***Common Stock Offering***

On March 25, 2008, MGIC Investment Corporation (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Banc of America Securities LLC as the representative of the several underwriters listed therein (collectively, the Underwriters). Pursuant to the Underwriting Agreement, the Company agreed to sell and the Underwriters agreed to purchase for resale to the public (the Stock Offering), subject to the terms and conditions expressed therein, 37,333,333 shares of the Company's common stock at a price per share of \$11.25 to the public, less an underwriting discount of \$0.5063 per share. The Underwriters also have an option to purchase up to 5,600,000 additional shares of the Company's common stock at the same price per share. The Company's common stock to be sold pursuant to the Underwriting Agreement was registered pursuant to effective Registration Statements on Form S-1 that the Company filed with the Securities and Exchange Commission under the Securities Act of 1933, as amended (the Securities Act). The Stock Offering is expected to close on March 28, 2008.

The Underwriting Agreement contains customary representations, warranties and agreements of the Company, conditions to closing, indemnification rights and obligations of the parties and termination provisions. In the ordinary course of their respective businesses, the Underwriters or their affiliates have performed and may in the future perform certain commercial banking, investment banking and advisory services for the Company from time to time for which they have received and may receive in the future customary fees and expenses.

***Convertible Subordinated Debentures Offering***

Also on March 25, 2008, the Company entered into a purchase agreement (the Purchase Agreement) by and among the Company and the initial purchasers named therein (the Initial Purchasers), pursuant to which the Company agreed to sell, and the Initial Purchasers agreed to purchase, subject to the terms and conditions set forth therein, \$325,000,000 aggregate principal amount of the Company's 9.0% Convertible Junior Subordinated Debentures due 2063 (the Debentures). The Debentures are being resold in a private placement to qualified institutional buyers in an offering exempt from Securities Act registration requirements pursuant to Rule 144A under the Securities Act (the Debenture Offering). The Debentures will be convertible, at the holder's option, at an initial conversion rate of 74.0741 shares per \$1,000 principal amount of Debentures, which represents a 20.0% conversion premium based on the \$11.25 per share price to the public in the Stock Offering.
