Indicate by check mark whether the registrant files or will file annual reports under cover of Form 20-F or Form 40-F.

Form 20-F Form 40-F

Indicate by check mark if the registrant is submitting the Form 6-K in paper as permitted by Regulation S-T Rule 101(b)(1): .

Note: Regulation S-T Rule 101(b)(1) only permits the submission in paper of a Form 6-K if submitted solely to provide an attached annual report to security holders.

Indicate by check mark if the registrant is submitting the Form 6-K in paper as permitted by Regulation S-T Rule 101(b)(7): [].

Note: Regulation S-T Rule 101(b)(7) only permits the submission in paper of a Form 6-K if submitted to furnish a report or other document that the registrant foreign private issuer must furnish and make public under the laws of the jurisdiction in which the registrant is incorporated, domiciled or legally organized (the registrant's "home country"), or under the rules of the home country exchange on which the registrant's securities are traded, as long as the report or other document is not a press release, is not required to be and has not been distributed to the registrant's security holders, and, if discussing a material event, has already been the subject of a Form 6-K submission or other Commission filing on EDGAR.

INFORMATION CONTAINED IN THIS FORM 6-K REPORT

Attached to this Report on Form 6-K as Exhibit 1 is a copy of the press release issued by Euroseas Ltd. (the Company) on December 27, 2016: Euroseas Ltd. Announces Delivery of Feeder Containership and Sale of Drybulk Vessel.

This Report on Form 6-K, except for the paragraph beginning with Aristides Pittas, Chairman and CEO of Euroseas commented: , is hereby incorporated by reference into the Company s Registration Statement on Form F-3 (File No. 333-208305) filed with the U.S. Securities and Exchange Commission on December 2, 2015, as amended.

Exhibit 1

Euroseas Ltd. Announces Delivery of Feeder Containership and Sale of Drybulk Vessel

Maroussi, Athens, Greece December 27, 2016 Euroseas Ltd. (NASDAQ: ESEA), an owner and operator of drybulk and container carrier vessels and provider of seaborne transportation for drybulk and containerized cargoes, announced today that it took delivery of the M/V RT Dagr, a 1,645 teu feeder containership built in 1998. As previously announced, the vessel was purchased by issuing 900,000 shares of the Company's common stock.

The Company also announced that it agreed to sell for scrap the M/V Eleni P, a 72,119 dwt 1997-built drybulk carrier. The M/V Eleni P is the oldest drybulk vessel in the Company's fleet and is expected to be delivered to its buyers in the beginning of January 2017.

Aristides Pittas, Chairman and CEO of Euroseas commented: "This transaction is an overall positive development for Euroseas and showcases our ability to take advantage of market opportunities to renew our fleet. For a nominal incremental investment, the M/V Eleni P will be replaced by a larger and younger vessel, the M/V Capetan Tassos, a 75,100 dwt 2000-built drybulk vessel, whose acquisition we announced on November 23rd, 2016. We will continue positioning our fleet for a potential market recovery and exploiting investment opportunities in the present market environment.

After the sale of the M/V Eleni P, the delivery of the M/V RT Dagr, and the previously announced acquisitions of the M/V Alexandros P and the M/V Capetan Tassos (to be delivered to the Company in January 2017), the Company's fleet will consist of 14 vessels, including one Kamsarmax, three Panamax, one Ultramax and one Handymax drybulk

carriers, and eight feeder containerships.

About Euroseas Ltd.: Euroseas Ltd. was formed on May 5, 2005 under the laws of the Republic of the Marshall Islands to consolidate the ship owning interests of the Pittas family of Athens, Greece, which has been in the shipping business over the past 140 years. Euroseas trades on the NASDAQ Capital Market under the ticker ESEA since January 31, 2007.

Euroseas operates in the dry cargo, drybulk and container shipping markets. Euroseas' operations are managed by Eurobulk Ltd., an ISO 9001:2008 and ISO 14001:2004 certified affiliated ship management company and Eurobulk (FE) Ltd. Inc., also an affiliated ship management company, which are responsible for the day-to-day commercial and technical management and operations of the vessels. Euroseas employs its vessels on spot and period charters and through pool arrangements.

Excluding M/V Eleni P and including the previously announced acquisitions of M/V Alexandros P and M/V Capetan Tassos (both to be delivered to the Company January 2017), the Company has a fleet of 14 vessels, including one Kamsarmax drybulk carrier, three Panamax drybulk carriers, one Ultramax drybulk carrier, one Handymax drybulk carrier, and eight Feeder containerships. Euroseas six drybulk carriers have a total cargo capacity of 417,753 dwt, its eight containerships have a cargo capacity of 13,170 teu. The Company has also signed a contract for the construction of one Kamsarmax (82,000 dwt) fuel efficient drybulk carrier. Including the new-building Kamsarmax, the total cargo capacity of the Company's drybulk vessels will be 499,753 dwt.

Forward Looking Statement: This press release contains forward-looking statements (as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended) concerning future events and the Company's growth strategy and measures to implement such strategy; including expected vessel acquisitions and entering into further time charters. Words such as "expects," "intends," "plans," "believes," "anticipates," "hopes," "estimates," and variations of such words and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. These statements involve known and unknown risks and are based upon a number of assumptions and estimates that are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to changes in the demand for dry bulk vessels and container ships, competitive factors in the market in which the Company operates; risks associated with operations outside the United States; and other factors listed from time to time in the Company's filings with the Securities and Exchange Commission. The Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
