Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 3.03 Material Modification to Rights of Security Holders

The information provided in Item 5.03 is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On October 27, 2015, Ocean Power Technologies, Inc. (the “Company”) filed a Certificate of Amendment to its Certificate of Incorporation (the “Certificate of Amendment”) with the Secretary of State of Delaware to effect a one-for-10 (1:10) reverse stock split of the shares of the Company’s common stock, par value \$0.001 per share (the “Common Stock”), either issued and outstanding or held by the Company as treasury stock, effective as of 5:00 p.m. on October 28, 2015 (the “Effective Time”) with the Common Stock trading on a split-adjusted basis as of the market open on October 29, 2015 (the “Reverse Stock Split”). The Certificate of Amendment also decreased the number of authorized shares of the Common Stock from 105,000,000 shares to 50,000,000 shares.

As reported below under Item 5.07 of this Current Report on Form 8-K, the Company held its Annual Meeting of Stockholders on October 22, 2015, at which meeting the Company’s stockholders, by an affirmative vote of the majority of the Company’s outstanding shares of Common Stock, approved the proposal to amend the Company’s Certificate of Incorporation (the “Certificate of Incorporation”) to effect a reverse split of the Common Stock at a ratio determined by the Company’s Board of Directors (the “Board”) within a specific range, and a reduction in the authorized number of shares of Common Stock. Following the stockholders’ approval of this proposal, the Board determined to effect the Reverse Stock Split at a ratio of one-for-ten shares (1:10).

As a result of the Reverse Stock Split, every 10 shares of issued and outstanding Common Stock will be automatically combined into one issued and outstanding share of Common Stock, without any change in the par value per share. No fractional shares will be issued as a result of the Reverse Stock Split. Any fractional shares that would otherwise have resulted from the Reverse Stock Split will be paid in cash in a proportionate amount based on the average closing price of the Common Stock as reported by The NASDAQ Capital Market for the five trading days immediately preceding the effective date of the Reverse Stock Split. The Reverse Stock Split will reduce the number of shares of Common Stock currently outstanding from approximately 18 million shares to approximately 1.8 million shares, subject to adjustment for the payment of cash in lieu of fractional shares.

The Common Stock will begin trading on The NASDAQ Capital Market on a post-split basis on October 29, 2015 (the trading day immediately after the date of the Effective Time). The trading symbol for the Common Stock will remain “OPTT.” The new CUSIP number for the Company’s Common Stock following the Reverse Stock Split is 674870407.

The information set forth herein is qualified in its entirety by reference to the complete text of the Certificate of Amendment, a copy of which is filed with this report as Exhibit 3.1.

A copy of the press release announcing the Reverse Stock Split is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 5.07 Submission of Matters to a Vote of Security Holders.

On October 22, 2015, the Company held its 2015 Annual Meeting of Stockholders. At the Annual Meeting, the Company's stockholders voted on the following proposals:

1. To elect the five nominees named in the Company's proxy statement to serve for a one-year term as a director of the Company expiring at the Company's 2016 Annual Meeting of Stockholders and, in each case, until a successor is elected and qualified. Each nominee for director was elected by a vote of the stockholders as follows:
-

9,482,080 2,009,512 221,435

Item 9.01 Financial Statements and Exhibits.
