PROXY STATEMENT

Dated March 7, 2016

ANNUAL MEETING OF SHAREHOLDERS

To Be Held April 25, 2016

GENERAL INFORMATION

We are furnishing this proxy statement and the accompanying proxy card to you as a shareholder of Park National Corporation (“Park”) in connection with the solicitation of proxies by Park’s Board of Directors for use at the Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Monday, April 25, 2016, at 2:00 p.m., Eastern Daylight Saving Time. The Annual Meeting will be held at the offices of The Park National Bank, 50 North Third Street, Newark, Ohio 43055. This proxy statement summarizes information that you will need in order to vote.

Availability of Proxy Materials

On or about March 7, 2016 this proxy statement and the accompanying proxy card were first mailed or delivered electronically to the shareholders entitled to vote their common shares at the Annual Meeting. Park’s 2015 Annual Report was also mailed or delivered to shareholders with this proxy statement. Audited consolidated financial statements for Park and our subsidiaries as of and for the fiscal year ended December 31, 2015 (the “2015 fiscal year”) are included in Park’s 2015 Annual Report.

Additional copies of Park’s 2015 Annual Report and copies of Park’s Annual Report on Form 10-K for the 2015 fiscal year may be obtained at www.proxyvote.com or www.parknationalcorp.com. Or you can obtain paper copies, without charge, by sending a written request to: Brady T. Burt, Chief Financial Officer, Secretary and Treasurer, Park National Corporation, 50 North Third Street, Post Office Box 3500, Newark, Ohio 43058-3500.

Delivery of Proxy Materials to Multiple Shareholders Sharing the Same Address

Periodically, Park provides each registered holder of common shares at a shared address, not previously notified, with a separate notice of Park’s intention to household proxy materials. The record holder notifies beneficial shareholders (those who hold common shares through a broker, a financial institution or another nominee) of the householding process. Only one copy of this proxy statement, the notice of the Annual Meeting and Park’s 2015 Annual Report is being delivered to previously notified multiple registered holders of common shares who share an address unless Park has received contrary instructions from one or more of the registered holders of common shares. A separate proxy card is being included for each account at the shared address.

Registered holders of common shares who share an address and would like to receive a separate copy of Park’s 2015 Annual Report, a separate notice of the Annual Meeting and/or a separate proxy statement for the Annual Meeting, or who have questions regarding the householding process, may

contact Park's transfer agent and registrar, The Park National Bank, c/o First-Knox National Bank Division, by calling (800) 837-5266, ext. 5208, or forwarding a written request addressed to the First-Knox National Bank Division, Attention: Debbie Daniels, P.O. Box 1270, One South Main Street, Mount Vernon, Ohio 43050-1270. Promptly upon request, a separate copy of Park's 2015 Annual Report, a separate notice of the Annual Meeting and/or a separate copy of this proxy statement for the Annual Meeting will be sent. By contacting the First-Knox National Bank Division, registered holders of common shares sharing an address can also: (i) notify Park that the registered shareholders wish to receive separate annual reports to shareholders, proxy statements and/or Notices of Internet Availability of Proxy Materials, as applicable, in the future; or (ii) request delivery of a single copy of annual reports to shareholders, proxy statements and/or Notices of Internet Availability of Proxy Materials, as applicable, in the future if they are receiving multiple copies.

Beneficial holders of common shares should contact their brokers, financial institutions or other nominees for specific information about the householding process as this process applies to their accounts.

VOTING INFORMATION

Who can vote at the Annual Meeting?

Only holders of common shares of record at the close of business on February 26, 2016 are entitled to receive notice of and to vote at the Annual Meeting. At the close of business on February 26, 2016, there were 15,330,811 common shares outstanding and entitled to vote. Other than the common shares, there are no voting securities of Park outstanding.

Each holder of common shares is entitled to one vote for each common share held on February 26, 2016. A shareholder wishing to exercise cumulative voting with respect to the election of directors must notify Brady T. Burt, Chief Financial Officer, Secretary and Treasurer of Park, in writing before 2:00 p.m., Eastern Daylight Saving Time, on April 23, 2016. If cumulative voting is requested and if an announcement of such request is made upon the convening of the Annual Meeting by the chairman or the secretary of the meeting or by or on behalf of the shareholder requesting cumulative voting, you will have votes equal to the number of directors to be elected, multiplied by the number of common shares you own, and will be entitled to distribute your votes among the candidates for election as directors as you see fit.

How do I vote?

Your common shares may be voted by one of the following methods:

- by traditional paper proxy card;
- by submitting voting instructions via the Web site identified on your proxy card;
- by submitting voting instructions via the Web site identified in the e-mail sent to you if you registered for electronic delivery of proxy materials for the Annual Meeting;
- by submitting voting instructions by telephone via the telephone number identified on your proxy card; or

• in person at the Annual Meeting.

Submitting Voting Instructions via the Internet or by Telephone. If you are a shareholder of record (that is, if your common shares are registered with Park in your own name), you may submit voting instructions via the Internet or by telephone, by following the instructions stated on your proxy card. If you have registered for electronic delivery of proxy materials for the Annual Meeting, you may submit voting instructions via the Internet by following the instructions stated in the e-mail delivering the proxy materials to you. If your common shares are registered in the name of a broker, a financial institution or another nominee (i.e., you hold your common shares in “street name”), your nominee may be participating in a program that allows you to submit voting instructions via the Internet or by telephone. If so, the voting form your nominee sent you will provide instructions for submitting your voting instructions via the Internet or by telephone. The last-dated proxy or voting instructions you submit (by any means) will supersede all previously-submitted proxies and/or voting instructions. Also, if you submit voting instructions via the Internet or by telephone and later decide to attend the Annual Meeting, you may revoke your previously-submitted voting instructions and vote in person at the Annual Meeting.

The deadline for submitting voting instructions via the Internet or by telephone as a shareholder of record is 11:59 p.m., Eastern Daylight Saving Time, on April 24, 2016. For shareholders whose common shares are registered in the name of a broker, a financial institution or another nominee, please consult the instructions provided by your nominee for information about the deadline for submitting voting instructions via the Internet or by telephone.

Voting in Person. If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

If you hold your common shares in “street name” through a broker, a financial institution or another nominee, then that nominee is considered the shareholder of record for voting purposes and will give you instructions for voting your common shares. As a beneficial owner, you have the right to direct that nominee how to vote the common shares held in your account. Your nominee may only vote the common shares of Park that your nominee holds for you in accordance with your instructions. If you have instructed a broker, a financial institution or another nominee to vote your common shares, the options described below for revoking your proxy do not apply and instead you must follow the instructions provided by your nominee to change your vote.

If you hold your common shares in “street name” and wish to attend the Annual Meeting and vote in person, you must bring an account statement or letter from your broker, financial institution or other nominee authorizing you to vote on behalf of such nominee. The account statement or letter must show that you were the direct or indirect beneficial owner of the common shares on February 26, 2016, the record date for voting at the Annual Meeting.

How will my common shares be voted?

Those common shares represented by a properly executed proxy card that is received prior to the Annual Meeting or by properly authenticated Internet or telephone voting instructions that are submitted prior to the deadline for doing so, and not subsequently revoked, will be voted in accordance with your instructions by your proxy. If you submit a valid proxy card prior to the Annual Meeting, or timely submit your voting instructions via the Internet or by telephone, but do not complete the voting

instructions, your proxy will vote your common shares as recommended by the Board of Directors, except in the case of broker non-votes, where applicable, as follows:

• “FOR” the election as Park directors of the nominees identified below under the heading “ELECTION OF DIRECTORS (Proposal 1)”;

• “FOR” the non-binding advisory resolution to approve the compensation of Park’s named executive officers as disclosed in this proxy statement; and

• “FOR” the ratification of the appointment of Crowe Horwath LLP as Park’s independent registered public accounting firm for the fiscal year ending December 31, 2016.

No appraisal or dissenters’ rights exist for any action proposed to be taken at the Annual Meeting. If any other matters are properly presented for voting at the Annual Meeting, the individuals appointed as proxies will vote on those matters, to the extent permitted by applicable law, in accordance with their best judgment.

What if my common shares are held through the Park National Corporation Employees Stock Ownership Plan?

If you participate in the Park National Corporation Employees Stock Ownership Plan (the “Park KSOP”) and common shares have been allocated to your account in the Park KSOP, you will be entitled to instruct the trustee of the Park KSOP, confidentially, how to vote those common shares. If you were automatically enrolled by Park, or elected to enroll, in the electronic delivery service available to certain participants in the Park KSOP, instead of receiving paper copies of our 2015 Annual Report, this proxy statement and the proxy card applicable to the Annual Meeting in the mail, these documents will be made available via your Park e-mail account at the same time as paper copies are sent to the other Park shareholders. If you are enrolled in this electronic delivery service and wish to receive paper copies of our 2015 Annual Report, this proxy statement and the proxy card applicable to the Annual Meeting, please contact Park’s transfer agent and registrar, The Park National Bank, c/o First-Knox National Bank Division, by calling (800) 837-5266, ext. 5208, or forwarding a written request addressed to the First-Knox National Bank Division, Attention: Debbie Daniels, P.O. Box 1270, One South Main Street, Mount Vernon, Ohio 43050-1270.

If you are a participant in the Park KSOP and give no voting instructions to the trustee of the Park KSOP with respect to the matters to be considered at the Annual Meeting, the trustee of the Park KSOP will vote the common shares allocated to your Park KSOP account pro rata in accordance with the instructions received from other participants in the Park KSOP who have voted.

Can the proxy materials be accessed electronically?

On or about March 7, 2016, we sent the proxy materials for the Annual Meeting by U.S. mail to shareholders who had not registered for electronic delivery of the proxy materials and by e-mail to the shareholders who had registered for electronic delivery of the proxy materials. The Notice of Annual Meeting of Shareholders, this proxy statement and our 2015 Annual Report are also available on the Internet as described in the section captioned “NOTICE REGARDING INTERNET AVAILABILITY OF PROXY MATERIALS.”

How do I change or revoke my proxy?

Shareholders who submit proxies retain the right to revoke them at any time before they are exercised. Unless revoked, the common shares represented by such proxies will be voted at the Annual Meeting. You may revoke your proxy at any time before it is actually exercised at the Annual Meeting by giving notice of revocation to Park in writing, by accessing the designated Internet Web site prior to the deadline for transmitting voting instructions electronically, by using the designated toll-free telephone number prior to the deadline for transmitting voting instructions electronically, or by attending the Annual Meeting and giving notice of revocation in person. The last-dated proxy or voting instructions you submit (by any means) will supersede all previously-submitted proxies and/or voting instructions. If you

hold your common shares in “street name” and instructed your broker, financial institution or other nominee to vote your common shares and you would like to revoke or change your vote, then you must follow the instructions provided by your nominee.

If I vote in advance, can I still attend the Annual Meeting?

Yes. You are encouraged to vote promptly, by returning your signed proxy card by mail or by submitting your voting instructions via the Internet or by telephone, so that your common shares will be represented at the Annual Meeting. However, appointing a proxy or submitting voting instructions does not affect your right to attend the Annual Meeting and vote your common shares in person.

What constitutes a quorum and what is the vote required with respect to the proposals to be considered at the Annual Meeting?

Under Park’s Regulations, a quorum is a majority of the voting shares of Park then outstanding and entitled to vote at the Annual Meeting. Other than the common shares, there are no voting shares of Park outstanding. Common shares may be present in person or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes are counted as being present for purposes of determining the presence of a quorum. There were 15,330,811 common shares outstanding and entitled to vote on February 26, 2016, the record date for the Annual Meeting. A majority of the outstanding common shares, or 7,665,406 common shares, present in person or represented by proxy, will constitute a quorum. A quorum must exist to conduct business at the Annual Meeting.

Routine and Non-Routine Proposals

The rules of NYSE MKT LLC (“NYSE MKT”), the stock exchange on which Park’s common shares are listed, determine whether proposals presented at shareholder meetings are routine or non-routine. If a proposal is routine, a broker holding common shares for a beneficial owner in street name may vote on the proposal without receiving instructions from the beneficial owner. If a proposal is non-routine, the broker may vote on the proposal only if the beneficial owner has provided voting instructions. A broker non-vote occurs when the broker holder of record is unable to vote on a proposal because the proposal is non-routine and the beneficial owner does not provide any voting instructions.

The proposal to ratify the appointment of Park’s independent registered public accounting firm is the only routine proposal. Each of the other proposals is a non-routine proposal on which a broker may vote only if the beneficial owner has provided voting instructions.

Vote Required with Respect to the Proposals

Election of Directors (Proposal 1)

Under Ohio law and Park’s Regulations, the four nominees for election as Park directors under Proposal 1 receiving the greatest number of votes “FOR” election will be elected as directors of Park for a term of three years expiring at the 2019 Annual Meeting of Shareholders (the “2019 Annual Meeting”).

Common shares as to which the vote is expressed as an “AGAINST” or “ABSTAIN” vote on the proxy card or in voting instructions with respect to a particular nominee and broker non-votes will be counted for purposes of establishing a quorum for the Annual Meeting but will not affect whether a nominee has received sufficient votes to be elected.

The Board of Directors unanimously recommends a vote “FOR” the re-election of all of the individuals nominated by the Board of Directors.

Approval of the Non-Binding Advisory Resolution to Approve the Compensation of Park's Named Executive Officers (Proposal 2)

The affirmative vote of a majority of the common shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal is required to approve the non-binding advisory resolution to approve the compensation paid to Park's named executive officers as disclosed in this proxy statement. The effect of an abstention is the same as a vote "AGAINST" the proposal. Broker non-votes will not be counted in determining whether the proposal has been approved.

The Board of Directors unanimously recommends that the shareholders of Park vote "FOR" the approval of the non-binding advisory resolution to approve the compensation of Park's named executive officers.

Ratification of Appointment of Independent Registered Public Accounting Firm (Proposal 3)

The affirmative vote of a majority of the common shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal is required to ratify the appointment of Crowe Horwath LLP as Park's independent registered public accounting firm for the fiscal year ending December 31, 2016 (the "2016 fiscal year"). The effect of an abstention is the same as a vote "AGAINST" the proposal.

The Audit Committee and the Board of Directors unanimously recommend that the shareholders of Park vote "FOR" the ratification of the appointment of Crowe Horwath LLP.

Park's policy is to keep confidential proxy cards, ballots, voting instructions submitted electronically and voting tabulations that identify individual shareholders. However, exceptions to this policy may be necessary in some instances to comply with applicable legal requirements and, in the case of any contested proxy solicitation, to verify the validity of proxies presented by any person and the results of the voting. Inspectors of election and any employees associated with processing proxy cards or ballots, reviewing voting instructions submitted electronically and tabulating the vote must acknowledge their responsibility to comply with this policy of confidentiality.

Who pays the cost of proxy solicitation?

Park will pay the costs of preparing, assembling, printing and mailing/delivering this proxy statement, the accompanying proxy card, the 2015 Annual Report and other related materials and all other costs incurred in connection with the solicitation of proxies on behalf of the Park Board of Directors, other than the Internet access and telephone usage charges incurred by a shareholder when voting electronically. Although we are soliciting proxies primarily by mailing these proxy materials to holders of our common shares, or delivering these proxy materials by electronic mail to those shareholders registered for electronic delivery, the directors, officers and employees of Park and our subsidiaries also may solicit proxies by further mailing, personal contact, telephone, facsimile or electronic mail without receiving any additional compensation for such solicitations. Arrangements will also be made with brokerage firms, financial institutions and other nominees who are record holders of common shares of Park for the forwarding of solicitation materials to the beneficial owners of such common shares. Park will reimburse these brokers, financial institutions and nominees for their reasonable out-of-pocket costs in connection therewith.

DIVISIONS OF THE PARK NATIONAL BANK

In 2008, Park consolidated the banking operations of its then eight subsidiary banks located in Ohio under one charter – that of The Park National Bank ("Park National Bank"). Park National Bank now has 11 divisions: (i) the Park National Bank Division headquartered in Newark, Ohio; (ii) the Fairfield National Bank Division headquartered in Lancaster, Ohio; (iii) The Park National Bank of Southwest Ohio & Northern Kentucky Division headquartered in Cincinnati, Ohio; (iv) the Century National Bank Division headquartered in Zanesville, Ohio; (v) the Second National Bank Division headquartered in Greenville, Ohio; (vi) the Richland Bank Division headquartered in Mansfield, Ohio; (vii) the United Bank, N.A. Division headquartered in Bucyrus, Ohio; (viii) the First-Knox National Bank Division headquartered in Mount Vernon, Ohio; (ix) the Farmers Bank Division headquartered in Loudonville, Ohio; (x) the Security National Bank Division headquartered in Springfield, Ohio; and (xi) the Unity National Bank Division headquartered in Piqua, Ohio.

References in this proxy statement to the "Century National Bank Division," the "Second National Bank Division," the "Richland Bank Division," the "United Bank, N.A. Division," the "First-Knox National Bank Division" and the "Security National Bank Division" encompass both the subsidiary bank of Park prior to the bank's merger with and into Park National Bank in 2008 and the division of Park National Bank following the bank's merger with and into Park National Bank. In addition, references in this proxy statement to the "board of directors" in respect of a division of Park National Bank encompass both the board of directors of the subsidiary bank of Park prior to the bank's merger with and into Park National Bank and the affiliate/advisory board of the division of Park National Bank following the bank's merger with and into Park National Bank.

ELECTION OF DIRECTORS

(Proposal 1)

As of the date of this proxy statement, there were 13 members of the Board of Directors – four directors in the class whose terms will expire at the Annual Meeting, five directors in the class whose terms will expire at the 2017 Annual Meeting of Shareholders (the "2017 Annual Meeting") and four directors in the class whose terms will expire at the 2018 Annual Meeting of Shareholders (the "2018 Annual Meeting"). One additional individual served as a member of the Board of Directors during a portion of the 2015 fiscal year – William T. McConnell, who retired from the Board of Directors immediately prior to the 2015 Annual Meeting of Shareholders (the "2015 Annual Meeting"). Mr. McConnell is sometimes referred to in this proxy statement as the "Former Director."

On April 27, 2015, upon the recommendation of the Nominating and Corporate Governance Committee of the Board of Directors (the "Nominating Committee"), the Board of Directors elected Julia

A. Sloat to fill the vacancy created by the retirement of Mr. McConnell in the class of directors whose terms will expire at the 2018 Annual Meeting. Her election was effective June 1, 2015. Ms. Sloat had been recommended to the Nominating Committee by a third-party executive search firm.

Additionally, on April 27, 2015, upon the recommendation of the Nominating Committee, the Board of Directors approved an increase in the number of directors to 13 and elected Alicia J. Hupp to fill the vacancy created by the increase. Ms. Hupp's election to the class of directors whose terms are to expire at the 2017 Annual Meeting was effective June 1, 2015. Ms. Hupp had been recommended to the Nominating Committee by the President and Chief Executive Officer and the Chairman of the Board of Park.

On January 13, 2016, Maureen H. Buchwald, who currently serves in the class of directors whose terms expire at the Annual Meeting, notified Park that she intended to retire from the Board of Directors and not stand for re-election to the Board at the Annual Meeting. Ms. Buchwald's term as a director will expire immediately prior to the Annual Meeting. Ms. Buchwald will continue to serve as a member of the advisory board of the First-Knox National Bank Division.

As a result of the retirement of Ms. Buchwald, a vacancy would be created in the class of directors standing for election at the Annual Meeting. Upon the recommendation of the Nominating Committee, the Board of Directors has fixed the number of directors at 12, upon the expiration of the term of Maureen H. Buchwald immediately prior to the Annual Meeting. To make the number of directors allocated to each class more equal, Stephen J. Kambeitz, who currently serves in the class of directors whose terms will expire at the 2017 Annual Meeting, will resign as a member of that class immediately prior to the Annual Meeting and, as of such time, will be appointed to the class whose terms expire at the Annual Meeting. Mr. Kambeitz will be one of the four directors nominated for re-election to the Board of Directors, along with Donna M. Alvarado, Timothy S. McLain and Rick R. Taylor.

Under Proposal 1, four directors will be elected at the Annual Meeting to hold office for a three year term to expire at the 2019 Annual Meeting and until their respective successors are duly elected and qualified, or until their earlier resignation, removal from office or death. The nominees of the Board of Directors for election as a director at the Annual Meeting are identified below. Each individual was unanimously recommended by the Nominating Committee. CORPORATE GOVERNANCE

Code of Business Conduct and Ethics

In accordance with the applicable sections of the NYSE MKT Company Guide (the “NYSE MKT Rules”) and applicable SEC rules, the Park Board of Directors has adopted the Code of Business Conduct and Ethics which applies to the directors, officers and employees of Park and our subsidiaries. The Code of Business Conduct and Ethics is intended to set forth Park’s expectations for the conduct of ethical business practices by the officers, directors, employees and agents of Park and our subsidiaries, to promote advance disclosure and review of potential conflicts of interest and similar matters, to protect and encourage the reporting of questionable behavior, to foster an atmosphere of self-awareness and prudent conduct and to discipline appropriately those who engage in improper conduct. The Code of Business Conduct and Ethics is posted on the “Governance Documents” section of the “Investor Relations” page of Park’s Internet Web site at www.parknationalcorp.com.

Park Improvement Line/Online Reporting

Park has implemented a “whistleblower” hotline called the “Park Improvement Line.” The Park Improvement Line number is (800) 418-6423, Ext. PRK (775). Calls that relate to accounting, internal accounting controls or auditing matters or that relate to possible wrongdoing by employees of Park or one of our subsidiaries can be made anonymously through this hotline. An additional method of reporting anonymously is online via www.securityvoice.com/reports. The calls and e-mails are received by an independent third-party service and the information received is forwarded directly to the Chair of the Audit Committee and the Head of Park’s Internal Audit Department.

Corporate Governance Guidelines

The Corporate Governance Guidelines are included as Exhibit A to the charter of the Nominating Committee, which is posted on the “Governance Documents” section of the “Investor Relations” page of Park’s Internet Web site at www.parknationalcorp.com.

Independence of Directors

Applicable NYSE MKT Rules require that a majority of the members of Park’s Board of Directors be independent directors. The definition of independence for purposes of the NYSE MKT Rules includes a series of objective tests, which Park has used in determining whether the members of the Park Board of Directors are independent. In addition, a member of Park’s Audit Committee will not be considered to be independent under the applicable NYSE MKT Rules if he or she (i) does not satisfy the independence standards in Rule 10A-3 under the Exchange Act or (ii) has participated in the preparation of the financial statements of Park or any of our current subsidiaries at any time during the past three years.

As required by the NYSE MKT Rules, the Board of Directors has affirmatively determined that each individual who qualifies as “independent” has no relationship with Park or any of our subsidiaries (either directly or indirectly) that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making determinations as to the independence of (i) the current directors of Park and (ii) the Former Director, consistent with the definition of an “independent director” in the applicable NYSE MKT Rules, the Board of Directors reviewed, considered and discussed:

the relevant facts and circumstances of the relationships, whether direct or indirect and whether employment, commercial, industrial, banking, consulting, legal, accounting, charitable, familial or otherwise, between Park and/or any of our subsidiaries and (i) each current director of Park (and the immediate family members of each current director) and (ii) the Former Director (and the immediate family members of the Former Director), in each case since January 1, 2013;

the compensation and other payments (including payments made in the ordinary course of providing business services) (i) each current director of Park (and the immediate family members of each current director) and (ii) the Former Director (and the immediate family members of the Former Director):

has, directly or indirectly, received from or made to Park and/or any of our subsidiaries since January 1, 2013; and

presently expects to receive, directly or indirectly, from or make to Park and/or any of our subsidiaries.

the relationship, if any, between (i) each current director of Park (and the immediate family members of each current director) and (ii) the Former Director (and the immediate family members of each Former Director) and each independent registered public accounting firm which has served as the outside auditor for Park and/or any of our subsidiaries since January 1, 2013;

whether (i) any current director of Park (or any of the immediate family members of any current director) or (ii) the Former Director (or any of the immediate family members of the Former Director) is or was employed as an executive officer of another entity where, at any time since January 1, 2013, any of Park's executive officers served or presently serves on the compensation committee of such other entity; and

whether (i) any current director of Park or (ii) the Former Director has participated in the preparation of the financial statements of Park or any of our current subsidiaries at any time since January 1, 2013.

Based upon that review, consideration and discussion and the unanimous recommendation of the Nominating Committee, the full Board of Directors has determined that at least a majority of the current directors of Park qualify as independent directors. The Board of Directors has determined that each of Donna M. Alvarado, Maureen H. Buchwald, James R. DeRoberts, F. William Englefield IV, Alicia J. Hupp, Stephen J. Kambeitz, Timothy S. McLain, Robert E. O'Neill, Julia A. Sloat, Rick R. Taylor and Leon Zazworsky qualifies as an independent director because each such individual has or had no financial or personal ties, either directly or indirectly, with Park or our subsidiaries other than:

- compensation received and expected to be received in the individual's capacity as a director of Park and a director of Park National Bank (or a member of the advisory board of one of the divisions of Park National Bank);
- non-preferential payments made or received in the ordinary course of providing business services (in the nature of payments of interest or proceeds relating to banking services or loans by one or more of Park National Bank and its divisions);
- ownership of common shares of Park;
- in the case of Maureen H. Buchwald, James R. DeRoberts, Robert E. O'Neill and Leon Zazworsky, ownership of 10% Subordinated Notes due December 23, 2019 issued by Park to them or to their immediate family members or to trusts related to them or to their immediate family members and held by them, their immediate family members or trusts related to them or to their immediate family members until such Notes were repaid in full on December 24, 2014;
- in the case of Maureen H. Buchwald, James R. DeRoberts, Stephen J. Kambeitz, Robert E. O'Neill, Rick R. Taylor and Leon Zazworsky, ownership of 7% Subordinated Notes due April 20, 2022 issued by Park to them, to their immediate family members or to entities related to them or to their immediate family members and held by them or their immediate family members or entities related to them or to their immediate family members;

in the case of Robert E. O'Neill, compensation received by Mr. O'Neill's father (John J. O'Neill) in his capacity as a director of Park and Park National Bank prior to his retirement on April 28, 2014;

in the case of Timothy S. McLain, the fact that the firm of Mr. McLain and his brother (James McLain II) has provided miscellaneous tax services to fiduciary customers of Park National Bank and its divisions in an amount not exceeding \$50,000 in each of the fiscal year ended December 31, 2013 (the "2013 fiscal year"), the fiscal year ended December 31, 2014 (the "2014 fiscal year") and the 2015 fiscal year, and continues to do so and that such services are not provided directly or indirectly to or for the benefit of Park, Park National Bank or any division of Park National Bank;

in the case of Timothy S. McLain, compensation received by Mr. McLain's brother (James McLain II) in his capacity as a member of the advisory board of Fairfield National Bank;

in the case of James R. DeRoberts, compensation received by the insurance agency (as to which he is a partner) for insurance and risk management consulting services provided to Park and our subsidiaries in an amount not exceeding \$200,000 in each of the 2013 fiscal year, the 2014 fiscal year and the 2015 fiscal year, and the fact that such insurance agency continues to provide such insurance and risk management consulting services;

in the case of Ms. Sloat, the fact that she served as a director on the Girl Scouts of Ohio's Heartland Board from May 2010 until April 2015 and Park National Bank made nominal contributions totaling less than \$5,000 in any of the 2013 fiscal year, the 2014 fiscal year and the 2015 fiscal year to the Girl Scouts (and programs sponsored by the Girl Scouts);

in the case of Ms. Hupp, the fact that she serves as a member of the Board of Directors of Wittenberg University and the Security National Bank Division (i) has made payments in respect of a \$100,000, five-year commitment to Wittenberg University and (ii) has made nominal payments in support of Wittenberg University events from time to time, in each case with Ms. Hupp receiving no direct or indirect benefit in any capacity from the payments made by the Security National Bank Division;

in the case of Ms. Hupp, the fact that she serves as a member of the Board of Directors of the Greater Springfield Chamber of Commerce and the Security National Bank Division has made payments in respect of membership in and participation in events sponsored by the Greater Springfield Chamber of Commerce, in each case with Ms. Hupp receiving no direct or indirect benefit in any capacity from the payments made by the Security National Bank Division; and

in the case of Robert E. O'Neill, the fact that he serves on the Board of Grow Licking County CIC and Park National Bank has made payments in respect of matching contributions totaling \$10,000 in the 2015 fiscal year and \$6,100 in the 2016 fiscal year through February 26, 2016, in each case with Mr. O'Neill receiving no direct or indirect benefit in any capacity from the payments made by Park National Bank.

David L. Trautman and C. Daniel DeLawder do not qualify as independent directors because they currently serve as executive officers of Park and Park National Bank. In addition, William T. McConnell did not qualify as an independent director during the period he served as a director of Park in the 2015 fiscal year because he was employed until January 31, 2014 in a non-executive officer capacity by Park National Bank and had previously been an executive officer of Park and Park National Bank.

Risk Management Oversight

The role of the Board of Directors is to provide oversight to ensure an effective enterprise risk management program is in place, including an appropriate enterprise risk management framework and related governance structure. Certain committees of Park's Board of Directors administer various aspects of the Board's risk oversight function. The Risk Committee assists the Board of Directors in overseeing Park's enterprise-wide risks, including credit risk, market risk, liquidity risk (together with the Investment Committee), operational risk, IT/IS risk, legal risk (together with the Audit Committee), strategic risk, compliance risk (together with the Audit Committee) and reputational risk. The Risk Committee's role and its interaction with the full Board of Directors and other Board committees regarding the Risk Committee's risk oversight responsibilities are more fully described under the heading "STRUCTURE AND MEETINGS OF BOARD OF DIRECTORS – Committees of the Board – Risk Committee." The Investment Committee assists the Board of Directors in monitoring management's implementation and enforcement of Park's Investment Policy, Borrowing Policy and Asset/Liability Management Policy, focusing on interest rate risk, credit risk, portfolio risk, liquidity risk (together with the Risk Committee) and counterparty credit risk. The Investment Committee's role and its interaction with the full Board of Directors regarding the Investment Committee's oversight responsibilities are more fully described under the heading "STRUCTURE AND MEETINGS OF BOARD OF DIRECTORS – Committees of the Board – Investment Committee." The Compensation Committee evaluates with Park's Chief Risk Officer all risks posed by Park's compensation programs and makes all reasonable efforts required to limit any unnecessary risks these programs pose to Park and ensures that the programs do not encourage senior executive officers to take unnecessary and excessive risks that threaten the value of Park. The Compensation Committee's role and its interaction with the full Board of Directors and other Board committees regarding compensation risk are more fully described under the heading "EXECUTIVE COMPENSATION – Compensation Committee Report." The Audit Committee discusses Park's systems to monitor and manage business risk with management and Park's Internal Audit Department. The Audit Committee assists the Board of Directors in overseeing audit risk, financial reporting risk, compliance risk (together with the Risk Committee) and legal risk (together with the Risk Committee). The Audit Committee's role and its interaction with the full Board of Directors regarding the Audit Committee's risk oversight responsibilities are more fully described under the heading "STRUCTURE AND MEETINGS OF BOARD OF DIRECTORS – Committees of the Board – Audit Committee."

Nominating Procedures

The Nominating Committee recommended the nominees identified in "ELECTION OF DIRECTORS (Proposal 1)" for election as directors of Park at the Annual Meeting. As detailed in the Nominating Committee's charter, the Nominating Committee has the responsibility to identify and recommend to the full Board of Directors individuals qualified to become directors of Park.

Director Qualifications

Each director must be a shareholder of Park.

It is the sense of the full Board of Directors that each member should be an active leader in the member's business or profession and in the member's community. As a result, Park directors who experience a material change in their principal occupation, position, location or responsibility held when they were elected to the Board of Directors are to promptly, and then on an annual basis by January 1st of each year, if Board service continues, tender a letter of resignation to the Chairman of the Board together with a brief explanation of the change in primary employment. The Chairman of the Board will bring the matter before the next regularly scheduled meeting of the full Board of Directors which may, in its sole discretion, accept or reject the director's offer to resign. Generally, a director is to no longer continue in

service after age 82; however, individuals serving on the Board of Directors as of December 31, 2011 are grandfathered and not subject to this limitation.

A director is expected to submit his or her resignation if a loan from Park National Bank or one of its divisions to the director or an entity controlled by the director is classified “doubtful” or “loss” under applicable regulatory standards.

Criteria Considered by Nominating Committee

Park believes that Board membership should reflect the diversity of the markets served by the Park organization. The Nominating Committee takes into account many factors when considering candidates for the Board of Directors to ensure that the Board is comprised of directors with a variety of experiences and backgrounds, each of whom has high-level managerial experience and represents the interests of Park’s shareholders as a whole rather than those of special interest groups. The Nominating Committee utilizes its pool of existing directors of Park National Bank (and its divisions) as well as the significant network of business contacts of Park’s existing directors and executive officers as the primary source from which director candidates are identified. When evaluating individual director candidates, the Nominating Committee may consider those factors it deems appropriate, including:

- whether the candidate has exhibited behavior indicating a commitment to the highest ethical standards;
- whether the candidate has special skills, expertise and background that would complement the attributes of the incumbent Park directors, taking into consideration the diverse communities and geographies in which Park and our subsidiaries operate;
- whether the candidate has achieved prominence in his or her business, governmental or professional activities, and has built a reputation that demonstrates the ability to make the kind of important and sensitive judgments that members of the Park Board of Directors are called upon to make;
- whether the candidate possesses a willingness to challenge management while working constructively as a part of a team in an environment of collegiality and trust; and
- whether the candidate will be able to devote sufficient time and energy to the performance of his or her duties as a director. Directors are to advise the Chairman of the Board and the Chair of the Nominating Committee in advance of accepting an invitation to serve on another public company board.

The Nominating Committee from time to time will identify other selection criteria for Board membership taking into account the current Board composition and striving to ensure that appropriate knowledge, skills and experience are represented.

Depending on the current needs of Park’s Board of Directors, certain factors may be weighed more or less heavily by the Nominating Committee. Diversity is considered by the Nominating Committee when evaluating potential nominees because the Board of Directors believes that Board membership should reflect not only the diversity of the markets served by Park and our subsidiaries, but also diversity in the Board’s overall experience in business, government, education, technology and other areas relevant to the operations of Park and our subsidiaries and diversity in the Board’s composition in terms of age, skills and other factors relevant to the business of Park and our subsidiaries.

In considering candidates for the Board of Directors, the Nominating Committee evaluates the entirety of each candidate's credentials. Other than the requirement that a candidate be a Park shareholder, there are no specific minimum qualifications that must be met by a Nominating Committee-recommended nominee. However, the Nominating Committee does believe that all members of the Board of Directors should have the highest character and integrity, a reputation for working constructively with others, sufficient time to devote to Board matters and no conflict of interest that would interfere with performance as a director.

The Nominating Committee will consider candidates for the Board of Directors from any reasonable source, including shareholder recommendations. The Nominating Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. During the 2015 fiscal year, the Nominating Committee has used BeecherHill, an executive search firm located in Columbus, Ohio, to help identify and evaluate director candidates.

Nominating Guidelines for Shareholders

Shareholders may recommend director candidates for consideration by the Nominating Committee by writing to Brady T. Burt, Park's Chief Financial Officer, Secretary and Treasurer, at our executive offices located at 50 North Third Street, Post Office Box 3500, Newark, Ohio 43058-3500. The recommendation must give the candidate's name, age, business address or residence address, principal occupation or employment for the past five years, other public company boards on which the candidate serves, whether the candidate would qualify as an "independent director" under the applicable NYSE MKT Rules and the number of Park common shares beneficially owned by the candidate. The Nominating Committee may require additional information to determine the qualifications of the candidate recommended. The person making the recommendation must also include such person's name and address as well as the number of Park common shares owned by such person.

Any shareholder who wishes to nominate an individual for election as a director at an annual meeting of the shareholders of Park must comply with the provisions of Park's Regulations related to shareholder nominations. Shareholder nominations must be made in writing and delivered or mailed to Park's President not less than 14 days nor more than 50 days prior to any meeting of shareholders called for the election of directors. However, if less than 21 days' notice of the meeting is given to the shareholders, the nomination must be mailed or delivered to Park's President not later than the close of business on the seventh day following the day on which the notice of the meeting was mailed to the shareholders. Nominations for the 2015 Annual Meeting must be received by David L. Trautman, Park's President and Chief Executive Officer, by April 11, 2016. Each shareholder nomination must contain the following information to the extent known by the nominating shareholder:

- the name and address of each proposed nominee;
- the principal occupation of each proposed nominee;
- the total number of Park common shares that will be voted for each proposed nominee;
- the name and residence address of the nominating shareholder; and
- the number of Park common shares beneficially owned by the nominating shareholder.

Nominations which do not comply with the above requirements and Park's Regulations will be disregarded.

Communications with the Board of Directors

Although Park has not to date developed formal processes by which shareholders may communicate directly with directors, Park believes that the informal process, in which any communication sent to the Board of Directors, in care of the Audit Committee of the Board of Directors (the “Audit Committee”), or to Park’s Chairman of the Board or Park’s President and Chief Executive Officer, is forwarded to all members of the Board of Directors or specified individual directors, if applicable, has served the needs of the Board of Directors and Park’s shareholders. There is no screening process in respect of shareholder communications. All shareholder communications received by the Audit Committee for the attention of the Board of Directors or specified individual directors are forwarded to the appropriate members of the Board.

Park’s Board of Directors, or one of the Board committees, may consider the development of more specific procedures related to shareholder communications with the Board. Until other procedures are developed and posted on the “Governance Documents” section of the “Investor Relations” page of Park’s website at www.parknationalcorp.com, any communication to the Board of Directors or to individual directors may be sent to the Board or one or more individual directors, in care of the Audit Committee, or in care of Park’s Chairman of the Board or Park’s President and Chief Executive Officer, at our executive offices located at 50 North Third Street, Post Office Box 3500, Newark, Ohio 43058-3500. The mailing envelope must contain a clear notation indicating that the enclosed letter is a “Shareholder-Board Communication” or “Shareholder-Director Communication,” as appropriate. All shareholder communications must identify the author as a shareholder of Park and clearly state whether the correspondence is directed to all members of the Board of Directors or to certain specified individual directors. All shareholder communications will be copied and circulated to the appropriate director or directors without any screening. Correspondence marked “personal and confidential” will be delivered to the intended recipient(s) without opening.

Transactions with Related Persons

Policies and Procedures with Respect to Related Person Transactions

On an annual basis, each director and each executive officer of Park must complete a Directors’ and Officers’ Questionnaire which requires disclosure of any transaction, arrangement or relationship with Park and/or any of our subsidiaries since the beginning of the last fiscal year in which the director or executive officer, or any member of his or her immediate family, has or had a direct or indirect interest. In addition, officers of Park and our subsidiaries must provide personal financial information annually as well as periodic information regarding the incurrence of indebtedness over \$10,000. Park’s Retail Loan Department also reviews information quarterly for any outstanding loans with Park National Bank and/or one of its divisions in which the director or executive officer, or any member of his or her immediate family, has a direct or indirect material interest. As a part of its review process, Park’s Retail Loan Department compares information on a quarterly basis to track originations of any new loans for a director or an executive officer, or any member of his or her immediate family, and reconciles all then current account information to ensure the data has been gathered and recorded accurately.

The Audit Committee of Park’s Board of Directors is responsible, under the terms of that Committee’s charter, for reviewing and overseeing procedures designed to identify related person transactions that are material to Park’s consolidated financial statements or otherwise require disclosure under applicable NYSE MKT Rules or applicable rules adopted by the SEC, including those transactions required to be disclosed under Item 404 of SEC Regulation S-K, or the rules of any other appropriate regulatory agency or body. All such transactions must be approved by the Audit Committee. Further, under the terms of Park’s Code of Business Conduct and Ethics, the Audit Committee is responsible for reviewing and overseeing all actions and transactions which involve the personal interest of a director or

executive officer of Park and determining in advance whether any such action or transaction represents a potential conflict of interest. In addition, under the terms of Park's Commercial Loan Policy, all loans made to directors of Park or one of our subsidiaries in excess of \$500,000 must be approved by the full Board of Directors of Park or of Park National Bank. To the extent any transaction represents an ongoing business relationship with Park or any of our subsidiaries, such transaction must be reviewed annually and be on terms no more favorable than those which would be usual and customary in similar transactions between unrelated persons dealing at arms' length.

Transactions Involving Subordinated Notes

On April 20, 2012, Park entered into a Subordinated Note Purchase Agreement with 56 "accredited investor" purchasers who purchased an aggregate principal amount of \$30,000,000 of Park's 7% Subordinated Notes due April 20, 2022 (each, a "2012 Note"). The 2012 Notes are intended to qualify as Tier 2 Capital under applicable Federal Reserve Board regulations. Each 2012 Note was purchased at a purchase price of 100% of the principal amount thereof.

The 2012 Notes mature on April 20, 2022 and are not secured by any assets of Park or any other collateral. Interest on the 2012 Notes is payable quarterly, at a fixed rate of 7% per annum. The 2012 Notes may not be prepaid by Park prior to April 20, 2017. Thereafter, Park may prepay all, or from time to time, any part of the 2012 Notes at 100% of the principal amount (plus accrued interest) without penalty, subject to any requirement under the applicable Federal Reserve Board regulations to obtain prior approval before making any prepayments.

The sale of 2012 Notes was reviewed in accordance with the policies described above under the heading "Policies and Procedures with Respect to Related Person Transactions."

2012 Notes were purchased by Maureen H. Buchwald individually and by a trust for the benefit of her daughter, C. Daniel DeLawder and his spouse, the father of James R. DeRoberts, Stephen J. Taylor on July 23, 2013, the 2012 Note was transferred to The Taylor Family Foundation, an organization described in Section 501(c)(3) of the Internal Revenue Code and operated for the benefit and support of The Ashland County Community Foundation. Rick R. Taylor is the President of The Taylor Family Foundation and serves as one of the five members of the Board of Directors of the Foundation.

Banking Transactions

During Park's 2015 fiscal year, certain of the current directors and executive officers of Park, the Former Director as well as members of their respective immediate families and firms, corporations or other entities with which they are affiliated, were customers of and had banking transactions (including loans and loan commitments) with Park National Bank and/or one or more of the divisions of Park

National Bank in the ordinary course of their respective businesses and in compliance with applicable federal and state laws and regulations. It is expected that similar banking transactions will be entered into in the future. Loans to these persons have been made on substantially the same terms, including the interest rate charged and collateral required, as those prevailing at the time for comparable transactions with persons not affiliated with Park or one of our subsidiaries. These loans have been, and are presently, subject to no more than a normal risk of uncollectibility and present no other unfavorable features. At the close of business on December 31, 2015, the aggregate principal balance of loans to the 13 individuals currently serving as directors of Park and the current executive officers of Park, together with their respective associates, as a group was approximately \$36.0 million. As of the date of this proxy statement, each of the loans described in this paragraph was performing in accordance with its original terms. Each of the loans described in this paragraph was subject to our written policies, procedures and standard underwriting criteria applicable to loans generally as well as made in accordance with the requirements of Regulation O promulgated by the Federal Reserve Board governing prior approval of the loan by the Board of Directors of Park National Bank (or the division of Park National Bank) making the loan.

Other Transactions

James R. DeRoberts, a director of Park, is a partner at Gardiner Allen DeRoberts Insurance, an independent insurance agency. During Park's 2015 fiscal year, Gardiner Allen DeRoberts Insurance provided insurance and risk management consulting services to Park and our subsidiaries and received less than \$200,000 for such services. The continuing relationship between Gardiner Allen DeRoberts Insurance and Park and our subsidiaries has been reviewed in accordance with the policies described above under the heading "Policies and Procedures with Respect to Related Person Transactions."

STRUCTURE AND MEETINGS OF BOARD OF DIRECTORS

Meetings of the Board of Directors and Attendance at Annual Meetings of Shareholders

The Board of Directors held seven meetings during the 2015 fiscal year. Each incumbent director of Park attended at least 85% of the aggregate of the total number of meetings held by the full Board of Directors and the total number of meetings held by the Board committees on which he or she served, in each case during the period of his or her service. In accordance with applicable NYSE MKT Rules and Park's Corporate Governance Guidelines, the independent directors meet in executive session (without the presence of management and non-independent directors) on a regular basis but not less than twice each year. Such meetings have historically been held immediately following each regular meeting of the full Board of Directors.

Park encourages all incumbent directors and director nominees to attend each annual meeting of shareholders. All of the eleven then incumbent directors attended Park's last annual meeting of shareholders held on April 27, 2015.

Board Leadership

During the 2015 fiscal year, C. Daniel DeLawder served as Park's Chairman of the Board (as well as a full-time executive employee of Park National Bank) and David L. Trautman served as Park's Chief Executive Officer and President (sometimes referred to as the "Chief Executive Officer"). On January 23, 2012, the Nominating Committee recommended, and the Board of Directors appointed, Leon Zazworsky as the Lead Director for Park, a position which Mr. Zazworsky continues to hold. Park's management and Board of Directors believe that the Lead Director position augments Park's strong history of shareholder-focused leadership. The Board of Directors retains the authority to modify this structure to best address Park's unique circumstances as and when the Board deems appropriate.

The Board of Directors believes that its current leadership structure is efficient and effective for Park for the following reasons:

The Chief Executive Officer's day-to-day management and operation of Park and execution of Park's strategy provides the Chief Executive Officer with a comprehensive understanding of Park's performance and strategic priorities, which is crucial for participating in discussions with the Board of Directors and executing strategy.

The Chief Executive Officer, working closely with the Chairman of the Board, supplemented by the Lead Director position, promotes strategy development and execution and facilitates the flow of information between management and the Board of Directors, which are essential to effective corporate governance.

Taken together, the Lead Director position, and the Chief Executive Officer and the Chairman of the Board positions foster clear accountability, effective decision-making and alignment on corporate strategy. The Chairman of the Board and the Lead Director confer on the calendar and agendas for the meetings of the Board of Directors and the Lead Director chairs the executive session of each Board meeting, reporting the results of those executive sessions to the Chairman of the Board. The Lead Director also has the authority to call meetings of the independent directors.

Leon Zazworsky, in his capacity as the Lead Director, serves as liaison between the Chief Executive Officer, the Chairman of the Board and the independent directors. As discussed in his biographical information, Mr. Zazworsky has decades of experience not only with the Park organization, but also as the owner/operator of several successful private businesses. Park's management and Board of Directors believe he has executed and will continue to execute his Lead Director duties with the same care and concern he has brought to the Board of Directors of Park National Bank (Park's lead subsidiary) since 1991 and to the Park Board of Directors since 2003.

The role of the Board of Directors and its committees in the oversight of risk affirms the current Board leadership structure. That is, the current leadership structure supports measured risks, yet monitors and controls them to the benefit of all shareholders.

Committees of the Board

During the 2015 fiscal year, the Board of Directors had six standing committees which held regularly scheduled meetings – the Audit Committee, the Compensation Committee, the Executive Committee, the Investment Committee, the Nominating Committee and the Risk Committee.

Audit Committee

The Board of Directors has an Audit Committee which was established in accordance with Section 3(a)(58)(A) of the Exchange Act and is currently comprised of Stephen J. Kambeitz (Chair), Donna M. Alvarado, Maureen H. Buchwald, Alicia J. Hupp, Timothy S. McLain and Robert E. O'Neill. Ms. Alvarado, Ms. Buchwald and Messrs. Kambeitz, McLain and O'Neill also served as members of the Audit Committee during the entire 2015 fiscal year. Ms. Hupp was appointed to the Audit Committee effective June 1, 2015, upon her initial election as a member of Park's Board of Directors. Upon the recommendation of the Nominating Committee, the Board of Directors has determined that each current member of the Audit Committee qualifies as an independent director under the applicable NYSE MKT Rules and under SEC Rule 10A-3.

Upon the recommendation of the Nominating Committee, the Board of Directors has also determined that each of Ms. Buchwald, Mr. Kambeitz and Mr. McLain qualifies as an “audit committee financial expert” for purposes of Item 407(d)(5) of SEC Regulation S-K. Ms. Buchwald served as Vice President of Administration and Secretary of the Board of Directors of Ariel Corporation for more than 20 years prior to her retirement in 1997. In her capacity as Vice President of Administration, Ms. Buchwald oversaw the accounting functions of Ariel Corporation. Mr. Kambeitz has served as President since 2008, and served as Chief Financial Officer from 2001 to 2008, of R.C. Olmstead, Inc. and prior thereto, served as Chief Financial Officer from 1999 to 2001 of Lighthouse Financial Services, Inc. Mr. Kambeitz’s past professional experience includes service in financial or accounting roles with Fifth Third Bank; State Savings Company, where he served as Chief Financial Officer; Calibre Corporation; Worthington Industries, Inc.; and Peat, Marwick, Mitchell and Company. Mr. McLain is a Certified Public Accountant who has been associated with the firm McLain, Hill, Rugg & Associates, Inc. since 1979, serving as Vice President since 1991. In addition to the qualification of each of Ms. Buchwald, Mr. Kambeitz and Mr. McLain as an “audit committee financial expert,” Park’s Board of Directors strongly believes that each of the members of the Audit Committee is highly qualified to discharge the member’s duties on behalf of Park and our subsidiaries and satisfies the financial literacy requirement of the NYSE MKT Rules. Park’s Board of Directors also believes that each of Ms. Alvarado, Ms. Buchwald, Ms. Hupp, Mr. Kambeitz, Mr. McLain and Mr. O’Neill satisfies the financial sophistication requirement of the NYSE MKT Rules.

The Audit Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors (the “Audit Committee Charter”). A copy of the Audit Committee Charter is posted on the “Governance Documents” section of the “Investor Relations” page of Park’s Internet Web site at www.parknationalcorp.com. At least annually, the Audit Committee reviews and reassesses the adequacy of the Audit Committee Charter and recommends changes to the full Board of Directors as necessary.

The Audit Committee is responsible, among other things, for:

- overseeing the accounting and financial reporting processes of Park and our subsidiaries;

Compensation Committee

The Board of Directors has a Compensation Committee which is currently comprised of F. William Englefield IV (Chair), Stephen J. Kambeitz, Timothy S. McLain and Leon Zazworsky.

Messrs. Englefield, Kambeitz, McLain and Zazworsky also served as members of the Compensation Committee during the entire 2015 fiscal year. Upon the recommendation of the Nominating Committee, the Board of Directors has determined that each member of the Compensation Committee satisfies the independence standards for members of a compensation committee included in Section 805(c)(1) of the NYSE MKT Company Guide. In addition, each Compensation Committee member qualifies as an “outside director” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Internal Revenue Code”), and each of Messrs. Englefield and McLain qualifies as a “non-employee director” for purposes of SEC Exchange Act Rule 16b-3. Messrs. Kambeitz and Zazworsky do not qualify as “non-employee directors” for purposes of SEC Exchange Act Rule 16b-3 due to their ownership of 7% Subordinated Notes due April 20, 2022 issued by Park to them. Any member of the Compensation Committee who does not qualify as a “non-employee director” or as an “outside director” is required to abstain from voting on all matters as to which such classification would be relevant.

The Compensation Committee is organized and conducts its business pursuant to a written charter adopted by the Board of Directors (the “Compensation Committee Charter”). A copy of the Compensation Committee Charter is posted on the “Governance Documents” section of the “Investor Relations” page of Park’s Internet Web site at www.parknationalcorp.com. The Compensation Committee periodically reviews and reassesses the adequacy of the Compensation Committee Charter and recommends changes to the full Board of Directors as necessary.

The Compensation Committee’s primary responsibilities include:

- periodically reviewing with Park’s management and approving the general compensation policy for the executive officers of Park and those other employees of Park and our subsidiaries whom the full Board of Directors directs or required by any applicable laws, rules or regulations;
- evaluating the performance of Park’s executive officers in light of goals and objectives approved by the Compensation Committee and determining those executive officers’ compensation based on that evaluation;
- administering Park’s incentive compensation plans, equity-based plans (in particular, the Park National Corporation 2013 Long-Term Incentive Plan or the “2013 LTIP”) and any other plans requiring Compensation Committee administration and approving awards as required to comply with applicable laws, rules and regulations;
- overseeing the preparation of the compensation discussion and analysis (and related disclosures) and recommending to the full Board of Directors the inclusion of such compensation discussion and analysis in the annual proxy statement of Park in accordance with applicable NYSE MKT Rules and applicable SEC rules;
- approving the Compensation Committee Report to be included in the annual proxy statement of Park in accordance with applicable SEC rules;
- recommending to the full Board of Directors the compensation for directors;
- reviewing and making recommendations to the full Board of Directors with respect to incentive compensation plans and equity-based plans in accordance with applicable laws, rules and regulations;

reviewing and approving any compensation-related matters to be considered by the shareholders at the annual meeting of shareholders and recommending any actions to be taken by the full Board of Directors with respect to those proposals;

reviewing and assessing the independence of the Compensation Committee's compensation consultants, legal counsel and other advisers, in accordance with applicable NYSE MKT Rules and applicable SEC rules; and

reviewing and evaluating any conflict of interest raised by the work performed by any compensation consultant for the Compensation Committee or Park and/or our subsidiaries and recommending any actions to be taken by Park and/or our subsidiaries.

The Compensation Committee reviews Park's organizational structure and succession plans for Park's executive officers with the full Board of Directors as needed. The Compensation Committee will also carry out any other responsibilities delegated to the Compensation Committee by the full Board of Directors.

The Compensation Committee has the authority to retain one or more compensation consultants to assist in the evaluation of director and executive officer compensation. The Compensation Committee has sole authority to retain and terminate any such compensation consultant, including sole authority to approve each consultant's fees and other retention terms.

During the 2015 fiscal year, the Compensation Committee retained Pay Governance LLC to assist the Compensation Committee in structuring the compensation program for Park's executive officers. Please see the discussion under the heading "EXECUTIVE COMPENSATION – Compensation Discussion and Analysis – Process Used to Set Compensation for 2015 – Role of Outside Advisors" for a detailed explanation of the services rendered by Pay Governance.

At its December 7, 2015 meeting, the Compensation Committee conducted an assessment to evaluate whether the work performed and to be performed by Pay Governance raises a conflict of interest or compromises the independence of Pay Governance. This assessment included the consideration of the six factors listed in SEC Rule 10C-1(b)(4)(i) through (vi) and restated as Section 805(c)(4) in the NYSE MKT Company Guide. Based upon its assessment, the Compensation Committee unanimously determined that: (a) the work performed and to be performed by Pay Governance had not raised and did not raise any conflict of interest or compromise the independence of Pay Governance; and (b) Pay Governance qualified as independent for purposes of SEC Rule 10C-1(b)(4) and Section 805(c) of the NYSE MKT Company Guide. The Compensation Committee has also determined that since December 7, 2015, there have been no changes in circumstances through the date of this proxy statement which would require the Compensation Committee to change its determinations.

The Compensation Committee met three times during the 2015 fiscal year. The compensation discussion and analysis regarding executive compensation for the 2015 fiscal year begins at page 37 and the Compensation Committee Report for the 2015 fiscal year begins on page 54.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of Park's Board of Directors is currently comprised of F. William Englefield IV (Chair), Stephen J. Kambeitz, Timothy S. McLain and Leon Zazworsky. Messrs. Englefield, Kambeitz, McLain and Zazworsky also served as members of the Compensation Committee during the entire 2015 fiscal year. All of the current members of the Compensation Committee are independent directors for purposes of the applicable NYSE MKT Rules and none of them is a present or past employee or officer of Park or any of our subsidiaries. During the 2015 fiscal year, none of Park's executive officers served on the board of directors or compensation committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers served on Park's Board of Directors or Compensation Committee.

Each of Messrs. Englefield, Kambeitz, McLain and Zazworsky as well as firms, corporations or other entities with which they are affiliated were customers of and had banking transactions (including loans and loan commitments) with Park National Bank, in the ordinary course of their respective businesses and in compliance with applicable federal and state laws and regulations. The loans to these persons were made on substantially the same terms, including the interest rate charged and collateral required, as those prevailing at the time for comparable transactions with persons not affiliated with Park or one of our subsidiaries. In addition, the loans to these persons have been, and are presently, subject to no more than a normal risk of uncollectibility and present no other unfavorable features.

On April 20, 2012, Stephen J. Kambeitz purchased a 2012 Note in the principal amount of \$250,000 and Leon Zazworsky purchased a 2012 Note in the principal amount of \$1,000,000. Each 2012 Note was purchased at a purchase price of 100% of the principal amount thereof. The 2012 Notes mature on April 20, 2022. Interest on the 2012 Notes is payable quarterly, at a fixed rate of 7% per annum. During the period from January 1, 2015 through February 26, 2016, Mr. Kambeitz was paid interest in the aggregate amount of \$17,500 (\$17,500 during the 2015 fiscal year) and Mr. Zazworsky was paid interest in the aggregate amount of \$70,000 (\$70,000 during the 2015 fiscal year).

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

(Proposal 2)

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and corresponding SEC rules enable Park’s shareholders to vote to approve, on an advisory and non-binding basis, the compensation of Park’s named executive officers as disclosed in this proxy statement in accordance with SEC rules. Accordingly, the following resolution will be submitted for shareholder approval at the Annual Meeting:

“RESOLVED, that the shareholders of Park National Corporation (“Park”) approve, on an advisory basis, the compensation of Park’s named executive officers as disclosed in Park’s proxy statement for its 2016 Annual Meeting of Shareholders pursuant to Item 402 of SEC Regulation S-K, including in the “Compensation Discussion and Analysis”, the “Summary Compensation Table for 2015”, and the related executive compensation tables, notes and narratives.” The Board of Directors believes that Park’s compensation policies and procedures, which are reviewed and approved by the Compensation Committee, are effective in aligning the compensation of Park’s named executive officers with Park’s short-term goals and long-term success and that such compensation and incentives are designed to attract, retain and motivate Park’s key executives who are directly responsible for Park’s continued success. The Board of Directors believes that Park’s compensation policies and practices do not threaten the value of Park or the investments of Park’s shareholders or create incentives to engage in behaviors or business activities that are reasonably likely to have a material adverse impact on Park. The Board of Directors further believes that Park’s culture focuses executives on sound risk management and appropriately rewards executives for performance.

The Board of Directors further believes that Park's compensation policies and procedures are reasonable in comparison both to Park's peer financial services holding companies and to Park's performance during the 2015 fiscal year. Similar "Say on Pay" proposals have been approved by a significant majority of the common shares voted at each of Park's last seven annual meetings of the shareholders, including those held in 2009, 2010, 2011 and 2012, when the "Say on Pay" proposal was required to be submitted to Park's shareholders in connection with Park's participation in the U.S. Treasury's TARP Capital Purchase Program. Park exited the TARP Capital Purchase Program on April 25, 2012. Shareholders are encouraged to carefully review the information provided in this proxy statement regarding the compensation of Park's named executive officers in the section of this proxy statement captioned "EXECUTIVE COMPENSATION – Compensation Discussion and Analysis".

Because your vote is advisory, the outcome of the vote will not: (i) be binding upon Park's Board of Directors or the Compensation Committee with respect to future executive compensation decisions, including those relating to Park's named executive officers, or otherwise; (ii) overrule any decision made by Park's Board of Directors or the Compensation Committee; or (iii) create or imply any additional fiduciary duty by Park's Board of Directors or the Compensation Committee. However, the Compensation Committee expects to take into account the outcome of the advisory vote when considering future executive compensation arrangements.

Recommendation and Vote Required

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS OF PARK VOTE "FOR" THE APPROVAL OF THE NON-BINDING ADVISORY RESOLUTION TO APPROVE THE COMPENSATION OF PARK'S NAMED EXECUTIVE OFFICERS.

The affirmative vote of a majority of the common shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal is required to approve the non-binding advisory resolution to approve the compensation paid to Park's named executive officers as disclosed in this proxy statement. The effect of an abstention is the same as a vote "AGAINST" the proposal. Broker non-votes will not be counted in determining whether the proposal has been approved.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive Summary

Park's executive compensation program is managed by the Compensation Committee with input from management and outside advisors as appropriate. The Compensation Committee oversees Park's executive compensation plans and policies, administers Park's equity-based compensation plans and annually reviews the compensation of Park's executive officers. In particular, the Compensation Committee determines the compensation of Park's named executive officers ("NEOs"), consisting of the following individuals for 2015:

• David L. Trautman, Chief Executive Officer (the "CEO")/President

• C. Daniel DeLawder, Chairman of the Board (the "Chairman")

• Brady T. Burt, Chief Financial Officer, Secretary and Treasurer (the "CFO")

Overall, the Compensation Committee believes that the NEOs have been paid conservatively. Although base salaries for the NEOs approximated the 70th percentile of those paid to executive officers with similar duties at Park's peer financial services holding companies in the Midwest Regional Peer Group (described on page 42 as the "Midwest Regional Peer Group"), their total cash compensation (base salary and annual incentive compensation) equaled the Midwest Regional Peer Group's 50th percentile of total cash compensation paid. Furthermore, total direct compensation (which includes the value of long-term, equity-based awards as well as base salary and annual incentive compensation actually received) for Park's NEOs was positioned around the Midwest Regional Peer Group's 35th percentile, or well below median. In comparison, Park's overall annual financial performance has historically been equal to or superior to that of the median of Park's peer financial services holding companies, including the Midwest Regional Peer Group and the \$3 billion to \$10 billion Peer Group described below, which was the case again in 2015. In addition, when considering the effectiveness of Park's compensation program for NEOs in 2015, shareholders should consider that:

By most measures, Park's performance in 2015 continued to exceed the median results of all other financial services holding companies in the United States with assets of \$3 billion to \$10 billion. As of December 31, 2015, there were 143 financial services holding companies in this peer group (the "\$3 billion to \$10 billion Peer Group"), a list of which is included as Appendix A to this proxy statement.

Changes to the base salaries for 2015 for the CEO/President and the Chairman were relatively modest (roughly 1% to 2% over 2014 levels). The increase in the 2015 base salary for Mr. Burt recognized his performance in the role of CFO and the fact that his base salary had been well below that of other CFOs at financial services holding companies in the Midwest Regional Peer Group. No changes were made to the base salaries of the NEOs for 2016.

Annual incentive compensation awards earned for performance for the twelve-month period ended September 30, 2015 approximated 40% of the respective 2015 base salaries for the NEOs, slightly lower than the levels from 2014. These incentive compensation awards reflected a decline in net income for 2015 and returns on average common equity ("ROACE") and average assets ("ROAA") that were comparable to results in 2014. These annual incentive compensation payout levels resulted in cash compensation (base salary and annual incentive compensation) comparable to the median of that paid to similarly-situated executive officers of financial services holding companies in the Midwest Regional Peer Group.

On December 16, 2014, the Compensation Committee granted awards of performance-based restricted stock units ("PBRsUs") under the 2013 LTIP to the NEOs with an effective date of January 2, 2015. The grant date target value of these awards ranged from approximately 20% to 30% of the NEOs' respective 2015 base salaries. These opportunities are in the bottom quartile of the long-term incentive opportunities offered to named executive officers of the bank holding companies in the Midwest Regional Peer Group.

On December 7, 2015, the Compensation Committee granted awards of PBRsUs under the 2013 LTIP to the NEOs with an effective date of January 1, 2016. The grant date target value of these awards ranged from approximately 30% to 45% of the NEOs' respective 2016 base salaries. These opportunities are in the bottom quartile of the long-term incentive opportunities offered to named executive officers of the bank holding companies in the Midwest Regional Peer Group.

The target number of PBRsUs awarded effective January 2, 2015 will only be earned if Park achieves demanding performance requirements over the three fiscal year performance period from January 1, 2015 through December 31, 2017. Similarly, the target number of PBRsUs awarded effective January 1, 2016 will only be earned if Park achieves demanding performance requirements over the three fiscal year performance period from January 1, 2016 through December 31, 2018. In both cases, Park's consolidated net income for each fiscal year of the performance period must equal or exceed 110% of all cash dividends paid during the applicable fiscal year. In addition, Park's cumulative ROAA for the three fiscal year performance period must exceed the 50th percentile of the ROAA results of the financial services holding companies in the peer group used for comparison purposes for the awards granted (financial services holding companies with consolidated total assets of between \$3 billion and \$10 billion). For each three fiscal year performance period, Park's performance at the 80th percentile of the ROAA results of the peer financial services holding companies will result in the NEOs earning the maximum level of PBRsUs. These requirements are unchanged from PBRsU awards granted in 2014.

In addition, PBRsUs earned based upon the financial results for the three fiscal year performance period, are subject to additional vesting and holding requirements. One half of the PBRsUs earned will vest on the date the Compensation Committee's certifies the results for the performance period with the remaining 50% of the earned PBRsUs vesting on the first anniversary of the certification date. Common shares received upon settlement of earned and vested PBRsUs cannot be sold, transferred, assigned or otherwise similarly disposed of for five years after the date they are delivered. These provisions also are unchanged from the PBRsUs awarded in 2014.

NEOs receive the same fringe benefits as other employees, except that Park and Park National Bank have entered into supplemental executive retirement benefits agreements ("SERP Agreements") with the NEOs. Each of Messrs. Trautman and DeLawder is party to a SERP Agreement with Park made as of February 18, 2008. Supplemental SERP Agreements were entered into between Messrs. Trautman and DeLawder and Park National Bank on June 15, 2015, which were intended to increase the aggregate amount of the "Full Benefit" payable under the SERP Agreements to a level which would provide total retirement benefits more reflective of their current income, but no greater than the benefits they would receive under Park's retirement plans if the regulatory limits on benefits had not been in place. In addition, a new SERP Agreement was entered into on June 15, 2015 between Park National Bank and Mr. Burt, who had not previously been party to a SERP Agreement. The SERP Agreements are intended to provide total retirement benefits (in terms of income replacement) for the NEOs that are comparable to those available to other employees in the Park organization with similar years of service but who are not subject to regulatory limits on the benefits which they may receive under Park's Defined Benefit Pension Plan (the "Park Pension Plan") and the Park KSOP. As a result, the SERP Agreements will not result in the NEOs receiving benefits in terms of income replacement that are greater than those they would have otherwise received under Park's retirement plans if the regulatory limits on benefits had not been in place.

Park National Bank has also entered into two forms of split-dollar agreements ("Split-Dollar Agreements") with the NEOs. One form of Split-Dollar Agreement (the "Maximum Benefit Split-Dollar Agreements") provides for the payment of benefits in an amount which is equal to the lesser of (i) a specified "Death Benefit" (the amount of which will be reduced if the NEO dies after he has terminated employment with Park National Bank) and (ii) 100% of the difference between the total death proceeds payable under the related life insurance policy(ies) and the cash surrender value of such life insurance policy(ies) at the time of the

NEO's death. Park National Bank will receive the balance of the death proceeds not paid to the NEO's beneficiary(ies). The reduction in the amount payable under each Maximum Benefit Split-Dollar Agreement following the termination of an NEO's employment reflects the fact that the life insurance policies related to the Maximum Benefit Split-Dollar Agreements also serve to fund the benefits paid under the SERP Agreements and the NEO will have received those SERP Agreement benefits after his termination of employment.

The second form of Split-Dollar Agreement (the "Compensation-Based Split-Dollar Agreements") provides for the payment of benefits in an amount which is based on the NEO's annual total compensation (defined as annual base salary and annual cash bonus/incentive compensation paid) with the portion of the death proceeds payable under the related life insurance policy to be paid to the NEO's beneficiary(ies) equal to approximately two times the NEO's highest annual total compensation while employed by Park National Bank.

The modest annual car allowances which had historically been provided to the CEO/President and Chairman were discontinued at the beginning of 2015.

Park does not offer employment contracts, specific change-in-control agreements or termination benefits to the NEOs, in contrast to practices which are fairly common among other financial services holding companies of Park's size. However, there are change in control provisions in the SERP Agreements, in the Split Dollar Agreements first entered into in 2015 and in the award agreements evidencing PBRsUs granted under the 2013 LTIP.

The discussion that follows summarizes the foregoing factors and examines (a) Park's compensation philosophy and objectives, (b) the process used to set executive compensation for 2015, (c) the factors influencing compensation in 2015, (d) the elements of compensation awarded and (e) other policies affecting Park's executive compensation program.

Compensation Philosophy and Objectives

Park's success depends largely on the contributions of motivated, focused and energized executives at each of Park's subsidiaries (and their divisions), all working to achieve Park's strategic objectives. The Compensation Committee and Park's senior leadership develop compensation programs for executives within the Park organization intended to provide a total compensation package that:

- Attracts, rewards and retains NEOs and other highly-qualified associates.

- Motivates NEOs as well as other associates to achieve Park's annual and long-term goals.

- Rewards individual effort and performance with the primary objectives of improving ROACE as well as ROAA.

- Considers the pay levels of the NEOs relative to executives serving in comparable positions at financial services holding companies in the Midwest Regional Peer Group, taking into account Park's results as compared to those for financial services holding companies in both the Midwest Regional Peer Group and the \$3 billion to \$10 billion Peer Group.

- Encourages ownership of Park common shares by the NEOs and other executives to foster a culture of ownership and increase their alignment with shareholders' interests.

Process Used to Set Compensation for 2015

The following three groups worked together to establish Park's compensation program for 2015:

• Compensation Committee

• Senior Leadership

• Outside Advisors

Role of Compensation Committee

The Compensation Committee is responsible for overseeing Park's current executive compensation programs and approving any modifications to these programs, subject to any required approval by Park's shareholders. The Compensation Committee may request information from senior leadership within the Park organization regarding Park's performance, compensation practices and programs to assist the Compensation Committee in its deliberations. The Compensation Committee retains the right to hire outside advisors as needed to assist the Compensation Committee in reviewing and revising Park's compensation programs. In addition, these outside advisors may provide information regarding competitive compensation levels, practices and policies in light of current trends.

The Compensation Committee annually assesses the performance of Park and the level of achievement of the CEO/President relative to annual performance goals, many of which are subjective in nature. Based on this evaluation, which includes input from the other members of Park's Board of Directors, the Compensation Committee determines the compensation of the CEO/President for the year. The Compensation Committee also reviews the CEO/President's compensation recommendations for the Chairman and the CFO, seeks appropriate input from Park's outside advisors and other members of senior leadership within the Park organization and approves final compensation levels for the Chairman and the CFO.

Role of Senior Leadership

Members of senior leadership within the Park organization serve in an advisory or support capacity to the Compensation Committee. Typically, the CEO/President and the Chairman as well as the Senior Vice President of Human Resources and Marketing of Park National Bank participate in meetings of the Compensation Committee. The CFO may participate as necessary or at the Compensation Committee's request. These individuals provide the Compensation Committee with information regarding Park's performance. They also provide input regarding the NEO compensation recommendations made by outside advisors or the Compensation Committee. These individuals may also present alternatives to these compensation recommendations for the Compensation Committee's consideration. However, the Compensation Committee is the ultimate decision-making body.

The CEO/President evaluates the annual performance of the Chairman and the CFO, including their respective levels of achievement relative to annual performance goals, many of which are subjective in nature. The goals focus, directly or indirectly, on the performance of Park and on shareholder value. Based on this evaluation, the CEO/President recommends the compensation for each of the Chairman and the CFO for consideration, input and approval by the Compensation Committee. The Compensation Committee authorizes the CEO/President and the Chairman to establish the compensation for all other employees. Members of senior leadership present at Compensation Committee meetings excuse themselves from discussions regarding their individual compensation.

Role of Outside Advisors

The Compensation Committee periodically has engaged and relied on input from outside advisors as the Compensation Committee manages Park's compensation programs. In 2015, the Compensation Committee retained Pay Governance to serve in this role. Pay Governance's lead consultant reports directly to the Chair of the Compensation Committee, who approves Pay Governance's work. Pay Governance's lead consultant also interacts with senior leadership within Park as needed to complete the work requested by the Compensation Committee. Pay Governance provides no services to Park or any of Park's subsidiaries other than those provided to the Compensation Committee, supplementing the Compensation Committee's governance of the executive compensation program. At its meeting on December 7, 2015, the Compensation Committee conducted an assessment to evaluate whether the work performed and to be performed by Pay Governance raises a conflict of interest or compromises the independence of Pay Governance. Based upon this assessment, the Compensation Committee determined that no conflicts of interest exist and Pay Governance qualifies as independent for purposes of the applicable NYSE MKT Rules and SEC rules. The Compensation Committee has also determined that since December 7, 2015, there have been no changes in circumstances through the date of this proxy statement which would require the Compensation Committee to change its determinations.

In 2015, Pay Governance's work focused on assisting Park in the development of selected disclosure in the proxy statement for the 2015 Annual Meeting regarding executive compensation and providing advice as requested by the Compensation Committee and senior leadership. Toward the end of 2015, at the request of the Compensation Committee, Pay Governance conducted a review of the competitiveness of Park's executive compensation pay levels relative to other financial services holding companies in the Midwest Regional Peer Group. Although Pay Governance did not directly participate in any of the Compensation Committee's meetings in 2015, their materials provided useful tools to the Compensation Committee in its deliberations and Pay Governance representatives were available to respond to questions.

Periodically, the Compensation Committee asks Pay Governance to review Park's Midwest Regional Peer Group and analyze Park's compensation and ROACE results (as well as financial achievements) relative to the members of that peer group to establish reasonable and rational compensation levels. The Midwest Regional Peer Group currently consists of regional financial services holding companies, all with assets between \$3.8 billion and \$13.0 billion (or roughly one-half to just under two times Park's assets size). The median assets of the members of the Midwest Regional Peer Group generally reflect Park's size, with Park's assets ranking at the 50 percentile of the Midwest Regional Peer Group.

Three financial services holding companies that were included in 2014's Midwest Regional Peer Group were dropped from 2015's peer group (F.N.B. Corporation, MB Financial, Inc. and UMB Financial Corporation) as their assets were more than two times Park's assets. These financial services holding companies were replaced with four Midwest financial services holding companies with assets between \$3.8 billion and \$4.0 billion (Community Trust Bancorp, Inc., First Busey Corporation, Great Southern Bancorp, Inc. and Republic Bancorp, Inc.).

In addition to Pay Governance, the Compensation Committee relies on legal advice from Park's outside counsel, Vorys, Sater, Seymour and Pease LLP, whose attorneys participate in meetings of the Compensation Committee as requested. In connection with obtaining such legal advice, the Compensation Committee has taken into consideration those factors outlined in both SEC Rule 10C-1(b)(4)(i) through (vi) and Section 805(c)(4) of the NYSE MKT Company Guide.

Park believes its approach to determining the compensation of its NEOs is both conservative and consistent with the practices for other financial services holding companies of Park's size, reflects best practices regarding the governance of executive compensation programs and supports the compensation program's objectives of delivering compensation aligned with shareholders' interests. Moreover, the approach has been consistently applied for the past several years.

Factors Influencing Compensation in 2015

The following factors influenced Park's compensation program for 2015:

- The shareholders' advisory vote at the 2015 Annual Meeting regarding management's proposal for approval of the compensation of Park's NEOs.

- Park's continued strong financial performance in 2014 and 2015.

- Park's performance in comparison to both the \$3 billion to \$10 billion Peer Group and the Midwest Regional Peer Group.

- Pay practices at the Midwest Regional Peer Group.

2015 Shareholders' Advisory Vote on Executive Compensation

At the 2015 Annual Meeting, Park's shareholders approved Park's executive compensation, with the holders of 9,050,229 common shares, or approximately 71.2% of the common shares represented at the 2015 Annual Meeting (including common shares representing broker non-votes and abstentions) and approximately 58.9% of the then outstanding common shares, voting for such approval. Excluding the 2,839,527 common shares represented by broker non-votes and the 541,660 abstentions, approximately 97.0% of the 9,333,591 total votes cast in respect of the non-binding advisory vote on executive compensation, voted "FOR" approval. The result was similar to the results from Park's non-binding advisory vote on executive compensation held at the prior two Annual Meetings of Shareholders (2013 and 2014). As such, Park and the Compensation Committee viewed the results of this advisory vote as a continued indication that shareholders generally support Park's executive compensation program. While important, the vote was only one of several factors influencing Park's executive compensation decisions and policies for 2015.

Park's Performance in 2015

From an historical perspective, Park's results for 2015 reflected that it continued to perform well in a challenging operating environment for its Ohio-based operations and for the financial services industry in general. The historically low interest-rate environment has depressed the net interest margins of virtually all financial institutions, Park National Corporation included.

Park's reported net income for 2015 was \$81.0 million, a 3.5% decrease from \$84.0 million for 2014.

Park's ongoing operations (Park excluding the results from SE Property Holdings, LLC which had been formed to hold the remaining assets and liabilities retained by Vision Bank subsequent to the sale of the Vision Bank business on February 16, 2012) reported net income of \$81.2 million in 2015, a 2.8% increase from \$79.0 million for 2014.

ROAA declined to 1.11% for 2015 from 1.22% for 2014.

ROACE declined to 11.40% for 2015 versus 12.34% for 2014.

Park sustained the level of dividends paid on outstanding Park common shares during the previous five years while many financial services holding companies had curtailed or eliminated dividends.

Moreover, Park's results continued to exceed the median profitability measures of ROAA and ROACE for the Midwest Regional Peer Group and the \$3 billion to \$10 billion Peer Group as illustrated in the following table:

	For the Year Ended December 31, 2015			For the Year Ended December 31, 2014

*Lower is better

Overall, Park's performance in 2015 easily supported pay levels for the NEOs which would have been on par with the median levels paid to similarly-situated executive officers at other financial services holding companies in each of the Midwest Regional Peer Group and the \$3 billion to \$10 billion Peer Group and arguably supports pay levels that are above those median levels.

Elements of Compensation for 2015

Park's compensation program for 2015 relied on the following elements:

- Base salary, which rewards an executive's skills, competencies, experience and individual performance. Base salary can vary based on the achievement of individual goals, the executive's duties and Park's overall performance. Park's performance is particularly relevant because it influences Park's ability to pay or increase base salaries.

Annual incentive compensation for Messrs. Trautman, DeLawder and Burt as well as other employees, which is discretionary in nature. While discretionary, actual incentive compensation awards take into consideration Park's ROACE relative to other financial services holding companies in the \$3 billion to \$10 billion Peer Group and the Midwest Regional Peer Group as well as subjective evaluations by the Compensation Committee and the Executive Committee of the Park Board of Directors.

Long-term incentives in the form of PBRsUs which are tied primarily to Park's cumulative ROAA for a three fiscal year performance period from January 1, 2015 through December 31, 2017 relative to that of the \$3 billion to \$10 billion Peer Group. PBRsUs reward the NEOs and other select officers for long-term financial results that are comparable to or better than other similarly-sized financial services holding companies, build stock ownership, strengthen alignment with shareholders' interests and help retain key associates who are critical to Park's long-term success.

Other benefits which address basic life and income security needs as well as recognize an individual's contributions to Park and its subsidiaries over such individual's career. For NEOs, these benefits are comparable with those received by other employees, except for the SERP Agreements and the Split Dollar Agreements.

As was the case in 2014, approximately 60% of the NEOs' total direct compensation (the total of base salary, annual incentive compensation received and the estimated grant date fair value of target PBRsU awards) in 2015 was delivered in the form of base salary. Total incentive opportunities (annual incentive compensation and the estimated value of the target PBRsU awards) comprised the remaining 40%, with approximately 25% delivered in the form of annual incentive compensation and approximately 15% in the form of the value of the target PBRsU award.

Base Salary

Base salary is the annual part of an executive officer's compensation. Park pays base salary to its executive officers to recognize the skills, competencies, experience and individual performance each such executive officer brings to his role. As a result, annual changes in base salary result primarily from changes in the executive officer's responsibilities, an assessment of his annual performance and Park's financial ability to pay base salaries and provide increases (if any) to the executive officer.

In determining base salaries for the NEOs for 2015, the Compensation Committee and the Executive Committee of the Park Board of Directors considered the following factors:

Base salary levels of similarly-situated executive officers at financial services holding companies of similar size and the base salary increases of executive officers of those other financial services holding companies in general and the financial services holding companies in the Midwest Regional Peer Group in particular.

•The merit increase budget for Park's other executives and associates.

•The Compensation Committee's evaluation of the performance of the CEO/President and his evaluation of the performance of the Chairman and the CFO.

•Park's ROACE in 2014, which continued to represent one of the highest levels among the financial services holding companies in the Midwest Regional Peer Group.

Based on these factors, the Compensation Committee took the following actions regarding the NEOs' base salaries for 2015:

Increased Mr. Trautman's base salary from \$775,000 in 2014 to \$785,000 in 2015 (1.4% increase) reflecting the evaluation by the Compensation Committee and the full Board of Directors of Mr. Trautman's individual performance, the annual merit increase salary budget for other employees and the base salaries for other executives with similar duties in the Midwest Regional Peer Group.

Increased Mr. DeLawder's base salary from \$563,250 in 2014 to \$575,000 in 2015 (2.1% increase) reflecting the CEO/President's evaluation of Mr. DeLawder's individual performance, the annual merit increase budget for other employees and the base salaries for other executives with similar duties in the Midwest Regional Peer Group.

Increased Mr. Burt's base salary from \$325,000 in 2014 to \$350,000 (7.7% increase), which reflected, in part, the factors used to determine the Chairman's base salary increase as well as a desire to reduce the difference between Mr. Burt's base salary and that of the median CFO in the Midwest Regional Peer Group.

As of December 31, 2015, the base salaries for the CEO/President and the Chairman continued to approximate the 75th percentiles of similarly-situated executive officers of financial services holding companies in the Midwest Regional Peer Group. The base salary for Park's CFO more closely reflects the 50th percentile of CFOs serving with financial services holding companies in the Midwest Regional Peer Group.

Annual Incentive Compensation

Annual incentive compensation is an element of pay that is "at risk" and subject to achieving relative performance results with respect to ROACE. Historically, Park has paid annual incentive compensation awards to motivate and reward achievement of annual financial objectives and individual goals. As a result, annual incentive compensation awards increase executives' focus on specific short-term corporate financial goals. The Compensation Committee made discretionary incentive compensation awards taking into account Park's comparative performance in 2015 (which awards were paid in 2016) of \$326,500 to Mr. Trautman, \$233,500 to Mr. DeLawder and \$145,000 to Mr. Burt based on the following factors:

•Park's ROACE for the twelve months ended September 30, 2015 relative to the levels of ROACE for the financial services holding companies in the Midwest Regional Peer Group and the \$3 billion to \$10 billion Peer Group for the same period. Park's ROACE of 12.0% for the twelve months ended September 30, 2015 was at the 8th and 100th percentile for the \$3 billion to \$10 billion Peer Group and the Midwest Regional Peer Group, respectively.

•Park's anticipated overall performance for the 2015 fiscal year as measured by Park's ROACE and net income for the twelve months ended December 31, 2015. Park's actual

performance of \$81.0 million in net income and 11.40% ROACE was better than the anticipated levels of net income and ROACE used to help make the annual incentive payment compensation decisions.

• Compensation levels of the NEOs relative to those of similarly-situated executive officers at the financial services holding companies in the Midwest Regional Peer Group.

• The Board of Directors' evaluation of the performance of the CEO/President and the evaluation by the CEO/President of the performance of the Chairman and the CFO.

Annual incentive compensation based on performance over the twelve months ended September 30, 2015 for Park's NEOs approximated 40% of each executive officer's 2015 base salary, slightly below the level of 45% of 2014 base salary for the annual incentive compensation based on performance over the twelve months ended September 30, 2014. These results were supported by annual results that continued to exceed the median results of the Midwest Regional Peer Group and \$3 billion to \$10 billion Peer Group in many of the key indicators of performance.

Long-Term Incentives

In 2013, Park's shareholders approved 2013 LTIP which permits the Compensation Committee to award a variety of equity based as well as cash-based incentive compensation elements. These elements are expected to be earned over a multi-year period, distinguishing them from Park's annual incentive compensation, providing balance in Park's compensation program for key executives, helping retain executives and aligning executives' interests with those of Park's shareholders when awards are to be paid out in the form of Park common shares. The Compensation Committee and management of Park believe similar incentives are common among the financial services holding companies in the Midwest Regional Peer Group as well as those in the \$3 billion to \$10 billion Peer Group.

As in 2014, the Compensation Committee and Park's management agreed that equity-based compensation in the form of PBRsUs should be awarded to the NEOs. The grants for 2015 were approved by the Compensation Committee on December 16, 2014 and effective as of January 2, 2015. The Compensation Committee and Park's management believe that PBRsUs do not encourage excessive risk taking, a common criticism of stock options and stock appreciation rights. Moreover, PBRsUs are less dilutive than stock options and stock appreciation rights and manage the common shares reserved for the 2013 LTIP more effectively than stock options and stock appreciation rights. In addition, PBRsUs are only earned if Park meets specific long-term financial objectives which better supports Park's historical practice of rewarding for performance rather than granting awards that vest based solely on continued service or time. The PBRsUs approved by the Compensation Committee for 2015 had the following terms and conditions:

- Each PBRsU represents the right to receive one Park common share if earned and settled. Each award of PBRsUs also provides the holder with dividend equivalent rights which will vest and be settled in cash if, when and to the extent the related PBRsUs vest and are settled.

• PBRsUs will be earned based on Park's cumulative ROAA for the three fiscal year performance period from January 1, 2015 to December 31, 2017 as compared to the cumulative ROAA results for the \$3 billion to \$10 billion Peer Group. No PBRsUs will be earned, regardless of Park's relative ROAA results, if Park's net income for each fiscal year of the performance period does not equal or exceed 110% of all cash dividends declared and paid during the applicable fiscal year.

In addition, no PBRsUs will be earned if Park's cumulative ROAA for the performance period is below the 50th percentile (or median) of the \$3 billion to \$10 billion Peer Group.

If Park's cumulative ROAA for the performance period equals the 50th percentile of the \$3 billion to \$10 billion Peer Group, holders of PBRsUs will earn the target number of PBRsUs (or 66.67% of the number granted).

If Park's cumulative ROAA equals or exceeds the 80th percentile of the \$3 billion to \$10 billion Peer Group, holders of PBRsUs will earn PBRsUs equal to 150% of the target number (or 100% of the number granted), with the number of PBRsUs earned for results in between the 50th and 80th percentiles determined using interpolation on a straight-line basis.

Earned PBRsUs will also be subject to additional service-based vesting -- 50% of the PBRsUs earned will vest at the end of the three fiscal year performance period once results are certified by the Compensation Committee, with the other 50% of the earned PBRsUs vesting on the first anniversary of the certification date.

Common shares received upon settlement of earned and vested PBRsUs cannot be sold, transferred, assigned or otherwise similarly disposed of for five years after the date they are delivered.

If an NEO dies or terminates employment with Park and its subsidiaries due to disability at any time during the three fiscal year performance period, a prorated portion of the PBRsUs will vest on the last day of the performance period based on the number of PBRsUs that would have been earned based on the level of performance achieved during the performance period and the quotient of the number of full calendar months elapsed between the grant date and the date of death or termination of employment due to disability, as appropriate, divided by the number of months in the performance period.

If an NEO dies or terminates employment with Park and its subsidiaries due to disability after the performance period has ended but before the service-based vesting requirements have been satisfied, the outstanding unvested PBRsUs will immediately vest.

If an NEO retires (i.e., has a "normal retirement" or an "early retirement" for purposes of the Park Pension Plan), all outstanding unvested PBRsUs will be forfeited unless the Compensation Committee, in its sole discretion, determines that all or a portion of the PBRsUs should vest. Should an NEO's employment with Park and its subsidiaries terminate for any other reason, including for "cause" (as defined in the 2013 LTIP), all unvested PBRsUs will be immediately forfeited.

In the event of a "change in control" (as defined in the 2013 LTIP), each NEO will immediately vest in all unvested PBRsUs as though the cumulative ROAA of Park as compared to the cumulative ROAA results of the \$3 billion to \$10 billion Peer Group had been achieved at the 50th percentile of the Peer Group and the other performance-based criteria for vesting as well as the service-based vesting requirement had been satisfied as of the date of the change in control.

The Compensation Committee and management believe Park's program is considerably more demanding than such programs at other financial services holding companies of similar size based on several provisions: (i) the requirement that annual net income for each fiscal year within the performance period exceed at least 110% of dividends paid in the applicable fiscal year; (ii) no PBRsUs will be earned for results below the 50th percentile of the \$3 billion to \$10 billion Peer Group; (iii) the maximum number

of PBRsUs will be earned for results at the 80th percentile; and (iv) the five-year post-vesting holding requirement. In the views of the Compensation Committee and the NEOs, all of these factors serve to better align the interests of holders of PBRsUs with those of Park's shareholders and emphasizes sustained long-term financial performance. In determining the number of common shares to be covered by the initial PBRsU awards, the Compensation Committee considered the common shares available under the 2013 LTIP, the CEO/President's recommendations for the other NEOs, individual performance of the NEOs, the cash compensation (base salary and annual incentive compensation) earned by the NEOs in 2014 and the long-term incentive opportunities received by similarly-situated executives at financial services holding companies in the Midwest Regional Peer Group. The value of the target level of PBRsUs equaled roughly 20% to 30% of the NEOs' base salaries based on Park's closing price on January 2, 2015, the effective date of the awards (\$87.60). These target opportunities were in the bottom quartile (<25th percentile) of long-term incentive opportunities received by the top executives of the Midwest Regional Peer Group.

The following table illustrates the relationship between (i) Park's cumulative ROAA performance relative to that of the \$3 billion to \$10 billion Peer Group (ii) and the number of PBRsUs which would be earned for PBRsUs awarded in 2015:

		(Target)		(Maximum)
	ROAA <50th Percentile \$3B to \$10B Peer Group	ROAA = 50th Percentile \$3B to \$10B Peer Group	ROAA = 65th Percentile \$3B to \$10B Peer Group	ROAA ≥ 80th Percentile \$3B to \$10B Peer Group
David L. Trautman	0 PBRsUs	2,000 PBRsUs	2,500 PBRsUs	3,000 PBRsUs
C. Daniel DeLawder	0 PBRsUs	2,000 PBRsUs	2,500 PBRsUs	3,000 PBRsUs
Brady T. Burt	0 PBRsUs	1,000 PBRsUs	1,250 PBRsUs	1,500 PBRsUs

Total Direct Compensation

Total direct compensation levels (base salary, annual incentive compensation actually received and long-term equity-based awards granted) for 2015 for the CEO/President, the Chairman, and the CFO continued to rank well below the medians for similarly-situated executive officers at financial services holding companies in the Midwest Regional Peer Group. In comparison, Park's ROACE for 2015 remained significantly better than the median of both the Midwest Regional Peer Group and the \$3 billion to \$10 billion Peer Group. For these reasons, the Compensation Committee believes the NEOs were conservatively paid. The table below provides total direct compensation actually received by each NEO during each of 2015, 2014 and 2013. Because the amounts in the table reflect what was received during each year rather than what was earned with respect to each year, the numbers reported in the table below in respect of "Annual Incentive Compensation" for each year differ from those reported for each year in the "Bonus" column of the "Summary Compensation Table for 2015." The amounts shown in the table for "Long-Term Equity-Based Awards" reflects the grant date fair value of the PBRsUs at the expected award level as of grant date. See the "Stock Awards" column of the "Summary Compensation Table for 2015."

Other Benefits

Park provides the NEOs with medical, dental, long-term disability and life insurance benefits under the same programs used to provide these benefits to all other employees of Park's subsidiaries. NEO benefits are not tied to individual or corporate performance, which is the same approach used for other employees. Moreover, changes to the benefits provided to the NEOs reflect changes to the benefits provided to other employees.

The NEOs are also eligible to participate in several retirement programs. These programs recognize contributions made by individuals over their respective careers and benefits normally are paid at retirement. As a result, they can serve as a tool in retaining NEOs and other employees.

The NEOs participate in the Park Pension Plan on the same terms and conditions as other employees. The Park Pension Plan provides all participants, including the NEOs, a benefit based on the same formula of years of service and compensation, subject to limitations imposed by the Internal Revenue Code on the amount of annual compensation used to determine plan benefits and on the amount of plan benefits payable annually. The Park Pension Plan is discussed under the caption "Post-Employment Payments and Benefits Pension and Supplemental Benefits Park Pension Plan."

The NEOs and other employees are eligible to participate in the Park KSOP. Under the Park KSOP, eligible employees can defer a portion of their cash compensation (base salary and bonus/annual incentive compensation) and receive matching contributions by Park. Park's matching contributions in 2015 were 25% of the cash compensation contributed by an employee, up to the annual limits imposed under the Internal Revenue Code and U.S. Treasury regulations, in order to balance the cost of the Park KSOP with a desire to encourage employees to save for retirement. While Park's contributions are made in the form of Park common shares to help build stock ownership, participants have the ability to diversify their accounts into other investments, including mutual funds and a "bank savings account" held at Park National Bank.

The NEOs have the opportunity to receive benefits under their SERP Agreements, which allow the NEOs to receive aggregate retirement benefits as a percent of compensation comparable to those of other employees which is not possible under the Park Pension Plan and the Park KSOP because the participating NEOs receive relatively higher compensation and regulatory requirements limit the benefits such highly-compensated individuals can receive. Messrs. Trautman and Burt will forfeit the benefits under their respective SERP Agreements if they terminate their employment with Park National Bank prior to age 62. In addition, Mr. DeLawder will forfeit the benefits under his supplemental SERP Agreement if he terminates his employment with Park National Bank prior to age 69; however, his 2008 SERP Agreement is already fully vested. These forfeiture provisions help enhance the retention and recruitment of highly-qualified executives. The SERP Agreements have change in control provisions whereby if a defined change in control were to occur before an NEO terminates his employment with Park National Bank, the NEO will become 100% vested and thus entitled to his Full Benefit under the relevant SERP Agreement upon any subsequent termination of employment, other than for cause, prior to age 65, in the case of Messrs. Trautman and Burt, and age 69, in the case of Mr. DeLawder.

The SERP Agreements provide several important protections to Park. The affected NEO must repay any SERP benefits received and forfeit any right to future SERP benefits if, following the NEO's termination of employment, Park or Park National Bank determines that "cause" existed to terminate the NEO prior to receipt of such benefits. An NEO also forfeits any SERP benefits if, within 12 months of the NEO's separation from service, the NEO violates the non-competition and non-solicitation provisions of his SERP Agreements.

The SERP Agreements are discussed more fully under the captions "Post-Employment Payments and Benefits Pension and Supplemental Benefits Supplemental Executive Retirement Benefits 2008 Agreements" and "Post-Employment Payments and Benefits Pension and Supplemental Benefits Supplemental Executive Retirement Benefits 2015 Agreements."

Each NEO has the opportunity to designate one or more beneficiaries to receive his share of the death proceeds payable under the life insurance policies related to his Split-Dollar Agreements. The Split-Dollar Agreements remain in effect following each NEO's termination of employment as long as he has reached age 62, has not been employed by another financial services firm and was not terminated for cause. Certain of the Split-Dollar Agreements include change in control provisions whereby the NEO's beneficiary(ies) will receive the maximum amount of benefits payable upon the NEO's death if the NEO terminates employment with Park National Bank within 12 months after a defined change in control even if he has not yet reached age 62. The Split-Dollar Agreements are discussed under the caption "Potential Payouts upon Termination of Employment or Change in Control Split-Dollar Agreements." With the elimination of a modest car allowance which had historically been provided to both the CEO/President and Chairman, Park does not provide its NEOs with any perquisites which are offered by other financial services holding companies of similar size.

Park has not historically entered into employment or specific change-in-control agreements with executive officers as part of its compensation program. However, as previously noted, there are change in control provisions in the SERP Agreements, in the Split Dollar

Agreements first entered into in 2015 and in the award agreements evidencing PBRsUs granted under the 2013 LTIP.

Other Compensation Policies

Accounting: Park is subject to the general prohibition under Section 162(m) of the Internal Revenue Code on taking a federal income tax deduction for consideration paid in excess of \$1,000,000 in any taxable year to Park's executive officers (other than the CFO). Section 162(m) exempts qualified performance-based compensation, among other things, from this deductibility limitation. The Compensation Committee intends to tailor long-term equity-based awards granted under the 2013 LTIP (including the PBRsUs granted in 2015) so such awards will qualify as qualified performance-based compensation under Section 162(m). Park does not have a policy that requires all compensation paid to its NEOs in a fiscal year, including 2015, to be tax deductible. While the Compensation Committee carefully considers the net cost and value to Park of maintaining the deductibility of all compensation, it also desires the flexibility to reward NEOs and other executives in a manner that enhances Park's ability to attract and retain individuals as well as to create longer term value for shareholders. Thus, income tax deductibility is only one of several factors the Compensation Committee considers in making decisions regarding Park's compensation program. Moreover, the Compensation Committee believes the incremental cost of any lost deduction will be relatively modest.

Clawbacks: As discussed above, Park can recover SERP payments received by an NEO if Park determines that the NEO could have been terminated for cause prior to the receipt of benefits.

Hedging: Park's Insider Trading Policy prohibits NEOs and other employees from hedging the economic risk associated with their ownership of Park common shares.

Stock Ownership Guidelines: While Park's compensation program aims to encourage and build stock ownership, Park has not adopted stock ownership guidelines that are common at other companies. Nonetheless, the CEO/President and the Chairman have personal holdings of Park common shares and the non-NEO directors as a group have average personal holdings of Park common shares that are significantly greater than the typical stock ownership practice for individual(s) holding the same position.

2016 Compensation Decisions

The Compensation Committee met on December 7, 2015 to determine annual incentive compensation for 2015 results. At that meeting, the Compensation Committee also considered changes in base salaries reflecting the performance of the NEOs against individual objectives, Park's overall financial performance, the salary increase budget for other associates and the salaries of similarly-situated executives at financial services holding companies in the Midwest Regional Peer Group. Based on that input, the Compensation Committee decided to maintain base salaries for 2016 at 2015 levels (Mr. Trautman's base salary of \$785,000, Mr. DeLawder's base salary of \$575,000, and Mr. Burt's salary of \$350,000). These decisions should maintain the base salaries of Messrs. Trautman and DeLawder at the 75th percentile of similarly-situated executives at financial services holding companies in the Midwest Regional Peer Group and position Mr. Burt's base salary at the median of CFOs at financial services holding companies in the Midwest Regional Peer Group. Incentive compensation earned during 2015 and paid in 2016 (Mr. Trautman's incentive compensation of \$326,500, Mr. DeLawder's incentive compensation of \$233,500 and Mr. Burt's incentive compensation of \$145,000) caused total cash compensation for the NEOs to approximate the median total cash compensation levels, for comparable positions at financial services holding companies in the Midwest Regional Peer Group and the \$3 billion to \$10 billion Peer Group.

Also, at its meeting on December 7, 2015, the Compensation Committee made PBR SU awards under the 2013 LTIP, with such awards to be effective January 1, 2016. These awards have terms identical to those approved on December 16, 2014 and effective January 2, 2015, and will be earned with respect to the three fiscal year performance period from January 1, 2016 through December 31, 2018. The target number of PBR SUs awarded to Messrs. Trautman, DeLawder and Burt were 2,500, 2,000 and 1,750, respectively. While Mr. DeLawder's target award was the same as the one he received for the prior year, the target awards for Messrs. Trautman and Burt were increased to reflect competitive long-term incentive opportunities of their peers in the Midwest Region Peer Group and recognize their greater roles in leading Park in 2015. The target value of the PBR SUs on the date of grant approximated 30% of base salary for Messrs. Trautman and DeLawder and 45% for Mr. Burt, all of which were below the median practices of the Midwest Region Peer Group. While providing the NEOs with a meaningful capital accumulation opportunity, the Compensation Committee and management of Park continue to believe the awards are conservative relative to the long-term incentive opportunities received by similarly-situated executive officers at other financial services holding companies of Park's size. Individual PBR SU amounts for the NEOs were based, in significant part, on the Compensation Committee's review of the compensation information provided by Pay Governance, comparing the total direct compensation (including long-term equity based awards) for executive officers at financial services holding companies in the Midwest Regional Peer Group to that of each of the NEOs of Park.

Conclusion

As it has for the past several years, the compensation program in 2015 for Park's NEOs reflected Park's compensation philosophy and remained conservative relative to the practices of other financial services holding companies of Park's size. Park's compensation program resulted in compensation levels for 2015 which were greater than those for 2014 but below the median total direct compensation levels of similarly-situated executive officers with financial services holding companies in the Midwest Regional Peer Group. These relative compensation levels occurred despite 2015 financial results for Park that were better than the median performance of financial services holding companies in both the Midwest Regional Peer Group and the \$3 billion to \$10 billion Peer Group. In addition, Park's executive compensation program intentionally excludes a number of less attractive compensation practices (e.g., excessive perks, retention awards, employment contracts and specific change-in-control agreements).

As a result, the Compensation Committee believes Park's executive compensation program continues to represent shareholders' interests in a responsible, reasonable and conservative fashion.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of SEC Regulation S-K with Park's management and, based on such review and discussion, the Compensation Committee recommended to the full Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

Although not required to conduct the risk review and evaluation required of participants in the TARP Capital Purchase Program since Park terminated its participation in such Program on April 25, 2012, as a matter of good governance and best practices, the Compensation Committee reviewed a memorandum prepared by Park's Chief Risk Officer under date of February 4, 2016 in order to review and evaluate Park's compensation plans. The conclusions reached by the Compensation Committee following the review of that memorandum are summarized below:

Risk Analysis

Park's Chief Risk Officer performed a risk review and evaluation of Park's compensation plans. The February 4, 2016 memorandum of Park's Chief Risk Officer concluded that the compensation plans do not include features which incent unnecessary risk taking.

The specific compensation plans reviewed were: (i) the annual incentive compensation program, which provides for annual incentive compensation based on Park's ROACE as compared to that of the \$3 billion to \$10 billion Peer Group; (ii) the 2013 LTIP pursuant to which Park may grant equity based awards; (iii) miscellaneous incentive plans, which are informal arrangements that allow Park employees to earn small amounts of incentive compensation; (iv) the SERP Agreements, pursuant to which Messrs. Trautman, DeLawder and Burt may receive supplemental pension benefits; and (v) the Split-Dollar Agreements, which provide the NEOs with death benefits.

Based on the information provided by Park's Chief Risk Officer, the Compensation Committee concluded that: the annual incentive compensation program does not create incentives for Park's NEOs or other employees of Park and our subsidiaries to take unnecessary and excessive risks because the amount of the payment to any individual is discretionary and based in significant part on Park's performance in comparison to other financial services holding companies in the \$3 billion to \$10 billion Peer Group and the Midwest Regional Peer Group -- the latter being a factor over which employees have little control;

the types of awards granted under 2013 LTIP — i.e., PBRsUs with performance-based earning and service-based vesting requirements, together with a five-year post-vesting holding requirement, do not create incentives for recipients of the awards to take unnecessary and excessive risks because the number of PBRsUs earned is based on Park's comparative performance and the service-based vesting and post-vesting holding requirements align the long-term interests of the recipients of PBRsU awards with those of Park's shareholders generally;

the miscellaneous incentive plans do not create incentives for the NEOs or other employees of Park and its subsidiaries to take unnecessary and excessive risks because the amounts payable under these informal arrangements are not a material element of compensation; and

none of the other plans or arrangements create incentives for the NEOs or other employees of Park and our subsidiaries to take unnecessary and excessive risks because the amounts payable under these plans and arrangements are not contingent on Park's financial or other performance.

Earnings Analysis

The February 4, 2016 memorandum of Park's Chief Risk Officer also concluded that Park's incentive compensation plans do not include features that would encourage the manipulation of Park's reported earnings to enhance the compensation of any individual employee(s).

Based on the information provided by Park's Chief Risk Officer, the Compensation Committee concluded that: the annual incentive compensation program does not contain features that would encourage the manipulation of Park's reported earnings to enhance the compensation of any individual employee(s) because the amount of the payment to any individual is discretionary and based in significant part on Park's performance in comparison to other financial services holding companies in the \$3 billion to \$10 billion Peer Group and the Midwest Regional Peer Group -- the latter being a factor over which employees have little control;

the types of awards granted under the 2013 LTIP do not contain features that would encourage the manipulation of Park's reported earnings to enhance the compensation of any individual employee(s) because the number of awards earned is based on Park's comparative performance and the service-based vesting and post-vesting holding requirements align the long-term interests of the recipients of PBRSU awards with those of Park's shareholders generally; and

the miscellaneous incentive plans do not contain features that would encourage the manipulation of Park's reported earnings to enhance the compensation of any individual employee(s) because the amounts payable under these informal arrangements are not a material element of compensation.

(1) The amounts reported for the 2015 fiscal year represent the aggregate grant date fair value of PBRsUs at the expected award level as of the grant date. The grant date fair value of the PBRsUs at the target level would be \$175,200, \$87,600 and \$175,200 for Messrs. Trautman, Burt and DeLawder. The grant date fair value of the PBRsUs at the maximum level would be \$262,800, \$175,200 and \$262,800 for Messrs. Trautman, Burt and DeLawder, respectively. In each case, the amounts reported exclude the impact of estimated forfeitures, as required by the applicable SEC rules.

The amounts reported for the 2014 fiscal year represent the aggregate grant date fair value of PBRsUs at the expected award level as of the grant date. The grant date fair value of the PBRsUs at the target level would be \$164,420, \$61,658 and \$164,420 for Messrs. Trautman, Burt and DeLawder, respectively. The grant date fair value of the PBRsUs at the maximum level would be \$246,630, \$92,486 and \$246,630 for Messrs. Trautman, Burt and DeLawder, respectively. In each case, the amounts reported exclude the impact of estimated forfeitures, as required by the applicable SEC rules.

No PBRsUs will be earned, regardless of Park's relative ROAA results, if Park's net income for each fiscal year of the performance period does not equal or exceed 110% of all cash dividends declared and paid during the applicable fiscal year.

Earned PBRsUs will also be subject to additional service-based vesting -- 50% of the PBRsUs earned will vest at the end of the three fiscal year performance period once results are certified by the Compensation Committee, with the other 50% of the earned PBRsUs vesting on the first anniversary of the certification date. Common shares received upon settlement of earned and vested PBRsUs cannot be sold, transferred, assigned or otherwise similarly disposed of for five years after the date they are delivered.

See the table included in the section captioned "Grants of Plan-Based Awards" for more information concerning the PBRsUs granted during the 2015 fiscal year. Also see "Note 1. Summary of Significant

Grants of Plan-Based Awards

The following table sets forth information regarding PBR SU awards granted to the NEOs during the 2015 fiscal year.

No other plan-based awards were granted to the NEOs during the 2015 fiscal year.

Fiscal 2015 Grants of Plan Based Awards

Estimated Future Payouts under

Equity Incentive Plan Awards (1)

Name	Grant Date	Threshold (#)	Target (#)	Maximum (#)
David L. Trautman	1/1/2015	2,000 (2)(3)	2,000 (2)(3)	3,000 (2)(3)
Brady T. Burt	1/1/2015	1,000 (2)(3)	1,000 (2)(3)	2,000 (2)(3)
C. Daniel DeLawder	1/1/2015	2,000 (2)(3)	2,000 (2)(3)	3,000 (2)(3)

(1) The awards shown in this table are in the form of PBR SUs, with each PBR SU representing the right to receive one Park common share if earned and settled. Each award of PBR SUs also provides the holder with dividend equivalent rights which will vest and be settled in cash if, when and to the extent the related PBR SUs vest and are settled.

(2) PBRsUs will be earned based on Park's cumulative ROAA for the three fiscal year performance period from January 1, 2015 to December 31, 2017 as compared to the cumulative ROAA results for the \$3 billion to \$10 billion Peer Group. No PBRsUs will be earned, regardless of Park's relative ROAA results, if Park's consolidated net income for each fiscal year of the performance period does not equal or exceed 110% of all cash dividends declared and paid during the applicable fiscal year. In addition, no PBRsUs will be earned if Park's cumulative ROAA for the performance period is below the 50th percentile (or median) of the \$3 billion to \$10 billion Peer Group. If Park's cumulative ROAA for the performance period equals the 50th percentile of the \$3 billion to \$10 billion Peer Group, holders of PBRsUs will earn the target number (which is also the threshold number) of PBRsUs. If Park's cumulative ROAA for the performance period equals or exceeds the 80th percentile of the \$3 billion to \$10 billion Peer Group, holders of PBRsUs will earn PBRsUs equal to 150% of the target number, with the number of PBRsUs earned for results in between the 50th and 80th percentiles determined using interpolation on a straight-line basis.

(3) Earned PBRsUs will also be subject to additional service-based vesting -- 50% of the PBRsUs earned will vest at the end of the three fiscal year performance period once results are certified by the Compensation Committee, with the other 50% of the earned PBRsUs vesting on the first anniversary of the certification date. Common shares received upon settlement of earned and vested PBRsUs cannot be sold, transferred, assigned or otherwise similarly disposed of for five years after the date they are delivered. If an NEO dies or terminates employment with Park and our subsidiaries due to disability at any time during the three fiscal year performance period, a prorated portion of the PBRsUs will vest on the last day of the performance period based on the number of PBRsUs that would have been earned based on the level of performance achieved during the performance period and the quotient of the number of full calendar months elapsed between the grant date and the date of death or termination of employment due to disability, as appropriate, divided by the number of months in the performance period. If an NEO dies or terminates employment with Park and our subsidiaries due to disability after the performance period has ended but before the service-based vesting requirements have been satisfied, the outstanding unvested PBRsUs will immediately vest. If an NEO retires (i.e., has a "normal retirement" or an "early retirement" for purposes of the Park Pension Plan), all outstanding unvested PBRsUs will be forfeited unless the Compensation Committee, in its sole discretion, determines that all or a portion of the PBRsUs should vest. If an NEO's employment with Park and our subsidiaries terminates for any other reason, including for "cause" (as defined in the 2013 LTIP), all unvested PBRsUs will be immediately forfeited. In the event of a "change in control" (as defined in the 2013 LTIP), each NEO will immediately vest in all unvested PBRsUs as though the cumulative ROAA of Park as compared to the cumulative ROAA results of the \$3 billion to \$10 billion Peer Group had been achieved at the 50th percentile of the Peer Group and the other performance-based criteria for vesting as well as the service-based vesting requirement had been satisfied as of the date of the change in control.

Outstanding Equity Awards at Fiscal Year-End

As of December 31, 2015, the only type of equity award held by the NEOs was the PBRsU awards granted to NEOs during the 2015 fiscal year and the 2014 fiscal year. The following table sets forth information regarding the outstanding PBRsU awards held by the NEOs at December 31, 2015.

(2) The number shown represents the target number of PBRsUs which would be earned based on: (a) Park's cumulative ROAA for the three fiscal year performance period from January 1, 2014 to December 31, 2016 equaling the 50th percentile of the \$3 billion to \$10 billion Peer Group; and (b) Park's net income for each fiscal year of the performance period equaling or exceeding 110% of all cash dividends declared and paid during the applicable fiscal year. See footnote (1) to the "Summary Compensation Table for 2015" for more information about the grant date fair value of the target number of PBRsUs (which is also the threshold number) and the grant date fair value of the maximum number of PBRsUs, in each case that can be earned.

(3) The number shown represents the target numbers of PBRsUs which would be earned based on: (a) Park's cumulative ROAA for the three fiscal year performance period from January 1, 2015 to December 31, 2017 equaling the 50th percentile of the \$3 billion to \$10 billion Peer Group; and (b) Park's net income for each fiscal year of the performance period equaling or exceeding 110% of all cash dividends declared and paid during the applicable fiscal year. See footnote (1) to the "Summary Compensation Table for 2015" and the table under the heading "Grants of Plan-Based Awards" for more information on (a) the target number of PBRsUs (which is also the threshold number) and the grant date fair value thereof and (b) the maximum number of PBRsUs and the grant date fair value thereof, in each case that can be earned.

Equity Awards Exercised and Vested

The only type of equity award which has been granted under the 2013 LTIP to the NEOs has been PBRsU awards. No PBRsU awards vested during the 2015 fiscal year.

Awards Granted Under the 2013 LTIP Effective January 1, 2016

On December 7, 2015, the Compensation Committee authorized the grant of PBR SU awards (the “2016 PBR SU Awards”) to each of the NEOs, with the grants to be effective January 1, 2016. The following schedule shows the minimum/target number of PBR SUs that may be earned (the “2016 Target Award”) and the maximum number of PBR SUs that may be earned (the “2016 Maximum Award”) in respect of the 2016 PBR SU Award granted to each of the NEOs effective January 1, 2016:

Name and Position	2016 Target Award	2016 Maximum Award
David L. Trautman President and Chief Executive Officer of each of Park and Park National Bank	2,500 PBR SUs	3,750 PBR SUs
Brady T. Burt Chief Financial Officer, Secretary and Treasurer of Park; Senior Vice President and Chief Financial Officer of Park National Bank	1,750 PBR SUs	2,625 PBR SUs
C. Daniel DeLawder Chairman of the Board of Park; Chairman of the Board and executive employee of Park National Bank	2,000 PBR SUs	3,000 PBR SUs

Post-Employment Payments and Benefits

Pension and Supplemental Benefits

Park Pension Plan

The Park Pension Plan covers employees of our subsidiaries who have attained age 21 and completed one year of service. Under the Park Pension Plan, annual benefits are paid in monthly installments for life with 120 months of payments guaranteed. For purposes of the Park Pension Plan, an employee's "normal retirement date" is the earlier of the first day of the month coincident with or next following the employee reaching age 70 1/2 or the employee reaching age 65 and completing five years of service.

The amount of annual "normal retirement benefit" to be paid in monthly installments to an eligible employee is the greater of:

• 29% of the average monthly compensation of the employee reduced for expected years of service at normal retirement less than 25; or

• 29% of the average monthly compensation plus 16% of the average monthly compensation in excess of one-twelfth of covered compensation reduced for expected years of service at normal retirement less than 35.

The average monthly compensation of an employee is calculated by averaging the highest five consecutive calendar years of compensation as reported on the employee's Forms W-2 during the ten calendar years preceding the date of determination. Base salary and incentive compensation, including elective deferral contributions, are included in calculating an employee's monthly compensation for purposes of the Park Pension Plan.

In addition, the employees of certain of our subsidiary banks (and their respective divisions) participated in pension plans maintained for their benefit prior to the bank's being acquired by Park and the merger of the bank's pension plan into the Park Pension Plan. Benefits under the Park Pension Plan cannot be less than the sum of the benefit provided under the merged pension plan and the Park Pension Plan based on years of service since the date of merger of the two plans.

Applicable provisions of the Internal Revenue Code currently limit the amount of annual compensation used to determine plan benefits under a defined benefit pension plan, such as the Park Pension Plan, and the amount of plan benefits payable annually under such a plan. Total compensation in excess of the limit will not be taken into account for benefit calculation purposes. The average of the maximum annual total compensation which may be used in determining plan benefits under qualified defined benefit plans for the past five years is \$255,000. The 2015 monthly rate of total compensation used to determine benefits was limited to \$22,083 per month, which is the equivalent of an annual total compensation of \$265,000.

If an employee elects to retire after completing ten years of service and reaching 55 years of age, the employee may receive a monthly benefit for life with 120 months of payments guaranteed beginning at his or her normal retirement date equal to the "accrued benefit" at the early retirement date. Payments to the employee may begin immediately, with the benefit being reduced one fifteenth (1/15th) for the first five years and one thirtieth (1/30th) for the next five years. For purposes of the Park Pension Plan, the "accrued benefit" at any time prior to an employee's normal retirement date is the normal retirement benefit as described above multiplied by a fraction, the numerator of which is the employee's total years of service as of the date of determination and the denominator of which is the employee's expected years of service at normal retirement.

An employee may continue employment with Park and/or one of our subsidiaries after his or her normal retirement date. In such an event, the employee will receive the benefit he or she would have received on his or her normal retirement date actuarially increased to reflect delayed payment. Notwithstanding the foregoing, the benefit received by such an employee will not be less than the benefit accrued at delayed retirement reflecting service and compensation to such date.

Upon the termination of employment after five or more years, an employee has a vested interest in his or her accrued benefit which will be payable on the normal retirement date. An employee will generally have no vested interest if he or she terminates employment after less than five years of service with Park and/or one of our subsidiaries; however, the Park Pension Plan was amended in conjunction with the sale of substantially all of the performing loans, operating assets and liabilities associated with Vision Bank to Centennial Bank on February 16, 2012, in order to fully vest all of the Vision Bank employees upon termination of employment, regardless of their years of service with Vision Bank. An employee who terminates employment with ten or more years of service with Park and/or one of our subsidiaries may elect to receive his or her vested interest as early as age 55.

If an employee becomes totally and permanently disabled prior to his or her normal retirement date and retires after being determined to be disabled under the provisions of the Social Security Act and the related regulations for at least six months, he or she will receive a disability retirement benefit equal to his or her "accrued benefit" at disability reduced actuarially for payment preceding normal retirement.

In the event of a married employee's death after the completion of five years of service, but prior to meeting the eligibility requirements for early retirement, the participant will be assumed to have terminated employment the day before his or her death, survived to his or her early retirement date, elected a joint and one-half survivor benefit, and passed away the following day. If an unmarried employee dies prior to the early retirement age, the survivor annuity will be 50% of the 10-year certain and life annuity payable to such employee if such employee had terminated employment one day prior to his or her death.

In the event of a married employee's death after meeting the requirements for early retirement, his or her surviving spouse will receive one-half of the joint and one-half survivor benefit calculated on the day before his or her death. If an unmarried employee or unmarried "inactive" employee dies on or after the early retirement age, the survivor annuity will be computed as if he or she started receiving a 10 year certain and life annuity on the day before his or her death. For a vested terminated employee, death benefits are calculated the same as for active employees, but based on the employee's accrued benefit at his or her termination date.

An eligible employee of Park and/or one of our subsidiaries may opt to receive his or her benefits pursuant to the following methods of settlement that are actuarially equivalent to the normal form of annuity:

- a benefit to be paid during the employee's lifetime with one-half of the benefit to be continued to be paid to the employee's spouse for his or her lifetime after the employee's death;
- a benefit to be paid during the employee's lifetime with three-fourths of the benefit to be continued to be paid to the employee's spouse for his or her lifetime after the employee's death;

- a benefit to be paid during the employee's lifetime with a percentage of the benefit or the same benefit to be continued to be paid to the employee's spouse for his or her lifetime after the employee's death;
- a benefit payable in equal installments during the employee's lifetime;
- a benefit to be paid for 120 months certain and thereafter for life; or
- an unlimited lump-sum settlement for retirees and a lump-sum settlement under \$15,000 (as of February 1, 2016) for vested employees who have not yet retained retirement age.

It is not possible for an employee's years of service under the Park Pension Plan to exceed the employee's actual years of service with Park and/or our subsidiaries.

Supplemental Executive Retirement Benefits -- 2008 Agreements

David L. Trautman and Park are parties to a Supplemental Executive Retirement Benefits Agreement, made as of February 18, 2008 (the "2008 SERP Agreement"). Mr. Trautman's 2008 SERP Agreement represents an unfunded, non-qualified benefit arrangement designed to constitute a portion of aggregate retirement benefits for Mr. Trautman. His 2008 SERP Agreement terminates upon Mr. Trautman's death.

Under his 2008 SERP Agreement, Mr. Trautman will be entitled to receive an annual supplemental retirement benefit of \$125,000 (his "2008 Full Benefit") commencing on the first business day of the March following the later of (a) the date on which Mr. Trautman separates from service with Park and its affiliates (within the meaning of Section 409A of the Internal Revenue Code and the Treasury regulations promulgated thereunder (collectively, "Section 409A") and (b) Mr. Trautman's attainment of age 62 (his "2008 SERP Payment Commencement Date"), and continuing on the first business day on or immediately after each anniversary of his 2008 SERP Payment Commencement Date until the death of Mr. Trautman. If Mr. Trautman is a "specified employee" (within the meaning of Section 409A), no payment to be made following his separation of service with Park and its affiliates may be made until the first day of the seventh month following such separation from service. The amount paid on this later date will include the cumulative amount that could not be paid during the prior six month period.

If Mr. Trautman separates from service with Park and its affiliates for any reason prior to his 2008 SERP Payment Commencement Date, generally he will forfeit any right to payment under his 2008 SERP Agreement. However, in the event that Mr. Trautman becomes "substantially disabled" (as defined in his 2008 SERP Agreement) while employed by Park and its affiliates prior to his 2008 SERP Payment Commencement Date, he will be entitled to receive a reduced Limited Benefit, the amount of which varies depending on the year in which Mr. Trautman becomes substantially disabled. In the event a "change in control" (as defined in his 2008 SERP Agreement) occurs before Mr. Trautman experiences a separation from service with Park and its affiliates, Mr. Trautman will become fully vested in his 2008 Full Benefit as though he remained continuously employed with Park and its affiliates until his 2008 SERP Payment Commencement Date, and payments of his 2008 Full Benefit will begin on his 2008 Payment Commencement Date as described above. If Mr. Trautman experiences a separation from service with Park and its affiliates for "cause" (as defined in his 2008 SERP Agreement) or if Park determines, following his 2008 SERP Payment Commencement Date or Mr. Trautman's becoming substantially disabled, that cause existed to terminate Mr. Trautman, his 2008 SERP Agreement will immediately terminate, Mr. Trautman will forfeit any right to receive future payments and Mr. Trautman must return all payments previously made under his 2008 SERP Agreement within 30 days. In addition, Mr. Trautman will forfeit the right to receive future payments under his 2008 SERP Agreement if he

violates the non-competition or non-solicitation covenants in his 2008 SERP Agreement during the 12 months following his separation from service with Park and its affiliates.

C. Daniel DeLawder and Park are parties to an Amended and Restated Supplemental Executive Retirement Benefits Agreement, made as of February 18, 2008 (the “2008 SERP Agreement”). Mr. DeLawder’s 2008 SERP Agreement also represents an unfunded, non-qualified benefit arrangement designed to constitute a portion of the aggregate retirement benefits for Mr. DeLawder. His 2008 SERP Agreement terminates upon Mr. DeLawder’s death.

Mr. DeLawder became vested with respect to Full Benefit of \$127,900 under his 2008 SERP Agreement (his “2008 SERP Full Benefit”) at age 62. Payments under Mr. DeLawder’s 2008 SERP Agreement will begin on the first business day of the March following the date Mr. DeLawder separates from service with Park and its affiliates (his “2008 SERP Payment Commencement Date”) and continue on the first business day on or immediately after each anniversary of his 2008 SERP Payment Commencement Date until the death of Mr. DeLawder. If Mr. DeLawder is a “specified employee” (within the meaning of Section 409A), no payment to be made following his separation from service with Park and its affiliates may be made until the first day of the seventh month following such separation from service. The amount paid on this later date will include the cumulative amount that could not be paid during the prior six-month period.

If Mr. DeLawder experiences a separation from service with Park and its affiliates for “cause” (as defined in his 2008 SERP Agreement) or if Park determines, following his 2008 SERP Payment Commencement Date, that cause existed to terminate Mr. DeLawder, his 2008 SERP Agreement will immediately terminate, Mr. DeLawder will forfeit any right to receive future payments and Mr. DeLawder must return all payments previously made under his 2008 SERP Agreement within 30 days. In addition, Mr. DeLawder will forfeit the right to receive future payments under his 2008 SERP Agreement if he violates the non-competition or non-solicitation covenants in his 2008 SERP Agreement during the 12 months following his separation from service with Park and its affiliates.

Supplemental Executive Retirement Benefits -- 2015 Agreements

On June 15, 2015, Park National Bank entered into Supplemental Executive Retirement Benefits Agreements (the “2015 SERP Agreements”) with each of David L. Trautman, Brady T. Burt and C. Daniel DeLawder.

Each of the 2015 SERP Agreements represents an unfunded, non-qualified benefit arrangement designed to constitute a portion of the aggregate retirement benefits for the affected NEO. Under their respective 2015 SERP Agreements, Mr. Trautman and Mr. Burt will be entitled to receive an annual supplemental retirement benefit of \$253,800 and \$201,000, respectively (each of their “2015 SERP Full Benefit”), commencing on the first business day of the March following the later of (a) the date on which Mr. Trautman or Mr. Burt, as appropriate, separates from service with Park National Bank and its affiliates and (b) their attainment of age 65 (each of their “2015 SERP Payment Commencement Date”) and continuing on the first business day on or immediately after each anniversary of the 2015 SERP Payment Commencement Date until the death of the Mr. Trautman or Mr. Burt. Under his 2015 SERP Agreement, Mr. DeLawder will be entitled to receive an annual supplemental retirement benefit of \$56,700 (his “2015 SERP Full Benefit”) commencing on the first day of the March following the later of (a) the date on which Mr. DeLawder separates from service with Park National Bank and its affiliates and (b) Mr. DeLawder’s attainment of age 69 (his “2015 SERP Payment Commencement Date”) and continuing on the first business day on or immediately after each anniversary of his 2015 SERP Payment Commencement Date until the death of Mr. DeLawder. In each case, if the NEO is a “specified employee” (within the meaning of Section 409A), no payment to be made following the NEO’s separation from service with Park National Bank and its affiliates may be made until the first day of the

seventh month following such separation from service. The amount paid on this later date will include the cumulative amount that could not be paid during the prior six-month period.

Each 2015 SERP Agreement terminates upon the death of the affected NEO.

If either Mr. Trautman or Mr. Burt voluntarily resigns from full-time employment with Park National Bank and its affiliates for any reason before attaining age 62, or Park National Bank or any of its affiliates discharges either Mr. Trautman or Mr. Burt for any reason before he attains age 62, then the affected NEO will not be entitled to any supplemental retirement benefits under his 2015 SERP Agreement which will be immediately terminated.

If (a) either Mr. Trautman or Mr. Burt experiences a separation from service with Park National Bank and its affiliates after age 62 but before age 65 or (b) Mr. DeLawder experiences a separation from service with Park National Bank and its affiliates after June 15, 2015 but before attaining age 69, the respective NEO will receive, instead of his 2015 SERP Full Benefit, a "2015 SERP Early Benefit" in a lesser amount which will be based on the year in which the NEO separates from service. The 2015 SERP Early Benefit will be paid in the same manner as described above with respect to a 2015 SERP Full Benefit.

If a "change in control" (as defined in the 2015 SERP Agreements) occurs before any of the NEOs experiences a separation from service with Park National Bank and its affiliates, the affected NEO(s) will become 100% vested and thus entitled to his/their 2015 SERP Full Benefit upon any subsequent separation from service, other than for cause, prior to: (i) age 65, in the case of each of Mr. Trautman and Mr. Burt and (ii) age 69, in the case of Mr. DeLawder. The 2015 SERP Full Benefit will be paid in the same manner as described above with the respect to the payment of a 2015 SERP Full Benefit without the occurrence of a change in control.

For purposes of Mr. Trautman's 2008 SERP Agreement and each of the 2015 SERP Agreements, a "change in control" means any of the following has occurred:

- the consummation (execution in the case of the Trautman 2008 SERP Agreement) of an agreement for the sale of all, or a material portion, of the assets of Park National Bank (Park in the case of the Trautman 2008 SERP Agreement);
- the consummation of a merger or recapitalization of Park National Bank (Park in the case of the Trautman 2008 SERP Agreement), or any merger or recapitalization, whereby Park National Bank (Park in the case of the Trautman SERP Agreement) is not the surviving entity; or
- the acquisition, directly or indirectly, of the beneficial ownership of 25% or more of the outstanding voting securities of Park National Bank or Park by any person or group.

If Mr. Trautman, Mr. Burt or Mr. DeLawder experiences a separation from service with Park National Bank and its affiliates as a result of or in connection with an action or circumstance which constitutes "cause" (as defined in applicable 2015 SERP Agreement) or if the Board of Directors of Park National Bank determines, following the affected NEO's Payment Commencement Date, that cause existed to terminate the NEO, his 2015 SERP Agreement will immediately terminate, the NEO will forfeit any right to receive future payments and must return all payments previously made under the 2015 SERP Agreement within 30 days after receipt of a written demand by Park National Bank for such repayment. In addition, an NEO will forfeit the right to receive future payments under his 2015 SERP Agreement if he violates certain non-competition, non-solicitation of customers and non-solicitation of

employees covenants set forth in his 2015 SERP Agreement during a period of 12 months following his separation from service with Park National Bank and its affiliates.

Although neither Park nor Park National Bank is under any obligation to set aside, earmark or otherwise segregate any funds with which to pay its obligations under the SERP Agreement(s) to which it is a party, and the NEOs are and will remain unsecured general creditors of Park and/or Park National Bank, as appropriate, Park and Park National Bank have purchased life insurance policies with respect to each of the NEOs in order to fund their respective obligations under the SERP Agreements. Park and Park National Bank anticipate that the life insurance policies will also provide a life insurance benefit for each NEO if he should die before age 84, in the case of Mr. Trautman and Mr. DeLawder, or age 82, in the case of Mr. Burt. The amount of this life insurance benefit is intended to be equal to the present value of the stream of future benefits which would have been paid under the applicable SERP Agreement(s) to the NEO but had not been paid at the time of his death. These life insurance policies are related to the maximum benefit Split-Dollar Agreements described below in the section captioned "Potential Payments upon Termination of Employment or Change in Control -- Split-Dollar Agreements -- Split-Dollar Agreements with Specified Maximum Death Benefit."

Pension Benefits for 2015

The following table shows the actuarial present value of each NEO's accumulated benefit, including the number of years of service credited to each NEO, under each of the Park Pension Plan and the respective SERP Agreement(s) as in effect during the 2015 fiscal year, determined using interest rate and mortality rate assumptions consistent with those used in Park's consolidated financial statements and summarized in "Note 18. Benefit Plans" of the Notes to Consolidated Financial Statements included in Park's 2015 Annual Report.

Pension Benefits for 2015

Name	Plan Name	Number of Years Credited Service (#)	Present Value of Accumulated Benefit (\$)	Payments During Last Fiscal Year (\$)

C. Daniel DeLawder	Park Pension Plan (2)	(2)	(2)	(2)
	2008 SERP Agreement	-- (1)	\$1,368,561	\$ 0
	2015 SERP Agreement	-- (1)	\$126,983	\$ 0

(1) Due to the structure of the 2008 SERP Agreements and the 2015 SERP Agreements, years of credited service are not applicable.

(2) Mr. DeLawder was eligible for early retirement under the Park Pension Plan beginning in October of 2004. The present value of his early retirement benefit was \$1,386,082 at November 3, 2014, at which time it was paid out in full to Mr. DeLawder.

Potential Payouts upon Termination of Employment or Change in Control

PBRsUs

The impact of the termination of an NEO's employment and the impact of a change in control upon the PBRsUs held by the NEO are described in the footnotes to the table in the section captioned "Grants of Plan-Based Awards."

Supplemental Executive Retirement Benefits

The provisions of the SERP Agreements addressing the impact of the termination of the employment of the individual covered thereby and the impact of a change in control are described under the headings "Post-Employment Payments and Benefits Pension and Supplemental Benefits Supplemental Executive Retirement Benefits 2008 Agreements" and "Post-Employment Payments and Benefits Pension and Supplemental Benefits Supplemental Executive Retirement Benefits 2015 Agreements."

Split-Dollar Agreements

Split-Dollar Agreements with Specified Maximum Death Benefit

On June 15, 2015, Park National Bank entered into Amended and Restated Split-Dollar Agreements (each, a "Maximum Benefit Split-Dollar Agreement") with each of David L. Trautman and C. Daniel DeLawder. Mr. Trautman's Maximum Benefit Split-Dollar Agreement superseded his prior Split-Dollar Agreement dated May 19, 2008. Mr. DeLawder's Maximum Benefit Split-Dollar Agreement superseded his prior Endorsement Method Split Dollar Plan #2 Agreement dated December 27, 1996 and amended as of August 1, 2010. In addition, on June 15, 2015, Park National Bank entered into a Maximum Benefit Split-Dollar Agreement with Brady T. Burt. The life insurance policies covered by the Maximum Benefit Split-Dollar Agreements fund the SERP Agreements to which Messrs. Trautman, DeLawder and Burt are parties.

Under the terms of each Maximum Benefit Split-Dollar Agreement, Park National Bank (and, in the case of Mr. DeLawder, Park National Bank and Park) owns the life insurance policies to which the Maximum Benefit Split-Dollar Agreement relates and controls all rights of ownership with respect to such life insurance policies. Each NEO has the right to designate one or more beneficiaries to whom a portion of the death proceeds payable under the life insurance policies covering him is to be paid in accordance with the Maximum Benefit Split-Dollar Agreement. Upon each NEO's death, his beneficiary(ies) will be entitled to an amount equal to the lesser of (a) the "Death Benefit" described in the Maximum Benefit Split-Dollar Agreement or (b) 100% of the difference between the total death proceeds payable under the related life insurance policies and the cash surrender value of such life insurance policies at the time of the NEO's death (such difference being referred to as the "Net at Risk Amount").

The Death Benefit under Mr. Trautman's Maximum Benefit Split-Dollar Agreement will be \$4,313,000 if: (a) Mr. Trautman dies while a full-time employee of Park National Bank; (b) Mr. Trautman experiences a separation from service with Park National Bank and its affiliates within 12 months after a defined "change in control" even if that separation of service occurs before Mr. Trautman attains age 62; or (c) Mr. Trautman dies after he has retired following the attainment of age 62 and prior to attaining age 66. If Mr. Trautman dies after retiring and attaining age 66, the Death Benefit will be reduced each year and will be \$0 if Mr. Trautman dies on or after attaining age 84. In no event will the amount payable to Mr. Trautman's beneficiary(ies) exceed the Net at Risk Amount in the life insurance policies related to his Maximum Benefit Split-Dollar Agreement as of the date of Mr. Trautman's death.

The Death Benefit under Mr. Burt's Maximum Benefit Split-Dollar Agreement will be \$2,353,000 if: (a) Mr. Burt dies while a full-time employee of Park National Bank; (b) Mr. Burt experiences a separation from service with Park National Bank and its affiliates within 12 months after a defined "change in control" even if that separation of service occurs before Mr. Burt attains age 62; or (c) Mr. Burt dies after he has retired following the attainment of age 62 and prior to attaining age 66. If Mr. Burt dies after retiring and attaining age 66, the Death Benefit will be reduced each year and will be \$0 if Mr. Burt dies on or after attaining age 82. In no event will the amount payable to Mr. Burt's beneficiary(ies) exceed the Net at Risk Amount in the life insurance policies related to his Maximum Benefit Split-Dollar Agreement as of the date of Mr. Burt's death.

The Death Benefit under Mr. DeLawder's Maximum Benefit Split-Dollar Agreement will be \$3,516,044 if: (a) Mr. DeLawder dies while a full time employee of Park National Bank; or (b) Mr. DeLawder dies after he has terminated employment with Park National Bank and its affiliates but before attaining age 70. If Mr. DeLawder dies after retiring and attaining age 70, the Death Benefit will be reduced each year and will be \$0 if Mr. DeLawder dies on or after attaining age 84. In no event will the amount payable to Mr. DeLawder's beneficiary(ies) exceed the Net at Risk Amount in the life insurance policies related to his Maximum Benefit Split-Dollar Agreement as of the date of Mr. DeLawder's death.

In each case, payment of the Death Benefit after the NEO's termination of employment with Park National Bank and its affiliates will be subject to the following conditions:

after the NEO's termination of employment with Park National Bank and its affiliates, the NEO has not been employed by another financial services firm unless the NEO has terminated employment within 12 months after a change in control; and

the NEO's termination of employment from Park National Bank has not been for cause as determined by the Board of Directors of Park National Bank.

Park National Bank (and, in the case of Mr. DeLawder, Park National Bank and Park) will be entitled to any death proceeds payable under the life insurance policies related to the Maximum Benefit Split-Dollar Agreements remaining after payment to each NEO's beneficiary(ies). Park National Bank and an NEO's beneficiary(ies) will share in any interest due on the death proceeds of the life insurance policies on a pro rata basis based on the amount of proceeds due each person divided by the total amount of proceeds, excluding any such interest.

Compensation-Based Split-Dollar Agreements

Park National Bank maintains life insurance policies on behalf of David L. Trautman and C. Daniel DeLawder, in their respective capacities as executive officers of Park National Bank, pursuant to Amended and Restated Split Dollar Agreements entered into on June 15, 2015 (each, a "Compensation-Based Split-Dollar Agreement"). Mr. Trautman's Compensation-Based Split-Dollar Agreement supersedes his prior Split-Dollar Agreement made on September 23, 1993; while, Mr. DeLawder's Compensation-Based Split-Dollar Agreement supersedes his prior Split-Dollar Agreement made on May 26, 1993. Each of Messrs. Trautman and DeLawder has the right to designate the beneficiary(ies) to whom his share of the death proceeds payable under the life insurance policy is to be paid. Such share will be approximately two times his highest annual total compensation (defined as the sum of the annual base salary and the annual cash bonus/incentive compensation paid) during any calendar year of his employment with Park National Bank. The death proceeds paid to each covered individual's beneficiary(ies) may not, however, exceed 100% of the difference between the total death proceeds payable under the related life insurance policy and the cash accumulation account of such life insurance policy as of the date of the covered individual's death. Park National Bank will be entitled to the remainder of the death proceeds. Each Compensation-Based Split-Dollar Agreement remains in effect

following the covered individual's retirement as long as the covered individual: (i) is fully vested in the Park Pension Plan; (ii) has reached age 62 (unless permanently disabled as determined under Park's disability insurance plan); (iii) has not been employed by another financial services firm; and (iv) was not terminated for cause. If Mr. Trautman's share of the proceeds under the life insurance policy subject to his Compensation-Based Split-Dollar Agreement were computed as of December 31, 2015, his share would have been \$1,950,000. If Mr. DeLawder's share of the proceeds under the life insurance policy subject to his Compensation-Based Split-Dollar Agreement were computed as of December 31, 2015, his share would have been \$1,911,980.

On June 15, 2015, Brady T. Burt also entered into a Compensation-Based Split-Dollar Agreement with Park National Bank. Mr. Burt's Compensation-Based Split-Dollar Agreement supersedes his prior Split-Dollar Agreement effective as of January 1, 2010. Mr. Burt has the right to designate the beneficiary(ies) to whom his share of the death proceeds payable under the life insurance policy is to be paid. Such share will be approximately two times his highest total compensation (defined as the sum of the annual base salary and the annual cash bonus/incentive compensation paid) during the last ten calendar years of his employment with Park National Bank. The death proceeds paid to Mr. Burt's beneficiary(ies) may not, however, exceed 100% of the difference between the total death proceeds payable under the related life insurance policy and the cash surrender value of such life insurance policy as of the date of Mr. Burt's death. Park National Bank will be entitled to the balance of the total death proceeds payable. Mr. Burt's Compensation-Based Split-Dollar Agreement remains in effect following his retirement as long as: (i) except in the case of a defined change in control, he has not been employed by another financial services firm and (ii) he was not terminated for cause. If Mr. Burt's share of the proceeds under the life insurance policy related to his Compensation-Based Split-Dollar Agreement were computed as of December 31, 2015, his share would have been \$850,000.

Other Potential Payouts

Regardless of the manner in which an NEO's employment terminates, he is entitled to receive amounts earned during his term of employment. Such amounts would include:

- the balance of the NEO's account under the Park KSOP;
- unused vacation pay; and

to the extent not previously paid, amounts accrued and vested under the Park Pension Plan which will be paid in accordance with the terms of the Park Pension Plan, as discussed in more detail in the section captioned "Post-Employment Payments and Benefits – Pension and Supplemental Benefits – Park Pension Plan."

If an NEO retires after reaching age 55, the NEO will be entitled to receive a lump-sum payment of the present value of the benefit to which he would have been entitled under the Park Pension Plan (to the extent not previously paid).

In the event of the disability of an NEO, in addition to the benefits identified in the preceding paragraph, the NEO will receive benefits under Park's disability insurance plan.

The following table summarizes payments which would have been made to Messrs. Trautman, Burt and DeLawder if a retirement or other termination event had occurred on December 31, 2015. Actual amounts to be paid out can only be determined at the time of an NEO's actual separation from service with Park and its affiliates.

- (1) The amount shown reflects the estimated lump-sum present value of the benefits to which the NEO would be entitled under the Park Pension Plan.
 - (2) In each case, the amount shown reflects the present value of the accumulated benefit that would be paid to the NEO under his 2008 SERP Agreement or his 2015 SERP Agreement, as appropriate.
 - (3) Mr. DeLawder was eligible for early retirement under the Park Pension Plan beginning in October of 2004. The present value of his early retirement benefit was \$1,386,082 at November 3, 2014, at which time it was paid out in full to Mr. DeLawder. As a result, this amount is not shown in the table.
 - (4) If a change in control were to have occurred before an NEO's termination of employment ,he would be entitled to receive his 2015 SERP Full Benefit, the present value of which was \$1,885,700 for Mr. Trautman, \$913,400 for Mr. Burt and \$509,800 for Mr. DeLawder, in each case as of December 31, 2015.

(5) Since, as of December 31, 2015, Mr. Trautman had not reached age 55, he was not eligible for early retirement. However, if Mr. Trautman had retired on December 31, 2015, he would have been eligible to receive the same payments as those identified in the column captioned “Voluntary Termination on 12/31/15.”

(6) Since, as of December 31, 2015, Mr. Burt had not reached age 55, he was not eligible for early retirement. However, if Mr. Burt had retired on December 31, 2015, he would have been eligible to receive the same payments as those identified in the column captioned “Voluntary Termination on 12/31/15.”

(7) At age 62, Mr. DeLawder became vested with respect to his 2008 SERP Full Benefit of \$127,900. The present value of such 2008 SERP Full Benefit was \$1,368,561 as of December 31, 2015.

(8) Since, as of December 31, 2015, Mr. DeLawder had not reached age 69, he would be eligible to receive his 2015 SERP Early Benefit, but not his 2015 SERP Full Benefit. The present value of such 2015 SERP Early Benefit was \$433,300 as of December 31, 2015. If a change in control were to have occurred before Mr. DeLawder’s termination of employment, he would be entitled to receive his 2015 SERP Full Benefit, the present value of which was \$509,800 as of December 31, 2015.

(9) Since, as of December 31, 2015, Mr. Trautman had not reached age 62, he was not eligible to receive payments under the 2008 SERP Agreement.

If a change in control had occurred as of December 31, 2015, each NEO’s outstanding PBRsUs would have vested as though the cumulative ROAA of Park as compared to the cumulative ROAA results of the \$3 billion to \$10 billion Peer Group had been achieved at the 50th percentile of the Peer Group. The following table shows the number of PBRsUs which would have vested for each NEO and the market value of the PBRsUs which would have vested, based on the \$90.48 closing price of the Park common shares as of December 31, 2015.

	Aggregate Number of PBRsUs Which Would Have Vested	Aggregate Market Value of PBRsUs Which Would Have Vested
David L. Trautman	4,000	\$361,920
Brady T. Burt	1,750	\$158,340
C. Daniel DeLawder	4,000	\$361,920

EQUITY COMPENSATION PLAN INFORMATION

As of December 31, 2015, Park had one compensation plan under which common shares of Park are authorized for issuance to directors, officers or employees of Park and our subsidiaries in exchange for consideration in the form of goods or services – the 2013 LTIP. In addition, Park maintains the Park KSOP, which is intended to meet the qualification requirements of Section 401(a) of the Internal Revenue Code. The 2013 LTIP was approved by Park’s shareholders.

The following table shows the number of common shares issuable upon the vesting of outstanding PBRsUs and the number of common shares remaining available for awards under the 2013 LTIP, in each case at December 31, 2015.

Plan category	(a) Number of common shares to be issued upon exercise of outstanding options, warrants and rights (1)	(b) Weighted-average exercise price of outstanding options, warrants and rights (2)	(c) Number of common shares remaining available for future issuance under equity compensation plans (excluding common shares reflected in column (a))
Equity compensation plans approved by shareholders	45,000		488,050
Equity compensation plans not approved by shareholders			
Total	45,000		488,050

(1) Includes 45,000 common shares underlying PBRsUs granted under the 2013 LTIP, assuming that the maximum number of PBRsUs is earned with respect to outstanding awards. The target number (which is also the threshold number) of PBRsUs that could be earned with respect to outstanding awards is 30,000.

(2) Weighted-average exercise price does not apply to the outstanding PBRsUs since they require no cash contribution upon the vesting of the PBRsUs and the subsequent issuance of Park common shares.

DIRECTOR COMPENSATION

Park uses a combination of cash and stock-based compensation to attract and retain qualified candidates to serve on the Board of Directors. To align the interests of Park’s directors and shareholders, Park’s Regulations require that all directors of Park be shareholders. Park does not have a requirement which addresses the number of common shares that need to be retained by directors.

Annual Retainers and Meeting Fees

Annual Retainers Payable in Common Shares

Each director of Park who is not an employee of Park or one of our subsidiaries (a “non-employee director”) receives, on the date of the regular meeting of the Park Board of Directors held during the fourth fiscal quarter, an annual retainer in the form of common shares awarded under the 2013 LTIP. The number of common shares awarded as the annual retainer for the 2015 fiscal year was 200 common shares. These common shares were delivered on the date of the regular meeting of the Park Board of Directors held during the fourth quarter of the 2015 fiscal year.

Each non-employee director of Park also serves on the board of directors of either Park National Bank or one of the divisions of Park National Bank, and receives, on the date of the regular meeting of the Park Board of Directors held during the fourth fiscal quarter, an annual retainer in the form of: (a) 150 common shares for members of the board of directors of Park National Bank; and (b) 100 common shares for members of the board of directors of a division of Park National Bank. These common shares were delivered on the date of the regular meeting of the Park Board of Directors held during the fourth quarter of the 2015 fiscal year.

The following table sets forth the cash compensation paid by Park to Park’s non-employee directors for the 2015 fiscal year and to be paid by Park to Park’s non-employee directors for the 2016 fiscal year:

Lead Director Additional Annual Retainer	\$15,000
--	----------

(1) If the date of a meeting of the full Board of Directors is changed from that provided for by resolution of the Board and a Park non-employee director is not able to attend the rescheduled meeting, he or she receives the meeting fee as though he or she attended the meeting.

(2) Annual retainers are pro-rated based upon a director's period of service on a Board Committee and/or as a Board Committee Chair during the year.

Each non-employee director of Park also serves on the board of directors of either Park National Bank or one of the divisions of Park National Bank and, in some cases, receives a specified amount of cash for such service as well as fees for attendance at meetings of the board of directors of Park National Bank or the applicable division of Park National Bank (and committees of the respective boards).

In addition to the annual retainers and meeting fees discussed above, non-employee directors also receive reimbursement of all reasonable travel and other expenses of attending board and committee meetings.

David L. Trautman and C. Daniel DeLawder receive no compensation for: (i) serving as a member of the Board of Directors of Park; (ii) serving as a member of the board of directors of Park National Bank; or (iii) serving as a member of any committee of the respective boards.

Split-Dollar Life Insurance Policies

Effective as of December 28, 2007, Donna M. Alvarado, Maureen H. Buchwald, F. William Englefield IV, Robert E. O'Neill, Rick R. Taylor and Leon Zazworsky entered into split-dollar agreements (the "Split Dollar Agreements") which amended and restated the split-dollar agreements to which they had been parties. The Split Dollar Agreements are intended to comply with the requirements of Section 409A of the Internal Revenue Code.

Under the terms of each Split-Dollar Agreement, Park National Bank owns the life insurance policy to which the Split-Dollar Agreement relates. Each individual party to a Split-Dollar Agreement has the right to designate the beneficiary(ies) to whom a portion of the death proceeds of the policy are to be paid in accordance with the terms of the Split-Dollar Agreement. Upon the death of the individual, his or her beneficiary(ies) will be entitled to an amount equal to the lesser of (i) \$100,000 or (ii) 100% of the difference between the total death proceeds under the policy and the cash surrender value of the policy (such difference being referred to as the "Net at Risk Amount"). In no event will the amount payable to an individual's beneficiary(ies) exceed the Net at Risk Amount in the policy as of the date of the individual's death. Park National Bank will be entitled to any death proceeds payable under the policy remaining after payment to the individual's beneficiary(ies).

Park National Bank maintains a split-dollar life insurance policy on behalf of William T. McConnell in his capacity as a former executive officer of Park National Bank. Park National Bank will receive proceeds under the policy in an amount equal to the premiums paid up to the date of death plus earnings accrued in respect of the policy since the inception of the policy. Mr. McConnell has the right to designate the beneficiary to whom his share of the proceeds under the policy (approximately two times his highest annual total compensation during his employment with Park National Bank) is to be paid. If Mr. McConnell's share of the proceeds under the policy were computed as of December 31, 2015, his share would have been \$1,455,000.

Change in Control Payments

None of the directors is entitled to payment of any benefits upon a change in control of Park.

Director Compensation for 2015

(1) David L. Trautman, who served as Park's Chief Executive Officer and President throughout the 2015 fiscal year, and C. Daniel DeLawder, who served as Park's Chairman of the Board and an executive employee of Park National Bank throughout the 2015 fiscal year, are not included in this table as they are executive officers of Park and Park National Bank and thus receive no compensation for their services as directors. The compensation received by Messrs. Trautman and DeLawder as executive officers of Park and Park National Bank is shown in the "Summary Compensation Table for 2015."

(2) Represents the closing price of Park's common shares on NYSE MKT on October 26, 2015 (\$94.88) times the number of common shares granted on that date in the form of an annual retainer under the 2013 LTIP. This amount also represents the grant date fair value of the common shares awarded computed in accordance with FASB ASC Topic 718. The following individuals received an aggregate of 350 common shares of Park as an annual retainer: Donna M. Alvarado; James R. DeRoberts; F. William Englefield IV; Stephen J. Kambeitz; Robert E. (4) James R. DeRoberts became a director of Park and Park National Bank on February 16, 2015.

(5) Alicia J. Hupp became a director of Park on June 1, 2015.

(6) William T. McConnell retired on April 27, 2015.

(7) Represents the sum of: (i) 19,657 reflecting the amount of premium deemed to have been paid on behalf of Mr. McConnell under the split-dollar life insurance policy maintained on his behalf by Park National Bank; and (ii) \$3,101 reflecting the amount of premium deemed to have been paid on behalf of Mr. McConnell under the split-dollar life insurance policy which funds his account under the SERP (and his SERP Agreement). During the 2015 fiscal year, Mr. McConnell received an annual targeted benefit under his SERP Agreement of \$53,200, which amount is not included in the amounts shown in this table since this benefit was earned in his capacity as executive officer and employee of Park and Park National Bank prior to reaching age 62.

(8) Julia A. Sloat became a director of Park and Park National Bank on June 1, 2015.

**RATIFICATION OF THE APPOINTMENT OF
THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

(Proposal 3)

Crowe Horwath LLP, together with its predecessor Crowe Chizek and Company LLC, has served as Park's independent registered public accounting firm since March 15, 2006. Crowe Horwath LLP audited Park's consolidated financial statements as of and for the fiscal year ended December 31, 2015 and the effectiveness of Park's internal control over financial reporting as of December 31, 2015. Representatives of Crowe Horwath LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The appointment of Park's independent registered public accounting firm is made annually by the Audit Committee. Park has determined to submit the appointment of the independent registered public accounting firm to the shareholders for ratification because of such firm's role in reviewing the quality and integrity of Park's consolidated financial statements and internal control over financial reporting. Before appointing Crowe Horwath LLP, the Audit Committee carefully considered that firm's qualifications as the independent registered public accounting firm for Park and the audit scope.

Recommendation and Vote Required

THE AUDIT COMMITTEE AND THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMEND THAT THE SHAREHOLDERS OF PARK VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF CROWE HORWATH LLP.

The affirmative vote of a majority of the common shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal, is required to ratify the appointment of Crowe Horwath LLP as Park's independent registered public accounting firm for the 2016 fiscal year. The effect of an abstention is the same as a vote "AGAINST."

Even if the appointment of Crowe Horwath LLP is ratified by the shareholders, the Audit Committee, in its discretion, could decide to terminate the engagement of Crowe Horwath LLP and to engage another firm if the Audit Committee determines such action is necessary or desirable. If the appointment of Crowe Horwath LLP is not ratified, the Audit Committee will reconsider (but may decide to maintain) the appointment.

AUDIT COMMITTEE MATTERS

Report of the Audit Committee for the Fiscal Year Ended December 31, 2015

Role of the Audit Committee, Independent Registered Public Accounting Firm and Management

The Audit Committee consists of six directors, each of whom qualifies as an independent director under the applicable NYSE MKT Rules and SEC Rule 10A-3. The Audit Committee operates under the Audit Committee Charter adopted by Park's Board of Directors. The Audit Committee is responsible for assisting the Board of Directors in the oversight of the accounting and financial reporting processes of Park and Park's subsidiaries. In particular, the Audit Committee assists the Board of Directors in overseeing: (i) the integrity of Park's consolidated financial statements and the effectiveness of Park's internal control over financial reporting; (ii) the legal compliance and ethics programs established by Park's management and the Board of Directors; (iii) the qualifications and independence of Park's independent registered public accounting firm; (iv) the performance of Park's independent registered public accounting firm and Park's Internal Audit Department; and (v) the annual independent audit of Park's consolidated financial statements. The Audit Committee is responsible for the appointment, compensation and oversight of the work of Park's independent registered public accounting firm. Crowe Horwath LLP was appointed to serve as Park's independent registered public accounting firm for the 2015 fiscal year.

During the 2015 fiscal year, the Audit Committee met seven times, and the Audit Committee discussed the interim financial and other information contained in each quarterly earnings announcement and periodic filings with the SEC with Park's management and Crowe Horwath LLP prior to public release.

Park's management has the primary responsibility for the preparation, presentation and integrity of Park's consolidated financial statements, for the appropriateness of the accounting principles and reporting policies that are used by Park and Park's subsidiaries and for the accounting and financial reporting processes, including the establishment and maintenance of adequate systems of disclosure controls and procedures and internal control over financial reporting. Management also has the responsibility for the preparation of an annual report on management's assessment of the effectiveness of Park's internal control over financial reporting. Park's independent registered public accounting firm is responsible for performing an audit of Park's annual consolidated financial statements and Park's internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB") and issuing its report thereon based on such audit and for reviewing Park's unaudited interim consolidated financial statements. The Audit Committee's responsibility is to provide independent, objective oversight of these processes.

In discharging its oversight responsibilities, the Audit Committee regularly met with Park's management, Crowe Horwath LLP and Park's internal auditors throughout the year. The Audit Committee often met with each of these groups in executive session. Throughout the relevant period, the Audit Committee had full access to management as well as to Crowe Horwath LLP and Park's internal auditors. To fulfill its responsibilities, the Audit Committee did, among other things, the following:

- reviewed the work performed by Park's Internal Audit Department;
- monitored the progress and results of the testing of internal control over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act of 2002 and other applicable regulatory requirements, reviewed a report from management and Park's Internal Audit Department regarding the design, operation and effectiveness of internal control over financial reporting,

and reviewed an audit report from Crowe Horwath LLP regarding Park's internal control over financial reporting; reviewed the audit plan and scope of the audit with Crowe Horwath LLP and discussed with Crowe Horwath LLP the matters required to be discussed in accordance with the standards of the PCAOB, including Auditing Standard No. 16; reviewed and discussed with management and Crowe Horwath LLP the consolidated financial statements of Park for the 2015 fiscal year;

reviewed management's representations that those consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States and fairly present the consolidated results of operations and financial position of Park and Park's subsidiaries;

received the written disclosures and the letter from Crowe Horwath LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Crowe Horwath LLP's communications with the Audit Committee concerning independence, and discussed with Crowe Horwath LLP that firm's independence;

reviewed all audit and non-audit services performed for Park and Park's subsidiaries by Crowe Horwath LLP and considered whether the provision of non-audit services was compatible with maintaining that firm's independence from Park and Park's subsidiaries; and

discussed with management and Park's Internal Audit Department Park's systems to monitor and manage business risk, and Park's legal and ethical compliance programs.

Management's Representations and Audit Committee Recommendation

Park's management has represented to the Audit Committee that Park's audited consolidated financial statements as of and for the fiscal year ended December 31, 2015, were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed those audited consolidated financial statements with management and Crowe Horwath LLP.

Based on the Audit Committee's discussions with Park's management and Crowe Horwath LLP and the Audit Committee's review of the report of Crowe Horwath LLP to the Audit Committee, the Audit Committee recommended to the full Board of Directors that Park's audited consolidated financial statements be included in Park's 2015 Annual Report and incorporated therefrom into Park's Annual Report on Form 10-K for the 2015 fiscal year for filing with the SEC.

Submitted by the members of the Audit Committee:

Stephen J. Kambeitz (Chair)

Donna M. Alvarado

Pre-Approval of Services Performed by Independent Registered Public Accounting Firm

Under applicable SEC rules, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accounting firm employed by Park in order

to ensure that those services do not impair that firm's independence from Park. The SEC rules specify the types of non-audit services that an independent registered public accounting firm may not provide to its client and establish the Audit Committee's responsibility for administration of the engagement of the independent registered public accounting firm.

Consistent with the SEC rules, the Audit Committee Charter requires that the Audit Committee review and pre-approve all audit services and permitted non-audit services provided by Park's independent registered public accounting firm to Park or any of Park's subsidiaries. The Audit Committee may delegate pre approval authority to a member of the Audit Committee and, if it does, the decisions of that member must be presented to the full Audit Committee at its next scheduled meeting.

All requests or applications for services to be provided by the independent registered public accounting firm must be submitted to the Audit Committee by both the independent registered public accounting firm and Park's Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC rules governing the independence of the independent registered public accounting firm.

SHAREHOLDER PROPOSALS FOR 2017 ANNUAL MEETING

Proposals by shareholders intended to be presented at the 2017 Annual Meeting must be received by the Secretary of Park no later than November 7, 2016, to be eligible for inclusion in Park’s proxy, notice of meeting, proxy statement and Notice of Internet Availability of Proxy Materials relating to the 2017 Annual Meeting. Park will not be required to include in its proxy, notice of meeting, proxy statement or Notice of Internet Availability of Proxy Materials, a shareholder proposal that is received after that date or that otherwise fails to meet the requirements for shareholder proposals established by the applicable SEC rules.

The SEC has promulgated rules relating to the exercise of discretionary voting authority under proxies solicited by the Board of Directors. If a shareholder intends to present a proposal at the 2017 Annual Meeting without inclusion of that proposal in Park’s proxy materials and written notice of the proposal is not received by the Secretary of Park by January 21, 2017, or if Park meets other requirements of the applicable SEC rules, the proxies solicited by the Board of Directors for use at the 2017 Annual Meeting will confer discretionary authority to vote on the proposal should it then be raised at the 2017 Annual Meeting.

In each case, written notice must be given to Park’s Secretary, whose name and address are:

Brady T. Burt

Chief Financial Officer, Secretary and Treasurer
