncompliance with Law, or has conducted or initiated any internal investigation or made a voluntary or involuntary disclosure to any Governmental Authority with respect to any material noncompliance with Law. (a) Schedule 3.14(a) lists, with respect to the Company and each of its Subsidiaries, all: (i) Government Contracts the period of performance of which has not yet expired or terminated or is subject to audit in accordance with its terms or for which final payment has not yet been received (the “Current Government Contracts”); (ii) quotations, bids and proposals for awards of new Government Contracts made by the Company or its Subsidiaries for which no award has been made and for which the Company believes there is a reasonable prospect that such an award to the Company or any of its Subsidiaries may yet be made (the “Government Contract Bids”); and (iii) Government Contracts pursuant to which the Company or any of its Subsidiaries is currently or is reasonably expected to experience cost, schedule, technical or quality problems that is reasonably expected to result in a claim or claims against the Company or any of its Subsidiaries (or its successors in interest) by a Governmental Authority, a prime contractor or a higher-tier subcontractor, in each case, except as would not result in suspension, debarment or economic damages greater than \$100,000. With respect to each Current Government Contract, Schedule 3.14(a) accurately lists (A) the contract number, (B) the award date and (C) the contract end date. With respect to each such Government Contract Bid, Schedule 3.14(a) accurately lists: (A) the request for proposal (RFP) number or, if such Government Contract Bid is for a task order under a prime contract, the applicable prime contract number; (B) the date of proposal submission; (C) the expected award date, if known; (D) the estimated period of performance; and (E) the estimated value based on the proposal, if any. The Company has delivered to the Buyer true and complete copies of all Current Government Contracts and of all Government Contract Bids, including any and all amendments and other modifications thereto and has provided the Buyer with access to true and correct copies of all documentation related thereto requested by the Buyer. All of the Current Government Contracts were legally awarded, are binding on the parties thereto, and are in full force and effect. The Current Government Contracts (or, where applicable, the prime Government Contracts under which the Current Government Contracts were awarded) are not currently the subject of bid or award protest Proceedings, and to the Knowledge of the Company, no such Current Government Contracts (or, where applicable, the prime Government Contracts under which the Current Government Contracts were awarded) are reasonably likely to become the subject of bid or award protest Proceedings. No Person has notified the Company or any of its Subsidiaries in writing or, to the Knowledge of the Company, orally that any Governmental Authority, prime contractor or higher-tier subcontractor under a Current Government Contract intends to seek the Company’s or any of its Subsidiaries’ agreement to lower rates under such Current Government Contract or Government Contract Bids, including any task order under any Government Contract Bids.

The representations, certifications and warranties made by the Company and each of its Subsidiaries with respect to the Government Contracts or Government Contract Bids were accurate as of their effective dates, and the Company and each of its Subsidiaries has fully complied in all material respects with all such certifications. Neither the Company nor any of its Subsidiaries has received, in writing or, to the Knowledge of the Company, orally, a substantially adverse or negative government past performance evaluation or rating that is reasonably expected to adversely affect the evaluation by the Governmental Authority or other potential customer of the Company’s or any of its Subsidiaries’ bids or proposals for future Government Contracts.

(c) With respect to the Current Government Contracts, since December 31, 2008, no Governmental Authority, prime contractor or higher-tier subcontractor under a Government Contract or any other Person has notified the Company or any of its Subsidiaries in writing, or to the Knowledge of the Company, orally, of any actual or alleged material violation or breach by the Company or any of its Subsidiaries of any statute, regulation, representation, certification, disclosure obligation, contract term, condition, clause, provision or specification under or with respect to the Procurement Integrity Act, the Service Contract Act, the Trade Agreements Act and the Buy American Act.

(d) Other than as set forth on Schedule 3.14(d), none of the Current Government Contracts or Government Contract Bids are premised upon the Company's or any of its Subsidiaries' small business status, small disadvantaged business status, protégé status, or other preferential status, nor did any Governmental Authority, or to the knowledge of the Company, prime contractor or higher-tier subcontractor under a Current Government Contract rely upon the Company's or any of its Subsidiaries' small business status, small disadvantaged business status, protégé status, or other preferential status in evaluating any of the Company's or any of its Subsidiaries' quotations, bids or proposals, or in making award of any Current Government Contract to the Company or any of its Subsidiaries. Each representation and/or certification made by the Company or any of its Subsidiaries that it was a small business concern and/or was qualified for other preferential status in each of its Government Contracts and Government Contract Bids was current and accurate as of its effective date. Neither the Company nor any of its Subsidiaries has been required to recertify its small business status, small disadvantaged business status, protégé status or other preferential status in connection with the submission or any proposal for, or award of, any Contract or task order, delivery order, purchase order or subcontract issued related to any small-business set-aside Contract. Schedule 3.14(d) identifies the set-aside basis and the applicable NAICS codes that apply to the work being provided.

(e) Neither the Company nor any of its Subsidiaries is party to any litigation or, to the Knowledge of the Company, has taken any action that is reasonably expected to give rise to (i) Liability under the False Claims Act, (ii) a claim for price adjustment under the Truth in Negotiations Act or (iii) any other request for a reduction in the price of any Government Contracts, including claims based on actual or alleged defective pricing or actual or alleged violations of price reduction clauses or provisions. To the Knowledge of the Company, there exists no basis for a claim of any Liability of the Company or its Subsidiaries by any Governmental Authority as a result of defective cost and pricing data submitted to any Government Authority. Neither the Company nor any of its Subsidiaries has received in writing, or to the Knowledge of the Company, orally, any allegations from employees, consultants or independent contractors with respect to any alleged act or omission that would reasonably be expected to give rise to (i) Liability under the False Claims Act, (ii) a claim for price adjustment under the Truth in Negotiations Act or (iii) any other request for a reduction in the price of any Government Contracts, including to claims based on actual or alleged defective pricing. Neither the Company nor any of its Subsidiaries has conducted or initiated any internal investigation or made a voluntary or involuntary disclosure to any Governmental Authority with respect to (i) Liability under the False Claims Act, (ii) a claim for price adjustment under the Truth in Negotiations Act, or (iii) any other request for a reduction in the price of any Current Government Contracts, including claims based on actual or alleged defective pricing.

(f) Except as described in Schedule 3.14(f): (i) neither the Company nor any of its Subsidiaries has received any written or, to the Knowledge of the Company, oral show cause, cure, deficiency, default or similar notice relating to Current Government Contracts; (ii) no termination for default, cure notice or show cause notice has been issued or, to the Knowledge of the Company, threatened and remains unresolved with respect to any Current Government Contract or Government Contract Bid, and, to the Knowledge of the Company, no event, condition or omission has occurred or exists that would constitute grounds for such action; (iii) no past performance evaluation received by the Company or any of its Subsidiaries with respect to any such Government Contract sets forth a material default or other material failure to perform thereunder or termination or default thereof; (iv) there has not been any material withholding or setoff under any Current Government Contract; and (v) all invoices and claims (including requests for progress payments and provisional costs payments) submitted under each Current Government Contract were accurate and complete in all material respects as of their submission date and (vi) none of the execution, delivery or performance of the Transaction Documents does or will conflict with or result in a breach of or default under any Government Contract or cause a termination of any Government Contract due to loss of preferential status. Neither the Company nor any of its Subsidiaries has received any written or, to the Knowledge of the Company, oral notice terminating any of the Current Government Contracts for convenience or indicating an intent to terminate any of the Current Government Contracts for convenience.

To the Knowledge of the Company, no circumstances exist that would warrant the institution of suspension or debarment Proceedings against the Company, any of its Subsidiaries, any of the Members or any of their Representatives in connection with the performance of their duties for or on behalf of the Company or any of its Subsidiaries.

(i) To the Knowledge of the Company, within the last six (6) years, no negative determination of responsibility has been issued against the Company or any of its Subsidiaries with respect to any quotation, bid or proposal for a Government Contract.
