SECTION 8 – Other Events

Item 8.01 Other Events

As previously disclosed in its Current Report on Form 8-K filed by Citizens, Inc. (the “Company”) on April 1, 2015 (the “April 1st 8-K”) and its Form 12b-25 filed by the Company on March 17, 2015 (the “12b-25” and together with the April 1st 8-K, the “Previous Filings”), the Company’s management determined that it would not be able to timely file its Annual Report on Form 10-K for the period ended December 31, 2014 (the “Form 10-K”), as it needed additional time to complete its analysis of the tax compliance issue described in the Previous Filings. The Company filed the Form 10-K on April 6, 2015. As a result of filing the Form 10-K after the applicable filing deadline, the Company is no longer eligible to offer or sell the shares of the Company’s Class A common stock under the Citizens, Inc. Stock Investment Plan (the “Plan”) under its Registration Statement on Form S-3 (the “Registration Statement”) under the Securities Act of 1933. The Company expects to submit a post-effective amendment to the Registration Statement on Form S-1 (the “Amended Registration Statement”). The Company has suspended the purchase of shares of Class A common stock by participants under the Plan until the Amended Registration Statement is declared effective.

Cautionary Statement Regarding Forward-Looking Statements

The Private Securities Litigation Reform Act of 1995 provides a “safe harbor” for forward-looking statements. This Form 8-K and any other written or oral statements made by or on behalf of the Company may include forward-looking statements that reflect the Company’s current views with respect to future events and financial performance. All statements other than statements of historical fact included in this Form 8-K are forward-looking statements. Forward-looking statements can generally be identified by the use of forward-looking terminology such as “may,” “will,” “plan,” “expect,” “project,” “intend,” “estimate,” “anticipate,” “believe” and “continue” or their negative or variations or similar terminology. All forward-looking statements address matters that involve risks and uncertainties. Accordingly, there are or will be important factors that could cause the actual results of the Company to differ materially from those indicated in these statements. Please refer to the Company’s filings with the Commission, including among others the Company’s Annual Report on Form 10-K for the year ended December 31, 2013 and subsequent filings on Form 10-Q, for a description of the important factors that could cause the actual results of the Company to differ materially from those indicated in these statements. Forward-looking statements speak only as of the date on which they are made, and the Company undertakes no obligation to update publicly or revise any forward-looking statement, whether as a result of new information, future developments or otherwise.
