Item 4. DESCRIPTION OF SECURITIES.

Not applicable.

Item 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not applicable.

Item 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Under Ohio law, Ohio corporations are authorized to indemnify directors, officers, employees, and agents within prescribed limits. Ohio law permits, the Company to indemnify a director, officer, employee and certain other persons ("Covered Persons") against expenses, judgments, fines, and settlements reasonably incurred in a nonderivative suit, and against expenses reasonably incurred in a derivative suit, if the Covered Person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the Company. In addition, Ohio law permits, the Company to indemnify a Covered Person in a criminal action or

4

proceeding, other than in a derivative suit, if the person had no reasonable cause to believe his or her conduct was unlawful.

Unless ordered by a court, no indemnification of expenses in a derivative suit is authorized by Ohio law or if the Covered Person is finally adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Company. However, if a Covered Person is successful on the merits or in defense of any matter, indemnification of expenses is mandatory. In addition, under Ohio law, a director's expenses shall be paid by the Company as they are incurred, provided the director agrees to reasonably cooperate with the Company and to repay the amounts advanced if it is proved by clear and convincing evidence that the director's action or failure to act was done with reckless disregard for the best interests of the Company.

Under Ohio law, a director is not liable for monetary damages unless it is proved by clear and convincing evidence that the Director's action or failure to act was undertaken with deliberate intent to cause injury to the Company or with reckless disregard for the best interests of the Company. There is, however, no comparable provision limiting the liability of officers, employees, or agents of a corporation. The statutory right to indemnification is not exclusive and is in addition to any other rights granted to persons seeking indemnification.

The Company's Code of Regulations provides that the Company shall indemnify its directors and officers to the fullest extent permitted by Ohio law, including circumstances in which indemnification is otherwise discretionary under Ohio law. The Company has entered into indemnification agreements with its officers and directors containing provisions that are in some respects broader than the specific indemnification provisions contained in the Ohio Law. The indemnification agreements may require the Company, among other things, to indemnify its directors against certain liabilities that may arise by reason of their status or service as directors (other than liabilities arising from willful misconduct or willful disregard of duties), to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and to obtain director's insurance if available on reasonable terms.

It is the opinion of the Commission that indemnification provisions such as those contained in the Company's Code of Regulations and these agreements have no effect on a director's or officer's liability under the federal securities laws.

The Company has also obtained directors and officers' liability

insurance covering, subject to certain exceptions, actions taken by The Company's directors and officers in their capacities as such.

Item 7. EXEMPTION FROM REGISTRATION CLAIMED.

Not applicable.

Item 8. EXHIBITS.

The Exhibits to this Registration Statement are listed in the Exhibit Index on Page __, which Exhibit Index is incorporated herein by this reference.

5

Item 9. UNDERTAKINGS.

The undersigned registrant hereby undertakes:

- (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the Registration Statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.
- (b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.
- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (d) That for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement

Edgar Filing: APPLIED INDUSTRIAL TECHNOLOGIES INC - Form S-8

relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling

6

person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

7
