Adoption of the Sapiens International Corporation N.V. 2005 Special Incentive Share Option Plan

The Company's Board of Directors desires to attract, motivate and retain key senior personnel. Therefore, subject to the approval of the shareholders, the Board of Directors has adopted a new share option plan, entitled the Sapiens International Corporation N.V. 2005 Special Incentive Share Option Plan (the **2005 Special Option Plan**). The Board shall appoint the members of the Compensation Committee, may from time to time remove members from, or add members to the Compensation Committee, and shall fill vacancies in the Compensation Committee however caused. Subject to applicable law and to the Company's incorporation documents and at the Board's sole discretion, the Compensation Committee will have the power to administer the Plan. However, notwithstanding the above, until the Board shall delegate administration to the Compensation Committee, or if such delegation is not permitted by law, or if such committee shall cease to operate, the Board will administer the Plan (the

Compensation Committee or the Board, as applicable, individually or together, shall hereinafter be referred to as the **Committee**).

3.2

The Committee shall select one of its members as its chairman (the **Chairman**) and shall hold its meetings at such times and places, as it shall determine. The Committee may appoint a Secretary, who shall keep records of its meetings and shall make such rules and regulations for the conduct of its business, as it shall deem advisable.

3.3

Subject to the general terms and conditions of this Plan and applicable law, the Committee shall have the full authority in its discretion, from time to time and at any time, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or desirable for, or incidental to, the administration of the Plan, including without limitation the authority to grant options to purchase Shares (the **Options**), to interpret the Plan and (a) to determine (i) the persons (**Grantees**) to whom Options shall be granted, (ii) the number of Shares subject to each Option, (iii) the exercise price for such Options, (iv) the time or times at which the same shall be granted, (v) the type of consideration payable with respect to the exercise price of Options, (vi) the schedule and conditions, including performance conditions, on which such Options may be exercised and on which such Shares shall be paid for, (vii) the rules and provisions, as may be necessary or appropriate to permit eligible Grantees who are not Israeli residents to participate in the Plan and/or to receive preferential tax treatment in their country of residence, with respect to the Options granted hereunder, and (viii) the Fair Market Value (as defined below) of the Shares covered by each Option, and (b) subject to Section 13.2 hereinafter, to alter any restrictions and conditions of any Options or Shares subject to any Options, (c) to interpret the provisions and supervise the administration of the Plan, (d) to accelerate the right of a Grantee to exercise in whole or in part, any previously granted Option, (e) to prescribe, amend and rescind rules and regulations relating to the Plan, and (f) to make all other determinations deemed necessary or advisable for the administration of the Plan. Unless determined otherwise by the Committee for a specific grant or grants of Options, each Option shall be exercised for one Share of Sapiens.

Fair Market Value means as of any date, the value of a Share determined as follows:

(a)

If the Shares are listed on any established stock exchange or a national market system, including without limitation the NASDAQ Global Market system, or the NASDAQ Capital Market of the NASDAQ Stock Market, the Fair Market Value shall be the closing sales price for such Shares (or the closing bid, if no sales were reported), as quoted on such exchange or system for the last market trading day prior to time of determination, as reported on www.nasdaq.com, or such other source as the Committee deems reliable;

(b)

If the Shares are regularly quoted by a recognized securities dealer but selling prices are not reported, the Fair Market Value shall be the mean between the high bid and low asked prices for the Shares on the last market trading day prior to the day of determination, or;

(c)

In the absence of an established market for the Shares, the Fair Market Value thereof shall be determined in good faith by the Committee.

3.4

Subject to the general terms and conditions of the Plan, the Ordinance, and any other applicable laws and regulations, the Committee shall have the full authority in its discretion, to determine:

(a)

with respect to the grant of 102 Options (as defined in Section 5.1(a)(i) below) - whether the Company shall elect the Ordinary Income Route under Section 102(b)(1) of the Ordinance (the **Ordinary Income Route**) or the Capital Gains Route under Section 102(b)(2) of the Ordinance (the **Capital Gains Route**) (each of the Ordinary Income Route or the Capital Gains Route - a **Taxation Route**) for the grant of 102 Options, and the identity of the trustee, subject to Board approval, who shall be granted such 102 Options in accordance with the provisions of this Plan and the then prevailing Taxation Route. If the Committee determines that the Company shall elect one of the Taxation Routes for the grant of 102 Options, the Company shall be entitled to change such election only following the lapse of one year from the end of the tax year in which 102 Options are first granted under the then prevailing Taxation Route; and

(b)

with respect to the grant of 3(9) Options (as defined in Section 5.1(a)(ii) below) - whether or not 3(9) Options shall be granted to a trustee in accordance with the terms and conditions of this Plan, and the identity of the trustee who shall be granted such 3(9) Options in accordance with the provisions of this Plan.

3.5

Notwithstanding the foregoing, the Committee may, from time to time and at any time, grant 102 Options that will not subject to a Taxation Route, as detailed in Section 102(c) of the Ordinance (**102(c) Options**).

3.6

3.7

The Committee may, from time to time, adopt such rules and regulations for carrying out the Plan as it may deem necessary. The Committee may delegate to one or more of its members or to one or more agents such administrative duties as it may deem advisable, and the Committee or any person to whom it has delegated duties as aforesaid may employ one or more persons to render advice with respect to any responsibility the Committee or such person may have under the Plan. No member of the Board or of the Compensation Committee shall be liable for any act or determination made in good faith with respect to the Plan or any Option granted thereunder.

3.8

The interpretation and construction by the Committee of any provision of the Plan or of any Option thereunder shall be final and conclusive and binding on all parties who have an interest in the Plan or any Option or Share issuance thereunder unless otherwise determined by the Board.

4.

Eligible Grantees:

4.1

The Committee, at its discretion, may grant Options to any Employees (as defined below) and/or Non-Employees (as defined below) of the Company or of any Affiliate, all in accordance with Section 5.1(a) below.

4.2

Anything in this Plan to the contrary notwithstanding, all grants of Options to directors and office holders shall be authorized and implemented only in accordance with the provisions of applicable law, as in effect from time to time.

4.3

The grant of an Option to a Grantee hereunder, shall neither entitle such Grantee to participate, nor disqualify him from participating, in any other grant of options pursuant to this Plan or any other share incentive plan of the Company or of its Affiliates.

5.

Grant of Options, Issuance of Shares, Dividends and Shareholder Rights:

5.1

Grant of Options and Issuance of Shares.

If the requirements for Approved 102 Options are not met, the Approved 102 Options may be treated as Unapproved 102 Options, each as defined in the Ordinance and all in accordance with the provisions of Section 102 of the Ordinance and the regulations promulgated thereunder.

A Grantee granted 102 Options shall not sell or release from trust any Shares received upon exercise of a 102 Option and/or any share received subsequently following any realization of rights, including without limitation, bonus shares, (the **Exercised Shares**) or such 102 Options from the Trust prior to the lapse of the Trust Period as required under Section 102 of the Ordinance. Notwithstanding the aforesaid, if any such sale or release occurs prior to the lapse of the Trust Period, the sanctions under Section 102(b)(4) of the Ordinance and Section 7 of the rules and regulations promulgated under Section 102 of the Ordinance shall apply to and shall be borne by such Grantee.

Upon receipt of a 102 Option, the Grantee will sign an undertaking to release the Trustee from any liability in respect of any action or decision duly taken and bona fide executed in relation with the Plan, or any 102 Option or Share granted to the Trustee thereunder.

All certificates representing Shares issued to the Trustee under the Plan, for the benefit of the Grantee, shall be deposited with the Trustee, and shall be held by the Trustee until such time that such Shares are released from the Trust as herein provided.

(d)

Subject to the terms hereof, at any time after the 102 Options granted pursuant to a Taxation Route have vested, with respect to any Options or Shares, the following shall apply:

(i)

Upon the written request of any Beneficial Grantee, the Trustee shall authorize release from the Trust the Options granted, and/or the Shares issued, on behalf of such Beneficial Grantee, by executing and delivering to the Company such instrument(s) as the Company may require, giving due notice of such release to such Beneficial Grantee;

(ii)

Notwithstanding anything to the contrary and in addition, if the Company's Shares are listed on a stock exchange or admitted to trading on an electronic securities trading system (such as the Nasdaq Stock Market), upon the written instructions of the Beneficial Grantee to sell any Shares issued upon exercise of Options, the Company's designee shall effect such sale in accordance with the Beneficial Grantee's instructions. However, the Company's designee shall transfer such Shares and/or transfer any consideration received therefore only after receiving the Trustee's full authorization to such an act following which the Company's designee shall be obligated to act in accordance with the Trustee's instructions. The Trustee shall withhold from such proceeds the amounts of any and all taxes required to be paid in respect of such sale and the Trustee shall remit the amount so withheld to the appropriate tax authorities and shall transfer the balance thereof directly to the Beneficial Grantee.

5.2

Dividend. All Shares (but excluding, for avoidance of any doubt, any unexercised Options) allocated or issued upon the exercise of Options granted under the Plan and held by the Grantee or by the Trustee, as the case may be, shall entitle the Beneficial Grantee thereof to receive dividends with respect thereto in accordance with the quantity of such Shares, subject to the provisions of the Company's incorporation documents (and all amendments thereto) and subject to any applicable taxation on distribution of dividends, and when applicable subject to the provisions of Section 102 and the rules, regulations or orders promulgated thereunder. Cash dividends shall be paid or distributed directly to such Beneficial Grantee, whereas other rights received in respect of Exercised Shares, shall be deposited with the Trustee, unless applicable law allows or requires otherwise.

5.3

Shareholder Rights. The holder of an Option shall have no shareholder rights with respect to the Shares subject to the Option until such person shall have exercised the Option, paid the exercise price and become the recordholder of the purchased Shares.

6.

Reserved Shares: The Company has reserved 2,000,000 authorized but unissued Shares (par value 0.01 Euro per share) for purposes of the Plan and for the purposes of any other share incentive plans which have been adopted by the Company, subject to adjustments as provided in Section 11 hereof. Notwithstanding the aforesaid, the Committee shall have full authority in its discretion to determine that the Company may issue, for the purposes of this Plan, previously issued Shares that are held by the Company (treasury shares), from time to time. All Shares under the Plan, in respect of which the right hereunder of a Grantee to purchase the same shall, for any reason, terminate, expire or otherwise cease to exist, shall again be available for grant through Options under the Plan.

7.

Grant of Options:

7.1

The implementation of the Plan and the granting of any Option under the Plan shall be subject to the Company's procurement of all approvals and permits required by applicable law and regulatory authorities having jurisdiction over the Plan, the Options granted under it and the Exercised Shares issued pursuant to it.

7.2

The Notice of Grant shall state, *inter alia*, the number of Shares subject to each Option, the Vesting Period (as defined below), the dates when the Options may be exercised, the exercise price, whether the Options granted thereby are 102 Options (and whether such 102 Options are granted under a Taxation Route (and if so, under which Taxation Route the Options are granted) or as 102(c) Options) or 3(9) Options, and such other terms and conditions as the Committee in its discretion may prescribe, provided that they are consistent with this Plan. Each Notice of Grant evidencing a 102 Option shall, in addition, be subject to the provisions of the Ordinance applicable to such options.

The term **Vesting Period** of an Option means, for the purpose of the Plan and its related instruments, the period between the Date of Grant and the date on which the holder of an Option may exercise the Option.

Unless otherwise determined by the Committee or unless certain conditions set forth in the Notice of Grant are met: (a) Options granted pursuant to the Plan will have an exercise price of \$3.00 per Share, (b) no portion of the Options granted pursuant to the Plan will be available for exercise for a period of 5 years following the Date of Grant (i.e. the Vesting Period for each Option shall be five (5) years from the Date of Grant), and (c) the Grantee must be employed by and/or provide services to the Company throughout the entire five (5) year Vesting Period for the Option to be exercisable at the end of the Vesting Period.

7.3

Validity of Options. Without derogating from the rights and powers of the Committee under Section 7.2 hereof, and without derogating from the provisions of Section 10 hereof, unless otherwise specified by the Committee, the Options shall be valid for a term of ten (10) years. The schedule pursuant to which such Options shall vest, and the Grantee thereof shall be entitled to pay for and acquire the Shares, shall be determined by the Committee.

7.4

Acceleration of Vesting. Anything herein to the contrary in this Plan notwithstanding, the Committee shall have full authority to determine any provisions regarding the acceleration of the Vesting Period of any Option or the cancellation of all or any portion of any outstanding restrictions with respect to any Option upon certain events or occurrences, and to include such provisions in the Notice of Grant on such terms and conditions as the Committee shall deem appropriate.

8.

Exercise Price: The exercise price per Share subject to each Option shall be determined by the Committee in its sole and absolute discretion; provided, however, that such exercise price shall not be less than the par value of the Shares into which such Option is exercisable.

The exercise price shall be payable upon the exercise of the Option in a form satisfactory to the Committee, including without limitation, by cash or check. The Committee shall have the authority to postpone the date of payment on such terms as it may determine.

The exercise price shall be denominated in the currency of the primary economic environment of, either the Company or the Grantee (that is the functional currency of the Company or the currency in which the Grantee is paid) as determined by the Company.

9.

Exercise of Options:

9.1

Options shall be exercisable pursuant to the terms under which they were awarded and subject to the terms and conditions of the Plan.

9.2

The exercise of an Option shall be made by a written notice of exercise (the **Notice of Exercise**) in such form and method as may be determined by the Company and when applicable, by the Trustee in accordance with the requirements of Section 102, which exercise shall be effective upon delivery of such notice by the Grantee (or the Beneficial Grantee, if applicable) to the Company at its principal executive office or to its designee at such location specified by the designee, specifying the number of Shares to be purchased, accompanying by the exercise price in respect thereto, and containing such other terms and conditions as the Committee shall prescribe from time to time.

9.3

Notwithstanding the provisions of Section 9.2 above, and unless otherwise provided by the Committee, all Options shall be exercised using the following method (the **Net Exercise**):

(a)

The Company shall issue to the Grantee (or to the Trustee, as applicable) a number of Shares having an aggregate Fair Market Value (as defined above) equal to the Benefit Amount (as defined below) (the **Net Exercise Shares**);

For the purposes of this Section the **Benefit Amount** shall mean the difference between:

(i) (A) the Fair Market Value of a Share, multiplied by (B) the number of Shares subject to the Options for which a Notice of Exercise has been delivered to the Company; and

(ii) (A) the exercise price per Share, multiplied by (B) the number of Shares subject to the Options for which a Notice of Exercise has been delivered to the Company.

(b)

The Grantee shall not be required to pay to the Company any sum with respect to the exercise of such Options, other than a sum equal to the aggregate par value of the Net Exercise Shares (the **Par Value Sum**). However, the Company shall have the full authority in its discretion to determine at any time that the Par Value Sum shall not be paid and that the Company shall capitalize applicable profits or take any other action to ensure that it meets any requirement of applicable law regarding issuance of Shares for consideration that is lower than the nominal value of such Shares;

(c)

No fractional Shares will be issued to the Grantee and the number of Shares granted to the Grantee under the Plan shall be rounded off (upward or downward) to the nearest whole number.

9.4

Anything herein to the contrary notwithstanding, but without derogating from the provisions of Section 10 hereof, and unless the Committee determines otherwise, if any Option has not been exercised and the Shares subject thereto not paid for within ten (10) years after the Date of Grant (or any shorter period set forth in the Notice of Grant), such Option and the right to acquire such Shares shall terminate, all interests and rights of the Grantee in and to the same shall ipso facto expire, and, if in connection therewith any Options are still held in the Trust as aforesaid, the Trust with respect thereto shall ipso facto expire, and the Shares subject to such Options shall again be available for grant through Options under the Plan, as provided for in Section 6 above.

9.5

Each payment for Shares shall be in respect of a whole number of Shares, and shall be effected in cash or by a bank check payable to the order of the Company, or such other method of payment acceptable to the Company.

10.

Termination of Employment or Relationship:

10.1

Except as provided in this Section 10.1 and in Section 10.2 below, an Option may not be exercised unless the Grantee is then in the service or employ of the Company or any of its Affiliates (or a company or a parent or affiliate of such company issuing or assuming the Option in a transaction to which Section 11.3 hereof applies), and unless the Grantee has remained continuously so employed or has continuously performed such services since the Date of Grant. If the employment of a Grantee shall terminate or Grantee shall cease performance of services for the Company or an Affiliate thereof (in either event, other than by reason of death or Disability, as the latter is defined below), all Options of such Grantee that are exercisable at the time of such termination or cessation may, unless earlier terminated in accordance with their terms, be exercised within ninety (90) days after the date of such termination or cessation; provided, however, that if a Grantee shall voluntarily cease employment or performance of services or the Company shall terminate the Grantee's employment for cause (as determined by the Committee), all Options theretofore granted to such Grantee shall, to the extent not theretofore exercised, terminate on the date of such termination or cessation unless otherwise determined by the Committee.

10.2

Death or Disability of Grantee.

(a)

Disability shall mean the inability of a Grantee to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of not less than 12 months.

(b)

If a Grantee shall die while employed by, or performing services for, the Company or an Affiliate thereof, or within ninety (90) days after the date of cessation of such Grantee's employment or performance of services other than as a

result of termination for cause (or within such longer period as the Committee may provide), or if the Grantee's employment shall terminate or performance of services shall cease by reason of Disability, all Options theretofore granted to such Grantee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Grantee or by the Grantee's estate or by a person who acquired the right to exercise such Options by bequest or inheritance or otherwise by reason of the death or Disability of the Grantee, at any time within one year after the date of death or Disability of the Grantee. If an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Grantee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option.

10.3

With respect to a 102(c) Option, if the Grantee ceases to be employed by the Company or any Affiliate, the Grantee shall provide to the Company and/or its Affiliate a security or guarantee for the payment of tax due at the time of sale of Shares, all in accordance with the provisions of Section 102 and the rules, regulation or orders promulgated thereunder.

11.

Effect of Certain Changes:

11.1

If there is any change in the Shares through the declaration of extraordinary dividends, stock dividends, recapitalization, stock splits, or combinations or exchanges of such shares, or other similar transactions, the number of Shares available for awards, the number of such shares covered by outstanding awards, and the price per share of Options shall be proportionately adjusted by the Committee to reflect such change in the issued Shares; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.

11.2

Unless otherwise provided by the Board, in the event of the proposed dissolution or liquidation of the Company or in the event of any proposed corporate separation or division, including, but not limited to, split-up, split-off or spin-off or in the event of other similar transactions, all outstanding Options will terminate immediately prior to the consummation of such proposed action. In such case, the Committee may provide that each award granted under the Plan shall terminate as of a date to be fixed by the Committee and that not less than thirty (30) days' written notice of the date so fixed shall be given to each Grantee, who shall have the right, during the period of thirty (30) days preceding such termination, to exercise his or her Option, including any Option which would not otherwise be exercisable.

11.3

In the event of a proposed sale of all or substantially all of the assets of the Company or the merger of the Company with or into another corporation, any award then outstanding shall be assumed or an equivalent award shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless such successor corporation does not agree to assume the award or to substitute an equivalent award, in which case the Committee shall, in lieu of such assumption or substitution, provide for the realization of such outstanding awards in

the manner set forth in Section 11.2 above.

11.4

In the event of a change in the Company's Shares as presently constituted that is limited to a change of all of its authorized shares of Common Stock into the same number of shares with a different par value or without par value, the shares resulting from any such change shall be deemed to be the Shares within the meaning of the Plan.

11.5

Except as herein before expressly provided in this Section 11, the Grantee of an award hereunder shall have no rights by reason of any subdivision or consolidation of shares of stock of any class or the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class or by reason of any dissolution, liquidation, merger, or consolidation or spin-off of assets or stock of another company; and any issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an award, except as provided herein. The grant of an award pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structures or to merge or to consolidate or to dissolve, liquidate or sell, or transfer all or part of its business or assets or engage in any similar transactions.

12.

Limitations on Transfer:

12.1

No Option shall be assignable or transferable by the Grantee to whom granted otherwise than by will or the laws of descent and distribution, and an Option may be exercised during the lifetime of the Grantee only by such Grantee or by such Grantee's guardian or legal representative. The terms of such Option shall be binding upon the beneficiaries, executors, administrators, heirs and successors of such Grantee.

Any such action made directly or indirectly, and whether intended to take effect immediately or at a future date, shall be void.

As long as the Shares are held by the Trustee on behalf of the Grantee, all rights of the Grantee over the Shares are personal, cannot be transferred, assigned, pledged or mortgaged, other than by will or pursuant to the laws of descent and distribution.

12.2

Underwriter's Lock-up. The Grantee's rights to sell Exercised Shares may be subject to certain limitations (including a lock-up period), as will be requested by the Company or its underwriters, from time to time, or upon a specific occurrence, and the Grantee unconditionally agrees and accepts any such limitations.

13.

Term and Amendment of the Plan:

13.1

The Plan shall become effective as of the date approved by the Board, subject to the approval of the Plan by the shareholders of the Company, and terminate on the earlier of (i) the tenth anniversary of such date or (ii) the termination of all outstanding Options as provided in Section 11 hereof. All Options outstanding at the time of a clause (i) termination event shall continue to have full force and effect in accordance with the provisions of the Plan and the documents evidencing such Options.

13.2

Subject to applicable laws, the Board shall have complete and exclusive power and authority to amend, modify, suspend or terminate the Plan in any or all respects. In addition, in the event the Committee wishes to grant Options to non-Israeli Grantees, the Board may adopt, as part of this Plan and based on it, sub-plans, in order to comply with all relevant and applicable laws and regulations of the country of residence of such Grantees. Notwithstanding the foregoing, and without limiting the circumstances in which shareholder approval may be required by applicable laws, rules or regulations, any amendment that would materially increase the aggregate number of Shares as to which awards may be granted under the Plan, materially increase the benefits accruing to Grantees under the Plan, materially modify the requirements as to eligibility for participation in the Plan or expand the types of awards available under the Plan shall be subject to the approval of the holders of a majority of the Shares issued and outstanding, except that any such increase or modification that may result from adjustments authorized by Section 11 shall not require such approval. Except as provided in Section 11 hereof, no such amendment or modification shall adversely affect any rights and obligations with respect to Options at the time outstanding under the Plan, unless the Grantee consents to such amendment or modification.

13.3

The Company shall obtain the approval of the Company's shareholders for the adoption of this Plan or for any amendment to this Plan, if shareholders' approval is necessary or desirable to comply with any applicable law including without limitation the securities law of the United States or the securities laws of other jurisdiction applicable to Options granted to Grantees under this Plan, or if shareholders' approval is required by any authority or by any governmental agencies or national securities exchanges including without limitation the US Securities and Exchange Commission.

14.

Withholding and Tax Consequences: The Company's obligation to deliver Shares upon the exercise of any Options granted under the Plan shall be subject to the satisfaction of all applicable income tax and other compulsory payments withholding requirements. All tax consequences and obligations (of the Company or the Grantee) regarding any other compulsory payments arising from the grant or exercise of any Option, from the payment for Shares covered thereby or the subsequent disposition of Shares subject thereto or from any other event or act (of the Company and/or its Affiliates, the Trustee or the Grantee) hereunder, shall be borne solely by the Grantee. The Company and/or its Affiliates and/or the Trustee shall withhold taxes according to the requirements under the applicable laws, rules, and regulations, including withholding taxes at source. Furthermore, the Grantee shall indemnify the Company and/or its Affiliates and/or the Trustee, as applicable, and hold them harmless against and from any and all liability for any such tax or other compulsory payment, or interest or penalty thereon, including without limitation, liabilities relating to the necessity to withhold, or to have withheld, any such tax or other compulsory payment from any payment made to the Grantee.

The Company and/or, when applicable, the Trustee shall not be required to release any Share certificate to a Grantee until all required payments have been fully made.

15.

Miscellaneous:

15.1

Continuance of Employment. Neither the Plan nor the grant of an Option thereunder shall impose any obligation on the Company or any of its Affiliates to continue the employment or service of any Grantee. Nothing in the Plan or in any Option granted thereunder shall confer upon any Grantee any right to continue in the employ or service of the Company or any of its Affiliates for any period of specific duration, or interfere with or otherwise restrict in any way the right of the Company to terminate such employment or service at any time, for any reason, with or without cause.

15.2

Governing Law. The Plan and all instruments issued thereunder or in connection therewith, shall, with the exception of the provisions of the Plan specifically relating to non-Israeli Grantees, be governed by, and interpreted in accordance with, the laws of the State of Israel.

15.3

Use of Funds. Any proceeds received by the Company from the sale of Shares pursuant to the exercise of Options granted under the Plan shall be used for general corporate purposes of the Company.

15.4

Multiple Agreements. The terms of each Option may differ from other Options granted under the Plan at the same time, or at any other time. The Committee may also grant more than one Option to a given Grantee during the term of the Plan, either in addition to, or in substitution for, one or more Options previously granted to that Grantee. The grant of multiple Options may be evidenced by a single Notice of Grant or multiple Notices of Grant, as determined by the Committee.

15.5

Non-Exclusivity of the Plan. The adoption of the Plan by the Board shall not be construed as amending, modifying or rescinding any previously approved incentive arrangement or as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

15.6

Government Regulations. This Plan, the grant and exercise of Options hereunder, and the obligation of the Company to sell and deliver shares under such Options, shall be subject to all applicable laws, rules, and regulations, whether of the State of Israel or of the United States or any other State having jurisdiction over the Company and the Grantee including the registration of the shares under the United States Securities Act of 1933, and to such approvals by any governmental agencies or national securities exchanges as may be required.

15.7

The provisions of this Plan shall not be construed as deviating from any applicable laws rules and regulations.

The total amount of indemnification that the Company undertakes, towards all persons whom it has resolved to indemnify for the matters and in the circumstances described herein and in the Company's agreements with its other directors and officers, jointly and in the aggregate, shall not exceed the greater of (a) an aggregate amount of \$3 million, or (b) an amount equal to twenty-five percent (25%) of the Company's total shareholders equity at the time of any claim for indemnification hereunder.

7.

Notwithstanding anything contained herein to the contrary, the Company will not indemnify you for any liability with respect to which you have received payment by virtue of an insurance policy or another indemnification agreement other than for amounts which are in excess of the amounts actually paid to you pursuant to any such insurance policy or other indemnity agreement (including deductible amounts not covered by insurance policies), within the limits set forth in Section 6 above.

8.

Subject to the provisions of Sections 6 and 7 above, the indemnification hereunder will, in each case, cover all sums of money (100%) that you will be obligated to pay, in those circumstances for which indemnification is permitted by applicable law.

9.

The Company will be entitled to any amount collected from a third party in connection with liabilities indemnified hereunder.

10.

Subject to and in accordance with applicable law and the terms and conditions of this Letter, in all indemnifiable circumstances indemnification will be subject to the following:

10.1.

You shall promptly notify the Company, in writing, of any legal proceedings initiated against you and of all possible or threatened legal proceedings, without delay, following your first becoming aware thereof, and you shall deliver to the Company, or to its designee, without delay, all documents you receive in connection with these proceedings.

10.2.

Similarly, you must advise the Company on an ongoing and current basis concerning all events which you suspect may give rise to the initiation of legal proceedings against you.

10.3.

Other than with respect to proceedings that have been initiated against you by the Company or in its name, the Company shall be entitled to undertake the conduct of your defense in respect of such legal proceedings and/or to hand over the conduct thereof to any attorney which the Company may choose for that purpose, except to an attorney who is not, upon reasonable grounds, acceptable to you.

10.4.

The Company and/or the attorney as aforesaid shall be entitled, within the context of the conduct as aforesaid, to conclude such proceedings, all as it shall see fit, including by way of settlement. At the request of the Company, you shall execute all documents required to enable the Company and/or its attorney as aforesaid to conduct your defense in your name, and to represent you in all matters connected therewith, in accordance with the aforesaid.

10.5.

For the avoidance of doubt, in the case of criminal proceedings the Company and/or the attorney as aforesaid will not have the right to plead guilty in your name or to agree to a plea-bargain in your name without your consent. Furthermore, in a civil proceeding (whether before a court or as a part of a compromise arrangement), the Company and/or its attorney will not have the right to admit to any occurrences that are not indemnifiable pursuant to this Letter and/or pursuant to law, without your consent.

10.6.

However, the aforesaid will not prevent the Company and/or its attorney as aforesaid, with the approval of the Company, to come to a financial arrangement with a plaintiff in a civil proceeding without your consent so long as such arrangement will not be an admittance of an occurrence not indemnifiable pursuant to this Letter and/or pursuant to law.

10.7.

You will fully cooperate with the Company and/or any attorney as aforesaid in every reasonable way as may be required of you within the context of their conduct of such legal proceedings, including but not limited to the execution of power(s) of attorney and other documents, provided that the Company shall cover all costs incidental thereto such that you will not be required to pay the same or to finance the same yourself.

10.8.

If, in accordance with Section 10.3, the Company has taken upon itself the conduct of your defense, the Company will have no liability or obligation pursuant to this Letter to indemnify you for any legal expenses, including any legal fees that you may expend in connection with your defense, except to which the Company in its absolute discretion shall agree.

10.9.

The Company will have no liability or obligation pursuant to this Letter to indemnify you for any amount expended by you, or for any expenses or damages, pursuant to any compromise or settlement agreement reached in any suit, demand or other proceeding as aforesaid without the Company's advance written consent to such compromise or settlement.

11.

If for the validation of any of the undertakings in this Letter any act, resolution, approval or other procedure is required, the Company undertakes to cause them to be done or adopted in a manner which will enable the Company to fulfill all its undertakings as aforesaid.

12.

For the avoidance of doubt, it is hereby clarified that nothing contained in this Letter derogates from the Company's right to indemnify you *post factum* for any amounts which you may be obligated to pay as set forth in Section 1 above. The Company may, in its discretion, following receipt of necessary corporate approvals, and subject to applicable law, indemnify you retroactively for Actions committed prior to the date of this Letter.

13.

If all or part of any undertaking included in this Letter is held invalid or unenforceable, such invalidity or unenforceability will not affect any of the other undertakings which will remain in full force and effect. Furthermore, if such invalid or unenforceable undertaking may be modified or amended so as to be valid and enforceable as a matter of law, such undertakings will be deemed to have been modified or amended, and any competent court or arbitrator is hereby authorized to modify or amend such undertaking, so as to be valid and enforceable to the maximum extent permitted by law.

14.

This Letter cancels and supersedes any preceding letter of indemnification that may have been issued to you.

15.

This Letter and the agreements contained herein shall be governed by and construed and enforced in accordance with the laws of the Netherlands Antilles.
