**Item 3. Source and Amount of Funds or Other Consideration**

The source of Pyxis' funds for the purchase is a capital contribution from Alticor Inc. The purchase price for the securities is \$7,000,000. This purchase price may increase to \$9,000,000 if the Issuer reaches a certain milestone pursuant to the terms of the Stock Purchase Agreement entered into by and between Pyxis and the Issuer on March 5, 2003, which is attached to this Schedule 13D as an exhibit and is hereby incorporated by reference.

Except as stated above, none of Alticor Inc., Alticor Holdings Inc., or the Directors and Officers contributed funds or other consideration in connection with the purchase.

**Item 4. Purpose of Transaction**

*Introduction:* Pyxis has acquired the securities for the purpose of obtaining control of the Issuer in order to develop and enhance Pyxis' and its affiliates' businesses related to nutrigenomics and dermagenomics. This transaction involves a sale of 5,000,000 shares of Series A Preferred Stock to Pyxis by the Issuer in a private placement. These shares are initially convertible into 28,157,683 shares of the Issuer's common stock (the "Common Stock"), reflecting a conversion price of \$.2486 per share (or \$.3196 per share if the milestone is received and the purchase price is therefore increased by \$2,000,000), subject to adjustment as provided in the Certificate of Designations, Preferences and Rights, which is attached to this Schedule 13D as Exhibit 99.3 and is hereby incorporated by reference. Each holder of Series A Preferred Stock is entitled to vote its shares of Series A Preferred Stock on an as-converted basis with the holders of Common Stock as a single class on all matters submitted to a vote of the stockholders, except as provided below, as otherwise required by applicable law or as otherwise required by the Certificate of Designations, Preferences and Rights. This means that each share of Series A Preferred Stock will be entitled to a number of votes equal to the number of shares of Common Stock into which it is convertible on the applicable record date. Pyxis, as the holder of Series A Preferred Stock, also has the right to elect four out of the five Issuer directors; the remaining

director is elected by the holders of Common Stock. This transaction also involves the refinancing of certain promissory notes in the original aggregate principal amount of \$2,000,000, which notes are convertible into Common Stock as described in (a) of this Item 4 below.

The following paragraphs discuss the plans and proposals of Pyxis which relate to or result in the matters enumerated in Item 4 of this Schedule 13D as of the date of the filing. No representation is made and no reference should be drawn from omission that such plans and proposals will not change or that new plans or proposals will not be developed in the future.

(a) In connection with the transaction, Pyxis refinanced the Issuer's indebtedness to Pyxis. The previously issued promissory notes in the original aggregate principal amount of \$2,000,000 were exchanged for convertible promissory notes in the same principal amounts, due December 31, 2007, bearing an interest rate of prime plus one percent, and convertible into shares of Common Stock at any time by Pyxis at a conversion price equal to two times the conversion price of the Series A Preferred Stock in effect at the time of conversion.

In addition, Pyxis has agreed to loan the Issuer (1) on or before July 31, 2003, sufficient funds to payoff the promissory notes in the original aggregate principal amount of \$525,000 made by the Issuer in August 2002; and (2) upon the satisfaction of the conditions outlined in Amendment No. 3 to the Note Purchase Agreement, which is attached to this Schedule 13D as Exhibit 99.4 and is hereby incorporated by reference, up to \$1,500,000. These loans will be made in the form of promissory notes due five years from the date of issuance, bearing an interest rate of prime plus one percent, and convertible into shares of Common Stock at any time by Pyxis at a conversion price equal to two times the conversion price of the Series A Preferred Stock in effect at the time of conversion.

(d) In connection with the transaction, the Issuer agreed to reduce the number of directors on its Board of Directors from six to five and granted Pyxis, as the sole holder of the

SCHEDULE 13D

shares of Series A Preferred Stock, the right to appoint four out of the five members of the new Board of Directors. Pyxis has elected George D. Calvert, Bert Crandell, Thomas R. Curran, Jr. and Beto Guajardo as directors effective March 21, 2003, a date that is ten days after the date on which the Issuer's Information Statement, filed pursuant to Section 14(f) of the Securities Exchange Act of 1934 and Rule 14f-1 thereunder, was filed with the Securities and Exchange Commission and mailed to all holders of record of the Common Stock.

(e) The Series A Preferred Stock accrues dividends at the rate of 8% of the original purchase price per annum, payable only when, as and if declared by the Issuer's Board of Directors and is non-cumulative. If the Issuer declares a distribution, with certain exceptions, payable in securities of other persons, evidences of indebtedness issued by the Issuer or other persons, assets (excluding cash dividends) or options or rights to purchase any such securities or evidences of indebtedness, then, in each such case the holders of the Series A Preferred Stock shall be entitled to a proportionate share of any such distribution as though the holders of the Series A Preferred Stock were the holders of the number of shares of Common Stock into which their respective shares of Series A Preferred Stock are convertible as of the record date fixed for the determination of the holders of Common Stock entitled to receive such distribution.

In the event of any liquidation, dissolution or winding up of the Issuer, whether voluntary or involuntary, the holders of the Series A Preferred Stock shall be entitled to receive, prior and in preference to any distribution of any of

the assets or surplus funds of the Issuer to the holders of the Common Stock by reason of their ownership thereof, the amount of two times the then-effective purchase price per share, as adjusted for any stock dividends, combinations or splits with respect to such shares, plus all declared but unpaid dividends on such share for each share of Series A Preferred Stock then held by them. After receiving this amount, the holders of the Series A Preferred Stock shall participate on an as-converted basis with the holders of Common Stock in any remaining assets of the Issuer.

(f) Concurrent with the closing of the transaction, the Issuer entered into a license agreement with Access Business Group International LLC, granting an exclusive license of all of its current and future intellectual property, limited to certain uses within the field of nutrigenomics and dermagenomics. Outside the field of nutrigenomics and dermagenomics, the Issuer granted a right of negotiation for the commercialization of all of its current and future intellectual property into products/services.

Concurrent with the closing of the transaction, the Issuer also entered into a research agreement with Access Business Group LLC, governing the terms of developing and validating nutrigenomic and dermagenomic tests and products. The resulting intellectual property would be owned by Access Business Group LLC and the Issuer would retain the ownership of its underlying intellectual property and resulting intellectual property relating to nutrigenomic and dermagenomic tests. In addition, the Issuer agreed with Pyxis to establish a "science committee" with equal representation from each party to exchange non-confidential information in anticipation of developing mutually beneficial opportunities.

(g) See response above to the introduction and subparagraph (e) of this Item 4. Further reference is made to Exhibits 99.1 and 99.3 of this Schedule 13D, which are hereby incorporated by reference.

None of Alticor Inc., Alticor Holdings Inc., or the Directors and Officers have independent plans or proposals of the type enumerated in Item 4 of Schedule 13D that differ from those enumerated above for Pyxis.

**Item 5. Interest in Securities of the Issuer**

(a) Pyxis beneficially owns 32,233,494 shares of the Issuer's stock, which is 58.2% of the outstanding Common Stock. Alticor Inc. and Alticor Holdings Inc. may be deemed to beneficially own the same 32,233,494 shares of the Issuer's stock.

The number of shares reported in this Item 5(a) includes 28,157,683 shares of Common Stock issuable to Pyxis upon conversion of the 5,000,000 shares of Series A Preferred Stock and 4,075,811 shares of Common Stock issuable to Pyxis upon conversion of the reissued promissory notes described in subparagraph (a) of Item 4 of this Schedule. In determining Pyxis' beneficial ownership percentage above, a division calculation is used wherein 32,233,494 is the numerator and 32,233,494 plus all shares of Common Stock outstanding is the denominator.

The calculations in this Item 5(a) are based on the Issuer having 23,118,249 shares of Common Stock outstanding as of February 28, 2003. In addition, these calculations assume no outstanding options or other rights to obtain Common Stock have been exercised by their holders except as otherwise indicated by the Issuer. A total of 2,873,652 shares of Common Stock may be obtained upon the exercise of such outstanding rights. All information stated in this paragraph was provided by the Issuer in connection with the transaction reported in this Schedule 13D.

None of the other persons named in response to Item 2 of this Schedule 13D is the beneficial owner of the Common Stock except to the extent beneficial ownership of shares owned by Pyxis may be attributed to such person.

- (b) Pyxis holds the sole power to vote and dispose of the securities of Issuer that it holds.
- (c) See Item 4 of this Schedule 13D.
- (d) Not applicable.
- (e) Not applicable.

The responses to (a) of this Item 5 are "Not Applicable" for the Directors and Officers. The responses to (b) - (c) of this Item 5 are "Not Applicable" for Alticor Inc., Alticor Holdings Inc. and the Directors and Officers.

Pyxis and the Issuer have entered into a Registration Rights Agreement. Under this agreement, the Issuer is obligated to register for resale the Common Stock issuable upon the conversion of the Series A Preferred Stock upon demand by Pyxis at any time following the second anniversary of the closing of the transaction. Upon such demand, the Issuer is obligated to use its reasonable best efforts to have the registration statement registering such securities declared effective within 120 days of filing it with the Securities and Exchange Commission. In addition, the Issuer has agreed to grant Pyxis unlimited "piggyback" registration rights following the second anniversary of the closing of the transaction along with priority for such registration in certain circumstances. Pyxis has agreed that it will not sell or otherwise transfer its Series A Preferred Stock (or shares of Common Stock converted therefrom) to any unrelated third-party until after March 5, 2005. Further reference is made to Item 4 of this Schedule 13D and the documents attached to this Schedule 13D as exhibits, each of which is hereby incorporated by reference.
